Frank Dease left Sunday evening for Detroit, where he expects to remain for some time.

Miss Wilma Kocher spent the latter part of last week with her parents, Mr. and Mrs. J. H. Kocher at Hale.

Harold Groff and Frank Reinke left Tuesday morning for Grand Rapids, where they will attend school during the ensuing year.

Don't miss Mrs. L. L. Johnson's fall and winter millinery opening beginning Thursday, Sept. 18, in the new building at the old stand.

Mr. and Mrs. George Steinhurst and friend, Charles Jones, came Tuesday for a visit at the home of his parents, Mr. and Mrs. A. Steinhurst.

I am now prepared to show you the new styles in fall and winter millinery in the Prescott building opposite elevator, Tawas City. Mrs. L. L. Johnson, adv.

Miss Janie Smith returned Wednesday to Cleveland, Ohio, after a visit of some weeks at the home of her parents, Mr. and Mrs. Stephen Smith, in this city.

Phillip Ackerman, a brother-in-law of Mrs. M. C. Davis, and Fred Westrick, her nephew, returned Thursday to their home at Lenox, after a few days visit here.

The Arenac County fair and races will occur Tuesday, Wednesday, Thursday and Friday, Sept. 16, 17, 18, and 19. A splendid program is announced by the management.

Millinery opening beginning Thursday, Sept. 18, in the new building at the old stand. Newest and best designs in fall and winter millinery. Call and see them. Mrs. L. L. Johnson, adv.

Herman Berg and Otto Berg have sold their combined farms of 120 acres to Vincent Marshall, who expects to take immediate possession. The sale was made through the Strout farm agency.

L. J. Patterson and daughter, Luella, went to Detroit last Friday. Mr. Patterson returned Sunday midnight, but Miss Luella remained and will attend the Martindale Training school the ensuing year.

You like big fights, big thrills, big scenes—big scenes taken in one of the United States shipyards, for instance—if you do you can't afford to miss "Virtuous Men," the big melodrama sensation of the season. adv.

Frank Dease has sold his barber shop to Ray Smith, and possession was taken Monday morning by Mr. Smith. Ray was in the same business here for several years and his old friends are glad to welcome him back to Tawas City.

Don't fail to see the big double attraction at the Tawas City Theatre this (Friday) evening, Charlie Chaplin in his 3rd million dollar production, "Sunny Side." Come prepared to laugh. Also Wallace Reed in "Hosage." Admission 15c and 30c. adv.

Mrs. Roy Amon returned Wednesday to her home at Lansing after a visit with her parents, Mr. and Mrs. Julius Rhode. She was called home by an accident to her husband, who was run over by an automobile and badly bruised, though no bones were broken.

The new business building being erected by L. H. Klenow for L. L. Johnson and E. H. Buch is about completed. The Johnson building is far enough along so that Mr. and Mrs. Johnson will move in the first of next week. S. Ferguson's store is also nearly ready for occupancy, and work has been started on the buildings for M. E. Friedman and Eugene Bing.

This vicinity again experienced a period of extremely warm weather which was particularly noticeable because of the extremely cool weather during the last part of August. From Saturday to Monday of the past week temperatures between 91 degrees and 93 degrees were recorded, which exceeded all previous records for the month and also equaled any daily temperature of the year except that of the Fourth of July when the thermometer registered 95 degrees.

Fire insurance at Ealy, McKay & Co. bank, Tawas City. adv.

Mr. and Mrs. J. E. Laidlaw left Thursday for Pinconning where they will visit relatives for a few days prior to returning to their home at Gladstone.

John Swartz, jr., who has recently returned from service with the U. S. forces in Russia, came last week and is visiting his parents, Mr. and Mrs. John Swartz of this city.

Be sure and see those new and tasty designs in fall and winter millinery at Mrs. L. L. Johnson's, in the new building at the old stand. Opening begins next Thursday, Sept. 18. adv.

English services will be held at Zion Lutheran church next Sunday morning, Sept. 14, at 10 o'clock. Subject: "The Christian Virtue of Boldness." All are cordially invited. Rev. H. J. Reithmeier, pastor.

Sergt. John Tkacik of Alpena will be in Tawas City next Monday, Sept. 15, from 9:00 to 12:00 a. m. for the purpose of receiving enlistments for the U. S. service and extending any assistance possible to discharged soldiers.

Chas. Thompson of Reno was in the city Tuesday. Mr. Thompson is president of the newly organized farmers' elevator association and informs the Herald that the association has secured the lots opposite the depot in Tawas City and will erect thereon a cement elevator next spring. The fall shipments of the association will be taken care of in carload lots.

