The body of Will Turcott, who was drowned on Monday night of last week when his boat was wrecked, was recovered Tuesday forenoon by the members of Tawas Point Life Saving crew. It was found about three-quarters of a mile south of the fog horn. It was brought to King's undertaking rooms at East Tawas and prepared for burial, and then to the home of his parents at Oscoda.
The people of Michigan will vote this fall on an amendment to the constitution providing that in counties where the valuation is less than \$5,000,000, the indebtedness may be increased from 3 to 5 per cent. This proposition was to have been put this spring, but as there was no general election, the attorney general ruled that it must be postponed until there be such an election.
The following suggestion should be tried to drive away the fly: If a fly gets past screen doors and windows and into your house, put about 20 drops of carbolic acid on a hot pan and allow the vapor to go through the house. The odor is almost unnoticeable to a human being, but fatal to flies. There are several other ways of slaying the pest but this is probably the best and cheapest.
Sylvester Loeffler's four children, of East Tawas, have just fully recovered from a severe attack of diphtheria. He used one and a half bottles of Bristol's Diphtheria Remedy. Owing to the scarcity of some of the ingredients used in the manufacture of Bristol's Diphtheria and Sore Throat Remedy, only a limited quantity can be obtained, and those who desire the medicine should order at once. Price \$1.00.

Primary Results.

The result of the primary election in Michigan last Tuesday contained many surprises, especially on the republican side of the house. Congressman Charles E. Townsend defeated Senator Burrows for re-election by at least 30,000 votes. The democrats nominated as their candidate for United States Senator, John T. Winship.
In the race for governor, Osborn has a plurality of about 1500, with Kelly and Musselman running close together for second. Lawton T. Hemans was nominated by the democrats. The fight between Congressman Loud and Frank Buel in the 10th district was very close, Col. Loud winning by the small majority of 600 votes. Albert Miller, of Bay City, is the democratic nominee.
In Josco county, the vote was light less than 900 hundred of the 1400 enrolled republicans voting and only about 150 democrats. The county gave Osborn a plurality of 196 for governor, while Townsend's majority for United States Senator was 160 over Burrows. Congressman Loud was badly out some places but carried the county by 233.
The fight on the republican side for clerk, treasurer, prosecuting attorney and register was warm, and the cry of "clean out the court house" was particularly successful.
Sheriff Hadwin was re-nominated without opposition. Edward M. Vaughn will be his democratic opponent.
For clerk John A. Mark defeated Gust C. Karus for the republican nomination by a vote of 598 to 291. Len J. Patterson is the democratic nominee.
For treasurer, J. G. Dimmick, defeated H. W. Stockman, the present incumbent, by a vote of 491 to 424. Henry Hanson received the democratic nomination.
Three candidates were after the republican nomination for prosecuting attorney. Albert W. Black was the successful one receiving 451, to 348 for Edwin Rawden and 128 for F. F. French. The democrats nominated Albert Widdis.
For register of deeds there were four candidates on the republican side and two on the democratic. Frank B. Stickney was the successful republican receiving 316. C. A. Curry received 269, John W. Tait 229 and A. H. Willis 87. On the democratic side Charles W. Force won by eight majority over Anthony B. Schneider.
There was no contest on either side on the remainder of the ticket, and the following nominations were made. The republicans being the first named. Surveyor—H. M. Belknap, C. H. Anschuetz.
Drain Com.—George Schroeder, Byron Lomason.
Coroner—John Armstrong, C. D. Geer, F. C. Baker.
James LaBerge's name was placed on the ticket by many democrats as the nominee for the legislature, and he received about 25 votes in this county. Unless some other county in the district has voted for a favorite son, Mr. LaBerge will undoubtedly be the nominee of his party.

Diphtheria.

Several cases of diphtheria are reported at East Tawas, and two have developed in this city, both in one family and both of which have been fatal. The first one was not reported to the health officers until death occurred and the quarantine was not maintained until the second case developed last Friday. The school board very properly decided to delay the opening of school for a week. If no new cases develop the school will be allowed to open next Monday.
For the safety of the children and to prevent the spread of this much dreaded disease every precaution should be taken by parents. If a case of sore throat develops in your family have it promptly examined by a physician. Health officer Crane agrees to make such examination free of charge. Too much care cannot be taken to prevent contagion of this kind in our city. There are no cases in our city at the present time and let all use their best endeavors to prevent there being any more.
Chamberlain's Colic, Cholera and Diarrhoea Remedy is today the best known medicine in use for the relief and cure of bowel complaints. It cures griping, diarrhoea, dysentery, and should be taken at the first unnatural looseness of the bowels. It is equally valuable for children and adults. It always cures. Sold by Red Cross Pharmacv.

