EDMUND CONNOR PROMINENT IN LEGION AFFAIRS

"Broadside and Barrage," published in the interest of Aloyz Cudworth Post, American Legion, of Milwaukee, carries the following sketch about Capt. Edmund M. Connor, who is a prominent Legionnaire of that city.

"Mike" says he has too much time on his hand and wants to add a few more duties to the jobs he is now handling for the Post, i. e., Post Service Officer and Chairman of the Membership Committee. The original Freckles shown in the above picture came into the world with Mike on May 13, 1887, at Tawas City, Mich.

Mrs. Connor, who was an army nurse in the A. E. F., experiences a great deal of difficulty in keeping Mike's appetite in trim. He is very little, only weighing about 225 pounds on the hoof.

"Mike enlisted in the 3rd Infantry Michigan National Guard, on May 5, 1905, and re-enlisted in 1916 for Mexican Border Service, where he was commissioned a 2nd Lieutenant and assigned to the 23rd U. S. Infantry and attached to the Pershing Punitive Expedition into Mexico, with Truck Train No. 67, one of the first motor truck trains ever used by the army. Later Mike was one of a board of three officers who wrote up the original Tables of Organization for Army Truck Trains (and it is being used today in this same form).

"Mike served with the 32nd Division and was discharged as Captain of the old Irish company "B" 125th Infantry, the first company on the Kriemheld-Stellung Line at "Cote dame Marie."

"Mike is especially proud of the fact that he is the father of four strapping boys, which he calls "the front rank of a Connor squad." This shows he is an optimist.

"Milwaukee County relief work for former soldiers is closely identified with him. We feel safe in saying that he has put more time and effort into that work than any individual in the city.

"Last, but not least,—if Mike says he will see that something or other is done,—it is done.

"He didn't tell us so, but we found out after considerable investigation that he sells automobiles for the Shogren-Thomas Company. Also, we learned that he was selling automobiles when the first one lingers were placed on the market.

"Way back when." In this as in everything, he tackles, he makes a thorough and reliable stand-by."

ST. JOSEPH SCHOOL PLACED ON U. of M. ACCREDITED LIST

Rev. E. A. Brogger has received notice from E. B. Edmundson, secretary of the Committee for Accrediting Schools of the University of Michigan, that affiliation has again been granted to St. Joseph High School, this time for a term of two years, or until June 30th, 1930.

This gives St. Joseph School a unique place among the schools of Michigan, for it is unusual for a school so lately established and so small in number to be granted a term of two years.

\$10.00 REWARD

Will be paid for information of the parents whose offspring broke the globe and electric bulb of Charles Dixon's front porch.

Right teaching at home would prevent regrettable deeds of this nature. L. H. Emerson.

WASHINGTON BEST DESERVES TITLE OF "RIDING PRESIDENT"

Speak of a "riding president" and one naturally thinks of the former ranchman and Rough Rider who occupied the White House from 1901 to 1909. So it will be a surprise to many Americans to learn that perhaps the greatest rider of them all was not Theodore Roosevelt but George Washington.

This fact and many other interesting ones about the early life of the man, whose birthday Americans will be celebrating, is emphasized in an illustrated feature article, "Young Colonial Named" by Elmo Scott Watson in this issue of The Herald. Be sure to read it.

ZION LUTHERAN CHURCH

Holy Communion will be celebrated in the German service Sunday morning.

9:00 a. m.—Confessional service. 9:30 a. m.—German service. 10:30 a. m.—English service.

CARD OF THANKS

We take this means of expressing our deep appreciation to the many friends and neighbors for the many acts of kindness and sympathy shown us in our sorrow over the loss of our dear son and brother.

Mr. and Mrs. John McArdle, Mr. and Mrs. Eugene McCarthy, Mr. and Mrs. John Katterman, and family, and Mr. and Mrs. John McArdle, Jr. and family

SCHOOL NOTES

The members of our boys' basketball team are planning to journey to Harrisville Friday evening to play the Harrisville High School boys' team. Our team played them once before and won by a score of 6 to 8.

The Peppy Stitches held their first exhibition last Friday, all of the girls exhibiting the work completed so far this school year. Because of the fact that one of the judges was absent, the work could not be judged properly, and therefore no winner was announced. The girls have now started work on dress patterns, which they hope to complete in the near future.

