Your Vote Will Be Important Next Monday

Three Ballots to Be Presented in April Election

Three ballots will be presented to Iosco county voters at next Monday's election. With an important group of state officers to be elected, it is as vital to vote next Monday as at any election. Anyone wishing transportation to and from polls at Tawas City should phone No. 10, McKay Sales Company. This courtesy is provided through the courtesy of the Tawas Kiwanis Club and Lloyd McKay, Jr.

The biennial state ballot has candidates for regents of the University of Michigan, superintendent of public instruction; member of the state board of education, members of the state board of agriculture and state highway commissioner.

Candidates for justice of the supreme court, and circuit judge of the 23rd Judicial Circuit appear on the nonpartisan ballot. The candidate for circuit judge, Herman Dehnke, is unopposed.

On the local township and city ballots, Whittemore is the only precinct to have more than one ticket. It has both Republican and Democratic tickets.

The Republican and Democratic candidates on the state ballot are: Regents of the University of Michigan—Charles S. Kennedy (R), Otto E. Eckert (R), Hazen J. Hatch (D), Thomas N. Robinson (D). Superintendent of Public Instruction—Clair L. Taylor (R), Mack Monroe (D).

Member of the State Board of Education—Walter F. Gries (R), Freda C. Parmelee (D). Member of the State Board of Agriculture—Clark L. Brody (R), Arthur K. Rouse (R), Floyd Himes (D), Connor D. Smith (D). State Highway Commissioner—Charles M. Ziegler (R), Eugene I. VanAntwerp (D).

Candidates on the nonpartisan ballot are: Justices of the Supreme Court—Talbot Smith, Clark J. Adams, John R. Dethmers, Harry F. Kelly. Circuit Judge—Herman Dehnke.

Honor Students Announced at East Tawas

Miss Shirley McKenzie, daughter of Mr. and Mrs. Russell McKenzie of East Tawas, has been chosen Valedictorian of the Class of 1953 at East Tawas High School. Shirley has been interested in band, debate and dramatics, and has had her entire school career at East Tawas. She is planning to enter the nursing profession.

Richard Bird, son of Mrs. Richard Bird of Tawas City and the late Mr. Bird, is Salutatorian. His plans for the future are not fully formulated, but he is considering Soo Tech.

Special recognition is given to Patricia Pemberton, a transfer student at the beginning of the year. Having been here only one semester at the time the records were compared, she was not eligible for regular honors. Her record, however, at her school and here have been outstanding.

Beverly Werth, a recent transfer from the Class of 1954 to the Class of 1953, was too recent a transfer to be considered in the honor rating. Her record, is also outstanding.

Rev. Fr. Neuman Breaks Ground for New Church

Breaks Ground For New East Tawas Church

Ceremony Held Sunday Afternoon by St. Joseph Parish

With appropriate ceremony, ground was broken Sunday for the St. Joseph Parish's new Catholic church near the intersection of Lincoln and Wilkinson Streets in East Tawas. The new structure will cost \$142,000 and comes as a result of many years of planning and work by the members of the parish.

The ceremony was conducted by Rev. Fr. Robert Neuman, pastor of the parish, assisted by two former assistant pastors, Rev. Fr. Robert Smith of Vasar and Rev. Fr. Henry Eicholt of Omer. Other pastors participating in the ceremony were Rev. Fr. Joseph Castanier of Tawas City, Rev. Fr. Henry DuRussell of Whittemore and Rev. Fr. August Lubadel of Oscoda.

It is thought that the cornerstone laying will take place during May.

Excavation work and footings for the new church were started Monday by the general contractors, Davison-Rose, Inc., of Tawas City. The completion date in the contract is set for November. The structure will be of brick and concrete construction.

Other contractors participating in the work on the church are Priem Electric Company of Bay City and Northern Plumbing and Heating of East Tawas. Paul Brysselbout is the architect.

Mrs. Augusta Wegner

Mrs. Augusta Wegner, wife of Rudolph Wegner, passed away last week Thursday at her home here. Death came as a result of heart failure. She had been ill for the past two and one-half years.

Augusta Amanda Ziehl was born February 13, 1881, in Germany. On January 8, 1907, she married Rudolph Wegner. Six years later Mr. and Mrs. Wegner came to America to reside at Tawas City. She was a member of Zion Lutheran Church and the Zion Ladies Aid.

She is survived by the husband; seven sons, William of East Tawas, and Arthur, Ernest, Walter, Eugene, Harold and Hugo of Tawas City; nine grandchildren, one great grandchild, one sister, Mrs. Charles Lange, and a brother, Arthur Ziehl, both of Tawas City. Four children preceded her in death. One died in the service of his country during World War II.

