## GUTTED BY FIRE

The Herald Building Badly Scorched Thursday Forenoon - Our Office and Household Goods Moved Out in a Hurry—We Are Somewhat Mixed Up, but Still on the Job.

As the Herald force was busy Thursday forenoon preparing to get our paper out at the usual time, we were rudely interrupted by our neighbors, who informed us that our building was on fire, which proved only too true. The next two hours were busy ones in our headquarters, and when the smoke had cleared away we found our printing material and household goods scattered over the neighboring property and the streets, and our building gutted by the fire.

With the mercury but a few degrees above zero and a strong west wind blowing, it was only by the most heroic efforts of the many willing citizens who responded to the alarm that the blaze was finally overcome. And we wish to say right here that no lot of men and women ever worked harder or with cooler heads than on this occasion, and thanks to their efforts our goods are in much better condition than is usual at such times. We desire to extend our heartfelt and sincere thanks to all. Words can but feebly express our appreciation.

The fire evidently originated from an overheated stove pipe where it passed thru the floor, and spread very rapidly. At the present time it is a difficult matter to estimate our loss, but it will exceed \$1,500.

Thru the courtesy of Brother Jackson, of the East Tawas Gazette, we are able to reach our readers with the Herald a couple of days late. Our newspaper press is out of commission, and it will probably be a couple of weeks before we are able to get our office in shape to handle things in the regular way. However, we will greet you every week as usual, altho it will be in an abbreviated form.

We have secured temporary quarters in the rear store room of the Prescott block, where we shall be glad to greet our patrons. Our job press and most of our type is in shape so that business will continue as rapidly as possible.

Some of our patrons may have to wait for some of their work, as a large amount of completed and partially completed work was ruined by water. This will have to be reprinted.

### FIRE AT THE JAIL

The second alarm of fire for Thursday came at about 8:30 in the evening, when it was discovered that the heating plant at the court house was on fire. This fire was caused by some kindling wood piled alongside of the boiler taking fire, but as the entire building was of brick and cement, the damage was comparatively light.

WOODROW WILSON

was on Tuesday inaugurated president of the United States, and who in his inaugural address said: "This is not a day of triumph; it is a day of dedication. Here must not be the forces of party, but the forces of humanity. Men's hearts wait upon us; men's lives hang in the balance; men's hopes call upon us to say what we will do. Who shall live up to the great trust? Who dares fail try? I summon all honest men, all patriotic, all forward-looking men, to my side. God helping me, I will not fail them, if they will but counsel and sustain me!"

Dr. W. N. Yeager, the dentist, will be at his office in this city again Tuesday, Wednesday and Thursday, April 1st, 2nd and 3rd. He does all kinds of dental work in first-class manner and guarantees all work satisfactory. Special attention given to crown and bridge work. Painless extraction.

### Farm for Sale.

I offer my farm of 80 acres, two miles from Tawas City, on the Hemlock road, for sale. MOSE KEHOE, R. R. 1, Tawas City.

H. J. Jacques, of Whittemore, was in the city Thursday.

### Elopers Arrested.

Last Friday afternoon Sheriff Jordan received a message from the sheriff of Oscoda county to intercept one Bert Markaby, aged 23, and Miss Pearl Garber, a 13 year-old girl, who had eloped from that county. The sheriff found them in the evening train on their way to Canada, where they expected to get married. The girl altho but little past 13 years of age, was large for her age and would easily pass for 18. She was the daughter of one of the prominent families of Oscoda county, and the principal objection to the marriage on the part of the girl's parents seems to be the fact that the young man was not a member of that church, altho the girl's age would prohibit their marriage in Michigan. Sheriff William Ostadcher came down from Mio Saturday evening and took the couple back with him.

### The Cabinet.

President Wilson has named the following as the members of his cabinet: Secretary of State—William Jennings Bryan, of Nebraska. Secretary of Treasury—William G. McAdoo, of New York. Secretary of War—Lindley M. Garrison, of New Jersey. Attorney-General—James McReynolds, of Tennessee. Postmaster-General—Albert Burleson, of Texas. Secretary of the Navy—Josephus Daniels, of North Carolina. Secretary of the Interior—Franklin K. Lane, of California. Secretary of Agriculture—David F. Houston, of Missouri. Secretary of Commerce—Rep. William C. Redfield, of New York. Secretary of Labor—Rep. William B. Wilson, of Pennsylvania.

