Dizzy Trout to be Master of Ceremonies at Coronation

Will Crown Prince and Princess

Climax of Silver Valley Activities February 6, 7 and 8

Dizzy Trout, former Tiger baseball star, and Bob Reynolds, WJR announcer, will be here to take part in the Silver Valley events and coronation ceremonies during the week-end of February 6, 7 and 8, climaxing the winter sports season, according to an announcement made by John Pinter, chairman of the Silver Valley Committee of the Tawas Chamber of Commerce.

The week-end program, in addition to winter sports activities at Silver Valley, will include coronation ceremonies and coronation ball Saturday, February 7, at the Community Building and banquet at the Holland Hotel. Friday evening a stag fish dinner will be served at the Barnes Hotel.

Tickets for the banquet at the Holland Hotel are now on sale. There is a limited number, so get your ticket early. They are on sale at Keiser's Drug Store, Gould's Drug Store, Chamber of Commerce Building or John Elliott.

This year the Tawas Silver Valley Winter Sports Committee is offering something new in the line of coronations. Instead of the usual crowning of a Queen, they are introducing a young Prince and Princess to hold Court at their Winter Sports Carnival to be held February 6, 7, and 8.

The Prince and Princess will be chosen at a dance to be held at the Tawas City Gym on January 31. Well known men and women of Northeastern Michigan will choose the Prince and Princess from a five to seven age group of children selected.

East Tawas Businessman Dies Suddenly

Funeral of Guy W. Cecil Held Friday At Detroit

Death came suddenly Tuesday evening to Guy W. Cecil, well-known East Tawas businessman. Coronary Thrombosis was said to be the cause of death.

Born September 25, 1893, at Gallon, Ohio, he had been a resident of East Tawas since 1946 when he purchased the East Tawas Laundry. Previous to coming to this community he had been employed by the Spaulding Electric Company at Detroit, where he was superintendent of construction. During World War II he served as superintendent of maintenance at the Chrysler Tank Arsenal. He went to Detroit in 1908.

He was united in marriage June 4, 1915, to Miss Laura Randall, who survives him.

Other survivors are: a daughter, Mrs. Cleo Taylor of Detroit; two sons, Emmett R. of East Tawas and Guy W. of Detroit; his father, Raymond E. Cecil of Detroit; three sisters, Miss Mary Cecil of Detroit, Mrs. Olive Drake of Fort Lauderdale, Florida, and Mrs. Hazel Elliott of Detroit; two brothers, Carl Cecil of Utica and Ernest Cecil of Birmingham, and three grandchildren.

Funeral services were held Wednesday evening at the Jacques Funeral Home and this afternoon (Friday) services will be held at Detroit. Burial will be in the Acacia Park Cemetery, Detroit.

He was a charter member of the Tawas Kiwanis Club and of the Tawas Chamber of Commerce. He also was a long-time member of the Masonic Lodge and belonged to the East Tawas Club and the Isosco Archers. He was active in Silver Valley winter sports promotion.

29 Enrolled in Business Classes

Typing, bookkeeping, shop, art and home economics will be the subjects taught in the adult education program now in progress at the Tawas City Public Schools.

Nineteen have entered the typing class and 10 have enrolled in the bookkeeping class for the first six weeks period. Another six weeks will follow when the first is completed. Robert Deloria of the Tawas City Public Schools is instructor in the business classes.

Edward Clack of the East Tawas Public Schools is in charge of the shop classes.

It is planned to organize classes in art and home economics. The Pied Piper Puppets of Lake Orion gave their annual show Monday at the Tawas City Public Schools. This is the sixth year that entertainment has been given at the local schools.

Two Hardest

Lesson for January 25, 1953

WHEN YOU see a pole-vaulter sailing like a bird over the high bar, it looks like the easiest thing in the world. When you see a watchmaker putting a hairspring into place, or a good cook whipping a cake together, it looks simple. But the simple things are seldom as easy as they look. So it is in the Christian life. It can be made to sound absolutely simple, but it never is. And it never is easy, either. Perhaps the two hardest things sound the easiest. Jesus made it plain that without them one cannot call oneself a true Christian. One is humility and the other is forgiveness. How easy they sound! But try them. They will test your spiritual muscle.

Can This Be Right?

There is another paradox about these two indispensable qualities of Christian living. They are not only much harder to practice than they sound, but they sound worse than they are. What is the quality which all Americans advise, imitate and practice with all their might? Isn't it aggressiveness.

Dr. Foreman

the go-getting spirit? Humility sounds like the opposite of that, and so we seldom hear it praised, at Rotary luncheons, in political speeches or in school textbooks. Even in church we don't hear much about it. Advising people to be humble sounds like advising them to aim for the bottom of the ladder, not the top.

