LOOKING BACKWARD

40 Years Ago—August 15, 1913.
C. E. Tanner is at Port Huron where he will secure a license for his power passenger boat which he will operate on the bay this summer.

Charles and Joseph Wood of Iditarod, Alaska, are visiting their father, Thomas Wood. They have been in Alaska for the past 10 years.

Whitmore Lodge, F. & A. M., held its first meeting under special dispensation Monday evening.

The largest transaction in livestock ever made in Isco county occurred this week when E. W. Merrill of the Frontier Farms, Erie, Pennsylvania, purchased 300 head of Short-horns from C. H. Prescott and Sons.

Isco county voters turned down the \$100,000 good roads bond proposal by a vote of 804 to 315. The money would have been used to build county roads.

Sheriff Johnson warns that persons using profane or indecent language on the streets are liable to arrest.

Right under the eaves of the county jail, Wednesday night thieves stole 15 chickens belonging to Sheriff Johnson. The Sheriff and his deputy were on duty until after midnight.

C. M. Davis, who has been with the Wilson Grain Company for some time, has accepted the position of superintendent of the Thunder Bay Milling Company at Alpena.

Benjamin Sawyer has opened a grocery store in his building on Lake Street.

10 Years Ago—August 13, 1943.

Herring producers have had the best season since 1939, according to a statement of John Coyle, veteran fisherman here. The principal factor limiting production is the lack of fishing crews, states Coyle.

Roland Brown has been assigned to Arenac county as conservation officer according to an announcement from the Michigan Conservation Department.

Mr. and Mrs. Floyd West have purchased the Silver Valley Cafe on Lake Street in this city. They formerly operated the Tawas Inn.

A test well for oil is being drilled on the Harry Latter farm in Reno township.

Mussolini was toppled off his thorny throne when United States troops made a headlong rush through Sicily.

Mr. and Mrs. A. E. Giddings leave within a few days for Unionville where they will make their home.

Christ Above All

Lesson for August 16, 1953

THE reader who goes to Sunday school will have noticed that the quarterly never prints all the Scripture that is listed in this column. The reason is, the interdenominational committee preparing these lessons selects more Scripture than any quarterly is going to have room to print. This is in the hope that the student will not be content with reading short bits from the Bible at second-hand, but will go on to read more fully in the Bible itself. This particular column is Dr. Foreman free to use the whole passages selected, not simply the verses reprinted in most quarterlies.

Christ Pre-eminent

It ought to go without saying that Christ is pre-eminent, that is to say, above all, for the Christian. It does not go without saying, because Christians incline to forget it, or more exactly, they forget him. Paul uses the word "pre-eminent" only once in Colossians 1, but he uses many other ways of declaring that Christ is above all. In Christ we have forgiveness of sins; in him all the fullness of God dwells; he is the head of the church. The Christian has been transferred to Christ's kingdom; through Christ all men may be reconciled to one another; in Christ are "hid all the treasures of wisdom and knowledge"; the Christian is to be "filled with the knowledge of his will." The Christian receives him, is rooted in him, built up in him, grows to maturity in him; he is the Christian's hope of glory. All this is "in the book"; but is it in life? Does Christ actually loom as large in the life of Christians as he does in the plan of God.

You Received Christ

Speaking of the way the Christian life begins, Paul says, "You received Christ." That is what ought to happen at the very start. If it does not happen, there is no real start. What do we receive at the beginning of the Christian life? A certificate of church membership? Water? The Communion bread and wine? A name like "Methodist" or "Baptist" or "Lutheran"? Even a name like "Christian"? Now, it is true that the Christian life begins with an "I will." There is a vow, a determination, a hope and intention. But unless there is a receiving, all the hopes and intentions go for nothing.

So Live in Him

Paul says the Christian is "rooted" in Christ (as if we were plants) and "built up" in him or on him (as if we were brick walls). He puts these both together when he says "Live in him." If we are like plants "rooted" in Christ, that means he is to us what the soil is to a plant. All our spiritual life comes from him. Not from a book, from a creed, from a set of ideas, least of all from our own thin selves; but from Christ, in whom is "all the fullness of God." Again, if we are "built" on him, that means he sets the line of our lives. Just as a wall cannot lean one way or the other off its foundation, and still stand, so our lives either follow the line that Christ has set, or they collapse.

