BASEBALL FANS MAKE PLANS FOR COMING SEASON

With the 1928 baseball season fast approaching, there again arises in the minds of local baseball enthusiasts the matter of getting the new athletic field in a condition which will permit its use this year. Considerable work had been done on the field last fall, but there still remains the building of a grandstand, the sowing of grass seed in the outfield and other necessary improvements. Before continuing in the work begun, however it will be necessary to raise more money. A number of the subscribers to the athletic field fund last fall have not paid their subscriptions. If these subscriptions were paid up without any unnecessary delay, this sum, with the balance now in the treasury, would go a considerable way toward the work.

Several means of making money to go towards the diamond were discussed at a meeting held Tuesday night at the City Hall. One of these, the organization of a "Booster Club," met with much favor and was readily accepted. Meetings of this club will be held every Tuesday evening at the City Hall for the purpose of discussing plans and various other matters, arising from time to time, and to receive weekly contributions from the "boosters" of the new field. Beneficial shows were also met with favor, and immediate action will be taken towards securing one to be put on in the near future.

Following its completion, the new athletic field will be an important factor in the upward trend of athletics in this locality. With this in your minds, why not help make this project a successful undertaking? Be a "booster"—attend the meetings of the "Booster Club" regularly, and help take the responsibility from a few energetic workers.

CHICAGO NIGHT LIFE THRILLS IN "CHICAGO AFTER MIDNIGHT"

"A gripping story of crime and a powerful sermon against it."
That is the way one man expressed his opinion after viewing "Chicago After Midnight," the Ralph Ince spectacle of life and love in the Chicago underworld, showing at the State Theatre final tonight.

The picture tells the story of the crime regime in the Illinois city with such sincerity that its purpose cannot be doubted: that of showing the superb morale and intrepid bravery of those who uphold the law. A true picture of the follies and foibles of cabaret and club life is painted by the magic lens of Ince's camera.

Ince plays the part of an underworld baron who, after causing the murder of his betrayer, allows the blame to be laid on a young orchestra leader. Unknown to him, his daughter, whom he had not seen in fifteen years, is in love with the youth. Finally Boyd learns the truth, and, after confessing his crime, sacrifices his life in a terrific battle with a band of rival gangsters.

Ince is masterful as the gun chieftain and his performance is rivalled by that of Helen Jerome Eddy as the mother, Jola Mendez as the girl, and Bob Seiter as the young musician.

Come to the Junior and Senior supper today at the Masonic temple. Prices of supper are 50c and 25c. The parents of the students are helping to make the supper a success.

Bernard Coggan gave a very enlightening talk to the people of the high school Friday morning. Mr. Coggan, in an interesting story of a labor strike, showed us that not all of the great things have been accomplished. There will always be problems and the world needs men and women who are well trained to solve them.

Miss Worden called at the high school Monday afternoon.

The freshman class entertained the school faculty and sophomores at an Easter party Friday evening from 8:00 to 11:00 o'clock. A very pleasant evening was spent in playing games, after which refreshments were served to the guests in the Commercial room, which had been rearranged and decorated in Easter colors.

Miss Bessie Brandal of Hale and Stanley Daley visited in the high school room Thursday and Friday of last week.

The Girls' Glee Club will meet at the high school Monday evening from 7:00 to 8:00 to work on Negro Dialect songs for the pie social which is being planned for the benefit of the Athletic Association.

The Freshman and Sophomore English classes are making an intensive study of the fundamentals of debating. It is hoped that in this way an interest for State League Debating may be stimulated.

The percentage of attendance for the last school month was as follows: Juniors, 97.1% Freshmen, 95.4%, Sophomores, 93% and Seniors 90.8%.

BANQUET HAS BIG ATTENDANCE

The county-wide banquet for men and women held at the Methodist church Tuesday evening, March 22, was a marked success in many ways. The ladies of the church put on a splendid dinner, to which over one hundred people did justice, after which songs and group discussions were enjoyed by all. Much interest was manifest in the discussions and some of the findings were: "That law enforcement should be upheld by the Adults of the church;" "The 18th Amendment is not a matter of wet or dry, but of law enforcement;" "The home is the greatest influence in the life of the child—therefore the 'Home' should be right;" "The church should be open seven days in the week."

As a result of this gathering some of the Sunday schools of the county took action as to how they could put some of these findings into practical use. This is very encouraging to the county council.

The next county-wide event of the council is a meeting of the workers of the Children's Division, which is to be held at the Tawas City Baptist church on April 18. The adults can help out in this by urging the teachers and mothers to attend this meeting.

KIWANIS FOREST PLAN IS UNIQUE IN U. S. HISTORY

A unique project in the history of the United States is underway by the Michigan district of Kiwanis International. Arrangements have been made for the planting of a 5,000 acre tract of Norway pine on the banks of the Au Sable River in the Michigan National Forest. The planting will be called the Kiwanis Forest.

The plan was originated by Harry Black, Flint, chairman of the district committee on conservation. So enthusiastic has been the response of Kiwanis members to the plan that the initial acreage has already been over-subscribed and indications are that a 10,000 acre tract will be necessary.

Kiwanis members are paying for the cost of planting which will be done under the direction of the U. S. Forestry Service directed by R. G. Schreck, supervisor of the Michigan National Forest, with headquarters at East Tawas.

Dean S. T. Dana, of the University of Michigan Forestry department, says: "The action taken by Michigan Kiwanians will be felt over the entire country. It is the first time in history that such a group has banded together for such an important project."

The program was very pleasing and enjoyed by everyone. The clinic committee should be complimented on giving such a splendid program.

There will be no club meeting on March 31, but on April 7 the meeting will be held in the usual place, due to the fact that Rev. Roberts could not be with us until the latter date. This will be an open meeting.

Excuse me, miss said the traveling man, 'but—'

'If you speak or annoy me I'll call the conductor,' snapped the girl.

The train rolled on, and after a lengthy pause the man made another attempt to speak, but again the girl threatened to call the conductor.

At last the train rolled into the station and the traveling man arose with determination in his eye.

'I don't care whether you like it or not,' said he to the girl, 'but I want that bag of grapes you've been'

sitting on for the last ten miles.'

Mrs.: "Does my gown look like it's slipping off from my shoulders?"

Mr.: "No, let's go."

Mrs.: "Well, you will have to wait. It's supposed to look that way."

Feed your cows Hexite and get more milk and cream. Ask your neighbor what results he gets.

Carl Krueger demonstrates his faith in Hexite by buying half a ton.

Herman Timreck, last week, made a flying trip from Fred Rempert's garage to his home and back in six minutes. The distance is six miles.

G. A. Jones comes in again for half a ton of Hexite after using it all winter.

Just received a car load of Mason's lime and ivory finishing.

A Station-to-Station call is one that is made to a certain telephone, rather than to some person in particular.

If you do not know the number of the distant telephone, give the operator the name and address and specify that you will talk with "anyone" who answers at the called telephone.

Day rates, 4:30 a. m. to 7 p. m., and evening rates, 7 p. m. to 8:30 p. m., are higher than night rates.
