It makes everything more cheerful. New stock at Murray's. John Puchholz of Detroit came Saturday night for a visit with his parents. He returned Tuesday morning. Mrs. Albert Timreck returned Monday to her home in Detroit after a week's visit with relatives and friends in the city. Have you seen the new white, green and English gold bracelet watches at W. B. Murray's. Now is the time to make your choice. Wm. Wendt, Jr. returned Wednesday to his home at Midland after a couple of weeks visit at the home of his son, Wm. Wendt, Jr. here. Mrs. M. J. Smith returned Monday to her home at Alma after spending a week with her parents, Mr. and Mrs. Julius Buchholz, in this city. Sixteen births and ten deaths were reported from Iosco County during the month of February. In the state there were 6,184 births and 4,161 deaths. May 1 the new luxury tax went into effect. You'll have to pay extra if you wear high priced hats, shoes, hosiery and a lot of other things. Mr. and Mrs. Henry Novess are packing up their household goods preparatory to moving to Bay City next week. Mr. Novess has secured employment in that city. The trout season opened Thursday, May 1, but the inclement weather spoiled the plans of many sportsmen who had intended to go after the speckled beauties on that day. Charles Beardslee of Whittemore is the new carrier on rural route No. 3, having started work May 1. He has rented the house soon to be vacated by Henry Novess and will move his family here in the near future. Married, at the home of the officiating clergyman, Rev. H. J. Reithmeier, on Monday, April 28, Julius Musolf and Mrs. Amelia Lange, both of this city. Their many friends extend congratulations and best wishes. Chairman Patterson of the Liberty Loan committee reports that up to Tuesday night there had been reported from Iosco county subscriptions amounting to \$83,000. This is a fine record. Let the good work go on. Let's make it \$100,000 at least. John Swartz moved his household goods from Alpena to Tawas City this week and will occupy the house vacated by his son, Fred Swartz, some months ago. John says he likes Tawas City better than Alpena and we are glad to welcome him back. A very successful community meeting was held at the high school building last Monday evening. The community singing was led by C. P. Milham, county agricultural agent. The program included short talks by a couple of local speakers and an address by Miss Hutton, an extension worker from the M. A. C. Miss Hutton presented some very good ideas along the line of community cooperation and her talk was very much appreciated by the large audience present. The board of supervisors met on Monday of this week for the purpose of organizing and transacting necessary business. W. H. Grant was again chosen as chairman and C. A. Pinkerton as president pro tem. Among other business the board authorized the purchase of a steel flag pole for the court house grounds, to be set in cement. The court house has been without a flag since the pole on the court house was blown down last summer. The board adjourned Tuesday until June 23, when they will meet according to statute to equalize the taxes.

McLennan of Bay City was in the city Thursday to attend the funeral of Wm. Kennedy. Miss Freda Buchholz of Bay City spent Sunday with her parents, Mr. and Mrs. Julius Buchholz. Have nothing but toxic lenses fitted to your eyes. They are the best. W. B. Murray, optometrist. adv. Mrs. Geo. A. Prescott, Jr. went to Bay City last Friday to attend the McDowell recital at the federation of musical clubs. Mrs. Vernon Rix of Oscoda and Ira Whittemore of Lansing attended the funeral of Mrs. Abby Whittemore here Monday. About thirty-five friends of Mr. and Mrs. Burley Wilson gathered at their home Wednesday evening and gave them a surprise. Cards and dancing were the amusements of the evening and a pleasant social time was enjoyed by those present.

THWENTIETH CENTURY CLUB
The Twentieth Century Club held a very successful meeting at the home of Mrs. John A. Mark last Saturday, April 26. The program was as follows: Roll Call. Quotations on Health "Sex Hygiene and the War".... Mrs. Dora Mark. Book Review, "Mother to Men"..... Mrs. Nellie Robinson. "Teaching of Sex Hygiene".... Mrs. Minnie Carpenter. After the meeting Mrs. Mark showed her guests a number of unique souvenirs in the form of French fancy work, which had been sent her from France by one of her sons. The next regular meeting of the club will be "Art Day," which will be held at the high school building Saturday, May 10, at 2 o'clock p. m., when each member will have the privilege of taking one guest. The high school building will be open in the evening and Sunday afternoon to give the public the opportunity of viewing the art exhibit. This will be free to all and every person in the community should avail himself of the opportunity. A program will also be given Saturday evening. All are welcome.