As for forgiveness, this too goes against the natural grain. We can forgive people for mistakes, we can forgive them with good grace when they haven't hurt us particularly. But when other people have actually done wrong, serious wrong, and done it to me or to some one I love, how then can I forgive them? Won't I be lowering myself to their level if I forgive? Won't it be the same as saying that what they did was quite right after all? Shant I be calling wrong, right? Isn't forgiveness turning right and wrong upside down?

Humble Like a Child

Let us look into these matters a moment. Take humility first. Jesus' illustration of humility is not some down-and-out lazy person without dreams, desires or ambitions. His model is the child. What is the humility of a child? It is the quality of teachableness. The child is not set in his ways. He is trustful. Even the liveliest child, even the most stubborn, will believe, what he is told, and has a never-satisfied curiosity about everything. You can't tell the college sophomore much; he thinks he knows enough as it is. But no child thinks he knows everything. He is not suspicious, cynical, sophisticated, superior. He can grow.

Call the roll of the world's truly great men; they all have this quality of childlikeness, whether a greatly daring person like Scott, the explorer of the Antarctic, or a greatly wise person like Abraham Lincoln, or a greatly imaginative person like John Bunyan. All forms of greatness have in them the quality of the childlike. And the special humbleness that is essential for Christians is not only this, but humility before God. For the one sin that keeps one farthest away from God is the very opposite of childlikeness, namely pride.

Seventy Times Seven

Consider that other quality, the forgiving spirit. Does this really mean calling wrong, right? We should remember that forgiving is not the same thing as condoning. You condone a wrong when you act as if it were not a wrong at all, really. When God forgives us he does not pretend that we have done no wrong, and when we forgive others we should not confuse wrong with right. Condoning means approving; forgiving does not. You can condone without love; it takes love to forgive.

But nowhere in the Bible is it said that God forgives, or that we are expected to forgive, apart from repentance. The hard and unrepenting spirit makes forgiveness impossible. Forgiveness is not a one-sided affair. It calls for humility on both sides, for forgiveness is a restoring of fellowship, and that cannot be done in pride. But is forgiveness a sign of weakness? Wait till you have been insulted, injured or wronged, and you will learn the truth about it.

What About Your Taxes?

Does that property tax bill you're getting this month seem high? Is local government costing too much? Maybe it is, but you ought to see what you're shelling out each day in Federal taxes.

Does your family use a package of cigarettes and a couple of quarts of milk a day, and does the family car take ten gallons of gas a week. The direct and hidden Federal taxes on those three items total up to \$183 a year. Right there you've got a sum bigger than the property tax most people are paying.

A Washington research bureau has compiled a list of the Federal tax you're paying on everyday items. These taxes may be direct excise taxes, in a few cases. More often, they're largely taxes paid by the producer, the manufacturer, the wholesaler and the retailer. Totaled up, here's what they amount to:

	Tax	Real Value
Soap	\$.05	\$.07
Cigarettes	.12	.09
Bread	.05	.09
Milk	.09	.14
Liquor	3.35	1.05
Auto tire	7.10	13.60
Beef (lb.)	.32	.58
Candy	.03	.06
Flour	.03	.07
Gasoline (gal.)	.14	.12
Dress	7.00	10.50
Hosiery	.66	.99
Electricity (mo.)	1.38	2.57

Young Women's League Welcomes New Member

At the January 12th meeting of the Young Women's League held at the Barnes Hotel, Mrs. Charles Lemon was welcomed as a new member. The program, under the direction of Mrs. Robert Connett, featured a book review given by Mrs. Archie Ruckle. "The Shape of Sunday" was the book she chose to review. It is a biography of Lloyd C. Douglas, written by his daughters, Virginia Douglas Dawson and Betty Douglas Wilson.

Mrs. Ruckle also briefly reviewed "The Revolt of American Women," "Your Child Can be Happy in Bed," "Fun on a Ride" and "Exploring Nature with your Child."

The president, Mrs. R. J. Barnett, reminded the YWL of the coming card party to be held February 9 with Mrs. Nathan Barkman in charge of arrangements.

The group that was present was asked to help with the project "Nickles for Nurses" sponsored by the Ladies Literary Club.

Hostesses for the evening were Mrs. Betty Misener, chairman, Mrs. George Freer and Mrs. Charles Nash.

