Mrs. Edw. Marzinski returned Monday from Bay City with her daughter, Lillian Look, who underwent an operation at the Jones clinic last week for the removal of her tonsils.

The Twentieth Century club will give a community sing at the high school building next Monday evening. Admission will be free. The county teachers will be guests for the evening.

Harry Wheeler, son of Mr. and Mrs. Wm. Wheeler of this city, and Miss Mabel Turner were married at Carlinville, Ill., on Saturday, Oct. 8. The young couple arrived in Tawas City Monday for a few weeks visit with relatives here, after which they will make their home at Modesto, Ill., where Mr. Wheeler will manage a farm.

The tax rate for the year 1920 will undoubtedly be higher than for some years past. Iosco county's share of the state tax is over \$27,000, the county tax \$36,000 and the county road tax about \$45,000, besides local and school taxes. The state tax is about \$5,000 more than last year and the county road tax about \$21,000 higher.

The lecture of Prof. W. D. Henderson, "Dollars and Sense in Education," which was delivered at the court house last Friday evening, was one of the best lectures of its kind ever heard in this city. It is to be regretted that Prof. Henderson did not have a larger audience, as he touched upon subjects of vital importance to everyone having any connection with the schools in any manner. There were about 50 or 60 people present. The faculty of the Tawas City schools was represented by only two teachers, the superintendent and the primary teacher. Those who did not attend missed some good hints that would have been of value to them in their work.

Fire insurance, Fred Swartz. adv-if Robert Raeburn of Alpena was in the city on business Tuesday.

Do you know that there are wonderful photo play attractions being presented nightly at the Auditorium Tawas City? We would like to see you occasionally, and you are welcome. adv

Mrs. W. J. Robinson has been in Grand Rapids this week in attendance at the annual meeting of the Federation of Women's Clubs as a delegate from the Twentieth Century club of this city.

W. J. Robinson, worthy patron, and Mrs. W. M. Taylor are attending the sessions of the Grand Chapter, O. E. S. of Michigan at Saginaw this week as delegates from the local chapter.

The board of supervisors has been in session at the court house this week. This is the annual meeting at which the amount of taxes to be raised is fixed and apportioned, and the board has been busy with this work and other routine matters.

SAD ACCIDENT TO LITTLE GIRL. On Wednesday evening of last week Lucile, the 11 year old daughter of Mr. and Mrs. Wm. Rouiller, was the victim of an accident which resulted in her death in a Bay City hospital on Tuesday afternoon at 2:30.

Lucile and some other children, were playing near her home and three of the little girls had climbed upon a rabbit house. In jumping to the ground Lucile landed upon a sharp stick which pierced her body to a depth of six inches or more, causing a terrible wound. Medical aid was summoned, but the physicians here could do nothing for her, and on Friday she was taken to the Jones Clinic in Bay City for an operation. An examination showed that there was no hope of saving her life and she died in the hospital on Tuesday after six days of terrible suffering.

The remains were brought to her home in this city on Wednesday and the funeral was held from the L. D. S. church Thursday afternoon, Elder M. A. Sommerfield officiating. She was laid to rest in the Tawas City cemetery.

Lucile was a popular little girl with her school companions and was a student in the fifth grade. In token of sympathy the fourth and fifth grade room were given a vacation on Thursday afternoon in order to attend the funeral.

The tragic manner of her death makes the case especially sad, and the sympathy of a host of friends and neighbors goes out to the bereaved family in their great sorrow.

GROFF—LOOK. A quiet home wedding took place at the home of Mr. and Mrs. Ed. Cussero, 1206 Stanton St., Bay City, when Miss Olga, daughter of Mr. and Mrs. Gustav Groff, became the bride of Mr. William Look, son of Mr. and Mrs. Carl Look.

The bride wore a suit of navy blue poplin and carried a bouquet of pink roses. Miss Esther Timreck of Bay City acted as bridesmaid and Ted Anschuetz, cousin of the groom, acted as best man.

Mr. and Mrs. Look left the following day for Tawas City, where they will make their home. Both are well known in the Tawas and vicinity and we join with their many friends in extending congratulations and best wishes.

