

Vote 'Yes' on School Reorganization

Special School Election Next Tuesday

School Plan Placed Before Electors After Several Years Study

Next Tuesday, September 30, the electors of the Tawas area will have the opportunity of voting on the proposed school district reorganization plan. The special election will be carried on in a manner, similar to general elections, and voting will be at places chosen convenient to the voters in each locality of the proposed combined district.

The people of the Tawas area included in the reorganization plan have been studying the proposal for several years. Everyone knows the necessity of an expansion in our school facilities and the consequent improvement of our school system. A vote of "yes" on the Reorganization Proposal will be a step toward bringing about these needed improvements. It will make possible the construction of a school plant to take care of the rapidly growing needs of this school area. It will also make possible the addition of modern courses of study, that our young people can be better prepared for the business of life in our own school, and in the environment of their home.

The specified voting places for the special election on district reorganization are:
 Tawas City and Tawas No. 7, fl.—Tawas City Hall.
 East Tawas—East Tawas City Hall.
 Baldwin No. 2.—N. J. Crocker Office.
 Wilber No. 4, fl.—Wilber No. 4 school house.
 Tawas Nos. 2, 3, 4, and 9—Tawas Township Hall.
 Alabaster and Whitney No. 6—Alabaster Township Hall.
 Grant Nos. 2 and 3—Grant Township Hall.

EAST TAWAS
 Mr. and Mrs. Frank Hardy of Flint visited with friends in East Tawas for several days. Mrs. Hardy was formerly Susan Hill of East Tawas. The Hill family resided for years in the residence which is now the Merschell home on Lincoln street.

DEDICATE NEW BUS
 The East Tawas Assembly of God Church will be dedicating their Sunday School bus in a special ceremony during their Sunday School hour Sunday morning. Services start at 10:00 o'clock.

Much work by the Assembly of God people and contributions by friends in the Tawas have made this addition to their Sunday School possible.

The bus makes a 20 mile round trip every Sunday to bring in youngsters and adults to Sunday School. Approximately 25 ride the bus from the Wilber Area.

This is the only Sunday School bus owned by any church in this community.

The ceremony will include special music, dedicatory sermon and prayer.

Rev. Hugh Thompson and his people extend a hearty invitation to their friends in the Tawas to come and share this happy occasion with them.

Will Use New Version of Bible at Sunday's Service

Publication of the new revised version of the Bible will be recognized at Sunday's service of the Tawas City Baptist Church, according to Rev. Charles Mercer, pastor. Readings for the service will be taken from the newly revised version.

The Revised Standard Version of the Bible which will be available in book stores after September 30, is indeed the most outstanding book of our time. A group of 91 scholars representing 40 denominations worked for 12 years on the tremendous task. They have sought to revise the King James and the American Standard Versions in the light of the best evidence of ancient manuscripts as to the original text of the Scriptures, and have brought to the task the new resources for understanding the vocabulary, grammar, and idioms of the Biblical languages and the history and culture of Bible lands which the discoveries of archaeology have made available.

A preliminary draft of each book was prepared by an individual member; each verse was then thoroughly discussed by the section. Their vote determined the reading to be adopted for the first draft. This was circulated to the entire committee and the Advisory Committee—the latter made up of representatives of 40 cooperating denominations. All suggestions involving matters of principle or meaning were discussed in meetings of the sections; others, concerning details of style or expressions were dealt with by an editorial committee.

The Revised Standard Version is not a new translation in the language of today. It is not a paraphrase which aims at striking idioms. It is a revision which seeks to preserve all that is best in the English Bible as it has been known through the years. It is intended for use in public and private worship, not merely for reading and instruction.

Proclamation Registration Weeks

State of Michigan Executive Office Lansing

The right to vote was born by free men and women only after centuries of suffering and bloodshed. In a democracy like the United States, where the people through their representatives control the business of government, it is the duty of every citizen to exercise this right.

In Michigan, it is a tragic fact that of the state's four million eligible voters only about two million have ever voted in an actual election. Persons, who otherwise would vote, frequently discover they are ineligible because they fail to register.

This year, when the people of our state and nation must make decisions at the polls which will affect their lives for years to come, every citizen of Michigan must insure his eligibility to vote by registering, if he has not already done so, before October 6th.

To impress the importance of registering upon our people, if they expect to vote in the elections next November, the last week in September and the first week in October have been designated **REGISTRATION WEEKS**.

Therefore, I, G. Mennen Williams, Governor of the State of Michigan, do hereby proclaim the period from September 22 through October 6, 1952, as **Registration Weeks**.

Given under my hand and the Great Seal of the State of Michigan, this eighteenth day of September, in the year of our Lord, One Thousand Nine Hundred Fifty-two, and of the Commonwealth the One Hundred Sixteenth.

G. Mennen Williams, Governor.

River Project Underway

Kenneth Grenke is driving spiles along the bank of Tawas river on Ninth Avenue. The contract for this project was awarded Grenke during the past summer.

The work was authorized by the city council to protect the street from erosion by the high water in Tawas river.

Eisenhower to Visit Bay City October 1

Dwight D. Eisenhower, candidate for president of the United States will visit Bay City according to an announcement made this week. The Republican presidential candidate is slated to appear at Bay City on Wednesday, October 1, at 9:30 a. m.

Mrs. Hubert Wunderle

Mrs. Hubert Wunderle, formerly Beatrice Klenow, died early Sunday morning as a result of a heart attack.

A rosary service was held Tuesday evening at 8 o'clock at the family residence and funeral services were held from St. Joseph's Church, Wednesday morning at 9 o'clock. Rev. Fr. Robert Newman officiating. Burial was in the East Tawas Catholic Cemetery.

Beatrice Klenow, daughter of the late Mr. and Mrs. Lorenz Klenow, was born in East Tawas on June 17, 1911. Her husband, Hubert Wunderle preceded her in death nine years ago.