The great Saginaw Fair, known all over the state as "Michigan's Biggest County Fair," is now only two weeks away. It is not only Michigan's biggest county fair, but has grown to be the second fair in Michigan, being exceeded in attendance, scope, variety and extent of exhibits, and premiums paid, only by the Michigan State Fair. The fair opens on Monday, Sept. 22 and continues a full week.

"Virtuous Men," produced by Ralph Ince and presenting E. K. Lincoln in the stellar role, showed the struggles of patriotic shipbuilders with anarchists and labor disturbers, the scenes changing from lumber camps to shipbuilding plants, the love interest being provided by a heroic young business leader's wooing of a shipbuilders daughter. Mr. Lincoln was seen to advantage in this role, while Miss Grace Darling appeared as the heroine.—New York Herald. adv.

Harry Griffin of West Branch was a business visitor in the city Wednesday. Mr. Griffin is agent for the Delco lighting system, having a territory comprising Iosco, Ogemaw, Roscommon and the northern half of Arenac county. He is planning on putting on an exhibit at the Iosco county fair to demonstrate the excellence of the Delco light system, which is being used generally throughout the country where a modern lighting system is required for farm buildings or for use in smaller towns where electric current is not available.

For Sale—A good horse. Inquire at King's Furniture store, East Tawas. 38-4f.

COUNCIL PURCHASES FIRE ENGINE

At the regular meeting of the city council of Tawas City held last Friday, C. H. Sutphen of Columbus, Ohio was awarded the contract for the new pumping engine and chemical engine, and also for 1,000 feet of hose.

The pumping engine is mounted on a Ford chassis and is guaranteed by the manufacturers to be of sufficient capacity to meet every requirement of a city of this size. The contract calls for a complete and rigorous test of the engine before its acceptance by the city.

The chemical engine is also mounted on a Ford chassis and from the specifications appears to be amply sufficient for the use that will be made of it.

The price on the two engines totals \$4,075.00, and the hose \$1,000 extra. This is considered a very reasonable figure for the class of machines purchased, as it was expected that the price would be considerably higher.

However, there appears to be dissatisfaction in some quarters over the contract. Neither Mayor Myles nor the city clerk were present at the meeting when the contract was closed, and in an interview with Mayor Myles he states that the understanding was that the council was to wait until bids were received from several firms before the engine deal was consummated. On the other hand the aldermen say that bids were requested from other firms, but that no representatives of these firms appeared to submit estimates.

The mayor advocates reconsideration of the proposition, and that an effort be made to secure estimates from other firms before definitely closing the deal. He expresses himself as satisfied with the purchase of the chemical engine and hose, but not with the pumping engine, and avers that he will refuse to sign the contract or bonds unless such consideration is made. He believes that the contract as signed by the president pro tem of the council and the clerk pro tem, is invalid, though it might be validated by the council instructing the city clerk to sign the same.

It is regrettable that such a disagreement should arise, and it is to be hoped that some satisfactory arrangement can be arrived at so that there may be harmony in a matter of so much importance to the city at large.

MANAGER BERUBE ACQUIRES "VIRTUOUS MEN" FOR PRESENTATION

An announcement of great importance to the photoplay patrons of the Tawas City Theatre was made this week by Manager Berube to the effect that he had succeeded in securing for presentation at his theatre "Virtuous Men." This special production, which stars E. K. Lincoln, was personally directed by Ralph Ince. It is one of the biggest features ever made, and has been aptly called "the great melodrama of the year." Lavishness in settings has made "Virtuous Men," the initial S-L Picture, one of the most beautiful productions of the year. Among its more striking scenes may be mentioned a society ball in which 2,500 people participate, a tremendous forest fire and the biggest fight in screen history. Manager Berube promises the patrons of the Tawas City Theatre one of the biggest entertainments of the season when "Virtuous Men" is presented next Thursday, Sept. 18. adv.

PRESBYTERIAN CHURCH

BAPTIST CHURCH

Rev. Harold F. Saylor of Chicago will preach in the Baptist church next Sunday morning.

He will begin evangelistic services in the Hemlock road Baptist church Sunday evening. He brings with him a very fine stereopticon and will use from 30 to 60 views in each evening service. Everybody welcome.

Rev. C. A. Ehrhardt, pastor.

M. E. CHURCH

Services as usual on the entire circuit next Sunday. This will be the last services before conference. All are cordially invited. Rev. E. E. McMichael, pastor.

