The home of Mr. and Mrs. Joseph M. Watts was the scene of another pretty wedding on Wednesday afternoon, June 21, when their daughter, Miss Stella McCardell, became the bride of Samuel T. Campbell of Gaylord, Mich., Rev. Joshua Roberts officiating. Mrs. George McCardell of Detroit played the wedding march.

The bride was attired in a gown of canton crepe and crepe silk knit, with a corsage bouquet of sweet peas. Miss Olive McCardell as bridesmaid in pink organdie also wore sweet peas. The groom was attended by Archie McCardell, brother of the bride.

After the ceremony a wedding dinner was served to the immediate family, after which Mr. and Mrs. Campbell left by auto to spend a few days in the southern part of the state before returning to Gaylord, where they will be guests at the home of Mr. and Mrs. Wm. Campbell before moving into their new home on Elm street.

The bride has a large circle of friends in this community who join in wishing the newly married couple a long and happy married life.

COMMENCEMENT

Saturday evening, June 24, at eight o'clock will witness the class day exercises at the Auditorium of one of the most promising graduating classes of the Tawas City high school. Although they are few in number, their splendid achievements along both academic and athletic lines prove their quality.

The members of the class are as follows: Herbert Case, Harold L. Groff, Ronald R. Curry, Wm. Reinka, Olive E. McCardell, Mary C. Robinson, Josephine V. Gauthier, and Louise E. Burgeson, of which Miss Burgeson is president, Miss Robinson, secretary, and Miss McCardell, treasurer.

The following program will be given:

TAWAS CITY SCHOOLS

Tawas City high school promises to have the largest enrollment for the coming year it has ever had.

Each class will have a large enrollment, but the senior class of next year will be larger than any senior class in the history of the high school. Although the number of pupils will be large, the ratio of the students to the teaching force will be more nearly adjusted than most schools can boast, which is an especial asset to the student in making good in his high school subjects.

Our school is on the accredited list of the University of Michigan, protects its students in athletics by the rulings of the Michigan Inter-Scholastic Athletic association, promises to have a Glee club, properly directed, and with the assistance of a majority of last year's basketball team, expects to put on another state championship team. The material for a boy's basketball team is very good and promises to make an excellent record.

The Tawas City school is modern in every way and as a result of many improvements being made, can be excelled by none. Students desiring to enroll or find rooms or board and room will do well to apply early to Travers Ousterhout, superintendent of schools. To those residents in Tawas City who can provide rooms or board students, the school will be very grateful.

Last Sunday evening, June 18, the court house opened its doors to the public of Tawas City and the surrounding community to attend the baccalaureate service. The seniors marched in at eight and took their places on the platform at the north side of the room, with sophomores seated back of them. But long before 7:30 the crowd began to gather.

The room was artistically decorated with the class colors—white and green, and beautiful ferns and flowers surrounding the pulpit. The figures 1922 made from greenery and dotted with daisies were placed on the wall behind the pulpit.

Rev. Cross of the Methodist church gave the invocation, the ladies' quartet rendered a beautiful hymn and Rev. Grimes of the Baptist church delivered the baccalaureate address. It was a splendid address given with a mixture of humor and seriousness that kept the audience interested throughout the evening. Rev. Grimes told the class that although it was an honor to graduate from high school, yet that was only a beginning, and urged them to look upon life seriously not with a long face, but to be energetic and grasp all the good things life was ready to hand out.

The sophomores gave a song of parting, which was well rendered, and Rev. Cross arose to pronounce the benediction. But he had a bit of humor to give the crowd before closing the service, which was appreciated by all present. After the benediction the seniors received congratulations and all went home feeling that this had been an exceptionally interesting baccalaureate service.