The 9th grade General Science Class is studying the magazine, "Current Science" every Wednesday. We hope by this means to keep in touch with the present day science.

The high school held special exercises Monday in recognition of Lincoln's birthday. The following program was followed: "America, the Beautiful," assembly; "The Star" (continued on last page)

WRECK MOTOR ICE BOAT AFTER DAY'S TRIAL DRIVING

W. C. Roach purchased a new motor driven ice boat last week. The boat developed great speed on the bay and proved to be a thrill-er, and was in use all day Saturday. In order to start the motor the propeller blade at the rear had to be whirled. When starting the boat for a final ride in the evening, Waldo Leslie whirled the propeller blade, but was not quick enough to get in the boat, and it left him. The runaway boat damaged itself somewhat, and a new propeller blade is required.

WHITTEMORE HIGH TO HAVE LYCEUM COURSE

The Whittemore High School will present three numbers of the Interstate Lyceum Bureau this year. The first number will be "Frye and Company," on February 22, over the "Roll-Inn." The second number will be March 21, and the third "Jubilee Singers," later in the spring.

INDOOR LAWN FETE

At the M. E. Church, February 29. Come and enjoy a good feed and spend the evening with us.

M. E. CHURCH

Morning worship—10:00 a. m. Bible school—11:15 a. m. Epworth League—6:00 p. m. Evening worship—7:00 p. m. Junior choir practice Friday at 3:30 p. m. at the home of Mrs. J. F. Mark.

Rev. Hagle of East Tawas will speak at the evening service on "The Negro of the South."

The public is cordially invited to join in the worship of all services.

GO TO OSCODA

Selfridge fliers arrived Monday at Oscoda, the first leg of their northern Michigan tour. The group was quartered at the Inn and on Tuesday evening a dance was given in its honor.

The schedule of stops for the fliers on the trip includes Sault Ste. Marie and various towns along the western shore of Michigan.

ALABASTER WILL ENTER TOURNAMENT

Next week, February 23, 24 and 25, Oscoda Auditorium will be the seat of one of the most interesting basketball tournaments that this section of the country has ever witnessed.

The tournament is to last three days, games to be played only in the evening, the first round Thursday night, semi-finals Friday night and the finals Saturday night. Games will start each evening at 7:30 Eastern time.

In the semi-finals the girls will take a part, Harrisville playing Whittemore, East Tawas meeting Oscoda. The winners will play for the girls' championship on Saturday night.

In the boys division, the first round will start with Oscoda vs. Whittemore and Alabaster vs. St. Joseph. The winner in the first game plays Harrisville and the winner of the latter plays East Tawas on Friday night. The teams carrying off the honors in the semi-finals will battle for the boys' championship in the finals on Saturday night. William A. Crowe will referee all games.

NATIONAL GYPSUM CO. IMPROVES PLANT

Excavation is now under way at the National Gypsum Company plant for the foundations for two more "kettles." A new giant rock crusher has been installed. Material is now arriving for the installation of Bailey coils in the wall board plant, which are expected to greatly increase the capacity of this department. A new shovel has been purchased for the quarry and an order has been placed for a new locomotive. A 40x80 storage building is now under construction.

With the exception of a short period during the holidays and the early part of January, the National Gypsum company plant has been running at capacity.

TWENTIETH CENTURY CLUB

Club was held in the club rooms February 4. Miss Robinson wrote a very interesting paper on the Natural Resources of Alaska. Miss Robinson, not being here, sent the paper to Mrs. Horton to be read. Mrs. Pringle gave a very inspiring paper on the schools and churches of Alaska. Both papers were splendid and much enjoyed.

Club will meet February 18 in the club rooms. This is our annual meeting and election of officers. Everyone try to be present.

