SECOND LIBERTY LOAN A SUCCESS
 Accurate reports regarding subscriptions to the Second Liberty Loan are not as yet available, but it is indicated that the loan has been heavily oversubscribed and that the maximum of \$5,000,000,000 has been reached and passed.
 While Iosco county did not reach the maximum amount apportioned to her, she subscribed considerably more than the minimum and the county committee may feel very well satisfied with the result of their labors.
 The following are the amounts of the subscriptions to the Second Liberty Loan in Iosco county as reported from the banks and other sources:
 Ealy, McKay & Co., Tawas
 City and East Tawas... \$28,850.00
 Geo. D. McNichol & Co.,
 Oscoda 22,000.00
 Iosco Co. Bank, Whittemore 3,300.00

 Len J. Patterson,
 Chairman Iosco Liberty Loan Com.
 Tawas City, Michigan.
 The Liberty Loan campaign just closed will stand alone as the most convincing demonstration of patriotism in the history of the nation. We take this occasion to extend to you, and through you to your co-workers, our sincere appreciation for the part you have taken in this grand work.
 Federal Reserve Bank, fiscal agent for U. S. Government.
 J. B. McDougal, Governor.

CARD OF THANKS

We wish to express our sincere and heartfelt thanks to the kind neighbors and friends who so kindly helped us in our hours of sorrow and for their sympathy and the beautiful flowers.
 August Blust and Children.

WAR TAXES TAKE EFFECT

Beginning Nov. 1, the effects of war began to be felt by the whole people of the United States in a more direct manner than they have heretofore done. On this date the new war taxes took effect and from now on until the close of the war, we will pay a share of the expense in many ways, in our every day business and private life.
 A tax of eight per cent on all railroad fares over 35 cents is one of the ways in which we will pay our tax. There is also a ten per cent tax on parlor car and sleeping car berths, a tax on freight and express shipments, and in fact on every transaction connected with transportation.
 Then the new postage rates which take effect Nov. 2, will bring to everyone the burden of war taxation. It now costs 3 cents to send a letter which cost 2 cents before. Drop letters and postal cards cost 2 cents instead of the former penny. Other increases in postal rates are scheduled for a later date.
 Telephone and telegraph messages will also pay their share of the tax. Only long distance telephone messages costing 15c or more are subject to the tax.
 Then there is the new schedule of income taxes which compels payment of a tax by every unmarried person whose income is \$1,000 or more per year, and by every married person whose income is \$2,000 or more. These taxes increase in ratio to the size of the income, beginning at 2 per cent on the smaller incomes and increasing to as high as 40 per cent on large incomes.
 While these taxes may be deemed onerous by some people, together with the increased cost of living, we should all remember that the proceeds of the taxes are applied to a noble cause, that of making the world free from autocracy, and we should all contribute our share without a murmur, and with a cheerfulness which shows our readiness to "do our bit." Please God, when this war is over it will be the end of all war and the people of this nation and of every other nation may go about their peaceful affairs without the fear of war and its terrible requirements and consequences forever in their minds.

SEND CHRISTMAS MAIL EARLY.

With something over a million men under arms in Europe and training in the various camps and cantonments in the United States, the postoffice department faces one of the greatest tasks in its history in placing in each soldier's hands the letters or packages sent him from the home folks, besides the usual heavy increase in the regular mails at this time of year.
 It may seem early to think of sending Christmas mail, but the department urges that every letter or package intended for soldiers in France be mailed not later than Nov. 15, and earlier if possible. Also that all mail for delivery in the United States be mailed a week or ten days earlier than usual in order that the mail may be handled most expeditiously and reach those for whom it is intended without undue delay.
 Packages to be sent abroad must not weigh more than seven pounds. In the United States the regular parcel post weights will apply.
 So if you wish that boy who is wearing his country's uniform to get his Christmas cheer on time, don't delay but mail it to him early, the earlier the better. Packages may be marked, "Do not open until Christmas," without subjecting them to extra postage, but any writing inside the package makes it subject to first class rates.

TEACHERS' INSTITUTE.

