BOOSTER CLUB

The organization of the Booster Club resulted in the election of Frank R. Dease for President and Walter Kasischke for Secretary and Treasurer. This club has been formed for the purpose of putting across the new athletic field and to discuss such matters concerning it as arise from time to time and baseball problems in general.

The Baseball Club was organized last Tuesday, the following officers being elected: President, George Myles; Secretary and Treasurer, Charles Moeller; Business Manager, George Myles; Assistant Business Manager, Walter Kasischke; Manager, Walter Moeller; Captain, M. C. Musolf; Director, J. Steinhurst; Score-keeper, George Myles; Gatekeepers, Fred Boulder and Julius Musolf.

A committee, consisting of Frank Dease, Walter Kasischke and Chas. Moeller, is busy preparing for a benefit show to be put on in the near future. Watch for dates!

The business men of the city are donating new baseball suits to the club. Twelve suits have been subscribed for.

Membership in the Booster Club now numbers 30. Tickets may be secured from the secretary, Walter Kasischke, for \$1.00. This is one method the "boosters" have decided upon to obtain funds for the field. Tickets are not essential to gain admittance to Booster Club meetings.

Plans for the grandstand have practically been completed, and construction has already been started. Other preparations have been made, or will be made as soon as possible, weather conditions permitting.

The first practice will be held at the new diamond next Sunday at 2:00. Everyone having baseball abilities is requested to be present at this practice meeting.

Maxello all wool Suits with two pairs of trousers. Latest design. Best patterns. In stock now. Barkmans.

D. & M. RAILWAY REDUCES ROUND TRIP FARES

Beginning May 15 round trip tickets from one station to another on the Detroit & Mackinac railway will be 67 per cent of double the one way fare. This will make a considerable saving by the purchase of a round trip ticket. A seven day return limit will be allowed.

The round trip fare from Tawas City to Bay City under the new tariff will be \$2.90; to Alpena and return \$3.15.

KERMIT SWARTZ

Kermit Swartz, 20 year old son of Mr. and Mrs. John Swartz, died Friday afternoon after an illness of three weeks. Death was due to intestinal flu.

Kermit Swartz was born June 3, 1907, at Tawas City. He was educated in the public schools of this city. He leaves to mourn his death, his parents, Mr. and Mrs. John L. Swartz; one sister, Mrs. Mayne Wade of Plasterco, Virginia; four brothers, Frederick D. of Detroit, John, Jr., Wilfred and Howard of Tawas City, numerous cousins and other relatives.

The funeral services were held from the home Monday afternoon, and he was laid to rest in the family lot in the Tawas City cemetery. Rev. A. E. Tinglan of the Methodist Episcopal church officiated.

Out of town relatives who attended the funeral were: Mr. and Mrs. Frederick Swartz of Detroit, Aaron Swartz and two daughters of Boon, Mich.; Mrs. Eugene La Rue, Mr. and Mrs. Elmer La Rue and Thomas La Vecque of Midland. Mr. and Mrs. Swartz have the sympathy of their many friends in the community.

CLARE MAN MAY RUN FOR STATE SENATE

Citizens of Clare county and the southern portion of 28th Senatorial District are advancing the name of Tony Achard as a candidate for senator. They contend that the southern part of the district has not had an incumbent in office for 12 years.

Achard is well known in the district, having been interested in politics for a number of years. He is a member of the board of managers of the Michigan State Fair and a member of the Republican State Central Committee. Mr. Achard was actively engaged in the Green campaign.

At the Clare County Republican Convention, Achard was strongly indorsed for the senate, particular attention being called to his faithful service and the acquaintance he had in the district which made him very familiar with the needs of the constituents. His friends all over the district are urging him to enter the campaign, saying his friendliness with the present administration would enable him to do many important things for the district.

PUTNAM CANDIDATE FOR COUNTY TREASURER

Edward O. Putnam, prominent Plainfield township farmer, announced this week his candidacy for the nomination for county treasurer. Mr. Putnam has been supervisor of Plainfield township for the past ten years and has been a resident of the county for thirty years and is well known throughout the county.

SHEEP MAN TO SPEAK AT HALE WEDNESDAY

Mr. Freeman of Michigan State College will speak at Hale Wednesday afternoon, May 2. His subject is "Sheep." Every man interested in sheep raising should hear this talk as he is a specialist in that line.

COMING—

Dr. A. S. Allard, optometrist, of Bay City will be in Hale at Ewings Hotel Wednesday morning, May 9, from 8:30 to 12, and at Whittemore Inn Wednesday afternoon, May 9, from 1 to 5 p. m. Influenza and Grippe leave the eyes weak. Better have them examined and make sure. Cross eyes straightened without drugs or knives. Prices reasonable.

Remember the date and place, Hale, Wednesday morning, May 9; Whittemore, Wednesday afternoon, May 9.

