The sub-district oratorical contest will be held at the M. E. church, East Tawas, this Friday evening. The representatives of the Tawas City high school are Elsie Wendt in oratory and Grace Phelan in declamations.

The nice weather of the past week has encouraged the growth of the baseball microbe in many of the boys and a number are practicing up for positions on the local team. From all appearances Tawas City will not lack for good material this year.

Married, at the home of the bride's parents, Mr. and Mrs. Reuben Smith of the Hemlock road, on Wednesday, April 6, Miss Mary Smith and Fred C. Pfahl. Rev. Homer W. Grimes officiated. The many friends of the young couple extend hearty congratulations.

The basket ball season closed last Monday night with two games at the Auditorium. The Tawas City high school boys beat the East Tawas boys by a score of 18 to 13, and the Tawas City high school girls defeated the West Branch high school girls by a score of 30 to 17. This game gives our girls the championship of Northeastern Michigan.

Rev. and Mrs. Homer W. Grimes entertained the delegates to the recent Baptist young people's convention at their home Tuesday evening. Plans were made for a young people's jubilee at the church next Sunday and the organization of a young people's society was discussed. Refreshments were served and a pleasant evening was enjoyed by those present.

Last Sunday afternoon the Wilson Grain Co. office was entered and about \$35 in cash stolen. Sheriff Robinson made an investigation and traced the crime to Frank Blackenbury, who had gained entrance to the elevator by way of a grain chute and was seen to leave the elevator Sunday afternoon. The boy is about 14 years of age and is now on probation for a couple of other similar scrapes in which he was implicated some time ago. This time he will probably get a trip to the reform school.

### A QUIET ELECTION

The election last Monday was characterized by a very light vote in most of the county. Some local contests brought out a fair representation but on the whole the voters did not turn out in large numbers.

In Tawas City there was only one contest, that in the third ward where George Lanski ran on slips against Jos. Pfeiffer for alderman. Pfeiffer won by a good majority.

Following are the supervisors who will constitute the board for the coming year. Those marked with a \* are new members:

Alabaster—Albert Bleu. AuSable—Wm. Dickinson. Plainfield—E. O. Light. Burleigh—U. G. Colvin.\*

Grant—Leon Biggs\* Oscoda—F. G. Cowley. Plainfield—E. O. Putnam. Reno—John Degraw.\*

Sherman—Wm. F. Kohn\* Tawas—Frank Blust. Wilber—Andrew SchAAF.\*

Tawas City—1st ward, Jas. E. Ballard; 2nd ward, P. O. Colby\*; 3rd ward, Isadora Friedman.\*

East Tawas—H. N. Butler, mayor; 1st ward, C. F. Klump; 2nd ward, Geo. Herman; 3rd ward, Chris Harwood.\*

Whittemore—Hector Flynn.\*

About twenty friends gathered at the home of Helen Louks Thursday evening in honor of her birthday. Games and music were the amusements of the evening, after which a dainty lunch was served.

### WAVE YOUR HAND TO CARE

(Printed by request)

Get out into the morning, And breathe the blessed air; Light up your soul with sunshine, And wave your hand to care.

Go where the streams are singing, Stand where the skies are fair; God's bells of joy are ringing, So wave your hand to care.

—Frank L. Stanton in Moderator Topics.

### TEACHERS' EXAMINATION

The regular teachers' examination will be held April 28, 29 and 30. A part of the questions for all grades will be based on the State Teachers' Reading Circle books. Questions will also be based on bulletins No. 4, "The Teaching of Reading," No. 10, "Word Study and Spelling," and No. 30, "Language Lessons."

### TAWAS CITY SCHOOLS

The English 10 class has begun the study of Shakespeare's "Hamlet."

Mr. Swem and several West Branch girls were visitors at the high school Monday.

The public speaking class are at present working on a debate which will be given at Alpena soon.

Though some changes have necessarily been made in the program of classes, school is again running smoothly.

With the close of the basket ball season our athletic spirit has not dropped, for already plans are under way in preparation for the coming county field meet.

