STATE TO SECURE BIDS ON ROAD IN COUNTY

The state has authorized that proposals be secured for the construction of the proposed extension of the Hemlock road. The road will be improved to the Ogemaw county line, and the extension will be about seven miles in length.

The surveys, plans of grades and bridges for the road have been completed and on file for some time. This is one of the important uncompleted links in the Tawas-Manistee road.

According to a report published in the Michigan Roads and Pavements, an official road publication, U. S. 23, from a point 2.5 miles south of Standish and from Standish to Omer, a distance of 6.5 miles, will be paved this coming Spring and Summer months. This also includes the grade separation south of Standish, though only the bridge construction and grading will take place here, allowing a year to intervene between this work and the laying of the pavement.

COMMISSIONERS REJECT BIDS ON NEW ROAD

Last Saturday morning, the Board of Road Commissioners opened the proposals received for the construction of an extension of the Sand Lake road, between the Hemlock and Meadow roads. Four bids were received, but the commissioners decided that they were too high and all were rejected.

The road will be built by the Board of County Road Commissioners.

"HAM and EGGS" at the FRONT

SHOWS NEGRO PART IN WAR
Something entirely unique is claimed to have been brought to the screen in Warner Bros' production, "Ham and Eggs at the Front," which comes to the State Theatre Sunday and Monday.

Director Roy Del Ruth has assembled a cast of famous black-face artists and with them interpreted the peculiarly humorous angle from which the American negro saw and participated in the World War. Although the picture has its beginning and end in America, the chief locales are the trenches and the rest billets a short way behind them in France.

For the first time the laughable and lovable characteristics of colored folks, which have been so thoroughly treated in literature and on the stage, are brought to the screen.

The cast of "Ham and Eggs at the Front" is headed by two comedians of renown in the film world. They are Tom Wilson and Heinie Conklin, who appear for the first time in a make-up of burnt cork. The role of the dusky mademoiselle is played by Myrna Loy, and this is said to be the most remarkable characterization yet given by this actress whose work in recent Warner pictures has attracted unusual notice.

BASEBALL MEETING

All persons interested in baseball are requested to attend a meeting to be held at the City Hall on Tuesday evening, March 27, at 7:30. A large turn-out is desired to discuss various problems prior to the opening of the season.

The Prescott Bible class held its annual business meeting Thursday evening, March 15, at the home of Mr. and Mrs. A. A. Bigelow. 14 members were present. After the devotional and business meeting the following officers were elected for the ensuing year: President, Mrs. A. Bigelow; Vice-President, Archie Colby; Secretary, Mrs. Archie Colby; Treasurer, Mrs. Lucy Brown. A dainty luncheon was served by the Menu Committee.

IOSCO COUNTY 1927 TAX COLLECTIONS

The following list shows the taxes spread on the tax rolls of each city and township of Iosco County for 1927, the amount of taxes collected and the percentage of collection. The amount on the East Tawas tax roll, however, does not include the city tax collected last summer, as a separate tax roll is used and only the uncollected city tax is spread on the fall tax roll. Contrary to general expectation, the collection is better this year than last. Oscoda, which has the largest tax roll, leads again with the largest percentage of collection.

SCHOOL NOTES

The Freshmen will entertain the Sophomores and teachers at an Easter party in the high school Friday evening from 7:00 to 8:00.

Irvin Burtzloff and Violet Brown are back in school after serious illness.

We are glad to hear that Delta Leslie is on a rapid road to recovery. We hope she will be back in school soon.

There were 18 boys out at the first baseball meeting held Monday after school. We hope to have two boys out for every position on the team. Practice in both baseball and track will start next week if the weather permits.

The Junior and Senior classes are putting on a supper at the Masonic hall Friday evening, March 30th. Prices of the supper will be 50c and 25c. Come!

The Athletic Association will have a social at the high school some time in the near future to raise money for athletic equipment.

The botany class has been recently dealing with experiments in osmosis in order to understand how plants secure their food from the soil.

We neglected to mention last week the financial result of the Senior play, "Deacon Dubbs," which was presented March 9. The gross receipts were \$97.90, and this allowed about \$67.00 net, after paying all bills. The class desires to thank its patrons, and trusts that all enjoyed the program. The amount cleared will much assist with Commencement.