Dr. A. S. Allard, Optometrist.

SCHOOL NOTES

Our baseball team plays Harrisville High School at Harrisville today. We are working hard to get a team in shape that will make a good showing in the pennant race. The following boys are trying out for positions on the team: Howard Swartz, Martin Schlechte, R. B. Heath, Carl Babcock, Harold Hartman, Herbert Wendt, Billy Robinson, Ferris Brown, Stewart Roach, Elmer Preston, Irvin Burtzloff, Alvin Cholger, Billy Newmann and Harvey Daley.

The following students have received no grade below a B for the last six weeks and are therefore placed on our Honor Roll: Dorothy Bigelow, Irvin Burtzloff, Alvera Goedecke, Muriel Harris, Beulah Hiltz, Elvera Kasischke, Theodor Look, Marcella Low, Bessie Metcalf, Stewart Roach, Billy Robinson, Beulah Wojahn, and Clara Zollweg.

Students, who have been neither absent nor tardy this semester are: Ferris Brown, Elvera Kasischke, William Leslie, Martin Mueller, Billy Newmann, Herbert Wendt and Beulah Wojahn.

The boys are rehearsing for the Minstrel Show to be given at the Pie Social Friday evening, May 4. Clara Zollweg and Raymond Clark will represent the school at the Typing and Shorthand contest to be held at Midland Saturday.

Miss Freed, State Club Leader, called at the High School Wednesday afternoon to plan for the School Achievement Day to be held some time the first of June.

The Peppy Stitches are planning to make a quilt in addition to their regular work. The colors and pattern have not as yet been chosen.

The clothing exhibition planned for last Friday afternoon will be held this week.

Through the kindness of Miss Williams, the American history class has had access to several copies of newspapers that were published at the time of the Civil War. Some of the copies of the Detroit Free Press published at the time of Lincoln's second campaign show clearly that even in our own fair state that far from all the people did their best to uphold the hands of the great war president. The copies of the time of Lee's surrender at Appamattox, and the assassination of Lincoln tell a far different tale.

All departments made note of American Forest Week, which was set by President Coolidge from April 22 to 28. Mr. Schreck of East Tawas spoke to the high school and grammar grades upon this topic Tuesday afternoon.

Seventh and Eighth Grades
Robert Lickfelt is again back in school after being absent for six weeks because of scarlet fever.

Those in the seventh grade who received a "B" average were: Ruby Tinglan, Martin Zollweg, Dora Mark, Ernest Wegner, Ila Sims, Clair Thompson, Hugo Wojahn and Gerald Main. Those in the eighth grade who received a "B" average were: Lucille Krumm, Viola Burtzloff, and Elsie Mueller.

SCHOOLS OF COUNTY OBSERVE FOREST WEEK

In the various schools of the county a special program has been put on each day this week in observance of National Forest Week. The material for these programs was furnished by the Forestry Department. Forestry work has been receiving an increasing interest during the past two years, states R. G. Schreck, National Forest supervisor.

GEORGE BAKER

George Baker, well known resident of Alabaster, died suddenly last week Tuesday.

He was born in Germany April 21, 1855, and came to America when a young man. He was united in marriage to Anna Sase. To this union were born ten children: Pauline of Duluth, Minn., John, Matilda, Frank, Lulu and Margaret of Detroit, Edward of Royal Oak and Peter, Leo and William of Alabaster.

The funeral services were held Friday morning at the St. Joseph's church, Rev. Fr. E. A. Brogger officiating.

Those from out of town who attended the funeral were: Mr. and Mrs. Edward Mielock and Mary Mielock of Detroit, Mr. and Mrs. John Baker of Detroit, Mr. and Mrs. Edward Baker of Royal Oak, Mr. and Mrs. Joseph Monkowski of Duluth, Minn., Matilda, Lulu, Margaret and Frank Baker of Detroit.

WHITTEMORE CHAPTER O. E. S. ENTERTAINS

On Thursday evening, April 19, Whittemore Chapter held an open installation. The hall was beautifully decorated with flowers, potted plants and ferns, which added to the impressiveness of the occasion. Several guests were present from other chapters and practically all Masons and their wives living in our jurisdiction enjoyed the program.

Sister Florence Curtis, who is now the Junior Past Matron of the Chapter, acted as installing officer; and Sister Georgina Leslie, a former Past Matron, was Marshall for the evening.

The work had been carefully memorized and was delivered in a most impressive and effective manner to the following officers: Worthy Matron, Ellen Schuster; (continued on page 5)

IOSCO SUNDAY SCHOOLS

The M. E. N. Club of the East Tawas M. E. church has issued invitations to the Sunday School superintendents and their wives or husbands to attend a six o'clock dinner and "Get-Together" meeting in the church parlors May 7. This is under the auspices of the General Education Division, Rev. Leigh Hagle, superintendent.

