Locke, a former prominent Tawas mill owner and merchant.

As much information as possible will be given out pertaining to the Caravan Tour home July 2, and the celebration of the Fourth as arrangements will call for.

C. R. Jackson, Jr., president of the to greet the class of 1925," urges Jas. association, I want to urge that a representative from Tawas City come down to attend the party, and appease the always predominant desire of the members to hear a "voice from home." ## BASEBALL GAMES POSTPONED

Unfavorable weather last Sunday morning prompted the management of both the Tawas and Twining teams to cancel the ball games for that afternoon. The constitution provides that the visiting team and the president of the league are to be notified before 10:00 o'clock in case of rain or cold weather and at 10:00 o'clock Sunday morning about the best estimate of the afternoon's weather was "snow if it warms up."

As the weather turned out it would have been easily possible to have played ball at Tawas Beach where the diamond is protected by the heavy woods, but playing at Twining would have been very uncomfortable.

Arrangements have been made to play the postponed Harrisville game on Saturday, May 30. Fans from this section of the county will be able to see good baseball played two days in succession, Twining coming to the local diamond on May 31.

The Tawas team journeys to Alabaster next Sunday to play the White City aggregation of college stars and the following Sunday will be at home to Twining, last years champions.

The list of players will not be closed until July 12 and all players who would like to make the team are urged to get out to practice at Tawas Beach at 4:00 o'clock on Tuesdays and Thursdays. Our list will be published next week.

## SUNDAY SCHOOL FORCES TO MEET

### Workers and Others Invited to East Tawas, Tuesday, June 2nd

A meeting of the Sunday School forces of Isosco county will be held at the Presbyterian church, East Tawas on June 2nd. The program will be published next week.

"Let every pastor, superintendent and teacher plan to be present throughout the day," urges J. A. Nisbet, president of the County Sunday school association.

"This is the work of all the churches. Thirty-five of all the leading denominations in the United States have banded together to carry on this work. Each denomination elects representatives for the executive board. In Michigan seventeen of the leading denominations have united under the name 'Michigan Sunday School Council of Religious Education.' So its the work of your church.

"Over one-half of the boys and girls of Michigan are receiving no religious instruction whatever and one reason for this is the inadequate instruction the Sunday schools are giving. The greatest asset this nation has today are her boys and girls properly trained. Greater even than her primeval forests or her mines or her rolling plains or any of her vast resources.

"The great crime wave that seems to be sweeping over the country is the result of these boys and girls not properly trained. The state council of Religious Education is sending its young people's expert, Clarence N. Wright, to this convention in the hope that Isosco's young people may be reached."

- M. E. CHURCH**

Sunday morning, 11:15 a. m., Tawas City—Sunday school.  
Sunday evening, 7:30 p. m., Tawas City. Subject: "The Triumph of Faith."

To these services we especially invite you, and we want you to go where the crowd is going. All seats are free, and we offer to everybody alike all the glorious privileges of our church. If you belong to some church that you never can conveniently attend, why not unite with us? Why go along without a vital connection with the church when you could do so much good in this church, is it fair to yourself, church, and your Lord? We have good singing, a cheerful lot of folks, and you will always hear the gospel according to the Bible. Come!

To the young people—We are having our monthly social on Saturday, when we ask you all to meet at the church about 3:30 in the afternoon, ready for a nice trip to Sand Lake, where we shall have a lunch, and play games of various kinds. If you miss this you will miss one of the very best times of your life. To get to know more about these things you should attend our young people's meeting every Thursday in the church. There is nothing like them to be found anywhere else. Please be sure to look for the M. E. church notes next week in this paper. We are preparing a wonderful program for Memorial Sunday, you be on the look out.

The ladies of our church will serve a supper at the Masonic hall next Wednesday evening.  
George Smith, Minister.

**Lower First Cost and Upkeep**

There is a double economy in the Ford Car that materially lowers the cost of motoring for the millions of Ford owners today.

**First**—a Ford Car is the lowest priced on the market—the least expensive car the automotive industry has ever produced.

**Second**—it costs less to operate and maintain. Fuel consumption is low—you get high mileage from tires. Repairs and replacements are infrequent; and charges, even for the labor involved, are small.

The Ford Weekly Purchase Plan makes it possible for anyone to buy a Ford on the easiest of terms. You may pay for your Ford out of your regular earnings. Ask any authorized Ford dealer about the details of this plan or write us direct, using this coupon.

Runabout \$260, Touring Car \$290, Coupe \$520, Tudor Sedan \$580  
All prices f. o. b. Detroit. On open cars demountable rims and starter are \$85 extra
