TAWAS CITY, EAST TAWAS WIN MONDAY EXHIBITION GAMES

Rain ended an exhibition game between Tawas City and the Griswold First State Bank team of Detroit last Sunday at the end of the second inning. Tawas City was leading by a score of 4 to 1. The game was played Monday forenoon at the Tawas Beach diamond, Tawas City shutting out the bank team by a score of 4 to 0. Jackson, for Tawas City, and H. Case, for Griswold bank, were the moundsmen. The local boys were credited with five double plays in the seven innings played.

The Griswold bank team met with a second disappointment Saturday, when East Tawas nosed out the Detroiters by a score of 4 to 3.

Rain also ended a game between Alabaster and the Black "12" team of Flint on Sunday at Oscoda at the end of the fifth inning. Alabaster then leading by a score of 5 to 4. On Monday the Buick team defeated Alabaster, 5 to 3. In the latter game the Buick boys made a triple play.

Tawas City plays an exhibition game with Pinconning at Pinconning Sunday. Efforts will be made to secure a return game with Pinconning here for Sunday, September 16.

East Tawas plays Alpena at the Tawas Beach diamond on Sunday, September 9.

KIWANIS TO MEET AT McCULLOM BANKS

McCullom Banks, known in early history as a great log rollway, where millions of feet of white and Norway pine logs were banked during the winter months and then rolled into the AuSable river in the early spring to eventually find their way to the sawmills at Oscoda, will again become a place of historical interest when hundreds of Kiwanians from every part of Michigan meet here on September 22 and 23.

At this meeting the Kiwanians will dedicate their Forest, which will be known forever as the Kiwanis Forest. The members of this great national organization in Michigan have contributed to a fund of \$10,000 that has been turned over to the United States Forest Service for the planting of 5,000 acres to Norway pine trees on the Huron National Forest.

Never during the history of the Forest Service has such a worthy offer of cooperation been received.

The Kiwanis members have seen the necessity of putting Michigan's idle acres to work, and spurring on the state and federal governments to planting more trees. These men have responded nobly to the request of Harry Black, one of their national officers, to assist the federal government in the financing of eight square miles of tree planting on the Huron National Forest during 1928. Mr. Black has stated that conditions in the state where the public should be doing something that is creative and constructive.

He feels that the time for speech making and writing is over and that we should begin to build on the interest that has been aroused in almost every mind in the state.

The Kiwanians, the Northeastern Michigan Development Bureau, the Kanotin Club of East Tawas are combining their efforts in formulating plans for this large meeting.

The Development Bureau has very generously offered to finance the outdoor meal that will be served at McCullom Banks at 5:00 P. M., Central Standard time, September 21. The Kanotin Club will have charge of the serving of the dinner, receiving the guests, arranging for camping and hotel accommodations, and carrying through of the entertainment at the McCullom Banks Camp Ground, and will extend every effort to see that the visitors get all the pleasure and enjoyment possible out of the occasion. A committee of business men of East Tawas has taken it upon themselves to see that all arrangements are carried out to the letter.

CARD OF THANKS

To the voters of Iosco county and the entire Legislative District, I wish to render my thanks for the wonderful support given me in the campaign just closed. I am deeply grateful and will enter into the duties of the office with a serious and honest effort to do my best to represent this district to the very limit of my ability.

To my opponents, I wish to say that I am sorry that in a campaign like this it is always necessary for someone to be disappointed. I admire the clean fight put up and know that I will have your wholehearted support in my work at Lansing.

Fred C. Holbeck.

10 BIG FREE ACTS, TWICE DAILY AT FAIR

The Iosco County fair will open next Tuesday, and if the weather-man smiles, a new high record in attendance will probably be established. The officers have been busy during the past two months improving the grounds and buildings. An especially fine program of free acts has been secured.

The Iosco County Agricultural Society, during the past few years, has been giving much higher premiums for agricultural, school and other exhibits than a majority of the county fairs of the state and this has been reflected in some very fine exhibits during the past two years, although the weather conditions for the growing of farm products has been unfavorable during that time. Many have expressed the opinion that this year will be no exception and that there will be a large number of fine exhibits.