All roads lead to Oscoda for the county-wide Father and Son and Mother and Daughter Banquet to be held in May. Iosco's Young People's Council is the first in Michigan to venture such a splendid undertaking.

A five dollar check from the Tawas City M. E. and a like amount from the Reno Baptist school were received before any finances were solicited. Thanks for the interest manifested!

At the recent Children's Division Institute Miss Cattan said—"Worship is the practice of the presence of God, 24 hours a day, 365 days a year. Every teacher should say to herself, 'I will make the best of the equipment I have, until (with the emphasis on until) I can secure better, and every minute I will work to secure better, and every minute I will work to secure the better!' No child must go out of the door Sunday morning exactly as he came in."

"Definite objectives for adult classes" was one of the slogans of the Adult Banquet. The Berea Bible class has practiced this by paying into the county treasury the five dollar apportionment of the East Tawas Presbyterian Sunday School.

The East Tawas M. E. school pledges \$15.00 as against a \$12.50 suggested share. Such help as this gives the workers new courage to go forward.

CARD OF THANKS

Friends in need are friends indeed. We, the undersigned, wish to thank the many friends of Tawas City, East Tawas and surrounding country for their kindness and words of sympathy in our hour of great sorrow, and all those who sent beautiful flowers and furnished cars, and the Rev. Tinglan for his comforting words, Mr. and Mrs. James Mark, Mr. and Mrs. Hosea Bigelow, Mrs. Horton for the beautiful hymns and music, and all our kind neighbors and friends.

Mr. and Mrs. John L. Swartz, Sr. Mr. and Mrs. John Swartz, Jr. Wilfred and Howard Swartz.

CARD OF THANKS

We wish to extend our sincerest thanks to all those who assisted us during the death of our husband and father.

Mrs. George Baker and family.

OSCODA MAN FATALLY WOUNDED IN FIGHT

Edward Fletcher, age 54 years, was arrested Tuesday, charged with "intent to do great bodily harm less than the crime of murder" in the death of John Smith, a fellow worker at the Oscoda Fish company fisheries at Oscoda. Fletcher was released under a \$5000.00 bond and will appear next Tuesday before Justice W. C. Davidson in this city. The arrest was made after an investigation of Smith's death by the Department of Public Safety. A warrant was issued on the complaint of Alexander Smith, of Flint, brother of the deceased. Smith's death followed a quarrel and fight at the fish house with Fletcher early Saturday afternoon.

The jury brought in a verdict of "death by the accidental stab from a knife received during a quarrel" at the inquest held Saturday afternoon before Coroner Louis N. Gagnier. In the depositions made it appeared that Smith had been drinking in the morning and that on his return to the fish house in the afternoon he called Fletcher down stairs and the two became engaged in hot words which ended in a fight. Fletcher was thrown to the floor with Smith on top. Fletcher called to fellow workers upstairs, "Come down, boys, and give me a show down." The two men were parted and shortly after getting on their feet shook hands. Fletcher and the others returned to their work, but Smith remained below.

When Frank Lawrence, foreman, returned to the fish house he found Smith lying on the floor. Upon examination he discovered that Smith was dead, apparently fatally wounded by a knife. Lawrence called the men from upstairs. When first told that Smith was killed they thought Lawrence was joking. A boy, who had been working down stairs during the time, said in his statement to the jury, that while he saw Smith lying on the floor, he was unaware that the man was dead until told so by Lawrence.

The explanation of Smith's death advanced at the inquest was that he had fallen upon an open jack knife which Fletcher had in his pocket. It was a knife Fletcher had used in mending nets.

L. D. S. CHURCH

10:00 a. m.—Sunday school.
11:00 a. m.—Prayer services.
7:30 p. m.—Preaching by the pastor. Subject—"What is Sunday—a Day of Worship or a Day of Worldly Pleasures?" Come, you are welcome, and let us reason together, said the Prophet.

M. A. Sommerfield, Pastor

KING VIDOR'S "THE CROWD" IS AN AMERICAN DISH

A slice of life, served from any one of a hundred cities—served with heart interest—flavored with drama—spiced with humor—a dish of America—one of the most human stories on the screen—that, in short, is the essence of King Vidor's "The Crowd," a Metro-Goldwyn-Mayer picture playing at the State Theatre Sunday and Monday.

This photoplay comes very near telling the real history of the life of the great American middle class and it is a genuine "big parade of peace times." The principal characters may be any of one of the hundreds of thousands of Americans struggling for a living. Eleanor Boardman and James Murray have the leading roles, supported by a large cast of popular players.

CARD OF THANKS

Friends in need are friends indeed. We, the undersigned, wish to thank the many friends of Tawas City, East Tawas and surrounding country for their kindness and words of sympathy in our hour of great sorrow, and all those who sent beautiful flowers and furnished cars, and the Rev. Mr. and Mrs. Will Herriman and family of Whittemore spent Sunday with Mr. and Mrs. H. Herriman.