COUNTY AGENT COLUMN

C. P. Milham

IOSCO COUNTY WINS AT STATE FAIR

Iosco county proved the superiority of her products at the 1919 state fair at Detroit by carrying off coveted premiums, not only in livestock, but in grain. County agricultural agent Milham, wishes to advertise the quality of certain products grown on farms in Iosco county, and collected samples from men he knew were growing good products, and Iosco county was given a prominent part in the winning of ribbons and sweepstakes. Many remarks were passed about the products, some saying they never dreamed such products could be grown in that section of the state. Competition was good, and all products won on their merits.

Following grain prizes were won in competition with the rest of the state, being given sweepstakes, ribbons:

Sheaf of six row barley, Will Waters

Sheaf of two row barley, Chas. White

Vetch seed, E. B. Follett.

Flint corn, Thomas Bradley.

Second prizes sweepstakes six row barley, Chas. White.

S. A. Ross won sweepstakes on yellow dent corn in the Northern Division and second prize in competition with the remainder of the state, which is a prize much coveted.

The following firsts were awarded in Iosco county:

Sheaf Red Rock wheat, Elmer Bills.

Sheaf Rosen Rye, Piper and Goodale.

Sheaf spring wheat, F. A. Meyers.

Sheaf six row barley, Will Waters.

Sheaf two row barley, Chas. White.

Vetch seed, E. B. Follett.

White dent corn, Piper and Goodale.

Yellow dent corn, S. A. Ross.

Flint corn, Thomas Bradley.

Second prizes were awarded as follows:

Six row barley, R. A. Bentley.

Flint corn, Mr. Noble.

Third prizes on vetch was awarded to Claude Salisbury.

The county agent collected the samples and is mighty proud of the showing the county made at the state fair. He hopes to see Iosco county carry off more prizes another year, and he thinks the best way to locate the best another year is to get every-one growing good seed to exhibit at the county fair which will be held on September 24, 25 and 26 at the fair grounds in Tawas City, or else hold a little grain show in Whittemore and Hale later on in the fall.

There was sharp competition in the livestock exhibits, but C. H. Prescott & Sons carried off their share of premiums in competition with the best in the country, competing against the following exhibitors, Carpenter and Ross, Mansfield, Ohio, who has nearly 500 head of registered shorthorns from which to select for the show.

The Prescott exhibits won the following: Grand Champion steer, which sold for 43 cents a pound; grand champion carload of steers which sold for 20 cents a pound. First each on the following: two year old yearling, and calf steers; aged bull; two year old bull, junior heifer calf, and aged heifer. Second premiums on junior yearling bull; senior bull calf; junior bull calf; aged cow; senior heifer calf; breeders young herd; calf herd; two year old steer; and four get of sire. Third premiums on two year old heifers and senior yearling heifer; fourth on junior yearling heifer; fifth on senior yearling heifer; and sixth on senior bull calf.

Judging from prizes won, Iosco county is just beginning to be somebody, is just waking up. Everyone should show more interest in making a greater reputation another year. We have the material, we have the men, we have the conditions. All that is needed is to develop what we have to a greater extent. It can be done, and will be done providing everyone takes an interest, and does their share in developing the best, both in grain and livestock.

THE COUNTY FAIR

Iosco county is noted as the center of the vetch industry of the state, yet there are no classes for this product at the county fair. This however should not prevent growers from exhibiting. If you are interested in (Continued on page five)

TO CELEBRATE CONSTITUTION DAY

Plans are being perfected for a nation wide celebration of the 132nd anniversary of the signing of the United States constitution on Sept. 17. Sunday, Sept. 14, has been designated as Constitution Sunday and pastors of all churches are expected to devote a portion of their services to this subject and make announcement of the exercises to be held on Constitution Day, Wednesday, Sept. 17.

James E. Dillon of East Tawas has been appointed county chairman for this celebration and is busy forming his township and city committees to take charge of the celebration in the various sections of the county.

It is expected that some good programs of patriotic songs and speeches will be made most places, together with any added features that will make the celebration a success.

This is the first nation-wide celebration of this day, but it is intended to make it an annual affair and thus keep fresh in the minds of the people of the nation the fact that our forefathers handed down to us one of the most wonderful documents the world has ever seen.

The time for preparation this year is short, but with the earnest cooperation of those who are called upon to assist it should not be difficult to arrange a suitable program for the day.

LABERGE—KREMER

The marriage of Harry A. LaBerge of Yakima, Wash., and Miss Kathryn Kremer of Minneapolis, Minn., was solemnized at nine o'clock Wednesday morning at St. Joseph Catholic church in this city. Rev. T. W. Albin being officiating clergyman.