Don't fail to hear our representatives, Misses Elsie Wendt and Grace Phelan, the former in oratory and the latter in declamations, at the Methodist church, East Tawas, Friday, April 8.

The following were absent from school Thursday and Friday last to attend the B. Y. P. U. convention at Bay City: Ethel Daley, Rhea King, Douglas Ferguson, Gladys Brown, Milnes Hamilton and Phyllis Latham.

Two new teachers have been added to our faculty. Mr. Freeman of Rose City, who has charge of the history department, and Miss King of Alma, who is filling the vacancy made by Miss Watkins. Both are state normal graduates.

Two of the biggest games this year closed our basket ball season Monday, April 4. The boys played East Tawas high school and defeated them by a score of 13 to 18. The girls met West Branch for the third time this year and defeated them by a score of 30 to 17. West Branch girls have only lost two games in the past four years, both of which were taken by our girls.

This gives our girls a claim on the Northeastern Michigan championship since they have won all games played by strictly high school players.

The community orchestra gave several selections during the evening, which were well received. Their time was perfect and the music up-to-date and "full of pep."

The seniors finished with two appropriate class songs. "As ye Sow, so Shall ye Reap" and "Happy," the last a spirited number which made a very appropriate ending of the evening's entertainment.

The proceeds of the play will be used for a class memorial which will, according to the usual plan, be presented on graduation night.

The American Legion boys are making arrangements for a musical comedy "Sittin' Pretty," which promises to be an up-to-date and a very catchy play. Some of the best talent in the city are to take part, all of whom have had experience in many of our best home talent plays.

An Easter meeting was held in Christ Church, Episcopal, in East Tawas, on Tuesday and Wednesday, April 5th and 6th, at which some of the notable clergymen of the state were in attendance. A fine program was carried out and those who attended received much benefit.

Miss Gertrude Luce left last Friday morning for Saginaw. Miss Luce and her father, C. W. Luce, who have been residents of East Tawas for so many years, have moved to Saginaw. Many friends in the Tawasites regret to see them leave our city. Mrs. Harry Anker who had been visiting with her sister, Miss Luce, returned to her home in Saginaw Friday morning.

Friends of Miss Frances Flanagan of Detroit, who was formerly of East Tawas, was interested to learn that she was united in marriage to Mr. Arthur Brien of Detroit last week Wednesday. The young couple have gone to Denver, Colo., where they will take up their residence. Miss Kate Dease of this city, cousin to Miss Flanagan, was in attendance at the wedding.

The Ladies' Literary club will meet at their club rooms next Wednesday afternoon, April 13. Election of officers will be held and the book review on "The Rising Tide of Color" by Stoddard, which was taken up at the last meeting at the home of Mrs. Thomas, will be continued. Members are requested to pay their dues at this time in order to secure their membership for the coming year.

The many friends of L. G. McKay will be glad to learn that he is making rapid progress toward health after a severe case of pneumonia and pleurisy combined, through which he has had splendid attention from Dr. A. Stealy, with Miss Osborne as nurse. Dr. E. C. Warren of Bay City was called by Dr. Stealy in consultation and Miss Payette, also of Bay City, acted as relief nurse. Miss Mary McKay of Lansing arrived two weeks ago and is still at the home of her brother.

Repairs on the Presbyterian church were begun last Saturday and the work is well under way, the walls of the Christian Endeavor room being almost completed and work begun on the kitchen. Supper was served by the Presbyterian Ladies Aid for the men who worked last Saturday, and was given at the home of Mrs. John Goodall.

The closing meeting of the Monday Musical club was held at the home of Mrs. James E. Dillon last Monday afternoon. This meeting was the annual election of officers and other matters of business were also taken up, after which Mrs. R. H. Budworth favored the members with a "Group of Songs" from Caro Roma. Mrs. A. G. Jackson, a former member, was welcomed as a visitor at the club. A delightful lunch was served and the members adjourned until next fall.

Election returns for the city of East Tawas show the following candidates elected without opposition:

Mayor, H. N. Butler; clerk, Joseph Barkman; city treasurer, J. W. Tait.

Alderman, 1st ward, Owen Hales; constable, 1st ward, Will Sims.