HIGH SCHOOL ALUMNI ASSOCIATION REORGANIZED

On Wednesday evening, June 21, at the banquet table of the Iosco hotel, occurred an event that will no doubt be of lasting pleasure to the graduates of old Tawas City high school. Owing to the short time given to preparation, there were but twenty-one graduates with eight friends gathered for the festivities, but the bunch was full of enthusiasm for the Pink and Green of the old school and after about eighteen years of dormancy the association was reorganized into what it is determined will be a permanent working organization. The classes of '91, '05, '09, '11, '13, '14, '15, '18, '21 and '22 were represented and all were positive that their own class was the best that ever graduated.

Isadore Friedman as toastmaster was a fine choice and interspersed the short extemporaneous remarks with laughable take-offs on each speaker. The Knapsack songs were used to fill the chinks and it was surprising to see how many of the old-timers could sing "Whistle and Hoe," "Come, Come Away" and "Juanita" as though they were still singing them every day.

The business session resulted in the election of the following as officers for the ensuing year:

President—Isadore Friedman, '13.
Vice-Pres.—Ina M. Bradley, '05.
Secretary—Jas. F. Mark, '05.
Treas.—Mrs. W. J. Robinson, '91.

It was decided to place the membership fee at one dollar per year, and the secretary will plan to find every graduate and line them up as active members of the alumni association.

Reminiscences of the classes from '89 to the present were enjoyed by everyone.

Dr. Claude Bean, who for two years was a pupil in the local schools, and his brother, Glen, furnished the music for the event, and it was so well done that the grads had to give nine raps for them. After nine raps for the '22 seniors and the singing of "The Star Spangled Banner" the meeting adjourned, vowing that the happy memories must be renewed each year.

The affairs of the school are being very ably taken care of by Supt. Ousterhout and his corps of teachers and the graduates that are acquainted with Mr. Ousterhout are doubly glad that he is to remain with us. He is in a great measure responsible for the reorganization of the association.

CAUSES OF FOREST FIRES

The Forest Service has estimated that of the 5,131 forest fires in the western national forests during the past season, 1,444 were caused by lightning, 732 by smokers and 2,955 by other human agencies. Careless smokers are thought to be responsible for one of the most serious fire hazards in the country. In Canada tobacco manufacturers are now enclosing little red fire-warning slips in their tobacco packages. Similar slips, "Have care with fire in the home and in the forest," are inserted in match boxes by one of the largest match companies, and cartridge boxes by a number of leading small-arms and ammunition manufacturers.

HOTTEST PLACE ON EARTH

Ten years of records obtained at the United States Weather Bureau station at Greenland ranch in Death Valley, Calif., indicate that this is the hottest region in the United States, and probably on earth. The average of extreme maximum temperature reported to the United States Department of Agriculture since 1911 has been 125° F. At Greenland ranch temperatures of 100° F. or higher occur almost daily during June, July and August. The hottest month on record is July, 1917, when the mean temperature was 107.2° F. But the temperature of 134° observed on July 10, 1913, is believed by meteorologists to be the highest natural-air temperature ever recorded with a standard tested thermometer exposed in the shade under approved conditions.

Death Valley is from two to eight miles wide and about 100 miles long lying between high mountain ranges. It is the deepest depression in the United States, some estimates placing its lowest point at 337 feet below sea level. Greenland ranch is 178 feet below sea level. White people find the midsummer heat intolerable and even Indians go up to the Panamint range during July and August.

The normal annual precipitation in Death Valley is less than two inches. Successful agriculture can not be maintained on less than 15 or 20 inches of annual precipitation without the aid of irrigation. A group of springs serve as the source of irrigation water supply for Greenland ranch. The water has a temperature of about 100° F. and is only sufficient to irrigate 70 acres. Four crops of alfalfa are gathered each year. The principal crop of the ranch is dressed meat but experiments are being made in raising poultry and in growing vegetables, dates, citrus and deciduous fruits.

MILLS STATION

Glen Cole visited his grandmother, Mrs. Webster, last Sunday.

Supt. C. C. Callan of Blissfield visited with old friends here last Thursday.

Mrs. C. F. Klump and daughter, Lucile, are visiting with relatives in Detroit.

Mrs. Catherine Duvall left Thursday morning for Onaway to visit with her son.