DEATH OF WILLIAM H. KENNEDY
William H. Kennedy, one of Tawas City's pioneer residents, died at his home here Tuesday morning, April 29, after an illness which had confined him to his bed for about two months. Mr. Kennedy was born in Montreal, Can., in 1845. He came to Tawas City in 1867 and has made this his home since that time. He was a carpenter by trade and followed the business until age precluded further activities. In 1885 he joined the M. E. church, of which Rev. Balmer was then pastor and has since been a member of that organization. Deceased leaves to mourn his loss the widow and two children, Wm. R. Kennedy of St. Louis, Mo., and Mrs. Sherman L. Smith of Santa Barbara, Cal. The latter was here during the last few days of her father's illness. Funeral services were held at the home Thursday afternoon and the remains were laid to rest in the Tawas City cemetery.

METHODIST CHURCH
Communion services next Sunday evening, 7:30 p. m. 6:45 p. m.—Epworth League 11:15 a. m.—Sunday school. Everybody welcome to all services. E. E. McMICALHAEL, Pastor.

HEMLOCK SLIVERS.
Mr. and Mrs. Dow Watts spent Sunday with relatives in Alabaster. A large number of Hemlockers took in the celebration at Tawas City Monday. Don't forget services at the Baptist church Sunday afternoon. Everybody invited. Regular meeting of Hemlock Hall of Gleaners at Grant town hall Saturday evening, May 6th. William Rapp, who has been in France, arrived home last week, having received his discharge. Miss Mina McCardell came up from Bay City Saturday and visited over Sunday at her home here. Misses Mary and Bernice Smith and brother Roy, spent Saturday evening at the home of Jos. Watts. Dan Lowe accompanied his son, Dave to Detroit last Friday, where he went for medical treatment. A dance will be given in the Sherman hall Wednesday evening, May 7. Good music. Everyone invited. adv. Mr. and Mrs. George Culham and Mr. and Mrs. Frank Dease of Tawas City spent Sunday with Mr. and Mrs. Edw. Graham and family. The Vine, Watts and Greenwood schools were closed Monday that the teachers and pupils might attend the patriotic celebration held in Tawas City Monday in the interest of the Victory Loan.

EDWARD GRAHAM, who has been in poor health the past few weeks, went to Bay City Tuesday morning, where he will receive medical treatment. He was accompanied by his son-in-law, Frank R. Dease.

THE VICTORY LOAN SPECIAL TRAIN

Promptly on time the special Victory train rolled into the Tawas City station Monday afternoon at one o'clock, carrying the Grand Rapids Newsboys Jackie Band, one of the baby battle tanks, and a number of Liberty Loan speakers.

The band, composed of drums and bugles, formed at the depot and marched down Lake street to the Iosco hotel, rendering several patriotic numbers enroute. The tank was unloaded from the car and followed the band down town, forming the platform from which the speakers made their addresses. These were full of "pop" and patriotism and urged the people of Iosco county not to relax their efforts because the county had gone over the top, but to continue to swell the over-subscription until the very last day of the drive.

Following the addresses the moving pictures of army scenes were shown at Tawas City Theatre, and though two shows were run it was impossible to accommodate the immense crowd and many were unable to see the pictures. In order to show something of what the tanks could do the one on exhibition here was run over the bank in front of the Kelly building onto the bay shore, moving down some small trees on the way. The tank was disabled, however, two of its gears being stripped, and when it attempted to ascend the bank and climb over a fair sized tree at the same time it tackled too big a job and became stuck. After several vain attempts Henry Kane was requested to bring one of his Ford tractors and help the tank out of its dilemma, and the battle scarred veteran was again placed in condition to travel.

The demonstration was greeted by a crowd estimated at about two thousand people. Schools and business places were closed for the afternoon and everyone made the most of the holiday. The special train left at four o'clock and went from here to Prescott, making a short stop at Whittemore, and thence ran through to Bay City.

O. E. S. INSTALLS OFFICERS

The annual installation of officers of Tawas City Chapter No. 303, Order of the Eastern Star, was held at the lodge rooms Tuesday evening, April 29, when the following elective and appointive officers were installed: Worthy Matron—Mrs. Ella Hadwin. Worthy Patron—C. H. Downer. Associate Matron—Mrs. Elsie Harting. Treasurer—Miss Ina Bradley. Conductress—Mrs. Jessie Downer. Associate Cond.—Mrs. Ida Patterson. Chaplain—Mrs. Dora Mark. Ada—Mrs. Jessie Taylor. Ruth—Mrs. Dorothy Pierson. Esther—Miss Annie McNair. Martha—Mrs. Isabel Ferguson. Electa—Mrs. Nellie Wilson. Warden—Mrs. Josephine Murchison. Sentinel—John A. Mark. Mrs. Nellie Robinson acted as marshal and Mrs. Dora Mark as installing officer. After the work of the evening was over the members present enjoyed a delicious lunch and some time was pleasantly spent in social intercourse.

