JAMES PFEIFFER

DROWNED AT FLINT

James Pfeiffer, 11 years old, and Delbert Delauter, six years old, were drowned last Wednesday evening while playing on rafts on a pond on the south side of Flint. Edward Pfeiffer, age nine, a brother of James, managed to cling to a raft and paddle ashore after his efforts to save the other boys failed.

James had been sent out to bring his brother and the Delauter boy home when darkness descended and they had not returned from play on the pond near their homes. He took another raft to paddle out to the one on which they were playing. As his raft neared theirs, he attempted to jump to the one on which they were riding and fell into the water. The Delauter boy tried to rescue him and both drowned. Edward Pfeiffer, in the water, up to his neck, clung to the raft on which he had been riding and tried to rescue them. When he failed he returned to shore and spread the alarm.

Deputy sheriffs, aided by many volunteers, dragged the pond for nearly three hours before the bodies were recovered.

The Pfeiffer boys are the sons of Mr. and Mrs. Frank Pfeiffer, former residents of this city.

OGEWA COUNTY PRESENTS FAVORITE SON FOR GOVERNOR

A Pointer-for-Governor was organized at West Branch last Friday evening to boost the candidacy of Robert R. Pointer for governor. Mr. Pointer is a well-to-do Ogemaw county farmer. Prior to four years ago he was a resident of Detroit. He is well-known throughout the state.

LOOKING FUNNY IS SOMETIMES HARD TASK

Trying to look funny while knives hurtled through the air, and impinged a board before which they were acting—and trying to look still funnier when heavy steel battle axes took the place of the knives—this was the harrowing occupation of Karl Dane and George K. Arthur in "Circus Rookies," their new comedy, a Metro-Goldwyn-Mayer production which comes to the State Theatre Sunday and Monday.

In this new picture, Arthur, as the press agent, insults Dane, playing the animal tamer, and starts chasing him. Dane, the diminutive comedian, rounds around a big board on which Steve Clemente is practicing his knife and axe throwing act. Each time one of the comedians passes a knife or battle-axe flies past his head and buries itself in the board. Of course, Clemente is an old professional knife-thrower and can split a match at thirty yards. Still—it's a tough thing to look funny and wonder if you're going to lose a piece of ear at the same time, according to the comedians.

CARD OF THANKS

We wish to extend our sincere thanks to the neighbors, O. E. S., the Ladies Aid Society and choir of the M. E. church, and all friends for the floral tokens and expressions of sympathy and assistance rendered to us during the illness and death of our loved one.

James T. Baguley,
Mrs. John Baguley and family.

CARD OF THANKS

We wish to thank the many friends for their kindness during the illness and death of our mother, Mrs. Wilhelmina Krumm, also those who so kindly loaned their cars for the funeral.

Mr. and Mrs. Albert Krumm,
Mrs. Ed. Marzinski,
Mrs. Grover Kline.

MRS. JAMES BAGULEY

Mrs. James Baguley died early Saturday morning at her home in this city after an illness of several days.

Hannah Hunt was born December 28, 1854, at Beshope, Nottinghamshire, England. She was united in marriage May 21, 1878, at East Stoke Parish church to James T. Baguley, where they resided five years. They removed to St. Louis, Michigan, in May, 1883. Three months later they came to Tawas City, where they have made their home for 40 years. During those many years here, Mr. and Mrs. Baguley made many close friends, who were deeply grieved to hear of her death. Mrs. Baguley was an active member of the Tawas City Methodist church for the past 40 years, always giving her loyal help in all its work. She was also a member of the Tawas City Chapter, No. 303, O. E. S., of which she was chaplain for several years.

She is survived by the husband and other relatives in Michigan and England. One daughter preceded her in death in childhood.

The funeral services were held Tuesday afternoon at the Methodist church. Rev. A. E. Tingland officiated. Interment was made in the Tawas City cemetery.

Those from out of town who attended the funeral were Mr. and Mrs. Clayton Baguley of Lansing, Mr. and Mrs. Irl Baguley of Caro, Mich., Mr. and Mrs. Keith Baguley of Lowell, Mich., Mrs. Elmer Simons of Dansville, Mich., and G. H. Hood of Saginaw, Mich.

MRS. WILHELMINA KRUMM

Mrs. Wilhelmina Krumm, age 87 years, died at the home of her son, Albert Krumm, on Friday, April 27. Mrs. Wilhelmina Krumm was born May 9, 1841, in Germany, coming to this country 48 years ago, making her home here for 46 years. Her husband died in 1907. She is survived by six children, John Krumm of Detroit, Mrs. Grover Kline of Lansing, Albert and Gustav Krumm of Tawas City, August Krumm of Canada and Mrs. Edward Marzinski of Tawas City, 36 grandchildren, and 25 great grandchildren. Mrs. Krumm had made her home for the past 19 years with her son, Albert.