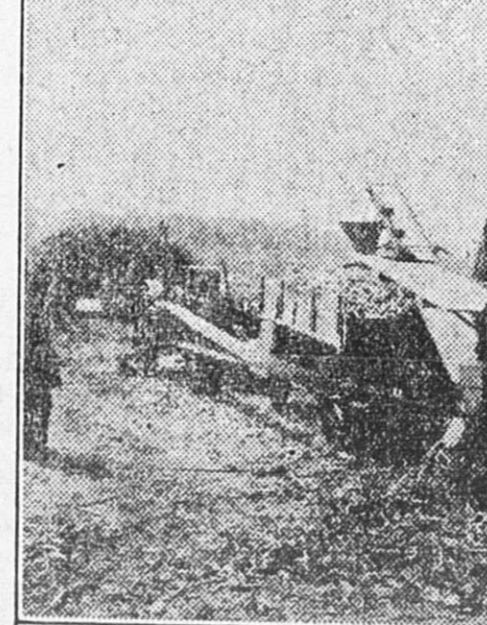

SELFRIDGE FLIERS

GO TO OSCODA

Selfridge fliers arrived Monday at Oscoda, the first leg of their northern Michigan tour. The group was quartered at the Inn and on Tuesday evening a dance was given in its honor.

The schedule of stops for the fliers on the trip includes Sault Ste. Marie and various towns along the western shore of Michigan.

BORER CONTROL IS PROFITABLE

Shredding, ensiling, or grinding cornstalks is good farming and means death to the corn borer. Such practices utilize all parts of the corn plant for feed. Although the borer is said to have more than the nine lives of a cat, it can not stand this racket. The shredder and ensilage cutter were both effective weapons in controlling the pest in the infested area of the State last fall.

EAST TAWAS HIGH MUSIC CLUB GIVES MUSICAL COMEDY

The musical comedy, "El Bandido," presented by the East Tawas High School Music Club last Friday evening, February 10 at the Community House, was greeted by a capacity audience. The presentation of the comedy followed several weeks of continuous practice under the direction of Miss Mabel Bowlers, and the results were very pleasing. Miss Ethelwyne Pollard was piano accompanist.

The play, as its name signifies, was Spanish, and was enacted in corresponding costume and setting. The role of the leading lady, Senorita Cyrilla, was charmingly portrayed by Miss Ruth Kasischke. Norman Merschel played opposite her. Important comic parts were taken by Myrton Curry and Arland Bigelow. Charles Colby and Miss Dorine Pollard also had important roles. These, with a chorus of a number of boys and girls, composed the cast of the play.

The presentation of the feature play was preceded by a Story Book Ball given by 40 little boys and girls of the school.

SHALL WE TEACH OUR CHILDREN OF SANTA CLAUS?

In his book, "The Pupil," Luther Weigle strongly condemns the teaching of Santa Claus. The majority of the Tawas City Leadership Training Class disagreed with Mr. Weigle as evidenced by an interesting discussion at a recent class session.

Each Friday afternoon the class assembled at the home of Mrs. Mae Dease for a two hour study of "The Pupil" and "The New Testament." The work is interdenominational and visitors are welcome.

The Mesdames Ervin and Wm. Ulman, Olive Davison and Pringle of the L. D. S. church are taking the courses; Mrs. Alice Curry, Mrs. Annabel Davidson, Mrs. Lucille Stevens, Mrs. Muriel Horton, Miss Worden and Mrs. McLean represent the Methodists; from the Baptist Sunday school come the Mesdames Prescott, Dease, Bigelow, Hamilton, Braddock and Boomer and Miss Bessie Metcalf; Miss Celia Smith of the Hemlock Road and Mrs. Helen N. Shattuck of East Tawas are also members of the class.

Visitors have included Mrs. Brown and Mrs. Moore of Tawas City, Mrs. Evans and Mrs. McKenzie of East Tawas, Mrs. Nye and Mrs. Dean of Rose City.

Rev. Metcalf has proved himself an instructor who is thoroughly conversant with the subject matter and endowed with a kindly interest and a keen sense of humor.

L. D. S. CHURCH

10:00 a. m.—Sunday school, M. A. Sommerfield, superintendent. 11:00 a. m.—Prayer services. 7:30 p. m.—Preaching by the pastor. Subject—"A Living Church—Is It Essential?"

Jesus said in Matt., Chapt. 16, v. 26, "For what is a man profited if he shall gain the whole world and lose his own soul? Or what shall a man give in exchange for his own soul?"

James says in James, Chapt. 2, v. 26, "The body without the spirit is dead."

Jesus says in John, Chapt. 10, v. 10, "I am come that they might have life, and that they might have it more abundantly."

