Sound of Bells

The nature of the country has much to do with the sound of bells. In a hilly country a bell will not be heard half so far as if the land were level or nearly so. A bell will be heard farther lengthwise of a valley than over the hills at the sides. Where bell-towers are lower than the surrounding buildings and trees, these obstruct the break the sound and prevent a free passage for a distance.

TRAPSHOOTERS WILL HOLD THEIR FIRST MEET

The first meeting of the Northern Michigan Trapshooting Association will be held Sunday, May 20, at Grayling. A number from the local gun club are planning to attend this meet, states Roxie Roach. A shoot will be held.

The movement to organize a league of gun clubs in the northern counties has been underway for the past few months and much enthusiasm has been shown by lovers of this sport. The organization will be completed at the May 20th meet.

The following clubs will be represented at Grayling: Harrisville Gun Club, Cadillac Gun Club, Chase Benjamin Gun Club of Alpena, Tawas Gun Club, Petoskey Gun Club, Grayling Gun Club.

ROLAND D. KEITH

Roland D. Keith, age 62 years, six months and 14 days, died at his home in Hale, Monday April 23.

Roland D. Keith was born near Sandusky, Ohio, on October 9, 1865.

When a small child he moved with his parents to Hartford, Mich. He was united in marriage to Sarah Emery on January 26, 1890. To this union were born four children, Elnor of Winter Park, Fla., Mrs. Ida Brinkham of Saginaw, and Lawrence and Omel at home. His parents and two sisters preceded him in death. Three of his children, Ida, Omel and Lawrence, and his step-daughter, Mrs. Myrtle Merrill of Detroit were with him at the last, with his faithful wife, who had cared lovingly for him during his three months' illness.

The funeral services were held in the M. E. church on Thursday afternoon, Rev. Bedell officiating. Interment at Evergreen cemetery.

He leaves to mourn his death his wife and children and a host of friends who had, during his 26 years of residence among them, learned to know and appreciate this kindly man who was always ready with his cheery smile and a helping hand to his fellow travelers on the way. He will be greatly missed in the community.

DELINQUENT TAX SALE HELD HERE TUESDAY

The sale of delinquent tax lands held Tuesday at the court house amounted to \$1500.00. This is considerably less than the sale of last year which amounted to \$2769.00. The smaller amount this year was due to the fact that a large amount of the delinquent taxes were paid to the county treasurer previous to the day of sale.

SCHOOL NOTES

Nine schools, Gladwin, Caro, East Tawas, Standish, Saginaw, Vassar; Cass City, Chesaning, and Tawas City, were represented at the District Contest of Typewriting and Shorthand held at Midland, Saturday, April 28. Tawas City entered in two events, first year typewriting and first year shorthand. All nine schools were entered in the shorthand event but all except Midland and Saginaw were disqualified because of errors in transcription. In the typewriting event in which we entered East Tawas took first and Tawas City second. While perhaps this may not seem to be worth while from the standpoint of honors taken these contests are of real value to the schools entering. They give the pupils and teachers as well as the patrons of the schools a chance to compare the quality of work done with that of the other schools in this section of the state. They also raise the standards of all the schools through the medium of competition. We returned from the contest pleased with what we had done and fully determined to do much better next year.

We wish to thank all those who attended our benefit show last Thursday and Friday, helping us to raise money for our Athletic Association. We also wish to thank "The Backward Man" for giving his performances at that time.

Our baseball team opened its schedule by defeating Harrisville, Friday, at Harrisville, by a score of 12 to 4. Many new players were in our line-up—all of them showing up fine. Hampered by a poor playing field and cold weather, the boys made many misplays, eight errors being chalked up against each team. Ferris Brown, pitching his first league game, allowed Harrisville only one hit, while his opponent allowed our boys seven.

Carl Babcock getting two, a double and a single. Ferris struck out 12, while 17 of our boys retired by the same route. We play Whittemore here Friday, May 4. The game will be played on the new Athletic Field. The following is a box score of last Friday's game:

SEVENTH AND EIGHTH GRADES

The seventh and eighth grade arithmetic classes have finished the advanced work and are doing review problems.

