The Herald has a large amount of matter which we were unable to get in type this week. If you are disappointed in not seeing some particular item in this issue watch for it next week.

Arthur Latter and Miss Hattie Fenn, of Reno, were united in marriage Wednesday, by Rev. C. L. Berry, at his study in this city. The Herald unites with their many friends in extending congratulations.

The Herald is a little late this week owing to the difficulties experienced in moving and a large amount of job printing. We have secured the services of Mr. Allen, of Twining, and hope to get straightened around by next week.

If you want a plow, harrow, cultivator, beet puller or other farm implements it will pay you to see F. H. Richards & Co., of East Tawas.

The Herald is now located in its new building opposite the depot, where we will be glad to welcome all our friends.

"The individual element in the life of a church," will be the pastor's subject in the "Preaching" class next Sunday morning, and at Alabaster at 3:30. The annual congregational meeting will be held in the church Tuesday evening, March 31.

Last Friday evening at the home of the bride's mother, Mrs. J. Gregg, in this city, occurred the marriage of Miss Mabel Gregg and Hector C. McKinnon, of Black River. The many friends of the bride in this city unite in extending best wishes for a long and happy wedded life.

The Tawas township republicans made the following nominations last Saturday: Supervisor, W. E. Laidlaw; clerk, Charles Curry; treasurer, W. L. Curry; highway commissioner, Carl Look; overseer, George Fahselt; school inspector, G. C. McKenzie; justice, W. V. Free; board of review, Joe Blatz.

Mesdames Dease & Martindale, of East Tawas, announced their opening of spring millinery goods for April 2nd and 3rd. They have an exceptionally fine line of pretty new goods, and have secured the services of Mrs. Anna English of Detroit, a trimmer with years of experience, and who comes recommended as one of the very best.

When buying work shoes buy the best. Weyenberg's water-proof are without equal. James LaBerge, of East Tawas, sells them.

Supt. C. B. Chaffee, of our city schools, has notified the school board that he is not a candidate for re-election for the ensuing year.

The Time Is Up.

The time is up in which subscribers must renew their subscription or have the paper discontinued according to the ruling of the postoffice department, and those to the Herald who have not arranged with us for a continuation of their paper will be discontinued after this issue. It is not the desire on the part of the Herald to follow this policy, but the government gives us no choice in the matter. We believe that all those who are in arrears will pay the amount due or we would not have allowed the paper to continue after the time had expired, and we expect that they will remit what is due and again have their names enrolled on our list within a short time.

Baptist Church.

Preaching Sunday morning and evening by the pastor. Sunday evening the first in the series of talks to men from the life of Joseph will be given. Subject: "The Young Man, His Dreams." Don't fail to hear the first talk. The revival meetings are proving a great success. Large audiences greeted the pastor Sunday morning and evening. Nine took a decided step for Christ, and two more on Monday evening. Eight have been received for baptism. It is not known yet how long the meetings will continue. Everybody is cordially invited.

Good For Everybody.

Mr. Norman R. Coulter, a prominent architect, in the Delbert Building, San Francisco, says: "I fully endorse all that has been said of Electric Bitters as a tonic medicine. It is good for everybody. It corrects stomach, liver and kidney disorders in a prompt and efficient manner and builds up the system." Electric Bitters is the best spring medicine ever sold over a druggist's counter; as a blood purifier it is unequalled. 50c at G. S. Darling's and J. E. Dillon's drug stores.

PETITIONERS ENOUGH

But The List Cut Down Because Many Were Not Enrolled.

This senatorial district will not have the right to vote on the adoption of the primary at the April election. Not enough enrolled voters signed the petitions. There were more than enough petitioners for the submission of the question, but so many had failed of enrollment in April, 1906, that the list was cut below the 20 per cent requirement.

A beautiful, beautiful condition of affairs! The petitioners were republican voters. They wanted the direct nominating system. Only one opportunity had ever been given them to enroll, and because they were not on the roster the desires of a whole district must be thwarted.

This is "boxerism" pure and simple, not republicanism. It denies the right of petition, a sacred constitutional right, not on the ground of manhood, or suffrage, or citizenship, or registration even, but on the artificiality of enrollment.

Let it be remembered by friends of the primary that in spite of pinched time and bad roads enough enfranchised citizens asked to have the primary submitted to vote and it was denied them.

In the secretary of state's office are transcripts of the enrollment of 1906, and with these the petitions were compared. Granting that the enrollment requirement is good the test for a petition can not be fair.

