WM. BENEDICT.

—Mrs. John Welch, daughter of Henry McNally, died at Seney this week and was brought to this place for interment. Deceased was an old resident of this place, and leaves a husband and several children to mourn her untimely death. Funeral will take place at the East Tawas Catholic church to-day, and the remains will be buried in the Catholic cemetery. Her death was very unexpected and consequently a very sad blow to her parents and relatives.

—"A Model Husband" the new comedy in which the famous comedian Mr. John Dillon is appearing this season is said to be a cyclonic hurricane of flirtations, love and elopements, shedding new light upon that interesting subject "is marriage a failure." Mr. Dillon is one of the oldest and best known comedians on the American stage and for over thirty years has been a great favorite all over the United States. He is supported this season by one of the strongest and most evenly balanced company possible to obtain. His date here is Nov. 9th, on which evening election returns will be read from the stage between acts. Seats on sale at Dillon's Drug Store, price 50 cts. all over the house.

—By a letter from S. L. Quackenbush, formerly of East Tawas, who is now located at Ashland, Wis., he says he likes the place but advises workmen of these places to remain at home—not come west for work, as there are men up there who get pay for getting Lower Mich. men to come up to work on the railroads. They promise men big wages, but when they get there they only give them \$1 or \$1.50 per day. The country up there is over-run with workmen.

—T. Simon has received an invoice of \$2,000 worth of sample Overcoats and Ulsters, which he places on sale for next week only. Call and examine them.

—William Taylor of Au Sable, but belonging to the K. O. T. M. of Alabaster, was killed in the lumber woods in the Upper Peninsula last week by having a load of logs roll over on him, and was brought to this place Sunday morning by train where the Maccabees of this city and Alabaster took the remains in charge. The body was taken to Au Sable for interment. The procession was joined at East Tawas by a delegation of Bees, and also at Au Sable. Deceased carried a \$2,000 policy in the Maccabees and leaves a wife and three children to mourn his loss.

—The appearance of the famous comedian, Mr. John Dillon in his new comedy, "A Model Husband" at the Opera House Nov. 9th, will undoubtedly be the biggest theatrical event of the season. Manager Davey has shown a desire to please his patrons in booking this high class attraction and playing it at his regular house price, 50 cts. This is the

first time in years that Mr. Dillon has played under 75 cts. and it was only by strong arguments by Mr. Davey that the management decided to go against their rule and reduce the price of admission.

—County physician, Dr. D. C. Howell will perform a surgical operation on Andrew Duby, at the county house next Monday, 10 a. m. Said Duby was injured at Au Sable about two years ago, and has since become paralyzed from the hips down. The Dr. will amputate both legs close to the hips. He performed an operation on his spine about two months ago, taking out three inches of the back bone, with good results. Everyone wishing to witness the operation are invited to come and do so.

## Judge for Yourself.

The editors of the Gazette and Monitor have for the past few weeks indulged in much slander and vituperation against Messrs. Murphy and Jahraus, and we have heretofore held our peace, but patience has ceased to be a virtue, and we are forced to notice these two barbares on decent society, by simply saying they are a-kim to the father of liars, and that the articles published in their papers have for their foundation, spite, jealousy, malice and falsehood. They dare not compare records with us. Who and what is Featherly? And where-withal has he ever commanded respect, confidence or esteem? Who is Jackson? What has he ever done? A narrow minded bigot, a deplorable phanatic. We have lived here 25 years, paid our honest debts and held offices of trust and responsibility, and no man has ever said aught against us. Featherly is a confessed insolvent. Jackson an admitted crank, even using the church to father his narrow purposes and to cover his detestable hypocrisy. Choose ye whom ye will believe and countenance.

## Judge of Probate.

Charles R. Henry, candidate for Probate Judge, came to Iosco County fifteen years ago and began the practice of law, and has made this county his home ever since. He is now the pioneer practicing lawyer in the county. He has been elected to offices of trust and responsibility, always performing the duties of his office in such a way that no one has ever had occasion to find fault. Mr. Henry concluded his second term as Prosecuting Attorney Dec. 31st, 1894, and has not held an elective county office since that date and is certainly entitled to election on Nov. 8th. He is an able, hard working and conscientious lawyer, always faithful to the interests of his clients, and at the same time an affable gentleman with pleasant word for every one. If by your vote you help to elect C. R. Henry, Probate Judge you will never regret it.