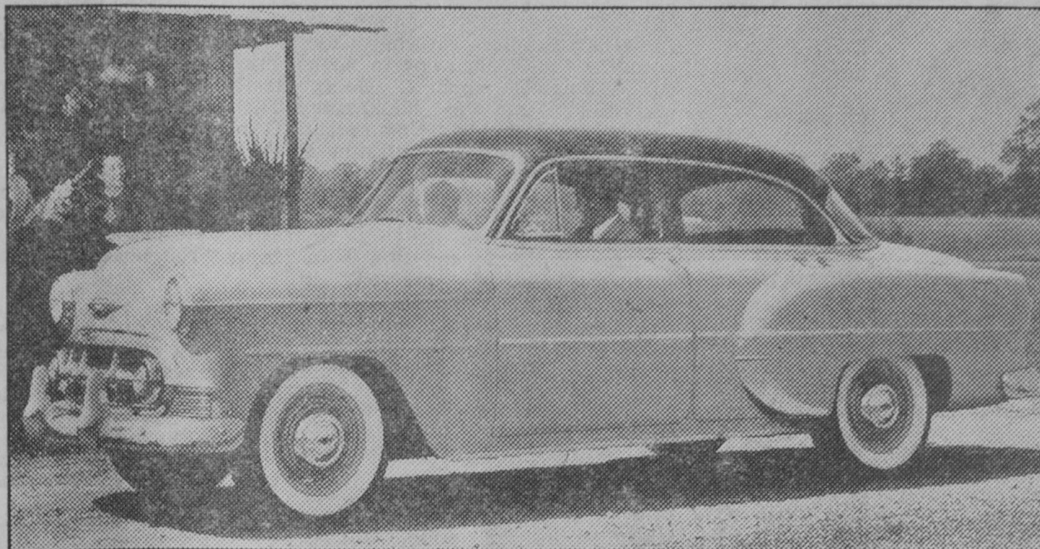

Merits of P-TA Council Pointed Out at Meeting

The value of a P-T-A council as a medium for leadership training and a clearing house for ideas was pointed out by Mrs. Pauline Phillips of Coleman, District director, at a meeting of the P-T-A Executive Boards in Tawas City, Tuesday night.

Representatives from Au Gres, Hale, the Tawas and Whittemore attended the meeting. By-laws were written for an Area-Joseo P-T-A Council. Plans for the organization will be continued by the Plainfield group with Mrs. Charles Dane acting as temporary chairman, and Mrs. Edward Schroeder as temporary secretary.

During the meeting, Program Chairman Mrs. Robert Connett extended an invitation to the members of the Parent-Teachers Associations represented to hear Dr. Donald O'Bierne, who will address the Tawas City group on March 12. Dr. O'Bierne, who is in charge of Continuing Education, sponsored by the Kellogg Research Center at Michigan State College, is a recognized authority on child growth and development.

Increased Performance in New Chevrolets

The low, sweeping lines of the 1953 Chevrolets are exemplified by this four-door sedan in the "Two-Ten" series, which this year offers increased performance, comfort and convenience in addition to a complete re-design. Apparent in

this view are the enlarged front and rear vision, new fender and hood contours and a fresh grille treatment that enhance the rugged beauty of the cars. Four-door sedans are also available in the "One-Fifty" and the new Bel Air series.

Annual Wildlife Stamp Revealed to Public

The sixteenth annual wildlife conservation stamps published by the National Wildlife Federation were revealed to the public January 7 at Federation headquarters in Washington.

The 36 stamps in the 1953 issue include full-color illustrations of 15 species of American birds, five mammals, five fishes, ten trees and wild flowers, the sulphur butterfly and the plumose sea anemone. They were painted by three noted nature artists: Roger Tory Peterson who is the Federation's art director; Francis Lee Jaques and Leslie Ragan.

Peterson, best known for his illustrated "Field Guide to the Birds" and more recently as author of "Wildlife in Color," contributed the birds, the butterfly and the sea anemone. Jaques, for many years staff artist of the American Museum of Natural History, did the mammals, fishes and trees. Ragan, noted for his travel-poster art, painted the flowers.

The issue includes a portrait of the scarce prairie chicken, which has been selected to symbolize National Wildlife Week in 1953. Wildlife Week, sponsored annually by the Federation and state affiliates since 1938, will

be observed March 15-21. Charles H. Callison, the Federation's conservation director has described the prairie chicken as typical of natural resources which through neglect or abuse Americans have almost lost, but which may yet be saved or restored.

chicken, the 1953 stamp subjects range from the patriarchal bison and grizzly bear to the little brown bat, from the strange hammerhead shark to the friendly crappie, and from the Ohio buckeye to the delicate Alaska fleabane.

Laidlawville H. D. Group Met Tuesday at MacDonald Home
The Laidlawville Home Demonstration Group met Tuesday, January 20, at the home of Mrs. Donald MacDonald.

A delicious pot luck dinner was served followed by the business meeting and a discussion of future projects that the group would like to have.

The group voted to donate five dollars to the polio fund. The next lesson will be Textile Painting, which should be very interesting.