The bride wore a beautiful bridal gown of white duchess satin with an overdrift of chantilly lace. Her veil was arranged in cap style and was fastened with sprays of swansonia. She carried brides roses and swansonia, and her only ornament was a pendant of aqua marine, set in pearls, the gift of the groom.

She was attended by Miss Ruby LaBerge of Detroit, a sister of the groom. Miss LaBerge wore an embroidered organdie gown of pink and orchid with hat to match, and carried Killarney roses. The groom was attended by his brother, Roy LaBerge of this city, and Roul LaBerge of Alpena and David Bergeron of this city acted as ushers.

During the ceremony Mrs. Roy LaBerge sang Millard's "Ave Maria," and the junior choir sang the mass of the infant Jesus.

After the ceremony a seven course wedding breakfast was served at the home of the groom's parents, Mr. and Mrs. James O. Bergeron. Only the immediate family being in attendance. Over 100 guests were seated at the table, which was decorated with cosmos and with a wall decoration of flowers and white ribbons.

Out of town guests were Mr. Michael Wagner, Fremont, Ohio; Mr. and Mrs. Roul LaBerge and Mr. and Mrs. John McInerney of Alpena, and Miss Ruby LaBerge of Detroit.

There were many beautiful gifts of cut glass and silver and the bride's gifts to the bridesmaid and the groom's mother were diamond set brooches. Immediately after the wedding breakfast the bridal couple left by auto for their home in Yakima, Washington, three auto loads of relatives accompanying them as far as Whittemore.

The bride has most charming personality and the groom, who was born in this city and grew to young manhood here is a rising young lawyer in Yakima. An interesting fact relative to the wedding is that he was baptized, confirmed and made his first communion in the same church in which he was married. A host of friends in this city wish the young couple many happy and prosperous years of married life.

NOTICE

All those having ice cream packers belonging to me will please bring them in or phone me so that I can send for them. J. M. WUGGAZER, adv.

CARD OF THANKS

Having sold my barber shop to Ray Smith and gone out of business, I wish to express my sincere appreciation and thanks for the liberal patronage I have received from the people of Tawas City and vicinity. FRANK R. DEASE.

FACTS ABOUT THE AMERICAN LEGION

What is the American Legion? It is the organization of American veterans of the World War. It is non-partisan and non-political. It is a civilian organization—not military or militaristic. It makes no distinctions between overseas men and men who did not get overseas.

Who is eligible? Any soldier, sailor or marine who served honorably between April 6, 1917, and November 11, 1918.

When was the Legion started? It was first organized in Paris March 15 to 17, 1919, by a thousand officers and men, delegates from all the units of the American Expeditionary Forces to an organization meeting, which adopted a tentative constitution and selected the name "American Legion."

What has been done in America regarding it?

The action of the Paris meeting was confirmed and endorsed by a similar meeting held in St. Louis May 8 to 10, 1919, when the Legion was formally recognized by the troops who served in the United States.

Are the organizations in France and America separate?

No. The Paris meeting appointed an Executive Committee of seventeen officers and men to represent the troops in France in the conduct of the Legion. The St. Louis meeting appointed a similar Committee of seventeen. These two Executive Committees have amalgamated and are now the operating body of the Legion.

Who are the officers of this national governing body?

Henry D. Lindsley, Texas, Chairman; Bennett C. Clark, Missouri, Vice-Chairman; Eric Fisher Wood, Pennsylvania, Secretary; Gasper Bacon, Massachusetts, Treasurer.

Where are the temporary National Headquarters of the Legion?

At 19 West 44th Street, New York City.

Where will the final step in the organization of the Legion take place?

November 10, 11 (Armistice Day,) and 12, at Minneapolis, Minn., when a great National Convention will be held.

Why were those dates selected?

To celebrate the completion of the first year of peace, and because by that time practically all of the men of the A. E. F. will be able to participate in the election of their delegates to the convention.

Who were some of the men who initiated the formation of the Legion?

Lt.-Col. Theodore Roosevelt, of the First Division; Col. Henry D. Lindsley, formerly Mayor of Dallas, Texas; Sgt. "Jack" Sullivan, of Seattle; Lt.-Col. Franklin D'Olier, of Philadelphia; Ex-Senator Luke Lea, of Tennessee; Lt.-Col. Frederick Huedekoper, of Washington, D. C.; Major Redmond C. Stewart, of Baltimore; Wagoner Dale Shaw, of Iowa; Lt.-Col. George A. White, of Oregon; "Bill" Donovan, of the "Fighting 69th" and many others not mentioned.