TAWAS CITY, MICH., Sept. 16, 1910

Hon. Albert Miller.

The democrats of the tenth congressional district have chosen as their standard bearer Albert Miller, Bay county pioneer and respected citizen. Mr. Miller, at the earnest behest of friends, decided to accept the tender of a nomination and make the campaign.

His platform will be that of a practical, honest business man who has the good of his country at heart. He will stand for a more economical operation of the government, and will do his utmost to help kill off the trusts and monopolies. He is against graft in every sense of the word and if elected will serve his district well and his country better.

We believe that the desire for a change is universal in this country and the tenth district of Michigan is no exception. When we have a chance to be represented in congress by such a man as Albert Miller, there should be no hesitancy as to choice in the voting booth.

Albert Miller was born near Algonac, Mich., in 1836.

When 16 years of age he came with his mother to Saginaw, where he visited a brother who was engaged as a telegraph operator in that city.

In 1855 Mr. Miller came to Bay City, and for a year engaged as sawyer in the Drake mill, after which service he returned home where he remained for four years.

In 1859 he again came to this city and once more entered the milling business, this time with his brother who had purchased an interest in the Avery mill.

In 1862 our friend accepted a position as sawyer for Ira McKinney at the mill, foot of Thirtieth street, where he and an old companion alternated the day and night crew. Finally after leasing the mill at 75 cents per thousand and afterward securing options from McKinney, he purchased the property.

By this time Mr. Miller was able to provide for two as well as one, and accordingly was married to Jennie L. Rorison, of Ypsilanti, Mich., in 1864.

Seeing the good fortune of his brother, Angus Miller finally sold his interest in the Avery mill and invested in the stock of Albert, who carried on the business until 1878. In 1872, however, he added the salt block to the already extensive mill operation.

In 1878, George Lewis bought half interest in the Miller plant and the firm known as Miller & Lewis continued to operate the mill until 1891, when the late Jos. Turner took the Lewis interest. In 1892 the big south end fire completely demolished the Miller & Turner mill, and with the assistance of his kind friends, Mr. Miller built the largest mill in the country, known as the South End Salt & Lumber Co., but which, owing to the refusal of the Canadian government to allow logs to come to America, was without stock and was eventually sold off.

But milling has not been the only occupation of Mr. Miller, he was for 17 years alderman from the Sixth ward, was a presidential elector on the Tilden ticket, being defeated by a majority of 65 by Luther Westover.

Always a consistent democrat, honorable citizen and thorough business man, besides being a fluent talker and orator he will add to his exemplary experience a brilliant record in congress, as the faithful servant of a progressive people.—City Democrat.

Iosco County Fair

At Tawas. D. & M. Ry. will sell excess tickets to East Tawas September 27, 28 and 29, good returning up to and including September 30th, at one fare (half rate) for the round trip; children between 5 and 12 years half fare from main line stations Alpena to Bay City, inclusive, also from Hillman, Lincoln, Rose City, Prescott and other Divisions. Horse races, automobile races, baby show, base ball, music and many other attractions. Rollo, The Limit in a death defying, hazardous, blood-chilling whirl through space; this performance is seldom seen at county fairs.

Mail Bags.

Uncle Sam has 28 different kinds of mail bags in service, and they range in cost from 22 cents to \$2.156 each. There are mail pouches for almost anything that comes within the postal regulations with a minimum of loss and breakage. Probably the most peculiar mail bag is the one arranged for carrying bees. Sending bees by mail was a difficult operation before the "bee bag" was adopted. Usually the bees arrived at their destination dead or so exhausted that they were of little use. Now these little honey makers can be shipped by mail several thousand miles in the "bee bag" without suffering, and can obtain air and a good supply of food during their transit.

Mail bags are made of various material. The cheapest are of cotton and the most costly of leather. Those used on fast expresses are reinforced with metal, so that they can be flung from fast moving trains without damage. Even then these bags, or "catcher pouches," do not last much more than a year and a half, while some of the cotton bags used for the work will remain in service upward of ten years.

In parts of the west, where the mail must be carried for many miles on horseback, special pouches are in use for slinging over the animals' flanks. In the far frozen north special bags are made for sled transportation. Harper's Weekly informs us, and in the cities a bag in use for pneumatic tube service is made of a composition called "leatheroid." The ordinary cotton mail bags are woven so closely that they are practically waterproof, and in the weave there are 13 stripes of blue. Each country marks its own mail pouches in some individual way, so that if one gets lost in a far country its ownership can be readily detected.

