Leo Davis of Detroit is the guest of W. E. Glendon.

The A. I. A. Association, O. E. C., will meet with Hale Chapter No. 482 on Friday, October 24th. Mrs. Amanda McGilivray of Oscoda is the association president. The worthy Grand Matron will be present with other Grand officers. The local chapter is busy with arrangements for the comfort and pleasure of the guests. The meeting will open at 2:30 in the afternoon. Dinner will be served by the Ladies Aid at the M. E. church annex. A large attendance is looked for.

Considerable excitement has been going through the community during the past two weeks over the denunciations of thieves who have been operating in this vicinity. Charles Clement lost about \$100.00 worth of beans, stolen from his barnyard. About 25 bushels of potatoes were stolen from Ross Webb. They were pitted in the field. Sunday night when Jesse Dickinson noticed a car parked near his field, he with an employe, started to investigate. They found no one in the car, but after watching for a short time, the thieves, who had been sacking potatoes at the pit, came to the car. When questioned regarding their actions they attempted to make a get-away and the boys shot after the car. Monday morning the car was found in a field west of Long Lake and blood stains in it showed that the driver had been wounded. State police traced the thieves and arrested them near National City on Monday.

Saturday afternoon, Mrs. E. W. Richards, superintendent of the children's division of Saginaw county, conducted a conference for children's workers and at the same time Rev. Halpenny held a general conference. Both these sessions were well attended and very beneficial. After these meetings the pantomime "Spring in the Brown Meadow," was presented by the primary children conducted by Mrs. Shattuck of East Tawas. This was enjoyed by all present and gave a splendid example of what may be done by the very small children. After this, Mrs. Richards set forth the "Obligation of the Adult Toward the Church School." She pointed out three very good reasons why the adult should attend school: 1—Because it is part of God's work; 2—because we are never too old to learn; 3—because of the example and influence upon other lives.

From 4:30 to 6:30 Saturday afternoon there was a conference and supper for the superintendents and assistant superintendents, pastors and all officers of the council. There were twenty-four present and all enjoyed a happy two hours.

The Saturday evening session opened with a candle-light worship service, put on by 25 junior girls, after which Rev. Halpenny gave the closing address. Mrs. Shattuck presented the Attendance Awards in behalf of the council, and the convention closed with the singing of "Blest Be the Tie That Binds."

This was by far the best convention ever held by the council, there being a total attendance of over 350

persons, with delegates from twelve different schools of the county. The financial response was very generous. \$41.25 was paid in pledges, with \$36.00 personal pledges to be paid during the year, and \$10.75 in open offering being received. The council bids fair to do even more in the coming year. The great need of the council is more Christian workers who can and will give of their time and talent to bring the children of Isosco county to the Master.

"OUR BLUSHING BRIDES"
A BOX OFFICE RIOT

A box office riot is "Our Blushing Brides," which comes to the Family Theatre, East Tawas, Sunday and Monday. You're going to like this. It has humor, pathos, magnificent settings, and a fashion parade that will make the ladies tear up their wardrobes and start again.

"Our Blushing Brides" is number three in the amorous adventures of Joan Crawford, Anita Page and Dorothy Sebastian. None of the girls blushes much, and Anita isn't even a bride. Joan is the fashion model that holds out for the wedding ring. She gives a beautiful performance as the girl who sticks to the straight and narrow. You must see her in those lace step-ins! Anita Page is wistfully effective as the tragic one who "goes wrong." Dorothy Sebastian scores as the flirtatious one. Robert Montgomery, Raymond Hackett and John Miljan are excellent, with Montgomery outstanding.

We made some very pretty autumn trees in Art class this week.

Primary
We are pleased to have a new student in our room, Donnafay Groff.

Each pupil has made a string of Indian beads.

Ward School
We have organized our room into Good Health Fairies and Good Health Brownies.

Miss Cowgill weighed and measured us last week. She also tested our eyes and examined our teeth.

Annette Murray visited our room Monday morning.

Attendance was 100% in all the grades last week.

Our perfect spellers last week were Junior Musolf, Marion Musolf and Marjorie Musolf.

Typewriting desks have been added to our commercial department.

The orchestra met for the first time Thursday. We saw about the instruments which we were to use.

The Girls' Glee Club is starting to learn some new songs.

The Art class has improved somewhat in the last few weeks. At present we are working on some tapestry.

The ninth and tenth grades have started to learn their declamations.

Our baseball team made it four straights by defeating the St. Joe team Tuesday by a score of 10 to 7. This also makes the second time our team won from St. Joe. Both Allan Herriman, our pitcher, and A. Zaharias, St. Joe's pitcher, were wild. Both allowed four hits, and walked nine men. Errors on the part of the St. Joe boys helped our team defeat them. The batting star of the game was Alvin Cholger, who got two hits in three trips to the plate.

Fifth and Sixth Grades
We are glad to welcome Albert Elust as a new pupil in the sixth grade.

Our room was pleased to receive the statue, "The Young Student," as a reward for having the largest attendance of parents at the P. T. A. meeting. We are hoping to get it again next month.

The following people had perfect spelling scores for the past week: Lucille Rollin, Joy Smith, Emma Sholtz, Mabel Brown, Thelma Herman, Isabelle Dease, Thomas Metcalfe, Janet Keiser, Rita Koepke, Laurie Frank, Bettv Holland and Dorothy McDonald.

Third and Fourth Grades
The fourth grade is working on an African project. We have been studying the Congo region and are now using our knowledge in making a native scene.