FIRE BLIGHT FOUND IN STATE ORCHARDS

East Lansing, Sept. 2—Reports from plant pathologists who have been making investigations in various fruit counties of the state indicate that Fire Blight, which has been less frequent in the last two years than formerly, is now developing rapidly in pears and to less extent in apples.

"It is possible to check the disease and prevent loss of trees if the blight is cut out at once," say the plant disease men of the college. "The cuts should be rather severe, since the blight germs may have worked their way some distance down the limbs and yet give no sign on the outside. After the cuts are made and the trees are completely freed from blight infection, the wounds should be disinfected with some disinfectant such as 5 per cent carbolic acid or corrosive sublimate, 1 to 1000. Then the trees should be given a second inspection in a week or two to catch any new outcroppings of the disease."

"The disease is sprinkled through nearly all the pear orchards in the southwestern part of the state," said G. H. Coons of M. A. C. "A few minutes work will eliminate the disease from any tree and save it. It will do more if the clean-up is thorough in an orchard and in a neighborhood. In this way the danger from fire blight can be practically eliminated."

Detailed information on control methods for Fire Blight may be had by writing to G. H. Coons, Botany Department, East Lansing.

COUNTY AGENT COLUMN
(Continued from first page.)

knowing more about vetch, ask the county agent.

Everyone is expecting the county fair to be the best fair held for some time, because conditions have been favorable compared with the rest of the state. All fairs are providing greater success than ever before. There were 160,000 at the state fair on Labor Day, think of it, 20 times as many people as there are in Isosco county attended the fair in one day, and seven times as many as live in Isosco county present every other day. People are taking an interest in fairs, because it is there that they can see a collection of the best products raised in the county or in the state. The best will be exhibited at the county fair. If it is not, it will be because it is not brought there, and those who have the best will lose if they do not bring their products. It is expected that there will be a number of excellent displays of farm products by country schools. Prizes of a \$15.00 cup, \$10.00 library, and a \$5.00 masterpiece being given, which makes it worth while to spend some time in collecting and preparing exhibits.

COMMUNITY DOINGS

It is hoped that the county agent will hold meetings in every school house in the county during the month and the next month to start something in every community, building up the social, educational and prosperous life of those communities. School boards, teachers, get in touch with the county agent, telling him when to come, and turn out and help make the meetings a success.

THINGS TO DO OR PLAN TO DO NOW

Hill select seed potatoes and corn; get exhibits for the fair; treat winter wheat with formaldehyde; take good care of all grains, they will be needed. Especial care should be given seed corn; and clover seed. Clover seed is quoted at present at \$47.00 a hundred, so save all you can. Keep a record of your crop yields; fall plow all you can; get a pure bred sire to head your cattle, sheep or swine herd; attend community meetings, ask for one in your community. If you have done these things pat yourself on the back. If you have not, get busy. If you do not know how to do the things mentioned above, ask the county agent.

SICK ANIMALS

The attention of the county agent has been called to prevailing sickness among horses in a certain section of the county. At least a dozen horses have died. The trouble seems to be a form of influenza, and proves fatal in many cases. If your horses do not act right it will pay you to call a veterinarian. Too many times home treatment is not the right kind.

Patent medicines may be all right in certain cases, but it is always better to call a competent veterinarian. Might better pay out a little money and save the horse, than to save the little cost, and lose the horse.

Influenza can be prevented by injecting anti-toxin into the animal. If conditions again look bad it will be advisable to bring all the horses together and have them immunized by a veterinarian, doctor. Let the county agent know when there is any prevalent in the community, because he is in a position to help check troubles.

FINE CORN CROP IS SURE FOR MICHIGAN

East Lansing, Sept. 9—That Michigan farmers will harvest an unusually fine crop this year is the opinion of Prof. J. F. Cox, head of the Farm Crops Department at M. A. C. points out that favorable weather has brought bright prospects to all corn growing sections of the state. Adverse conditions have resulted in poor crops for several years, but corn seems to have proved a success this season.

"The fine crop gives an unusual opportunity for selection of good seed corn this year," says Professor Cox, "and many farmers of the state will take advantage of the opportunity to improve their varieties. The best time to make this selection is in the fall before heavy freezes come, usually in late September or early

October. By going into the field and selecting good ears form the best stalks, growers can improve the strain of their corn greatly.

"Corn is Michigan's most valuable crop, and efforts to improve the varieties will add greatly to the wealth of the state. The old rule of 'like begets like' works out thoroughly with corn, and the farmers who take pains to improve their seed stock will gain both increased interest in their work and added profits.