Surviving are a son, Richard age 14; a daughter, Frances, age nine; five brothers, Henry; William; Richard; Edward and Dr. Russell Klenow, all of East Tawas; and two sisters, Mrs. Frances Sheldon of Detroit and Mrs. Ann McCamley.

With Our SERVICEMEN

Pvt. Sherman Ellis, son of Mr. and Mrs. Richard Ellis of Oscoda, Michigan, recently arrived in Germany and is now serving with the 28th Infantry Division.

Pvt. Ellis entered the Army last October and arrived in Europe for duty with the 28th late last month.

Army Pvt. Harry L. Toms, Jr., whose parents live in Tawas City, recently arrived in Germany and is serving with the 43rd Infantry Division.

This Division, now stationed in the southern part of the country, is receiving constant field training as part of the North Atlantic Treaty Organization (NATO) Army.

Private Toms joined the division on August 27 as a rifleman in Company L of the 102rd Infantry Regiment. He entered the Army in January of this year.

Tawas City Buys New Drag Line

City Engineer's Plans Approved for New Pumping Station

Last Monday evening, at a special meeting, the Tawas City common council authorized the purchase of a dragline. It will be purchased from the Ottawa Equipment Co. of this city.

This purchase was made in view of extensive sewer expansion and other projects on the city program.

At the meeting Monday night the council approved plans for the new sewage pumping station and sewage force main as prepared by City Engineer Clifford Spicer. This \$30,000 sewer project was authorized by the voters at a special election last spring.

The proposed pumping station will be located at the junction of US-23 and Lake street south of the river bridge. It will be built to furnish facilities for a sewer system extending from the bridge to the city limits along Lake street and US 23.

Gets Promotion With National

Named Assistant Production Manager

National Gypsum Company has announced the promotion of Robert E. Scifres to the position of Assistant Production Manager, Gypsum Division, with headquarters at the company's Buffalo executive offices.

Scifres, prior to his promotion, had been superintendent of the National City, Michigan, plant since January of 1951. In his new position he will be in charge of production at the company's four midwestern gypsum plants located at National City, Michigan; Fort Dodge, Iowa; Medicine Lodge, Kansas; and Rotan, Texas.

Prior to his National City assignment, Scifres had been with National Gypsum at Bluebonnet, Texas; Mobile, Alabama; Baltimore, Maryland; and New York City.

Born and educated in Indiana, Scifres graduated from Purdue University and received his Master's Degree from Massachusetts Institute of Technology.

Mr. and Mrs. William Hatton were business visitors in Bay City on Wednesday.

Nearly Half Ton of Paper Used to Print Ballots

Nearly a half ton of book paper was used in printing the four ballots which will be used in the November 4 general election, according to an estimate made Monday by County Clerk George A. Prescott. Ballots were prepared to accommodate more than 5,000 electors in the 19 voting precincts of the county.

The four ballots include: Presidential, carrying six parties with candidates for president and vice-president; state and county ballots; non-partisan ballot with candidates for supreme court and judge of probate; and the amendment ballot.

Ballots were prepared early for the general election so that servicemen in distant places may be enabled to vote. Ordinarily ballots are delivered to township and city clerks 10 days before election.

The wife or parent of an absentee man or woman in the armed forces may make application for an absentee voter's ballot for the person in the service.

Davison-Rose to Build Prescott School Addition

Last Friday evening Davison-Rose Builders of this city were awarded the contract for building an addition to the Prescott school building. The successful bid was \$23,150.00.

The structure will be an addition to the newly constructed school building at Prescott. It is of cement block construction and will give added facilities to the school plant.

The plumbing and heating contract was awarded to Bay City Plumbing and Heating on a bid of \$5,600.00.

This is the second school construction project general contract to be awarded to Davison-Rose Builders during the past two weeks. On the Whittemore school project footings for the new building are now being constructed.

Given Television Audition

Arthur Abbott, the 12 year old son of Mr. and Mrs. Harvey Abbott of Tawas City, will have a television audition next Tuesday, September 30, at Detroit. He will appear on the Aunty Dee program at 7:00 o'clock with his Hawaiian guitar.

Mary Ellen Johnson, daughter of Mr. and Mrs. Arthur Johnson, left for East Lansing Sunday to enter the freshman class of Michigan State College.

Former Reno Resident Dies at Flint

Mrs. Etta Frockins Succumbs to Long Illness

Mrs. Sophia Etta Frockins of Flint, a former resident of this area, died September 11. She was born September 25, 1872. She died at the home of her daughter, Mrs. Robert McCaskey, following a long illness. She is survived by her daughter, also two step sisters, Mrs. Will White and Mrs. Charles Brown; one sister, Mrs. L. D. Watts, and one stepson, Tom Frockins; a number of granddaughters and grandsons and host of friends and neighbors.

Some who attended the funeral from outside the area were Mr. and Mrs. L. D. Watts of Tawas City, Mr. and Mrs. Robert McCaskey and Mrs. Tom Spone, Mr. and Mrs. Carl Wickle, Mr. and Mrs. Jim Carlton and daughter, Mrs. Joe Farum, Mr. and Mrs. Roberts and Mrs. Robert's brother, Clifford Latta, and friend, all of Flint; Mr. and Mrs. Will Banderfield and daughter of Bay City; Mr. and Mrs. Arthur Latta and Grant Murray, West Branch; Mr. and Mrs. Raoul Herman and three daughters, Pontiac; Mr. and Mrs. Earl Steadman and two daughters, Port Huron; Mr. and Mrs. Charles Brown, Mr. and Mrs. Russell Binder and two sons; Tom Frockins, Tawas City; Mr. and Mrs. Ed Murray and daughter, Ed Kocher, Hale; the White families of Flint, Hale and Prescott; Tom White, East Tawas, and a host of friends.

She was buried in the Reno cemetery. Services were conducted by Rev. Robert Kerr of the Reno Baptist Church.

End Season With 8 to 3 Victory

Alabaster Defeats Oscoda Sunday

Alabaster wound up their 1952 season last Sunday with a 8 to 3 win over Oscoda at the Alabaster diamond.