Alderman, 2nd ward, R. M. Small; constable, 2nd ward, Fred Smith.

Alderman, 3rd ward, W. B. Piper; constable, 3rd ward, Victor Johnson.

The soldiers' bonus carried by a large majority, there being 242 ballots cast, of which there were 26 no's and 216 for the bonus.

CHRIST CHURCH, EAST TAWAS Sunday, April 10: Holy Eucharist, 7:30 a. m. No service at 10:00 a. m. Church school, 11:30. Vespers, 7:30 p. m. Choir rehearsal on Thursday evening. Litany service Friday evening at 7:30. Preparation service Saturday at 8:00 p. m.

### "MR. BOB" A SUCCESS

The senior play "Mr. Bob," which was given at the opera house last Friday evening, was a real success, judging from the "packed house" which generally greets our home talent plays, and the hearty applause given the play and the specialties.

There were but seven characters in the play proper, although the senior class this year numbers nineteen. Many of the seniors are taking county normal work and were unable to give their time to rehearsing.

Clarence Herriman, as the hero of the play, took his part admirably, and Harris Barkman as a clerk or "the man of misunderstandings" was equally good. Misses Anna Klenow and Irene Applin, the former "Mr. Bob," the latter her friend, were exceptionally good in their respective parts. Miss Frances Murray as a dignified maiden lady made a quaint and picturesque appearance and her maid and butler, Miss Margaret McGuire and Thomas Oliver, added their wit to the comedy.

The play was one well suited for a senior class of a high school, with clean comedy, rather tangled up circumstances that were finally straightened up, and an exciting yacht race to add pep to the play.

The specialties were well applauded and all responded with encores. Rev. A. Mitchell of the M. E. church gave a vocal solo, accompanied by Miss Thelma Stealy. He responded to an encore with the solo, "The Skipper," a great favorite with all. Mrs. C. F. Klump held the attention of everyone with some fine recitations rendered in very effective style.

A drill by the critic room under the supervision of Miss Alice Nesbit certainly deserves commendation. The drill was perfect and the children well trained.

The community orchestra gave several selections during the evening, which were well received. Their time was perfect and the music up-to-date and "full of pep."

The seniors finished with two appropriate class songs. "As ye Sow, so Shall ye Reap" and "Happy," the last a spirited number which made a very appropriate ending of the evening's entertainment.

### SHERMAN SHOTS

Joe Schneider was at Tawas City on business Saturday.

Several from here attended the dance in Grant Friday evening.

Mr. and Mrs. Frank Schneider spent Sunday with relatives in Grant.

Mr. and Mrs. Russell Gillespie of Whittemore spent Sunday with her parents, Mr. and Mrs. Wm. Schroeder.

The election held at the town hall Monday was a quiet affair, there being only excitement was the highway.

only about 100 votes cast, about half the votes in the township. The only excitement was the highway.

overseer. Ernest Smith and Jess Driskell of Dist. No. 3 ran a tie, Smith winning on the draw. Joe Schneider defeated L. A. Rakestraw in Dist. No. 2 by two to one.

Death of Elmer Kohn  
Elmer Kohn was born in Sherman township Nov. 6, 1894, and died March 29, 1921, aged 26 years, four months and 23 days.

About one week before his death Dr. Stealy of East Tawas was called to his home and on examination found he was suffering with appendicitis.

He was taken that same evening to Ann Arbor by his parents for an operation. Little hope was held out for him from the start, but everything that medical skill and care could do to save his life was done, but in vain.

He lived about six days after the operation and during that time bore his suffering patiently, realizing the last few days that he had to die, he was well prepared and ready to meet his untimely death.

He was well known, having lived here all his life, and was liked by everyone who knew him. He had been the only boy at home for several years and a vacant spot is left in the home which never can be filled.

A short service was held at the house Friday morning and from there the remains were taken to Tawas City and the funeral services held at the Lutheran church, Rev. Aug. Kehrberg officiating. The remains were laid to rest in the Lutheran cemetery.