## Who shall we Vote For?

Experience ought to instruct our thinking voters that they can elect expensive or economical officers to fill the offices of trust in our county.

H. M. Elliott was one of the most economical Prosecuting Attorneys ever elected to that office, and every tax payer will consult his interest by giving him a vote. Any person who is sufficiently interested on the subject of taxation can fully satisfy themselves that this is a truth and an uncontroversial fact by an examination of the records in the Circuit Court for the county of Iosco.

Voters, tax payers, remember that you are voting for YOUR INTEREST by voting for H. M. Elliott for Prosecuting Attorney.

## Balcom's Mill.

Nov. 1 1892.

—There is some political excitement throughout Reno, and several campaign flags have been thrown to the breeze, during the past week Notable at Wag-ar & Pfeifers, Balcom's and Taft.

—Mrs. Anderson and Miss Latter, of Silvam, made Mrs. J. W. Balcom a pleasant visit last Wednesday, in the interests of the Reno Baptist church.

—Both shingle mills will shut down for a few weeks, soon as the present stock is cut out, to skid up for the winter and general repairs. Shingles have moved a little easier for a couple of weeks past.

—C. A. Jahraus and M. Murphy made J. W. Balcom a social and political call last Thursday, and we were among those who listened to their Oratory at the State Road school house in the evening.

RED BIRD.

## CLEAN POLITICS.

### The Monitor's Slandorous way of Conducting a Campaign.

We take the following from the Tawas Bay Advocate.

We have not as yet taken any sides in the political issues of the day, neither will we in the future, or at least in the campaign of 1892. A paper makes more enemies than they gain dollars, no matter what side of the question it takes. We do not believe in puffing a man up, and writing columns of editorials in telling how he is working, and all we get in return for it is a promise that he will help you out in some future time, neither do we believe in slandering a man because we have some personal spite against him. The time to work out a personal spite is not when we are trying to select a man for the whole people, who is to take care of our laws for the next two or four years.

But there is one thing that we do believe in, and that is that if the people nominate a man for office, without his seeking it, we should afterwards help elect him, or if we don't like a man, or his business, keep still. Surely if the whole people, with their brains and experience, think that a man is fitted for an office, they should have their way, and not follow the foolish ideas of one certain disreputable man.

Featherly, our esteemed contemporary, or rather our slanderous contemporary, in several articles in the Monitor, for the last two or three weeks has, in his way, been saying a good deal in regards to some of our nominees from this end of the county, of course we don't mean, because he is saying a good deal he is doing any good, or any harm to anyone, as he has never slandered a man but what he has elected him. In several different articles he has been trying to paint Mr. Murphy, candidate for sheriff on the democratic ticket, as black a villain as ever lived. We have nothing to say in regards to his articles about Murphy, more than that we don't think it is right to run him down, or any other man, just because he lives in a rival town. The Monitor stated that two years ago Mr. Murphy circulated the report that he had sold his business for the purpose of gaining votes, that is untrue, as no such report was either talked of or published. Mr. Murphy was at that time nominated for sheriff by acclamation, and made a good run, considering that he was running against a man who was up for his second term. This year Mr. Murphy was not even a delegate to the convention, and did not seek the nomination, the nomination sought him, as did the office of Supervisor.

Mr. Murphy has been a resident of Iosco county for 28 years, and has always been known to pay his debts and do business on square principals. He is not a rascal, or is he the keeper of a dive, or a frequenter of one. He is not an old whisky soaked bum as the Monitor would paint him. If a person wants to see which is the man to be slandered he can tell by looking at the record of both men. Mr. Murphy has never been requested to move out of town by the council, but has been elected to the following offices by the citizens of our city and county. He was dep'y. Sheriff for two years under Esmond, and four years under Lanktree, and it has been said by attorney's Judge Tuttle and Judge Simpson that Mr. Murphy was one of the best officers they had in their judicial circuit. He has been counselman for the last five years, game warden of this county, dep'y. county clerk, Real estate dealer and Notary Public. We have also heard it said, since we have been in the city, that Mr. Murphy has had nothing to do with the liquor traffic for the past two years and a half, since he has been engaged in the newspaper and other business.