The funeral was held Monday from the Emmanuel Lutheran church, Rev. A. Kehrberg officiating.

CENSUS OF SCHOOL AND OF CRIPPLED CHILDREN

The annual school census, which is now taken the last twenty days of May each year, will include a special census of crippled children in the school district. The enumerators are required to do this in connection with the regular census work and they will receive special instructions and directions for the work. In accordance with Act 238 Public 735 of the General School Laws, the Superintendent of Public Instruction is required to secure a complete census of all crippled children in the state from birth to twenty years, inclusive.

If each family having children on either the regular census or the special census will have the correct dates of birth ready when the enumerator comes, it will save both time and expense.

Margaret E. Worden,
Commissioner of Schools.

SCHOOL NOTES

Four people, Onalea Main, Theodora Look, Raymond Clark and Clara Zollweg qualified for Underwood awards on the May typing test given Wednesday in all typewriting classes.

The Shorthand class is working for membership in the O. G. A.—an award given by the Gregg people for superior shorthand writing.

We mentioned the fact last week that Clara Zollweg won second place in first year typewriting at the District Contest of Shorthand and Typewriting held at Midland, April 28. We have since learned, too, that our other representative in this event, Raymond Clark, won third place. Another fact to note in regard to the district contest is that ten schools sent representatives, and Tawas City tied with Caro for fourth place in the total number of points won. That is, three schools obtained more points than we, one obtained the same, and five obtained less. Miss Williams served on two committees at Midland; that is, on the eligibility committee, and the typing committee.

Five of the surrounding rural schools sent representatives to the spelling contest which was held in the high school assembly room last Friday afternoon. The pupils wrote one hundred fifty words which were pronounced from a list of about a thousand which they had previously been allowed to study. Miss Worden pronounced the words for the contest. The schools were represented as follows: Grant No. 2, Miss Doris Latham, teacher; Tawas No. 4, Earl Bielby, teacher; Tawas No. 9, Delos Snyder, teacher; Wilber No. 4, Miss Myrtle Johnson, teacher. The three pupils, Helen Katterman, Regina Nelkie and Irene Povish, from Tawas No. 4, won first place for their school. The three misspelled a total of fifteen words. Tawas No. 9 secured second place. It was represented by Veronica Drzewiecki, Allie Frank and Arlene Curry. They misspelled a total of thirty-one words. The first two pupils named from Tawas No. 4 also secured first and second places respectively as individual spellers. Helen missed two words, and Regina missed seven. Miss Kane was given a silver cup for her school, and Helen and Regina were each given a copy of Winston's simplified dictionary for prizes.

Professor Paul J. Misener of the Michigan State Normal College visited the different departments of the school last Friday. He gave an excellent talk to the pupils above the eighth grade concerning themselves. Mr. Misener said several complimentary things concerning the general tone of the school. As he travels about the state much visiting educational institutions, Mr. Misener is a good judge of school conditions.

Our baseball team won and lost a game during the past week. Last Friday we defeated the Whittemore team by a score of 4 to 1. The game being called at the end of the fifth inning on account of rain. Oscoda high school defeated us Tuesday, 12 to 3. Inability to hit on the part of our players was very noticeable. Ferris Brown pitched all of the Whittemore game, but was relieved at the end of the sixth by Martin Schlechte in the Oscoda game. Martin allowed only one run and no hits during the three innings he was on the mound. We play St. Joseph Friday. Come and see the game.

Seventh and Eighth Grades

There have been many pupils absent this week on account of illness.

James Mark is back in school after being absent for three days because of an accident.

Viola Burtzloff and Harvey Daley did best in a spell down.

Ward School

Our perfect spellers last week were Ada and Leland Malcolm, Emma McCormick, John King, Myrton Leslie, Billie Bamberger, Lucille DePotty, and Billy Mallon.

The B class has finished its primers and has started reading in the first readers.

Marion Musolf and Geraldine Brady visited our room this week.

SENATOR H. S. KARCHER ANNOUNCES CANDIDACY FOR RE-ELECTION

Senator H. S. Karcher of Rose City will be a candidate for re-election at the Republican primaries in September.

During his three terms as state senator, Mr. Karcher has given good satisfaction to the district and served his constituents capably. His experience serves him in good stead now and his value to the district is more marked than before. Experience and acquaintanceship count for much at Lansing and Senator Karcher stands well there. He is not a spectacular worker and does not play to the grandstand but quietly and efficiently he gets action for his district and he acts and votes intelligently on all matters of state-wide interest.—Arenac County Independent.

