A DELICATE PROBLEM OF THE COUNTRY'S YOUTH

Juvenile Delinquency is one of the great tragic developments of present day America that the public must take cognizance of. It is a problem that threatens the future if not the very life of the youth of every family. Changing living conditions, changing moral standards, unavoidable unhealthy contacts, coupled with growing parental neglect, have combined to produce a mental attitude in the rising generation that is causing the authorities and thinkers of the Nation grave concern.

In "The Road to Ruin," which comes to the Family Theatre October 13 and 14, this problem is dealt with frankly and fearlessly, and the inevitable disastrous consequences of youthful folly and parental negligence is most forcibly shown. As Sally Canfield, the innocent and trusting school girl, exotic Helen Foster, gives a performance that has seldom been equalled on the screen. Others of special note in the cast are Virginia Royce, Grant Withers, Tommy Carr (Mary's boy) and Florence Turner.

Wm. Groff returned Sunday to Detroit after visiting several days in the city.

## PINCONNING TAKES FIRST GAME IN SERIES

East Tawas was defeated in the first game of the three-game series with Pinconning played at Pinconning last Sunday by a score of 3 to 2.

Halligan and Krueger, opposing pitchers, staged a wonderful battle. Each allowed eight hits. The pitching and fielding of East Tawas was offset largely by the large number of men left on bases.

The second game of the series will be played at East Tawas next Sunday. These teams are very well matched and assure the fans of a good, fast game.

I can't get along with my wife. All she does is ignore me.

Ignore you? Yes, and if there is anything that I dislike, it is ignorance.

Feeds we handle—Whole corn, coarse corn, meal, cracked corn, scratch feed, oil meal, wheat bran, middlings, oyster shells.

Clarice (modern young flapper)—

What a charming little ornament! But what is it? It's gold but it is not a brooch, or ring or bracelet. I never saw anything like it.

Sadie (a little old fashioned)—It is a thimble.

Hexite is the best dairy feed that you can buy. Ask your neighbor. It will keep your cows in better condition and produce more milk and cream.

Let's get better acquainted! We pay the highest price for your cream. Try us with your next can and you will be pleased with our service.

Salt—Barrel salt, 100 lb. sacks, 50 lb. sacks, 25 lb. sacks and packer's salt for pork.

We handle Huron Portland cement, Mason's lime, keem cement, Red Top wood fibre plaster.

Prof.—Why don't you answer me?

Fresh—I did, Professor. I shook my head.

Prof.—But you don't expect me to hear it rattle away up here, do you?

Fill your coal bin before cold weather. Our coal is the best on the market.