Mr. Murphy was nominated by the electors of his party of their own free will, unsought for by himself, as he thought that there was too many others in the race for him to enter it.

The Monitor says, "Mr. Cox is our next sheriff," but if the people take as much stock in his saying as they have in the past, Mr. Murphy is our next sheriff.

Can this Bird be caught with Chaff?

SMART as Mr. Blaine undoubtedly is, he can easily be caught by the "taffy" of smaller men.

EVEN rich Mr. Blaine gets a price for writing Republican campaign documents. Come to think, any man who does it ought to be well paid for it.

THE vitriolic Ingalls finds working for newspaper syndicates more congenial and more profitable than working for the Republican National ticket this year.

THOSE Tammany war clubs and tomahawks, are being quite vigorously used on Republican heads these days, contrary to Republican and mugwump prophecies.

IT is a noteworthy fact that the most popular men with the republican masses, such men as Blaine, Foraker and Reed, were all opposed to the renomination of Mr. Harrison.

DEMOCRATS sympathize with Mr. Harrison in his family affliction as sincerely as Republicans do, but they will not sympathize with the political affliction soon to be visited upon him.

ACCORDING to the latest news from the betting centres, Republican money is not keeping up with Republican confidence. Men may talk against their judgement, but they seldom bet their cash that way.

THANK heaven, the democratic managers have put no woman on the stump; women were made for something higher and nobler than stump-speaking and political wire pulling and, while good and pure women may engage in it, we rejoice that they are not relatives of ours.

THE Republicans have forgotten something. Nobody has yet said a word about "British gold" being used in this campaign. The Republican managers are to busy manipulating the money furnished by the Barons of "protection," to throttle the voice of the people, perhaps.

IT is now well nigh certain that after the 4th of next March, the Republicans will control the U. S. Senate. This is encouraging to tariff reformers. Remember, Democrats, we have only to retain control of the House and elect Mr. Cleveland to be in a position to give the people relief from the tariff burdens they are now compelled to carry.

THERE is an interdependence between the McKinleyized Republican party and the trusts. The trusts supply the funds by which the Republican party is to be returned to

power, and the party hopes to pass the force bill, surround the ballot boxes in the southern states with bayonets and maintain itself perpetually in power. In the language of the New York Tribune, there are 100 tariff measures in the force bill. No voter who objects to the domination of trusts and monopolies can vote to return the Republican party to power. The party is in the bondage of trusts and is willing to subvert the liberties of the people to permit their masters to amass wealth at the expense of the toiling millions.—Utica (N. Y.) Observer.

#### A Qualified Man.

Charles R. Henry, candidate for the office of Probate Judge is a person whose long years of active legal practice, and his extensive acquaintance in the County, has particularly fitted him for the position. If elected he pledges himself that he will personally attend to the duties of that office at Tawas City, each and every week, on the day prescribed by the statute.—Tawas Bay Advocate.

#### Penalty for Bribery.

We take the following from the Public Acts of the State of Michigan, for 1891:

Sec. 43 It shall not be lawful for any elective office, with intent to promote his election, or for any other person, with the intent to promote the election of any such candidate, either:

FIRST, To provide or furnish entertainment at his expense to any meeting of electors, previous to, or during the election at which he (shall) may be a candidate; or,

SECOND, To pay for, procure, or engage to pay for any such entertainment; or,

THIRD, To furnish any money or other property to any person, for the purpose of being expended in procuring the attendance of voters at the polls; or,

FOURTH, To engage to pay any money, or deliver any property, or otherwise compensate any person for procuring the attendance of voters at the polls; or,

FIFTH, To contribute money for any other purpose intended to promote an election of any particular person or ticket, except for the purpose of defraying the expenses of printing, and the circulation of hand bills and other papers previous to any such election, or for conveying sick, or infirm electors to the polls.

Sec. 45. Any person who shall knowingly violate any of the provisions of this act, or shall willfully neglect or refuse to perform any duty enjoined upon him hereby, or shall disclose to any other person the name of any candidate voted for by an elector, the contents of whose ballot shall have been seen by such person, or shall in any manner obstruct or attempt to obstruct any elector in his exercise of his duties as such elector under this act, shall be deemed guilty of a felony, and on conviction thereof shall be punished by a fine of not exceeding one thousand dollars, or imprisonment in the State Prison not exceeding two years, or by both such fine and imprisonment in the discretion of the court.