Miss Mary Hale came home last Saturday from Sandusky, where she has been teaching this year.

Mr. and Mrs. T. J. Warren of Detroit motored through and spent last week with relatives in East Tawas.

The seniors of the East Tawas high school went to Sand Lake for a picnic on Wednesday. All report a splendid time.

The Presbyterian Sunday school has been closed during the remainder of the month of June and the month of July on account of repair work.

The grades of the East Tawas schools had picnics at various places on Wednesday of this week and the first grade and kindergarten on Thursday.

Mrs. Ira A. Case left last Saturday for Flint to visit her daughter, Mrs. Charles Lynch. She will visit with relatives at Strathroy, Ont., Canada, before returning home.

The Swedish Lutheran congregation will enjoy a picnic next Sunday in honor of Rev. Carl Anderson, who will soon leave East Tawas to take up his duties as pastor at Winnipeg, Canada.

A notice in the Detroit Free Press Wednesday morning stated that Judge Widdis had won his appeal to the supreme court and would retain his position as judge of the 23rd judicial district.

Mrs. Alex Ross left Wednesday morning for Clio, Mich., to attend the graduation of her grandson, Donald Harris. She will visit with relatives in Canada for a year before returning to East Tawas.

Supt. and Mrs. J. K. Osgerby and family leave on Saturday for Jackson to visit with Mr. Osgerby's son, Earl. Mr. and Mrs. Osgerby will then go on to Ypsilanti, where they will attend the Michigan State Normal college this summer. They will make the trip by auto.

SENIOR-JUNIOR BANQUET

The senior-junior banquet was held at the guild room of the Episcopal church on Monday evening, and was enjoyed by everyone present.

Musical numbers were given as follows: Violin solo, Evelyn Butler; vocal solos, Neva Butler, accompanist Elmina Cowan. The high school glee club sang "Hail to Commencement Days." Supt. J. K. Osgerby acted as toastmaster. Ralph Marontate, class '23 gave the toast to the seniors, Miss Beulah Ingalls, class '22 responding. Addresses were also given by Mr. Wakeman, C. A. Pinkerton, Mrs. C. E. Edinger, Mr. Fox, Mrs. Osgerby, Jack Johnson and George Price.

Some of the familiar college songs and yells were given at the close of the program.

COMMENCEMENT, IOSCO COUNTY NORMAL

The Iosco County Normal banquet was held at the M. E. church parlors last Friday evening. Several good musical numbers and toasts were given from the representatives of the various classes that had graduated from the county normal.

The banqueters then marched to the Community house, where the commencement exercises were held.

The march was played by George Price and Allan Mitchell.

Rev. C. E. Edinger gave the invocation, Miss Grace Anderson one of the graduates gave a vocal solo, "My Garden of Roses," accompanist Allan Mitchell.

Dr. Pittman of the Michigan State Normal gave the address which was a forceful and interesting lecture. Dr. Pittman spoke of the institutions which had been dominant forces in the life of America up to the present time when the public school which comprises all the ideals of other institutions has its place as the dominating force in the nation. Dr. Pittman also spoke on the county normal motto, "Service," and the high calling of their profession.

After the address the class sang, "Tis Morning," and the county commissioner, Ina M. Bradley presented the diplomas with well chosen remarks.

CLASS DAY PROGRAM

The class day program of the senior class of the East Tawas high school was given at the Community house Tuesday evening. The stage was decorated with crepe paper streamers in old rose and white in the form of a bower with draped roof, the background giving the effect of old rose and silver on account of the play of the lights on the scenery. The class motto, "We Will," in rose and white stood out in shadow effect, as did also the letters E. T. H. S. and 1922—lights back of the emblem and motto shining through. The stage was decorated with bouquets of pink roses, the class flower, and daisies and ferns.

The following program was given: Salutatory A. Maud Phillips

EAST TAWAS HIGH DEFEATS STANDISH HIGH

On Friday, June 16, the high school team journeyed to Standish. The game was played on a very rough field, as the diamond could not be used on account of heavy rains during the morning. The final score was 14 to 2 in favor of East Tawas high school, who slugged Smith, the Standish hurler, for a total of 14 hits.