WALTER A. SCHLECHTE LEAVES LOCAL BANK

The officers and directors of the Iosco County State Bank accepted with reluctance the resignation of W. A. Schlichte, assistant cashier, at the regular monthly meeting held last week. He has been with the bank since its organization and has proven a capable and efficient young man in the work.

Mr. Schlichte has accepted a very responsible position with the First State Savings Bank of Potoskey and will soon leave to assume his duties there and his many friends here predict for him a bright future.

PROPOSE THAT TOWNSHIP BE ORGANIZED INTO ONE SCHOOL DISTRICT

Sherman township electors, at the coming April election, will vote on a proposition to organize the township into one school district. Those in favor of the project contend that it will lower school taxation and will allow an improvement in the schools of the township.

WILLIAMS—LAWRENCE

A quiet and pretty wedding took place at the home of Mrs. Clara Williams, in Reno, Saturday afternoon, March 10, at 2:00 o'clock, when Miss Eva Williams, youngest daughter of Mrs. Williams, became the bride of Wilford Lawrence of Prescott. Rev. Joshua Roberts of Prescott performed the ceremony.

The bride and groom were attended by Mr. and Mrs. Harry Graham of Bay City.

The bride was attired in pink taffeta and carried a bouquet of white carnations. Mrs. Graham, sister of the bride, was attired in pink georgette and carried pink carnations.

The home was beautifully decorated in the bride's colors, pink and white. After the ceremony, dinner was served to the immediate relatives, following which the happy couple left on a short wedding trip. They will be at home to their many friends in Pontiac in the near future.

The best wishes of their many friends go with them for their success and happiness during their wedded life.

FOUR-COLOR FOLDERS PROVING A BIG HIT

The four-color folders which the East Michigan Tourist Association is using this year as a publicity medium in lieu of the blotters which have been used for the past three years are being ordered by members of the association in large quantities. The folders have made an immense hit with the members and if their appeal is proportionately as strong with the recipients they will prove an extremely profitable agency of publicity.

The folders are being supplied free of charge, to all members in any reasonable quantity. Where the member wants his business imprint on the folder, the cost is 75 cents per thousand. Members who have never previously been interested in the blotters are ordering the folders and the orders are coming from chambers of commerce, city councils, corporations, merchants, etc.

The Lansing city council ordered 20,000. Already, members have ordered 146,000 of the folders, and there are many to be heard from.

The folders have not been delivered yet, but some of the members used the sample folder sent them and already inquiries have come to E. M. T. from those as far away as California.

GOUPEL—RANGER

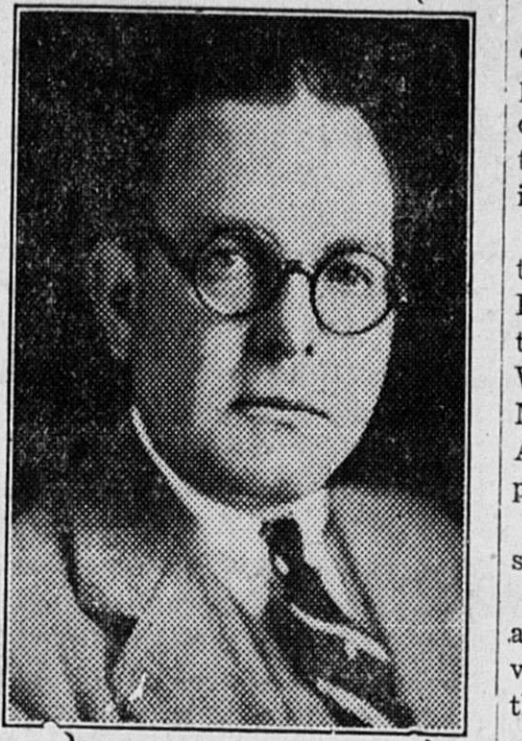

Francis W. Ranger and Miss Ladena Goupil, both of Whittemore, were united in marriage in Flint on Monday evening, March 5 at the North Baptist parsonage, Rev. Geo. M. Vercoe performing the ceremony.

After a wedding trip to local points, Mr. and Mrs. Ranger will be at home at Whittemore.

IOSCO COUNTY'S C. M. T. C. QUOTA IS 4 THIS YEAR

Iosco County's quota for the 1928 Citizen's Military Training Camp, which will be held this summer at Battle Creek has been announced. Four young men from this locality will have the privilege of attending the camp.