CHAUTAUQUA PROGRAM FOR 1919
First Day—The Harry Bennett Scotch Entertainers will present the full program in the afternoon and the prelude at night. Mr. Harry Bennett, known throughout Canada and in the larger cities of the U. S. as "That Man Bennett," is unquestionably the best Scotch entertainer in America. Many have said that he is equal to or better than Harry Lauder. His Scotch songs and readings, in the picturesque Kiltie costume, with duets and trios with his supporting artists, Miss Violet Walsh and Miss Lenore Hurd, make up a clever and interesting program. In the evening "Mother," Leonora M. Lake will open the eyes of her audience to some of the realities of life and will play on its human sympathies with her lecture "The Divine Rights of the Child." Her eloquent pleadings for better mothers, better homes, and better home-life have become Chautauqua Classics. Second Day—The Mozart Orchestral Ladies, a very high grade musical organization, will give the full afternoon and the prelude at night. This company includes four clever and talented artists who offer musical programs of rare quality and merit. Besides playing many of the "Old Masters," they offer a number of special songs with elaborate costuming. Their solo work also is unusually pleasing, and their ensembles have the effect of a ten piece orchestra. We feel particularly fortunate this season in being able to present on this circuit former Governor Frank B. Willis of Ohio, well and favorably known in the central west and throughout the nation, as an advocate of staunch Americanism and an orator of power. In his lecture, "Perils and Problems," on the second night of the Chautauqua, Gov. Willis will discuss national issues of vital importance, which have developed and must be dealt with in the reconstruction period. Third Day—On this day we are privileged to present one of the greatest entertainment features ever offered on our towns: Hettie Jane Dunaway in "Just Plain Judy," an adaptation from "Daddy Long Legs," introducing other stories, spoken songs and cartoons. This will be given with ten changes of costume with musical accompaniment by the Recital Artists. In 1918 Miss Dunaway received, in our reports from committees, the highest rating ever given any entertainers. The capable artists, Miss Rachael Major and Miss Eunice Marguerite Ringold, will prelude the afternoon lecture, "New Fads and Fancies," by Dr. Geo. P. Bible, who for the past five years has been appearing in our circuits. Dr. Bible is a veteran of the Chautauqua platform and is well known throughout the country. He will be welcomed enthusiastically in all the towns on the circuit, but especially so in towns where he may have lectured before. Fourth Day—The full program in the afternoon and the prelude at night will be given by the original Royal Hawaiian Singers and Players, under the direction of Moana Viera. The five members of this organization possess a thorough appreciation of what the Chautauqua demands coupled with the finest musical ability. The sweetness, indescribable charm, lulling harmony, and wistful pathos of their music once heard will remain always a pleasant memory. James S. Knox, head of the Knox School of Salesmanship and one of the most successful community lecturers in the country, will lecture at night. Mr. Knox will make a survey by letter of every town on the Western Circuit before he appears at the Chautauqua so that he will have the first hand information necessary to apply the points in his lecture directly to the community in which he is speaking. Mr. Knox will also hold a thirty minute business men's conference wherever desired. His regular price for lectures before commercial organizations is \$100 and a dollar per minute additional for conferences. Fifth Day—An agreeable surprise will be the program of Umbrian Band offered by Victor's Columbian Band on the fifth day. This organization will present the afternoon program and a Grand Double Concert at night. Their spectacular program costumes, their unusual and novel instruments and the snaz and dash with which they render their selections, offer a pleasing variation from the ordinary band programs. Their instrumentation includes trumpets, cornets, clarinets, many melodius reed instruments, trombones, tuba, saxophones, drums, castanets, tambourines, triangles, caxarinas, etc. While some of the favorite band and orchestra classics will be included, the greater part of the program is made up of popular descriptive, imitative, and singing selections, interspersed with solos and variations. Junior Chautauqua—New plans for the children are being made and this department of the Assembly will be especially interesting. Junior Chautauqua is doing a great service in the development of our future citizenship and this feature will be given special attention.