Funeral services were held at 2:00 Saturday afternoon from the Jacques Funeral Home and at 2:30 at the Zion Lutheran Church. Rev. E. Bickel officiated. Interment was in the Zion Cemetery.

Injuries Severe to Speed Accident Victims

Winding up with painful injuries in the Tolfree Hospital at West Branch was the price paid early Sunday morning by an AuGres youth for fast driving. One of his 18-year old companions was taken to the hospital suffering with severe injuries.

Darwin Waldie, a senior at the East Tawas High School and a son of Mr. and Mrs. Milton Waldie of AuGres, was the driver of the car. He failed to make a turn in the road at Sand Lake and the car hit a large oak tree. He suffered cuts about the head and other injuries. His injured companion was William Anderson, son of Mr. and Mrs. Edwin Anderson of East Tawas. He was also cut about the head.

Others in the car who sustained minor injuries were: Allen Wright and Virginia Biely, all high school students.

Earlier in the night young Waldie had been stopped several times by East Tawas police for fast driving.

Sheriff Ivan O'Farrell and State Police investigated the accident and it was their opinion that the car had been traveling at a high rate of speed when making the turn at the end of the road.

60 Legionnaires and Guests Enjoy Beaver Dinner

More than 60 Legionnaires and guests enjoyed the annual beaver dinner served Monday evening by Jesse C. Hodder, Post, American Legion, in the dining room of the Legion Hall.

More than 100 pounds of beaver was prepared under the direction of the Post Mess Sergeant Clyde Evril, who again demonstrated knowledge of cooking wild game.

In the program following the dinner Lieut. Don Mobley of Wurtsmith Air Force Base presented gunnery film pictures taken in Korea. He gave a talk on the activities at the Air Base and exhibited the equipment worn by a combat flyer.

A moving picture of the Yellowstone National Park was shown by George Freer.

A regular meeting of Jesse C. Hodder Post will be held next Monday evening.

Bill's Drive-In To Open Under New Management

Bill's Drive-In will be opened April 15 under new management. A former East Tawas resident has purchased the lease and will operate the Drive-In as a modern restaurant, Miss Arbutus Brackenbury, the new owner, plans to offer 24 hour service. Many of her friends in the Tawas area will be happy to call on her.

This business transaction was handled by Nellie I. Brooks, at Brooks Real Estate Office.

Dwight D. Eisenhower said—"It is an old but unchanging truth that the father represents authority in the home."

U. S. Gypsum Workers Go On Strike

Say Failure in Negotiations for New Contract is Cause

Monday afternoon the United Gas, Coke and Chemical Workers of America, CIO, broke off contract negotiations with the United States Gypsum Company at Alabaster and workers at the plant walked out.

Failure in negotiations for a new contract, started February 12, was the cause of the walk-out, union officials pointed out in a statement.

"All that we have been offered is essentially the same things that we got two years ago last September, when we were out for 10 days. We can get no satisfaction from the company other than verbal promises, we want a written contract.

"We have a basic reason for our strike. We started negotiating February 12 and haven't had any satisfaction. There is no agreement that we can present to our membership."

Better seniority arrangement, overtime benefits and a wage increase were among the union's demands.

The following statement from the United States Gypsum Company management at the plant was presented Tuesday to the Herald:

"The issues which caused the strike are indefinite. At the last negotiation meeting the union wanted a number of additional changes but these were quite general and were not sufficiently specific requests so that management could give them proper consideration. The next step probably will be a proposed contract by the union as the last proposal was submitted by management. As always the management will give careful study and consideration to any union proposal and this is not affected one way or the other by the strike."

"The union departed from its mission plan whereby the President of the International Union appoints three members to meet with the local union and local management in an effort to settle a dispute before it reaches the strike stage."

"Although the union seems very proud of this procedure for preventing unwarranted strikes it seems that the procedure is more for publicity purposes than a good faith method of avoiding such arbitrary and improper strikes as the one that has just occurred at this plant."

Mrs. Lansky Appointed Deputy County Clerk

County Clerk G. A. Prescott announced Monday the appointment of Mrs. Margaret Lansky as deputy county clerk to fill the vacancy caused by the resignation of Mrs. Shirley Martin.

Mrs. Martin's resignation will be effective later this month. She has been deputy county clerk for the past two years. Mrs. Lansky has been employed in the county clerk's office since last summer.

Judge Herman Dehnke has approved the appointment of Mrs. Lansky.

Final Garden Club Meeting Next Tuesday

The final meeting of the Tawas City Garden Club will be held Tuesday, April 7, at 2:00 p. m., at the County Library. Election of officers will follow reports of the nominating committee chairman, Mrs. Albert Mallon.