Mr. and Mrs. Bill Smaltz of Bay City spent the week end with Mrs. Smaltz's parents, Mr. and Mrs. J. Thomas.

Dr. Pochert of East Tawas was a caller here Friday.

Mrs. Reuben Smith, son, Clair, and daughter, Celia, motored to Bay City Saturday to see her daughter, Mrs. J. C. Burt, who underwent an operation at Samaritan hospital. Miss Celia and Clair returned on Sunday. Mrs. Smith will remain several days with her daughter. Latest reports are that she is very low. Many relatives and friends wish for her a speedy recovery.

Those on the sick list are: Lyle Biggs, J. Thomas and Miss Leona Brown.

Tom Parker of Lupton visited his daughter, Mrs. Harry Van Patten. He also visited Mrs. Van Patten's daughter, Mrs. Walter Krumm, of Tawas City.

Mrs. Summerville of Tawas is spending a few days at her home.

E. W. Latham gave a party in the town hall on Saturday evening with a treat to the ladies and gentlemen. Progressive, piano was played. Their neighbors and friends had a surprise on Mr. and Mrs. Latham, presenting them with a beautiful imported China tea set. Lunch was then served. All reported a good time.

-a Six of Long Life and Advanced Design

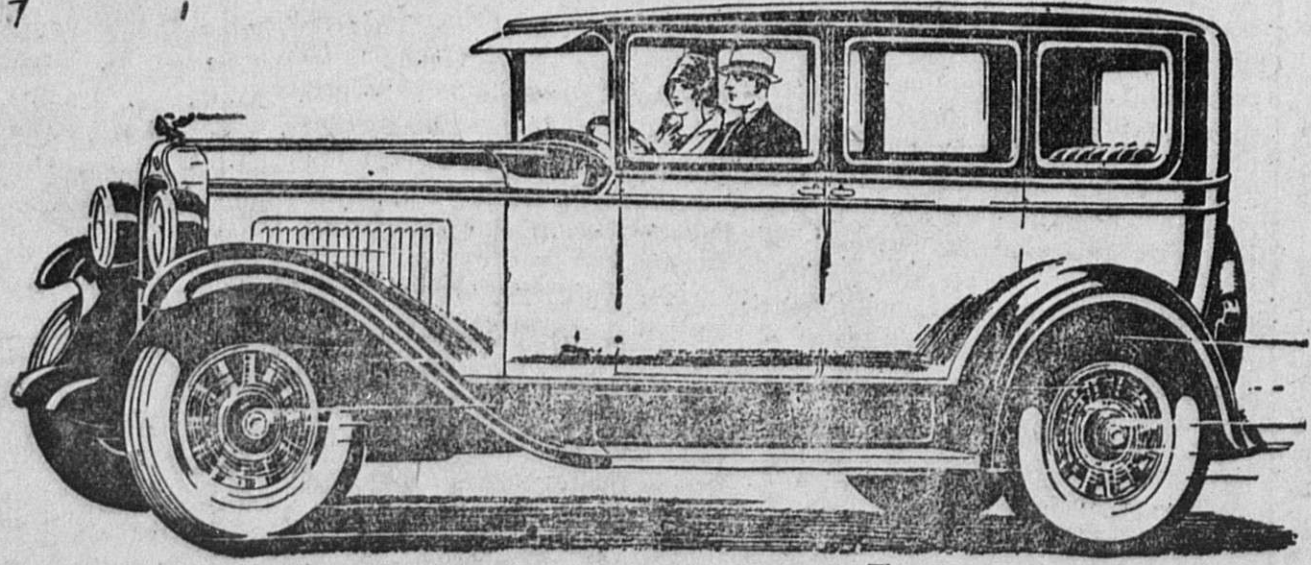

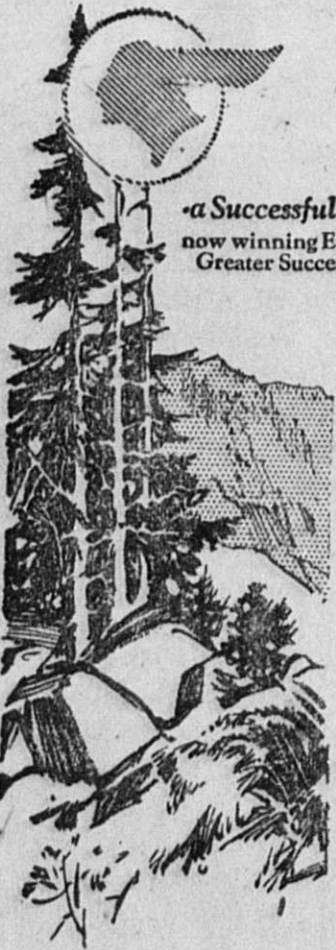

Judged by even the most critical standards, the New Series Pontiac Six is months—even years—ahead of its field. Its style is the height of fashion—achieved with low, graceful, modish lines—emphasized by magnificent Fisher bodies.

