Number 41

HAPPENINGS OF THE WEEK

Local, Personal and General News Furnished in Condensed Paragraphs for the Convenience of the Busy Reader

Board of supervisors meet next Monday.
Let Merschel, East Tawas, do your eavertrouching.
Wells Entertainers at opera house, Tawas City, Oct. 23.
Mrs. Luke Murray and two sons were Bay City visitors Saturday.
Miss Maud Mosher of Twining visited friends in the city over Sunday.
Regular services will be held at the M. E. church next Sunday as usual.
Mrs. G. A. Pringle of McIvor was the guest of Mrs. Geo. Fahsel Monday.
Mrs. C. J. Riley of Ypsilanti has been visiting friends in the Tawas this week.
Don't miss the parcel post sale. You may get a diamond ring, who knows?
Miss Floy Currey of Grand township visited friends in the city a few days this week.
Mrs. Hugh Johnson, of Mt. Pleasant, is visiting her parents, Mr. and Mrs. A. E. Bigelow.
Let us do your plumbing and heating. We know how to do it. A. J. Merschel, East Tawas.
Rev. C. C. Henning left Sunday evening for Scio to attend a week's conference of the Lutheran church.
Mrs. Weaver, who has been visiting Mrs. C. W. Force, returned to her home at Brantwood, Ont., Thursday.
Buy your wall paper, rugs and furniture at Splimier's department store, East Tawas, and save money.
George Brabant returned last Friday from a month's visit with his brother, Fred, and cousin, Harold, at Buffalo, N. Y.
O. S. Hitchcock, of Detroit, was in the city yesterday on business. Mr. H. was formerly a well-known resident of Whittemore.
High cost of Cement Blocks! Patronize the parcel post sale Oct. 15th, and help pay for those at the Congregational church.
Mrs. W. J. Robinson returned Saturday to her home at Bay City, after a two week's visit with her parents, Mr. and Mrs. S. Brabon.
Mr. and Mrs. Ray Smith left Sunday on an extended auto trip through Canada. Mr. and Mrs. Thomas Davison accompanied them as far as Detroit.
I will be prepared to make over and make up hats at my residence for the rest of the season. Explanation next week. Mrs. C. Nelem.
Apples. I am in the market for all your winter apples and will pay the highest market price. See me and arrange for day of delivery. W. M. McCaskey.
Rev. O. E. Moffet was at Harbor Beach a few days the past week. He has received a call to the Baptist church at that place and is considering the acceptance of the call.
Editor Ballard is confined to his home with an attack of pneumonia. With this handicap the rest of the force ask your indulgence for any shortcomings in this issue of the Herald.
Lee Force has purchased the lease of the Star theater from W. M. McCaskey, and, besides other needed improvements, will make the "Star" the leading play house of Northeastern Michigan.
During the absence of Rev. John Pinches, who is away on an evangelistic campaign, the pulpit at the Methodist church will be supplied by Rev. E. W. Frazee, who will preach next Sunday morning and evening.
Albert Timreck left Saturday for Detroit, where he will go into the mercantile business in company with his daughter. Mrs. Timreck will remain here for about a month, after which they will move their household goods to Detroit.
The Ladies' Aid Society of the Presbyterian church will hold a parcel post sale at August Brown's gallery the afternoon and evening of Oct. 15th. Parcels which have been sent to the members by friends far and near, will be sold, unopened, for 25 cents each. Light refreshments will be served.
Farmers, I will take your potatoes any day you bring them in, and will pay you the highest market price that can be paid for them. W. M. McCaskey.

A. W. Black, fire insurance.
Ladies' and men's suits cleaned and pressed, 50c. Edw. Woizeschke, sr.
Mr. and Mrs. M. C. Davis visited the latter's daughter in Alpena a few days this week.
J. Zelenski and J. Cox of Flint are visiting at the home of Cecil Cox a few days this week.
Dr. A. B. Carson, dentist, is at his office in Tawas City every day in the week. Phone 44-L.
Rav. W. R. Blackford will hold services at the Masonic hall, in Whittemore, next Tuesday evening.
Gospel services will be held at Alabaster next Sunday at 2:30 standard time, conducted by Rev. John Pinches.
Rev. H. Reithmeier and Martin Griebel left Monday for Sebewaing to attend a Lutheran conference held there this week.
No bluff. Get the other fellow's price then see or telephone me for prices on potatoes. Always in the lead. W. M. McCaskey.
That C. H. Prescott & Sons are hearty supporters of our 1915 Summer Chataqua is very conspicuous by their this week's ad. Their plan is to give one adult chataqua ticket with each \$15.00 expended in the purchase of a heating stove or range. This means a saving of 10 per cent to the purchaser on all stoves and ranges bought of them, as the tickets have a value of \$1.50.
A. O. Katterman brought to the Herald office last Friday four potatoes, grown by his son, Charles, the total weight of which was an even six pounds. The largest potato weighed one pound, 11 ounces, and the smallest one pound and three ounces. They were all smooth, perfect samples and any one of them would make a meal for the average family.
It was twelve fortunate people that sat down to dinner at the home of County Clerk Jno. A. Mark last Sunday. We say fortunate because they had the exceptional treat of strawberry shortcake, which is sure to treat at this time of the year. The berries for the cake were picked from some late bearing vines which John has been trying out the past season or two, called the "Superb." He reports the berries of a fine flavor and of good average size.
And still the wonders grow. We really cannot see any use of the citizens of Iosco county going to Florida, Washington, or any other state where they brag of their ability of growing two crops in one season. M. C. Davis brought to the Herald office on Wednesday a branch cut from his raspberry bushes on which was a second crop of berries as plentiful as the first crop which they bore in the regular season. And a peculiarity of this crop of berries is that when ripe they are double or triple. We have seen some very peculiar things in years past, but this bush of berries surpasses anything that has ever come to our notice. Mr. Davis also brought in a bunch of everlasting strawberries on which were blossoms, green and ripe berries.

Annual Conference and Convention of L. D. S.
The annual conference and convention of the Reorganized Church of Jesus Christ of Latter Day Saints will convene at the Saints church at McIvor, Friday, Oct. 16, 1914.
PROGRAM.
Friday, Oct. 16.—7:30 a. m., priesthood meeting; 8:30 a. m., prayer service; 9:35 a. m., business session; 2:00 p. m., business session; 4:00 p. m., women's auxiliary work, conducted by Mrs. C. W. Burt of Beaverton; 7:30 p. m., a musical entertainment, consisting of saxophone and clarinet duets, tenor solos, male quartet, saxophone and tenor duets.
Saturday, Oct. 17.—7:30 a. m., priesthood meeting; 8:30 a. m., prayer service; 9:45 a. m., business session; 2:30 p. m., business; 4:30 p. m., institute work, conducted by H. A. Doty of Traverse City; 7:30 p. m., preaching by C. W. Burt, district president.
Sunday, Oct. 18.—7:30 a. m., priesthood meeting; 9:00 a. m., prayer service; 10:30 a. m., preaching by Elder Thomas Hartnell of Cadillac, Mich.; 2:00 p. m., preaching by Apostle J. H. Curtis of Lamoni, Iowa; 4:00 p. m., preaching by Eld. C. J. Hawn of Bay City, Mich.; 7:30 a. m., preaching by Eld. Wm. Grice of Crosswell, Mich.
CLOSE.
At the Friday evening entertainment an offering will be taken to help defray the expenses of musicians. Everybody welcome to all services.