Mrs. Walter Schumacher is program chairman for the day. Response will be program suggestions for the coming year. Mrs. William Schaaf will speak on Lupines and novel house plants.

Your presence is urged to help in the planning of the next year's schedule.

Tickets Available for Easter Monday Card Party at Barnes

Plans are now being completed for the third annual Easter Monday Card Party sponsored by the Hospital Auxiliary. Mrs. George Tuttle is chairman.

The April 6 event will be held at the Barnes Hotel, 1:00 p. m. Tickets may be procured from Mrs. Tuttle or any auxiliary member. There will be a dessert luncheon and also door prizes.

AUDIE JOHNSON POST
Business meetings of the Audie Johnson Post and Auxiliary were held Monday evening at the Legion Hall. After the business sessions a sound movie of the National Convention of 1952 held in New York City was shown. Norman Anschutz was projectionist.

Our Living Lord
Lesson for April 5, 1953

WHAT does Easter mean? It is a question we may well ask ourselves each year. The visitor from Mars might have a hard time answering the question for himself. He would see Easter sales advertised in the department stores and he might think Easter was a name for a special kind of bargain or he would hear about an Easter parade, or he would look at one, and he would conclude that Easter is a time mainly for showing off new clothes. Or on a college campus he would hear about the Easter vacation, and he might suppose that it is just a name for a holiday from work. Then he might come on a flock of children hunting for Easter eggs, and he would suppose that Easter meant "gaily colored." As a matter of fact, even if he went to church, he might get strange ideas about what Easter means.

Springtime And Roses
To hear some people talk—yes, and even some sermons—some might fancy that Easter is a festival to remind us all of spring. Time to be sure, nature reminds us in many ways. The days grow longer, the nights shorter; flowers begin to scatter over the hillsides, the grass grows greener every week.

In the far northern states there are heavy thaws, more snow melts than falls. In the far southern states warm weather has all ready come, the roses are in full bloom, visitors from the north are coming down to look at the famous gardens in Charleston and Mobile and other places.

Is Easter just a way of celebrating springtime in church? The birds, the roses, the Easter music—are they all alike the signs of spring? Is Easter a symbol of the resurrection of dead nature? Is Easter a sign that nature never really dies, that warmth follows cold, that when winter comes, spring is not far behind? No, this is not it. For if this were all, then when the last winter comes, when the whole earth grows cold—or perishes in collision with some flaming sun—then what becomes of spring? No, all springs will end some time, when the world ends. Easter celebrates something that will outlast all the springs of this world.

Life After Death
Listen again to the talk in church to other sermons, closer, much closer to the Easter truth than all the talk of springtime and roses. You will hear much said about immortality, about the life beyond this life, about the "beautiful isle of somewhere." Easter, it is said, is to remind us that we are immortal souls; that beyond this life is another one, that no soul ever dies.

Well it does remind us of this. But suppose that were all? The mere belief in immortality is not by itself religious. Look; nearly everybody around you believes he will be living tomorrow. Does that make everybody religious? You know it doesn't.

Now suppose everybody believed he would be living, somewhere, somehow, a thousand years from now; would that make everybody religious? Of course not. Suppose it is true that no soul ever dies? That may well be a horrible thought. There may be (and most Christian churches believe sadly that there are) persons long since gone from this world to hell, who cannot die but who wish very much that they could.

Immortality, Christians believe, is a fact; but believing in that fact alone, all by itself, is not necessarily religious and it may be no comfort at all. Easter must mean more than this!

Lord Of Life And Death
The real meaning of Easter cannot be expressed by any sentence that leaves Jesus Christ out. Easter celebrates this: He is risen, Christ is risen indeed. This means, of course, much more than that once upon a time there was a man in Palestine who came back to life after being dead some 36 hours.

What we Christians mean by it is that the same person we call Teacher and Master and Saviour and King is the Lord of life, of life itself.

Poster Contest Announced by Youth for Christ

Youth For Christ announces a poster contest open to young people of the communities where local churches sponsor Youth For Christ. This includes the Tawas, Alabaster, Curtisville, Hale, Glennie, Prescott, Reno, Whittemore and others.

One contest is for those 13 years and younger, and the other is for those 14 to 21 years. Scofield Bibles are to be given as first prizes in both divisions with pictures for second prizes and books for third. Rules are as follows: 1. The poster can be any size suitable for advertising. Space must be left on the poster in which the advertising committee can fill in monthly information when the poster is used. 2. The contestant must print his name and age, the name of his pastor and church on the back of the poster. 3. The words "Youth For Christ" should be prominently displayed on the poster. The idea is to advertise Youth For Christ. 4. The posters will be judged on originality, neatness and suitability for advertising. 5. The contest ends at the next Youth For Christ meeting, April 18, in the Prescott Baptist Church. If a contestant is unable to attend he should give his poster to N. L. Bowen of Tawas City or to his pastor. Prizes will be awarded at the May meeting. 6. Judging will be done by the advertising committee.