Mature in Christ

Christ is not only the ground and foundation, he is the goal of life for the Christian. Are we walls? He is the blueprint. Are we plants? He is a perfect specimen. Paul wants every Christian—not a few selected saints!—to be "mature in Christ." (The older translation "perfect" is misleading, since the Greek word means mature, not perfect nor sinless.) Why is it we are so easily self-satisfied? Why are so many Christians midgets, permanent babies, in mind and spirit and character, when they ought to be growing up? Once there was a baby whose parents lived at some distance from other families with small children. For more than a year they thought their baby was doing very well. Then they visited another family where there was a normal baby, the same age as their own. For the first time, they realized their own child had not grown as it should. So we Christians compare ourselves with ourselves, or with other imperfect Christians, and we are foolishly content.

In every way, more car for your money!

Ford gives you V-8 power like that of costly cars... fine car build... fine car ride and "at-home-everywhere" good looks - but the price tag never moves out of the low-price field

Everywhere you go people are making the swing to Ford. And can you blame them? Many cars costing over \$1000 more offer no more of the things you need and want. Here are some of Ford's "Worth More" features... but to get the full Ford "Worth More" story, Test Drive a new Ford today!

- Less front-end road shock.** The kind of shock you feel most is reduced up to 80% with Ford's new ride. You get a smoother, more balanced, more comfortable ride all around!
- Suspended pedals** are designed to work easier and make foot space of your Ford's entire floor area. Suspended pedals are also a "keep out" sign to dirt and drafts... make it easier to keep the floor clean!
- Smooth V-8 power** is exclusive to Ford in its field. And Ford's Mileage Maker is the most modern Six you can own! Both the V-8 and Six-cylinder power plants deliver their hill-leveling "go" on regular gas—and not much of that, thanks to Ford's Automatic Power Pilot!
- An extra suitcase** will fit into Ford's luggage compartment—the roomiest in the low-price field. In fact, Ford's combined luggage and passenger space is the greatest in the low-price field... compares with that of many cars of higher price.
- Center-Fill Fueling** permits filling your Ford from either side... saves you time when refueling... and puts an end to hose scratches on your fender!
- Curved one-piece windshield** (below) and large picture windows, give Ford the most "look out" area in the low-price field... another reason your Ford is worth more when you buy it... worth more when you sell it!

Whiz Kids Set Pace

With three wins and one loss, the Whiz Kids are setting the pace in Little League Baseball. In all, four tie games have been played and there is lots of competition among the youngsters. Because of rain last Tuesday, the league schedule was postponed until Thursday evening, with two games at the East Tawas Athletic Field. On diamond two the Braves defeated the Sluggers, 7-0. Dick Lansky, hurling shut-out ball, held the losers to one hit. Don Ledworth started for the Sluggers and Bill Schultz came on the scene in the last inning.

On diamond one the Whiz Kids, with Brackenbury on the mound, downed the Fencebusters, 4-3. Moore hurled for the losers. The league got back to the regular schedule Tuesday night, with the Whiz Kids and Braves battling to a 6-all tie, and the Fencebusters downing the Sluggers, 11-3. Franks and Guyette formed the battery for the Whiz Kids, and Lansky and DeLage for the Braves. Lansky hit a home run for the Braves, and Guyette hit a grand-slam homer bringing in four runs for the Whiz Kids.

The Fencebusters defeated the Sluggers, 11-3, with the Fencebusters using Schlechte and Moore on the mound and Simons catching. Wendt started for the Sluggers, with Wixson and Fox following. Youngs did the catching.

Thursday, August 20, tie game will be played off with Sluggers vs. Fencebusters and Braves vs. Whiz Kids.

Want to be nimble, smooth and quick?

TT Dynaflo* does the trick!