By John A. Campbell.
 Were you there? If not you missed a real educational treat. Inspiration, progression, and good fellowship permeated the atmosphere.
 The above is a brief summary of the many good things said about Iosco County Trachers' Institute by those present. Who were present? All but three of Iosco's corps of teachers. Two were prevented because of illness, one so remote that it was hard for her to be present.
 Dr. Henderson, the brilliant U. of M. professor, made an ideal conductor. His bright, whole hearted discussions made a vivid and lasting impression on all. He was requested to come again next year.
 Every parent should have listened to Dr. Henderson's address, "The Boy In and Out of School." It abounded in wit, pathos, and good, sound, every day logic.
 Dr. Corson, ex-superintendent of public instruction of the state of Ohio, has long been known as one of our country's greatest institute workers. His addresses on co-operation were pithy, bright, and full of pedagogical wisdom. The Dr. wastes no time in idle talk. Every sentence gives you something to think about. Iosco county will always welcome Dr. Corson.
 Miss Ella Smith, supervisor of county normals needed no introduction. Her work among the young people of our county normals and the excellent addresses she gave two years ago at our institute presaged something good and we were not disappointed. Her discussion of the Battle of Bunker Hill caused us to sing patriotic songs with more zeal than ever before.
 Iosco teachers sang their country's songs in a fervent, uplifting manner.
 Just a word in closing regarding our teachers. No county in Michigan has more loyal superintendents, teachers than Iosco. Your commissioner has always found them ready to do their best to place our county in the front rank educationally.
 The county normal class, seventeen strong, and high school pupils attended the different sessions and seemed much interested.

DEATH OF MRS. AUGUST BLUST

Mrs. August Blust, a resident of Tawas township for the past 33 years, passed to the Great Beyond at her home on the Meadow road on Friday, Oct. 19, after an illness of about 18 months.
 The funeral services were held at the St. Joseph's Catholic church, East Tawas, on Wednesday, Oct. 24, Rev. T. W. Albany officiating, and the remains were laid to rest in the East Tawas Catholic cemetery.
 Florence Youngs was born in Lapeer in 1870. In 1882 she moved with her parents to Tawas township and in 1890 was united in marriage to August Blust. She was the mother of nine children, one of whom, a little girl, died in infancy.
 Besides the bereaved husband she leaves to mourn her loss seven sons, Charles, Fred, Clarence, Edward, George, Harry and Albert, and one daughter, Matilda. There are also three sisters, two brothers and a host of friends.
 Deceased was a good Christian, a faithful wife a devoted mother and kind and loving sister and friend and will be sorely missed by those with whom she was so closely associated.
 The sympathy of the entire community goes out to the bereaved family.

TAWAS CITY HIGH SCHOOL

The primary room and the ward school enjoyed a Hallowe'en party together Wednesday afternoon.
 The following were perfect in spelling last week in the fifth grade: Earl Goupil, Alice Galbraith, Margaret Stiekney, Floyd Irish, Ethel Scott, Helen Brown, Lila Sharp, Walter Scott, Charles Rouillier, George Berry.
 Miss Birney's room joined Miss Murphy's in a Hallowe'en party Wednesday afternoon.
 Howard Curtis of Hale has enrolled in the junior class.
 The high school has taken up the work on distributing the Food Conservation pledges.
 The high school room has joined the Red Cross as a junior chapter.
 The students of the American Literature class enjoyed some original ballads Wednesday afternoon.
 Miss Wood is attending the Teachers' Institute at Grand Rapids.
 The advanced History class have been studying Jay's treaty with England. The subject is interesting and the students enjoy it very much.

EAST TAWAS DEPARTMENT

Devoted to the General and Personal News of the Week From Our Neighboring City on the East