M. E. CHURCH. Morning service, 10:00 a. m. Sunday school, 11:15 a. m. Evening service, 7:30 p. m. All are welcome at these services. S. S. Cross, Pastor.

## DEATH OF LITTLE FRANK PRESCOTT

Frank Taylor Prescott, six years old son of Mr. and Mrs. G. A. Prescott, jr., died at their home in this city Sunday morning, Oct. 9, at three o'clock, after an illness of only a week. The cause of death was streptococcal sore throat together with a weakened condition of the heart.

Little Frank was born Sept. 25, 1915, and was therefore aged six years and fourteen days at the time of his death. He was a sturdy little fellow and loved by everyone who knew him. While attending the fair on the second day he caught cold and contracted the disease which caused his death.

The funeral was held from the residence on Tuesday afternoon at three o'clock, Rev. Joshua Roberts officiating, and the remains were laid to rest in the Tawas City cemetery, his being the first grave to be dug in the new addition to the cemetery.

Out of town relatives and friends who attended the funeral were Rev. and Mrs. B. H. Thomas of Bay City, Carl H. Taylor of Detroit and H. A. Williams of Ann Arbor.

The sympathy of the entire community goes out to the bereaved parents in their untimely loss.

## ALABASTER SCHOOL NOTES

The intermediate and grammar school rooms organized a club last week and elected the following officers: Anne Morley, president; Ida Bannan, vice-president; Mary Bleau, treasurer and Marie Bundshuh secretary.

The names on the roll of honor in the grammar room for spelling last week, are: Hilma Lake, Anne Morley, Ida Bannan, Edith Johnson, Lillian Anderson and Marie Bundshuh.

The eighth grade commenced their Michigan history this week.

The eighth grade had the highest average last month.

"Horatius at the Bridge" The sixth grade dramatized "Horatius at the Bridge."

There are 42 pupils enrolled in the intermediate room. This being the largest enrollment for several years.

The third graders are reading "Around the World with the Children" for their geography.

Nine seats were purchased for the primary room.

The beginners dramatized the story of "The Three Bears."

## LAILAWVILLE

Mrs. Henry Anschuetz visited with Mrs. Davis and Mrs. Bischoff Sunday afternoon.

Mrs. Andrew Anschuetz spent Monday with her parents, Mr. and Mrs. John Anderson in Baldwin.

Mr. and Mrs. Geo. Lake of East Tawas spent Sunday evening at the home of Ferdinand Anschuetz.

Mr. and Mrs. Tony Fahselt from Flint visited at the home of Ferdinand Anschuetz Thursday afternoon.

Mr. and Mrs. Roy Wood from the ranger station spent Sunday with his parents, Mr. and Mrs. Frank Wood.

Mr. and Mrs. Tony Fahselt visited Monday afternoon with Mr. and Mrs. W. E. Laidlaw and some friends in Laidlawville.

Mr. and Mrs. Malcom McLeod and Miss Hazel visited with Mr. and Mrs. Thomas Davison at Tawas City Sunday afternoon.

## McIVOR MITES

Walt Kelchner is loading a car of hay this week.

Mrs. Della Ecker spent the weekend with friends at Tawas City.

Mrs. G. A. Pringle stopped off to see W. H. Pringle on her way home from Ubyly.

Mr. and Mrs. Elias Smith entertained Mr. and Mrs. Smith of Bay City last Sunday.

Hunting stories are getting numerous, which is an indication that bird season will soon open.

It was demonstrated last Sunday evening that a Ford will not run on its reputation, but a certain young man determined to keep his appointment and hit the narrow trail only to find no one to visit with except the old man, so he returned to his home in the early part of the evening instead of the early part of the morning as was customary.

## TWENTIETH CENTURY CLUB

The opening meeting of the Twentieth Century club was held Oct. 8th through the kindness of Mrs. J. E. Ballard, at her home instead of at the club room, as it was not completed.

In response to the roll call, "Since Last we Met," some very amusing and truthful things were told.

A vocal solo was given by Mrs. Ray Smith, accompanied by Miss Effie Graham.

Then followed an inspiring address by the president, Mrs. W. J. Robinson. Listening, we felt called to rally around her and with renewed vigor make this club year mean more if possible to the community than it has in the past.