How many enrolled petitioners changed voting precincts or townships in the two years last past? We know of several here. What might not the whole district show up? The secretary of state's list would cut out all these. Who knows, then, but the real bona fide enrolled

petitioners were sufficient for submission?

If this monkeying with the people's rights continues it isn't hard to predict what the effect on republicanism will be in the state. No real friend of the G. O. P. will seek to excuse this kind of "boxer" legislation when public sentiment is so evidently overwhelming for a measure as it is for the primary.—West Branch Herald Times.

Some Statistics.

The most recent census bureau report of prisoners and juvenile delinquents showed that in the country as a whole during the year, 34,753 persons were sentenced for drunkenness, 28,339 for vagrancy, and 17,264 for disorderly conduct, which constituted nearly fifty percent of the total number of commitments.

Drunkenness, vagrancy, and disorderly conduct are closely allied offenses, standing usually in the relation of cause and effect. These statistics are especially interesting at this juncture when the government of many of the states are passing laws to abolish the saloon, since the institution is largely responsible for the inebriety that lands its patrons in the jail.

Teachers' Examinations.

The following is the schedule of examinations for Ioseco county for 1908, to be held at Tawas City:

June 18-20. Reading, "Birds, Bees and Sharp Eyes"—Burroughs.

August 13-15. Reading, "Comus"—Milton.

October 15-16. Reading, "The Raven"—Poe.

Eighth grade examinations, May 7th and 8th, held at Whittemore, Tawas City, and AuSable, and if necessary at Hale and Alabaster, Reading, "Chambered Nautilus," by Holmes.

JNO. A. CAMPBELL,
Commissioner.

IMPORTANT TO YOU. Registration For The Primary Has Been Changed.

The new primary law requires that a primary election be held in every voting precinct in the state of Michigan on the first Tuesday in September for the nomination by each political party of candidates for governor, lieutenant governor and U. S. senator, in case a U. S. senator is to be elected at the next session of the legislature; it also provides that the boards of registration for every township in Michigan shall sit as a board of enrollment on the Saturday preceding the ensuing April election.

Saturday, April 4th, is the day for such enrollment.

There are two ways in which proper application for enrollment can be made. First—a written application can be made and signed by the voter desiring enrollment in his own hand writing and be presented in person to any member of the board of enrollment, composed of the supervisor, township clerk and township treasurer on any day before the enrollment. Blanks for this purpose can be had from any of the officers above named. Second—on the day of enrollment application must be made in person. It shall not be necessary for electors who were enrolled under Act No. 181, Public Acts of 1905, to again enroll under the provisions of this act, if they reside in the same voting precinct.

Any person duly enrolled who has changed his residence to another new precinct and voted therein, provided he has resided in the new precinct twenty days and obtained from a member of the enrollment board where he formerly resided a certificate stating that he was duly enrolled in such district and is entitled to enrollment in the new district.

Proposition to Farmers And Others to Reforest Cut Over And Wood Lands.

The Detroit & Mackinac railway company have, for the past three years, experimented with a forestry nursery on its Tawas Beach property. At the present time, they have on hand a large number of the following kinds of trees for transplanting.

White pine, Scotch pine, western yellow pine, spruce and western white cedar.

They desire to dispose of these trees and will give them to parties who will transplant them and see that they are properly taken care of. It is especially requested that the farmers on and adjacent to the line of the D. & M. Railway make requisition for these trees, for the purpose of setting them out for reforesting some of the lands that they have cut over on their farms.

The trees will be delivered at the beds. The trees will be ready for delivery as soon as the frost is out of the ground, which will probably be about April 1st.

Those interested should communicate early as possible with Mr. C. W. Luce, General Superintendent Detroit & Mackinac Ry., East Tawas, Mich.

Democratic City Convention and Caucuses.

The democratic electors of the various wards of the city of Tawas City are requested to meet on Monday evening, March 30, 1908, at 7 o'clock, p. m., at the following named places for the purpose of placing in nomination candidates for the various ward officers and for the election of five delegates from each ward to attend the city convention. The caucuses will be held as follows:

First ward at the Herald office, opposite the depot.

Second ward at the court house.

Third ward at the city hall.

CITY CONVENTION.

A city convention for the purpose of placing in nomination candidates for the various city offices will be held at the city hall, in the third ward, Monday, March 30, 1908, at 8 o'clock. Each ward will be entitled to five delegates.

By order of city committee.