The season's end found them with 10 games won, one tie and nine losses. The team batting average was .211 with three batters hitting over .300. They were: H. Rollin, with 417, two hits, and Manager Joe Roberts 333, with three hits. Clare Herriman led the regulars with .307, 23 hits, 14 runs and five runs batted in. J. McMurray and Felsing also had five runs batted in.

Johnny Martin was on the mound for Alabaster and allowed Oscoda five hits and three runs. His team mates got to Hofacer for 11 hits, scoring seven runs. Neither side had any extra base hits.

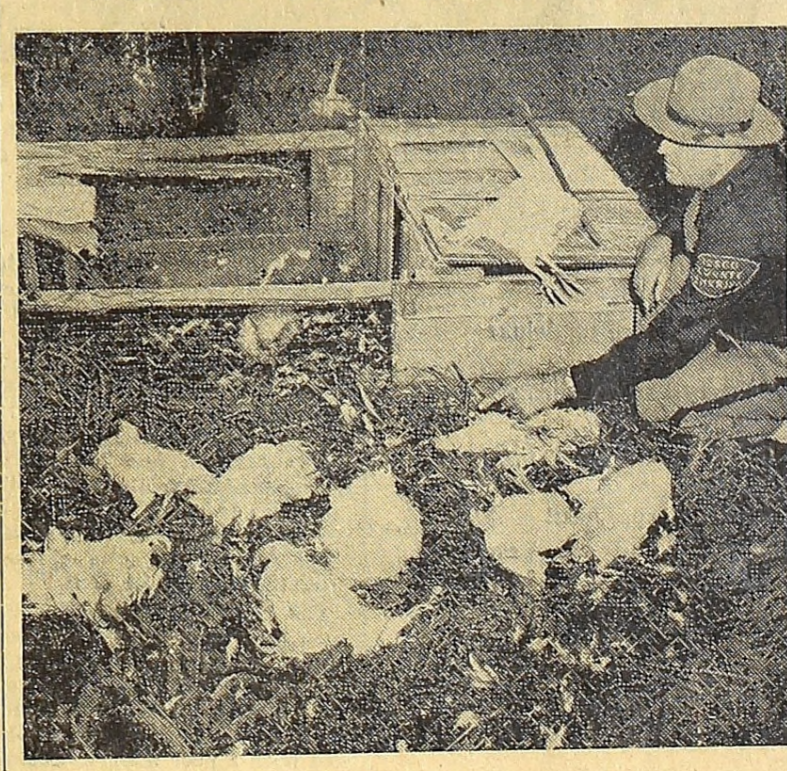

Hofacer and Mandock shared the mound duties for Oscoda, with Hofacer toiling the first seven innings, allowing ten hits, seven runs walked two and struck out three. Mandock, who relieved him allowed no runs, one hit, no walks and struck out three.

Besides allowing five hits, Martin walked 2 and struck out 12.

WORK OF NIGHT ROAMING DOGS

Sheriff Ivan O'Farrell inspecting a bunch of chickens killed by dogs last Sunday night. The chickens belonged to the Henry Brown Fish Market.

Sheriff O'Farrell points out that the damage done by dogs running loose at night cost the taxpayers of the county hundreds of dollars each year in animal claims.

These depredations are not by "tramp" dogs, but by your dog or your neighbor's, carelessly allowed to roam abroad at night, he said.—Herald photo.

DEVOTIONAL READING: Psalm 128.

Glory Is Brittle

Lesson for September 28, 1952

CALL the roll of the dead nations, name any kingdom or empire you know of, that once knew glory and now is but dust. You will observe, if you know their history, that their ruin began just after a period of special brilliance. It is as if the old proverb were reversed, and the brightest hour came just before the dark. Why is this? One reason is that the glamor and the glory were not what they seemed to be. Beneath the glittering surface of things, the foundations were rotting away. Glory, personal or national, is a brittle thing.

Dr. Foreman

Bang! Want the Empire
YOU do not have to poke about in large volumes of history to find this out. For a small sum you can buy a book that tells the story of the most famous nation of all time—namely, the Bible, giving the history of the nation called Israel. Israel was a remarkably short-lived nation. Three kings' reigns spanned its whole history from beginning to end. After that, Bang! it split into two pieces, indeed into more than two. For not only did it divide into the two kingdoms of the north and of the south, but it disintegrated everywhere. All the conquests of David were undone. The Empire of Israel (for empire it was) simply went to pieces at every seam. What had been, for a time, the greatest and only empire between the Nile and the Euphrates, fell to pieces fearfully fast. And all that crash occurred immediately after the death of Solomon, that king whose reign is still remembered for its wealth, glamor and magnificence. How could such things be?

Glamor for the Few
PART of the answer is that the glory didn't spread around very far. There was no middle class, and the gap between Solomon and his crowd at the top, and the peasants on the bottom, was enormous. Solomon's only known son, Rehoboam, told a mass-meeting of citizens shortly after Solomon's death, "My father beat you with whips." Rehoboam was not trying to blacken his father's memory; he was stating a simple fact. The common man had indeed taken a beating under Solomon.

To build the king's great public works cost money, and needed (in those non-mechanical days) armies of laborers. There was the immensely costly Temple, and then there was the royal palace, larger than the Temple, requiring nearly twice as long to build and no doubt correspondingly expensive; there were other temples, public buildings, pools, water works, fortifications, royal stables at Negiddo and what not. King Solomon found it necessary to work thousands of his people, without pay, one month out of every three.

The fact that about nine tenths of the people were ripe for rebellion within months after Solomon's death, shows that, to say the least, they were not contented and happy. Nations often do die, or blow up, just after periods of "prosperity," but it will generally be found that the prosperity was quite badly distributed. There is little true glory in a nation where a few grow rich upon the poverty of the many.

High Income Bracket
BUT THAT is not the whole story. Even if every one in the country were equally wealthy, it might not be good. Strange as it seems, the Bible is full of warnings, not so often against poverty as against wealth.