East Tawas took the lead in the first inning and was never threatened by the opposing team. On account of the condition of the grounds it was agreed to play only five innings.

The Senior Class, twenty-two in number, graduated June 22 from East Tawas high school. The largest and best high school on the shore between Bay City and Alpena. A still larger class is in line for next year. East Tawas high school is not only approved, but highly commended by the University of Michigan. Pupils who finished the 8th or 10th grade elsewhere have the very best opportunity here.

The Iosco County Normal Class graduated Friday, June 16. This County Normal is destined to meet an ever increasing demand for trained teachers and supervisors for rural districts. There is a fine class lined up for next year in this department. If you want to prepare for the new conditions under the new law for certification of teachers, this is your opportunity. Apply to Commissioner Bradley, Tawas City, or Board of Education, East Tawas.

Miss Mary Mielock returned last week from Detroit, where she has been visiting friends.

Rev. E. Sandeen of East Tawas held Swedish Lutheran services at the Union church Sunday.

Mr. and Mrs. Wallace Brown and children spent the week end with Mr. and Mrs. Brugger on the Hemlock.

Edward Mielock and Clara and Mary Mielock attended the normal banquet at East Tawas last Friday night.

Mr. and Mrs. Roy White and Mr. and Mrs. Hansen of Holland spent a few days with Mr. White's parents, Mr. and Mrs. J. H. White.

Mrs. J. L. Brown, son, Norman, and niece, Miss Bertha Hale, motored to Comins Monday for a few days visit with Mrs. Clarence King.

Ernest Lundquist and son, Gerald, of Detroit came Tuesday night to join Mrs. L. and two children, who are visiting her parents, Mr. and Mrs. John A. Anderson.

Mr. and Mrs. Clarence King and two children of Comins, who were called here to attend the funeral of Mrs. King's father, J. L. Brown, returned to their home last Wednesday. They were accompanied by Harley Brown, who will visit there for a time.

Mrs. Johannah Benson, widow of the late Andrew Benson, died Tuesday at the home of her son, Julius Benson, from the infirmities of old age. Her age was 87 years. Three children survive her, Julius and August of Alabaster and Mrs. Carl Cederholm of Iowa, also a number of grandchildren.

Small Birds Form Great Colony. Extraordinary methods are adopted by the little society birds of South Africa in building their nests. The birds are no bigger than a canary, and each pair builds a mud nest of diminutive size. But thousands of them nest in the same tree, and each year a new nest is built, until the branches are covered. Eventually the weight of the nest becomes too great for the tree, and the colony falls; or all available space is occupied and a new colony is started on a tree that is situated nearby.

Why Mr. N. Windsor (R. I.) Put Up with Rats for Years

"Years ago I got some rat poison, which nearly killed our fine watch dog. We put up with rats until a friend told me about Rat-Snap. It surely kills rats, though house pets won't touch it. Rats die up and leave no smell. Prices, 35c, 65c, \$1.35.

Buddhiem's Sacred Place.

Diamond mountain, in Korea, is a sacred place of Buddhism, the priests of which, coming from China in proselyting endeavor, settled there several centuries ago. Because, says the Christian Science Monitor, the Buddhists are tree lovers, E. H. Wilson, on his exploration trip to Korea for the Arnold Arboretum of Boston, found that no woodsman's ax or modern sawmill had invaded this area, and he discovered many new varieties of trees and flowers with which the United States and other countries will be enriched.

To Tell Cow's Age.

It is more difficult to determine the age of a cow than of a horse, say the livestock men at the State College at Ithaca, N. Y. They agree that some estimate of a cow's age may be made from her teeth and horns. The number of "annual rings" on the horns, plus two, for example, usually gives the animal's age, but remembering that the pairs of permanent teeth come nine months apart will help to verify it.

Good Location for a Light.