The Swedish Lutheran Ladies' aid meets at the home of Mrs. John Anderson, this Friday, afternoon.
 Mr. and Mrs. J. J. Montgomery are expecting to leave next week for Florida, where they will join other relatives and spend the winter.
 Mrs. Clarence Grant is at Mercy hospital, Bay City, this week. She was operated upon last Tuesday but is improving rapidly at this writing.
 Mrs. Charlotte Power left last Wednesday morning for London, Ontario, Can., after having visited for four months with her sister, Mrs. Catherine Ash.
 A masquerade hard time party was held at the opera house, last Wednesday evening in celebration of Hallowe'en. A fine time was reported by all who attended.
 The forty hour's devotion was celebrated at St. Joseph's Catholic church the forpart of this week beginning last Sunday morning and ending Tuesday evening.
 Miss Carrie Parker, who has been visiting with her sister, Mrs. August Scherer, at Detroit and with her brother, Leland, at Flint for the past two weeks, came home last Monday.
 Hallowe'en was celebrated in the good old fashioned way last Wednesday evening. By what was seen on Thursday morning, early, elves, brownies, and witches must have been pretty busy during the night.
 Rev. William Roberts left last Monday evening for Ithaca to take charge of the Presbyterian church in that city. On Sunday evening Rev. Roberts gave a farewell sermon in the Presbyterian church and formally declared the pulpit vacant.
 Prayer meetings are being held this week in homes all over the city at 9:30 each morning. Women are asked to leave their work for a half hour and attend the meeting held in their districts. Let us do our part to make these revival meetings successful. "East Tawas for Christ," is the slogan just now.
 M. E. church services on Sunday: Morning service, 10:00; Sunday school 11:30. Meeting for men only at 3:00 p. m. No boy under 12 admitted.
 Rev. Zoller will have charge of this meeting. Epworth League, 6:00 p. m.; evening service, 7:00. Evangelistic meeting held every evening with the exception of Saturday evening.
 Mrs. Eugene Hanson returned home from Goderich, Ontario, Can., last Tuesday midnight. She had been visiting at her old home, also with friends and relatives at St. Thomas, Chicago and other points, for the past three weeks. Mrs. Hanson also attended the Grand Assembly of the Rebekah order, I. O. O. F. held at St. Joseph.
 Mr. and Mrs. Alex Ross left for Bay City last Monday night, called there on account of the death of their granddaughter, Dorothy Harris, who was operated upon for appendicitis last week and did not rally from the operation. Death took place last Monday at Mercy hospital and burial was made in Bay City. Dorothy was the eleven year old daughter of Mr. and Mrs. Frank Harris of West Branch. She spent last summer in East Tawas visiting with Mr. and Mrs. Ross.
 At 7:00 o'clock last Wednesday evening all the Protestant churches in this city, Methodist Episcopal, Presbyterian and Lutheran, celebrated the 400th anniversary of the Protestant Reformation by the peal of bells. At the time set all the church bells rang for a period of five minutes. The same thing occurred about midnight, but whether in celebration of the anniversary of the reformation or in celebration of Hallowe'en we cannot say. It was appropriate to the two occasions however.
 Presbyterian services next Sunday: Sunday school, 11:30. International "Everybody Go to Sunday School Day." Both old and young are urged to attend. Christian Endeavor, 6:00 p. m., topic—"Perseverance." Consolation meeting. All members present with a Bible verse. A collection will be taken for C. E. work. At 3 o'clock Sunday afternoon a meeting will be held in this church for women and children, no boys twelve years of age or over will be admitted. Mr. Sutherland, soloist of the Zoller Evangelistic party will have charge of this service. Women and children of all denominations are invited to attend.

FORESTRY ITEMS

(From the U. S. Dept. of Agriculture, Forest Supervisor's Office, East Tawas).
 The following men were in East Tawas on Oct. 29 and took the Forest Ranger examination which was given under the direction of the Forest Supervisor: Max M. Somers and John Bissonette, jr. of Detroit, Cedric F. Morey, Lansing, Delbert M. Scott, Sterling, Jesse R. Odell, Akron, John H. Speck, Fairview, Geo. A. Lake, East Tawas and Kenneth L. Sherman, Wilber.
 Five logging, milling and lumber men have been recruited by the Forest Supervisor, and after reporting to the nearest recruiting officer have joined the 20th Engineers (Forest) regiment, now training at American University, Washington, D. C. Two battalions have now been recruited to full strength by the addition of a number of specially fitted men who have been taken from the selected men at various cantonments. Recruiting for the organization of additional battalions is however being continued.
 The Forest Service has completed the planting of 20,000 Norway pine transplants in cooperation with the Bureau of lighthouses on the Tawas Point reservation.
THE CUSTER Y. M. C. A.—A GREAT PUBLIC UTILITY
 The Camp Custer Y. M. C. A. is a great business organization, a public utility, serving the 18,000 to 30,000 Michigan and Wisconsin soldiers. "Is this the Y. M. C. A.?" a young civilian asked when he came to the first of the E-type buildings at the east end of camp with its two great spacious assembly halls and its secretaries' offices and dormitories adjoining. It was a Y. M. C. A. but not "the Y. M. C. A." It is only one of six such buildings in use and crowded with soldiers evening and day. Another is yet to be opened. Besides these the great auditorium seating three thousand and the headquarters office building, housing the general staff, are a part of the Y. M. C. A. group. Fifty secretaries are on the pay roll.
IOSCO COUNTY EXTENSION CLASS.
 The Iosco county extension class organized Friday, Oct. 26, with Albert Nunn as president; Miss Bessey Kay, vice-president and John Johnson, secretary, for the ensuing year.
 Mr. John Campbell, Commissioner of Schools is to act as conductor with Prof. Larzelere as director. Subjects are English History and Modern European History.
 All persons may join us who have a life certificate, or its equivalent, county normal, or doing county normal work if they secure a permit from the county normal director. Graduates from high school, or those doing 12th year work, if by these credits they may apply them and graduate by permission of superintendent of school, or any teacher holding a third grade certificate or any county certificate.
 These credits may be applied at any of the state normal schools, M. A. C., and may in certain cases be applied at the U. of M.
 The work entitles you to 2 credits or an equivalent of a summer school.
 All teachers welcome Saturday, Nov. 3, 1917, at the court house at 9:30 p. m.
BE KIND TO YOUR HORSE AND ALL DUMB CREATURES. IT SHOWS THE GENTLEMAN. adv