Large Group Attend Altar Society Meeting
The Immaculate Heart of Mary Altar Society held its regular meeting March 25 at the V. F. W. Hall with a large attendance. It was voted to give \$5.00 to the Red Cross and the Dutch Relief. A Stanley Party will be held at the April meeting. Colored slides of St. Anne De-Beaupre and Canadian scenes were shown by George Freer. During the social hour which followed, coffee was served by Mrs. John LeClair, Sr., Mrs. Sanford LeClair and Mrs. Glen Cavanaugh.

St. Anne's Makes Packs For Local Cancer Pool
St. Anne's Guild met at the Parish Hall last Wednesday with 12 members present. Mrs. Clarence McMullen opened the meeting with a prayer and Mrs. Herbert Hertzler conducted a short business session. Mrs. Grace Hanna, county nurse, then showed the group how to cut and fold cancer packs and at the end of the afternoon a large bundle had been made. These are for the benefit of local sufferers who can obtain them free from the county office. Caron Warner Forsyth discussed spiritual fellowship, and how a "Fellowship" rather than a "Guild" gave a truer and deeper meaning to the work of this group, during refreshments of coffee and cake served by Mrs. McMullen.

Well Qualified For Michigan Education Post

The candidate for superintendent of public instruction on the Republican ticket is Clair L. Taylor.

Mr. Taylor attended the rural schools of Missaukee county in Northern Michigan and graduated from Lake City High School. He holds degrees in Education, Western Michigan College of Education, and Michigan State College. He has been a teacher, coach, principal and superintendent of schools. He also served two terms as county commissioner of schools.

During the last 16 years, Taylor served as Director of Finance, Assistant and Deputy Superintendent of Public Instruction under both Dr. Eugene B. Elliott and Dr. Lee M. Thurston. His platform includes solving the school finance problems by working in cooperation with the Legislature, school board members and the education organizations. He points out that Michigan school children population is increasing at the rate of 60,000 children per year, causing three serious problems, finance, teacher shortage, and the need for classrooms. He said that the problem facing the schools were most difficult but with team work, understanding and leadership they can be solved.

Cooking School A Success

The cooking school held at the Community Building last Friday, turned out to be a big success. The audience showed with their applause that they enjoyed Mary Scott's program.

Most popular demonstrations were the "Broil-Under-Glass" demonstration, and the Velvet Chocolate Pie.

Many prizes were awarded, including a table lamp door prize won by Mrs. Herman Moehring and an ovenware set won by Mrs. R. D. Church.

Twenty bags of groceries, a corsage and centerpieces were given to the lucky winners in addition to the following foods prepared at the school:

Casserole—Mrs. Fred Look.
 Pudding Dessert—Mrs. James Lytle, Van Eitan Lake.
 Bread—Mrs. Minnie Chandler.
 Chocolate Cake—Miss Margaret Fitzhugh.
 Chop Suey—Mrs. Pearl Blake.
 Cookies—Mrs. Ruth Meyers.
 AuGres and East Tawas Home Economics Classes were also in attendance.

Milton and Harris Barkman of Barkman's Complete Home Outfitters wish to thank all who helped to make this affair a success and hope the school will be helpful to those who attended when preparing meals in their own kitchens.

COLDS

Needlecraft News by Nancy Baxter

It's as plain as black and white—You are as dramatic as you dress. A costume of striking color contrasts creates an illusion of importance and commands attention. Color experts have found that when two totally unlike colors are put next to each other, their dissimilarity is accentuated. For example, pairing black and white gives the effect of the black being blacker and the white, whiter. In brief, an outfit of two contrasting colors produces a dramatic appearance and hence, a dramatic you.

WHITE IS RIGHT
Day or night, sparkling white is always smart in combination with a dark color. A stunning, white, crocheted blouse, for instance, atop any one of your dark skirts is a perfect pair for tea-time, a party or dance. The ever-favorite scoop neckline adapts this flattering accessory to any occasion. It's a crocheted charmer, whether made of mercerized crocheted cotton or a combination of cotton and rayon crocheted thread. If you want to be extra fancy and follow the current Coronation trend in fashion, embroider scattered seed pearls or crystal beads all over the blouse. For that stately look, silver sequins would be perfect. Another wonderful feature of this blouse is the elasticized bottom which encourages a snug fit and discourages "riding up."

