## 100 S. S. WORKERS ATTEND CONVENTION

Over one hundred Sunday school workers of Iosco county met in convention at Reno Baptist church on Tuesday, the 9th of October. Of the twenty schools in the county, seventeen were represented. There were also four workers from other counties.

The work of the past year was reviewed and many suggestions for the coming year put forth.

Rev. Halpenny, the State President, gave a splendid message of inspiration at the afternoon session, in which he set forth in a very forceful way what he termed the seven rights of every child:

1st, the right to be well born; 2nd, the right to have two parents in the fullest sense of the word—the mother to give sweetness, gentleness and kindness to the child's character, the father to give it strength, courage and forcefulness; 3rd, the right to be taught respect for the law, and this can be done by firm gentleness and gentle firmness, plus self-control and the child's point of view; 4th, the right to have an adult friend; 5th, the right to be understood; 6th, the right to have the proper views on the origin of life; 7th, the right to be commended to God.

Those who heard this message will not soon forget it and cannot help but be better for having heard it.

In the evening the East Tawas Band under the direction of Miss Bower, furnished a half hour of music, which was enjoyed by all. Iosco county may well be proud of this group of musicians from our own homes.

Miss Edna Otis read a very appropriate tribute of respect to the memory of the late George Allen Prescott, who was a member of the County Council at the time of his death, and well beloved by all.

Mrs. Ira Horton read a letter of thanks from one of our little Mexican friends who received the "Friendship School Bag" which her Sunday school class sent to Mexico last July. He not only thanked the class for the gifts received, but also for the message of friendship which was sent with it.

After Rev. Halpenny gave a few glimpses of the great World Convention held at Los Angeles last summer, the meeting was brought to a close, all feeling that it was a day well spent.

A free-will offering was taken for the county work at which \$26.38 was received.

The following officers were elected for the coming year: President, Mrs. Helen N. Shattuck, East Tawas; First Vice-President, Rev. Brown, Oscoda; Second Vice-President, Wm. Latter, Whittemore; Secretary and Treasurer, Mrs. J. Mortenson, Long Lake. Division Superintendents—Children's Division, Mrs. W. C. Davidson, Tawas City; Young People's Division, Mrs. W. A. Evans, East Tawas; A. I. A. Division, E. W. McGirr, Ionia; Reading Course Division, Mrs. E. Allen, Hemlock road; Educational Division, Mrs. C. E. Edinger, East Tawas.

The next great movement in our Sunday school life is the annual state convention at Petoskey October 24-26.

## TWENTIETH CENTURY CLUB

The Twentieth Century Club held its first meeting of the year at Sand Lake, with Mrs. Horton acting as hostess.

The business of the day was first taken up, after which our president, Miss Worden, gave us a very interesting talk. She also read a short sketch from the state president's first address to clubwomen of the state. The meeting adjourned and several members of the club enjoyed a lively game of baseball. A pot luck lunch was then served, which was very much enjoyed by everyone.

The next meeting of the club will be held in the club rooms on October 20. The roll call will be "Names of Famous Missionaries." An address on "China" will be given by Rev. Roberts. Mr. Roberts told us many interesting things last year about that great country. Everyone will surely want to hear him again this year and learn much more.

## SCHOOL NOTES

### High School

Twenty of the High School boys attended the Ohio Wesleyan University-University of Michigan football game at Ann Arbor Saturday, October 6. They attended the game as guests of the Board in Control of Athletics of the University of Michigan. They left Tawas City at 4 o'clock Saturday morning, making the trip in four cars. A good time was had by all especially those who had never witnessed a football game before.

The High School Athletic Association is raising money to help pay for the building of the new tennis court and also other athletic equipment.

The following magazines have been subscribed for by the school for the present school year: American Magazine, Gregg Writer, Current Events, Hygeia, Literary Digest, Scientific American, Child Life and National Geographic. In addition to these, several agricultural and college magazines are received regularly free of charge.

Mr. Thorpe and Miss Green, assistant State Club leaders, called at the school last week. Mr. Thorpe talked to the boys about organizing a manual training club while Miss Green explained the work done in first and second year sewing clubs.

We understand that plans are underway to reorganize the Parent-Teachers Association in the district. This certainly is a laudable ambition, and one worthy of consideration.

A general school entertainment will be given Thursday evening, November 22, at the State Theatre. As mentioned last week, the net proceeds will be used to purchase athletic material. Remember the date!

Fifth and Sixth Grades  
The spelling averages for the last week were: Fifth grade, 93.08%; Sixth grade, 93.1%.

## SPlicing CREW COMPLETES WORK ON TELEPHONE CABLE

The splicing crew of the Michigan Bell Telephone company completed its work Wednesday on the new cable installation in the city, and the cables are now ready to be put into service. A crew of men will, within a short time, connect the phones to the terminal boxes of the new cables.

Large crews of workers have been busy since early last spring erecting poles, stringing wires and cables and rerouting the telephone system through the city. When completed, Lake Street will be free from telephone wires and poles and much improved in appearance.

With the rerouting of the system the capacity of the installation has been doubled. The new main cable carries 200 pairs. The old one carried 100. Terminal boxes have been placed at closer intervals, which shortens the leads to the phones and many improvements have been added to the equipment to increase the efficiency of the service. Thousands of dollars have been expended by the company for labor and material to improve and reroute the system here.