Its big, economical motor has the G-M-R cylinder head, for smoothness, power, snap and speed. It has every other really worthwhile feature that progressive engineering has de-

vised! And in addition, it has that fundamental which has been the basis of Pontiac's ever-growing success—the great fundamental of long life!

When you buy a Pontiac Six you know you are getting—not only a car that is new today—but a Six so advanced in style and engineering, so famous for long life that its inherent value will always be high!

BUNDEY & BEE, Members

Rudolph Schmalz just purchased another load of Hexite and he says that it is the only thing to use for producing milk and cream.

The feeds we carry: cracked corn, coarse corn meal, corn and oat chop, ground oats, meat scraps, oil meal, chick starter, cotton seed meal, wheat, laying mash, bran and middlings.

We carry a full line of June clover, medium clover, timothy, alfalfa, sweet clover and millet seed. Our seeds are No. 1

Here's an epitaph from Marwinski's Corners. "Here lies the body of Miles Bright, who died suddenly and unexpectedly by being kicked to death by a cow. Well done, thou good and faithful servant."

There will be another car of Hexite here next Monday.

"To what do you attribute your long life, Uncle Moses?" "To the fact that I was born a good many years ago."

At his wife's cooking he did sneer. He said to her this wit, "The batter in your pancakes, dear, would never make a hit."

We men are so suspicious we never know when our wife kisses us when we come into the house whether it is done for affection or investigation.

We have a new assistant editor of the Breezes, named Frank.

"Boo-hoo" sobbed Frederick, "my colic is dead."

"Shucks," said Billy. "My grandmother has been dead a week. You don't catch me crying."

"Yes," said Frederick, "but you didn't raise your grandmother from a pup."

WHITTEMORE CHAPTER O. E. S. ENTERTAINS

(continued from first page)
thy Patron, Joseph Kitchen; Associate Matron, Anna Thompson; Conductress, Ida Rahl; Associate Conductress, Winnifred Charters; Secretary, Sarah Chase; Treasurer, Richard Fuerst; Chaplain, Mrs. Harrell; Marshall, Mathilda Hammond; Organist, Marguerite Danin; Adah, May Fuerst; Ruth, Margaret Christie; Esther, Ruth Vahey; Martha, Mrs. Petit; Electa, Martha Siegrist; Warden, Alice Barlow; Sentinel, Carl Siegrist.

Immediately after Sister Schuster assumed her station as Matron, ten little girls, dressed in blue, yellow, white, green and red paper dresses, entered the chapter room. Five of these carried baskets of sweet peas and five carried the emblems of the various star points. Marching to the strains of the flower song played by Jennie Valley, and led by Glade Charters, who carried a large basket of flowers, which she later presented to the new Matron. They took their places beside the star point officers. Each, in turn, recited a few appropriate lines before presenting the officers with their emblems and flowers. While holding their positions, Miss Ruth Schuster sang "Catch the Star Beams," after which they formed a new line of march and retired to the ante room.

Next on the program was the song, "Moonlight and Roses," sung by Sister Curtis, soprano, Sister Schuster, alto, Brother Banington, tenor and Brother Schuster, bass, followed by a violin solo rendered by Brother Dahne and accompaniment on the piano by Sister Brockebaugh.

