## The Field at Gettysburg

is to the old soldier and the student the most interesting of all the earth's battle grounds. Those who go to Washington to attend the encampment of the G. A. R. in September, will have the best opportunity of visiting Gettysburg by taking the line of the Michigan Central and the Northern Central, which includes a side trip to Gettysburg either going or returning. For those who wish to return by way of Philadelphia, all return tickets will be honored either via the short line of via Philadelphia, allowing stop-over at Baltimore, Philadelphia and Harrisburg. The stop at Philadelphia will permit of a side trip to New York and return at the low rate of \$4.00.

During the summer season the Michigan Central gives the privilege of stopping over at Niagara Falls at any time within the life of the ticket returning, upon depositing it with the ticket agent there, affording a valuable opportunity to see the beauties of the great cataract and vicinity at leisure.

Tickets are also sold to Washington via Toledo and the lines south and east therefrom.

The Michigan Central is the shortest route, the best route, and offers inducements that no other line can give. For any additional information apply to nearest Michigan Central ticket agent or to J. S. Hall, Mich. Pass. Agent, Jackson, Mich.

Our Republican friends should  
 explain why it is that Mr. Harrison  
 did not veto some of those extrava-  
 gant appropriations they are just  
 now talking so much about.

The Republican national com-  
 mittee lost a great opportunity  
 when it failed to buy in the man-  
 mot Anderson (Indiana) Tin-plate  
 works, which were sold out by the  
 Sheriff the other day on a judgment  
 of \$218.30. This establishment em-

So everybody turn out.

—Rev. C. B. Steele preached to the Good Templars in the M. E. church last Sunday evening. He vividly portrayed the extent of the good work done by this and other temperance societies in the past, and spoke many encouraging remarks to the order. It was a masterly, whole-souled address, and one that strongly obligates the lodge. The discourse was of an hour's duration and was very attentively listened to by the large congregation.

### New Enterprises.

Last Saturday evening a meeting of the business men and citizens was held in the village hall, and was one of the best, most enthusiastic and unanimous ever held in the village. The purpose of the meeting was to consider a proposition by the Emery Lumber Co., and other capitalists, in regard to moving one of their large mills from Saginaw to this place. The company wanted a site and the foundation for the mill laid. The former would cost \$6,000, and when put to vote if it should or should not be placed on the assessment roll, there was not a dissenting voice. It was unanimously voted to place it on the roll. This mill will have a capacity of at least 150,000 per day. Propositions from capitalists to put up an institution for the manufacture of passenger and freight cars also met with much favor, and it is about assured that we will have this industry too.

When these enterprises are established here East Tawas will be in much better shape than ever before. Our citizens should strike now while the iron is hot, and not let these things slip through their fingers, as is usual in most towns in such cases.