IOSCO SUNDAY SCHOOLS

The once open road will be crowded with youth and leaders of youth as they go by Ford, by Whippet, by truck, by Chevrolet, by foot, by rail from all Michigan to Camp Warren in July. Read, adventure, leader, searcher, and then be off to share with other campers in youth's quest for a Christian World. Mrs. Earl Allen Tawas City, will give further information of Camp Warren.

About fifty persons enjoyed the hospitality of the M. E. N. Club of the East Tawas M. E. church last Monday evening. Ladies night was observed by the club and the county Sunday School Superintendents were also guests. Following a fine dinner served by the young men, various program specialties were introduced by W. E. Sutcliffe, president of the club. G. A. Pollard welcomed the guests, and selections given by the High School Band were enthusiastically received. Led by Rev. Hagle, those present entered into a profitable discussion of plans for the betterment of Iosco's Sunday Schools. Several expressed satisfaction at the growing feeling of good-will among the various denominations of our county, and the fine co-operation shown in the work of the Council of Religious Education.

A plan of school visitation by the superintendents is a definite objective to be accomplished during the summer months. In accordance with a schedule which will be forwarded to him, arrangements will be made for every superintendent in the county to visit at least one Sunday school between now and September 15. For the mutual benefit derived from the exchange of ideas and experiences, it is hoped that every superintendent of Iosco will co-operate whole-heartedly in this plan of school visitation.

TRI-COUNTY SPORTSMEN TO MEET THURSDAY, MAY 17th

The final arrangements are being made for the program of the Tri-County Sportsmen's Club meeting to be held at Oscoda on the evening of May 17.

The Whitney eight-piece orchestra will furnish the music for the evening. A special decorating committee has been chosen and the work of decorating the large community hall at Oscoda is under way. Evergreen from the woods around Oscoda is being used for a background with American flags, balloons and appropriate trophies lining the walls and ceiling of the large building, all of which will make a very attractive display. The Elks Male Quartette from Bay City has been engaged for the evening and the seven members are making every effort to present a most unusual array of songs and other entertainment. Solos will be rendered by Rev. C. E. Edinger and Norman Salisbury of East Tawas. Rev. Edinger will also have charge of the community singing. Several old rousing songs noted for their harmony have been chosen so that the entire gathering of sportsmen can join in and start the meeting off in the proper spirit.

George L. Lusk has been chosen for toastmaster and under his leadership the meeting promises not to be tiresome or bored with unnecessary long speeches.

The High School of Oscoda is also arranging a musical program for the evening.

The plans are to start the entertainment with the beginning of the banquet so that there will not be any time during the evening that something interesting is not under way. Noise makers and hats will be furnished each sportsman. Favorites will be presented by the Dupont Powder Company.

Following is a list of speakers and guests for the evening:

W. B. Mershon, Wild Life Humorist, Saginaw.

Arthur W. Stace, Director, Public Utilities Commission, Ann Arbor.

Gus Carton, Director of Agriculture, Lansing.

P. S. Lovejoy, in charge of Wild Life and Game Refugees, Department of Conservation, Lansing.

Professor A. G. Whitney, Specialist in Game Management, University of Michigan, Ann Arbor.

Professor L. J. Young, Professor of Forestry and Conservation, University of Michigan, Ann Arbor.

Charles S. Thomas, Editor, Bay City Daily Times, Bay City.

Senator H. S. Karcher, Rose City.

H. M. Jewett, President of the Jewett Automobile Company, Detroit.

Herman Lundeen, Former Commissioner of Conservation, Gaylord.

T. F. Marston, Secretary, Northern Eastern Michigan Development Bureau, Bay City.

Moving pictures of wild beaver in their natural haunts in Northern Michigan will be shown on the screen by James McGillivray, in charge of education, Department of Conservation.

Chief Simon Green Sky, Chief of the Chippewa Indians in Michigan.

W. H. Loutie, Executive chair man of the Department of Conservation, is making every effort to arrange his program so he can be present at the meeting.

Lt. Col. Charles H. Danforth, in charge of the aviation corps at Selfridge Field, is also making plans to attend the meeting.

Other important personages throughout the state are planning to attend this meeting, but it is too early at this time to announce their names.

Arrangements are being made to seat 400 sportsmen at this banquet and from indications this number will be sold by the end of this week.

A very interesting program has been arranged for the sportsmen and one that will be entertaining throughout.

COMMUNITY CHURCH OF ALABASTER
Sunday school—9:30.
No morning services next Sunday.

A "Mother's Day" service, with a program by the Sunday school, will be given Sunday evening at eight o'clock.

Before you select your next car see what General Motors offers

GENERAL MOTORS was organized on the principle that a group of strong companies, working together as a family, could serve the public better than they could separately.