WINTER LECTURE COURSE

Five of the Best Numbers Ever Offered the Citizens of the Tawas.

As announced in the Herald some time ago, the Tawas City Entertainment association, composed of a number of public-spirited business men, has arranged for a lyceum entertainment course to be given here the coming winter. The numbers on this program, which are furnished by the Coit Lyceum bureau, have been selected with a view to giving a diversified program in which everyone could find something to his liking. It consists of entertainers, musical numbers and impersonators, every number a leader in its class, and the committee feels that their selections will meet with the approbation of the people of Tawas City and vicinity.

The first number on the course will be given October 23, and consists of the Wells Entertainers, in a program of music, sketches, readings and original bits. The company consists of Mr. and Mrs. Glenn Wells, both of whom have been in lyceum work for some years and have given universal satisfaction. Mr. Wells spent three seasons and Mrs. Wells two with the Schuberts, one of the best known organizations on the lyceum stage, and either of them are capable of giving an entire program alone.

The next number will be the Starrs, musical entertainers, on December 16. Mr. and Mrs. Wilbur Starr present a very versatile program, consisting of a half hour song recital, cello solos, original impersonations with wigs and makeup used, old songs, musical monologues and chalk songs and stories. Their work has called forth favorable comments from the press wherever they have been, and their program will no doubt give great pleasure.

On January 25 Denton C. Crowl will be here with his great Sam Jones' lectures. Mr. Crowl is the only man who was ever personally authorized by the great Sam Jones to reproduce his lectures, and those who have heard him state that it is hard not to believe that it is the great evangelist himself come back to life and standing before them.

The Cecilian Concert Company on March 10, will undoubtedly be one of the best numbers on the course. This company consists of four young ladies, Elizabeth Maddox, violinist and soprano, Eunice Schafie, accompanist and crayon artist, Anne Clerf, reader and cornetist, and Jessica Fleming, contralto and cellist. Each of these ladies has been in the lyceum work for some years, and their individual work is pleasing as well as their work in ensemble.

The concluding number of the course will occur on April 12, and will be given by Dudley Wagner, character and dialect impersonator. He gives a varied and interesting program of short stories and poems from various well known authors, and original dialect impersonations. His portrayal of the character, "Beau Brummel," has brought forth the highest encomiums from those who have heard it.

Season tickets for the entire five numbers will be sold at \$1.00, and school children can purchase season tickets for 75c. Single admissions will be 35c and 25c for the first two and fourth numbers, and 25c and 15c for the third and fifth numbers. Season tickets may be reserved for the entire course for 25c, and the box office at the opera house will be open Saturday evening, Oct. 17, at 7 o'clock, for this purpose. No tickets will be reserved before that date.

Season tickets may be purchased of any member of the association, which is composed of the following: John A. Mark, L. H. Braddock, L. J. Patterson, Henry Kane, Eugene Bing, Jas. E. Ballard, L. L. Johnson, O. E. Moffet, J. M. Wuggazer, Fred Force, John Corrigan, S. Ferguson, F. F. Taylor, and C. V. Crane. The school tickets will be handled exclusively by Superintendent Eugene Swem.

All the numbers on the course will be held at the opera house, and the committee hopes to sell enough tickets to pack the house at every entertainment. At the low price at which season tickets are sold there should be enough sold to cover the expense of the course and leave a balance to be used in obtaining an even better course for next year.

D. E. McClure, of the Board of Health, Is Some Poet.

Assistant Secretary D. E. McClure of the state board of health is some poet (if you don't mind some discrepancies in feet and meter) and his muse was inspired by the reception he received in Tawas City at the time of the visit of the health and food special train to this city early in August. In "Public Health," the little monthly magazine published by the state board of health, he gives a report of the various towns and cities visited by the train, and has the following to say about Tawas City:

"Tawas City—A beautiful city of 1500, was reached at 7:20 p. m., August 6, and cars opened early August 7, when fully 500 highly pleased men, women and children attended the exhibit. The writer was so pleased with the hospitality tendered that he offers the following tribute:

"Tawas City, the brightest gem of the lake,
Whose people for good health and happiness make,
Who select good food and serve good steak,
If I were a tourist right here I'd stay,
And never at chew-time from the Iosco stray.
'How are you?' 'Good morning,' every one remarks.
Seems like home folk, these kindly barks.
Health officer, Dr. C. V. Crane, is on the job
And sanitation of its evils robs;
While Editor Ballard runs the publicity twister,
And for all civic ills serves a blister."

That Tawas City people were more interested in the exhibit than the average town is shown by the fact that a larger percentage of the population turned out here than in most of the towns and cities along the line of the trip. Alpena, with a population of 15,000, only turned out about 600 visitors, and the same ratio held in most of the places visited, except in some of the larger towns in the northern peninsula.

Politics Warming Up.

The first real political activity of the campaign in this vicinity was evidenced Tuesday evening, when two political meetings were held in the city and one in East Tawas.

The progressive meeting, held at the court house, was called at the early hour of 7:30, in order to give the speakers an opportunity to fill an engagement at the East Tawas opera house the same evening. David Davison acted as chairman of this meeting, and addresses were made by Edwin A. Goodwin, chairman of the congressional committee in this district, Congressman Roy O. Woodruff and L. E. Lincoln, candidate for representative in the state legislature. These speakers very ably presented the political situation from their point of view and were attentively heard by an audience which comfortably filled the auditorium of the court house.

The democratic meeting, held at the Star theater, was also well attended. The speakers at this meeting were Judge Emmett L. Beach, candidate for lieutenant-governor, and C. W. Hitchcock, candidate for congressman from the 10th district, both able speakers, who argued for the return of Governor Ferris for another term and for an expression of confidence in the present national administration by the election of a democratic congressman from this district.

The speakers at both these meetings had spent the day campaigning throughout the county, speaking from autos wherever a crowd could be gotten together, and giving the people a chance to size up the candidates. We doubt, however, whether a great many votes were changed, as in this day and age the political opinions of the electors are formed more from reading and thinking about the issues of the day than by the one-sided presentation of those issues by political speakers.

