Make It Go Farther This Way

No matter how large or small your income it can be spent in such a way as to make it buy more than it does

The simple secret of getting more out of an income is found in the word "budget". A budget shows you how to avoid many petty expenses and gives you money for the purchase of worth while things.

Come in and talk to one of our Officials about the pleasing results which a budget can achieve for moderate incomes. Then plan to open and use one of our Savings Accounts. \$1.00 is all you need, and we will pay you 4 per cent interest compounded every three months.