"In the field in the fall is the only time to select seed, and many Michigan growers are planning to take advantage of the season's splendid crop in making careful selections for next spring's planting.

HOW TO COLLECT YOUR BOUNTY

Take Noxious Birds to Your Township Clerk

On and after the 14th day of August, 1919, the township clerk of each township can issue certificates for bounty on crows, hawks, owls, weasels and woodchucks.

The bounty on each except crows is 50 cents. On crows 25 cents. Do not send any of the above by mail and expect the bounty on the same. They must be taken in person to your township clerk.

Applications for bounty on wolves, lynx, wildcats and foxes must be made to the County Clerk.

Take to your clerk the head only of bird or animal, but be sure that the scalp or skin, including the ears is on head or entire pelt is sufficient. Where it is desired to preserve the pelt for sale or for use the bounty may be secured by having the ears marked with punch holes which does not injure the pelt for sale.

The great horned owl is the only owl which the law recognizes as being noxious. All other kinds and especially the screech owl are of great benefit on account of the thousands of mice caught by them.

The Cooper's hawk and the sharp shinned hawk are the kind of hawks specified by the law as noxious; (the red tail hawk should be included,) and although there are very few persons who are able to pick out these particular hawks, yet it is certain that it does not include the large marsh hawk of bluish grey color on back and nearly white on under side of body and wings, which is so often seen flying low over fields and whose prey is mice and grasshoppers.

Get all of the bad ones you can, boys but do not expect the bounty on the others, and remember, you are violating the law if you kill them.

I am causing this to be published because judging from the hundreds of inquiries received, this bounty law is not generally understood and I trust this will make it clear to every one. FRANK E. DEASE, County Clerk.

MUST MARK WEIGHT ON MEAT.

Wrapped meats inclosed in paper or other material, including hams and bacon, coming within the jurisdiction of the Federal food and drugs act, must be labeled to show the net weight of each package, by the provisions of the act, since they are not incorporated in the Agricultural appropriation act for the current year.

The food and drugs act requires that the quantity of food in package form coming within its jurisdiction must be plainly and conspicuously marked on the outside of the package in terms of weight, measure, or numerical count. Wrapped hams and bacon previously were held not to be food in package form within the meaning of the act, since they are not of uniform size and are sold by the pound by actual weight and not by a fixed price for each package as are most foods in package form.

Congress now has specified definitely that from the date of the passage of the amendment, July 24, 1919, a statement of the net weight will be required on all wrapped meats, including hams and bacon, coming within the jurisdiction of the Federal food and drugs act.

TAWAS CITY THEATRE

Offers the most important production of the year. Will be presented as a special attraction on

Thursday, September 18

"Virtuous Men"

Is the production. It stars

E. K. Lincoln

Was personally conducted by Ralph Ince and contains one of the most notable casts ever assembled before the camera.

The picture was over seven months in the taking. The management of the Tawas City Theatre states that "Virtuous Men" cost over \$150,000 to produce. Five cameras were used to insure photographic perfection; thirty massive and unusual sets were constructed for the production under the direction of Charles Chapman; five distinctive spectacular effects costing thousands of dollars mark the unfolding of the story and over 10,000 supernumeraries were used by Ralph Ince in many scenes. You liked E. K. Lincoln in "Tarzan of the Apes," you will like him better in this show.

Camel CIGARETTES

18 cents a package

Don't look for any other cigarettes at the counter. The Camel Cigarettes are the only ones that are guaranteed to be the best. We strongly recommend this carton for the home or office supply or when you travel.

Smokers realize that the value is in the cigarettes and do not expect premiums or coupons!

If you want to know what rare and unusual enjoyment Camels provide smoke them in comparison with any cigarette in the world at any price!

CAMELS are a cigarette revelation any way you consider them! Take quality, or refreshing flavor and fragrance; or that wonderful mellow-mild-smoothness you never before got in a cigarette smoke! Yet Camels are so full-bodied and so full-of-satisfaction you marvel that so much delight could be put into a cigarette!

Camels expert blend of choice Turkish and choice Domestic tobaccos makes them so irresistibly appetizing! And, the blend explains why it is possible for you to smoke Camels liberally without tiring your taste! You will prefer Camels to either kind of tobacco smoked straight!

You'll realize pretty quick, too, that among the many reasons you smoke Camels is their freedom from any unpleasant cigarette aftertaste or unpleasant cigarette odor!

Once you know Camels you won't take much stock in premiums, coupons or gifts! You'll prefer Camel quality!