SENDING SICK CHILDREN TO SCHOOL.

A day spent in school by a half-sick child may result in a week of serious illness. If, as so often happens, the slight indisposition proves to be the beginning of some communicable disease, the other children in the school are exposed and those who are susceptible follow in turn. School authorities are naturally anxious to secure regularity of attendance on the part of the scholars and many parents feel that they are simply doing their duty in forcing children who complain of not feeling well to go to school. It is much better for a child to lose an occasional day's schooling than to risk bringing on an illness and exposing others. The work which children lose in the schools from sickness can be made up far more readily than that lost by health. Satisfactory mental progress cannot be made unless health is first considered. The state board of health will send you free literature on the care and prevention of communicable diseases.

SAGINAW SETS PACE IN GARDENING WORK.

East Lansing, Mich., Nov. 1.—The department of boys and girls club work of the Michigan Agricultural college has been advised that \$1,000 has been appropriated by the board of supervisors in Saginaw county for the continuation of garden enterprises in 1918. By this action Saginaw county is credited with having taken the lead in Michigan in the work of making ready for gardening next spring, for thus far this is the first and largest appropriation for 1918 that has been reported to M. A. C. The board's substantial endorsement of the gardening project was a result of its finding that through an investment of \$700 last summer, boys and girls in the county were encouraged to produce garden crops valued at more than \$7,000.

THE ANNUAL REPORT OF THE MOODY BIBLE INSTITUTE.

The thirty-first annual meeting of the Moody Bible Institute was held October 19, at which Mr. Henry P. Crowell, President of the Quaker Oats company, was re-elected president; Mr. E. K. Warren, president of the Warren Featherbone company, vice-president; and Dr. James M. Gray, secretary. The reports showed a year of increased prosperity. In the educational department there was an enrollment of 1683 students, of whom the larger number were men; the correspondence department reported 4831 students under its care—a total of 6,514, the largest increase being in the correspondence department, which showed a growth of 21 per cent. More than twenty foreign nations were represented in the roster. New impetus has been given to the missionary course in the Institute by the addition to the faculty of the Rev. Edmund F. Cook, D. D., who for many years occupied the position of secretary of foreign missions in the Methodist Church South, and the Rev. E. J. Pace of the Church of the United Brethren in Christ, who has had a successful career as a missionary in the Philippines.

The Institute has done a large work for the churches of Chicago through its evening classes during the past year, in which almost all the denominations have been represented. The students of both the day and evening classes have done a large amount of teaching, preaching, visiting and social service work in the city during the year. In open air and neighborhood meetings, missions, factories, prisons and hospitals as well as in the churches and Sunday schools more than 10,000 persons have professed conversion to Jesus Christ as the result of their labors.

The extension department of the Institute has also done a large work in the sending out of men and women all over this country and Canada for the conduct of community Bible classes, Bible conferences and evangelistic meetings. It has also carried on a Christian Workers Bureau without cost to the worker, through which nearly 300 men and women were located in permanent or temporary positions as evangelists, pastors, pastors' assistants, mission workers, religious secretaries, etc.