MOTHER AND SON BURIED TOGETHER
Another old pioneer of Tawas City passed to the Great Beyond last Monday morning, in the person of Mrs. Abby Whittemore, aged 87 years and 23 days. Mrs. Whittemore was confined to her bed only about ten days preceding her death, which resulted from the infirmities of old age. "Aunt Abby" as she was familiarly known to nearly everyone in the city, was the oldest pioneer of Tawas City if not of Iosco county, having come here with her uncle, Sherman Wheeler, who was the lighthouse keeper here about 1850. Abby Wheeler was born at Swanton, Vt. April 5, 1832. She attended a convent school in Canada for some years, afterward teaching school in Vermont and at Saginaw, Mich. She was married at Detroit Nov. 27, 1855, to Charles H. Whittemore, who had come to Tawas City a short time previous, and this city has been her home since that time. Two children were born to this union, Harry and Frederick, the former of whom preceded her in death by but two days, the latter surviving her. There are also a number of relatives and scores of friends who mourn her death. The funeral services were held for both Mrs. Whittemore and her son on Monday afternoon, Rev. McMichael, pastor of the M. E. church officiating, and they were laid to rest side by side in the family lot in the Tawas City cemetery. Harry Rodney Whittemore was born in Tawas City Sept. 15, 1858, and at the time of his death was 60 years, 7 months and 11 days of age. He was married Feb. 23, 1889, at Lexington, Ky. to Lucile B. D. Lindner. One child was born to this union, a daughter, who died in childhood. He is survived by his wife and his brother, Fred of this city. In the early days Mr. Whittemore was a clerk on various steamboats which used to ply their trade along the shores of Lake Huron. More recently he had been engaged in clerical work for industrial concerns, having been employed for some years at a sugar factory in Owosso and at the time of his death in a plant in Detroit. His death, which occurred at the Receiving hospital in Detroit on Saturday, April 26, was the result of a complication of diseases. He had, however, only been seriously ill for about a week previous to his death. The remains were brought to this home here and the funeral services were held in conjunction with those for his mother, who followed him in death on Monday.

RENO DUMBLINGS
Seth Thompson now drives a new Ford car. Mrs. Wolf entertained the Red Cross last Thursday. Mrs. Eva Dunham visited her mother recently. Mrs. Irene Soper went to Bay City for treatment last week. Supervisor Grego was at Tawas Monday on official business. Grandpa Latter was at Hale on business Wednesday of last week. J. F. Sibley loaded out a car load of potatoes the first of the week. Cecil and Evelyn Westervelt enjoyed the week end at the parental home. Will White, who has been ill for some time, is some better at this writing. Mrs. Peter Sawyer, who was seriously ill last week, is reported some better. Mr. and Mrs. Will Glendenin of Hale were the guests of Mr. and Mrs. Westervelt Friday. Before setting out fires, put your jackets and horses in safe quarters. What do you say, Joe? Miss Fanny Southerly of Alpena is visiting her uncle, Chub Southerly at the Cleveland ranch this week. Miss Grace White and Miss Ellen Frockings returned to their place of employment in Flint Saturday. Miss Helen Nisbet of Maple Ridge and Glen Cataline of Whittemore were guests of Mrs. Dobson Tuesday of last week. Will Degrow, who is in the government employ, came home Monday evening for a visit with relatives and friends. Mrs. Will Carroll, who has been visiting her parents, Mr. and Mrs. Daugherty returned to South Branch one day last week. Miss Jennie Grumbly, a nurse from Great Lakes, was home on furlough a few days last week. On her return Friday, she was accompanied by her mother as far as Cairo. Miss Clara Latter and Miss Margaret Nisbet went to Tawas last Wednesday to write on teachers' examination. Miss Helen Nisbet acted as substitute during her sister's absence. Mr. and Mrs. Wm. West left Friday for Bay City to consult a specialist for heart trouble. She has been illing for more than a year. She will visit friends and relatives in several cities before returning home. W. S. S.—BUY THEM!

CARD OF THANKS
I wish to extend my sincere and heartfelt thanks to the neighbors and friends who offered their sympathy and assistance during my recent bereavement in the death of my mother and brother. Fred Whittemore.

Patrick Corrigan of Logan visited at the home of Ernest Chase one day this week. Miss Cecelia Mills visited at her home at Mills Station a couple days this week. Mrs. John Pinkerton and daughter, Margaret went to Bay City Monday on business. Mr. and Mrs. S. A. Westfall and children and Marie Chase autoed to Lupton Sunday. Charles Corrigan of Detroit visited at the home of Ernest Chase a few days this week. Mrs. Bolen and daughter, Helen, went to Bay City Wednesday for the day on business. Mr. and Mrs. J. A. Sloan left for Owosso, where they expect to make their future home. Mrs. John Stockdale and son, Leo, and Peter Sawyer were in town on business Thursday. Rudolph Cecil returned to Detroit Monday after visiting his brother, Ernest Cecil a few days. Miss William Leutzke returned to her home in Bay City after visiting her sister, Edyth Leutzke. Mrs. Peter Gellan returned to her home in Detroit after visiting her cousins, Mr. and Mrs. LaFlam. Mrs. Montgomery was called to Detroit Thursday on account of sickness at the home of her son, Gerald Murphy. Mrs. George Webster returned home last Friday from Clio, where she had been called on account of the illness of her sister, Mrs. Wood. Mrs. Charles Parker arrived from Flint Tuesday afternoon to superintend the packing of their household effects. Mr. Parker is expected on Saturday to attend to the shipping of them to their new home in Flint. A host of friends regret to lose Mr. and Mrs. Parker from their midst. Home coming week seems to be an assured fact, the dates having been set for July 1 to 7, inclusive. Efforts are being made by the business men and women of the city to secure a street carnival and an aeroplane exhibition. Already the residents are writing to distant friends and relatives who at one time lived in East Tawas, informing them of the event and inviting them "back home."