The truth about Israel is not that Solomon and his friends prospered while the rest of the nation decayed; the fact is, Solomon and his set were decaying too, not in spite of their wealth but because of it.

The king's annual income has been computed at some nineteen million dollars of our money. We hear that he built temples to other gods besides the true God, all because of his wives' influence. If he had been a poor man, he could not have married those expensive imported princesses. A man with excess income will often mis-spend it, ninety-nine times out of a hundred; and Solomon was not the hundredth man.

Today in America every dollar spent on drink, on gambling, is a surplus dollar, an uneasy dollar. Not that you can in any way wipe out sin by eliminating excessive wealth; but you might remove a lot of temptations.

Whittemore

A reunion and picnic was held Sunday at the High Rollways by the old timers of this community. It was decided that this group should have three such gatherings each year, consisting of two in Florida and one in Michigan.

The following attended Sunday's picnic: Mr. and Mrs. Fred Whitehouse and daughter, Mrs. H. Kay, Mrs. Essie Nelson, Violet Schiffer and Mrs. G. Tennis, all of Turner; Mr. and Mrs. John Higgins, Mr. and Mrs. Otto Fuerst, Mr. and Mrs. A. Latham, Mr. and Mrs. Fred Morin and Mrs. John Earhart, all of Whittemore; and Mr. and Mrs. Harry Shepherd of the Keystone.

A bountiful dinner was enjoyed with Mrs. John Earhart in charge.

Mrs. Emma Smith was very happy on Sunday to have her family present at a dinner in the Grange Hall on Sunday. This is the first time her children have all been together in 36 years. 44 members of the family were present. They were Mr. and Mrs. Loy Woods of Ann Arbor, Mr. and Mrs. Howard McKenzie and family, and Mrs. Olive Davison of Luckey, Ohio, Mr. and Mrs. Ervin Smith and daughter of Dearborn, Mr. and Mrs. Earl Smith and family of Bay City, Sgt. and Mrs. Hiram Grimason and family of Clare, Mr. and Mrs. Charles Ward and family and Mr. and Mrs. Gerald Bellon and family of Whittemore. Many pictures were taken of the group.

Word was received here Friday of the death of Leo McLean in Detroit. He died of injuries received in an auto accident. Leo was born here and grew to manhood here before going to Detroit. He is a brother of Merlin McLean of Whittemore. Funeral services were held in Detroit Monday.

Mrs. Thad Hall spent Friday in Flint.

Mrs. Charles Dorsey has been ill with pneumonia.

Mr. and Mrs. Eddie Duengel and son of Detroit are spending two weeks here.

Mr. and Mrs. McKenzie and family and Mrs. Olive Davison of Luckey, Ohio, spent the week-end with relatives.

Mr. and Mrs. Robert Bero entertained Mr. and Mrs. Hans Norbottom of Muskegon.

Mr. and Mrs. Donald Haddix and two sons of Standish spent Saturday evening with Mr. and Mrs. William Fuerst.

Henry Thompson has been quite ill the past week following a heart attack a week ago.

Mr. and Mrs. John Barrington spent Saturday evening in Bay City. Their daughter, Dorothy, returned home with them for the week-end.

Mrs. Roy Charters spent Sunday in Tawas City with Mr. and Mrs. Martin Kasichke.

Mrs. Esther Neidersladt spent the week-end in Flint.

Mr. and Mrs. J. C. Munroe spent the week-end in Detroit where they met Mrs. Munroe's sister, Mrs. Little, who came from Brantford, Pennsylvania, and will spend several weeks with the Munroes here.

Mr. and Mrs. Ervin Smith and daughter of Detroit spent the week-end here with his mother, Mrs. Emma Smith.

Lieut. and Mrs. William Snyder of Elden Field, Florida, are visiting her parents, Mr. and Mrs. John Higgins. Mrs. Snyder is the former Joanne Higgins.

Burleigh

Mr. and Mrs. Neuman Colvin have received word that their daughter-in-law, Mrs. Darrell Colvin, nee Muriel Oliver of Flint, is in an iron lung in Hurley Hospital in Flint with polio. Two days after she was admitted for polio, she gave birth to a nine pound, three ounce baby boy. He has been named Richard Darrell. The baby is being cared for by his paternal aunt, Mrs. George Stoutenberg.

Seventeen members of the Burleigh Rural Ladies Club met Thursday with Mrs. Mary McLean assisted by Mrs. Eva St. James. All members were urged to donate something toward the Cake Walk which will be held at the next meeting, October 2, at the home of Mrs. Eva Seigrist. During the social hour, the prizes went to Mrs. Margaret Bellon and Mrs. Mary Wreggleswoth. Mrs. Helen Lynch of Bay City was a guest.

Henry Ott has been working in Midland.

THE WHITE SISTERS

On Friday, September 19, St. Joseph School was honored by the visit of Sister M. Prisca and Sister M. Eva of the White Sisters, Missionaries of Africa. These Sisters have worked at Mombossa and in the Belgian Congo, as well as in Morocco, Uganda, Kenya, the Sahara and in South Africa, educating and caring for the natives.

After an interesting lecture to the students, the Sisters showed a unusual and interesting film, "The Devil Fights Back". It described the life, work and play of these missionaries and their people; it also portrayed the evil power of the terrible Witch-doctors working against the Christians.

POWER STEERING on the Roadmaster and Super

ROADMASTER CUSTOM BUILT BY BUICK

BENEATH that big broad bonnet is the reason for this headline.

It's a four-barreled automatic carburetor—Airpower by name—which has a way of gulping in what the dictionary defines as "a sudden blast of wind" when extra power is needed.

And the way this gorgeous performer can step out as this occurs is something you'll always remember.

For ordinary driving, two barrels are all you need—and two barrels are all that are working. They give you an extra thrifty flow of fuel for round-town cruising.