Paul said in Colossian, Chapt. 1, v. 18, "And He is the head of the body of the church, who is the beginning of the firstborn from the dead." In v. 21 he says, "For His body sake, which is the church."

You are invited to come. As the Apostle Paul said, "Prove all things. Hold fast to that which is good." You will always find a cordial welcome.

BAPTIST CHURCH

Dodge Brothers Victory Six is not only a new car but an entirely new and better kind of a car. For the first time in history, body and chassis are a single, integral unit. The wide, deep Victory chassis frame, flush with the body lines, eliminates the body sill and the customary body OVERHANG. Major body parts are reduced from 367 to 81 175 pounds of useless weight are cast off! The gravity center is radically lowered—with head-room and road clearance unaffected. The results can not be expressed—they must be experienced. No unpleasant skidding or sidesway at the corners. No back-wheel "chatter" when the Lockheed Hydraulic brakes are quickly applied. A smoothness over cobble roads that you have never imagined possible. A swift car that is safe—a moderate-priced car that is unsurpassed in smartness and individuality.

"NEST-EGG" is an allusion to the custom of placing an egg in the hen's nest to induce her to lay her eggs there. Similarly if a person has saved a little money it serves as inducement to him to add to his store. And so the expression has come to mean something laid up as the beginning of a fund or as a reserve. The nest-egg is like a decoy or an artificial inducement to continue to increase the collection.—Anna S. Turquist. (© 1927, by Western Newspaper Union.)

The Sandman Story by Martha Martin

A TALK ON ELEPHANTS

"I WANT to give a little talk on elephants," said Mrs. Elephant, "for to my elephantine mind there is nothing so interesting."
"And we want to hear you talk, too," said the other elephants.
Now all these elephants were in the circus and they were waving their heads back and forth, swaying very gracefully.

"Elephants Are Smart and They Have Good Memories."

"You know," Mrs. Elephant continued, "I am from India in the first place. That is to say India was the first place I was ever in, and little did I think in those days that I would travel so much."
"I had no idea that I would see towns and towns and towns. Oh, the towns I have seen and the people I have seen! How many there have been."
"I have seen so many small boys and small girls, so many fathers and mothers, so many big sisters and so many big brothers."
"Also I have seen a good many medium-sized brothers and sisters."
"Now some people will often say something unfair of an animal family when they may have known only one member of that family. They may say that that kind of an animal is cross and angry, or perhaps stupid. That always annoys me so."
"You've got to judge from the great number and not from one or two."
(Copyright.)

"It would not be fair if we saw one little girl who was a cry-baby to call all little girls cry-babies."
"And it would not be fair if we saw one little boy who was a bully to say all little boys are the same."
"So it is not true to say of animals that they are a certain way if one is judging from only one or two they have known."
"Now, elephants are smart and they have good memories. That is the truth. Sometimes they get very angry. They do not forgive injuries, but neither do they forget kindnesses."
"Sometimes we are very naughty. I remember one time I knocked over some wagons—nothing was in them—for the fun of the thing, and then I saw how distressed and sad my circus keeper looked."
"But I am so strong it is hard for me to realize that it is naughty to be playful with little things such as empty wagons! Very hard, indeed, for me to realize that."
"We do a great deal of work in India in loading and in hauling goods about, and here in the circus help load and unload."
"It is fun, too. We always know just what to do and we go about it without any waste of time or words or effort. We are very popular with the circus and if we're naughty once in a while our keeper understands."
"They say that our cousins in the zoo seem so smart to their keepers. The keepers say it is more wonderful for elephants to do all these smart things than for animals who have been with human beings all their lives."
"Our zoo cousins will close the doors leading into their yards if they are cold and they take hold of the hose when they want to drink (first they turn it on) and then they save themselves all the trouble of filling their trunks and then pouring the water down their throats."
"This way of the hose is so much more direct."
"But I was talking at first about my travels. And, of course, this is true of all of us."
"How we have gone through the different towns, seeing the people and having them gaze upon us!"
"How they have looked at us with wonder, and in every town it is the same."
"Some creatures may travel, but they aren't noticed in every place they go—if in any place. They may walk through the towns and no one will look at them the second time, but is an elephant looked at a second time?"
"Ah, yes, to be a traveled elephant is a great thing both for the elephant and for those who have seen the elephant!"