RAILROAD ERA ENDS IN STERLING

The Michigan Central Railroad freight depot at Sterling is being torn down, ending railroad business in that community. The station is at least 70 years old. The passenger station was moved away two years ago.

stamps recently won first prize for excellence in color lithography in competition sponsored by the Lithographers National Association, Inc. of New York.

More than 400 species of American wildlife have been portrayed by leading artists in the National Wildlife Federation stamps since the series was started in 1938. The stamps are the means by which the non-profit federation not only finances its own activities, but lends financial aid for conservation projects sponsored by affiliated state organizations. Wildlife stamp receipts also are being used to support college fellowships and to supply conservation teaching aids to schools.

WINTER SPORTS BOOM

As a healthy sign: more people than ever before are finding fun in Michigan Outdoors during the winter months. Throughout the State skating, tobogganing, skiing and ice fishing are winning new followers every week end. Many a Chamber of Commerce has aroused the citizenry to realization of potential new tourist and vacationist business in areas where this type of enterprise was generally put in moth balls during the winter.

West Side Attractions

All the way from Kalamazoo in the south to Petoskey in the north, the west side of the state is calling to winter sports enthusiasts, offering 12 specially prepared areas for every winter sport. The Boyne City sector boasts of two—Avalanche within the city limits itself, and the magnificent Boyne Mountain ski resort just 6 miles east. Visitors to Boyne Mountain marvel at the 1800-foot main slope served by a double chair lift for the skiers.

For variety skiers head for Caberfae, near Cadillac, with 17 ski runs covering a 645-acre development. Ski jumpers find their thrills at Blair Hill near Mesick where a new lower peninsula record was set recently, topping the 150 mark. Elberta Mountain near Frankfort is another ski jumper's mecca.

Closer to the populous southern cities, Ionia with a 2600-foot toboggan slide, and Echo Valley 8 miles east of Kalamazoo with 4 long

toboggan runs attract thousands of "snow bunnies."

East Side Offerings

If you live closer to Michigan's "east side," try the picturesque attractions at Silver Valley near Tawas. In January and February this area is at its prettiest, and big week-end crowds thrill to the mile-a-minute toboggan rides and good skiing in the precipitous terrain. Tawas also boasts of "Perchville," the little city on ice on Tawas Bay, where ice fishermen throng every winter.

Houghton Lake's "Tip-Up-Town," and Lake Charlevoix's "Smeltania" are similar attractions. East side skiers congregate in the area between Gaylord and Grayling where well-organized schools teach the elements of controlled skiing.

Upper Peninsula Calls

And in the land of Hiawatha atop the Straits the new Porcupine Mountain winter sports park near Ontonagon is rapidly becoming a popular playground for Michiganders and trainloads of visitors from Chicago and Milwaukee. In February Ishpeming and Iron Mountain present the year's top wintertime spectacles with ski jumping tournaments in the land where the nation's best ski riders are born. With a bridge across the straits to speed the flow of traffic, these events may one day pull more than 50,000 spectators—many of whom will say Michigan Outdoors is at its best in the winter time!

Mort Neff's "Michigan Outdoors" television show may be seen every Thursday at 7:00 p.m. on stations WWJ-TV, Detroit and WJIM-TV, Lansing.

West Branch—Attorney fees totaling \$10,575.00 went to Arthur Kinnane and T. George Sternberg in the bankruptcy action against the Commercial Bank of Toifree, Livingston & Co. Sternberg, who was the original petitioner for the bankruptcy action received \$750.00

Lansing—Evidence that Winter sports have "arrived" in Michigan's multimillion-dollar vacation business is found in a calendar of special events for February compiled by the State Tourist Council.

With 20 events, the month is topped only by July with 30 and August with 22 on the 1953 schedule.

No less than eight carnivals and festivals will be held throughout the state during February to call attention to the popularity of winter sports on ice covered lakes, at ski centers and skating rinks. The first of these will be held at Houghton and Hancock where the annual Michigan Tech Winter Carnival is scheduled for the first week of the month. Others will be held at Ontonagon, February 6-7; Alpena, February 7-8; Tawas-Oscoda, February 7-8; Houghton Lake, February 14-15; Ironwood, February 18-21; Petoskey, February 18-28; Ishpeming, 18-22.

Harrisville—The Alcona Chamber of Commerce staged a bobcat hunt for the week-end of January 7 and 18. The Ki Ki Cuyler Memorial Trophy is awarded in this event.

Detroit—Michigan's great vacation resorts, and the state's fields and streams, will come in for a share of the glory when the twelfth annual Detroit Sports, Boat and Travel Show is staged in the Michigan State Fairgrounds Coliseum, Agriculture and Dairy Buildings March 7 through 15.

