Mary Blust has returned to the ninth grade after an absence of two weeks.

On Monday afternoon there was a smell of smoke in some of the schoolrooms, and later quite a stir of excitement was occasioned when the bell broke the stllness with a oud cang, and the smoke was seen to be coming from the high school hall. All the pupils on the second floor marched down the eighth grade stairs in fine order, many carrying a book or a coat with them. Excitement fell, however, as each, upon reaching the turn in the stairs, saw Jim's smlng face and a fine pal of "smudge." Frank Nelem deserved special credit for guiding the sixth grade down the stairs, and preventing what might have been a serious panic.

Normal Notes. Genevieve Gardner was absent Monday on account of illness.

The normal students enjoyed a three days vacation last week while the teachers attended the association at Saginaw. Elena Groff also attended the association.

Ten of last year's normal class were at Saginaw last week. These students with Miss Bard and Miss Young held a reunion at dinner and supper Friday at the Y. W. C. A. Olives are still a favorte article of diet.
