CHAUTAUQUA AT TAWAS JULY 16-20

The Iosco County Chautauqua will be held July 16 to 20 at Tawas City. An exceptionally fine program has been prepared for the big five-day event.

First Night: A unique program in three parts combining elements of music, drama and lecture, will be offered. These features will be presented by a company headed by Judge Charles Edward Bull, known as "the living likeness of Abraham Lincoln." Judge Bull, who has played the part of Lincoln in many motion pictures, including "The Iron Horse," "Hearts of Maryland," etc., is known from one end of the country to the other. The supporting members of his company will present a short musical prelude in costume, in preparation for a dramatic sketch, "The Heart of Abraham Lincoln," featuring Judge Bull. Following the dramatic sketch Judge Bull will deliver a short address on the subject "Today's Rebellion."

Second Day: This will be a big music day, and will bring to the Chautauqua the John Ross Reed Company, one of the outstanding vocal organizations of America, featuring John Ross Reed, baritone; Dagny Ellen Jensen, soprano; and Margot Hayes, alto; concert and opera artists of national repute.

Third Day: Jean Rankin and her Paramount Blue Belles, an orchestra of great popularity and versatility, which has made tremendous hits at large National and State Conventions, Automobile Shows, etc., will furnish the music on this day. This organization has also played some of the best theatre engagements in America and is rapidly becoming known as the outstanding girls' band of the country. BACCALAUREATE SERVICE HELD SUNDAY, JUNE 10

A splendid school spirit was manifested Sunday evening, when a large audience assembled at the M. E. church to honor the Seniors of the Tawas City high school in the Baccalaureate service.

Promptly at 7:30, with Mrs. Hosea Bigelow at the organ, the Seniors of '28, who make "just an even dozen," and their teachers marched to their places at the front of the church. "The even dozen" consists of six girls and six boys.

The church was decorated with the flowers of the season, the blue and white lilacs with ferns. Three Junior girls, the Misses Jean Metcalf, Theodora Look and Onalee Main, acted as ushers.

The M. E. quartette, composed of Mr. and Mrs. Jas. Mark, Mrs. Ira Horton and Hosea Bigelow, with Mrs. Bigelow at the organ, rendered a beautiful selection entitled, "The Lord is My Shepherd."

Rev. Tingling of the M. E. church and Rev. Sommerfield of the L. D. S. church assisted in devotional in a most fitting way.

Rev. Metcalf of the Baptist church delivered the address of the evening. Rev. Metcalf, in his splendid talk to the young people, set before them plain, practical advice, which they may be able to carry away with them into their future life and which will prove helpful and inspiring to them through all times. He urged the building of a strong foundation. He made a strong plea for the placing of God in their lives. He graciously commended them for their attainments thus far and advised for them the legacy of clean, upright living as the best, surest, and only means for True Success and further accomplishments.

BUS OWNER IS FINED FOR RECKLESS DRIVING

Albert Rivet of the firm of Rivet Bros., of Alpena, arrested for reckless driving, was brought before Justice W. C. Davidson, where, after a jury trial, he was convicted and fined \$25.00 with costs. Prosecuting Attorney John A. Stewart represented the people of the state and Attorney L. G. Dafoe of Alpena, the defendant.

The accident occurred May 12th when a bus driven by Rivet crashed into F. J. Bright's sedan, doing considerable damage. The sedan was standing along side of the highway in Wilber township, while some repairs were being made to the car's ignition system. The prosecution proved that there was ample room for the bus and that the accident was caused by negligence.

NAAB—GROFF

Miss Evelyn Naab, daughter of Mr. and Mrs. Wm. Naab of Buffalo, N. Y., and Harold Groff, son of Mr. and Mrs. M. Groff of this city, were united in marriage on Saturday, June 9, at 9:00 a. m. at Annunciation church, Detroit.

Mr. Groff has many friends in this vicinity who extend their best wishes.

IMPROVE IOSCO FAIR GROUNDS

During the past week, men and teams have been busy cleaning up rubbish, removing stumps, plowing, grading, leveling and seeding the fair grounds, including the midway, around the barns and center of the race course. Besides improving the appearance of the grounds, this work gives more parking space and a smoother midway. Improvements to the office and free act stand will be made before fair time in September.

The contract for fireworks has been awarded to Vitale Fireworks Co. of New Castle, Pa., for a very fine three night program. Free acts, rides, and races are being lined up.

The by-laws were amended last annual meeting in regard membership tickets. There will be an individual coupon ticket, selling for one dollar, good for the fair and entitling the holder to exhibit in his or her name, also admitting car.

Tickets will be given to all school children again this year, good for any one of the last three days. The premium books are being prepared and we trust many are even now preparing to exhibit at the fair to the end that we may have a real agricultural fair worthy of Iosco county.

WORLD FRIENDSHIP AMONG CHILDREN

The Iosco County Council of Religious Education is anxious to have each Sunday school in the county take part in the good will project between the children of America and the children of Mexico. The object is to cultivate understanding and good will between the children of America and the children of Mexico. The method is to send a Friendship school bag filled with gifts for a boy or girl of Mexico.

These bags must leave the United States by the 30th day of July and are to be distributed to the school children of Mexico on their Independence Day, September 16.

The bag and all necessary information may be obtained by sending \$1.75 to the Committee on World Friendship Among Children, Mrs. Jeannette W. Emrich, secretary 289 Fourth Avenue, New York City New York.

Write or call Mrs. G. N. Shattuck, East Tawas, or Mrs. W. C. Davidson, Tawas City, if you desire more information on the subject before sending for school bag.

Next Sunday's Games
Tawas City at Alabaster.
Hale at East Tawas.

In the second league game of the season, Alabaster was defeated by Tawas City last Sunday by a score of 6 to 4, on the local athletic field.