WE have just the place for you. If such is your desire. It's at the wheel of a 1953 Buick with Twin-Turbine Dynaflo. And we suggest you hold on to your hat and your heart when the action starts—for here's what happens: You press the pedal and, from a standing start, you're up to a legal 30 mph before you have time to breathe but twice. Or, you're in the thick of traffic—moving smoothly, easily, quietly. Then, when it's safe to do so, you move instantly into the clear with the greatest of ease—in one progressive build-up of velvet acceleration—without a single gear shifted or a clutch pedal pushed. That, sir, is the big thrill command you get in any 1953 Buick SPECIAL, SUPER or ROADMASTER with new Twin-Turbine Dynaflo. For this fully automatic drive now has two turbines where one did the trick before. Two turbines for instant getaway response—with whisper quiet—and with infinite smoothness through all ranges. Of course, a lot of able power goes with this smooth, quick getaway—the highest horsepower and compression ratios, Series for Series, in all Buick history. And so does big room. And the supreme comfort of the Buick Million Dollar Ride. And the superb handling ease of finely balanced weight. Even Power Steering* is at hand to make parking and turning still easier. Why not drop in on us soon and sample one of these great new 1953 Buicks with TT Dynaflo? It's an experience — and a value story — too good to miss.

*Standard on Roadmaster, optional at extra cost on other Series.

Safe Driving Makes Payoff to Ontario Visitor in Michigan

An "international safety incident" occurred recently on Michigan scenic highway, US-23, involving a Sault Ste. Marie, Ontario, driver. The Rev. W. Bruce Jennings, dean of St. Luke's Pro-Cathedral, Sault Ste. Marie, Ontario, discovered that safety pays in many ways in Michigan.

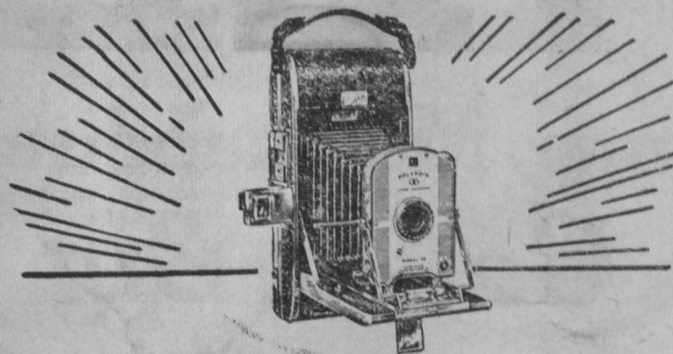

Touring the state on a return trip to Sault Ste. Marie, Dean Jennings expressed alarm at being stopped by the Michigan State Police, only to find his fears were unwarranted, for he had been selected as the "safest driver" on the highway. Safe-driving cars are stopped each week on US-23, a north-south vacation artery leading to Michigan's twin resort cities of Tawas City and East Tawas.

The safety promotion, sponsored by the progressive mer-

chants of the Tawas, is designed to promote greater safety on the highways, while introducing more travelers to the beauties of Lake Huron and Tawas Bay. Sergeant Dan Wurzburg of the Michigan State Police and Howard Finger, Northeastern Michigan safety reporter, commended Rev. Jennings for the manner in which he had observed the rules and regulations for safe and sane driving on Michigan highways. Showered with gift certificates and honored as the "Toast of the Tawas," Rev. Jennings was last seen pointing the nose of his English Austin in the northward direction of the Tawas and heading for Northern Hospitality at its best!

THINK OF FUTURE TRADE-IN WHEN YOU TRY OUT A CAR!

Reports Prove Mercury's Trade-In Value Tops Them All in Its Price Class!

Smart shoppers know the actual cost of a new car isn't found on the price tag. When you buy a car you're making an investment. When you sell or trade in that car, one, two, or more years later—you get back part of your original purchase price. With some cars, this resale value is disappointingly small. But with Mercury—according to four independent, impartial surveys—you get the highest resale value in the entire Mercury price class.

The reason? Mercury's consistent years-ahead styling, for one thing. Clean, long,

low lines that set the style and stay in style. Colorful interiors that keep their smartness for years. And Mercury's proven V-8 performance is another reason. A V-8 engine is the only type ever used in Mercury—and this latest is the best performer we've ever built.

So—before you buy any car—get the story on Mercury. Find out about Mercury's optional power features—the widest choice in the field—check on Mercury's proven economy. Above all, try a Mercury ride! We feel sure you'll agree no other car will do!

This demonstration showed me the way to a better deal!

I'd been planning to buy a higher-priced car until I found out all Chevrolet offered—and how much I could save!