CHARLES E. TOWNSEND
Republican Nominee for United States Senator.

Notice to the Public.

Those going on the Detroit & Mackinac Ry. Don't Break Down.

Severe strains on the vital organs, like strains on machinery, cause break-downs. You can't over-tax stomach, liver, kidneys, bowels or nerves without serious danger to yourself. If you are weak or run-down, or under strain of any kind, take Electric Bitters the matchless tonic medicine. Mr. J. E. Van de Sande, of Kirkland, Ill., writes: "I had I did not break down, while enduring a most severe strain, for three months, is due wholly to Electric Bitters." Use them and enjoy health and strength. Satisfaction positively guaranteed. 50c. at J. M. Wiggazer & Co.'s and Jas. E. Dillon.

Entertainment Course.

The committee in charge are now soliciting for the sale of membership tickets for the regular Tawas City entertainment course for the coming season. They should receive the most cordial support of our citizens this year as they have secured the best course of entertainments ever given in the Tawas, beyond all question. The course is composed of five numbers and is the highest priced ever secured here. Each number is well worth hearing. The course will open October 10, with Mr. and Mrs. Gale, who will give an Indian entertainment. On November 22 Sid Landon will give his great character studies. Sid is an old East Tawas boy and his friends are proud of him for the success he has made in his chosen line. He is the best prostrayer of characters on the platform today. December 13, The Schubert Concert Company will hold forth, and these people are conceded to be the equal of any concert company traveling. The Olympias, Colond Laidies' Quartette will be here February 27. They are fine. The course will close April 13 with Weggan, the most entertaining and instructive lecturer in the country.

Here is a list of attractions which are seldom equaled in towns the size of Tawas City, and the committee has assumed a heavy burden in making the contract. Our people should now show their appreciation by assisting in making the course a success. It is worthy of the support of every citizen, and every citizen who enjoys a good entertainment will buy one or more tickets.

County Fair Will be a Hummer

When it is stated that it has been many years since so deep an interest has been taken in the success of the Iosco county fair being manifested this season it is putting the statement in a mild form. All over the county the people are waking up more significantly to the fact that the Iosco Co. Fair is the greatest development bureau which could possibly be established in this part of the state and that it is simply a proof of the old statement that one can do more convincing of people by showing them something to see with their eyes than in half a century of talk and explanation.

There is a lesson so well taught that the county is a splendid farming section and that there is prosperity to be seen all around than that lesson of the products placed before the eyes of the visitors at the County Fair.

Merchants should not fail to recognize this fact and do it right now. There is no more deplorable comment on the fair than that which has been made some years that the merchants were not giving the fair support which they should nor which the fair demanded. The statement has been correct and the people have commented on it. The worth of the fair is not always recognized but it ought to be and it should be more generally recognized this year than it ever has been before. It is an essential necessity that such should be the case. The welfare of the county and the prosperity of the Tawas demands that this be done. The man who sits down and denies himself the privilege of making a fine exhibit at the fair not only hurts his own trade but he also harms the entire community as well. Now is the time when people are working and are anxious to have settlers come into this section to locate and get busy.

Not a minute should be lost when a child shows symptoms of croup. Chamberlain's Cough Remedy given as soon as the child becomes hoarse, or even after the croupy cough appears, will prevent the attack. Sold by Red Cross Pharmacy.

\$5 RECIPE THAT CURES WEAK MEN FREE!

POSITIVE CURE FOR WEAK MEN SUFFERING FROM ANY FORM OF OLD CHRONIC DISEASES, ESPECIALLY ALL FORMS OF NERVOUS DIFFICULTIES.

This cure is no secret compound or prescription so often advertised. It is the result of hard study and observation of an eminent and experienced physician who has been in active practice for 51 years. Forty years of that time nothing but chronic diseases. So great is his faith in curing when all others fail that if you write to him, he will give you a free examination and opinion of your case and the prescription free. WE ARE HONEST AND WANT TO CURE ALL WE CAN.

Are you suffering from WEAKENED NERVE, NERVOUS DEBILITY, LACK OF VIGOR, FAILING MEMORY AND LAME BACK, brought on by excesses, unnatural drafts, or the follies of youth?—I think every man who wishes to regain his manly power and vitality, quickly and quietly, should have a copy of this prescription free of charge, in a plain, ordinary sealed envelope, to any man who will write me for it.