In announcing plans for the 1953 show, sponsored by the Detroit Sportsmen's Congress and The Detroit News, Managing Director Frank Jenkins stated that this year's event gives promise of being one of the country's major sports and vacation shows that is expected to attract thousands of visitors from throughout the midwest.

Oscoda—Test wells drilled in the hopes of supplementing the present water supply at Oscoda have been abandoned. The wells failed to produce the necessary volume to make them a profitable addition. A filtration for utilizing river water has been suggested.

World's newest V8
with a million miles behind it

HERE, in literal fact, is the most advanced V8 engine ever placed in a standard-production American automobile.

It is the first such V8 to reach an 8.5 to 1 compression ratio, and the first with a dynamic flow muffler that cuts power loss to zero.

It is the first V8 to utilize vertical valves together with a 12-volt electrical system instead of the usual 6. It is also the first designed with new "T" type intake manifold to replace the "Y" type conventionally used in V8s.

It is, quite simply, the first V8 Fireball Engine—the engine that brings electrifying performance to the greatest Buicks in fifty great years—the engine that powers the 1953 Buick ROADMASTER with 188 hp., and the 1953 Buick SUPER with up to 170.

Naturally, this spectacular new V8 has been proved—by eight years of developing, testing, improving, perfecting—

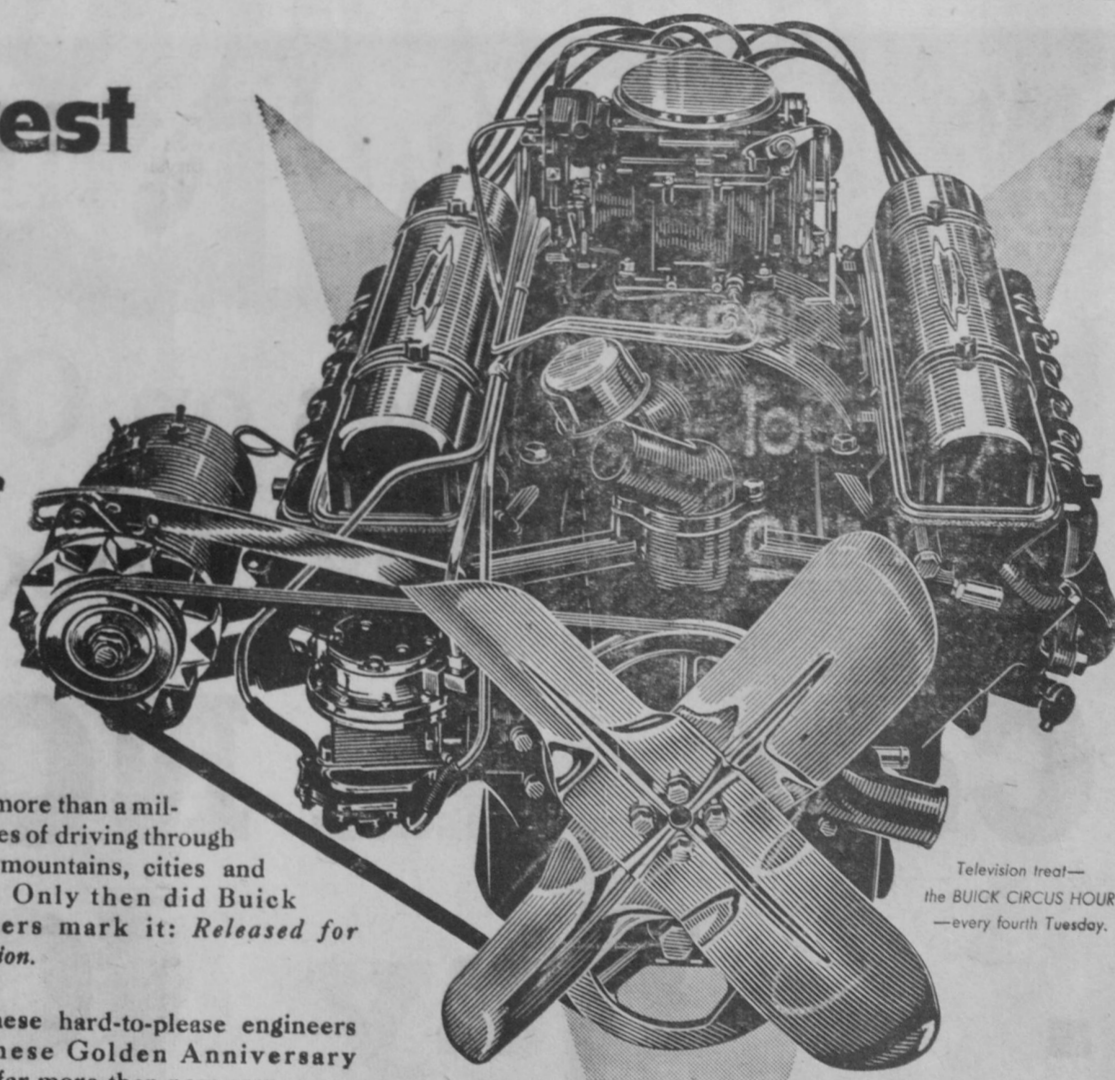

and by more than a million miles of driving through desert, mountains, cities and plains. Only then did Buick engineers mark it: Released for Production.