The plan of our year's work was given by Mrs. Ballard, which includes a brief review of the fundamentals of our government. This may not sound so interesting, but when one considers the benefit derived therefrom and how much more intelligent voters we will be, we are going to enjoy it to a larger degree. Not only is it our duty, but our privilege, to inform ourselves as completely as possible concerning our government. The following extract explains the point: "In our private affairs if we find it necessary to choose an agent to do some piece of business for us, we recognize the importance of having ourselves such a knowledge of what we want done as to be able to instruct the agent and to pass intelligently upon his manner of performance. How much more important it is that when we choose agents to attend for us to the closest interests of our lives, that we be sufficiently informed to be able to select fit agents to serve us, and to judge accurately and fairly as to their manner of conducting our business, since those whom we have chosen to act as our servants in the government of the country can only assume the role of masters when the true master is not sufficiently informed to choose good servants or to judge of their work."

A brief history of our club was read by Mrs. Hattie Conant. The Twentieth Century club was organized in 1906 under the efficient leadership of Mrs. C. B. Chaffee. There have been eight administrations and much has been contributed by each to enlarge the scope and power of our work, until at the present time the calls to service along the lines of our endeavor are frequent and diversified.

The club has been valuable as an organization, for through the united strength and action of the members it has become pre-eminent in the annals of the history of Tawas City. The club spirit permeates the very heart of things, its members having always mothered its community affairs. What has been accomplished during the fifteen years of our existence has been very gratifying and as club women we have learned that when we lay aside personal differences and work together for the good of the masses there is nothing too difficult for us to accomplish.

At the conclusion of the meeting, out of courtesy to our new president, the hostess served delicious refreshments.

Leaving, we felt that a most enjoyable and profitable time had been spent.

## HALE AND VICINITY

Miss Wilma Kocher was home from Harrisville for the week-end.

A baby girl was born to Mr. and Mrs. Bert Kees Monday, Oct. 10.

Dance at Sand Lake Saturday evening, Oct. 15. Everyone invited. Good music. adv

Mrs. Ida Saue returned to Rogers City with Mrs. Elmer Keith last Saturday for a few weeks visit.

School will close next week Monday and Tuesday to permit the teachers to attend the county teachers' institute.

Mr. and Mrs. John Armstrong have had as their guests during the past week Mrs. Armstrong's two sisters from Toledo.

Byron Hewitt of Flint has moved his family to his new home two miles from Hale recently purchased from Jesse Keyes.

Mrs. R. D. Brown, a member of the jurisprudence committee of the Grand Chapter of Michigan O. E. S., is attending the Grand Chapter sessions at Saginaw this week.

Mr. and Mrs. C. Livingstone had as over Sunday guests Mr. and Mrs. James Ferguson, their daughter, Mrs. Archer, and little son, all of West Branch. Mrs. Ferguson is a daughter of Mr. Livingstone, hence the gathering comprised four generations.

## OBITUARY—H. T. THOMAS

A short account of the death of H. T. Thomas was published last week, time not allowing for a detailed account of the life of the deceased. As previously stated, Mr. Thomas passed away at the family residence in this city on Sunday afternoon, October 2, at 1:30, after a short illness of about three weeks, death being due to affections of the liver.

Henry Tracy Thomas was born in Chatham, Ontario, Canada, on April 21, 1848, and was 83 years, 5 months, and 10 days old. On August 8, 1883 he was united in marriage to Miss Ezora Phelps of Medina, Mich., daughter of Mr. Israel Phelps. Miss Phelps was then a teacher in the school in Ionia.

The marriage took place at Medina and Mr. and Mrs. Thomas came directly to East Tawas, where they have lived for the past thirty-eight years. No children were born to them, but the deceased leaves besides the sorrowing wife in this city, two step-sisters, Mrs. John Reid of Cheboygan and Mrs. I. S. Cooper of Flint, and a nephew, Harry Thomas of Durand, Mich. Mrs. Cooper of Flint came to East Tawas shortly before the death of Mr. Thomas.