The reports of the financial and accounting departments showed the present worth of the Institute to be \$1,389,320.49. The net cost of operating the work for the year being \$186,813.97, the books closing with a balance on the operating account of \$2,005.

The clerk read the minutes of yesterday's proceedings and they were approved as read.
The clerk read the report of the county road commissioners.
Tawas City, Mich., Oct. 6, 1917
To the Hon. Board of Supervisors: Gentlemen—The board of county

road commissioners of Isoco county submit the following as their annual report:
On Saturday, May 12, the board met and adopted the following resolution:
Resolved, that in accordance with the provisions of act of the public acts of 1917, the county through its board of county road commissioners hereby assent to the provisions of the act aforesaid, and pledges the good faith of the county, under the provisions of the aforesaid acts and do hereby agree to make available and deposit from time to time with the treasurer of the state of Michigan sufficient funds to pay the county's portion of the cost of constructing and maintaining a certain proposed federal aided road, hereinafter described and that application is hereby made for state and federal aid thereon, under the provisions of the above named acts and in further accordance with the provisions of the act of Congress approved July 11, 1916, (39 statute, laws 355) an act to provide that the United States shall aid the state in the construction of rural post roads and other purposes. The road here applied for is described as follows:
Commencing at the village limits of AuSable, running thence westerly on the section lines between sections 3-10, 4-7 and 6-7, of AuSable township, running thence southwesterly across section 12 to the section corner common to sections 11, 12, 13, 14, Wilber township; running thence west on the section line between sections 11-14, 10-15, 16 to the angling road running southerly and westerly in sections 16-17 to the south line of section 17, Wilber township.
We hereby certify that this county has available Fourteen Thousand Five Hundred Dollars (\$14,500.00) with which to build its portion of the above described road which will be deposited with the state treasurer upon the demand of the state highway commissioner.
Dated May 12, 1917, at Tawas City, Mich., postoffice address of clerk.
C. W. LUCE, Chairman.
ROBT. J. SMITH,
WM. J. GRANT,
Commissioners.
Attest, FRANK E. DEASE, Clerk.
Moved by Smith, supported by Grant, the resolution be adopted.
Carried. Yeas—Grant and Smith.
Moved by Smith, supported by Grant, that we employ an engineer to make a survey of the following roads: From the west ½ line between 19-30, Tawas township to Tawas river bridge, city of East Tawas, and east and west ½ post, between sections 25-30 to section corner, 19-24, 25-30, Tawas township and what is known as Minor's corner to Tawas river bridge, city of East Tawas.
Motion prevailed.
Yeas—Smith and Grant.
At a meeting of the board on June 8, a communication from state

highway commissioner, that the state will pay an annual repair reward of four per cent of total state reward instead of two per cent.
The legislature has provided it shall be the duty of road officials of every county good road districts and townships to organize an efficient system of maintenance, which system must be approved by the state highway commissioner. This law takes immediate effect. This county organized this system in three districts: Whittemore district under the supervision of Commissioner Smith; Burleigh, Hemlock, Grant, Sherman and Esmond roads, Tawas district, under supervision of Commissioner Luce; Indian lake, Wilber, Alabaster roads, Oscoda districts, under supervision of Commissioner Grant.
Van Etten lake road meeting held on Saturday, July 4, 1917.
Clerk instructed to advertise for bids for building one mile gravel road one mile south from northeast corner of section 13, T 23 N, R 7 E, in Isoco county. Said road to be 24 feet wide and gravel to set 10 inches deep, backed 8 in deep. Grade on traveled road, 12 feet.
Board met August 25, 1917. As there was only one bid received, moved by Smith, supported by Grant, that we accept the bid of Birt Fowler for the sum of Six Thousand, Three Hundred Dollars, to build the above described road and also that he furnish a bond of Two Thousand Dollars to be approved by the county clerk and county treasurer.
Motion prevailed.
The board also accepted the blue prints of the survey of road from

Minor's corner to Tawas river bridge and road from west corner common to sections 19-20, N, R 8 east, to Tawas river bridge, submitted by Jno. W. Applin, county surveyor and that a copy be sent to the state highway commissioner for his approval for class B, 9 foot driveway.