VICTORY LOAN BOOSTERS VISIT EAST TAWAS
The train with the army tank, the "Jackie" boys band, and speakers attracted a large crowd on Monday morning, although their aid was not necessary to put our city over the top, we having accomplished that without any trouble on the first day. Lieutenant Griest, who returned from the front but a few days ago, spoke freely of the work of the boys over there, and paid tribute to the memory of Harry Loud of Oscoda, who gave his life for the cause, and who was a personal friend of Lieut. Griest. The Jackie band played, and the crowd joined in the singing of patriotic songs. The Family Theatre showed pictures of the scenes at the front, and the tank gave an exhibition of its operations, which was very interesting, especially to the throng of small boys, who swarmed over it in such numbers as to hide from view.

THE ODD FELLOWS CELEBRATE
On Wednesday evening Baldwin Lodge 377, I. O. O. F. celebrated the centenary of the order in America, with a sumptuous banquet and an interesting program. The banquet was held at 6 o'clock and 125 guests were served, the tables being decorated with candles and trailing arbutus. After all were served the meeting was called to order and all united in singing the Star Spangled Banner. Prayer by Rev. Goodrich was followed by a solo by Miss Selma Hagstrom after which Past Grand Master Miles F. Gray, who is register of deeds of Ingham county, was introduced by Past Noble Grand H. E. Hanson. Mr. Gray delivered a splendid address, calling attention to the growth of the organization in America from 5 members in 1819, to two and a quarter million in the current year. His address was on the subject "The Church, The Patriot, and Oddfellowship." After the address Miss Hagstrom rendered another solo, the company sang America and Rev. Goodrich closed the program with prayer. This meeting included a celebration of the 36th anniversary of the founding of the local organization as well as the centenary of the American organization and all in attendance report a splendid time. A general celebration is being planned for June 27th, which will be announced at a later date.

EMERY JUNCTION NOTES
Geo. Sase is repainting his house. Mrs. Freel spent Sunday in Bay City. Rev. Roberts was in Tawas this week. Mrs. Geo. Sase was in Bay City Saturday. Mrs. Petrie entertained friends from Flint last week. Mrs. Geo. Sase was in Tawas one day this week on business. Mr. Duby attended the funeral of his brother-in-law Wednesday. Mrs. P. E. Hammond is spending a week with friends in Bay City. School opened Tuesday with Elsie Musolf from Tawas as teacher. Mr. and Mrs. Petrie and Mrs. Gillespie spent one day last week with friends in Tawas. A. H. Crawford was in Whittemore one day last week and purchased a cow of Mr. Williams. Mr. and Mrs. Chas. Mark have been assisting Mr. and Mrs. Billings this week making ready for the sale Saturday. A welcome little visitor came to dwell in the home of Mr. and Mrs. A. H. Crawford on Easter day, whom they call Margaret Alberta. James L. Petrie, who has been in the service of the United States for some time, returned home last week to his wife and baby who have been spending the time during his absence with her parents, Mr. and Mrs. Gillespie. On the account of the serious illness of her father, Miss Frasier was compelled to close her school here, much to the regret of both patrons and scholars. She has given excellent satisfaction and leaves the school in a much better condition.

LIDLAWVILLE
Miss Helen Lidlaw spent the week end at the parental home. Christena Fahselt returned from Bay City last week Thursday. Miss Gladys Curry of East Tawas spent from Friday until Monday with Miss Helen Wood. Mr. and Mrs. Edw. Burtzloff and children visited at the home of Mr. and Mrs. Oscar Fahselt on Sunday. Mr. and Mrs. Harry Thompson and babe of East Tawas spent a few days last week with Mr. and Mrs. Carl Woyahn. Edward Rempert, who is still in military service, arrived home Monday midnight to be in attendance at his mother's funeral. He returned to Camp Mills, N. J. on Thursday.

OBITUARY
Mrs. Rudolph Rempert of Tawas township departed from this life Saturday morning. She had been in poor health for a long time, but not until this winter did she become seriously ill. Her ailment seemed to baffle the doctors' skill, so last Wednesday her husband and son, Otto, accompanied her to Bay City, where it was found she had enlargement of the spleen, but being too weak to stand an operation, they returned with her Friday as far as Tawas City, where she passed away the next morning at the home of her son, Otto. She leaves to mourn her loss the husband and nine children, Otto of Tawas City, Mrs. Fred Feidler, Mrs. Arthur Bates and Fred of Detroit, Edward, who is still in service, Paul, Albert, Elizabeth and Emma at home, besides other relatives and a host of friends. Mrs. Fred Feidler has an infant daughter and could not be present being the only one absent from the funeral. Mrs. Rempert was a kind and loving wife and mother, loved and highly respected by all who knew her intimately and will be sadly missed. The funeral was held from the Emmanuel Lutheran church on Wednesday, where a large number of sorrowing friends followed her to her last resting place in the Lutheran cemetery at Tawas City.