Alabaster fell prey to the steady onslaught of the Tawas City boys, who held the big end of the score throughout the game. Both teams played good ball, each having but three errors marked against it. Tawas City made the majority of its runs in the second inning, when a hit, a sacrifice, a base on balls, a double, another base on balls and an error resulted in four runs. The other two runs were made in the first inning.

Byron Mark and Atlee Mark formed the Tawas City battery, while C. Tate and Monroe formed that of Alabaster. Both pitchers displayed fine form.

Next Sunday Tawas City goes to Alabaster. As these teams have played two games against each other, one an exhibition game and the other a league game, in which Alabaster was handed defeat in both games by close scores, a very good game can be expected.

SENIORS TAKE TRIP TO SOUTHERN PART OF STATE

The Class of 1928 combined "Skip Day" and "Trip Day" into one, and so took Thursday and Friday of last week to visit Lansing and East Lansing, the home of the state capital and of the State College, respectively. Supt. Giddings, the class advisor, acted as chaperone. The trip was made in Mr. Giddings' Overland and Walter Laidlaw's Mayflower. As in the days of old, when the intrepid Mayflower weathered the tempestuous storms of the mighty and misty Atlantic, so its namesake three hundred years later gallantly took the lead toward the goal, and the miles passed rapidly to the rear.

Among the items of interest to the class were the beautiful campus and buildings of the Michigan State College, and the capitol building. A water Carnival, put on by the seniors of the college, and the Wallace-Hagenback circus proved to be special items of interest.

The return trip was made Saturday morning by way of Bath, the seat of the great school disaster of last spring. Each member of the class evidently feels that Lansing and vicinity is an ideal place for a trip of this nature.

"...but what will it cost me to buy that car on time?"

WHEN you buy a car for cash, you pay the factory price plus freight, war tax and delivery charges. When you buy on time, you pay an additional charge which includes fire and theft insurance. This additional amount is known as a "finance charge."

The finance charges on General Motors cars are low because the General Motors Acceptance Corporation was organized to assure sound credit practice and low rates to those of its customers who prefer to purchase on time. The Acceptance Corporation operates the GMAC Plan of payment. The Plan is simple, fair and economical. Its large volume of business reduces costs. It is conducted to give you satisfaction and to keep your goodwill.

When you buy a General Motors car on the GMAC Plan, you pay the cash delivered price—plus only the low GMAC financing charge—nothing more!

The Plan is available only through General Motors dealers. Another reason for buying your next car—whether new or used—from a General Motors dealer.

Buy your next car on the GMAC Plan

The General Motors cars are Chevrolet, Pontiac, Oldsmobile, Oakland, Buick, LaSalle and Cadillac. Together they make up a line of 86 models, ranging in price-at-the-factory from \$495 to \$5500. They are the quality cars of the various car price classes.

Whatever make and model you choose—whether it be of the highest price, or the lowest—you will get a beautiful body (the closed bodies are by Fisher), 4-wheel brakes, a powerful engine, and a quality of design, materials and performance that only General Motors, by reason of its resources and its policy of continuous improvement, is in a position to give.

And the final touch in your satisfaction will come when you buy it on the GMAC Plan. The transaction will be in your interest. The rates will be low. And the dealer will not lose interest in you after the down payment is made.

Don't forget Hexite, as it makes more cream and butter. Feed half the amount you do in the winter.

A new stenographer has been secured for the Dease Garage. The young lady's name is Dorothy June. She will board at the Dease home.

Miles Bright has secured a dictator instead of a stenographer.

Listen! Scratch feed, only \$2.60 per 100 lbs.; wheat \$2.20 per 100 lbs.

Teacher, in grammar class: Willie,

please tell me what it is when I say, "I love, you love, he loves." Willie: That's one of them triangles where somebody gets shot.

Feeds we handle—Corn, cracked corn, oats, corn and oat crop, scratch feed, bran, middlings, small wheat, Hexite, coarse corn meal.

Two gentlemen by the name of Wood and Stone were standing on the street corner when a beautiful young lady passed by. Stone turned to Wood and Wood turned to Stone and they both turned to rubber.

Frank Dease, awaiting news: "Well, Doc, will it use a razor or a lipstick?"

The Wilson Grain Co. is buying cream. Will pay the highest market price. Try us with a can as we guarantee perfect satisfaction.

Madam, to Chinese man servant: After this, when you enter my bedroom please knock. I might be dressing.

Chinaman: Me don't need knock. Me always look in kleehole first.

a saxophone quintette, harmonica choruses, xylophone soloist, vocal soloist, singing choruses, etc. This company will furnish the entire afternoon program and the musical prelude in the evening.

The lecturer on the third day will be the Hon. Frank H. Gamel, in his address "The Great National Asset." Mr. Gamel has been a worker with and for young people for twenty-five years and has a message of distinct value and interest to both the younger and older citizens.

Fourth Day: This day brings to the Chautauqua the very popular Kackley Players, under the personal direction of Olive Kackley, the dramatic director of the Chautauqua system. The success of Miss Kackley's company in past seasons is an assurance that the fourth day will be one of the most popular of the entire assembly. The company will present in the afternoon a one act play which will be followed by Miss Kackley's interpretation of the comedy-drama, "Thank You," by Winchell Smith and Tom Cushing. Those who last season heard Miss Kackley's interpretation of "The Passing of the Third Floor Back," will welcome this announcement.

In the evening the Kackley Players will present the three-act comedy "New Brooms," by Frank Craven, who is admittedly the most successful writer of plays depicting modern American family life. This three act comedy which has had runs of remarkable length and success in New York and Chicago, is replete with delectable humor and at the same time carries a genuinely worth-while thought.