No Use To Die.

"I have found out that there is no use to die of lung trouble as long as you can get Dr. King's New Discovery," says Mrs. J. P. White, of Rushmore, Pa. "I would not be alive today only for that wonderful medicine. It loosens up a cough quicker than anything else, and cures lung disease even after the case is pronounced hopeless." This most reliable remedy for coughs and colds lagrappé, asthma, bronchitis and hoarseness, is sold under guarantee at G. S. Darling's and J. E. Dillon's drug stores, 50¢ and \$1.00. Trial bottle free.

Jane Addams on the Ballot for Working Women.

"No one in close touch with the lives of our American working people can be satisfied with existing conditions, either industrial or domestic," says Jane Addams in an article of absorbing interest in the April Woman's Home Companion. "Very much of this undesirable state of affairs has come about through the fact that industrial and domestic activities have so largely slipped out of the control of woman with her home-building instincts, her love for order and her passion for details."

"The old division of labor, which defined man's work as that laying outside the home and woman's inside, bad much to recommend it. The trouble with us is that we have enlarged the boundaries of the home and have not enlarged the home maker's powers with it. For what is the modern factory, from the cotton mill to the steam laundry, from the flour mill to the canning works, but a place where an assemblage of workers do on a large scale for the whole community what each individual housekeeper used to do on a small scale for her own household? What are all these new social efforts—our public school system, our municipal play grounds, our public baths and libraries, our system of street cleaning and transportation, our hospitals and asylums—but modern efforts to meet in modern ways the old needs of humanity? Are women to have no direction in these matters because the innate desire to help others, to feed, to clothe, to nurse, to teach and to train the race has taken on new forms?"

Notice of Registration and Pri- mary Enrollment.

To the Electors of the city of Tawas City:

Notice is hereby given that the board of registration and primary enrollment of the city of Tawas City, by virtue of the statutes in such cases made and provided, will meet on

Saturday, April 4, A. D. 1908

from 8 o'clock in the forenoon until 8 o'clock in the afternoon of said day, at the city hall in the third ward, in accordance with a special act of the legislature of 1899, for the purpose of completing the list of qualified voters of said city as required by law, and at which time and place all persons entitled to the elective franchise whose names do not appear on the register of electors for the ward in which such person resides, must register their names therein to entitle them to vote at the general election to be held on Monday, the 6th day of April, A. D. 1908, also for the purpose of enrolling the names of all legal voters, members of whatever political party, who may make proper application for such enrollment.

HOW APPLICATION MUST BE MADE.

There are two ways in which proper application for enrollment can be made:

FIRST—A written application can be made and signed by the voter desiring enrollment in his own hand writing and presented in person to any member of the board of enrollment on any day before the day of enrollment. Blanks for this purpose can be had from any member of said board of enrollment.

SECOND—

On the day of enrollment application must be made in person to the said board of enrollment.

It shall not be necessary for electors who were enrolled under Act No. 181, Public acts of 1905, to again enroll under the provisions of this act, if they reside in the same voting precinct.

Any person duly enrolled who has changed his residence to another voting precinct may be enrolled in the new precinct and vote therein, provided he has resided in the new precinct twenty days and obtain from a member of the enrollment board where he formerly resided a certificate stating that he was duly enrolled in such district and is entitled to enrollment in the new district.

Dated this 20th day of March, A. D. 1908.

ECZEMA

* Cured in less than
four weeks.

Those who have had experience with this stubborn disease can hardly believe at first that *Wonderful Dream Salve* can end does cure Eczema.

There is no doubt about the matter whatever. A great many letters are on file in our office from grateful patients, telling of the quick and easy way in which *Wonderful Dream Salve* has removed all traces of this torturing skin affliction.

Mr. John T. Kealey, a well-known business man, located in the Green Bay, Detroit, Mich., was recently cured of a bad case of Eczema of fourteen years' standing. After treating with many doctors and taking many remedies without relief, Mr. Kealey was induced to try *Wonderful Dream Salve*, and in four weeks was entirely cured. He says:

"I certainly consider this a remarkable cure, as I have spent hundreds of dollars in the fourteen years of annoyance with this troublesome skin ailment. I have since treated many cases of other diseases and none of them even near as bad as mine, which go toward demonstrating the value of *Wonderful Dream Salve* as a great skin healer."