The public has approved this principle. In 1924 one out of every six cars chosen by the public was a General Motors car. In 1925 the proportion was one in five. In 1926 it was one in four. And last year it was one in three.

The improvement in General Motors products is continuous. Great Research Laboratories are constantly seeking new paths for betterment. A 1245-acre Proving Ground tests all that science has discovered and proves each new design before it is offered to you. Each year there has been a steady advance in the quality, performance and beauty of General Motors cars, with no increase in price.

GMAC Purchase Plan

The General Motors cars are listed on the coupon below. They include a car for every purse and purpose—passenger cars and trucks—models of every kind—fours and sixes and eights. You may select any model with full assurance that by every test it offers the largest value per dollar in its price class.

The passenger cars include 86 models, ranging in price-at-the-factory from \$495 to \$5500. All closed bodies are by Fisher. All cars have four-wheel brakes. All have quality where quality counts most in long life and high resale value. All are backed by service organizations which are permanent.

It will pay you to see what General Motors offers before you select your next car. Compare General Motors quality and value in each price class. Learn about the tests General Motors applies to all cars produced here and abroad, at its great Proving Ground. Consider the importance of a time payment plan which gives you low rates, because of the volume of business handled. Remember that you are assured of service, because General Motors dealers are everywhere.

By using the coupon below, you can bring into your home immediately full, illustrated information about any or all of the products made by General Motors. With this will come a new book called "Principles & Policies." You will find it unusual reading, for it takes you behind the scenes and shows just what General Motors is and what it is doing to continue to merit public goodwill.

HALE

Mrs. Cora McCrory and Albert Humphrey motored to Bay City on Saturday last for a week end visit with Mr. and Mrs. Fremantle McCrory.

Mr. and Mrs. John Dooley are the proud parents of a baby girl born on Sunday, May 6. The little daughter has been named Ila May.

Miss Mary Curry and Francis Frederick Flaherty of Weott, California, are to be married on Sunday, the twentieth of May. She is the daughter of Mr. and Mrs. Walter Curry, residents of Hale for many years, who left here about 15 years ago and have since resided in Eureka, Cal. Mary's girlhood friends will be pleased to know of her approaching nuptials.

Mrs. Emil Giegling of Grayling left for home last Sunday, having spent a week visiting her sister, Mrs. J. H. Johnson.

Charles Taulker is building a new kitchen and remodeling the house before moving in.

Enthusiastic comments were heard from those who attended the senior play of the Whittemore high school on Tuesday evening. It was one of the best high school plays ever presented in this section of the state and reflected credit on those taking part and the teachers who had charge of their training.

The local boys taking part were Robert Grove, Ernest Lucas, George Brown and Kenneth Howe.

The postoffice inspector visited the local office on Monday.

O. V. Bowles of Saginaw visited his cousin, R. D. Brown, on Monday of this week. He is a member of the State Board of Examiners of Barbers and reported our local shop in fine shape.

Mr. and Mrs. Jesse Shellenbarger, Mr. and Mrs. Chas. Taulker were business visitors in Tawas this week.

THE SCHOOL CENSUS AND THE CRIPPLED CHILD

Will we find every crippled child in Michigan this year?

Our law provides that we shall. Let's not fail because of poor administration of that law!

This is the provision:

"Registration of Crippled Children—The forms prepared by the superintendent of public instruction for the enumeration of children of school age in this state, as provided by law, shall contain blanks or cards for the special enumeration of crippled children of whatever age from birth to the age of twenty-one years, and shall show the following information—Name of child, age, sex, nationality, residence of parents or guardians, and a brief statement of the physical condition and the cause thereof; and each school census enumerator shall register thereon every crippled child, as herein defined, within his school district, and make report thereof to the superintendent of public instruction. For such service, the school census enumerators shall receive as additional compensation the sum of five cents for each crippled child reported, which amount shall be paid out of the treasury of the State of Michigan, on the warrant of the auditor general approved by the superintendent of public instruction. The superintendent of public instruction shall, upon receipt of the reports of said enumeration, make up as quickly as possible a tabulation of such information by counties and shall forward a copy thereof to the secretary of the Michigan Crippled Children Commission as hereinafter provided for. A copy may, in the discretion of the superintendent of public instruction, also be furnished on request to any voluntary state organization doing work for crippled children."—Sec. 3, Act No. 136, P. A. 1927.

Do Your Census Enumerators Know? That there are many crippled children in Michigan who are unknown? That only by a house-to-house census can these children be discovered? That if left alone most of them will grow up to be state and county dependents? That if they are found now most of these children can be physically helped, educated and made wholly or partly self-supporting? Census enumerators can help bring relief to crippled children and at the same time render a distinct service to their communities and to the state. Census enumerators should understand the importance of listing every crippled child from birth to 21 years of age.