He leaves to mourn his loss the bereaved parents, two brothers and three sisters. They have the sympathy of the entire community during their sad hours of bereavement.

Relatives from out of town to attend the funeral were Mr. and Mrs. Wm. Kohn, jr., Mr. and Mrs. H. L. Halstead, Mrs. John Kirbitz, all of Flint and Mrs. Ed. Buchtell of Detroit.

Call not be; the dear departed, Anchored safe where storms are o'er. On the border land we left them, Soon to meet and part no more. Far beyond this world of changes, Far beyond this world of care, In our Father's mansion fair.

Card of Thanks  
We wish in this manner to thank the friends who showed their sympathy for us in our bereavement in the death of our son, by their many acts of kindness and their offerings of beautiful flowers.

## More Power, Less Weight—Economy!

HERE is the most economical tractor—the one that furnishes the greatest traction power with the lightest tractor weight and smallest fuel consumption. It pulls three 14" plows, turns an acre an hour, and is light enough to work on plowed ground without packing it down.

It uses little more fuel than many two plow tractors—does half more work in the same time and saves labor cost; does half more work every mile it travels and saves maintenance, repairs and depreciation.

Just as the three-horse team is the right animal unit for heavy work on farms of all sizes, the Huber Light Four is the right power unit.

It plows, harrows, pulls the binder, hay loader and manure spreader economically and will run the small thresher, silo filler, hay baler, etc. So simple that a woman or boy can operate.

Makes better crops possible by getting work done at the right time. Often pays for itself in a single season.

Let us show you the Huber and tell you what it will do for you.

## Mr. Motorist: 2c Worth Nu-Gas Equals a Gallon of Gasoline

Necessity is truly the mother of invention. While nine million motorists were facing with alarm the problem of the INCREASING COST and INFERIOR QUALITY of gasoline, American inventive genius has come forward with a solution. Don't be like the men who ridiculed Henry Ford and lost millions thereby. Read with an open mind and we will convince you that the American Motorist has been emancipated forever from the Gasoline Octopus. The Great Discovery, NU-GAS, will positively give you from 15% to 40% more mileage from every gallon of gasoline you use. It will positively prevent the formation of carbon. Don't misunderstand us. We HAVE NOT discovered a new motor fuel. That was not necessary. The problem was to improve the old fuel (gasoline). NU-GAS is used with gasoline. It is the combination, the blend of the two ingredients, gasoline and NU-GAS, which gives such amazing, positively astounding results.

**\$1000.00 GUARANTEE**

We guarantee that NU-GAS is absolutely non-injurious to the finest motors; that it will not clog the feed pipe, and is sold with the positive guarantee that your money will be refunded if NU-GAS does not do all that we claim. We further agree to pay \$1000.00 to any charitable organization upon proof from anyone that NU-GAS is injurious.

Here is an example: If 200 gallons of gasoline gives you 3000 miles, 200 gallons of gasoline and one package of NU-GAS (costing only \$1.00) will give you 4000 miles. You increase your mileage ONE-THIRD. In other words you save ONE-THIRD of 200 gallons or 66 gallons of gasoline at a cost of only \$1.00—or less than 2c per gallon for this 66-gallon saving. Remember, \$1.00 worth of NU-GAS treats 200 gallons of gasoline. If you gain 1000 additional miles for \$1.00 isn't it worth while? Is it any wonder that motorists are enthusiastic about this Wonder Product?

**Why NU-GAS Is Needed**

The greatest weakness in the automobile engine of today is this: It is graded to burn gasoline of ten years ago when automobile engines were fed upon a high-test, quick-acting, powerful grade of automobiles increased by millions and the refiners substituted heavier fuels. The fuel we now buy is a blend of gasoline and kerosene that will not vaporize as it should. It contains many impurities such as tar, asphaltum, iron and sulphur, causing a quick accumulation of carbon in your cylinders. Your car lacks pep and you use more gasoline. NU-GAS vitalizes this low-grade gas and allows the motor to get the last ounce of energy by thorough evaporation. It increases your mileage 15% to 40% and absolutely prevents carbon.