If you have Eczema why not try a box of *Wonderful Dream Salve*. If it fails, your druggist will refund your money. Isn't that fair enough? Keep it in your home for Chilblains, Chapped hands, Piles, Cuts, Burns, Frost-bites, Boils and Sores of any kind. You will never use anything else. 25¢ a box at your druggist or mailed prepaid direct."

Everyone is cordially invited to attend these services.

Some Communications.

Editor of HERALD:—In your issue of March 13 Taxpayer gives some interesting figures relative to sheriff and supervisors per diem. It appears that

every time we have a pane taxpayers

begin to figure and look about for a

Moses to take them out of the wilderness.

At present we find investigations

going on in a great many states

municipalities, even our own state

having a little grand jury investiga-

tion. As the result of this investiga-

tion we find five indicted. What

other results there may be remaining to be seen.

Taxpayer calls attention to some of our county expenses which needs adjusting, one of which is the representation of AuSable city on the board of supervisors. If he had probed a little deeper he would have found other

items which all help to make the totals of a tax roll swell up.

Taking the funds separately the amounts do not seem very much for a county, but when added together it looks different.

Our state tax is enormous—nearly \$1,000,000.00 in two years to run the state machinery.

When the question is ask why our state tax increases so rapidly, we are told that we have so many state institutions to keep up. This is certainly true. We have a great many institutions, but do we need them all?

At the time the Bliss "monument,"

at Saginaw, was built the press in-

tformed its readers that it was not

needed. The Mining School, at

Houghton, for the education of non-

residents, is another needless institu-

tion. It this is true of these two, may

there not be others which are not

needed? These institutions are no

doubt up-to-date, but it took a lot of

money to build them, and it takes a

lot of money to keep them in repair

and pay the officials to run them.

But let us return to AuSable city

and figure what it costs to pay the

representatives of that city for a year, and what we receive. The assessed

valuation for 1907 was \$25,397, equalized at \$40,000, and represented on

the board of supervisors by four of

the five to which they are entitled to.

The amount of county tax spread for

1907 was \$309.96, and the amount

paid the four representatives was

\$241.74, and had the full number

served full time that year the amount

required to have paid their per diem

would have been \$221.60.

Now, Mr. Taxpayer, the same con-

ditions you have referred to in your

communications exist and have existed

for a great many years. In 1898, or

thereabouts, George C. Anschuetz,

then supervisor of Tawas township,

circulated a petition in that township

to have the AuSable city charter ad-

justed to conditions of justice. Su-

upervisors of the surrounding town-

ships, as well as other citizens, were

requested to join in and support the

movement. What support was given?

So far as Mr. Anschuetz could ascertain at the time he filed his petition

to the Board of Supervisors, he makes

out that he made an arrangement with

these parties who now present a bill for \$1 per day, to care for his wife and child for \$1.50 per day.

Yours truly,

Edwin Rawdon, Pro Atty.

Moved by Brown supported by McFarlane that communication be accepted and adopted. Carried—yes 23, nays 0.

Prosecuting Attorney's Office.

Board of Supervisors.

Gentlemen:—Relative to the matter of the Board of Supervisors vs. Board of Education, while in Bay City last Friday I met Mr. John F. Jordan, attorney for the Board of Education, and informed him of my position and direction of his board he would take up trial of this case at the coming term of court. I would suggest that you authorize the prosecuting attorney in case this is done to take such steps as you may see fit to protect the interest of this county in the matter.

Yours truly,

Edwin Rawdon, Pro Atty.

Moved by Brown supported by McFarlane that communication be referred to committee No. 3 on claims and accounts and in the recommendations and in the recommendations he makes.

H. J. Featherston,

Supervisor of Plamfield Township.

Moved by McFarlane supported by Holmes that communication be referred to committee No. 3 on claims and accounts. Carried by unanimous vote.

On motion took a recess until 1 p.m.

Afternoon Session.

Board called to order at 1 p.m. by chairman George Sutherland. Quorum present.

On order of the chairman the several committees retired to their room and balance of board was given a recess subject to call of the chair.

players fail to take part in the caucus and election, but when they pay their taxes and find them high, naturally must stand their ire, and this somebody is generally the supervisor and not themselves.

The hour of 2 o'clock having arrived, the chairman called the board to order and called up the special order of business set for that hour, viz; Consideration of shortage of ex-treasurer H. W. Stockman, caused by failure of Whittemore & Co. bank.

After some consideration of the matter it was moved by Brown supported by Featherston that further consideration of the matter be made a special order of business for tomorrow at 10 a.m. Carried by unanimous vote.