But these hard-to-please engineers gave these Golden Anniversary Buicks far more than new power.

They gave them, too, a still finer ride, more superb comfort, new braking power and handling ease—and a sensational new Twin-Turbine Dynaflo Drive* that adds new quiet and whip-fast getaway to absolute smoothness.

Nothing, we believe, will do more justice to your automobile dollars—or to your love of magnificent motoring—than a visit to us right now.

Needlecraft News by Nancy Baxter

NEED to add a little sugar and spice to your kitchen? Actually, your cooking quarters demand fewer decorative touches than any other room in the house yet can be just as well-adorned. In the kitchen, the decor should be utilitarian as well as attractive. Shiny-bottomed pots and pans lined up on a wall, colorful potholders brightening the area above the stove, a gaily-printed stove pad and even a bright dish drainer provide the necessary color seasonings to a monotonous room.

DECORATIVE CROCHETED POT HOLDERS

Pretty potholders can give the same effect to your kitchen walls as do a series of pictures hanging in your living room. Crochet and pad them yourself and be sure of their durability. The pot holders which I have selected today, are gaily and usefulness plus. One is a grapefruit which looks almost real with the detail of white membranes crocheted between the yellow sections. You would think it was ready for serving with the vivid red crocheted cherry in the center. The other handy potholder is a cheerful striped bass—Look at him smile! He's crocheted in two shades of blue to simulate the colors of the scales of real fish.

PAD THEM WELL

When you make your potholders, be sure they are constructed to hold the hottest of pots and pans. So many of the potholders in kitchens today are ill-padded, and a hot, hot pan straight from the oven is felt right through the so-called insulation. For practical padding, use scraps of worn blanket or several thicknesses of wool fabric. Felt is especially good because of its close weave. The rings you attach to the potholders for easy hanging should be made of bone or metal; plastic rings are apt to burn or melt when in close contact with the flame or heat of the stove.

POT HOLDER CROCHETING DIRECTIONS

I would like to send you the simple directions for crocheting the two potholders pictured above. You will enjoy making them in your spare moments; you'll love using them in your kitchen. Just send a stamped, self-addressed envelope to the Needlework Department of this paper and request Leaflet No. S-359, POT HOLDER CHARM.

HDA NOTES By Dorothy Scott

Our column has a new name, beginning this week. That is because the official name for the Woman's Extension program is now "Home Demonstration Program" and the title of women extension service agents is "Home Demonstration Agent."

Being a long name, it has been popularly shortened to "HDA," so the column name HDA Notes really stands for "Home Demonstration Agent Notes" and your agent is representing the home demonstration program.

"Weight Reduction Through Diet," a recent film produced at Michigan State College based on research work being conducted there was the featured program number at the Tawas City Home Demonstration Group meeting on January 13.

Eleven members and three visitors were advised among other things, that anyone contemplating a diet should first of all have a complete physical examination, that a good reducing diet will not leave one with a continuous "hungry feeling" and that over-weight persons are placing unnecessary strain on body functions, especially the heart.

Michigan women are not only welcome but definitely expected at the thirty-eighth annual Farmers Week. Here are a few high-light reminders for your calendar of January 27, 28 and 29.

Tuesday morning's program will include a discussion of the fascinating new fabrics which all wardrobes now include, a demonstration on fabric flammability and a discussion of fire safety in the home.

Do these topics sound inviting? Then why not get yourself a copy of the entire weeks program. It may be requested

from your county extension service office. You can look up the date and time when there will be foreign travel talks, consumer buying discussions and the ever popular style revue featuring garments made by Michigan State College students.

Squash, colorful, inexpensive are rich in vitamin and other food nutrients. Bake the butter-nut squash whole, then cut it and scrape out the seeds. This not only saves but keeps the squash moist during the baking. Peas served in the squash nests give color and cheer to any plate.

When parents understand they have no trouble buying records which will please them. Mothers need to remember that the familiar sound of their voice is all the security and warmth in the small world of a child. As the toddler tried to express his fast-growing wants and needs he is completely absorbed in forming the new sound combination that he hears. He is busy imitating the animals and the various toots and squeaks of our mechanized world. So link his interest in sounds to the music you buy for your little child.

There is no scarcity of children's records which have fine educational and cultural value. Select records that are related to the life of your child. Records with dogs, milkmen, mail carriers in the theme, makes the child feel at home.