On Tuesday, Oct. 4, a short funeral service was held at the home, conducted by Rev. Charles Edinger of Christ church, Episcopal, and the remains were taken to Detroit for burial and laid to rest in Elmwood cemetery. Rev. Blachford, formerly rector of Christ church, East Tawas, officiated at the burial service in Detroit.

Friends from out of the city who came to East Tawas and accompanied the remains to Detroit were Mr. and Mrs. A. W. Black, Mrs. T. H. Fox and Miss Julia Fox, all of Bay City. Mr. and Mrs. Harry Thomas were also at East Tawas.

Mr. Thomas was a member of the Masonic order, having taken the highest degrees in that organization, and was also a member of the K. of P. the Master Mechanics' organization, and of the Episcopal church. He was loved and respected by all who knew him as a man of sterling qualities, and in his position as master mechanic of the D. & M. Ry. before being retired was a conscientious and earnest worker and a faithful friend to all who knew him.

Many friends in the Tawas extend their heartfelt sympathy to Mrs. Thomas in this hour of trial.

## HARRISVILLE 5—EAST TAWAS 2

A large crowd was out to the Tawas Beach diamond last Sunday to witness the last game of the season. The features advertised by the management came up to advance notices. Miles Main pitched for our boys and had the Harrisville team coming his way until Herb Boldt got a split finger going after a curve ball. Art Zink went in to catch, but did not have a chance to warm up. Harrisville scored 2 runs in the 8th and 2 in the 9th, the score being 2 to 1 in favor of our team up to that time.

Main pitched a nice game all the way. He scored the first run unaided when he doubled to left field, advanced to third on a put out and scored on a wild throw. Our boys added another score to their total later in the game, but did not seem to be able to hit Matuzak with men on bases. C. Tate of Oscoda played a good game at second and lost an extra base. Main also lost a long drive when Ed. Killmaster ran along the right field fence toward center and took down his smash. At the time the ball was hit it looked as though it would clear the fence easily.

Cuyler, former Mint leaguer, and now a Pittsburgh recruit, was in center field for Harrisville and handled all chances cleanly. He drove in the first score for Harrisville and showed his speed by stretching his hit to a three bagger.

The game was a good one to watch with both outfields covering all of the ground possible. C. F. Klump and J. Mark umpired the game.

## NOTICE

We wish to inform the general public that our mill and ware houses will be closed Monday and Tuesday, October 17 and 18, and also on Monday and Tuesday, October 24 and 25, on account of holidays. So if you expect to use any building material, order it ahead of those dates. Adv. Barkman Lumber Co.

Mr. and Mrs. George Davey of Bay City have been visiting at the home of Mr. Davey's sisters, Edith, Cora and Mrs. John Thompson, this week. They came on account of the death of Mrs. Davey's grandmother, Mrs. Betsy Stevens, who was brought to East Tawas for burial last Wednesday afternoon.

Bert Smalley of the Donald McRae hospital, Alpena, has been visiting at his home here for a few days. After being an invalid since before the close of the war on account of tuberculosis of the bone, he now is completely healed and walks without crutches. He is engaged in x-ray work, which subject he began studying in England.

In spite of the inclement weather the attendance at the rally service of the Presbyterian Sunday school last Sunday was large. The young men's class, known as the GanG class, held a get-together meeting and have begun a prize contest on class discussion questions which is being carried on by many organized classes in the United States. Several new members have been added to the class.

The opening meeting of the Ladies' Literary club was held last Wednesday afternoon at the literary club rooms. This was in the form of a president's meeting. The president, Mrs. James E. Dillon, being out of the city, the vice-president, Mrs. Charles Edinger, had charge. Musical numbers were given by Miss Mary Gardner. After the business of the afternoon a delicious lunch was served.

## DEATH OF FORMER RESIDENT, MRS. BETSEY STEVENS

On Wednesday afternoon the remains of Mrs. Betsey Stevens of Bay City were brought to East Tawas for burial and interment was made in Greenwood cemetery, Rev. L. G. MacAndrew officiating.

Mrs. Betsey Stevens passed away last Monday morning at 12:45 at the home of her grand-daughter, Mrs. George Davey, in Bay City. She had made her home with Mrs. Davey since the death of Mr. Stevens two years ago. Mrs. Stevens had been ill for the past three months with dropsy.