#### PROCLAMATION.

I, Michael Murphy, Supervisor of the Township of Tawas, County of Iosco and State of Michigan, as required by law, do hereby warn the inhabitants of said Township, of the provisions an act entitled, "An Act to Maintain Political Impunity" being sections 9377 to 9386 inclusive, of Howell's Annotated Statutes, which said act defines the offences of bribery and corrupt practice at any public election, in this State, and makes it unlawful to sell, barter or give away any liquors on the day of any such elections, and prescribes the penalties for violations thereof.

All violations of said act will subject the offender to prompt and speedy punishment. Sheriffs, Marshals, Constables and all police officers are required to close all houses or places found violating the provisions of the said act and to report forthwith all such violations to the Prosecuting Attorney of said County and to the undersigned.

Given under my hand this 15th day of October A. D. 1892.

M. MURPHY,  
Supervisor of the Township of Tawas.

#### A Competent Man.

The electors of Iosco county have before them this fall a candidate for Prosecuting Attorney in the person of Herbert M. Elliott, who should receive the united support of every voter without regard to politics. He stands well, socially and in business circles, and is one of the leading Attorneys of the County. He has held the office for which he is now a candidate, and gave to the taxpayers of Iosco County a careful, successful and economical administration. Against him no charge of corruption or malfeasance in office has even been made, while his private life has been one to be admired. We bespeak for Mr. Elliott a large vote and feel confident of his election.

#### A Young Desperado.

Guy Johnson alias Frank Jones the man who broke into and robbed the office of the D. B. C. & A. R. R. was arrested at West Harrisville Friday night by officer Maynard. Johnson is a young man only eighteen years old and lives at Belding, near Ionia. He came from Saginaw here. When he got off from the train at the station, he sized up the depot and concluded that there might be something "in it" for him. Coming over town he got a lunch and returned to the depot, broke a pane of glass, raised the window and entered the office. Upon securing the revolver he says that he made up his mind to shoot the first one who interfered with him. He entered the depot at about seven o'clock and remained there unmolested for about three hours. He then started up the track and got as far as Van Etan where he stopped to rest. He was next heard from at West Harrisville. When captured, he had upon his person two revolvers and a billy. He also had the stolen property, three watches and other articles. He says he is an old offender. He was lodged in jail and taken before Justice Bisbee Monday morning. He waived examination and was taken to Tawas City to await his trial at the next term of court.—Saturday Night.

# OFFICIAL BALLOT.

The method of voting under the new election law of this state is not difficult, when once the principle is understood. No elector needs to lose his vote, if he will but exercise a little care. All the tickets regularly put in nomination will be printed side by side on one sheet of paper as below. This will be the official ballot, and is the only one allowed to be voted. The voter will be given one of these official ballots by the inspector of election. The voter should see that the inspector's initials are put on the back of the ticket in one corner. The voter must take this official ballot with him into the booth alone. At the head of the Democratic ticket he will find first a vignette or design, under that the word DEMOCRATIC, and under the latter a small open space. Let the voter make a cross in the little square and that is all that is necessary. That makes the official ballot straight Democratic vote, counting one for each candidate on the Democratic ticket. Bear these two Rules in Mind—to vote a straight Democratic ticket put a cross in the square at the head of the ticket and nothing else. To split a Republican ticket, put a cross in the square at the head, mark out the name of the Republican candidate and then put a cross in the square before the Democratic candidate. (There should be a square before the name of each candidate, but as we haven't enough for that purpose, we just use them on the county tickets.)

☐ Convention for the purpose of a general revision of the Constitution of the State. Yes.

☐ Convention for the purpose of a general revision of the Constitution of the State. No.

We have been unable to obtain the vignettes of all the tickets, so we have omitted all. The design chosen by the Democrats is the American flag with the arm of labor, and that of the Republicans the flag with the portrait of Harrison in the centre. Voters, remember the Democratic emblem, and that our ticket is on the extreme right or last column. Any person making a cross at head of ticket votes a straight, if voter wishes to vote for candidate on opposite ticket, mark out rejected candidate and make a cross in the square before the name of desired candidate for same office.