There are two lights which seem almost necessary in the average kitchen. One is between the windows over the kitchen sink and the other is just inside the hood over the stove so that the light is thrown directly on the top of the stove. If these two lights are properly placed no other light is absolutely needed.

Ordinance No. 74
An ordinance to require any person
who wishes to run a bowling alley, pool
or billiard room for hire, gain or re-
ward in the City of Tawas City to
procure a license and providing for the
payment of license fee to city treas-
urer and forbidding disorderly con-
duct in such place of business and
specifying when such place may be
kept open, forbidding minors from fre-
quencing such places and providing
penalty for violation.
The City of Tawas City ordains:
Sec. I. That it shall be unlawful for
any person to keep or permit to be
kept on or about any premises occu-
pied by him within the limits of Tawas
City any bowling alley, any pool

table, any billiard table or other table
for the purpose of playing any game
for hire, gain or reward or to keep
and maintain any bowling alley, pool
room or billiard room unless the per-
son keeping the same has been granted
a license to do so by the authority of
the city council.
Sec. II. That any person who may
wish to keep any bowling alley, pool
table, billiard table or other table or
pool room or billiard room for the
purpose of playing games for hire, gain
or reward, shall make application to
the city council for a license for the
privilege of doing so, and such license
may be granted upon the approval of
a majority of the members present at
any regular meeting and by the pay-
ment of the fee hereinafter provided
for, but no license shall be granted
for a longer or shorter period than
one year.
Sec. III. That no person shall be
granted such license until he shall
have paid the city treasurer the sum
of fifty dollars.
Sec. IV. That it shall be unlawful
for any person so licensed to at any
time permit or suffer any gaming for
money or other valuable thing within
any bowling alley or pool room or bil-
liard room kept by him, and for any
person to be guilty of gaming or bet-
ting for money or other valuable thing
within such place, and for any person
so licensed to suffer or allow therein
or thereabouts any quarreling or other
noisy and disorderly conduct, and to
keep any such place of business open
or to permit any person or person to
go into such place of business during
any part of the Sabbath or first day
of the week, or before the hour of
seven o'clock in the morning and after
the hour of ten thirty o'clock during
the evening of any day except Satur-
day evenings when they may remain
open until eleven o'clock, and when any
such place of business is closed the
curtains of all the windows and doors
shall be lowered so that any person
may see therein, and to permit any
minor under the age of eighteen years,
without the written consent of his par-
ents or guardian, to stay in such place
and to play and participate in such
games.
Sec. V. That any person who shall
violate this ordinance shall be deemed
guilty of a misdemeanor and upon
conviction thereof shall be liable to
a fine of not less than twenty-five dol-
lars and not to exceed seventy-five
dollars and costs of prosecution or he
may be sentenced to serve not to ex-
ceed ninety days in the county jail
or the Detroit House of Correction,
or both in the discretion of the court,
for each offense, and shall also be
liable to have his license annulled, and
it is further provided that the city
council may at any time on sufficient
proof being made to the council of a
violation of any of the provisions of
this ordinance revoke any license so
granted.
Sec. VI. This ordinance shall take
effect twenty days after its adoption.
Dated Tawas City, Mich., June 19, 1922

Seasoned Autoist.
Virginia is three and one-half years
old. She calls herself "Buddy." Her
father owns an automobile. The other
day while the family was enjoying a
ride, travelling at a rapid speed, the
auto struck a large bump. So violent
was the jolt that it seemed as if
every spring would break. As the car
rolled on Buddy, seated beside her
father, looked up at him with large,
round blue eyes and said: "Daddy,
why don't you say damitohell?"—In-

Handy Bible for Blind.
The American Bible society has an-
nounced it is to bring out a "small
handy volume" of Scripture selections
for the blind.
The pages are 7 by 13 inches, and
the volume will weigh about a pound.
A complete Bible prepared in the em-
bossed system used for the blind
weighs about 150 pounds and comes in
from 11 to 58 volumes.