Betsey Stevens was born in Missouri Jan. 19, 1841, and was nearly 81 years of age. She was a resident of East Tawas for about forty years, the family moving to Bay City nine years ago. The husband, George W. Stevens, died two years ago last May. A daughter and a son also preceded her in death, the daughter, Mrs. Jennie Lawson being buried in Bay City and the son, Lewis Stevens, in East Tawas. The deceased leaves 8 grandchildren and 14 great grandchildren.

**Starving Thousands Face Death From Famine and Disease in Strife-Torn, Weary Transcaucasia**

Childhood furnishes the majority of the hungry, hardship-weary supplicants for American aid, as these photographs taken at a Near East Relief Station in Armenia indicate.

THE suffering and misery that for seven years has decimated and exhausted the population of Transcaucasia, has not yet ended according to American agents of the Near East Relief, who, in recent reports to national headquarters of that organization in New York, declare that the situation in this region has once more reached an acute stage.

"Children are dying on the street from starvation," one of them wired from Constantinople, on his return this week from Alexandropol, Armenia, where he had been engaged in work at one of the Near East Relief orphanages. This was in midsum-mer. As winter, which comes early and brings bitter cold in the Caucasus, approaches, conditions will become indescribably worse. Already we have more than twenty thousand children in our institutions, while twenty thousand more must receive the benefit of facilities we have not the money at present to extend to them, or perish.

There are no crops throughout Armenia because warfare prevented planting and drove a vast proportion of the agricultural population into exile. The adult refugee problem is so enormous that it seems almost impossible to solve.

Government officials with whom I talked estimated five million bushels of grain to be the minimum requirement to carry the population of the famine areas through until cultivation of the fields can be resumed once more. In addition, vast quantities of medical supplies must be brought in, for disease is following fast in the path of hunger.

"The people are again turning to America as their only hope. It was American supplies and American men and women who brought the survivors through a similar situation just after the armistice. And it has been American money that through the Near East Relief has kept the work going. It is almost pathetic to see the confidence these poor people have in our ability and willingness to help them."

**SMOKE CANDLE VAPOR DEADLY**

Fearful Weapon Said to Have Been Brought to Perfection by the War Department.

One of the many ingenious contrivances developed during the recent war was the "smoke candle." Such candles were little cylindrical boxes containing smoke-producing chemicals, which could be ignited at a moment's notice by a sort of friction device. They were used to conceal the movements of small groups of men. When touched off they were simply placed on the ground, to make a smoke screen.

The Americans thought it would be a good idea to use smoke candles that would give off a poisonous smoke. These improved candles did not come into use during the war, but since then the chemists of our War Department have perfected them. The poison stuff used is a coal-tar product which, a solid at ordinary temperatures, vaporizes in the heat of the burning candle. The vapor will penetrate most gas masks. The military authorities think that such poison smokes will find very extensive use in future warfare.

The smoke of a smoke-candle is usually white. To be effective for concealment, it must, of course, be as opaque as possible; and it must also be heavy, so as to be not easily blown away by a light breeze. Candles that produce a smoke of zinc chloride meet these requirements admirably, but the addition of "diphencythorarsine" makes them poisonous as well.

**SCORED ON COUNTRY COUSIN**

City Lad Had Endured Much but Opportunity Came and He Surely Improved It.

The country visitor had been regaling his young Glendale cousin with tales of the farm. Some of his stories seemed a little far-fetched to the city lad, who at last became somewhat wearied with the rural youth's boasts of the superiority of things "on the farm."

They were walking along the street when two young men sporting the small skull caps of U. of S. C. were seen approaching.

The country boy was a little mystified. "What's this?" he questioned, "a new city style, these little caps?"

The Glendale lad saw his chance to get square. "Oh, those," he said with assumed carelessness, "no, you see these fellows are students at the university. All the boys who enter have to wear those caps because under the system of education they receive their brains develop so rapidly that their heads grow in circumference, and if they wore ordinary hats, new ones would be necessary almost every month."—Los Angeles Times.