Mrs. Austin Allen and Mrs. Joe Rapp visited on Saturday with Mrs. Geo. Gates in Tawas City.
Miss Worden and Mr. Ford met with the Greenwood School Board on Wednesday.
On Wednesday evening about 20 neighbors and friends walked in and sprang a surprise on Mr. and Mrs. E. W. Latham. The evening was spent in music and games, after which lunch was served. Everyone departed for his different home at a late hour.
Some from here attended the party at Geo. Redman's Saturday evening and some attended the dance at Alabaster.
Earl Daugherty returned Sunday to his work in Flint, after a week's visit with his mother, Mrs. L. D. Watts.
Lester Biggs and Clifford Hays of Saginaw spent the week end with their families.
W. VanSickle spent a few days last week in Saginaw.
Harry VanPatten and Mr. Sloan, County Road Engineer, left Monday for Ann Arbor on business for the week.
Tuesday being Valentine day, a number of ladies and their husbands visited school. The program given by the teacher and pupils was much enjoyed, after which a pie-eating contest between John Kendall and Alton Durant took place. Eating the pie with their hands tied behind their backs proved very exciting to both the contestants and the audience. After this, the ladies served peanuts, candy and popcorn, with an apple dive that was much enjoyed by all.

The POLICY of PROGRESS

A STATEMENT by GENERAL MOTORS

IT is the policy of General Motors to maintain continuous improvement, in every one of its car divisions, with no interruption in production.

This means that you enjoy the benefits of new engineering developments promptly — just as soon as they have been thoroughly tested on the 1245-acre Proving Ground.

It means that you can now order the new Chevrolet, Pontiac, Oldsmobile, Oakland, Buick, LaSalle, Cadillac, or GMC Truck, and receive immediate delivery.

Behind this policy of continuous improvement is an organization so widespread and resourceful that it can make and sell quality automobiles more economically than any automobile manufacturer in the world.

In the north and south it logs and mills its own lumber. In the east it makes its own ball bearings and radiators. In the middle west it produces its own plate glass. Its plants are busy in 33 important American cities.

From almost 5,000 suppliers, its materials are obtained—steel by the hundreds of thousands of tons—wire by the tens of thousands of miles—upholstery by the acre—nuts, bolts and washers by the millions. Its sales and service take place through 33,000 dealers. More than 275,000 families look directly to General Motors for their livelihood—almost a million and a half men, women and children in every community in the land.

Meaning so much to so many, General Motors has felt a supreme obligation to look ahead.

Are there methods by which General Motors cars can be better built to better serve?

Are there new ideas which can increase the utility and pleasure and safety of motoring?

Are there new materials which can add to owner satisfaction?

Such are the questions that all General Motors engineers have always asked. The answers have made it possible, year after year, to offer an increasing measure of beauty in design, modern performance, riding comfort and distinct style. Thus in every price class, from Cadillac to Chevrolet, purchasers are constantly benefiting from the General Motors policy of progress.

Long Distance Rates are Surprisingly Low . . . For Instance

for \$1.40 Or Less, After 8:30 P. M.,

You can call the following points and talk for THREE MINUTES at the rates shown. Rates to other distant points are proportionately low.

FROM TAWAS CITY TO	Station-to-Station Rate
ASHLAND, ILL.	\$1.10
Des MOINES, IOWA	1.30
ALEXANDRIA, ONT.	1.10
COLUMBUS, MO.	1.40
BALTIMORE, MD.	1.15
NEW YORK CITY	1.30
BOSTON	1.40
ATLANTIC CITY	1.30

The rates quoted above are Station-to-Station night rates, effective from 8:30 p. m. to 4:30 a. m.

A Station-to-Station call is one that is made to a certain telephone, rather than to some person in particular.

If you do not know the number of the distant telephone, give the operator the name and address and specify that you will talk with "anyone" who answers at the called telephone.

Day rates, 4:30 a. m. to 7 p. m., and evening rates, 7 p. m. to 8:30 p. m., are higher than night rates.

A Person-to-Person call, because more work is involved, costs more than a Station-to-Station call. The rate on a Person-to-Person call is the same at all hours.