We are reading "The Rover Boy in the Jungles" for opening exercises.

Dora Mark was absent Monday and Tuesday because of illness.

FIFTH AND SIXTH GRADES

We have finished our geography books and will spend the remainder of the year reviewing. The "Brownies" and "Fairies" have also finished their arithmetic.

Our spelling marks have improved greatly in the past two weeks. We are having a percentage contest. Although the sixth grade had the highest daily per cent, the fifth grade won last week.

The fifth grade missed but one word Tuesday. Everyone worked so hard we were disappointed that we did not have 100% that day.

The fifth grade has had 100% attendance every day this week. The sixth grade had 100% Tuesday.

PRIMARY ROOM

June Smith and Donifay Groff visited our room this week.

We made May baskets Monday.

Katherine Reaman, Margaret Fox and Joy Smith had perfect in second grade spelling. Keith Lovejoy had perfect in the first grade.

MAY 7-12 DESIGNATED AS CLEAN-UP WEEK BY MAYOR EDW. TRUDELL

Mayor Trudell has designated next week as Annual Clean-Up Week. As customary, a conveyance will be furnished Wednesday by the city to haul away rubbish. It should be placed in containers and conveniently located along the street.

A COMMUNICATION

At this time many cities in our nation are putting on a "Home Beautiful Show" striving to demonstrate to the public the different points in architecture that go to make what we call home more like a real home, than has heretofore been considered. Time was when the architect looked only to make a place where people could entertain lavishly, but the present trend is toward real homes as nearly everyone knows that the home has become nearly extinct, and, too, the world at large has come to realize that it is largely our home environment that makes us what we are in after life. Then we of Iosco County have a duty to perform in the interest of our children, our county, our state, and our nation, because, to these various stations in life are our children called. What we make of our children is what they will make of our county, state and nation, so what we make of our homes will go out through their influence to our county, our state, and our nation.

The work which our state is doing in the re-forestry line is having its influence, for hundreds of people from other states will come to see if it is really true, what they advertise. What our conservation department is doing to care for wild and animal life is having its influence, and we pray that the day may speedily come when the work of these two departments will be more thoroughly taught in our schools, and by example taught in our homes. Then, if these two factors alone can have the influence to bring many people to our county, why not each homekeeper constitute themselves a committee to do all in their power to make each individual home a "Home Beautiful." Our home may be ever so humble but it can be made beautiful by its surroundings.

The writer once drove through Reno township and passed a home that was most humble but its surroundings were, as Sir Harry Lauder would say, "Oh boy, they were beautiful!" There were the most gorgeous flowers of different varieties, and what seemed best to us was, that one could not tell where the front yard ceased nor where the back yard began for there were no unsightly spots, no litter, no old tin cans. Don't tell me that the minds that went out from that home did not realize an uplift that made them better men and women.

Now, fellow citizens of Iosco County, "The land of many waters," let's not just read this and pass it along unnoticed. Where could more attractive homes be built than in Iosco County? Its natural beauties make it such, that with a little of man's ingenuity very much can be done at little expense, whether it be farm or town property, to make a beautiful home.

Let us not lose sight of the fact that we are on earth, not to see how much money we can earn and how much we can spend; nor how much chasing around we can do, either in automobiles or otherwise, but we are here for the development of our individual selves or qualities. In short, for the better education of ourselves and for the future development of our posterity.

Our townspeople, too, should set the example by beautifying their streets, their yards, and by removing everything that is unsightly. Our city council could provide a burner where merchants could burn their refuse. Our lake front, even though it be our back yard, could thus be kept clean so people driving through and wishing to spend some time on the beach might not have their whole five senses offended.