YOUR economic success is largely a matter of good health; this fact is being recognized today as it never was before. No one can do good work and be out of sorts. Any serious or prolonged illness is a drain on your earning power and an increase in your expense account.

"Keep Well" is a slogan you might just as well adopt at once, and then live up to. For very largely it is in your own hands whether or not you shall be in good health.

No woman should work at a job that is hurting her. No question of high salary will pay her for such recklessness. There are jobs a man can do with no harm, but not a woman. Let her leave such work alone.

There are rules of hygiene, as excellent as they are simple, which it is up to you to know and understand. You must be properly fed, properly rested, keep clean and unclogged.

Don't fill yourself with patent medicines. If you are ill see the best doctor you can get and do what he tells you. If you have any reason to fear that you are not in good condition go to a reputable man or to a hospital for a complete physical examination. Don't put this off because you are busy or fear the expense.

Put your emphasis on health. Don't fool with a good constitution simply because you are blessed with one. If your work is trying, treat yourself during your rest time with consideration, give the machine a chance to recuperate, or change your job.

## HUNGER HORROR WAITS SNOW CUR IN THE CAUCASUS

VICKREY, NEAR EAST RELIEF'S NATIONAL SECRETARY, TELLS OF FAMINE-SETTING WHEN AUGUST CURTAIN ROSE.

20,000 CHILDREN MUST DIE THIS WINTER, WITHOUT AID

"One of the most appalling horrors of history, the death by starvation of tens of thousands of children and even larger numbers of adults, will be enacted in the Near East this Winter unless food is sent them by America before snow flies."

The statement was made by Charles V. Vickrey, national secretary of Near East Relief, who has just returned to New York from a three-months trip of personal inspection in the old Russian provinces of Transcaucasia and bordering lands of Asia Minor.

Into these war-hedged regions fled as refugees those remnants of the Armenian and neighbor races who had escaped massacre or capture by Turks and Kurds or death by hunger, exposure and attendant disease.

Mr. Vickrey said, in part: "There are two distinct large areas involved in the Russian famine problem: the Volga region, reaching north-westward from the Caspian Sea; and southern Russia or Transcaucasia, embracing the new republics of Georgia and Russian Armenia, to the westward of the Caspian and extending to the Black Sea.

1921 Death Harvest Early.

"It has been my lot to travel in southern Russia each August of the last three years. In those years the wholesale death harvest did not develop until late Winter or early Spring. Never before have I seen actual widespread starvation in the month of August. This year in Russian Armenia I found the dead lying in the streets; saw the death-wagons go upon their twice-daily rounds; learned at first-hand of the other corpses—infants, children, adults—by the waysides beyond the cities, the buried and the unburied. This in the month of August instead of in January, February and March.

"In the once busy and comparatively well-stocked market places of Eriwan, capital of the war-born republic of Armenia, I encountered only women, children and very aged men, wandering, wandering from street to street, dumbly trying to exchange a frayed garment or other fragment of personal belonging for a portion of food to ease their hunger.

Worse Than At Armistice.

"The causes of the yearly famine date back to and include the huge massacres of 1915, following upon the opening of the World War, when hundreds of thousands of Armenians fled the Turkish-Kurd raiders and sought a refuge in the Russian Caucasus. Every year since that time the country has been overrun and pillaged by contending or unfriendly military forces. War has not ceased for Armenia. Conditions appear worse today, in the closing months of 1921, than they were at the signing of the armistice.

"Upon withdrawal of the Turkish forces from Alexandropol last April (carrying away with them all transportable food supplies and every property that might be useful to the Turkish army fighting the Greeks on the Western front), the Armenians did everything they could to plant and secure a crop, for they are 85 per cent a farmer people. But the task was impossible, the result inevitable.

20,000 Fed; 20,000 "Must Die."

"In the vicinity of Alexandropol alone, Near East Relief with the aid of more than 50 American experienced rescue workers is caring for 20,000 orphaned children, constituting probably the largest assemblage of parentless infants and youth the world ever has known. The president of the local government of the Alexandropol district states there are 20,000 other children in his district who will die of hunger and exposure this Winter if they are not added to our orphanage population. The whole number of orphans in Near East Relief territory exceeds 100,000.