## Our Prosecuting Attorney.

In looking over the calendar for the present term of the Circuit Court we find the case of the H. M. Loud & Sons Lumber Co. against the city of Au Sable which was brought to recover the taxes paid by that corporation for the year 1891, amounting to over \$9,000. A peculiar feature about this suit is that our present Prosecuting Attorney, M. J. Connine, is the attorney for the Lumber Co. in the suit. As we understand the matter, it is the duty of the Prosecuting Attorney to endeavor to protect the towns and county in the levy and collection of taxes, instead of attempting to defeat such collection.

Mr. Connine was Prosecuting Attorney when these taxes were assessed and therefore was the legal adviser of the Supervisors in the levy and assessment of taxes, and we cannot see how he can now consistently claim that these taxes were not properly and legally assessed, when such assessment must have been made under his direct and special supervision.

We are anxious to know what the taxpayers of Au Sable, and the county, generally, think of this action on the part of Mr. Connine.

We understand there is also a similar matter pending in the Wayne circuit court in relation to certain taxes which the township of Oscoda is endeavoring to collect, which taxes were assessed and levied under the direct supervision of Mr. Connine. He is attorney for the parties interested in avoiding the payment of the same.

We do not question the legality or illegality of these taxes, but the fact that Mr. Connine is taking these inconsistent positions, and is thrusting upon the townships and cities of the county the burden and vexation of law suits to collect their taxes, or to protect those already collected, when it is his duty to, and he is paid a salary for, properly advising and protecting the townships in the levy and collection of taxes,

is a matter of special interest to every taxpayer in the county, and should receive serious consideration before you cast your ballot for Prosecuting Attorney next week Tuesday.

What township will be the next victim?

### A Record to be Proud of. Money Saved to the People.

The people of the state of Michigan made no mistake when they elected Gen. Geo. T. Shaffer, Commissioner, to look after the affairs of the land department. The Democratic party stood upon the solid plank of reform, and how well they fulfilled that promise will be seen by the savings made in Gen. Shaffer's office alone. Following is a comparison of the cost to the state, fees collected, etc., by the State Land Office for the years 1890, under Republican rule, and 1891 under Democratic administration:

	For extra Clerks.	Printing, Binding and Stationery.	1890.	1891.

Dec...	38 00	10 00	66 50	63 00

\$519 00 \$145 50 \$331 43 \$931 50

It will be noticed that Gen. Shaffer's administration made a saving of \$373 50 in postage stamps alone; that the extra clerk hire is \$508 56 less; that nothing was paid to clerks for extra work, that \$100 07 more fees were collected and paid into the state treasury; that \$294 00 was saved on account of extra work, and \$21 for newspapers and reading matter.

#### RECAPITULATION.

Saved on extra clerks.....\$500 76

Saved on newspapers, etc.....21 00  
Fees collected and paid to state treasurer.....100 07

\$1,577 38

Thus from these items alone over \$1,500 has been saved to the taxpayers of this state. Has General Shaffer fulfilled the promises of the party? Has he not lowered your taxes just \$1,500 worth? The salary of the Commissioner is only \$800 a year. Compared with the preceding Republican administration, it will be seen that Gen. Shaffer has saved enough to the state in one year to pay his salary for two. In addition to this there has been a large sum collected by this office for trespasses on state lands, and turned into the general fund. The payments made heretofore from this source have been so small as to be almost invisible.

The Circuit Court of Iosco county will be in session Feb. 1st, 1893 and we will be the officer who will "open court" provided, however and the conditions of these presents are such, that enough of the good worthy voters of Iosco county give us their [X]. Our advice may not be as valuable as Mat Quays or Jerry Simpsons, but for lack of better we hope some few (more than half) may follow it and it is this—vote for M. Murphy for sheriff and offenders of the law will find they will be handled firmly but kindly, emphatically but justly and no guilty man will escape if in the sheriff's power to prevent and he who thinks to the contrary, let him look over our eight years services as deputy sheriff and from that record pass their judgement.

#### Treasurer.

James LaBerge is one of the noblest works of the Creator, for he is an honest man. No man in Iosco county has a cleaner record, no man is a more congenial, whole souled gentleman, and no one more deserving of election this fall than he. He has been a citizen of this county for years and no one has aught to say against him. We predict for him his election by a safe majority. He is the same the day after election as he is the day before and is the kind of citizen that honorable, upright men like to number amongst their friends. Vote for him and you will pay a fitting tribute to one of the solid merchants of