In Tawas City our little river could be a thing of joy instead of a cess-pool for all kinds of rubbish. We hope to see the day when some citizen with a real strong backbone, will see that the city provides a place for rubbish other than the beautiful little glen at the approach to our town. Come on, let's all work together for the beautifying of our county and our town.

A Tax-payer.

WHITTEMORE SCOUT TROOP NO. 74 MAKING FINE PROGRESS

The Whittemore scouts, who organized themselves into Scout Troop No. 74, Summer Trails Council, on the evening of March 3, 1928, are making fine progress. Although organized and working together for the short period of two months, some are nearly ready for second class tests. The boys are bound to make Troop 74 second to none in Summer Trails Council and are working hard towards that end. Five outdoor hikes have been taken to date and many interesting troop meetings have been held and boy leadership is gradually being developed.

Last Thursday evening a Scout party was held at the home of Ernest Jobe, in honor of Ernie's birthday. Everyone seemed to enjoy himself thoroughly. A wonderful supper was served, after which several gifts were presented to Ernie. Following this he received his tenderfoot badge and was duly installed as a member of Troop 74. Several games followed the ceremony. We all hope to be invited again when Ernie has another party.

Our Scout baseball team has played two games so far this season. In the first they lost to Keystone school, score 15 to 14. In the second they won from the Hale Scouts, score 6 to 1. The Whittemore Scouts wish to congratulate the Hale Scouts on their fine sportsmanship and feel that although they won the game they had to work hard for it.

About two weeks ago Troop 74 received its honor banner from headquarters. This is given for attendance, number of hikes taken, and tests passed. We stood eighth in the Summer Trails Council this last month and are working hard to get first place this month.

IOSCO SUNDAY SCHOOLS

The following shares are suggested by the County Council officers for the county state, international and world Sunday School work for the year 1928. Those schools which have responded to date are so marked. The apportionment is based on average attendance.

BURLLEY & LEE, Editors

Now is the time to use Huron Portland cement, Red Top wood fibre plaster, hydrated and mason's lime. Always on hand.

J. A. Murphy came from the West. He loved a young lady with zest; So hard did he press her
To make her say "Yes sir!"
That he broke three cigars in his vest.

Little Mary, getting her first sight of a peacock.
"Look quick, auntie, one of your chickens is in bloom."

There was a young girl named O'Neil
Who went up in a big ferris wheel;
But when half way around
She looked at the ground
And it cost her an eighty cent meal.

There will be a car of Hexite in tomorrow.

Speaking of fruit, the first apple caused a lot of trouble for the first pair.

Just received a car of that famous L. A. egg coal for ranges. Low in ash and high in heat.

We handle garden and potato fertilizer, also grain fertilizer.

The doctor answered the phone. Turning to his wife he said, "Quick get me my satchel. The man says he cannot live without me."
"Just a minute," said his wife who had picked up the receiver.
"That call is for Ethel."

Our Hexite is going as strong as ever. Those who use it, get more cream and more butter.

We carry a full stock of feeds, such as scratch feed, chick starter, laying mash, bran and middlings.

STATEMENT OF OWNERSHIP

Statement of the ownership, management, circulation, etc., required by the Act of Congress of August 24, 1912, of the Tawas Herald, published weekly at Tawas City, Michigan, for April, 1928.

State of Michigan, County of Isoco, ss.

Before me, a notary public in and for the State and county aforesaid, personally appeared P. N. Thornton, who, having been duly sworn according to law, deposes and says that he is the owner of the Tawas Herald and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management, etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, embodied in section 411, Postal Laws and Regulations, to-wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are: Publisher, P. N. Thornton; Editor, P. N. Thornton; Managing Editor, P. N. Thornton; Business Manager, P. N. Thornton, Tawas City, Mich.

2. That the owner is: (If owned by a corporation, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding one per cent or more of total amount of stock. If not owned by a corporation, the names and addresses of the individual owners must be given. If owned by a firm, company, or other unincorporated concern, its name and address, as well as those of each individual member, must be taken.)