"These are the reasons why Near East Relief is calling upon the people of the United States for 5,000,000 bushels of corn and wheat to be delivered into the famine regions before the tragedy of early snow descends to choke the roads and block transport into the interior."

Michigan's quota in the national grain-gift is 100,000 bushels, now being subscribed.

BACKED BY LEGION CHAPLAIN

Chattanooga, Tenn.—Dr. John W. Inzer, pastor of the First Baptist Church of Chattanooga and National Chaplain of the American Legion, in a public statement re-endorsing Near East Relief and its work and its appeal for grain to prevent wholesale deaths by starvation in Armenia and surrounding regions, says:

"I pray that the people will realize the urgency of this tremendous appeal, and that America in all of its bounty will keep on contributing to these our Christian brethren across the sea who are in such dire straits and pitiless poverty."

**Superstition Concerning Caul.**  
The caul is a thin membrane found encompassing the head of some children when born, and it is considered a good omen for the children themselves. This superstition probably became widespread about the time of the Emperor Antoninus Pius. When he was born he had a band of membrane around his forehead in the shape of a helmet, and he attributed all his good fortune to this caul and this started the sale of them. A few sailors carrying them who then happened to be saved from shipwreck diverted the superstition toward mariners.

**Catarrhal Deafness Cannot Be Cured** by local applications, as they cannot reach the diseased portion of the ear. Catarrhal Deafness requires constitutional treatment. HALL'S CATARRH MEDICINE is a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the system, thus reducing the inflammation and restoring normal conditions.