When extra power is wanted in a hurry—the "reserves" swing into action—feeding extra fuel and extra air in an ever-thrifty mixture, which delivers the greatest horsepower in Buick history.

This is one of many distinctions that endear ROADMASTERS to fine-car owners.

It's a car as rich in finish as it is in power—a car of expansive room—restful silence—level in gait—beautifully responsive to your mood and will.

And it offers the effortless ease of Power Steering* especially engineered by Buick to save your strength in

parking and slow-motion maneuvers, and still let you feel a proud sense of command and a sure sense of control on the highway.

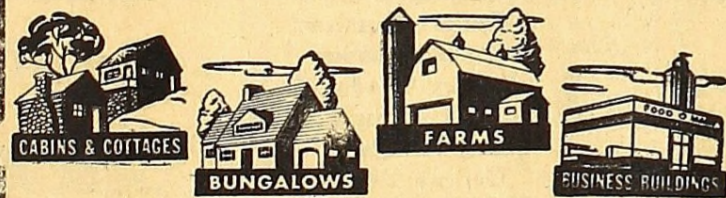

There's just one question we'd like to ask: When are you going to come in and enjoy the ride of your life?

Equipment, accessories, trim and models are subject to change without notice. *Optional at extra cost on ROADMASTER and SUPER only.

OLDER DOCTORS AND DENTISTS UP FOR DRAFT
 Uncle Sam says the supply of younger draft-eligible doctors and dentists is giving out. The armed forces will begin to take older dentists late this year, older doctors early in the spring.
 In accordance with usual policy those who have been in practice for a long time will be given the ranks of major, lieutenant colonel or commander.
 "We'll have all chiefs and no Indians," said one army medical officer.

(Note to editors: Drew Pearson is on a brief vacation. The Washington Merry-Go-Round is written this week by Sen. Francis Case, Republican, South Dakota.)

Desalting Water

In his "predictions of things to come" June 29, Drew Pearson spoke of "a discovery more important than the atomic bomb."
 "While the nation is worrying about the weather and the politicians are pulling wires," he said, "congress passed an unnoticed bill Thursday, authorizing \$2 million to transform sea water into fresh water... to perfect an amazing discovery for making fresh water which will transform the arid deserts of California and the Southwest and make these areas bloom like the rose... I also predict this invention when perfected will transform North Africa, Arabia, and Australia so as to completely change the food problem of the world."

The bill passed was a substitute which I offered in the senate for a similar bill passed in the house on motion of Rep. Clare Engle of California. Chief difference was that the revised bill provided for doing research by contract with institutions already in the field instead of establishing new government laboratories.

My interest in this subject developed out of an interest in "rainmaking" and water conservation in general. In the spring of 1951, three senate committees held a joint hearing on bills which Senator Anderson of New Mexico and I had introduced for research on "weather modification" and one which Senator O'Mahoney of Wyoming had on converting sea water.

We found far greater private activity in "rain-making" than any of us had realized. Over 13 times as many acres were under contract for "cloud-seeding" operations in 1951 as were under irrigation.

So we developed a modified bill (S. 2225). It proposed simply to national advisory committee to evaluate results in private efforts. The senate passed the bill. A house committee reported it favorably but it was objected to on the unanimous consent calendar.

Both houses did, however, pass the bill to further research in the desalting of water.

New Research

Historically, the Department of the Interior through its bureau of reclamation has sought to store water from rainfall runoff, rivers, and melting snows. These new lines of research seek (1) to make salty, mineralized water fit to drink and fit to use on soil and (2) to increase the fall of rain.

Signing the desalting bill, President Truman said: "Success of this project can be of tremendous value to our coastal communities, to our island possessions and to the whole world." Even that is understatement.

On ships not having to carry fresh water, but needing only simple converter tanks, thousands of tons can be saved for "paying cargo." Submarines powered with atomic energy will not even have to "put in" for water.

I, however, am not near the ocean. Many towns in the West have difficulty finding good drinking water. The water is alkali, hard, heavily mineralized. Some carries so much salt it ruins land for irrigation. Senator Watkins of Utah remarked to me: "Just think what it would mean if we had a cheap way of making the Great Salt Lake drinkable and usable for industry or irrigation!"

In my own state, two irrigation projects are temporarily at a standstill because of fears that waters washing over salty soils collect too much mineral to put on tight, gumbo soils. We do not know whether the new Juda process can make water cheap enough for irrigation—but an indicated cost of \$20 per acre foot (327,000 gallons) would mean cheap water for domestic, municipal or industrial use.

And when one thinks of cities near the ocean like San Diego and Los Angeles, of new island responsibilities in the midst of salty oceans, and of great deserts where even a limited amount of garden irrigation would relieve severe economic pressures, one realizes that Drew Pearson's prediction may have been a very conservative statement.

Caveman fought bushman for food. Sioux fought Cheyenne for Buffalo hunting grounds. Cattleman fought sheepman for range and water holes.

If this program succeeds—and those closest to it do not admit any doubts—we may rewrite the "Rime of the Ancient Mariner" from "Water, water everywhere and not a drop to drink"

To "Water, water everywhere, and all you want to drink." If we do, world economics will be changed and tensions that now breed wars can give way to a policy of "live and let live."

Iosco PMA Elect Officers

Returns of the Iosco County PMA committee election held in the PMA office, Federal Building, East Tawas, on Monday, September 15, 1952, show that Earl M. Partlo of Burleigh township was elected chairman, Robert A. Oates of Alabaster township, vice chairman, and Dornace E. Bellville of Burleigh township, member. Will Waters of Reno township and Lyle A. Long of Grant township were elected alternates.

All of the committee are farmers. The three regular members were re-elected and the two alternates, although new on the committee this year, are not new to the program or the committee. Both alternates have served as community committeemen and were elected alternates to the county committee in 1951.

The committee took office immediately and will be responsible for the county administration of the Agricultural Conservation Program, price support activities and other activities which may be assigned.