Those wishing to make application should consult W. H. Price, county chairman, or J. K. Osgerby, committeeman. Dr. R. C. Poehert is medical examiner.

PHELPS NEWBERRY WHO WILL HAVE CHARGE OF CITIZENS' MILITARY TRAINING CAMPS CAMPAIGN

Citizens committees for the enrollment campaign have been formed in every county in Michigan, and includes county chairman, assisted by committees and medical examiners. Because Michigan secured several hundred more enrollments last year for Camp Custer and Fort Brady than the quota assigned to it, the actual enrollment campaign has started several months later this year and there is much enthusiasm among the trainees who attended the camps last summer. More than 300 of the trainees who took their basic course have already signed up for their second year.

The Sixth Corps Area, composed of the states of Michigan, Illinois, and Wisconsin, will furnish a total of 4,500 young men for the summer camps in this corps area, of which Michigan has been called upon to furnish 1,878.

Young men between the ages of 17 and 24 years, of good moral character and in good physical condition are eligible for the training. The camps will last 30 days and all expenses are paid by the government including transportation to camp and back home, food, a uniform, underwear, shoes, socks, bed linen, medical and dental care if necessary.

Information regarding the camps, application blanks and folders explaining what is done at the camps can be had by applying or writing Phelps Newberry, civilian aide for Michigan to secretary of war, 442 Book Tower, Detroit, Mich.

First Use of Chimneys

The chimney was introduced into Europe in the fourteenth century and in the western hemisphere only after the arrival of Columbus. It is indicative of the fact that the use of fire has influenced architecture as it has all of the other arts of man.

Roman Appellation

Leptis Magna is the old Roman name of the modern Lebda, in Tripolitania, an Italian possession on the Mediterranean coast of Africa. It was so called to distinguish it from a smaller Sicilian settlement near the Carthaginian frontier—Leptis Parva. Leptis Magna was the chief city of the ancient Tripolis, the other two being Ceas (the present Tripoli) and Sabrata (the modern Zughla).

If Value First is your Policy you'll choose an All-American Six

What do you look for in a car . . . a single emphasized element such as style . . . size . . . performance? Such as comfort . . . stamina . . . price? Or do you look for that combination of qualities called value? If you prefer a "one-sided" car we haven't got what you want. But if value comes first, you'll choose an All-American Six.

For here is style attained only in bodies by Fisher. Long, low lines. Smart colors. Grace, poise and swank. Here is size that results from 117 inches of wheelbase . . . and from Fisher construction famed for scientific distribution of space.

Performance from a whispering brute of an engine . . . 212 cubic inches in displacement . . . with a 79-lb. crankshaft and the G-M-R cylinder head. Speed . . . power . . . snap . . . and flexibility. An All-American change of pace.

Thus this General Motors Six leads its field in value . . . providing everything that everybody wants. If you're going to buy a car for what it will give you, come in and see the All-American Six.

If farmers planning to increase milk production by the purchase of more cows would feed Hexite, the desired increase would be secured without the increased investment of capital in extra cows.

Jim—Where are you from?

Tom—West Virginia. Down in God's country.

Jim—Why do you call it that?

Tom—Nobody else could get through it.

Feed your cows Hexite and get more milk and cream. Ask your neighbor what results he gets.

Another car of Hexite will be here Saturday.

Our idea of the best business man in the world is the undertaker who, just before he died, embalmed himself to take away business from his competitor.

Emil Cholger has just purchased another half ton of Hexite. He says that it is No. 1 feed.

Just received a shipment of chick starter.

Ancient Intoxicant

Wassail was the name of a favorite strong beverage of the Anglo-Saxons, who took possession of England, and laid the foundation of the British nation. The Anglo-Saxons made wassail from ale, roasted apples, toast, sugar and spices. This beverage occupied a large place at all the feasts of the Anglo-Saxons.

Cave as Storage Plant

In the Ozarks a "blowing" cave, in which the temperature stays around 40 degrees Fahrenheit, is used by the fruit growers of the vicinity as a mammoth storage plant, according to the Dearborn Independent.