**Pioneer Gone to Rest**

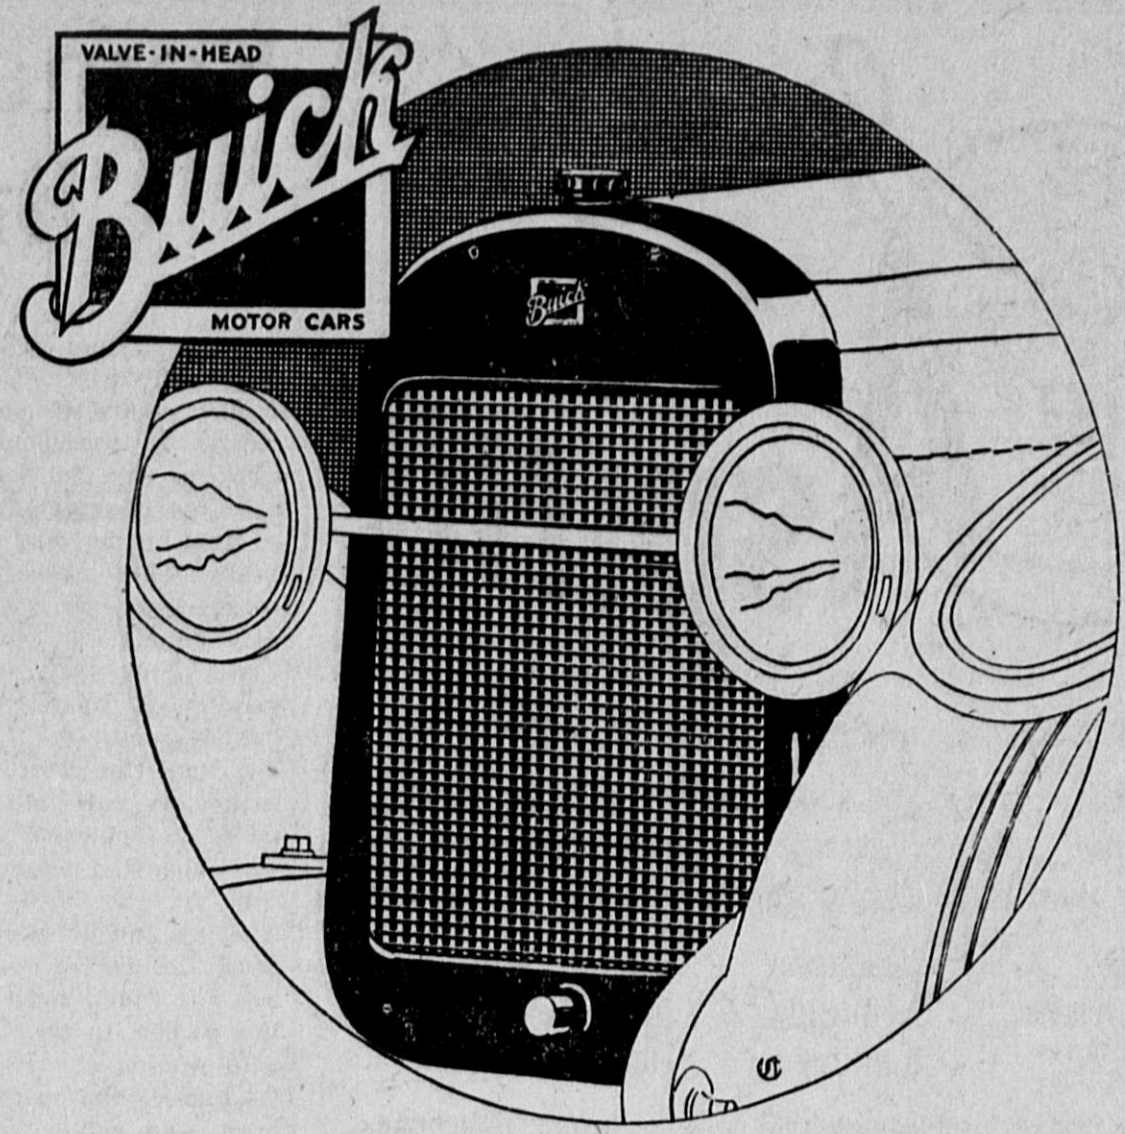

One of the earliest settlers of Sherman township has been called to receive the reward of his long and well spent life in the person of William Kohn. He passed away Saturday at noon. The cause of death being liver trouble and a complication of diseases.

Mr. Kohn was born at Retzine, Germany, October, 18, 1852, and was at the time of his death 68 years, 11 months and 20 days old. He came to this country when 21 years old and worked for a while at Philadelphia and Chicago and in the summer of 1874 he came to Alabaster where he remained a year after which he went to Sherman and took up a homestead upon which place he has lived since that time. He was married to Miss Minnie Draeger April 20, 1879 and to this union eight children were born five of whom are living. They are Mrs. John Kirbitz, Mrs. H. Halstead of Flint, Mrs. Ed. Buchtel of Detroit and George and William of Sherman.

During his lengthy residence in Sherman he became well and favorably known and was well liked by all who came in contact with him. His congenial disposition won for him numerous friends wherever he went and his passing away robs the family of a kind and loving father and husband and the community of one of its most highly respected residents.

Short services were held at his home and on account of being a school officer for many years, school was closed in district No. 1.

The funeral was held at 2:30 Wednesday afternoon at the Emmanuel Lutheran church, Tawas City. Rev. August Kehrberg officiated. The remains were laid to rest in the Lutheran cemetery.

**"Identical!"**  
says Bamboschek

Bamboschek knows every little throb in Muzio's voice. He is the principal conductor of the Metropolitan Opera Company,—and she is the Metropolitan's prima donna soprano. Bamboschek recently heard Muzio compare her voice with its RE-CREATION by the New Edison. This was his signed verdict: "The quality of Miss Muzio's voice and the quality of its RE-CREATION by the New Edison are identical."

**The NEW EDISON**

is the only phonograph which sustains the drastic test of direct comparison with the living artist or artists. It is the only phonograph which brings the actual performances of living artists to your home.

And now this marvelous instrument enables you to utilize the full benefits of music beyond mere entertainment. Under Mr. Edison's direction, famous psychologists have just completed a 2-year research into effects of music on the minds and moods of mankind. **Parachute Long Known.**

The real designer of the parachute was Leonardo da Vinci. In 1500, although at the coronation of the Emperor Fo Kien, as early as 1303, Chinese acrobats were seen to jump from a high scaffolding with huge parachute umbrellas.

**Dreaming of Bandits.**

If they attack you, rely upon your own strength and vigor; if you attack them, beware that some misfortune does not overtake you; to see them, prosperity and riches.