In the coming year, they will arrange for the training of community committeemen, direct the farm-by-farm contacts which community committeemen will make and have responsibility for approval of conservation practices carried out on Iosco county farms.

Mr. Partlo, the chairman, owns and operates a farm in Burleigh township. He has been cooperating in the Agricultural Conservation Program since the early days of the program and has been on the county committee since 1941, being on the community committee before that.

The vice chairman's farm is located in Alabaster township. He has been a cooperator for a number of years, on the community committee beginning in 1948 and coming to the county committee in 1950.

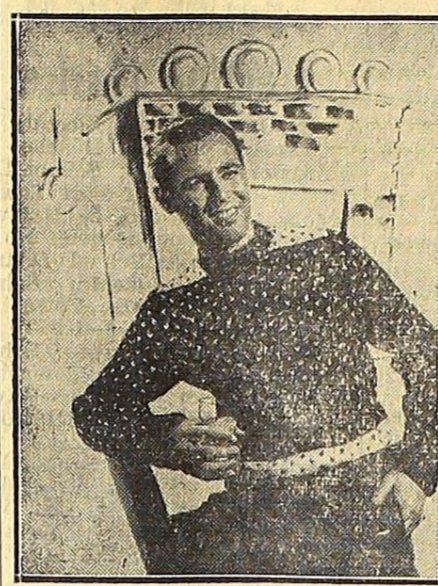

The regular member's farm is located in Burleigh township. This is the second year he has been on the county committee, but served on the community committee since early in the program. All of these committeemen are carrying a good program of soil and water conservation practices on their farms.

The alternates have been with the program yearly and are also carrying a good program of soil and water conservation. Mr. Oates and Mr. Long are directors of the Soil Conservation District working in Iosco county.

At a meeting of the newly elected county committee held Monday afternoon, Mary M. Byrd was again appointed as secretary-treasurer to the county committee.

Needlecraft News
 by Nancy Baxter

ONLY ONE of the ways to a man's heart is through his stomach. You can also pave the way with your knitting needles. Just remember this: During off-business hours, a man is happiest when relaxing in comfortable clothes. He loves to don a sweater and slacks after ridding himself of neck-hugging shirt collar and tie. So what would be better than a gift of his favorite wearing apparel, made by his favorite girl? If you start knitting now, you ought to have a warm and handsome sweater ready and right for his lounging all winter long.

UNIQUE QUALITIES OF WOOL

When those sharp winds are a-blowin', or even when the sun is blazing hot, wool is most practical. Americans usually look to wool for winter, but Arabs find it best while traveling the desert under the baking sun. The non-conducting nature of wool keeps body heat in and the cold out. Wool is unique in that it is absorptive, resilient and strong as well. You can be doubly sure of a sturdy knitted garment today, for most yarns are multi-ply. Plys are single strands of yarn, twisted to form one strand. The more plys, of course, the stronger the yarn.

IF YOU DROP THAT STITCH

Knitting is a relaxing hobby and has real therapeutic value for most women. Occasionally, however, a beginner may become disturbed by a dropped stitch, but it shouldn't be a worry. When dropping a stockinette stitch, for instance, pick it up on the right side of the work. Insert a crochet hook in the dropped stitch and draw the yarn to the row above through the loop, forming a new loop. Continue this until you reach the row being worked on, being careful not to twist the stitches.

ESPECIALLY FOR HIM

An attractive sweater of navy blue worsted yarn with a pattern of white chevrons will be worth a million to that man in your life but will take only a little of your spare time because it is made with the simple stockinette stitch. The directions for knitting a STAG AT EASE sweater for sizes 36, 38, 40 and 42 and may be obtained by sending a stamped, self-addressed envelope to the Needlework Department of this paper, requesting Leaflet No. 403.

Previous to the county committee election, returns were received from the nine communities where farmers voted for the community committeemen who are to work in their respective communities.

Following are the results of the election in each community:

Alabaster: Edwin O. Peterson, chairman; William V. Makinen, vice chairman; Leo Fry, regular member; Vaino E. Lake, 1st alternate; Herbert Oates, 2nd alternate.

Baldwin: Herbert P. Rempert, chairman; Harold Brussel, vice chairman; Ronald Green, regular member; Henry Lewitzkie, 1st alternate; Paul Sobieski, 2nd alternate.

Burleigh: Martin Siegrist, chairman; Ernest Dunnill, vice

chairman; Sterling Cataline, regular member; Keith McLean, 1st alternate; John A. Dickey, 2nd alternate.

Grant: Allan Herriman, chairman; Frank Stoddard, vice chairman; Lyle A. Long, regular member; Lawrence Ball, 1st alternate; Roy Coats, 2nd alternate.

Plainfield: Charles Bielby, chairman; Gerald Webb, vice chairman; Arthur E. Ropert, regular member; Wiley Streeter, 1st alternate; Wendall Scofield, 2nd alternate.

Reno: Clarence Brindley, chairman; Howard Brindley, vice chairman; Marshall Smith, regular member; Neil Ranger, 1st alternate; Marvin Kilbourn, 2d. alterate.

Sherman: Simon Schuster,

chairman; George W. Kohn, vice chairman; Martin Eckstein regular member; Claude Harder, 1st alternate; David A. Powlus, 2nd alternate.

Tawas: W. Harrison Frank, chairman; Roger Earl, vice chairman; Grant Bessey, regular member; Carl W. Schmalz, 1st alternate; Deloise A. Rapp, 2nd alternate.

Wilber, Oscoda AuSable: Roy Sims, chairman; Allen Schreiber, vice chairman; Hershah Hyzer, regular member; Harold Cholger, 1st alternate; John Newberry, 2nd alternate.