You get more power on less gas

That's because Chevrolet's two great valve-in-head engines are high-compression engines. In Powerglide models, you get the most powerful engine in Chevrolet's field—the new 115-h.p. "Blue-Flame." Gear-shift models offer the advanced 108-h.p. "Thrift-King" engine.

And it's the lowest-priced line

A demonstration will show you that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

You're "sitting pretty" behind the wheel

Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

Biggest brakes for smoother, easier stops

An easy nudge on the pedal brings smooth, positive response—right now! Chevrolet's improved brakes are the largest in the low-price field.

You get greater getaway with the new Powerglide*

A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at any price.

You can see all around

You look out and down through a wide, curved, one-

It's heavier for better roadability

You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

Let us demonstrate all the advantages of buying a Chevrolet now!

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

INSTANT response with "SENSITIZED"

Tune in: "Pure Oil News Parade" (NBC, nightly) and "Who Said That?" (NBC-TV, weekly)

These pictures show the toughest traffic test you can give your gasoline: when you brake . . . then accelerate. (Particularly tough if your car has an automatic transmission, and you can't shift back into second.) PURE gasolines—the Sensitized gasolines—pass this test with flying colors. They're specifically blended to give instant response at any driving speed with no lag . . . no drag . . . no "dead spots." New car or old, if you want sure-fire performance (and thrifty mileage, too), fill up with "Sensitized" at any station where you see the blue and white PURE sign . . . no extra cost.

With Iosco 4-H Clubs

By DOROTHY SCOTT

It's State 4-H Club Show trips for Kathleen Provoast and members of the Friendship Community 4-H Club September 1-4.

These honors came to the young people as a result of the District Eliminations Contest last week. In Standish district contestants from Iosco, Alcona, Oscoda, Ogemaw, Clare, Gladwin and Arenac counties competed for the privilege of representing the area in the State contest next month.

Kathleen is competing in the public speaking contest. Many Iosco residents have heard her talk entitled, "4-H Takes a Place" and will wish her well in the State event. She is a member of the Burleigh Wizards 4-H Club.

Members of the Friendship Community 4-H Club are competing in the business meeting contest. They have a good deal of work ahead of them before September 1 rolls around, for doing a good job in a contest where 10 members have to be on their toes, working together every minute, is a real challenge.

How did these young people happen to represent Iosco county at the District event? As a result of local contests, many of them held as a part of the Iosco County Fair program.

Contestants in that event included Dolores Runyan in a pie baking demonstration; Kathleen Provoast, speech; Pavo Bloomquist and Roger Wood in an electrical demonstration, and the Friendship 4-H Club in a business meeting demonstration.

Judging contests were conducted in dairy and garden judging, with Roger Wood and Pavo Bloomquist entering the District contest. Harold and Kathleen Provoast tried their skill in dairy judging.

Lois Vane was selected to compete in the Fun Festival along with Barbara Wisniewski, and members of the Hale 4-H Club in a skit featuring Charlotte Webb and Carol Green.

When the exhibits were judged the judge picked out exhibits to represent Iosco county at the State 4-H Club Show. The young people making these exhibits will have an opportunity to see them at the State Show when they join the young people who will make an over-night trip to that event.

Sherrill Scofield, cookies; Jean Marie Schauf, cup cakes; Lucille Smith, canning; Judith Brown, apron; Nicola Babcock, knitting; Sandra Greve, knitting; Paul Edie, Rosanne Seigrist, Bernice and Gloria Seigrist, Richard Pfahl and Kenneth Davenport, vegetable garden; Robert Douglas, game board; Kenneth Anschuetz, flower box.

The Taft Jr. Farmers forestry group exhibit has been entered at the State office. We are awaiting their reply in regards to the possibility of it being exhibited at the State Show.

A program number unique to the county fair was conducted one noon by Jack Fuerst, Peter Bolen and Ron McCormick together with their leader, Warren Wagner. These boys and Mr. Wagner have been studying radio this year, and the leader sent the boys a Morse Code short wave broadcast which they picked up on their own, home-made sets on exhibit at the fair.

4-H Club leaders and parents who attended and helped conduct the Standish Round-Up event on August 4, included: Mesdames Albert Vane, Melvin Brown, John Webb, Ruth Bowens, DeWayne Hall, Reuben Edie, Emerson Frank and Fred Pfahl.
