Last Sunday the relatives and friends of Mr. and Mrs. Brown came

100,000

the state

from the Hemlock. All went out to VanEtten lake where a picnic dinner was set for thirty. In the afternoon all went out to the buffalo farm, and spent the afternoon looking over the place. All returned home in the evening.

OH, SO SAD! One-third of the earth's surface is covered with water and three-fourths of the other two-thirds by mortgages.

ANOTHER SAD ONE. Some men are always looking for trouble. Other remain single and are sued for breach of promise.