Old London Street

Windmill street, Tottenham Court road, London, commemorates a windmill which, in the first half of the Nineteenth century, was surrounded by pleasant fields. The miller made a charge of a cent for walking in his grounds.

HALE

Mrs. John H. Johnson is visiting her sister, Mrs. Emil Giegling, of Grayling this week.

About 25 of the young friends gathered at the home of Mrs. John D. Webb for a surprise party on her birthday, Friday evening of last week. A pleasant evening was spent in playing games, after which lunch was served. Mrs. Webb received many pretty gifts.

Dickens Lived in Paris

It has been revealed recently through a letter owned by the Dickens Society of London, that at one time Charles Dickens lived in Paris. In the epistle he gave his address as 49 Avenue des Champs Elysees, where he lived with some friends. The quaint little message, probably to the early tourists now resting modestly between two modern buildings.

WHITTEMORE SCHOOL NOTES

The basketball teams have finished their schedule for 1928. The last games were played at St. Charles a week ago, where each team met defeat. The teams report a wonderful time of feasting at banquets and adventurous explorations of coal mines. Thanks to Mr. and Mrs. Ousterhout.

Wednesday evening the second number of the lyceum course was given "Over the Roll Inn." The Oscoda tumbling team gave an excellent exhibition following Dr. Burns' fine lecture.

The senior play, "A Prairie Rose," is under way. Watch for the announcement.

The "Mason Jubilee Singers," who have been such a sensational success on the lyceum and festival circuits, will be our next number of the high school lyceum April 25.

The quilt that the sewing club has been working on is about finished. This quilt will be given to the person holding the lucky number at a program given by the high school soon. The number will be found on your ticket. The program will be called the "Komical Comedy," and made up of sketches, folk dancing and music. The proceeds will go to the P. T. A. for the purchase of the sewing machine.

SCHOOL NOTES

who was formerly U. S. Commissioner of Education, shows that the people of this country spent \$300,000,000 for cigars and cigarettes in 1920. This was more than the total cost of education in 1918. The total cost of tobacco in all of its forms, in 1920, was almost exactly the same as the total cost of elementary and secondary education for the three years of 1916, 1917, and 1918.

The American History people have completed the study of the causes of the American Civil War. It is interesting to note that the majority of the people of that time believed a thing to be moral or immoral according as it affected their pocketbooks. Well—we dare say that this statement would be true of the majority of us in this great year of 1928.

Seventh and Eighth Grades We received the pictures that were taken of the pupils a short time ago. Some were good and others were not. Clair Thompson has joined us again after being absent for three weeks. Rose Watts brought a bouquet of arbutus for our room.

Ward School Junior Gustafson returned to school Monday, after a week's absence due to illness. Emma McCormick is absent this week. Niel Luedtke visited school last Thursday.

We wish to thank the Twentieth Century Club for the library books which it loaned to us. Ada and Leland Malcolm, Emma McCormick, Myrton Leslie, and Billie Bamberger had perfect spelling lessons all week in the second grade. Thomas Metcalf, Elsie Wajahn and Bobby Roach had perfect lessons.

American Diamonds

Over 10,000 diamonds have been found in the United States, according to the Scientific Monthly. Arkansas has produced most of these, though California, the Great Lakes section and the Piedmont plain of the Atlantic coast have offered a few. The finest found in 1921 tipped the jeweler's scales at 40.23 carats.

The VICTORY SIX

BY DODGE BROTHERS

5 to 25 Miles Per Hour in 7/4 Seconds!

10 to 45 Miles in 13 1/2 Seconds!

No other car in The Victory price class can approach these astonishing get-away figures! And the statement holds equally true of Victory speed! . . . Watch the car flash thru traffic, lead off at the go signal and hold its lead! Ask Victory owners about its amazing pull on the hills!

There's a simple, logical answer to this spectacular performance—unequaled power per pound of car weight.

In other words, a new and superior kind of engine with a new and superior kind of body.

The problem of weight solved thru simplicity of design. The problem of design solved thru simplicity of parts. (No body sills—only 8 major body pieces)

High power made feasible by rugged Dodge construction and Dodge quality materials. . . High speed made practical by a lower gravity center and no body overhang. (Chassis full width of body)

This is Victory Demonstration Month. Drive the car—any hour you please—and win one of Dodge Brothers big Demonstration Prizes. (Full details on request)