MICHIGAN AND THE VICTORY LOAN

Michigan with a quota of \$110,925,000 for the Victory Liberty Loan did itself proud by exceeding its quota the first day of the drive. By so doing it made a name for itself of being the first state in the nation to secure its quota.

As Michigan is leading the states in the amount of subscriptions secured relative to its quota, so Detroit is in the van of the big cities of the country. With subscriptions of approximately \$80,000,000 and the campaign still going, the Michigan metropolis is setting a final record for the final loan which it is doubtful will be approached by any city of magnitude in the country.

Many of the other big cities and populous counties of the state have also established magnificent records, showing that in the hearts of the people the Victory Liberty Loan is at one and the same time a Victory and a Thanksgiving Loan.

With all the splendid work of the big cities and the counties that have already registered their vote of gratitude for the work of the government of the United States, and their appreciation of the noble work of our army and navy there is to be no let up in the campaign until the last day of the campaign.

Leaders of the Loan organization for Michigan, not only are not relaxing their efforts for a single moment, but are preparing to go ahead with renewed energy and determination until not only every county in the state has secured the quota assigned to it, but until every township as well is over. The determination is to make the final war loan campaign Michigan's unanimous endorsement of the work of the nation. In spite of big subscriptions which have helped put the state over, the loan is to be popular and it is expected to have the distribution record the best of any loan.

"Michigan is registering its vote of confidence in the nation, and its vote of gratitude to the men who made victory possible, and there will be no rest in this campaign until every man and woman in the state has registered," said Frederick Fenton, director of sales for the state.

"Many Michigan men who offered their lives for their country are back home, in the shops and on the farms. The money we are subscribing now paid for the preparation which dumb-founded Germany and brought to the leaders of the country the realization of the futility of further fighting. The loan is paying for Victory and for bringing of the boys back home.

"It is fine that Michigan was the first state over, that Detroit was the first big city to reach its quota, but this is not enough. Every county must go the whole route; and every township in every county must do its part. Citizenship means more than ever before, but it will not mean what it should if there is any laggard in this great loan campaign.

"We must make Michigan's vote of gratitude unanimous."

RURAL SCHOOL GROUNDS WILL BE BEAUTIFIED

East Lansing, Mich., April 28—As a step in furthering the state-wide movement to improve and beautify the rural school grounds, a bulletin giving plans and rules for planting trees, shrubs and plants, together with a complete list of varieties which are adapted for the purpose, has just been published by the department of horticulture at M. A. C. The use of native plants is urged, and directions for digging and transferring to the school grounds are given. The work should be done as early in the spring as possible.

The planting of home grounds is considered in other bulletins, which may be obtained from the Director of the Experiment Station, East Lansing.

FROM EARL ST. MARTIN
March 22, 1919

Dear Mother:—As tonight is Sunday night, thought I would write you a few lines as I always write to you once a week any way. I wrote to you last Sunday.

We have been away almost all week with the truck. We went up to haul the eighty first division. They passed in review before the King and Queen of Belgium and General Pershing. Believe me we had some time. It rained and snowed for three days and everybody was wet to the skin and sleeping in our truck. So a man has to be made of iron to stand that, but no one got sick. It is raining here tonight. I never in all my life saw a country like this all it does is rain, rain all the time.

I got a letter from you this week and got three Tawas Herald's. I see they are shipping the troops home pretty fast. I guess the Eighty fifth Division go home next month, but we don't belong to the Eighty-fifth Division any more. (I hear that 409 Supply train goes home in May, but I don't know for sure. I don't know if we belong to that any more.

I sent you a picture last time. Let me know if you got it or not. Tell grandpa I said hello and papa tell them to keep well the way we keep over here is to drink lots of rum. Well mama news is scarce here so will close and here is hoping to see you before very long. It may not be very long now. Good by.

From, your loving son,
Earl

That the Ford is the Universal Car was amply proven in the war, where a great majority of the cars in use in the warring countries were Fords. Here is an illustration of the part the Ford played in the war zone.

In France 700 cars out of 1,000 were Fords
In Italy 850 cars out of 1,000 were Fords
In Egypt 996 cars out of 1,000 were Fords
In Mesopotamia 999 out of 1,000 were Fords

This record should prove to the prospective buyer that the Ford is adaptable to all uses and that before buying another make he should thoroughly investigate the merits of the Ford.