JUST FOLLOW THE INSTRUCTIONS

If you are in need of a blouse, if you want it to be attractive and yet within the realm of your budget, send for the instructions for crocheting this lovely white sleeveless number. You will find it easy to make in the shell stitch. The direction leaflet instructs you how to make it in any of these sizes: 12, 14, 16. These sizes correspond with bust measurements of 33, 35 and 37 inches, respectively. Simply send a stamped, self-addressed envelope to the Needlework Dept. of this paper for instructions for crocheting the blouse, DENISE, Leaflet No. S-386.

117 February Auto Accident Fatalities

There were 117 persons killed and 3,325 injured in 12,528 traffic accidents in Michigan during February, according to the State Police monthly statistical report. Deaths decreased four, or three percent, under the 121 for the same month last year, but injuries increased 35, or one percent, over 3,299. Accidents were down 965, or seven percent, under 13,493.

The death toll for the first two months of 1953 was 256. This was 54, or 27 percent, higher than the 202 recorded at the same point last year. Injuries showed an increase of 698, or 11 percent, 7,279 over 6,581. The decrease in accidents during February offset the high January figure and the total of 27,680 for both months was 732, or three percent, below 28,462 for the same period a year ago.

The February report pointed out that urban deaths were up sharply, but were offset by a decrease in rural areas. Estimated travel in Michigan for January of this year, the latest information available, was 1.87 billion miles. This was an increase of eight percent over the

1.74 billion miles recorded in January of last year. The death rate of seven per 100 million miles of travel was 49 percent higher than the 4.7 rate in January of 1952.

Farm Bureau Groups to Buy Movie Projector Equipment

All community Farm Bureau Groups are participating in a project to purchase a movie projector for use in promoting Farm Bureau Community Services. Mr. and Mrs. Lloyd Newvine and Mr. and Mrs. Joseph Barnes, the community committee, announced at the County Board meeting Wednesday evening at the home of Mr. and Mrs. Walter Redman.

Harold Clark, county agent, was a guest and explained the Agricultural Planning Council on Extension Service. A movie was enjoyed also. Mrs. William Herriman and Mrs. William Sherman were co-hostesses and served a delicious lunch. The next meeting will be at the home of the Townline director, Mr. and Mrs. Royder Parkinson, with Mrs. Newvine and Mrs. Arthur Hula, co-hostesses.

Just in case all you Hi-Speed customers wonder...

what's going on?

The "face-lifting" you see going on at Hi-Speed service stations means something big is happening. Something you'll appreciate!

All the Hi-Speed dealers in this area (local, independent businessmen, every single one of us) are now switching to Pure Oil Company products.

As soon as possible, we'll be serving you with the complete line of top-quality PURE products—so popular with motorists here in Michigan and in 23 other states as well.

That's why, right now, you'll find us taking down "Hi-Speed" signs. And putting up the big blue and white PURE signs.

Naturally, our stations may not look too pretty during the change-over period. But don't let that keep you away! The "face-lifting" job won't interfere, one bit, with prompt service.

In fact, make a point of stopping in the next time you want a tankful of really powerful gasoline... an oil change... or some sure car-saver service.

Be sure with Pure!

Quick facts about Pure Oil

- 1 Pure Oil was founded in Columbus, Ohio, more than thirty years ago. Its petroleum products are sold in 24 states, from North Dakota to the Gulf of Mexico.
- 2 Pure Oil is active in all phases of the petroleum industry: producing... refining... transporting... marketing. One of Pure Oil's refineries is right here in Michigan—at Midland. Another is at nearby Toledo, Ohio.
- 3 High anti-knock PURE-PREMIUM and PURE-PEP gasolines are made right here in this area by the latest refining methods, and are specifically blended for your kind of weather, and your kind of roads.
- 4 PURELUBE—the sure heavy-duty oil for passenger cars is already a familiar brand to "Hi-Speed" customers. It has been sold at "Hi-Speed" stations for years.
- 5 Any product you buy at a Pure Oil station is thoroughly tested in our own ultra-modern research and development laboratories. It is the finest you can get—anywhere—and is fairly priced to give you your full dollar's worth of value and satisfaction.

County Agent News

By HAROLD R. CLARK

The American Guernsey Cattle Club of Peterborough, New Hampshire, announced the completion of official Advanced Registry records of two registered Guernseys owned by Alfred and Muriel Graves and Henry and Karl Luitke.

On twice a day milking in ten months, Ultra's S. Alpha produced 10,398 pounds of butterfat at nine years of age. At 11 years of age, Ruby K of Cloverland produced 10,743 pounds of milk and 502 pounds of butterfat.

A farmer who has only two or three cows and milks them by hand spends 140 to 180 hours a year to feed, milk and care for each cow. With 15 cows and using a milking machine this time is reduced to 100 hours per cow. Greater reduction of time is made in larger herds.