LEGAL NOTICES

MICHIGAN STATE TAX COMMISSION Official Order:

WHEREAS, the assessment roll for the Township of Alabaster, in the County of Iosco, State of Michigan, for the year 1952, has heretofore been made by the Supervisor of said Township and reviewed by the regularly constituted Board of Review of said Township; and

WHEREAS, the said assessment roll is now subject to inspection by the Commissioners of the State Tax Commission of the State of Michigan, or by any Commissioner of said Commission; and

WHEREAS, claim has been made to the Commissioners of the State Tax Commission by the United States Gypsum Company that their personal property located in the Township of Alabaster had not been assessed in compliance with law, and that such compliance cannot be secured except by a review of said assessment roll;

THEREFORE, said Commissioners of the State Tax Commission have determined to review the assessment upon their own initiative as well as upon the complaint filed in the matter; it is

THEREFORE ORDERED, that in accordance with the provisions of Section 211.152 C. L. 1948, said assessment roll containing the assessed valuation of the personal property in the Township of Alabaster shall be subject to review, and the Supervisor of the Township of Alabaster and he is hereby required to appear in the Town Hall in the Township of Alabaster at 9:00 A. M., Eastern Standard Time, on Thursday, October 2, 1952 and have with him at the aforesaid place the assessment roll of said Township for the year 1952; and it is

FURTHER ORDERED, that a public hearing be held in the Town Hall in the Township of Alabaster, Michigan, beginning at 9:00 A. M., Eastern Standard Time on Thursday, October 2, 1952 and that the taxpayers mentioned above, or their representative, enter appearance at that time; and it is

FURTHER ORDERED, that the Commissioners of said State Tax Commission, or any Commissioner thereof, shall hear and determine as to the proper assessment of the personal property of the above named taxpayers, located in said Township, subject to ad valorem taxation, and will take such action as will correct any irregularities that may be found in the assessment of said property; and it is

FURTHER ORDERED, that due notice be given of said hearing in accordance with the provisions of law;

WITNESS MY HAND and the Seal of the State Tax Commission, this 18th day of September, A. D. 1952.

MICHIGAN OUTDOORS

BIGGEST MUSKIE CAUGHT

Just to prove that all the big ones don't get away, Walter Stanley of 14630 Riverside, Detroit, hooked and landed the year's biggest muskellunge in Michigan virtually within the shadows of the city's skyscrapers! Walt was trolling for walleyes in the Detroit River just before dark on September 9th when it happened.

His tackle was conventional for Detroit River pickerel trolling: inboard reel loaded with metal line to take it down in the fast current, terminated with a long stretch of 20 pound test leader, and a small lure known as a "Whammie." This is kind of a midget propeller, orange colored with black dots, about one inch wide. A treble gang of #6 hooks is attached, and on one of the hooks is a piece of white rubber another inch long cut out to resemble a small minnow.

No Net! No Gaff!

Walt Stanley had caught one walleye and was on his last swing across the river when the line seemed to rise to the surface slowly. There was no vicious tug—just a rising of the metal line as the fish took the lure and began to come to the surface. Stanley struck solidly and thought he had a big walleye. It wasn't until 5 minutes later that the muskie came out of water far behind the boat to dispel any such belief, and one look at the size of the fish gave Walt the shakes!

He was alone in the small boat

with no net, and no gaff. There were no other fishermen in sight, so he was on his own with the biggest fish he'd ever hooked. Six times before while pickerel trolling he had hooked muskies. Six times before the fish had torn loose—and this seventh fish was the biggest of them all! Gingerly he worked the big fellow alongside the boat, knowing that #6 hooks were never made to hold fish of this size. It took 20 minutes to subdue the giant to the point where Walt felt he could grab him by the gills and haul him aboard.

For this act alone Walter Stanley should be awarded a medal for bravery above and beyond the call of duty! The saw-like gills tore the flesh from his fingers, yet somehow he got the muskie into the boat, straddled it, and hammered the ugly head with a shoe, dodging the snapping jaws with teeth like a crocodile's!

Bloody Battle

After a long, long time Walter got up. The bottom of the boat was bathed with blood—a lot of it his own. But he had the fish—a muskie that scaled in at an even forty pounds, and was just under four feet long! Stanley was put under a doctor's care, with hands so badly lacerated that he was unable to go back to work for several days—a small price to pay, he says, for the battle he won in Michigan Outdoors!

4-H CLUB NOTES

with MARVIN DAVENPORT

Those that visited our Iosco County Fair last week saw some of the results of our 4-H Club activities of 1952. We were very pleased to see so many knitting projects exhibited. Colleen Dreager's 1st place exhibit received \$1.50 while Charlotte Webb took 2nd place and \$1.25. Gloria Siegrist received 3rd place money and Sharon Willis was 4th place winner.

The second year knitting exhibits of Sharon Brindly, Janet Harsch and Ida Mae Shortt received 1st, 2nd and 3rd, place premiums in that order. Mary Jane Douglass has \$3.00 more as a result of her 4th year knitting exhibit.

In field crops, the potato exhibitors, George Smith and Robert Douglass received 1st and 3rd place. The four corn exhibitors receiving premiums in that order included Fred St. James, Gene Bellor, Ross Williams and Jack Bellor. Color was added to the 4-H Club Dept. when Jerry Barnes, 1st place; Paul Edie, 2nd place; Bernice Siegrist, 3rd place; Charlotte Webb, 4th place; Gloria Siegrist, 5th place; Lee Bielby, 6th place; Richard Reid, 7th place; Lyle Adams, 8th place and William Huber, 9th place exhibited their vegetable garden produce.

The 2nd year garden exhibit of Paul Redman, Joan Wendt and Martha Westcott received \$3.50, \$3.00 and \$2.50, respectively. Robert Douglass "advanced year" vegetable garden project netted him a \$3.50 premium.

In speaking of color, it would be an oversight not to mention the beautiful flower exhibits of Lorene and Joan Bielby, Beverly Thornton, Bernice Siegrist, Donna Guest, Gloria Siegrist, Russell VanPatten, Sherry Scofield, Karen Helmbold, Sonja McGirr, Lowell Dorsey and Mary Jane Douglass added that final touch. They were beautiful and it was a job well done.