"Rainy Day" is a good example of a record which encourages active physical participation of your children. As they listen they dance, so they are using their emotions and their muscles as well as their ears.

Simple charm and warmth are more important to a child than elaborate sound effects or large orchestras or famous casts. Listen to the record before you buy it. You cannot be guided entirely by listings suitable for various age children.

Railroads Claim New Safety High in 1952

A new safety record has been claimed for the nation's railroads.
William T. Faricy, president of the Association of American Railroads, said that in the first 11 months of 1952 there was only one fatality for each 2,200,000,000 miles of passenger travel, a rate of .045 per 100 million miles.

4-H Club News

Confusion reigns! The Conservation Club members planned to meet on Thursday, January 29, but we discover we have made a mistake because the Handicraft Club has been meeting every Thursday the last two months! Can Jean Marie Schaaf, Charles Wilson, Neil Abbot, Joan Wendt, Martha Westcott and Neil Gottlieb get their heads together and avoid that conflict?

Albert Buch was in my office and we completed arrangements for our first Ottawas Photography Club meeting. Mr. Buch has been instructed to keep a list of those attending. The meeting will be at the Tawas City Hall in the basement at 2:00 p. m. Saturday, January 24. Bring your cameras!

The East Tawas Photography Club will meet at the Federal Building, East Tawas, at 10:00 a. m. Saturday, January 24, with Neil Luedke. He says bring your cameras and after the meeting he can talk with you about them.

At our recent 4-H Club Council meeting, the leaders asked why each Community Club could not sponsor a money making scheme to help send some of their members to the State Show.

I went to a Home Demonstration Group meeting at the Fred Bublitz home last week to show a film on Foods and Nutrition. Do you know I was the only "heavy" one there? Thanks to Miss Scott for such a nice film. In 60 days I better lose 30 pounds, too.

Our Cherry Pie Queen and her court were presented to 237 people last Saturday at Hale High School. Velda Killely of Whittemore was crowned queen by Superintendent Gordon Helmbold. Her court consisted of Eva Graves, Mary Lou Crane, Donna Schneider, Jo Ann Dafee, Verla Shaffer and Joyce Dorcey. Paul Edie led the procession with the queen's pie being presented to Mr. Helmbold and later auctioned off to Harold Black of Whittemore.

This definitely was a success. With the worst weather we have had this year a good crowd from all corners of the county was present. To see Mr. and Mrs. Fred Temple of East Tawas, Mr. and Mrs. O. J. Westcott and family from Tawas City as well as Community Leader Mrs. Fred Pfahl of Grant township was very encouraging. Mrs. Betty Misener and Mrs. Degretta Funk, Home Economics instructors, were present and were responsible for the queen and her court. Their schools provided all the contestants.

Many thanks must be extended to Elton Pagel, Cap Shellenbarger and Mrs. Zillote for their contributing the music for the games and square dancing.

The ladies that judged the contest were Mrs. Walter Laidlaw of Tawas City, Mrs. Edward Robinson, Mrs. Art Aulerich of

Whittemore and Mrs. Arlon Van-Houster of Hale. They will tell you it wasn't easy. The girls all made a good showing. Each contestant was judged on the way they prepared the pie, the finished pie and their interview with the judges when they told how they made it and what they put in it. Our Home Demonstration Agent picked up some new ideas. Mary Lou Crane baked her Cherry Pie in 15 minutes at 475 degrees F. It can't be done? Mary Lou did it and it was one of the top pies. Furnish the ingredients and maybe she'll make one for you.

I'm told that Jo Ann Dafee has one of the finest pie making techniques yet seen. She made her pie in 22 minutes and two and three-tenths seconds. Eva Graves had the top flavor in her pie according to the judges. It had that desirable cherry taste that isn't as easy to get in a pie as you might think. Joyce Dorcey was the only contestant that used milk in her recipe and it was browned more than the others. Verla Schneider amazed the old hands with her crust which they were sure was being kneaded into shoe leather and turned out to be the tenderest of the lot.

For general appearance, Donna Schneider's pie was tops. She and another contestant profited by the observation that cooked fillings are the order of the day when making a cherry pie. Velda Killely was declared queen because she was high in her method of making the pie

and in the finished product according to the judges. A special note of thanks must be extended to Mrs. Blanche Douglass and her crew that prepared the throne and scenery. To Paul Edie, thanks for your part in the parade. Mrs. Reuben Edie was busy all day with Mrs. Douglass in the rehearsal with the girls and cutting pie in the evening. Mrs. Norman Chipps, Mrs. Harold Black, Mrs. O. J. Westcott and Mrs. Douglass were the efficient kitchen committee that whorled out all the pie-a-la-mode. Aileen Ward assisted the cashier. Elks Make Two More Wins

Play Hale Tonight At High School Gym

The Tawas City High School basketball team kept right on rolling along the past week, adding two more wins to their season's total, now eight wins and one loss.