The dairyman's wages are dependent upon his milking efficiency, and the value of milk over feed costs, usually are higher with high producing cows but the profit is greater.

The cheapest and most productive of feeds is a good alfalfa brome pasture, fertilized pasture brings good returns on the fertilizer investment, through

increased milk production per acre. The next cheapest of feeds is high quality hay. Hay can be in the form of silage or cured hay. Important in producing high quality hay is to cut in the early blossom stage and cure in such a way that all leaves are retained. The retention of the leaves is the advantage of mow curing and making grass silage. Making hay quickly in as short a time as possible gets more early cut hay and makes way for maximum growth of second cutting hay.

Possibly your soil needs lime. If it does, you can be assured that the lime investment will be a good one. Lime neutralizes an acid soil and makes plant food elements in fertilizers more readily available. Lime also provides calcium as a plant food.

It is important to test your soils regularly so that you may know your lime and plant food requirements and can get economical returns from your soil. Take your samples now and send them to me or make application with the P.M.A. office and Dornace Bellville will take samples for you.

A composite sample of each field should be taken and put into a clean jar and properly labeled. There will be a nominal fee charged for testing.

The trouble with taxes is that you have to pay them.

Mrs. Lillian Armstead, vice-president, presided over the meeting in the absence of the president, Mrs. Verna Snyder, who was ill. A style show was presented by Sibyl Dress Shorne of East Tawas. Mrs. Robert Hill sang two numbers, "Beautiful Dreamer" and "Easter Parade" with Mrs. Wesley Dafee at the piano. The program was very interesting and refreshments of nut breads and fruit salads were served by the social committee.

The two little sons of Mr. and Mrs. J. D. Lehman, who have been in West Branch hospital with pneumonia, were able to return home and are improving steadily.

Four Herds Over 30 Pounds of Fat Per Cow

The 204 cows in the fourteen herds of the Iosco Dairy Herd Improvement Association averaged 875 pounds of milk and 31.6 pounds of butterfat in February according to the report received from Clarence Carpenter, supervisor. The Britt farm herd of 20 registered and grade Holsteins was a new addition to the association.

Four herds were over 30 pounds of fat per cow with Arthur Povish's herd of 21 registered having a slight edge with an average of 33.1 pounds of fat per cow. Prescott and Campbell were a close second with an average of 32.7 pounds of fat, third was the Britt farm with 32.0 pounds of fat and fourth was the Julius Anderson herd of seven Red Danes with 31.2 pounds of fat.

The County Farm had the two top cows in Carrie, a registered Holstein who produced 2290 pounds of milk and 96.2 pounds of fat, and Betty, who produced 1890 pounds of milk and 77.5 pounds of fat. Betty led the association in January.

"Monthly Pains" stopped

or amazingly relieved

in 3 out of 4 cases in doctors' tests!

Chances are you're putting up—unnecessarily—with the monthly pains, cramps and weak, "no good" feelings of menstruation!

For in actual tests by doctors, Lydia Pinkham's Compound brought complete or striking relief from such distress in 3 out of 4 of the cases!

Lydia Pinkham's is modern in its action!

So get Lydia E. Pinkham's Vegetable Compound—new, improved Tablets with added iron. See if—taken through the month—it doesn't give relief from those backaches, hitters—help you feel better before and during your period!

Or—if you suffer from functional "hot flashes" or "change of life," find out how wonderful Pinkham's is for that, too!

It has a quieting effect on uterine contractions that often cause "menstrual" pain.

HDA NOTES

By DOROTHY SCOTT

Iosco county home demonstration members are looking forward to new experiences preparing for and the slip cover workshops planned to begin next week.

A preliminary discussion and planning meeting held last week was attended by Mesdames Will Waters, George Waters, Howard Mott, James Mielock, James Sturtevant, Harold Black, Roy Atkinson, Emerson Frank and Charles Harsh.

It was decided to have a workshop this week to put all the chairs and cushions in condition for slipcovering. Chairs with weak joints because the glue is not holding, with sagging springs, bumpy cushions, or deep backs must have some work done before they will really look right with a new covering.

By next week everyone will have shopped for slipcover material and other supplies needed for the job of giving the chair a new look with a snug fitting, professional slip cover.

Easter hats always claim special notice as a part of the whole outfit. Very often your hat is the one item you can do yourself and express your own individuality.

The first important thing to remember this spring—since your hat will focus attention at the top of your silhouette is that this spring's silhouette is slender garments. If your suit or dress or coat is of the slender line variety, simply cut, and rather lacking in design and trim, then your hat cue is, make it decorative.

Clean the red sailor you have, wear it smartly with a beige costume. Make this the ONLY red spot, one bright is often enough.

