YACHT CLUB PLANS \$150,000 PROJECT HERE

One hundred fifty Detroit sportsmen have signed up as members of the Michigan-Tawas Yacht Club and are enthusiastic over the possibilities here. The membership has been limited to 300. These members signed up without solicitation, states Jos. Lubway of Detroit, who is behind the project, and the limit set for the membership list will be reached without trouble. Much of the work contemplated by the club will be well under way during the present year.

A club house and improvements aggregating \$150,000.00 in cost are contemplated, to be placed at the mouth of Tawas river. This big project will be of great benefit to the city.

Congressman Roy O. Woodruff has included in the Rivers and Harbors bill an appropriation of \$15,000.00 for improving Tawas river. The yacht club project will include the dredging of the river up to Mathew Street bridge, making navigable for small craft.

Saginaw Bay offers exceptional advantages for yachting. Yachtsmen have commented on the absence of fitful winds on the bay, which are a menace to yachting. This condition is due to the fact that there are no high surrounding hills to change the air currents. The entire course can be seen from the long circling shore line. Tawas point protects it from heavy seas. A very great advantage is that there is no heavy commercial boat traffic to interfere with maneuvers.

75 CONTESTANTS ENTERED IN HIGH SCHOOL MEET

Seventy-five contestants have entered the list for the Bi-County High School Athletic meet to be held at the fair grounds Friday.

Everything points to a very interesting and enthusiastic meet for the various events. The following schools will be represented: Alabaster, East Tawas, Harrisville, Oscoda, St. Joseph, Tawas City and Whittemore.

In the afternoon St. Joseph and Oscoda will play for the baseball championship at the Tawas Beach diamond.

STOP! LOOK! LISTEN!

What's that? Oh, I know, I heard about that before! It's the Father and Son, and Mother and Daughter banquet, all at the same time and place! Did you ever hear of anything just like that before? I never did, but I'm going up to see how it turns out. Now you wait a minute and I'll tell you all about it.

Last March when the Young People's Division of the Sunday schools of Isosco county held their conference at East Tawas, they heard about a big auditorium up at Oscoda where it was said 400 people could be seated at tables at the same time, and someone said "Wouldn't that be fine to have a big banquet, placing the Fathers and Sons on one side of the hall and the Mothers and Daughters on the other." The young people did not forget about it, and for the past few weeks they have been busy preparing for the great event which is to take place at Oscoda, May 30th, at 6:30 Central Standard time. No pains have been spared and much time has been spent to make the program both pleasing and profitable.

The East Tawas High School Band will furnish some fine selections. Mrs. John Earhart of Whittemore is toastmistress and there will be singing and speaking by representatives from the various schools of the county. Jas. Mark of Tawas City is to be song leader and those who heard him at the East Tawas conference will not forget him and will be glad to know he will be with them again. The main toasts of the evening are entitled, "Spring," "Summer," "Autumn" and "Winter."

The tickets are 50c each and every man, woman, boy and girl of the county is not only welcome, but is urged to attend. In other words, come on up to Oscoda on May 30th and see what the young people of our own county can do.

HALE SCHOOL GRADUATES TWELVE IN CLASS OF 1928

The graduation exercises of the Hale school were held at the M. E. church Friday, May 18.

The church was decorated in green and white, which were the class colors. There were twelve graduates, some of whom gave very good talks. An excellent speech was delivered by Rev. Crandall of Fostoria, Mich.

Following the graduation exercises, the class, their parents and teachers enjoyed a banquet, given by the eighth and ninth grades at the town hall. There, too, the class colors were carried out in the table decorations of green and white, with centerpieces of white roses. Musical selections were rendered by the orchestra during the banquet hour.

The following comprised the graduating class: Eugene Glendon, Helen Love, Olive, Teall, Grace Teall, Goldie Shellenbarger, Violet Bielby, Muriel Ballard, Victor Webb, John Brandal, Earl Slosser, Victor Slosser, and Eri Irwin.

WHITTEMORE GIRL IS INJURED AT BALL GAME

While attending the ball game between Tawas City high school and Whittemore high school Tuesday afternoon, Miss Lois Leslie of Whittemore, daughter of Mr. and Mrs. Roy Leslie, was the victim of a serious accident in which she received a bad cut and her eye was seriously injured.

Miss Leslie was standing near the third base line when she was hit by a foul ball just above the eye. She was taken immediately to Dr. R. C. Pochert's office at East Tawas, where everything possible was done.

She has been taken to Flint, where she is under the care of an eye specialist. The many friends of Whittemore and Tawas City extend their sincere sympathy to Miss Leslie.

"THE ENEMY" IS GIVEN LAVISH PRODUCTION

Lillian Gish appears in the most modern role of her entire career in "The Enemy," a Metro-Goldwyn-Mayer production which comes to the State Theatre Sunday and Monday.

It is a lavish filmization of the famous Channing Polluck stage success, a mighty war drama dealing with the spiritual havoc wrought by the world conflict, rather than the physical damage. It presents the famous star in the role of the tragic "Pauli," a young Austrian bride who is torn from the arms of her husband on her wedding night and thrust into the boiling cauldron of devastating hatreds and brutality. Her husband was a pacifist; her dearest friend, an enemy alien. She saw her babe die of malnutrition; her father-in-law fatten on the ill-gotten gains of a war baron.

Miss Gish is ably supported in this struggle of a war-torn people by Ralph Forbes of "Beau Geste" fame and others of note, including George Fawcett, Frank Currier, Polly Moran, Karl Dane, Fritz Ridgway, John Peters and Billy Kent Schaeffer. Fred Niblo directed.