Adopt United States System.
The American idea of public health
nursing has been formally adopted by
the city council of Warsaw, Poland.
A corps of nurses has been organized
to work with the school doctors ex-
amining children and investigating
health conditions in homes. Fifty
thousand children of local grammar
schools make the first group to come
under this new system.

Rahl—Streeter

A very pretty wedding occurred at the home of Mr. and Mrs. Otto Rahl on Wednesday evening, June 14, when Miss Pearl Beatrice Rahl was united in marriage to Mr. Forrest Streeter, both of Hale. The bride is the daughter of Mr. and Mrs. Wm. H. Rahl, proprietors of the ice cream parlor at Hale, and the groom is a son of Mr. Elmer Streeter, general merchant of Hale.
At 7:30 o'clock the bridal party entered the parlor to the strains of the wedding march played by Mrs. O. W. Rahl, and took their position in a semi-circle in the corner of the room. Rev. Hughes, pastor of the Methodist church read the ceremony, the ring service being used. Pink and white formed the color scheme.
The bride was attired in a gown of white satin trimmed with silver lace. The veil was held in place by a wreath of swansonia. She carried a shower bouquet of swansonia and white roses. The bridesmaids were Miss Alice Rahl, sister of the bride, and Miss Fern Yawger. The groomsmen were Glenwood Streeter, a brother of the groom, and David Bernard. The bridesmaids wore dresses of pink organdy and wore corsage bouquets of sweet peas.
At 8:30 the guests were invited to the dining room where they found a long table fairly groaning under the weight of good things to eat. Suspended from the ceiling were two streamers of pink and white, which were fastened to two large cakes, one on each side of the table, representing the bride and groom. Bowls of pink and white cut flowers adorned the tables in the various rooms. The bride received a goodly number of useful and beautiful presents, among which were silverware, cut glass and table linen.
Those present to enjoy the evening's entertainment were Mrs. Wm. H. Rahl, (Mr. Rahl was not able to be present on account of illness), Mr. and Mrs. Otto Rahl, Mr. and Mrs. Elmer Streeter and two children, Morris and Olive, Mr. and Mrs. S. B. Yawger, Mr. and Mrs. Frank Bernard, Mr. and Mrs. James Sabin and three children, Rev. and Mrs. Hughes, Misses Alice Rahl and Fern Yawger, Glenwood Streeter and David Bernard.
The bride and groom are both well and favorably known in the community and have a host of friends who join in extending congratulations and best

wishes for a long and happy married life.
After a short wedding trip to Battle Creek Mr. and Mrs. Streeter will be at home to their friends at the Loud Site dam.

SAVED HER PENCIL SUPPLY

Extremely Masculine Office Force Shield Off Busy Stenographer's Shade of Delicate Lavender.

Part of every morning in the Busy Stenographer's life went toward collecting her precious pencils from everybody else's desk. Of course she never could prove these really were her own. The big fact was that at the end of the day her supply was always nil.
Feminine wit met the problem. Of course the men in her office classed themselves as very masculine; went in for striped neckties and checked suits, scoured tea rooms for lunch, but knew every chop house within a score of blocks—real men stuff, you know.
One morning the Busy Stenographer came in with a new package of pencils. She sharpened them carefully and laid them in readiness on her desk. The day sped by. Her pencils were borrowed—but returned. From the far end of the office the office boy came during the afternoon. "Hey, Miss Blank, isn't this one of your pencils? I thought you might be lookin' fer it!"
At the close of the day the supply was still intact. The color of the wood was delicately lavender.—Pittsburgh Dispatch.

He Is Not Yet Crowned.

The news that something in the nature of a tentative offer to the throne of Albania has been made to Jerome Napoleon Bonaparte is a reminder that the Bonapartes have long had a close connection with America. This connection began with the Bonaparte who was made king of Westphalia by the first Napoleon, of whom he was the youngest brother. This Jerome Bonaparte settled in the United States after being exiled from France by his brother, and remained until his appointment as king. In 1807. The present bearer of the name, who has come into prominence, is a great-grandson of the king, and a nephew of Charles J. Bonaparte, who was attorney general in the cabinet of President Roosevelt. It would be odd indeed if a plain citizen of democratic America should now become a European king.