Lower the hat crown, if it is high. Generally hat crowns are shallow and broad in proportion to the brim. Some crowns have a bloused look.

Spring hats feature flowers, so use them freely. You may prefer a single rose, or cluster. Flowers may be flattened or placed in layers for the crown. And a crown looks broader if flower sprays are arranged around the hat.

Feathers are good style, too. Look for colorful quills to give the hat a perky look, many smart sailors have but a single quill.

Should your outfit be a print or plaid, then keep the hat very simple. A simple hat is always smart. This spring's version has a veil, and there are ways and ways to wear a veil.

These few suggestions may inspire you to look over your old hats. Remember that this year's styles include sailors, medium sized bretons. Half hats, shell styles and bonnets are still being worn.

ABOUT YOUR HOME

By Frances Dell

Ferns are not seen as often in gardens today as they were a few years back. There seems to be no reason for this for fern culture is less difficult than most other branches of horticulture.

There is a fern for almost every garden need—from border planting, as a ground cover to the large showy ostrich fern. They are found growing vigorously on bone-dry hillsides, and in Cypress swamps. Some species do well only when planted in full sun, others must have the shadiest woods.

Most ferns like humus, rich soil and should be planted with peat, leaf mold or rich compost. Most woods and ledge ferns like to have their roots in contact with rocks from which they extract certain chemicals for their growth.

Ferns will not do well in hard compacted soil. Almost all ferns need protection from strong winds. They also require lots of water. Even those species which grow in dry locations will become luxuriant when given extra water.

You may transplant ferns at any time of the year. But it is best to do so at a time when the plant is not growing actively. Ferns will multiply rapidly.

"Hot Flashes Stopped"

or strikingly relieved

in 63-80% of cases in doctors' tests

- If you're miserable from the "hot flashes," and accompanying irritable, restless feelings of "change of life"—you may be suffering unnecessarily!

For... in tests by doctors... Lydia Pinkham's Compound and Tablets brought relief from such functionally-caused suffering to 63% and 80% (respectively) of the women tested! Complete or striking relief!

Yes! Research has proved these medicines thoroughly modern in action... has shown you where to look for relief from those distressing, nervous, out of sorts' feelings of mid-life "change of life."
So... get Lydia E. Pinkham's Vegetable Compound—or new, improved Tablets with added iron! (Wonderful, too, for the functional pains of menstrual periods.)

It acts through a woman's sympathetic nervous system to relieve distress of those awful "heat waves"!

4-H CLUB NOTES

By MARVIN DAVENPORT

Plans for "4-H Open House" are the order of the day. Each of our Community Clubs in Iosco county will be holding such a meeting during April, May or June. Projects the members are working on or those completed will be exhibited at their meeting. Parents, leaders, members and friends will learn how projects are judged at Fair time. Extension agents will point out the good points of each article exhibited and will point out where they can be improved. At Fair time articles will be judged and a blue, red or white ribbon placed on them by the judges. The 4-H Open House program will help each member determine what he or she will be receiving on their handcraft, clothing, electrical, food or knitting projects.

Th Radio-Handicraft project meeting was held at the home of C. Warren Wagner. There were 10 members present. Some time ago, radio equipment was donated to our project by interest-

ed amateur radio hams in and around Clearwater, Michigan, who had heard of our club over their short wave radios. During the past few weeks we have been dismantling this equipment and by doing so we have been learning the names of the various parts of radios.

Now we are picking out the parts to build our own receiving sets. Some of the boys have started to build their receiving sets and have their power supplies already put together but they need to be wired up yet. We hope to have a set finished in time for our Open House meeting on April 21.

Everyone is invited to attend this meeting at the Alabaster School at 8:00 p. m.

Make Plans to Improve Farm Bureau Program

Officers of Iosco County Farm Bureau Community Groups made plans to improve the program of future group meetings at a meeting at the Grant Hall Friday, March 27.

Mrs. Lloyd Newvine, community group chairman, pointed out that by careful planning of each meeting by officers varying discussion methods and hauling more complete records from group secretaries presenting all correspondence at meetings for discussion, active work by committee and by interesting recreational programs for each meeting.

Donald Kilpatrick, district director, spoke on the importance of duties of group officers.

Panel discussions for chairman, vice-chairman, secretaries and discussion leaders were led by Mr. Kilpatrick, Mrs. Newvine and Orville Strauer, county chairman.

It was decided to have two officers training meetings a year, one in October and one in March. Plans were made to invite Jim Riley of Brown City to come and show pictures he took while an exchange student in Switzerland last year.

Two movies were shown by Orville Strauer and Lloyd Newvine on the new projector the Community Groups have just purchased. Mrs. Joseph Barnes and Mrs. Arthur Hula served refreshments to the 35 members present.