The list of acts booked for this year's fair come highly recommended and the officers have every reason to believe that they are the best that have been shown at any fair in this county.

Joseph Cramer in Freckles and Buddie comes direct from the Toronto Exposition and has been highly recommended by people who have seen the act as exceptionally classy and consisting of slack wire stunts and comedy tumbling.

Auto polo is something the officials have been trying to secure for several seasons and should be a drawing card to most people, as this fair is the first county fair in this section to have a polo team playing in this exciting game.

The Cornallus troupe comes direct from a large fair in Wisconsin with its comedy acrobatic act that is said to be a scream and pleases both young and old. They also show an iron jaw butterfly act, Spanish well act and a swinging perch act. These acts are classy and carry high class wardrobe, which adds to their popularity.

The Pursall animal circus is above par and carries what is said to be the best educated pony in the show business. The committee hesitated on booking this act but it has been seen by local people, who claim it is an act of unusual merit.

A flying trapeze and comedy acrobatic act by the Aerial Lagellias comes direct from a big fair in Ohio and is spoken of as being one of the best flying trapeze acts on the road, having traveled with several large circuses for several years.

Band concerts every day and evening by the Lutheran band of Bay City and an aeroplane carrying passengers will all combine to make a very complete program.

ADMISSION AND ENTRY RULES
The by-laws were amended at the last annual meeting in regard membership tickets. An individual coupon ticket good for the fair and entitled holder to exhibit and admittance car will be sold for a dollar. Return checks will be issued at the rate to anyone holding membership tickets wishing to leave the grounds during the day.

Schools may secure school children's tickets from the commissioner, Miss Worden, which are good on any one of the last three days and we hope every school child will attend.

Entries must be in hands of secretary or entry clerks the first day, September 11, and articles should be in place that day. No article can compete for prizes not in place before 10:00 o'clock Wednesday, September 12.

Last year the number of entries and amount of premiums paid broke all previous records. Let us shatter last year's record and fill all buildings.

STATE COLLEGE EXHIBITS
At least four departments of the Michigan State College will be represented, namely Farm Crops, Soils, Dairy Husbandry, Farm and Horse in Forestry. This exhibit will be in charge of men from the college and add much to our fair in an educational way.

The board of directors and officers have done their best to make your fair the best ever and they are counting on your hearty cooperation in making it the best little fair in Northeastern Michigan.

CARD OF THANKS
I wish to thank the voters of Iosco county for the confidence they have placed in me by giving me such a nice majority for the nomination for the office of Register of Deeds. If elected, I will make every effort to serve the public to the best of my ability.

Mr. and Mrs. Chas. White and little son, Bill, of Royal Oak called on friends in the city on Sunday.

MRS. A. STEINHURST, PIONEER RESIDENT OF THIS CITY, DIES

Mrs. Adolph Steinhurst, for over 40 years a resident of this city, died at her home here Monday afternoon. She had been ill three weeks. Death was caused by a complication of diseases.

Laurentena Grabel was born November 20, 1867, at Wyandotte, Mich. She was united in marriage to Edward Bailey of Wyandotte and to this union one child was born, Edward Jr. Mr. Bailey died two years later she was married to Adolph Steinhurst of Tawas City. Twelve children were born to them, Charles of Portland, Oregon; Henry E. of Plymouth; Arthur W. of Detroit; Leo T. of Elizabeth, N. J.; Mrs. A. S. McCloy of Detroit; George R. of Detroit; Mrs. K. Von Smuda of Newark, N. J.; Julius E. at home; Ernest of St. Clair; Irving of Flushing; Rosalie of Detroit; one son, Alfred, preceded her in death 18 years ago. She is also survived by four sisters, Mrs. Richard Tamm of Detroit; Mrs. Fred Joseph of Detroit; Mrs. Emilie Kinsel of Detroit; Mrs. Fred Schultz of Midland, and two brothers, Michael Grabel of Dollar Bay, Wis., and Wm. Grabel of Wyandotte.

She was a member of the Emmanuel Lutheran church, of which she had been an ardent worker for many years.