After Many Years.

A proposed wing of the American Museum of Natural Sciences in New York, which was commenced nine years ago and abandoned for lack of funds, is about to be started in earnest, the money having been secured for the work. At that time the foundations were laid, but when the expenditure for this had been consumed the work was stopped. The new wing will be used mainly for the housing of the marine exhibit of the institution, which is very extensive, but which has heretofore been boxed up for the lack of space to properly exhibit it.

Inverted Steam Hammer.

A decidedly novel use of a steam hammer is to make it pull out of the ground steel sheet piling that it had previously driven into it. This was done recently with some piling that had become so tightly frozen in that it could not be pulled out by the derrick alone. The steam hammer was hung upside down from the derrick, and around the hammer four strands of three-quarter inch cable were slung so that they carried below the hammer a clevis that was bolted through the eye of the piling.—Popular Mechanics Magazine.

New Colonization Planned.

That the Mexican federal authorities have in view a vast colonization project in Lower California, by which it is hoped to solve the problem created by the great number of unemployed Mexicans at present, was the interesting statement recently made by the secretary of the Interior, General Plutarco Elias Calles. The plan is to allot arable land to each colonist, which will involve irrigation work on a large scale.

Really Something of a Mystery. "Lawyers," said Uncle Eben, "mostly acts so unpleasant cross-examinin' folks dat I can't see how so many of 'em gets popular enough to be elected to office."

BLISSFIELD—EAST TAWAS

Blissfield high school baseball team, the champions of southern Michigan, motored to East Tawas last Thursday to play East Tawas high. The East Tawas boys showed some fine baseball in the early innings, but too eager to win, cracked, and the result was defeat. East Tawas outfit Blissfield 10 hits to their 5, but were unable to score through the errorless fielding of Blissfield. Mr. Callan, the former superintendent of East Tawas, was the coach for Blissfield.
The first three innings went fast, Blissfield scoring once. Then in the 4th Blissfield scored four more on a timely hit, a walk and errors.
In the 5th inning Marontate singled stole second and third and scored on an overthrow. Also in the 6th he scored in the same manner.
The 7th big inning Marontate singled, Boldt walked and Harwood reached first on the play home. Nielsen doubled scoring two runners. The Blissfield team had scored two more runs.
The 9th inning looked like it would be a battle royal, but a walk, a single and a double netted 2 runs, a lead which East Tawas could not overcome. East Tawas earned four runs and Blissfield two. Score:
1 2 3 4 5 6 7 8 9 R H E
Blissfield 0 0 0 1 4 2 0 0 2 9 5 5
E. Tawas 0 0 0 0 1 0 2 0 2 6 10 11
Batteries—Blissfield, Zinizer and Myers. East Tawas, Swales and Johnson.

EAST TAWAS 10, OMER 5

East Tawas went into a tie for first place with Oscoda by beating Omer 10 to 5 in a loose game. With Halligan in the box and Boldt at the receiving end our team held a safe margin all the way. Omer scored their runs late in the game and were aided when Littleton got a home run on a lost ball to center field. Arthur Dillon got a nice drive to deep left field. Later in the game he had to retire when hit by a thrown ball and Swales took his place in right field. Next Sunday the boys will go to Oscoda to couple up with the fast team from the north end of the county.

LIVE STOCK EXCHANGE GIVING GOOD SERVICE

The following from a letter from Fred C. Latta, secretary-manager of the Grange Co-Operative association of Isosco county, will be of interest to live stock shippers:
"The Michigan Livestock Com. Co. is giving us most excellent service, selling for us 31 out of 33 calves, top averaging \$20.00 net, this week.
"Last week they sold one-third of the stock in the yards at Detroit. This shows what can be done when farmers back their organization.
"It seems to me the live stock situation looks much better, especially for the man who feeds liberally to well bred stock."