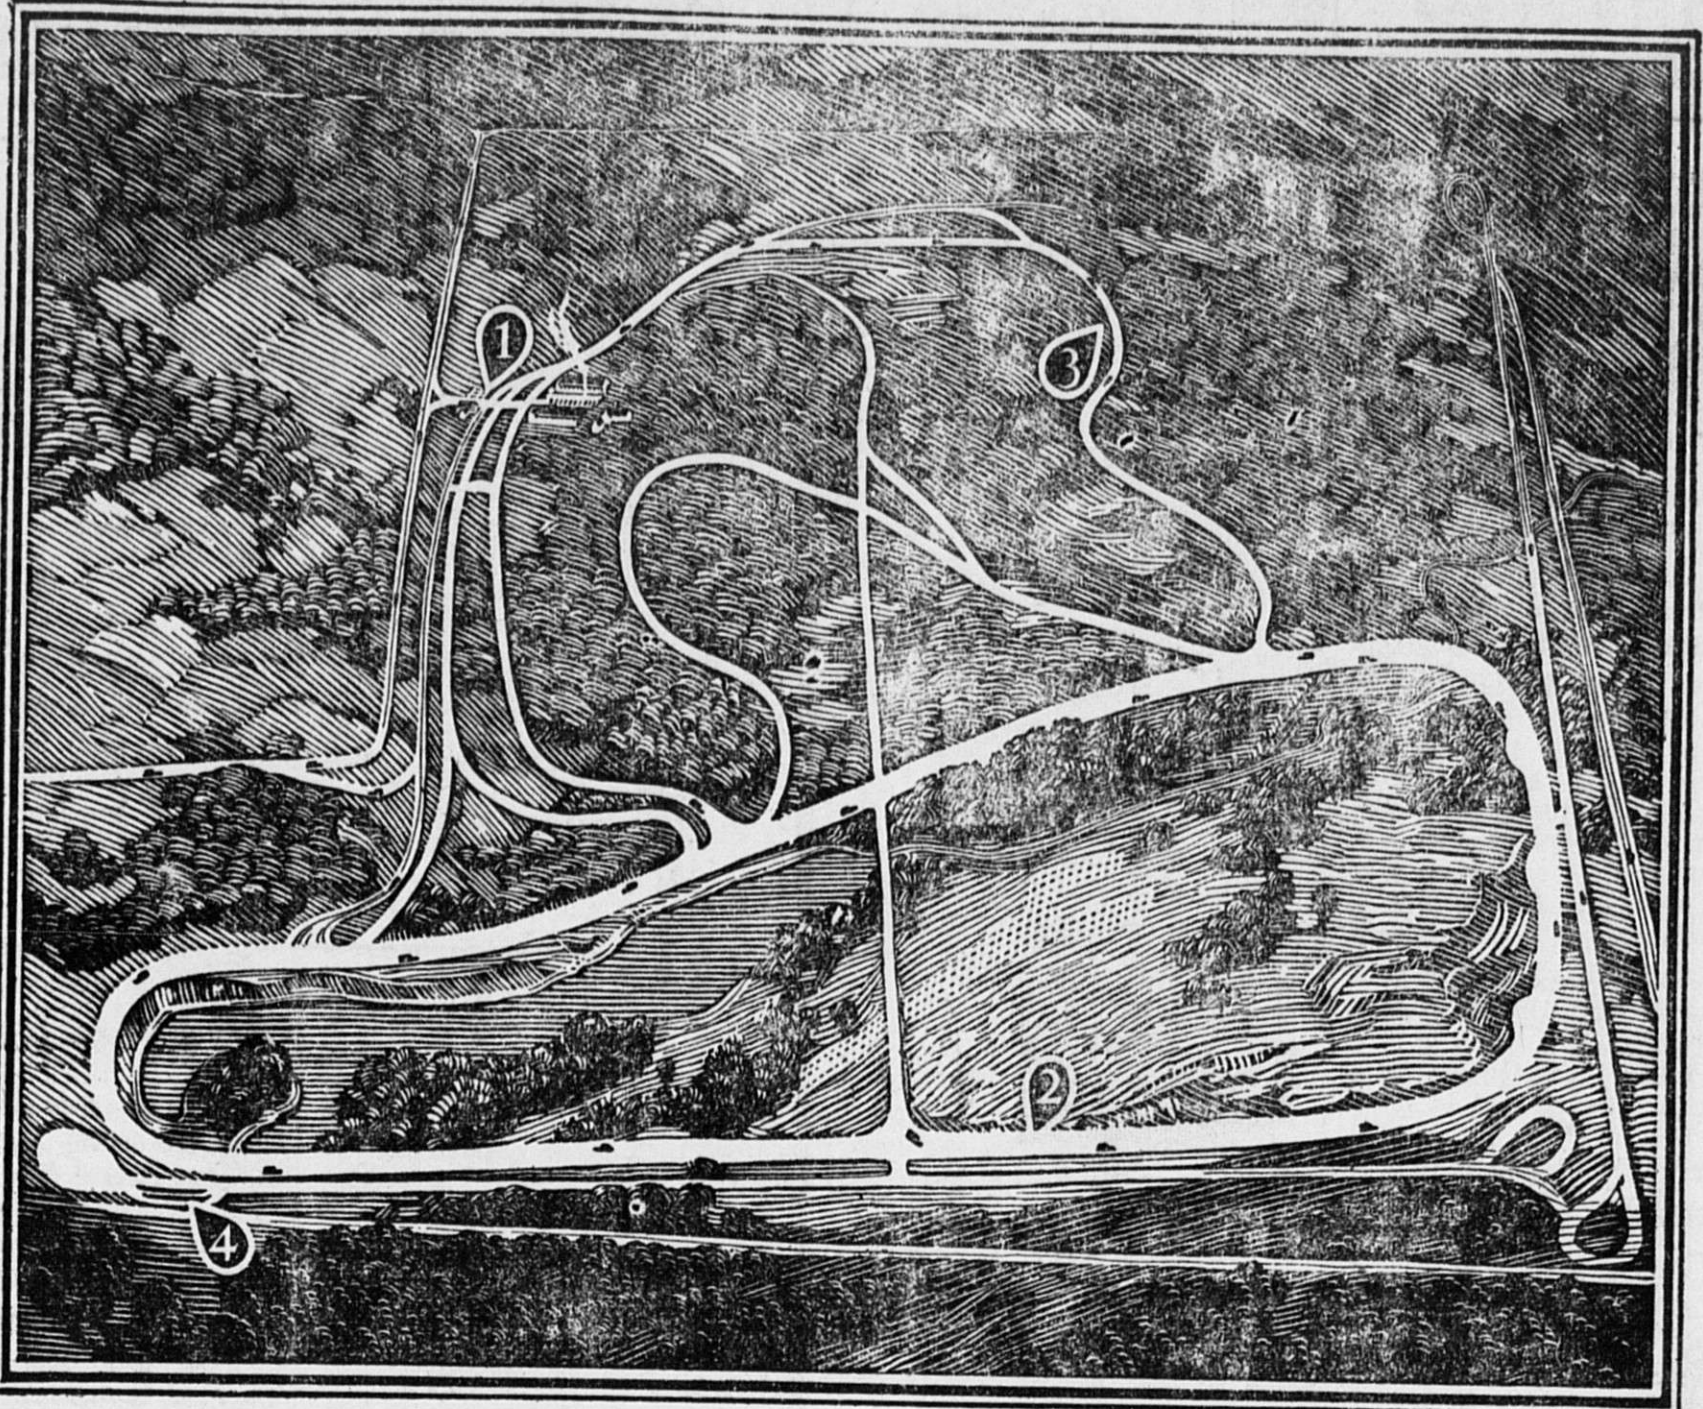

Another pleasing part of the program was the beautiful way in which Sister Schuster, in behalf of the chapter, presented Sister Curtis, the retiring matron, with a large basket of flowers and a diamond set past matron's jewel.

With deepest feeling and words of appreciation for the confidence, co-operation and kindness of the members during her term as matron, Sister Curtis thanked the chapter, and was only seated when she was again called to her feet with Sister Georgina Leslie. Sister Schuster complimented both upon the impressive installation work, while Sisters Charters and Rahl advanced from the ante room, each carrying a gorgeous rose colored silk sofa pillow, which they in turn gave to them.

Before closing, several were called upon for remarks and Sisters Pringle and Ferguson of Tawas City and Brothers Bedell, Kitchen and Gordon responded.

The program ended with the song "At the End of a Perfect Day" sung by Sister Petit of Prescott. Everyone at once adjourned to the dining room, where Brothers Harrell, Thompson, McCurdy, Siegrist, Hammond and Charters served a wonderful banquet to about 100 guests.

This is General Motors Proving Ground

A birdseye view of the 1245-acre Proving Ground maintained by General Motors to assure the quality and value of its cars and trucks.

1. Entrance to the Proving Ground. The group of buildings includes complete experimental and service shops, engineering offices and comfortable living quarters for resident and visiting engineers and for the driving crews. The Proving Ground personnel numbers more than 200 men.
2. The 4-mile high-speed loop. The largest in America, made of concrete, with turns banked to permit continuous high-speed operation. In addition, the Proving Ground has two concrete straight-aways 1 1/2 miles long, as level as a billiard table, and miles of brick, tar, gravel and dirt roads which reproduce every driving and weather condition.