The Sterling game started off as if it might be a tight battle, with the score Tawas City 8 and Sterling 7 at the quarter.

Gary Humphrey, Elk forward, led the Tawas City attack with 25 points, while Tom Morley and Art Anschuetz each bagged 12.

Friday, January 23, (tonight) Hale will face Coach Mark DeFabiough's Elks at the Tawas City High School Gym.

MICHIGAN'S INAUGURAL DAY FLOAT

"Michigan—Industrial Center of the World" is the theme of the float that represented this State's industrial progress in the Presidential Inaugural Parade in Washington January 20, according to Thomas R. Reid, Director of Civic Affairs of the Ford Motor Company, who is Chairman of the Michigan Float Committee.

Reid stated, "the float was made possible through the generosity of many Michigan manufacturers and banks and it is their contribution to the Inaugural Parade, as well as an expression of 'Good Wishes from this State to President Eisenhower'."

The children of the Watts School viewed the inauguration over TV Tuesday afternoon as guests of Mr. and Mrs. Laurence Bell, Mrs. Nan McGuire is the teacher. Needless to say, they were all thrilled.

The Bronze Star Medal was recently awarded to Army Sergeant First Class Robert E. Mandock, whose wife lives at 510 1/2 W. State Street, East Tawas, for meritorious service in Korea.

Cpl. Harvey E. Smith, for his exemplary proficiency in performing his duty as personnel administrative supervisor in the personnel office of the 65th Engineer Topographic Battalion, has received high commendation from Lt. Colonel John E. Unverferth, commanding officer of the 7714 Engineer Intelligence Group, for the superior work he has accomplished during his tour of duty here.

The 10th grade World History class witnessed the inauguration ceremonies and parade by television through the courtesy of Dr. and Mrs. J. J. Austin.

Mrs. Eleanor Steinhurst visited her mother Mrs. Joseph Lehman, and family in West Branch a couple of days last week. Mrs. Lehman is very ill.

Mr. and Mrs. Frank Walker visited their daughter, Mrs. Walter Behm, in Mount Morris on Monday. They returned their little granddaughter, Nancy, to her home after visiting here the past two weeks.

Mr. and Mrs. C. S. Everett are visiting in Detroit this week.

Mr. and Mrs. Russell McKenzie were in Roscommon last week-end.

Peter Stolt and a friend, Bud Schirmer who are attending college at Michigan State spent the week-end with Peter's parents, Mr. and Mrs. Bert Stoll.

Dick Moss of Michigan State College, East Lansing, spent the week-end with his mother, Mrs. B. J. Moss.

Henry Porter of Ferris Institute was home for the week-end. Lloyd Bowman, American Lepost commander, Mrs. Dorothy Harmon, Auxiliary, president and Mrs. Grace Misener, junior past president, attended the 10th District Convention held at Bay City last Sunday.

Holy Communion will be celebrated at Grace Lutheran Church next Sunday morning at eleven o'clock.

Berkeley Smith, Jr., student at the University of Michigan, spent last week-end with his parents.

Miss Sally Gardner, a student at Michigan State visited her parents, Mr. and Mrs. Lawrence Gardner, over the week-end Dorothy Gerner, a classmate, was Sally's guest for the week-end.

Mr. and Mrs. Berkeley Smith were in Lansing this week.

Mr. and Mrs. Harley Welch and son, Darrell, and Dwight Welch returned Tuesday from a trip to Indiana and Wisconsin. They attended a funeral in the family in Wisconsin. On the way home they had an auto accident in which Mr. and Mrs. Harley Welch were slightly injured.

Observe 68th Anniversary

Event Celebrated with Wednesday Banquet

The 68th Anniversary of the Ladies Literary Club was celebrated Wednesday evening with a Gentlemen's Night banquet held at the Holland Hotel at 6:30. Tables were decorated with white candles and floral arrangements in pastel shades.

Miss Helen Applin, club president, acted as toastmaster and extended a welcome to guests and members.

In honor of President Dwight D. Eisenhower, "The Star Spangled Banner" was sung and a prayer for the new president was given by Rev. Nelson.

Officers of the club, past presidents and honorary members were introduced and the club song "Michigan, My Michigan" was sung by the group. Mrs. Herbert Hertzler was the accompanist. Edward Perry entertained on the accordion and led group singing.

A movie, "The Lost Horizon" was shown through the courtesy of the Detroit and Mackinac Railroad.

The next meeting of the club will be February 4 at 7:30 when Superintendent C. J. Creaser will talk on "United Nations."