TAWAS CITY SECURES FIRST N. M. L. SHOOT

The first shooting event to be put on by the Northern Michigan Trapshooting League will be given under the auspices of the local club. The big shoot will be held Sunday, June 3, at the club grounds at Tawasville.

Eleven clubs will participate in the event with 75 shooters in the contest. This will be the biggest event of its kind ever held in Northern Michigan. The following clubs will be represented: Harrisville, Harbor Springs, Petoskey, Alpena, Cadillac, Houghton Lake, Grayling, Northville, Shepard and Tawas.

The officers of the local club are now getting the grounds arranged and another trap has been added to the equipment. Some idea of the size of this big trapshooters' meet can be gained from the amount of material which the committee on arrangements must secure—Six hundred boxes of shells and 30 barrels of clay targets will be required. With a one and one-quarter ounce load, over one-half ton of shot will be fired.

SCHOOL NOTES

Tawas City Public Schools were represented this year at the State High School Scholastic Tournament at the Central State Teachers' College at Mt. Pleasant. There were 1461 contestants, coming from 91 high schools, and representing 42 counties, entered in the tournament. William represented us in general science and algebra; Elvera tenth grade English and beginning Latin; Marcella, ninth grade English and general science; Bruce, American history, advanced civics and botany. Marcella obtained third place in general science, Bruce obtained third place in advanced civics and second place in botany. He received a silver pin for the place taken in botany.

Reviews are now in order for the final semester examinations. Our baseball team defeated East Tawas last Friday by a score of 5 to 3 in ten innings. East Tawas was ahead until the eighth inning, when we tied the score at 3 all. Not until an extra inning had been played could we declare ourselves victors. EAST TAWAS SWAMPS HALE IN FIRST EXHIBITION GAME

The Tawas Beach diamond was the scene of a very one-sided baseball game last Sunday, when East Tawas defeated Hale by a score of 15 to 1.

Joe Halligan, throwing for East Tawas, pitched a wonderful game allowing very few hits, while his mates pounded several pitchers out of the box. It was the first game played this year by either team. The East Tawas team showed up very favorably, while Hale was handicapped because several players failed to appear.

TAWAS CITY TO PLAY TWO EXHIBITION GAMES

The Tawas City baseball team will play two exhibition games next week. The first will be played Sunday afternoon with Alabaster, and the second on Memorial Day, May 30, with East Tawas. Both games will be played on the new Tawas City Athletic Field diamond.

Shanghai Mission Is Kept Busy During War
Shanghai.—Civil war, while driving thousands of foreign missionaries and their work in China, has caused mission enterprise in Shanghai flourish. This is the Shanghai mission to riksha men, which, according to recently published annual report, ministered to the needs, physical and spiritual, of 316,700 coolies, riksha pullers, during 1927.

More than 100,000 free meals were served and sandals and other clothing distributed, while these centers were used for preaching Christianity to the lowliest from Shanghai etc. These totals include a large portion of "repeaters."

200,000 Buyers Can't Be Wrong

When the Pontiac Six was first introduced less than two and a half years ago, immediate buying enthusiasm was aroused. The public accepted the statement of General Motors and Oakland that here was a new car offering six-cylinder value never before enjoyed at such low price. 75,000 Pontiac Sixes sold in 1926 established a world's record for a new make of car. Sales for 1927 carried the total of satisfied Pontiac owners beyond the 200,000 mark.

And now, even if its unrivaled value could not be proved by comparison with other cars in its field—even if its superiority could not be demonstrated by scores of advanced features combined in no other low-priced six—even if all its claims to leadership were based on generalities—you could still buy the Pontiac Six with confidence... for 200,000 buyers can't be wrong!

If you want to know the truth about the Pontiac Six, go to any owner in town. And if you hear praise almost too enthusiastic to believe, remember that 200,000 owners will tell you substantially the same story!

 allowed only 7 hits and striking out 19 batters. Swartz, performing a similar duty for us, allowed six hits and held our opponents runless after the first inning, East Tawas getting all three of its runs in the first on a walk, two hits and an infield out.

Monday we played Whittemore at Sand Lake and were ahead, 12 to 9, with three men on base and one out in the 13th inning, when the game was called on account of a spectator getting hit with a batted ball. Every member on our team got at least one hit.

We played Alabaster Tuesday and won from them, 7 to 3. Alabaster got its three runs as a result of errors, all of them coming in the fourth inning. Swartz started the pitching for us, but had to be relieved at the end of the fourth inning on account of a sore arm. Brown finished in his place. Alabaster got only one hit, that one coming in the eighth inning.

One's Honest Opinions

I remember a passage of one of Queen Elizabeth's great men as advice to his friend: "The advantage," said he, "I had upon others at court was that I always spoke as I thought, which being not believed by them, I both preserved a good conscience and suffered no damage from that freedom," which, as it shows the vice to be older than our times, so does it that gallant man's integrity to be the best way of avoiding it."—Exchange.

"Ha-wy-ee"

This proper name, Hawaii, is correctly pronounced "Ha-wy-ee," with the accent on the second syllable. The "a" in the first syllable is sounded as in "ah" and "father." Hawaii is the name of the largest island of the group formerly known as the Sandwich islands, but now known as the Hawaiian islands.—Pathfinder Magazine.

Miserable Agriculturist

One of the oldest references to agriculture is on a papyrus describing the work of an Egyptian gardener, "who brings loads of produce, and his arms and neck ache beneath them. At noon he waters the onions and in the evening the vines. His is more miserable than any other calling."