Farm Facts.

Successful farming and marketing are the basis of all human progress.

He who plows can produce anything, including health and happiness.

The problems of farming are as serious as the multiplication tables.

The magic influence of the plow will make a desert bloom and blossom.

Farming is successful only when the crops have been profitably marketed.

Good roads broaden our sympathy, lessen distance and increase our usefulness.

TAWAS CITY ENDS SEASON

Moeller in Good Form, While Team Mates Hammer in Twenty-One Runs.

Whittemore came over Sunday to help our boys celebrate the season's end, and after losing by a score of 21 to 3, smiled, and called it good. Jacobs and St. James started the battery work for Whittemore, but in the sixth gave way to the Pearsall brothers. They all looked alike to the home boys, though, not an inning going by without at least one run, the third frame, with seven counters, being the banner. Had Jacobs and D. Pearsall been the battery, it is possible that the score would have been closer, according to the spectators.

Both good and bad baseball were given to the fans, slugging and strikeouts, fast fielding and slow booting, etc. And Whittemore was fast at times in her fielding as well as Tawas City.

Moeller pitched the usual fine game that we are beginning to take as a matter of course. He didn't give a base on balls, struck out 12, and allowed only five hits. He and Captain Mark each got four hits, one of Allee's being a double. Each and every Tawas City man got at least one hit, Musolf and J. Mark getting two apiece.

A goodly bunch of people were at the game from East Tawas, Hale, Whittemore and the country, cheering and roaring, according to the brand of ball furnished.

There is some talk of having a game between our boys and a team of local talent, re-enforced with Miles Main, "Red" McKee and Jim McGuire of the Detroit Tigers, and Cadorna of Brooklyn. If so the proceeds will go toward getting the ball grounds in shape for next year.

High School Wins Last Game.

Last Saturday the high school closed the baseball season by defeating Alabaster high school 12 to 3. The game never was in danger, our boys taking the lead in the first inning and holding it throughout.

Frank Halleck showed himself to be steady in a pinch if necessary. With three on, and one down, he proceeded to strike out Pearson and Robinson, retiring the side without a score.

Six doubles were made, our boys getting five of these. Reinke lead with two to his credit.

EAST TAWAS DEPARTMENT

Devoted to the General and Personal News of the Week From Our Neighboring City on the East

Sugar 7½c per pound at Kunze & Applin's.
Joseph Kibler, a former resident, is in the city.
Mr. and Mrs. Ed Alford spent Saturday in Bay City.
Miss Gertrude Luce is spending the week in Bay City.
Mrs. S. E. Bridge is visiting with relatives here this week.
Evening prayer at 7:00 at Christ church next Sunday.
Miss Ruth Deacon spent the fore part of the week at Bay City.
John Haglund of Oscoda spent Saturday and Sunday in the city.

Good coffee for 12½c per pound at Kunze & Applin's grocery.
The Presbyterian Ladies' Aid will meet at the church next Wednesday afternoon.
William Glover and Owen Hale visited at their homes in Saginaw over Sunday.
Mrs. August Johnson is spending the week with Mrs. Makineen at Alabaster.
Miss Anna Sloan of Emery Junction is visiting with Miss Sadie Cooper this week.
Mrs. John McRae of Bay City is visiting at the home of her mother, Mrs. S. Warren.

Mr. and Mrs. Elmer Durant are the proud parents of a baby boy born Monday, October 5.
Mrs. Charles P. Riley, of Ypsilanti, has been the guest of Mrs. James E. Dillon this week.
Mrs. L. Ingamalls, who has been visiting friends here, left Wednesday for her home in Saginaw.
Mr. and Mrs. Joseph Mitchell returned home Wednesday morning after a week's trip to Detroit.

Miss Gladys Marontate, who is teaching near Harrisville spent Saturday and Sunday with her parents.
John Dillon is now employed at the L. S. S., having taken the place in the crew vacated by Leland Parker.
George Vaughn left for Bay City and Flint Wednesday morning where he will visit relatives and friends for a season.

Mrs. Flora Ramsay from the state of Maine is the guest of Mrs. W. B. Murray. Mrs. Ramsay is on her way to Iowa.
Mrs. Sarah Warren and her sister, Mrs. Steele were called to Port Huron Sunday because of the death of their brother.
Miss Mabel Spring left for her home at Alpena Wednesday afternoon after a two week's visit with relatives and friends in this city.

Mr. and Mrs. McGuire and their sons, Clare and Don, have gone to London, Canada to attend the funeral of Mrs. McGuire's mother.
Mrs. E. G. Ash returned Saturday from a visit to Toronto, London and Detroit, where she has been visiting with relatives the past few weeks.
John Thompson, who is attending the high school here, was called to his home at Whittemore Sunday, by the death of his grandmother, Mrs. S. Horton.
B. J. Stanton of Wilber was married to Miss Jennie Stocton of Harrisville last Saturday, Oct. 3, at the home of the bride. Mr. and Mrs. Stanton will reside in East Tawas.

Leland Parker left Tuesday morning for Detroit and Mt. Clemens where he will visit his mother and sister. He will then go to Eagle Harbor where he was called to be a regular in the life saving crew.
At the tri-county convention in Tawas City, the report of Sunday schools showed that the East Tawas Methodist Sunday school is the largest in the three counties, having an enrollment of 140 and an average attendance of 85.
Don't forget the date. Friday evening, Oct. 16, the band concert will be given in the East Tawas opera house. Solos, male quartets, instrumental selections, monologues and sketches will be rendered by the best talent in the city.

Fire insurance. Henry Hanson, adv.
The Odd Fellows hall, which has been undergoing some improvements, is now complete and modern in every respect. The brick veneering is finished, and a new roof and chimney have been built. The bowling parlors are now practically fire proof.
Congressman Roy O. Woodruff, the progressive candidate for re-election, addressed a fair sized audience at the opera house Tuesday evening. Other speakers were L. E. Lincoln, candidate for representative and E. A. Goodwin. The city band turned out for the occasion.

John W. Stealy, son of Mrs. Albert Stealy of this city, was united in marriage with Miss Gertrude Wood, daughter of Frank Wood of Laidlawville, on Monday evening, Oct. 5. John is well known in East Tawas, having lived here for some time and he has the best wishes of many friends for a happy married life. Mr. and Mrs. Stealy will make their future home in Detroit.