3. The hill-test road. Test hill grades at the Proving Ground range from 7.26 per cent to 24 per cent. The grades on public highways seldom exceed 7 per cent.
4. The "bath-tub." A depressed concrete roadway which is filled with water at varying depths to reproduce flooded roadway conditions.

Here each General Motors car must prove its value

On a 1245-acre tract near Milford, Michigan, convenient to all its car and truck divisions, General Motors has the first and largest proving ground for automobiles.

Here tests are made and facts determined to a degree impossible when cars and trucks are tested on the public highways. Here each new model of General Motors must prove itself, point by point, before it is produced for sale to the public.

More than 135 different tests are applied to each car tested at the Proving Ground.

They involve every phase of construction and performance: power, speed, endurance, acceleration, braking, steering, handling, riding comfort, fuel economy and so on. In three months a car or truck covers more miles than you would drive it in three years.

The Proving Ground is another example of how General Motors is serving the public. It is also your assurance that when you buy a General Motors product you are getting all possible quality and value at its price and the advantages of a policy of continuous improvement.

Look at these values—then clip the coupon

The current models of General Motors cars are briefly described below. Never before in the history of the automobile industry have such performance, such quality, such comfort and such beauty been offered in their respective price classes. They have been proved at the Proving Ground!

See which car or cars interest you most, then check and mail the coupon below. You will receive complete, illustrated information, together with two interesting little books telling all about General Motors Proving Ground and just what General Motors policies are.