We had three exhibits of clothing from Sherrill Scofield, Lorene Bielby and Bernice Siegrist. Those young ladies have some premium money to help buy project material for next year. Carol Strauer, Nettie J. Parent, Sharon Willis and Beverly Pringle rounded out our premium winning exhibitors in clothing.

Did you see the canning and frozen foods exhibits by Jean Marie Schaff, Judy Rapp, Kay Franks, Jean Dodder, Pat Frank, Marie Chipps, Martha Westcott, Betty Mercer, Bonnie Lee Jordan and Catherine Charters? How about it? They did a nice job. Lucille Smith and Mary Jane Douglass who exhibited 2nd year canning are sincerely hoping more second year members will join them next year for a State 4-H Club Show exhibit. Mary Jane Douglass, Ruth Barnes and Marie Chipps were our frozen foods exhibitors. Thanks to Herb Townsend for the use of that deep freeze!

Foods of all kinds from cookies to cakes and bread were entered by Gloria Chipps, 1st place winner; followed by Joann Smith, Carol Bellon, Marilyn Chipps, Martha Smith, Sandra Harris, Bonnie Bowers, Charlotte Webb, Jean Dodder and Sherrill Scofield.

Second year foods—the cookies—were placed 1, 2, 3 etc. by Kay Franks, Judy Rapp, Glenda Roberts, Mary Lou Bannister, Catherine Charters, Evelyn Shellenbarger, Shirley Shellenbarger and Gloria Runyan. Carol Runyan walked off with the 1st place-third year foods exhibit.

In baking, Joan Bielby was followed closely in first by Mary Jane Douglass. Delores Runyan, Ardith Bellon and Faye Huber made it a close race.

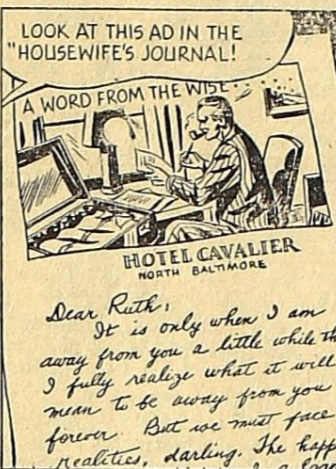

Did you see that cake? Aileen Ward took first premium with it for her 3rd year exhibit. Aileen's frosted cup cakes won her \$2.00 in her "4-H Club girl entertains" project exhibit.

In handicraft, Lee Bielby is \$1.50 richer to buy wood for his second year's work while Ken Siegrist and Robert Douglass are as well off. In electrical, Fred Norris' exhibit won him a 1st, and Pavo Bloomquist's \$5.00 premium will help towards next year's ambitions.

Bill Winters of the Burleigh Wizards Club has \$2.00 for their 1st place conservation exhibit.

"The whole State versus ME? How thrilling!"

In case the boys are wondering where the exhibit went you'll see it in 1953—if you don't mind its being used at Achievement Day and possibly the State 4-H Club Show.

Our livestock boys and girls fared well, but Paul Edie's Grand Champion beifer is a credit to his efforts. Jerry Barnes copped a 1st with his calf while Ronnie Robert, Harold and Kathleen Provost gave the Sr. Holstein calf class a lot of competition. Danny Robert and Lyle Adams exhibited blue ribbon calves and the judge found the decision a tough one. He said both were very good. Ken Siegrist came back with his Sr. Yearling Guernsey and went home satisfied with his \$4.00 premium and blue ribbon.

Fred Caverly and Sam Redmond were first in their classes, too.

Alton Buck and Eilert Barnes were the F. F. A. exhibitors of the Show. Both fellows have done well and we were glad to see them at the fair.

JoAnn Jordan, Ila Mae Jordan, Charlotte Webb, Colleen

and Yvonne Dreager, Carol Strauer, Larry and Harry Kief, Doreen Strauer and Ed Redmond (with his rabbits) rounded out an excellent poultry exhibit.

Marie Chipps, secretary of the Burleigh 4-H Club tells us the new officers will be Jack Bellor, president; Kathleen Provost, vice-president; Fred St. James, treasurer; Aileen Ward, recreational leader and secretary.

Ronald Aulerich's name will now appear on the rolls. Past president Richard Aulerich conducted the meeting. The next meeting will be October 8 at the Grange Hall.

If you want to find some good project rams, be at the West Branch stock yards on Wednesday, October 1. Don't forget that a good ram is half your flock. Several breeds will be represented.

Calendar:
 Wednesday, Oct. 1-Ram Truck from Michigan State College.
 Monday, Oct. 6-Sherman School, Pictures of the 4-H Club and organizational meeting.
 Thursday, Oct. 9-Hale Community Building, slides.

P. T. O. Meeting Held Last Tuesday Evning

St. Joseph's P. T. O. meeting was held at the school on Tuesday evening. President Mr. Busch introduced the pastor of the Immaculate Heart of Mary, Father Kirchman, to the large attendance.

Because of the high expense involved, the Class A Hot Lunch program was decided impractical, but possibility of serving a Class B Lunch was discussed and will be looked into more thoroughly by a special committee.

Mr. Busch appointed a committee to repair the outdoor play equipment. Cliff Eppert is chairman, assisted by Jack Coyle, Clem Stephen, John Sass and Frank Wilkuli. Also, more support was promised to the Athletic Association to extend its functions.

Refreshments served in the dining room. Tables were decorated with fall flowers and cake and coffee served. Mrs. C. Busch was chairman, assisted by Mrs. Jerome, Mrs. Sass, Mrs. Stephen, Mrs. Cain and Mrs. Eppert.

Curtis Publishing Co. to Publish Tourist Association History

The Curtis Publishing Company has selected the East Michigan Tourist Association as an example of a successful regional association engaged in tourist and trade association activities. The selection was made last Saturday. It is planned by Curtis to publish the promotional programs and histories of EMTA, Atlantic City, Miami, Tucson, San Diego and Redwood Empire tourist associations. Frank Davis, secretary of the EMTA, announces such history is now being prepared by the local association.