Rev. J. G. Widdifield, rector of Christ church at Midland, gave a very interesting stereoscopic lecture of the "Life of Christ" at the Maccabee hall, Wednesday evening. The lecture was given to entertain the members of the Episcopal Sunday school and the Presbyterian Sunday school was invited, the hall being too small to accommodate all Sunday schools. The pictures were true to the life and customs of the people of Palestine in the time of Christ.
Mrs. H. T. Thomas entertained about thirty guests from the Ladies' Literary club of this city and the Twentieth Century club of Tawas City at her home on Tuesday afternoon. Mrs. Thomas was the possessor of a journal of travels written in Tokyo, Japan by Edward Loud, and which had been sent to Mr. Loud's family in Detroit. These letters were read to the guests by Mrs. E. L. King in a very pleasing and expressive manner, after which light refreshments were served. Everyone reported a very enjoyable afternoon.

The Ladies' Literary Club celebrated their opening day Wednesday afternoon. About 60 members and friends were present. This was the 29th opening, and the club rooms were handsomely decorated with autumn leaves and cut flowers. The program opened with the presentation of programs and an address by the president, Mrs. A. W. Black, in which she welcomed members and friends and spoke of the history and work of the club. The ladies were then entertained with a musical program including a piano solo by Mrs. F. Ramsay, a violin solo by Miss Ruth Deacon, and a piano duet by Miss Mary Gardner and Mrs. A. G. Jackson. Dainty refreshments were served, and all report a pleasant, sociable afternoon.

Henry Ash died at the home of his mother, Mrs. Catherine Ash, Saturday morning, October 3. His mother was informed last week that he was very ill at Lupton. She left immediately for that place and brought him home, but he lived only until Saturday.
The deceased was born in Port Huron but came to this city with his parents when a child. He lived most of his life in East Tawas and was 57 years of age. The funeral service was held from St. Joseph's church Monday morning, and the remains laid at rest in the Catholic cemetery. A mother and sister in East Tawas, and a brother in British Columbia are left to mourn his death.

Notice.
I have returned to Tawas City and have resumed my practice in my office in Huston block. Consultation free.

TAWAS CITY, MICH., OCT. 9, 1914

One of the amendments to be voted on at the coming election in November provides for delegating to the state legislature the privilege of issuing bonds for the improvement of public roads without submitting the same to the people for their approval. The state Grange has taken a decided stand against this amendment, and there is no question but that their stand is right. To amend the constitution as proposed would take from the people entirely any voice in the issuance of bonds and would open the gates for all kinds of graft and misuse of funds in the interest of the politicians. It would lead to higher taxes, as well as to inefficient and defective work in road building throughout the state. It is very easy for a legislator to vote away the people's money and claim that he did it in a good cause, especially now that there is so much favorable sentiment for good roads, and it is not well to allow them too much liberty in matters of this kind. In the closing words of a leaflet opposing the amendment sent broadcast throughout the state by the Grange, it says: "All citizens actuated by patriotic duty in aid of good and clean state government, cannot easily do other than to vote NO upon this bad proposition."

Stock growers in Texas have grown tired of seeing the major portion of the profit of their work go into the already overflowing coffers of the beef trust, and an organization of the ranchers in that state is being formed to provide for direct marketing of Texas beef in the great centers of distribution. It is expected that in this way the men who raise the cattle will receive a higher price and yet the consumer be signally benefitted by lower prices. There are many other necessities of life in which both producer and consumer would be better off if there was more co-operation and less business done through the medium of the middleman.

Supreme Court Decides Hadwin Case.

Among other decisions handed down by the supreme court last week was the one in the case of Crosby Brown against ex-Sheriff George H. Hadwin for false arrest and imprisonment, which was decided in favor of the defendant, Mr. Hadwin. The case was the outgrowth of an attempt on the part of Sheriff Hadwin and Prosecuting Attorney Black to enforce the local option law in this county during the closing months of Hadwin's administration, and while the local option law was in force in this county. The case was twice tried in the circuit court and taken to the supreme court by the plaintiff, Brown. It was bitterly fought in all courts and Attorney Black, who acted as attorney for Hadwin, is to be congratulated upon his signal victory in the matter. Iosco county taxpayers were directly interested in the outcome of this case, as it would have been lawful for Mr. Had-

win to have requested the county to pay his expenses and attorney fees in the case. However, Mr. Black believes it consistent with his duty as prosecuting attorney to protect his fellow officials, and has never asked, and states that he will not ask, for any fees in this connection. As the charges that might be made are considerable, this amounts to quite a material matter to the taxpayers.

Development Bureau Auto Exhibit to Be Here.

During the meeting of the board of supervisors next week the people of Tawas City and vicinity will have an opportunity to see the automobile exhibit of the Northeastern Michigan Development bureau, which has been touring the neighboring states since last spring. Following is the text of a bulletin sent out by the bureau explaining the work of this exhibit:

J. R. Snody, president of the Northeastern Michigan Development bureau, returned to the bureau's headquarters last Friday, after a campaign with an exhibit auto in behalf of Northeastern Michigan at the Illinois State Fair held in Springfield.

The exhibit auto has been on the road since April 24, traveling in Ohio, West Virginia, Pennsylvania, Indiana and Illinois. At all places where the machine has stopped lectures were given to the farmers and business men. In this manner, Mr. Snody states, Northeastern Michigan was widely advertised all along the route, and especially in Illinois. He states that approximately 60 per cent of the people visiting the Illinois State Fair had previously seen the exhibit in their own locality.

The great amount of advertising done by the bureau has been instrumental, says Mr. Snody, in bringing many agriculturalists to this state. In Indiana and Illinois where crops have failed because of the drouth many farmers are attracted to Northeastern Michigan, and already many have sought homes in this district.

In addition to the work done by the car on the road and at various fairs the bureau has had large exhibits of diversified products at the Michigan State Fair, Detroit, the Northeastern Michigan Fair, Bay City, the Tuscola County Fair, Vassar, and the Saginaw County Fair at Saginaw.

Ownership of Iosco Co. Homes.

The United States census department at Washington has just issued a bulletin dealing with the ownership of Iosco county homes. The important facts contained in the bulletin relative to this county are as follows:

There are 2,222 homes in Iosco county. Of this number, 902 are farm homes, and 455 of these are owned by their occupants and are free of mortgaged incumbrance.

The mortgaged farm homes number 380.

Renters occupy 66 farm homes in this county.

Out of a total of 2,222 homes in the county 1,320 are urban homes.

There are 868 urban home owners in the county. Of this number 66 are mortgaged.

Of the urban owned homes 790 are free of incumbrance.

There are 412 urban homes rented in the county.

The census enumerators were unable to secure data pertaining to the ownership of a small percentage of both the rural and urban homes in this county.

Dr. W. N. Yeager, the dentist, will be at his office, over Wuggazer's drug store, in this city, Tuesday, Wednesday and Thursday, Nov. 3rd, 4th and 5th. All kinds of dental work done and all work guaranteed. Special attention to crown and bridge work. Painless extraction. adv

Tri-County Sunday School Convention.