NOTICE

Notice of review of special assessment for the improvement of Assessment District Road No. 1, under Act 59, Public Acts of 1915, as amended.

To all persons interested in said assessment in the townships of Burleigh, Sherman, Reno and Grant, in Iosco County, and to the township of Burleigh and Sherman, and to the County of Iosco.

Whereas, we, as the Board of County Road Commissioners of Iosco County, Michigan, have heretofore determined that the highway commencing at a point on the east city limits of Whittemore, being the 1/4 corner common to sections 2 and 11, town 21 north, range 5 east, Burleigh township, Iosco County; thence east on the section line common to sections 2-11, and 1-12 to the east section corner common to said sections 1 and 12; thence east on the section line common to sections 6-7 and 5-8, town 21 north, range 6 east, Sherman township to the 1/4 corner common to sections 5 and 8, thence east on the present traveled road on or near the section line common to sections 5-8 4-9 and 3-10 to the corner common to sections 2, 3, 10 and 11, said Sherman township, shall be improved in accordance with the specifications now on file; and

Whereas, we, as such Board of County Road Commissioners of Iosco County, did heretofore determine the boundaries of the proposed special assessment district No. 1 for said highway known as Assessment District Road No. 1 to be as follows: Said district includes all lands within the following boundaries in said townships of Burleigh and Sherman, Reno and Grant, in Iosco County, to-wit:

Commencing at the 1/4 corner common to sections 2 and 11 town 21 north, range 5 east, Burleigh Township, Iosco County, thence north 1/2 mile on the north and south 1/4 line of section 2 to the 1/4 corner in the center of said section 2; thence east 1/4 mile on the east and west 1/4 line of said section 2 to its intersection with the east north-and-south 1/4 line of said section 2; thence north 3/4 mile on the said east north-and-south 1/4 line of said section 2 and section 35, town 22 north, range 5 east, Reno Township to its intersection with the south east-and-west 1/4 line of said section 35; thence east 1/2 mile on the said south east-and-west 1/4 line of said section 35 and section 36 to its intersection with the west north-and-south 1/4 line of section 36; thence north 80 rods on the said west north-and-south 1/4 line of said section 36 to its intersection with the east and west 1/4 line of said section 36; thence east 4 miles on the said east and west 1/4 line of said section 36, town 22 north, range 5 east, Reno township and sections 31, 32 33 and 34, town 22 north, range 6 east, Grant Township to its intersection with the west north-and-south 1/4 line of said section 34; thence south 3/4 mile on the said west north-and-south 1/4 line of said section 34, said town 22 north, range 6 east, Grant Township and section 3, town 21 north, range 6 east, Sherman Township to its intersection with the north east-and-west 1/4 line of said section 3; thence east 1/2 mile on the said north east-and-west 1/4 line of said section 3 to its intersection with the east north-and-south 1/4 line of said section 3; thence south 1/4 mile on the said east north-and-south 1/4 line of said section 3; thence east 1/2 mile on the east and west 1/4 line of sections 3 and 2 to its intersection with the west north-and-south 1/4 line of said section 2; thence south 1/2 mile on the said west north-and-south 1/4 line of said section 2 to its intersection with the south east-and-west 1/4 line of said section 2; thence east 1/4 mile on the said south east-and-west 1/4 line of said section 2 to its intersection with the north and south 1/4 line of said section 2; thence south 1/2 mile on the north and south 1/4 line of said section 2 and section 11, town 21 north, range 6 east, Sherman Township to its intersection with the north east-and-west 1/4 line of said section 11; thence west 1/4 mile on the said north east-and-west 1/4 line of said section 11 to its intersection with the west north-and-south 1/4 line of said section 11; thence south 1/4 mile on the said west north-and-south 1/4 line of said section 11 to its intersection with the east and west 1/4 line of said section 11; thence west 1/2 mile on the east and west 1/4 line of sections 11 and 10 to its intersection with the east north-and-south 1/4 line of said section 10; thence south 1/4 mile on the said east north-and-south 1/4 line of said section 10 to its intersection with the south east-and-west 1/4 line of said section 10; thence west 1/4 mile on the said south east-and-west 1/4 line of said section 10 to its intersection with the north and south 1/4 line of said section 10; thence south 1/4 mile on the north and south 1/4 line of sections 10 and 15 to the center of said section 15; thence west 1/2 miles on the east and west 1/4 line of sections 15, 16, 17 and 18 to its intersection with the township line between Sherman and Burleigh twp.; thence north 1/2 mile on the said township line between section 18, Sherman twp. and sec. 13, Burleigh township; thence north 1/2 mile on the said township line between section 18, Sherman Township and section 13, Burleigh Township to the north section corner common to said section 18, Sherman Township and section 13, Burleigh Township; thence west 3/4 mile on the section line between sections 12 and 13, to the west 1/4 post common to said sections 12 and 13; thence north 1/4 mile on the west north-and-south 1/4 line of section 12 to its intersection with the north east-and-west 1/4 line of said section 12; thence west 3/4 mile on the north east-and-west 1/4 line of sections 12 and 11 to its intersection with the north and south 1/4 line of said section 11; thence north 1/4 mile on the north and south 1/4 line of said section 11 to the place of beginning.