Lawrence and Paula Braden accompanied their grandfather, Ralph Dosh, to Davison on Wednesday to spend the Easter vacation with the Dosh family.

Mrs. Robert Murray returned Thursday from Owendale where she has spent the past month with her son, William Murray, and family.

Mrs. Charles Curry spent Monday in Bay City with friends. Mr. and Mrs. William Borosch and daughter, Nancy, of Saginaw are new residents of Tawas City. They have purchased the summer home of Dr. LeClair on Tawas Bay and will occupy the Gobel Cottage while re-modeling is under way. Mr. Borosch will be associated with the Arthur F. Cowan, Real Estate firm.

Miss Mary Catherine Bertch of Saginaw spent a couple of days with her parents, Mr. and Mrs. Frank Bertch. She is a junior nurse at Saginaw General College.

Mrs. J. W. Frye of Indianapolis, Indiana, visited Mr. and Mrs. William Shaw a few days this week.

No. 1 Continued from First Page.

Mr. and Mrs. Wilfred Swartz and son of Saginaw were Sunday guests of his mother, Mrs. Anna Swartz, and brother, Fred.

Stanley Burnmeister, Amvet service officer, will be in the office of the County Superintendent of Schools next Wednesday, April 8, from 1:00 to 4:00.

Howard Braden and son, Ralph, of Midland spent the week-end here with the Lewis Braden family.

Born to Mr. and Mrs. William Murray of Owendale, a seven pound son on March 26 at the Pigeon Hospital. He has been named Paul Francis.

Miss Viola Groff spent Saturday in Bay City on business.

"Joseph's Garden Given" At Club Meeting

At last week Wednesday's meeting of the Twentieth Century Club, "Joseph's Garden" was given as a part of the religious program. Mrs. George Leslie directed, with the following cast:

Mary and Martha, sisters from Bethany—Mrs. Carl Schaaf, Mrs. George Rice.
Ester, woman of Samaria—Mrs. A. P. Jerome.
Elizabeth—Mrs. A. E. Giddings.
Balthazar, a wise man—Bruce Leslie.

Joseph of Arimathea—Robert Jerome.
Mary Magdala—Mrs. J. A. Campbell.
Salome—Mrs. Glen Schlaack.
Rachel, daughter of Jairus—Mrs. Charles Mercer.

Joanna—Mrs. William Schaaf.
Susannah—Mrs. Douglas Ferguson.
Mary, Mother of Jesus—Mrs. Don Huey.

Angels—Mrs. Donald MacDonald, Mrs. Harry Goodale.

Music during the performance was provided by the Ladies' Quartette, Mrs. George Leslie, Mrs. J. F. Mark, Mrs. I. R. Horton and Mrs. Earl Davis, with J. F. Mark at the piano.

A vocal solo, "Hosanna" was sung by Miss Marion Bing, between the scenes of the play.

TRUCK DRIVER OF YEAR

Michigan's "Truck Driver of the Year," Leon H. (Smokey) Taylor of Flint, has driven the equivalent of 51 trips around the world in the past 22 years without an accident. And that's not all—for the entire 30 years that he has been hauling new automobiles from plants to dealers across the nation, he has not had

a chargeable accident chalked up against him. According to Smokey, it's easy to be a safe driver if you keep the three C's in mind—Courtesy, Caution and Common Sense. He sums it up like this, "Drivers who aren't courteous have no thought for the other fellow, have little regard for caution and certainly don't show any common sense."

Long Pipeline to Extend Through Michigan

One hundred seventy carloads of 30-inch pipe have been delivered at Standish for the new Lakehead Pipeline Extension which passes through the Upper Peninsula, central Michigan and the Thumb district to Sarnia in Canada. The pipe deliv-

ered at Standish will be used in the construction of 18 miles of the 655 mile route through Michigan.

When completed the huge \$76,000,000 extension will deliver crude oil from Edmonton, Alberta, to refineries at Sarnia, Ontario. Approximately 2,800,000 barrels of oil will be required to fill the pipeline extension.

The entire system of Inter-provincial and Lakehead pipelines, extending from Alberta to Sarnia, a distance of 1,765 miles, will constitute the longest continuous crude oil pipeline system in the world.

The Vitamin Craze

Dr. Maxwell M. Wintrobe, a specialist in the treatment of anemia, says many people would do better to buy meat and vegetables in the grocery store rather than spend money in vitamins. He terms "shot-gun" doses of such food supplements as iron, and other minerals, a waste of money in many cases.

Dr. Wintrobe believes a person has to be "pretty hard up" or a fadist to develop nutritional deficiency these days.