The Tri-County Sunday school convention held in the Congregational church in this city Oct. 2, 3 and 4, was a decided success, both in point of attendance and in interest shown.

The address of welcome was given Friday evening by H. W. Buckle and replied to by O. S. Nicholls. Inspiring addresses were given during the convention by state workers, E. K. Mohr and Rev. A. R. Atwood, also by President Nisbet and Revs. Blachford, Scott and J. B. Brown.

The annual sermon was delivered Sunday morning by Rev. John Pinches, and was a masterly effort.

The elementary department was ably conducted by Mrs. O. S. Nicholls.

Much praise was given the work of the quire under the leadership of G. G. Hood and H. W. Buckle. The music during the general sessions Friday evening and Saturday was ably conducted by Rev. J. B. Brown.

Many thanks are due the homes of Tawas City that so hospitably entertained the nearly one hundred delegates. One of the strong points of the convention was that nearly every Sunday school in the three counties reported, and the reports were very encouraging.

The following officers were elected for the ensuing year: President, J. H. Nisbet; vice-presidents, Rev. J. B. Brown for Iosco; A. L. Wilkins, Arenac; Rev. Myrtle Allen, Ogemaw; secretary-treasurer, Mrs. J. A. Campbell; county secretary for Arenac, Dr. McDowell; Iosco, Miss Effie Graham; Ogemaw, James Lathrop; elementary superintendent, Mrs. O. S. Nicholls. The following superintendents of departments were elected: Temperance, Fred Black; purity, Mrs. F. B. Drummond; missionary, Mrs. J. H. Nisbet; evangelistic, Rev. Faupel; rural, G. Berquist; second superintendent, Merton Smith.

The following resolutions were prepared by the committee and adopted by the convention:

The Tri-County Sunday School Association of Iosco, Ogemaw and Arenac counties in annual convention assembled in the Congregational church at Tawas City, Mich., Oct. 2, 3 and 4, 1914, after a very profitable session, wish hereby to express gratitude and thanksgiving to Almighty God for His kindly providence and opportunities for labor in His vineyard.

We count it a heavenly privilege, as well as holy calling, to teach His word in the Sunday school and lead immortal souls to acceptance of Jesus Christ as their personal Savior.

We sincerely pray that we may be able to turn many to righteousness by the faithful teaching of His precepts and the exemplifying of His spirit of love.

As soldiers in the great army of Jesus, whose warfare is not one of blood (by mercy and love is the conquest of this wonderful army of God), in this time of European strife and carnage, when nations of the Old World are reeking in blood, we wish to declare how shocking to our Christian sense is this awful war, and pledge ourselves each to the others to join a cycle of prayer as followers of the Prince of Peace for the lasting peace of the world.

We most cordially express our appreciation of the splendid welcome and hearty hospitality of the people of Tawas City in entertaining us.

We can only speak words of praise of the work done on the program by the Messrs. Atwood and Mohr and all others who had any part thereon.

We have reason to commend the hearty co-operation of the churches of these two cities in foregoing their regular services that this convention should have its important place in the attention of the people.

We desire to express our thanks to the press of these two cities for notice that

was made of this convention. Finally for the splendid service of song rendered by the efficient choir, under the careful training of their leader, we express our most hearty appreciation. Signed by the committee:

J. C. Fry, Standish.
Roy Smith, Tawas City.
Mrs. D. Martin, Prescott.
Miss A. McLean, Santiago.
Clifton W. Scott, East Tawas.

COLE'S HOT BLAST

Wonderful Heater and Fuel Saver

For Soft Coal, Lignite or Hard Coal

Cost of Stove Saved in Fuel

As you know one-half of soft coal is gas—the entire gas supply for many cities and towns being made from the same kind of soft coal you are using.

The extent of unburned gases in hard coal is shown by opening the magazine cover of a base burner when the extra oxygen supplied fills the entire stove with flaming gas. Other stoves allow this gas, which is the best part of the coal, also a large part of the heat, to pass up the chimney. This waste will average from \$10.00 to \$50.00 a year for every family and millions of dollars in fuel are thus wasted annually.

The Original Cole's Hot Blast Stove

Saves All Wasted with Other Stoves

Cole's Original Hot Blast, by means of the Patented Hot Blast draft used in connection with other patented features, distills this gas from the upper surface of the coal, utilizing it as a heat producer along with the fixed carbon or coke in the coal.

On account of the patented air tight and gas tight construction giving perfect control over the drafts, it also saves the heat usually wasted up the chimney.

\$5.00 worth of hard coal, soft coal or lignite, or a \$1.50 ton of slack or coal siftings is thus made to do the work of twice the amount of fuel in other stoves and the cost of the stove is more than saved in fuel each winter. \$7.50 worth of slack will heat your house all winter, five tons at \$1.50 a ton does the work.

Build only One Fire a Winter

Cole's Hot Blast is so perfect in construction that fire keeps all night, and when the draft is opened in the morning will burn two or three hours with the hard coal or soft coal put in the night before. No other stove does this. Fire, therefore, never goes out, kindling fires is dispensed with, and the rooms are kept at an even temperature all the time.

Read the Guarantee. We are the exclusive agents for Cole's Original Hot Blast and sell it on the accompanying guarantee which cannot be made on any other heating stove in the world. If you want to save half your fuel bill and would enjoy the luxury of getting up in a warm house on cold winter mornings without kindling fires, buy Cole's Original Hot Blast now.

Avoid Imitations

Imitations of this Original Hot Blast are many. None of them has the absolutely air-tight and gas-tight construction throughout which Cole's Hot Blast has by reason of its numerous patents. A Patented Steel Collar connects the elbow draft to the stove body and cannot open by action of the fiercest heat. The Patented Compound Hinge on the lower draft cannot warp, and the draft door closes air-tight by its own weight. The guaranteed Smoke-proof Feed Door prevents smoke, dust or gas escaping when fuel is put in the stove.

Imitations soon open seams and cracks which spoil them for keeping fire and cause the gas half of the coal and much of the heat to escape up the chimney.

See the name "Cole's Hot Blast from Chicago" on the feed door of our stove. None genuine without it.

Ask to see the patented dustless ash cover for removing ashes. Our method is the only clean way.

Special Announcement! Free Chautauqua Tickets!

As a special inducement to purchasers, and to further the work of the Chautauqua, we will give Free with each stove of the value of \$15.00, one adult Chautauqua ticket, value \$1.50. A fine chance to get your next summer's amusement.

Facts Worth Knowing.