All lands in the townships of Burleigh, Sherman, Reno and Grant, in Iosco County, within the boundaries above described will be liable to an assessment for benefits for the improvement of said highway, and also the townships of Burleigh and Sherman, and the county of Iosco, at large.

Now, therefore, all owners of lands within the above described boundaries in the townships of Burleigh, Sherman, Reno and Grant, in Iosco County, and all persons interested in said lands, and the townships of Burleigh and Sherman, Iosco County, and the County of Iosco, are hereby notified that on the 25th day of September, A. D. 1919, at 10 o'clock a. m. we will be present at the schoolhouse in Emery Junction, along the said highway to be improved and announce our assessment of benefits upon the lands within the said boundaries constituting the said special assessment district and upon the townships of Burleigh and Sherman, and the County of Iosco, at large, and the said assessment of benefits will be open to review. All persons, townships or county may appear and be heard with respect to their several apportionments of benefits for said highway.

Given under our hands at Tawas City, Michigan, this 26th day of August, A. D. 1919.

Slate Surfaced Roofing

We have recently received a car of roofing and offer a strictly high grade Slate Surfaced Roofing at the price usually paid for inferior material.

The recent fire in Tawas City proved the danger of shingle roofs as buildings blocks away caught fire on their shingled roofs while slate surfaced roofs were in no danger.

With our high grade roofing you can re-roof without moving the shingles, saving much money and muss.

Come in and we will tell you all about it.

One of the Big Losses In the Dairy Business

The amount of profit in a product depends, to a great extent, on the method in which it is disposed of in the market. To this very source a very large amount of the loss of profit in a herd of cows can be traced.

Study your system of disposing of your cream. If you are not receiving the very best price for every ounce of the butter fat you produce you are sustaining a loss which we can help you to overcome. Talk it over with us and let us convince you.

Currey. Mrs. Braun is a daughter of Mr. Currey, and Mrs. Talbert and Mr. Currey are brother and sister. They made the trip by auto.
Sleep at any hour of the night is most welcome and how fortunate is he who is aroused in the wee small hours of the morning to tow a friend (whose car had become tired) to a nearby village, but still more unfortunate was the owner of the car as he had to be towed to the second town to get in a garage, but we greatly rejoice with him that upon reaching the second town the car was rested and all it needed was cranking.

FOUR COUNTY STREET FAIR

Of particular interest to this section of Northeastern Michigan is the first annual Gleaners and Farmers one day street fair to be held in Hale next Thursday September 18th. The territory included in the fair covers four counties, Arenac, Ogemaw, Alcona and Iosco. At ten o'clock the affair will be started by a decorated automobile parade, and the judging will be done in the morning. The agricultural displays will be in charge of C. P. Milham, Iosco County Agricultural Agent. In the afternoon there will be a series of foot races and horse races, and other stunts, followed by a program. Mr. Grant Slocum, Supreme Secretary and Founder of the Ancient Order of Gleaners will be the principal speaker. A reception for returned soldiers will be one of the features. Everyone in the four counties wishing to spend a profitable and enjoyable day should come and bring their dinner baskets.

Experts or Theorists—Which?

The packing industry is intricate, complex—far more so than the railroads or the telegraph. Every day multiplying needs of society increase its problems and multiplying responsibilities demand more of it.

Highly trained experts, specialists of years' experience, thinkers and creative men, devote their lives, their energies, their activities, to solving the problems of the packing industry and meeting its widening duties.

Swift & Company is not a few dozen packing plants, a few hundred branch houses, a few thousand refrigerator cars, and a few million dollars of capital, but an organization of such men. It is the experience, intelligence, initiative and activity which operates this physical equipment.

Can this intelligence, this experience, this initiative and creative effort which handles this business at a profit of only a fraction of a cent per pound from all sources, be fostered through the intervention of political theorists, however pure their purposes? Or be replaced by legislation? Does Congress really think that it can?

Let us send you a Swift "Dollar". It will interest you.