To the Hon. Board of Supervisors of Isoco County:
I submit the following annual report as county drain commissioner of said county of Isoco covering the period from the 1st day of October, 1916:
The following named drains were unfinished at my last report, to-wit: Alabaste, Whitney and Gregory and stone extension, they are still unfinished on account of the extremely wet spring for which reason I have extended the time limit of the Alabaster-Whitney until the 15th day of December, 1917, and the Gregory and stone extension until the first day of Dec., A. D. 1918.
The following named drains have been begun, constructed and completed by me during the year to-wit: The cleaning of Sims Creek No. 2 drain, (Continued on page five).

If any young man or woman was compelled to stay out of school to work during the first part of the fall term, by coming to Mt. Pleasant and seeing Prof. John Kelley, arrangements will be made to make up the work and finish the subjects at the end of the term. To do this, the student should come to Mount Pleasant not later than Nov. 15th.

By seeing Mr. Kelley, the students will be classified on the regular rural school course.

ROBERT C. ARN,
County Drain Commissioner
of Iosco County.

The report of committee on drains and ditches was read.

Moved by Schroeder, supported by Sullivan, that the report be accepted and spread upon the minutes.

Carried.

Tawas City, Mich., Oct. 8, 1917

To the Hon. Board of Supervisors:

Your committee on drains and ditches respectfully submit the following as their report:

On Sept. 29, we proceeded to view drain known as Gregory drain and Scharrer branch of same drain and also Stone and widened stone extension is under construction. Total length of said drain is 1566 rods of which we found 1206 rods completed, as per specifications, leaving a balance to be completed of 360 rods, which will be completed by Nov. 1. Above mentioned drain is located in Sherman township. We also on the same day proceeded to view work done on Sims Creek drain No. 2, located in Baldwin township and Alabaster-Whitney drain, located in Alabaster township, Iosco county and Whitney township, Arenac county. We found the Sims Creek drain No. 2, in Baldwin township completed as per specifications, and we have been informed by the drain commissioner since that time that said drain will be extended to Tawas lake, which extension is necessary to give it a sufficient outlet. We also found the Alabaster-Whitney drain completed with the exception of three bridges and the leveling of some dirt along the highway, which work we recommend be done as soon as possible, as later on the fall rains may make it impossible to do it properly.

THE LAMP

One of the things that will give the greatest amount of character to a room is the lamp. Take a room that is otherwise rather uninteresting and put on the writing table a lamp with a shade either harmonizing with the other colors in the room or in deliberate contrast to them and you have "made" that room. There are such beautiful lamps now in the shops that one could be found to go with almost any kind of a room; or lovely ones can be made from large pottery vases to which a metal top is fitted to hold the electric bulb or gas fixture, and a hole drilled near the bottom for the hose or wire to be attached. The silk shades are not hard to make at home and give one a chance to carefully select a color that will exactly harmonize with the other furnishings of the room.

A HERO

A place in glory,
He never tells
An ancient story.

WHEN ROBERT SAID HIS PIECE

Once upon a time there was a boy whose name was Robert Reece, Who every Friday afternoon had to recite a piece;

So many poems thus he learned that soon he had a store
Of choice selections in his head, and still kept learning more.

And this is just what happened, when called upon one week,
He totally forgot the piece he was supposed to speak.

His brain he cudgeled; not a word remained within his head,
And so he fired at random, and this is what he said:

"My beautiful, my beautiful," "Who standest proudly by."
"It was the schooner Hesperus," "The breaking waves dashed high."

"Why is the Forum crowded?" "What makes this stir in Rome?"
"Under a spreading chestnut tree," "There is no place like home."

"When Freedom from her mountain height," cries "Twinkle little star!"
"Shoot, if you must, this old gray head," "King Henry of Navarre!"

"Roll on, thou deep and dark blue" "castled crag of Drachenfels,"
"My name in Norval on the Grampian Hills," "Ring out, wild bells."

"If you're waking, call me early," "To be or not to be."

ANOTHER MISSING

The Minneapolis "Tribune" wants to know what has become of the little boy whose reward for being good all last week was to get to go out and visit grandpa's grave on Sunday.

NOT SO WONDERFUL

A recent book review states that the author began life as a bare footed boy. What of it? So did we.

HATS OFF TO HIM.

The fellow who is continually trying to learn to do what he can't do is more apt to be successful than the one who is satisfied to continue doing what he has always done.