The funeral will be held this afternoon (Friday) at one o'clock from the home, with services following at Emmanuel Lutheran church. Rev. Otto Eckert, Jr., will officiate.

The family has the sympathy of their many friends in their sorrow.

CRASH WITH TRAIN FATAL TO GIRL

Miss Hazel O'Connor, granddaughter of Mrs. Mary E. Herriman, was fatally injured Thursday of last week when a car in which she was riding was hit by a train near Royal Oak. Howard Latham, a cousin, who was driving the car, was seriously injured.

Hazel O'Connor was born in Graceland, California, April 22, 1913.

In 1919 she came with her mother to Michigan and lived with her grandmother, Mrs. Mary E. Herriman, for one year, attending the Greenwood school. The next year she entered the Friends Select School of Philadelphia, where she finished the elementary department and two years of high school.

This past spring she decided to be a Christian worker or missionary, and this decision led her to arrange to go to the Bob Jones College of Florida, where she could prepare for this work along with her regular college work. She would have left Philadelphia September 8 to enter the college preparatory department.

Almost every vacation for the last nine years has been spent with friends and relatives in Michigan, and she loved this section and its people more than any other. As usual she came this summer, had a delightful month and was all ready to return to Philadelphia. While riding around with her cousin, Howard Latham, to say goodbye to her friends near Detroit, the accident occurred. They were struck by the train at the Nine Mile road between Royal Oak and Fraser. Hazel never regained consciousness and Howard's condition is critical.

The funeral services were held Monday afternoon at the Tawas City Baptist church. Rev. Frank Metcalf officiated. Burial was made in the Tawas City cemetery.

IN MEMORIAM
In loving memory of Gladys Leslie, who departed this life one year ago, September 9, 1927.

We're missing you through all the day,
Missing you more than words can say;

Your smile, your voice in every way
We're missing you,
We're missing you and though our plans,
May well be castles, reared on sands;
Should all else fail one thing still stands.

We're missing you,
We're missing you but soon again
You'll slip your hand in ours,
Dear, when
A night wind sighs old lullabies—
Till then, we're missing you.
Her mother, brothers and sisters.

CARD OF THANKS
We are most grateful to the many kind friends and relatives, who by so many acts of kindness and sympathy, contributed to our comfort during our recent bereavement.

Mrs. Alice O'Connor,
Mr. and Mrs. Herbert Herriman.

PRELIMINARY WORK STARTS ON DOCK

A. O. Baer, superintendent of construction for the United States Gypsum Company, stated Wednesday that work would commence immediately upon a temporary dock at Alabaster. The temporary dock will be used to facilitate the construction of the modern 13,000 ton loading dock which the company plans to have completed by June, 1929. Mr. Baer arrived Tuesday from Chicago to take charge of the extensive construction program which is contemplated by the company.

Large quantities of material will be required for building the loading dock, states Mr. Baer, and much of this will be shipped here by water. As soon as the temporary structure is completed, this section of Saginaw Bay will again be the scene of an activity which had practically ceased nearly 30 years ago.

The permanent dock will consist of cable and bucket rock carrier and storage bins. The crushed rock from the plant will be taken by the carrier out to a bin located about 7000 feet from the shore, where the water is of ample depth for boats.

This bin will be of mammoth proportions, with a capacity of 13,000 tons, sufficient to load two rock carrying boats.

Foundation piling for the structures supporting the loading bin and carrier will be sunk 25 feet below the bed of the bay and will be of such strength and design as to prevent damage from the movement of ice in the bay during the winter.

Included in the United States Gypsum Company's program will be the construction of storage bins on the shore and additional rock crushers, and a greatly increased output from the quarries and plant. A half million dollars will be expended in the improvement projects.

TRUDELLS ERECT NEW FISH HOUSE
The Trudell Fisheries Company, Inc., are building a large fish house on their dock to replace the one destroyed by fire Thursday, August 2. The work is now well under way.

The new plant is being built by Chas. Nelem and Son.