MARKETING IN SIBERIA.
 The markets of Irkutsk, Siberia, are an interesting sight, for the products offered for sale are in most cases frozen. Fish are piled up in stacks like so much cordwood, and meat likewise. All kinds of fowls are similarly frozen and piled up. Some animals, brought into the market whole, are propped up on their hind legs and have the appearance of being actually alive. But, stranger yet, even the liquids are frozen solid and sold in blocks. Milk is frozen into a block in this way, and with a string or stick frozen into it and projecting from it. This, it is said, is for the convenience of the purchaser, who is thus enabled to carry his milk by the string or stick handle.

Wise and Otherwise.

Take it from us, we really can see nothing sweet about the advance in the price of sugar.
 The European war may at least save us some torture in keeping the grand opera singers at home.
 America doesn't have to go to war to reduce her population. Over here we have football and automobiles.
 Even in these days of quick-firers and automatics there is something about a line of charging bayonets that doesn't look good to the man in the trenches.
 Mother Eve was nude until the apple episode, but when she ate an apple a change for the better took place. Judging from the kinds of dresses many of the women are wearing now-a-days it's about time to pass the apples again.—Ex.

Kitchen Kinks.

An asbestos mat to slip under the kettle is a great convenience.
 Kettles may be thoroughly cleaned by boiling a few potato peelings in them.
 A scales is not a necessity, but it will help a whole lot to have a pair on the table when you are "putting up" the fall preserves.
 To remove fruit stains stretch the fabric containing the stain over the mouth of a basin and pour boiling water on the stain.
 To serve cauliflower whole and unbroken boil in a cloth, as it may then be lifted out of the saucepan without any detriment to its appearance.

Of Interest to Women.

To remove pitch, grease and tar stains soak in turpentine. Scrape off carefully with a knife all the loose surface dirt. Sponge clean with turpentine.
 To clean and brighten carpets and preserve the color, it is a good idea to rub them over lightly with a duster, which has been wrung out from a pail of cold water, to which has been added a tablespoonful of vinegar.
 To clean and brighten tortoise shell combs, pins and other objects of the same material, the following is excellent: Rub the article with olive oil, vaseline, or any good emollient. This will restore the beauty, and they will become less brittle.
 One of the most disagreeable features of the wash boiler is the difficulty with which small articles such as handkerchiefs, collars and small laces are fished out of the steaming suds. If a small cheese-cloth bag is made, and these articles put into it for the boiling process, your time, temper and complexion will be saved.

\$100 Reward, \$100
 The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Importance of Road Maintenance and Repair.

There is no phase of the road problem more important than that of maintenance. The general impression that there are certain types of roads that are permanent is erroneous. No permanent road has ever been constructed, or ever will be, according to the road specialists of the department. The only things about a road that may be considered permanent are the grading, culverts and bridges. Roads constructed by the most skillful highway engineers will soon be destroyed by the traffic, frost, rain and wind, unless they are properly maintained. But the life of these roads may be prolonged by systematic maintenance. A poor road will not only be improved by proper maintenance, but may become better in time than a good road without it.

The first and last commandment in earth road maintenance is to keep the surface well drained. To insure good drainage the ditches should be kept open, all obstructions removed, and a smooth crown maintained. Except for very stony soil the road machine or scraper may be used very effectively for this work. The machine should be used once or twice a year, and the work should be done when the soil is damp, so that it will pack and bake into a hard crust. Wide and shallow side ditches should be maintained with sufficient fall and capacity to dispose of surface water. These ditches can in most places be constructed and repaired with a road machine.

All vegetable matter, such as sods and weeds, should be kept out of the road, as they make a spongy surface, which retains moisture. Clods are also objectionable, for they soon turn to dust or mud, and for that reason roads should never be worked when dry or hard. Bowlders or loose stones are equally objectionable if a smooth surface is to be secured.

A split-log drag or some similar device is very useful in maintaining the surface after suitable ditches and cross section have once been secured. This drag can also be used to advantage on a gravel road as well as on an earth road. The principle involved in dragging is that clays and most heavy soils will puddle when wet and set very hard when dry. The little attention that the earth road needs must be given promptly and at the proper time if the best results are to be obtained.

In dragging roads only a small amount of earth is moved, just enough to fill the ruts and depressions with a thin layer of plastic clay or earth, which packs very hard, so that the next rain instead of finding ruts, depressions and clods in which to collect, runs off, leaving the surface but little affected.

The drag should be light and should be drawn over the road at an angle of 45°. The driver should ride on the drag and should not drive faster than a walk. One round trip, each trip straddling a wheel track, is usually sufficient to fill the ruts and smooth the surface. If necessary, the road should be dragged after every bad spell of weather, when the soil is in proper condition to puddle well and still not adhere to the drag. If the road is very bad it may be dragged when very wet, and again when it begins to dry out. A few trips over the road will give the operator an idea as to the best time to drag. Drag at all seasons, but do not drag a dry road.

The slope or crown of an earth road should be about one inch to the foot. If the crown becomes too high, it may be reduced by dragging toward the ditch instead of from it. If the drag cuts too much, shorten the hitch and change your position on the drag. If it is necessary to protect the face of the drag with a strip iron, it should be placed flush with the edge of the drag and not projecting. A cutting edge should be avoided, as the main object in dragging is to smear the damp soil into position.

Your Fall Cold Needs Attention.
 No use to fuss and try to wear it out. It will wear you out instead. Take Dr. King's New Discovery, relief follows quickly. It checks your cold and soothes your cough away. Pleasant, antiseptic and healing. Children like it. Get a 50c bottle of Dr. King's New Discovery and keep it in the house. "Our family cough and cold doctor," writes Lewis Chamberlain, Manchester, Ohio. Money back if not satisfied, but it nearly always helps.

Auction Advertising.
 The season for auction sales is again at hand. If you are planning on a sale and want the best results for your money, get some of those neat-color auction posters at the Herald office, and also have the sale advertised in the paper. We have different designs in the posters and are sure we can please you.
 The Tawas Herald \$1.50 per year.

Council Proceedings.

Regular meeting of the common council of the city of Tawas City, held in the council rooms, Friday evening, Sept. 18, 1914.
 Called to order by Pres. (Protem) Marzinski. Present, Ald. VanHorn, Marzinski, Groff, Hosbach and Clerk King. Quorum present.

Regular meeting Aug. 7, adjourned meeting Aug. 14, and regular meeting Aug. 21, 1914, read and approved.
 Committee on claims and accounts reported the following bills and recommended payment of same:

Moved by VanHorn, supported by Groff, that bills be allowed, and orders drawn for same.
 Motion carried. Yeas, VanHorn, Lorenz, Marzinski, Groff and Hosbach. Nays, none.