Are you discouraged with repeated failures and much drugging? If so secure what I believe is some of the quickest acting restoratives in the world—upbuilding and spot-touching remedies ever devised—and cure yourself at home.

Just drop me a line like this: DR. ANDREW B. SPINNEY 410 Fine Arts Building, Adams Ave., West, DETROIT, MICH.

As the primary election was held in the school house Tuesday, our school will not begin until next Monday. Our teachers are Miss Cora Parker, of East Tawas, and Miss May Murray, of Tawas City.

Dam Doings.

The primary polls were not an attraction here Tuesday.

The Dam team is still undefeated. Sunday Glennie came down and with an AuSable pitcher, tried to do us up, but lost 6 to 1. Glennie found our "Red" for but three bingles, while the Dam boys got eight hits, all but one getting a safety. Tawas City is our next opponent, and while we do not expect any easy time of it we'll try desperately to get the necessary one more run than they.

We are now indeed a village. Last Sunday about 25 carpenters got out and built the new school house in one day. School is expected to begin next Tuesday, with Miss Milly Anderson, of Oscoda, as teacher in charge of about 60 pupils.

With \$600 hung up in purses for horse races the Arenac County fair at Standish Sept. 15-17 promises to have a banner year. The Standish fair coming as it does the week after the Bay City fair makes it easy to get some of the classy horses. Several of the owners who are racing at Bay City fair have already made their entries for the Standish races.

Our schools will open again next Monday with Supt. O. L. Polson in charge. Miss Inez Spofford will be in charge of the intermediate department, and Miss Marie Whitehouse and Miss Edna Drummond will be the primary teachers. Everything indicates another successful year. The new building gives the much needed room to more successfully conduct the work.

In Arenac county the republican candidates are:
Sheriff—Augustus T. Major.
Clerk—Gustav E. Fuehr.
Treasurer—John E. Gilbert.
Register—F. B. DeWitt.
Pros. Atty.—B. C. Henderson.

The Lash of a Friend

would have been about as welcome to A. Cooper of Oswego, N. Y., as a merciless lung-racking cough that defied all remedies for years. "It was most troublesome at night," he writes, "nothing helped me till I used Dr. King's New Discovery which cured me completely. I never cough at night now." Millions know its matchless merit for stubborn colds, obstinate coughs, sore lungs, lagrippe, asthma, hemorrhage, croup, whooping cough, or hayfever. It relieves quickly and never fails to satisfy. A trial convinces, 50c, \$1.00. Trial bottle free. It's positively guaranteed by J. M. Wuggazer & Co. and Jas. E. Dillon.

Your complexion as well as your temper is rendered miserable by a disordered liver. By taking Chamberlain's Stomach and Liver Tablets you can improve both. Sold by Red Cross Pharmacy.

WOMAN'S WORK.

Miss Zue McClary Has Charge of the Midway Features of the State Fair.

Visitors at the coming state fair this year when they see the wonders of the Midway with its many diversified attractions will marvel that this portion of the big show is under the direct supervision of a woman. Miss Zue McClary, associated with the United Booking offices of New York city, will be here in person to take charge of the Midway and programs for the various outdoor attractions.

The managers of the Michigan fair this year, when first arranging their plans, were determined to present a Midway such as has never been seen in Michigan. They secured the services of Miss McClary, who is known throughout the east as an expert on attractions for fairs and exhibitions, and she, in turn, has gathered together what she claims is the best list of Midway attractions ever presented.

This is unique work for a woman to be engaged in, but Miss McClary after having appeared publicly in lyceum work was attracted to the managerial end of the amusement business and became identified with the booking of entertainments. Her success has been phenomenal and she rapidly rose to her present position where she is accorded recognition as a Midway expert second to none.

Cement Monuments...

Concrete lasts forever. The lasting qualities of cement make its use most desirable for this purpose. Concrete has no apologies to offer other materials as compared with granite or marble, equal to cut stone, of just as beautiful finish, as granite or marble at a fraction of the cost. Thousands of graves today are unmarked in any way, not because of lack of respect or sentiment, but many of the people are unable to pay the high price of cut stone, marble and granite. There are hundreds of people in this community who would gladly erect a fitting monument to their dead if it could be done within their means. Send me your address and I will send you designs and prices within reach of all. All work in this line guaranteed. Also water troughs, supply tanks, mangers, feed troughs building blocks, silo blocks or anything in that line.