3. That the known bondholders, mortgagees, and other security holders owning or holding one per cent or more of total amount of bonds, mortgages, or other securities are: (If there are none, so state.)

Jas. E. Ballard, Niles, Mich.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or

in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

P. N. Thornton.
Sworn to and subscribed before me this 2nd day of May, 1928.

Will C. Davidson.
Notary Public.

Leland Malcolm has returned to school after a few days' absence due to illness.

Yiddish 70 per Cent German

Yiddish is the most widely spoken dialect of the Jews. Its content is 70 per cent German, 20 per cent Hebrew and 10 per cent Slavic. Since the beginning of the Nineteenth century it has been used as a literary medium by Jewish writers.—Mentor Magazine.

Golf and Energy

A scientific investigation of energy shows that a man works as hard playing three rounds of golf as in plowing an acre of land, says the Montreal Gazette. And some players turn over as much soil as the plowman.—Toronto Globe.

Paris Has "Little Church"

In Paris, France, there is a "Little Church Around the Corner" similar to the one in New York city.

HALE

The musical concert to be given by the Methodist Ladies Aid will be held at the church Friday evening, May 4, at 8:00 o'clock. This program has been held up since February 22 and now we trust that all friends of the church will be present to enjoy what promises to be a real treat. A self-serve lunch in the annex immediately following will determine the cost of your evening's entertainment.

Hale Chapter, O. E. S., held its regular meeting last Thursday evening. Mrs. Florence Bielby was initiated into the degrees of the order. After the initiatory work was completed, the menu committee, Harry Westcott, Glenn Healey and Wm. McAllister served a fish supper, and they demonstrated their ability as fish cooks. Five guests were present representing Rose City, West Branch and Midland chapters. The chapter is sponsoring the purchase of a player piano from the Hardy Music Co. that will be placed in the Masonic hall this week.

Mrs. Lewis Nunn and children spent the week end with her daughter, Mrs. Paul Labian, of Flint. Harper Ewing was a week end visitor in Flint.

Miss Laura Brandal and two friends from Flint spent the week end with her parents, Mr. and Mrs. C. L. Brandal.

Mr. and Mrs. L. A. Ewing have moved into the Hotel in the Glenwood Street store building they occupied last year and will be open for business in a few days.

Mrs. Bruce Salmon and son, Shirley, were called to West Branch by the death of Mrs. Salmon's niece. They attended the funeral services held on Thursday afternoon.

The Ladies Aid held an all day meeting at the home of Mrs. David Bernard on Wednesday.

The Dorcas society met at the rooms in the Graves building on Thursday for an all day meeting.

"The Path Across the Hill" is the title of the high school play to be presented at the town hall the evenings of May 9 and 10, Wednesday and Thursday of next week. Admission 20c and 30c.

Mrs. C. V. Salsbury and Frank Humphrey were called to Flint this week by the illness of their brother, Glenn, who is suffering from blood poison caused by an infection in the arm.

Mr. and Mrs. H. Freman and Mrs. Nye of Flint with a party of friends are occupying their cottages at Long Lake for two weeks.

Much Timber in Sequoia

Earliest Railroad Tunnel

The first railroad tunnel was the Woodhead tunnel, in England, which was begun in the spring of 1839. The first train passed through December 2, 1845. This was over what was known as the Manchester, Sheffield & Lincolnshire railway, now the Great Central division of the London & Northeastern railway.

Paul Kruger's Grave

Paul Kruger died July 14, 1904, at Clarens, near Veney, on the shores of the Lake of Geneva, whither he had gone for the sake of his health. He was buried at Pretoria (administrative capital of the Union of South Africa) the following December. When Kruger went to Europe he left his wife in Lord Roberts' custody at Pretoria, but she gradually failed and died there in 1901. It was in her grave that the body of her husband was laid.

Differences in Height

The little cartilages between the vertebrae of the spinal column in the human body diminish in size during the day because of the weight or pressure that is upon them. In some individuals the difference in height between day and night may be as much as one-quarter to one-half an inch.