### Basket Ball.

The Ottawas, of East Tawas, met the Oscoda Independents on the opera house floor in East Tawas last Tuesday night, and vanquished them to the tune of 39 and 23. Blakeley was the only Oscoda man who could consistently connect with the basket, 19 of the 23 being made by him. Garr Thompson, Ottawa captain, in the excitement helped Oscoda along by ringing a basket for them, but he would gladly have taken it back when it was too late. The Ottawas passed the ball better, were sure field basket throwers, and out-classed Oscoda in everything except foul shooting. In an accident Yockey, of Oscoda, was badly hurt, being obliged to withdraw. It was purely unintentional.

Ottawas Lineup O. I. Small ..... R. F. A. Couture (capt.) Wyman, Thompson (et) L. F. Blakely Mcquire ..... G. E. Couture McKenna Thompson, Carter ..... B. G. Yockey, E. Couture Gardner ..... L. G. Tate Final Score—Ottawas 39, O. I. 23 First Half—Ottawas 19, O. I. 16. Field Goals—Small 4, Wyman 1, McGuire 4, Thompson 4, Gardner 4, A Couture 1, Blakely 4. Goals from foul—Small 3 in 11 tries, Wyman, 1 in 2 tries, Thompson, 0 in 1 try, Blakely, 11 in 22 tries, McKenna, 0 in 3 tries. Points Awarded—Ottawas 1, Oscoda 2. Time of Halves—20 minutes. Referee—S. C. Mitnell.

The preliminary was the more exciting game, and was won by Oscoda High School 27 to 26. The result was in doubt even after the last whistle blew, when the Ottawa juniors had a free throw. But the goal was missed. The Juniors had a strong lineup ready for the O. H. S., but, as is usual against Oscoda High, it wasn't strong enough. The O. H. S. boys have played consistent ball all winter, and are a very hard team to beat.

The person making the most correct guesses will be awarded a prize. The girls are requested to bring a box. A cordial invitation is extended to all to come and help make the entertainment a success. Not on the plains of Judea, but of Isosco, lived a lonely bachelor pastor. The young ladies of his parish, realizing they had neglected their leap-year opportunities, concluded that perhaps it was not yet too late, and so agreed to prepare their choicest viands that might allure the taste of their pastor, and hie to his lonely home and prepare the table with their delicious food, hoping thus to reach his heart, and perchance some of them would be chosen to hereafter cheer his homeless home. They approached a number of the young men of the place, and with their sweetest smiles cunningly proposed a sleigh-ride to the ranch. It mattered not whether the young men had made their Mark, or watched the click of the telegraph instrument, were Earnest to a degree, played the violin, wore a Bachelor Longfellow, drove the Grey farm team, or were a Dragger, so long as they would accompany them to the pastor's home. They were even willing to walk up the hill with the assistance of a Kane, and led the young men ride. The unsuspecting boys, thinking only of the delights of the sleigh-ride and the delicious supper, readily consented, and on the evening of February twenty-fifth, in the year nineteen thirteen, they started with one Simon, bound for the ranch. The load being heavy,—for be it known they were not all featherweights,—it took some hours to make the trip, and on arriving there, their pastor was aroused from his peaceful slumbers by their war-like shouts, and he, like the genial host he always is, warmly welcomed them, and hastened to assist the ladies in preparing the coffee, when a delicious lunch was served, which was intended, if anything would, to arouse a desire for more meals served like that one. After a couple of hours visiting the young men began to discern the plot, and proposed that they return home. The start was made, the first quarter mile was without accident, but on arriving at the foot of the hill before mentioned, something went wrong and the horses, breaking loose from the sleigh, decided they could make the trip easier alone, and

cantered away, leaving the now frightened girls to momentarily forget their errand and wish they were at "Home, Sweet Home." Again comes the pastor to the rescue. Mounting his fleetest broncho, he starts out to trail the fleeing horses, and behold, in a short time returns, having rounded up the frightened team. Again he is the hero, at least in the eyes of the girls, but causing envious glances to pass around the circle of young men. The horses being again attached to the sleigh, and again bidding the pastor good night, the balance of the trip was uneventful, and the girls are now wondering whether they would enjoy life on the plains, or if some of the home farms would not be preferable, and so we will leave them wondering.