Catarrh Cannot Be Cured

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarrh Medicine is taken internally and acts thru the blood on the mucous surfaces of the system. Hall's Catarrh Medicine was prescribed by one of the best physicians in this country for years. It is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Catarrh Medicine is what produces such wonderful results in catarrhal conditions. Send for testimonials, free.

MAXWELL

Most Miles per Gallon
Most Miles on Tires

\$745
F. O. B. DETROIT

There are visions—now and then—in business and industry.

The Maxwell motor car is a wonderful vision that has been made real.

The fixed purpose of the Maxwell builders was in the beginning, and is now, to produce a car which would be, in the highest sense, efficient, durable, economical, comfortable and standard in equipment.

Many years experience in production on a vast scale has taught the Maxwell manufacturers two things.

One is that such a car as they have always made their aim—a car in which efficiency, durability, economy, comfort, beauty and standard equipment are all present—cannot be built for less than \$745 with materials at their present prices.

The other lesson is that, for more than \$745, they could not give you anything more than the Maxwell now has—except greater size or luxuries, pure and simple.

In other words they are convinced—and they have convinced us—that they have found the great MIDDLE LINE where you get dollar for dollar in ABSOLUTE VALUE.

ABOUT SILHOUETTES.

Almost every boy and girl some day will look through mother's old album or treasure box. When your turn comes try to find some silhouettes of Aunt Jemima or Uncle Silas. Wouldn't you like to make some of your own immediate family?

Nowadays, when cameras are easy to borrow if you do not own one yourself it is a simple matter to make a silhouette. Select a room in your home that has plenty of sun in the morning. Open one window, pin a sheet over it, then shut out all light which comes from any other source but that window.

Your model must be posed before the sheet draped window so that his profile is shown up clearly. It is a good plan to put some object before him that shows his character. If he has a pet dog let Rover pose with him, if sister is an artist put her easel in position before her, and if grandma loves her flowers place a potted plant on the table which she faces.

In exposing the plate use only a short exposure. The result will be a silhouette, but no details will show. Everything will be solid white or black.

Mount the silhouettes on a long strip of white cardboard, frame the whole in a narrow black frame and be sure the family will treasure their modern silhouettes, from the negative of which, any number of copies can be made.

MARK THIS DOWN.

Big ideas do not always accompany big words. Some of the best and broadest men in this country don't know whether "transcendentalism" is a moving picture or a breakfast food.

WHENEVER WE HEAR A MAN SAY THAT HE IS "SELF MADE," WE DON'T KNOW WHETHER TO THINK HE IS BOASTING OR APOLOGIZING.

THEY DON'T MAKE 'EM

A man of our acquaintance once advertised for an office boy who didn't use slang, swear, or tell lies. He had applications from seven deaf mutes—that was all.

WHY IS IT?

Funny isn't it, how quickly an expert stenographer can change the ribbon on her typewriter and how long it takes her to manicure her finger nails afterward.

IT'S TOO RISKY

Men with money don't dare be too friendly—they'd go broke loaning money to their friends.

THEY DON'T DECLINE 'EM

He may have a signature that looks like the poetry on a Chinese laundry ticket, but if the banker says it's good, his creditors don't turn his check down because of his lack of penmanship.

NO CAUSE FOR ALARM

There are 323,896,432 cubic miles of water in this world and yet some people are predicting a milk shortage.

WE KNOW.

When an electrician makes a mistake he can blame it onto induction—whatever that is—and get away with it. But when an editor makes a mistake—well it's different when an editor makes a mistake.

SATISFIED

A real contented guy is Rand—He's never in distress; For he desires little, and Is satisfied with less.

NOT SO BAD

Although our parrot often swears, We treat it as a joke; We're glad he isn't like some men, Who also drink and smoke.

1917 PROVERBS

Culture is as Culture does. To waste is human, to Hooverize divine. It's a wise egg that knows how long it has been in storage. Every potato raised is a bullet for the enemy. Submarines sneak in where angels fear to tread. The stouter a woman is, the smaller hat she wears.

Adams Won Fame As a Financier

John Adams, second president of the United States, won fame as a financier when he borrowed \$2,000,000 from Holland.

He was a firm believer in banking. Every man who hopes to be a success in life has a bank account. Make up your mind to place a certain amount of your business profits or income in the bank. We invite an inspection of our banking methods.