Ford Service Stations

For the convenience of hundreds of Ford owners in Isoco County I have established Ford Service Stations, so that you can get genuine Ford parts and repairs. These service stations are located as follows:

JAMES LESLIE, Whittemore, Mich.

H. E. NUNN, Hale, Mich.

KANE'S GARAGE, Tawas City, Mich.

Be sure to get genuine Ford parts and repairs for if you buy your supplies from mail order or other irresponsible parties you are liable to have trouble when you come to use them.

Ford Tractors

I have a few Ford Tractors on hand, but they are going fast. Every farmer with 80 acres or more should have one, as they will do the work of several teams and men. I will be glad to give you demonstrations of this wonderful machine on request.

If it becomes necessary to change the center line from the hubs, the change will become part of these specifications and the right is reserved to make any such changes.

The said drain is divided into sections as follows: No. 1 from the Alabaster-Sherman road to station 41 plus 16 1/2, distance 4116 1/2 feet; No. 2, from said station to station 74 plus

22 1/2	at the Northeast corner of south-west 1/4 of north-west 1/4 of Sec. 34, distance 3306 feet. No. 3, from said corner to station 118 plus 41 on the County line 59 links east of the south-west corner of sec. 34 and at north-east corner of the north-west 1/4 of north-west 1/4 of Sec. 1, Turner Twp., distance 4418 1/2 feet. No. 4, from said station on the county line, to station 140 plus 84 in the southwest 1/4 of southwest 1/4 of Sec. 1, Turner Twp. where said drain runs into Elm Creek Channel, distance 2243 feet. No. 5, from station 140 plus 84 aforesaid along the Elm Creek Channel to the outlet at station 175, distance 3416 feet. Total distance of the 5 sections, 17500 feet.
22	All stakes are presumed to be in their positions at the time of letting the contract for the construction of said drain, therefore, the contractor who shall contract to construct the whole or any part of said drain, shall be held responsible for the preservation of all station stakes and grade hubs in their original positions, and the said contractor shall not destroy any station stakes, or cover any grade hub with excavations taken from said drain; and shall it become necessary to reset any station stakes or grade hubs to determine the location, depth or width of the surface-excavations of said drain when the work is completed, then the cost of resetting or locating any station stakes or grade hubs, or removing excavations from any grade hubs shall be charged to the contractor holding the contract for the construction of said drain at the place or places where said station stakes or grade hubs are missing, or not in their original positions.
23	PENALTY FOR REMOVING GRADE STAKES OR OBSTRUCTING DRAIN
24	Chapter IX (4394) sec. 9, Compiled Laws of 1897, of the state of Michigan: If any person shall willfully or maliciously remove any section or grade stakes set along the line of any drain, or obstruct or injure any drain, he shall be deemed guilty of a misdemeanor, and upon conviction thereof, he shall be punished by a fine not exceeding one hundred dollars, and the cost of prosecution, or in default of the payment thereof, by imprisonment in the county jail not exceeding ninety days.
25	All loose stumps, timber and brushwood of any description shall be removed from the right of way of said drain, and shall not be covered with excavations taken therefrom. In clearing said right-of-way, all green standing timber, not interfering with the digging and excavations of said drain, shall not be injured or felled.
26	All water courses entering said drain, either natural or artificial, shall be left open and unobstructed for the free passage of water into same when the work of constructing said drain is completed.
27	At all points where said drain shall pass under any fence, and it shall be necessary for the contractor to remove any portion of said fence to construct said drain, he, the said contractor, shall at all times when leaving the work repair that portion of said fence, so as to stop the passing of farm stock, and when the work is completed under said fence, the said contractor shall repair, or rebuild that portion of said fence removed by him, and leave it in as good condition as it was before he removed same. Provided, however, that when said drain shall run parallel to any fence, and it is necessary for the contractor to remove the entire fence to construct the said drain on the surveyed line thereof, the contractor shall remove said fence, and leave it down at all times during the work, and shall not be required to rebuild the whole or any part of said fence when the work on said drain is completed.
28	At all points where said contractor shall excavate said drain across any public highway, he shall furnish and deliver on the ground, and at his own expense, a sufficient number of hardwood stringers, 8 in. or up top, and said stringers shall be placed side by side to bridge said drain, and all side ditches adjacent to said highway; contractor shall also furnish plank to cover said bridges; plank shall be of hardwood, and 2 in. or up in thickness, and not less than 12 feet in length; all material used in the construction of said bridges must be sound, and free from excessive shake, wane or large knots. And he, the said contractor, immediately after excavating said drain across any highway shall construct a temporary bridge at the side of highway at a distance from the center line of said highway to allow for the construction of a permanent bridge in the center line of said highway; all material furnished and all work on the said bridges shall be done in a manner subject to the acceptance of the commissioner of highways in the township wherein said side bridges are located, and said contractor shall allow all side bridges so built to remain until a permanent bridge shall be constructed in the center line of said highway.
29	Bridges will be constructed where required by law. Specifications for bridges will be in evidence at the sale.
30	At all places where the said drain shall run alongside of a highway, the excavations taken from the drain shall be deposited on the centerline of said highway and leveled to make a road-bride twenty feet wide by the contractor having the contract for the construction of that part of said drain.
31	The depth of said drain from the grade hubs, the amount of cut from the center, the width of the surface excavations, at each station; and the elevations of grade, are given in feet and decimals and are as follows:

UNITED DOCTORS SPECIALIST
Brings the Knowledge of a Great Medical Organization and Their Experience in the Successful Treatment of Thousands of Chronic Disease Cases Offer Services Free of Charge Licensed by the State of Michigan

The United Doctors is an organization of reputable, licensed, physicians for the treatment of certain diseases. They are all specialists. The United Doctors treat, without Surgical Operations or hypodermic injections, diseases of the blood, skin, and all internal organs, rheumatism, sciatica, tape-worm, leg ulcers, weak lungs and all long standing, deep seated diseases. Thirty-five years' experience and the complete records of thousands of cases successfully treated prove that the methods of the United Doctors are right. They were among the first to be called "Bloodless Surgeons." Each member of the United Doctors staff has at his command the knowledge and resources of the whole organization. Many people go on suffering from diseases that can be alleviated just because they cannot afford to go to high priced specialists at a distance from home. No community has sufficient number of sufferers from the diseases mentioned to support special hospitals for their treatment and cure. The United Doctors have solved the problem. Their highly trained specialists travel from place to place. They diagnose and prescribe a course of treatment for the sufferers in each community and teach them how to take care of themselves at home. Worn-out and run-down men or women, no matter what your ailment may be, no matter what you have had to do, or the experience you have had with other physicians. If your case is incurable they will tell you so. Consult him upon this visit. It costs nothing. Married ladies must come with their husbands and minors with their parents. How Many Days Per Year Should a Tractor Work To Be a Profitable Investment?
Questions Asked Dealers By Farmers

The number of working days for an advanced tractor like the Case 10-18 is rapidly increasing. Twenty-six years ago when we first began to build motor tractors, men thought chiefly of plowing with a tractor. But war-time conditions have brought about changes not only in the mechanical development of tractors, but in their adaptation to multiplied uses.

More Ways to Use Case Tractors
Nowadays many farmers attain as high as 200 days' use per year, although the average, of course, is considerably less. Our latest and best small tractor, the 10-18, is purposely designed for maximum use. It is adaptable for all kinds of work. It represents years of study in the field, dozens of extensive investigations. We have found that 9 out of 10 farmers consider plowing ability of first rank, then come discing, pulverizing and harrowing, belt work, shelling, shredding and feed grinding, harvesting, road work, threshing, hauling, sawing wood, cutting feed and silo filling, baling straw, planting and seeding, and stump pulling.

The above uses are stated in their relative importance, as tabulated in a recent investigation.* The same investigation discloses that a tractor spends 63 4-7 per cent of its time in the field and 35 3-7 per cent on the belt.

Ever Ready
The Case 10-18 is small and compact. It weighs little more than a team of horses. Its length is 102 inches, width 56 inches and height 54 1/2 inches. It turns in a 22-foot circle, and can get around easily. It goes through a small gate or door and easily shares the road with other vehicles.

While rated at 10 horsepower on the drawbar, it develops nearly 14. While rated at 18 on the belt, it develops up to 24. Thus one has the assurance that it is ever ready for an emergency. There are dozens of improvements in this Case 10-18. For instance, it has a one-piece main frame, with a four-cylinder engine mounted crosswise. This frame construction affords a dust-proof housing for the rear axle, bull pinion shaft, transmission and the bearings for these parts. It also provides a base for the motor.

This type of construction brings rigidity. It minimizes vibration and prevents disalignment of gears, which are all cut steel and fully enclosed. Thus we multiply strength, reduce weight and conserve power.

Greater Economy
Another feature is its economical consumption of kerosene. It has a Case Synchron Thermostat which controls the cooling system and insures complete combustion of kerosene. And it prevents raw fuel from passing by the pistons and diluting oil in the crank case.
An improved air-washer delivers clean air to the carburetor. No grit nor dust gets into the cylinders to minimize their efficiency and shorten their life.
We are glad to acquaint dealers with all the advanced ideas in the new Case 10-18. Send for a copy of complete specifications, so that you may judge tractors well by acquainting yourself with the latest and best practices.
Then you can offer the best advice to farmers.