## DANCE AT WHITEMORE

There will be a dance at Whittemore, over the Roll-Inn Cafe on Wednesday eve, October 17. Music will be furnished by LayGraff's orchestra of Bay City. Everybody welcome. adv

Patricia Braddock, Gordon Myles and Ray Cox were the only three to have 100% on the monthly spelling examination given Friday.

Two examination papers gave the following information: Muscle Shoals is a seven-mile hill; Muscle Shoals is an insect, about as big as an ant, which eats into the cotton fiber and spoils the inside.

Nyda Moore has returned to school after having been absent two weeks.

## Third and Fourth Grades

Miss White invited us in to hear some new records. The second grade also dramatized "Little Red Riding Hood" for us.

## Primary

We have three new records for the phonograph. June Brown, Anna Louise Burr and Eugene Wegner had perfect in spelling this week.

June Brown and Anna Louise Burr had perfect spelling lessons for three weeks, making a bunch having 15 grapes on their booklet. The contest ended with the girls having 46 grapes while the boys had 44.

## EAST TAWAS EVENS SERIES WITH PINNY

After losing the first of the series to Pinconning, East Tawas came back last Sunday by defeating the Bay county team, 8 to 1, to even the series. The game was played at the Tawas Beach diamond.

Elison, Pinconning hurler, started the game for the Bay county boys, but could do nothing to stop the heavy hitting East Tawas boys, who secured a lead of seven runs in fine shape, and was relieved by Good. Thereafter, East Tawas was more quiet until the eighth, when it scored its eighth run. The lone tally of Pinconning came in the fourth, when singles by Meddaugh, Winch and Mathieson allowed Meddaugh to score.

M. Lixey, youthful southpaw, held Pinconning practically helpless, allowing but five scattered hits. His fine pitching, and the heavy hitting of his mates, easily won the game for East Tawas.

Each team now having won one and lost one contest, Pinconning and East Tawas will play the final and deciding game next Sunday, October 14, at the Beach diamond, East Tawas. As this will be the deciding contest, these teams will put forth every effort to secure the victorious end, which assures fans of an extremely interesting and exciting game.

## "THE ROAD TO RUIN" VIVID PICTURE OF MODERN YOUTH

The reckless abandon with which the jazz-crazed youth of today fling themselves into the mad chase after the illusive "good time" is vividly depicted in "The Road to Ruin," which comes to the Family theatre, October 13 and 14.

Jazz and gin, sex and sensuality, cars parked on shady lanes, sporty roadhouses, wild strip poker parties are among the highlights of this most unusual picture, which graphically illustrates the terrible results of parental neglect and ignorance in the handling of modern youth.

"The Road to Ruin" is up to the minute, and as Sally Canfield, exotic Helen Foster, a new screen luminary, gives an astonishingly realistic portrayal of the errant flapper. Others of especial note in the cast are, vivacious Virginia Roy, Grant Withers, Tommy Carr, Florence Turner and Charles Miller.

## MRS. MARY OATES

Mrs. Mary Oates, age 82 years, of Alabaster, died Thursday, October 4, at her home after an illness of four months.

Mrs. Oates was born in Canada on June 12, 1846. In July, 1862, she was united in marriage to Edward Oates at Tawas City, and has made her home in Alabaster since that time. Her husband, a veteran of the Civil War, preceded her in death 36 years ago.

Mrs. Oates was the mother of ten children, four of whom survive, Wm. Oates of Flint, Michael and Frank Oates of Alabaster and Mrs. J. H. Shaver of Lansing. She is also survived by 23 grandchildren.

Funeral services were held from St. Joseph church, East Tawas, with interment in East Tawas cemetery.

Evening Station-to-Station rates are effective 7:00 p. m. to 8:30 p. m., and Night Station-to-Station rates, 8:30 p. m. to 4:30 a. m.

A Station-to-Station call is one made to a certain telephone rather than to some person in particular.

If you do not know the number of the distant telephone, give the operator the name and address and specify that you will talk with "anyone" who answers at the called telephone.

A Person-to-Person call, because more work is involved, costs more than a Station-to-Station call. The rate on a Person-to-Person call is the same at all hours.

Additional rate information can be secured by calling the Long Distance operator

**A "used car" is unused transportation**

**A GOOD automobile is built to stand years of use. It will provide many thousands of miles of satisfactory transportation.**

But only occasionally are all its years and all its mileage used up by one owner. Many owners turn their cars in after an average use of only two to three years—long before the cars' lives have been exhausted.

This custom brings into the market every year so-called "used" cars which represent outstanding opportunities to buy unused transportation at low cost.

Every year more and more people appreciate this fact. Today millions of families are driving cars of which they are the second or third or even fourth owners; and this year the volume of new car sales and trade-in transactions has created wider choices and greater values in unused transportation than ever before.

**3 out of 5 buy used cars**

THREE out of five of the cars you see on the road have been purchased as "used" cars. You cannot tell—nor do you ask yourself—whether the driver of any particular car is its first owner, or its second or its third, providing the car looks well and is running satisfactorily.

The cars which General Motors dealers have accepted in trade vary in name, body style and price. Some have seen sturdy service; in others the potential mileage has scarcely been touched. And all offer a wide field of opportunities—

To the family wanting transportation at lowest possible cost.

To the family wishing to own a car of a higher price class.

To the family needing a second or third car to meet the requirements of all its members.

We invite you to examine the unused transportation in the stores of General Motors dealers. For your convenience General Motors extends the GMAC Purchase Plan.