Finance committee submitted the following report:
 Tawas City, Mich., Sept. 18, 1914.
 Hon. Mayor and Council.
 Your committee on finance recommend that the following amounts be raised by taxation upon the taxable property of the city of Tawas City for the ensuing fiscal year:
 Total amount to be raised four thousand dollars (\$4,000), and shall be divided as follows:
 Bridge fund.....\$1,000
 Continent fund.....1,000
 General street fund.....1,500
 Interest and sinking fund.....500
 Total.....\$4,000
 Ed. Marzinski,
 E. B. VanHorn,
 W. Groff,
 Committee.

Moved by Lorenz, supported by Groff, that report of finance committee be accepted and adopted.
 Motion carried. All voting yeas.
 Clerk then introduced ordinance No. 60, being known as the annual appropriation bill for the year 1914:

ORDINANCE NO. 60.
 Said ordinance being as follows:
 An ordinance to be termed "The Annual Appropriation Bill," making provision for and appropriating the several amounts required to defray the expenditures and liabilities of the city of Tawas City for the ensuing fiscal year.

The city of Tawas City ordains: Sec. I.—That there shall be raised upon the taxable property of the city of Tawas City the following sums:
 The sum of one thousand dollars (\$1,000), which amount so raised shall be placed in and constitute the bridge fund.
 Also the sum of one thousand dollars (\$1,000) which amount so raised shall be placed in and constitute the contingent fund.
 Also the sum of fifteen hundred dollars (\$1,500), which amount so raised shall be placed in and constitute the general street fund.
 Also the sum of five hundred dollars (\$500), which amount so raised shall be placed in and constitute the interest and sinking fund.

Sec. II.—The foregoing appropriations and provisions are made and required to defray the expenditures and liabilities of the corporation of the city of Tawas City, Mich., for the ensuing fiscal year, payable from the several general funds heretofore mentioned and set forth, and it is hereby determined that the above amounts are necessary to be raised by levy and to be assessed upon the tax rolls of the said city for the year 1914, and to be paid into the several general funds, the object and purpose of which is heretofore specified and set forth, together with amounts appropriated for the object or purpose of each of the general funds.
 This ordinance is made in conformity with Chapter 3, Act No. 215 of the laws of 1895, as amended by the laws of 1897, 1898 and 1899.
 Sec. III.—This ordinance is enacted and ordered to take immediate effect.

STEPHEN FERGUSON, Mayor.
 JOHN B. KING, City Clerk.
 Moved by Groff, supported by VanHorn that ordinance No. 60 be passed to the second reading.
 Motion carried. Yeas, VanHorn, Lorenz, Marzinski, Groff, Hosbach. Nays, none.
 Ordinance No. 60 was then read by title, and, on motion, passed to its third reading.
 Ordinance No. 60 was then read by sections.
 Moved by VanHorn, supported by Groff, that ordinance No. 60, known as "The Annual Appropriation Bill," be passed.
 Motion carried. Yeas, Ald. VanHorn, Lorenz, Marzinski, Groff and Hosbach. Nays, none.
 On motion council then adjourned.
 STEPHEN FERGUSON, Mayor.
 JOHN B. KING, City Clerk.

Election Notice.

MICHIGAN, DEPARTMENT OF STATE, Lansing.
 To the Sheriff of Iosco County:
 You are hereby notified that at the general election to be held in this state on Tuesday, the third day of November, 1914, the following officers are to be voted for in your county:
 Governor, Lieutenant-Governor, Secretary of State, State Treasurer, Auditor-General and Attorney-General—Representative in Congress for the North Congressional District comprising the counties of Alcona, Arenac, Bay, Clare, Crawford, Gladwin, Iosco, Isabella, Mecosta, Midland, Ogemaw, Oseola, Oshtemo, Oscoda and Roscommon—Senator for the Twenty-eighth Senatorial District, comprising the counties of Alcona, Arenac, Bay, Clare, Crawford, Gladwin, Iosco, Isabella, Mecosta, Midland, Ogemaw, Oseola, Oshtemo, Oscoda and Roscommon—Representative in the State Legislature for the Iosco Representative District, comprising the counties of Alcona, Arenac, Iosco and Ogemaw.
 IN WITNESS WHEREOF, I have heretofore affixed my signature and the Great Seal of the State, at Lansing, this 2nd day of September, in the year nineteen hundred and fourteen.
 FREDERICK C. MARTINDALE,
 Secretary of State.

STATE OF MICHIGAN, SHERIFF'S OFFICE, Iosco County.

To the Electors of Iosco County:
 In accordance with the above you are hereby notified that at the general election to be held in this state on Tuesday, the third day of November, 1914, the following officers are to be voted for in your county:
 Governor, Lieutenant-Governor, Secretary of State, State Treasurer, Auditor-General and Attorney-General—Representative in Congress for the Tenth Congressional District, comprising the counties of Alcona, Arenac, Bay, Clare, Crawford, Gladwin, Iosco, Isabella, Mecosta, Midland, Ogemaw, Oseola, Oshtemo, Oscoda and Roscommon—Senator for the Twenty-eighth Senatorial District, comprising the counties of Alcona, Arenac, Bay, Clare, Crawford, Gladwin, Iosco, Ogemaw, Oseola and Roscommon—Representative in the State Legislature for the Iosco Representative District, comprising the counties of Alcona, Arenac, Iosco and Ogemaw.
 IN WITNESS WHEREOF, I have heretofore affixed my signature and the Great Seal of the State, at Lansing, this 28th day of September, in the year nineteen hundred and fourteen.
 COLLIE JOHNSON,
 Sheriff.

MICHIGAN, DEPARTMENT OF STATE, Lansing.

To the Sheriff of Iosco County:
 You are hereby notified that an amendment to Section 10 of Article X of the Constitution of this state, relative to the issue of bonds for the construction and permanent improvement of the public wagon roads—an amendment to Article VIII of the Constitution of this state, to amend as Section 15, relative to the issue of bonds for the construction of drains and the development and improvement of agricultural lands within the county—an amendment to Section 1 of Article III of the Constitution of this state, relative to the right of students while in attendance at any institution of learning, membership of the legislature, or commercial traveler, to vote; also, an amendment to Article XII of the Constitution of this state, to be known as Section 10, relative to the incorporation, regulation and supervision of fraternal beneficiary societies, with the power to issue death benefit certificates, shall be issued to the qualified electors of your county on Tuesday, November third, nineteen hundred and fourteen.
 IN WITNESS WHEREOF, I have heretofore affixed my signature and the Great Seal of the State, at Lansing, this 28th day of September, in the year nineteen hundred and fourteen.
 FREDERICK C. MARTINDALE,
 Secretary of State.
 By D. H. Mills, Deputy Secretary of State.

STATE OF MICHIGAN, SHERIFF'S OFFICE, Iosco County.