STEAMBOAT DAYS RECALLED IN "UNCLE TOM'S CABIN"
The most romantic period in America's career was that glamorous half century starting with the year 1800. Up to 1850 or so, steamboating was in its hey-day. Majestic sidewheelers puffed mightily up the broad Mississippi to Cincinnati and slipped easily downstream to New Orleans.

The gentleman gambler, who staked and lost fortunes without the flicker of an eyelash, strolled casually along the broad decks. Beaver-hatted gallants courteously greeted crinolined belles as they passed or met on deck or companionway.

White coated darbies showed grinning teeth as they acknowledged liberal tips from generous passengers.

This is but one of the phases of that lovely era, now past, alas, of the old ante-bellum South, pictured in Universal's stupendous photodramatization of "Uncle Tom's Cabin," scheduled for it Tawas City premiere Sunday and Monday at the State Theatre.

THANKS AND CONGRATULATIONS
"Tawas Will Not Fail" is now transformed into "IOSCO WILL NOT FAIL." For the majority county indorsement you gave me at the primary, I am deeply grateful.

I heartily congratulate Fred in winning the tri-county nomination. Let's all get behind him and push for Northeastern Michigan.

Charles F. Klump.

STATE OF MICHIGAN
In the Circuit Court for Iosco County, in Chancery.

Jacob Davis, Plaintiff, vs. Henry P. Smith, Byron B. McVey and their unknown heirs, legatees, devisees and assigns, Defendants.

Before Nicholas C. Hartnigh, Circuit Court Commissioner for Iosco County, August 31st, 1928.

In this cause, it appearing by affidavit on file therein, and by the bill of complaint verified and filed herein, that the Plaintiff and the affiant by whom said bill of complaint is verified, do not know, and have been unable, after diligent search and inquiry to ascertain whether said defendants are living or dead, or where they may reside, or living or whether the title, interest, claim, or possible right acquired by said defendants has been assigned by them in said premises or conveyed to any other person or persons; or, if they be dead whether they have personal representatives or heirs living, or where they may be living, or whether the title, interest, claim or right in said premises has been disposed of by will; and do not know, and have been unable, after diligent search and inquiry to ascertain the names of the persons who might claim under the said defendants, and who are included as unknown and unascertained defendants herein, or where their residence or present address may be.

On motion of John A. Stewart, attorney for Plaintiff, it is ordered that the appearance of each and all of said defendants above named, and their heirs, devisees, legatees or assigns be entered in said cause within three months from the date of this order; and in case of such appearance that they respectfully cause their answer to the bill of complaint in this cause to be filed therein, and a copy to be served upon Plaintiff's attorney within fifteen days after service of a copy of said bill of complaint and notice of this order, and that in default hereof said bill be taken as confessed by them.

Further ordered that within forty days from the date of this order Plaintiff cause a copy thereof to be published in the Tawas Herald, a newspaper printed, published and circulated in Iosco county, for six

It was speeder's day in the police court. The first offender vowed he was traveling only 15 miles an hour when apprehended. Next a notorious fast driver told the judge he was going only ten miles per hour.

"And how fast were you going?" asked the judge of Tim O'Brien, third in line.

"May it please the court," said Tim with straight face, "I was back-in' up, Yer Honor."

Our cream station is doing fine business. Bring in your cream and try it.

They "ain't" so bad right now— which reminds us of the story of the colored cook who was leaving and to whom her mistress said:

"Well, Linda, I hope the man you are marrying is a worthy one."

Cook: "He ain't de best dey is, but Ah's gwine ter make him do fon de present."

Feeds we carry, in stock, Bran, flour, middlings, cracked corn, coarse corn meal, corn and oat chop, scratch feed and Hexite. Oil, coal, meat scraps, bone meal and oyster shells.

Now is the time to fill your coal bins as coal will be higher after the 15th of next month.

Just received a car of corn and a car of the famous Huron Portland cement. Everybody's friend. They all use it.

Be sure and sow fertilizer with your wheat and rye this fall as you get a much better yield and are sure of a catch on your seedling.

Judging by the way they act most middle aged people must feel younger than they look.

Just received another car of Hexite.

We will have wheat in next Monday for your chickens.