**Catarrh Can Be Cured**

Catarrh is a local disease greatly influenced by constitutional conditions. It therefore requires constitutional treatment. HALL'S CATARRH MEDICINE is taken internally and acts through the Blood on the Mucous Surfaces of the System. HALL'S CATARRH MEDICINE destroys the foundation of the disease, gives the patient strength by improving the general health and assists nature in doing its work.

All Druggists. Circulars free.

F. J. Cheney & Co., Toledo, Ohio.

Consider the value of Carbon Prevention alone. By using NU-GAS you can prevent fully three-fourths of all motor troubles. Automobile experts admit that 75% of all motor troubles are due to carbon. Carbon increases gasoline consumption, causes pre-ignition, which results in loss of power, scored cylinders and a tremendous strain on the bearings. NU-GAS eliminates all this by absolutely PREVENTING the formation of carbon.

NU-GAS is powerful. It is harmless. It will keep your cylinders, valves, pistons, spark plugs, etc., absolutely clean. Positively free from carbon. It will give you an increase of from 15% to 40% in power and speed on the hills and on level by giving, at all times, a perfect mixture that flows freely and constantly with every touch of the throttle.

The concentrated oils in NU-GAS allow you to use a little more air to enter the carburetor, a proof that you are getting more miles to the gallon.

# Plays all makes of records better

## Make Us Prove It

THE leading magazines contain an intensely interesting interview with Mr. Edison which you should read. He says:

"I am very glad that the records of all the principal talking machine companies can be played on the Edison with the best possible results."

We shall be glad to prove Mr. Edison's statement. Lateral cut (needle machine) records sound better on the New Edison than they do on the talking machines for which they were made. Don't forget we are anxious to prove this to you.

Understand, please, they will not sound like Edison RECREATIONS, but they will sound better than you ever heard them sound before.

**Obituary—William West**

(This obituary has been delayed on account of the correspondent not being able to obtain full particulars before.)

William West was born in Fremont, Ohio, August 1857, and died at his home in Whittemore March 6, 1921, aged 64 years, 8 months. Although he has been in poor health for a number of years, his death came as a shock to his many friends. Apparently he was as well as usual until a few days before he died.

Mr. West was united in marriage Sept. 23, 1882, to Miss Hattie Chamberlain. To this union five children were born, four of whom survive him, two sons, Walter of Valley City, S. D., and Cecil of Detroit, and two daughters, Mrs. Albert Syze of Hale and Mrs. Carl Mead of Flint. On February 16, 1909, Mrs. Westervelt died of pneumonia.

On June 4, 1912 he was again united in marriage, to Mrs. Frances Elmcke. To this union one son was born, Woodrow, who together with the above named survive to mourn the loss of a kind and loving father. The second Mrs. West died Feb. 16, 1921, twelve years later than the first wife, and from the same cause.

Mr. West came to Reno in 1889 as section boss on the Rose City branch. Later he moved to Tawas, where he was yard master for some time, and finally purchased a farm, part of which was in Reno and part in Grant. Although the family lived over the line they were considered a part of Reno and shared our joys and sorrows. He resided there until last October when he retired from farm life and moved to Whittemore.

Mr. West was a man of sterling worth, a good citizen, and one that will be greatly missed in the community. He has held many positions of trust in his township and was always ready to lend a helping hand to the needy. He was a member of the A. O. U. G., and also of the Grange.

The funeral was held in the M. E. church in Whittemore on Wednesday afternoon, March 9, Rev. Pierson, pastor of the Baptist church at Alpena,

officiating. Mr. Pierson was a very near friend of Mr. West, having had charge of the funeral of his first wife, and used the same text, "Have faith in God." The choir also consisted of friends. The remains were laid to rest beside those of his first wife in the Reno cemetery amid a profusion of flowers.

## Manganese.

Manganese is found in Japan in three forms: Metallic, which is over 50 per cent pure manganese being used principally in the making of certain kinds of iron and steel and as an amalgam; dioxide, or "black manganese," having as high as 90 per cent manganese and largely used in the making of chemicals, drugs, paints and electric batteries; and carbonate, which until recently has been a waste product in Japan.