To the Electors of Iosco County:
 In accordance with the above notification you are hereby notified that at the General Election to be held in this state, November 3rd next, the amendments mentioned above will be voted on in this county.
 IN WITNESS WHEREOF, I have heretofore affixed my signature at Tawas City, Michigan, this 1st day of October, in the year nineteen hundred and fourteen.
 COLLIE JOHNSON,
 Sheriff.

Buy It by the Barrel!

The Reason Is Obvious—
Stott's Diamond Flour
 Best For Bread, Biscuits and Rolls

Diamond Flour is a staple food. And it pays to buy it by the barrel. There is no other food that will yield as much nourishment per pound at so little cost as flour. You can put in your Winter stock and know that you are supplied with wholesome food in which there is no waste from shrinkage or spoiling—in fact, flour improves with age.

Perhaps it has never occurred to you to buy flour by the barrel, but you put in your Winter supply of coal—why not do the same with Diamond Flour?

It is not simply a matter of price, but the fact that you are buying the very best food possible to fortify the health and strength of your family against the cold of winter.

Flour is all food. There is no special preparation needed to store it for the Winter. It keeps as well in a barrel in your home as it does in the mill. And the last pound in the barrel is as good as the first.

If you feel that the steady advance in other food stuffs causes you to buy less or coarser food in order that you may keep within the limit of your appropriation, you'll find that a barrel of Diamond Flour will enable you to live just as well as you are accustomed to and still not increase your expenditure. Use more Flour and less meats, etc.

Grant Gleanings.

Don't forget the auction sale at Scarlett's tomorrow, Oct. 10. See adv. in another column.

The next meeting of the Greenwood Ladies' Aid will be held at the home of Mrs. Robert Watts Tuesday afternoon, Oct. 13. A cordial invitation to all.

Roy Smith and Misses Floy Currey Stella McCardle and Jennie Smith attended the Sunday school convention held at Tawas City the past week. The three first named were delegates from Grant Sunday school.

On Saturday evening a farewell party was given at the Grant town hall for Mr. and Mrs. Clifford Hayes, of the state of Washington, who have been visiting here for some time. About 100 friends, young and old, were present and a very pleasant evening was spent socially. Speeches were called from both the lady and the gentleman, who each responded with a good talk about their two homes, Michigan and Washington. Mrs. H. also read a letter just received from one of her neighbors telling what was going on in their home Grange. Tables were set and supper served, after which came games and music, and then good-byes were said. Mr. and Mrs. Hayes left Sunday for other points where they will visit during the month, expecting to arrive at their home in Everett, Wash. about the 31st inst.

GRANGE REPORT.

We are pleased to report a fine day, a fine gathering and a fine dinner at the county Grange convention held at the Vine Grange hall Oct. 6. The business of the day was the election of delegates to the state Grange to be held at Battle Creek in the month of December. The result of the election was the choosing of Jos. Self and wife of Hale Grange and J. E. Anderson and wife of Alabaster Grange as regular delegates; C. A. Currey and wife of Greenwood Grange and E. V. Esmond of Hale Grange as alternates. The place of meeting of the convention for next year will be announced later.

Mrs. C. A. Currey, Sec.

Sherman Shots.

Don't forget the auction sale at Scarlett's tomorrow, Oct. 10. See adv. in another column.

The presiding elder of the Free Methodist church will hold revival meetings in Taft school the latter part of the week.

Rev. W. R. Blachford of East Tawas conducted Episcopal services at the Taft school house on Tuesday evening of this week.

Messrs. Westervelt of Reno and Searls of Wilber, autoed to different parts of the county, Monday, investigating the stone roads.

Rev. J. L. Mudge and family have moved into the house on the Otis farm near the railroad. This was formerly the John Syze place.

Messrs. Curtis and Freeman of Jonesville, purchased four carloads of lambs from Mr. Welch, Tuesday, returning with them Wednesday.

The joy riders enjoyed a very pleasant day sight seeing at Alabaster Sunday, and added to their number was Miss Bertha Pringle of Detroit.

It was with a feeling of great sadness that your correspondent received the news of the death of Mrs. Seth Horton, who died at her home in Whittemore, Saturday, Oct. 3. Mr. and Mrs. Horton lived in Reno a good many years, being one of the first settlers. Mrs. Horton was respected by all who knew her, and will be greatly missed by her many friends and acquaintances. She was a long and patient sufferer from asthma, and while we mourn we can but say that our loss is her gain. We extend to the bereaved family our sincere sympathy.

Ellake Echoes.

Wm. Thayer moved his family to Ohio last Friday.

Lewis LaBerge and family drove to Hale Tuesday.

Mrs. John Brant called on Mrs. Bradford Monday afternoon.

Mr. Peel is entertaining his brother-in-law from Indiana this week.

Miss Lena Bowers visited her parents at Pinconning last Saturday.

Auction Advertising.

The season for auction sales is again at hand. If you are planning on sale and want the best results for your money, get some of those neat-color auction posters at the Herald office, and also have the sale advertised in the paper. We have different designs in the posters and are sure we can please you.

Forest Notes.

Six thousand bushels of lodge pole pine seed are being collected this fall on the Arapaho national forest, Colorado, for use in reforestation work next spring.

The Philippine bureau of forestry has recently invited bids for the cutting of nearly 300,000 acres of choice timber land on the public forests on the island of Luzon.

Officers of the Okanogan national forest in the state of Washington are installing powerful signal lanterns for night use in reporting forest fires from lookout peaks.

It is said that the first sawmill in the United States was at Jamestown, from which sawed boards were exported in June, 1607. A water-power saw mill was in use in 1625 near the present site of Richmond.

California yew which grows on the national forests of that state is finding some use in present-day archery practice. Its qualities closely resemble those of the old-world yew which made the English long-bow famous in mediaeval times.

The Supreme court of Pennsylvania has decided that the amount of damage collectable on growing timber set on fire through negligence is not only the value of the wood destroyed, but also the injury to the property as a whole through the destruction of the young growth.

It's the man who really counts in farming. Fertile land is necessary, but a master mind must solve the problem of production and marketing.

Old papers for sale at this office, 5c a bundle.

TO ALL ENGAGED IN DAIRY BUSINESS

Making butter on the farm is rapidly becoming a thing of the past. Any housewife knows what it means of drudgery to make good butter, and what difficulties she encounters in her attempt to find a satisfactory market for her product. Her outlet is limited. The creamery has every large city on the continent within its reach. The creamery is plugging every day for the interests of the dairy farmer as well as for its own.

We are now in the midst of our third season and business is humming. Prices are good and the outlook fine. We are making nearly four times as much butter as we did in 1912. That also means that we are able to handle your cream to the very best advantage for you. Come and see us or ship us a can. We know we can please you.

We are selling the "Diabolo," a separator of the Highest Merit, at prices that you would pay for mail-order and other inferior machines.

The Iosco Creamery Company
 Whittemore, Mich.