World's greatest Value and Outselling all sixes

The world's largest sale of 6-cylinder cars became an Essex achievement solely because of merit.

All 6-cylinder sales records are swept aside in the enthusiastic reception everywhere accorded the New Essex Super-Six. Many communities report 100%, 200%, even 300% greater sales than for the corresponding period of last year, which was the former all-time Essex record.

In all ways the New Essex Super-Six is engineered to the lowest operation and maintenance costs. And increasing thousands of owners rolling up thousands of miles of service prove that these qualities which delight you on your first ride are just as lasting as they are brilliant.

SCHOOL NOTES

The average attendance for the seventh grade was 82% and the average attendance for the eighth grade was 95.6%. There were six in the seventh grade who have been neither tardy nor absent and there were four in the eighth grade.

Fifth and Sixth Grades

We are glad to have Ernestine Cecil, Marshall and Luther Lickfelt in school again after a month's

absence.

We had only two tardy marks during the past six weeks.

Those neither absent nor tardy this month are: Ruth and George Cholger, Leota Daley, Earl Davis, Dorothy Davison, Melvin Groff, Arlene Leslie, Arnold McLean, Harold Moeller, Dorothy Ulman, Millard and Vance Webb, Albert and Mildred Quick, Ray Cox and Otilia Ziehl.

Rose De Potty enrolled in the sixth grade Tuesday morning.

Little Betty Thompson visited our room Monday.

Our examination papers were very much better this month than any we have written this year.

We are reading Rudyard Kipling's "Just So Stories."

Third and Fourth Grades

We were very glad to have Mar-ian Lickfelt return to school Monday.

George Tuttle enrolled in the fourth grade Monday.

The third grade has finished its reading books and is now selecting stories from the library books.

Laurine Frank, Rita Koepke, Isabelle Ulman, Doris Webb, Walter Zollweg, Lawrence Daley, Richard King, Ebbie Laidlaw, Gordon Myler, Jean Robinson and Billy Roach were neither absent nor tardy during the last six weeks.

Primary

Nina Lickfelt and Charles Cecil returned to school this week.

Mable Brown, James Brown, Joy Smith, Clair Ulman and Anna Louise Burr have been neither absent nor tardy since school started.

Katherine Reaman, Joy Smith and Thelma Herman had perfect in spelling this week. Roland Buch and Margaret Fox had perfect in numbers.

We have planted some seed, and intend to watch their different ways of growth.

Ward School

The third grade led in attendance last month with a percentage of 99.

The following people have been neither tardy nor absent during the past month: Madgelle Brugger, Herbert Cox, Janet Keiser, Frederick Luedtke, Billy Mallon, Melbourne Metcalf, Thomas Metcalf, Norma Jean Musolf, Bobby Roach, and Jack Swartz.

Successful Men Build Fortunes on This Plan

All successful men use the force of Compound Interest. They know that money has amazing power to grow rapidly when placed at interest. So they made many investments, and today they are men of influence.

You, too, can build a fortune. Simply make regular deposits in our Savings Department. Then invest in A-1 securities. For example: \$50.00 deposited every month in your Savings Account—\$600.00 a year—and invested in good Bonds or property can, in a few years, grow into a fortune of \$20,000 to \$40,000.

Regular weekly or monthly deposits quickly lead to financial independence. It is never too late to start the RIGHT WAY. Open and use your Savings Account with us today.

Our perfect spellers last week were Ada Malcolm, Leland Malcolm, Myrton Leslie, Billie Bamberger, Frederick Luedtke and Madgelle Brugger.

Leland Malcolm is absent this week.

Oxygen in Atmosphere

Various figures have been given for the amount of oxygen by weight in the atmosphere. The figure generally given in textbooks on physics is 23 per cent; the average results of several determinations in Hempel's Gas Analysis, 23.15; Sir William Ramsay, in the bulletin of the United States Geological Survey No. 330, gives 23.024; A. Ledue gives the figure as 23.2.

Otherwise Alike

It seems to be the general idea that the only difference between the big cities and Hades is that in the latter place they don't play such up-to-date music and it has fewer tall buildings. —American Magazine.

"Candle" Coal?

Cannel coal burns with a bright, candle-like flame, and it is probable that the name is a corruption of candle coal. This coal is found in Kentucky, Ohio and Indiana, and some believe that it is a product of an accumulation of animal as well as plant remains. The same kind of coal is found in Scotland, where it is called parrot coal.

Extreme in Ingenuity

A Pittsburgh newspaper man who already has a contraption in his bedroom for opening the door and extinguishing the lights without the necessity of his rising from bed just added another invention. While in bed listening to his radio, he holds in one hand a weight, to which is attached a cord connected with the control. When he falls asleep, the weight drops from his hand and shuts off the radio.
