WHEN Paul speaks of Christians as "dead to the law" or "free from the law" he is not thinking of what we call the law of the land. mean that a Christian can afford to turn his back on the Ten Commandments, even though when he says "law" he is usually thinking about those Ten Commandments and all they involve. Let us see

He's Done Something for Himself !

Only a few short minutes ago, the man you see in the picture above was handed the golden keys to his 1953 Cadillac-and now he's off on that first delightful journey behind the wheel.

And as he leans back against the deep, soft cushion, and looks out over that proud hood into the roadway beyond . . . well, he knows that he's done something for himself!

He knows it just from the way he feels there in the driver's seat-rested, relaxed, and at peace with the world . . . completely confident that he has made the wisest possible choice of a motor car.

He senses it in the marvelous way the car handles and drives and rides ... so effortless and smooth and quiet that it's a joy and an inspiration just to hold the wheel in his hands.

And he knows it, too, from the feeling of pride and satisfaction he enjoys as he looks forward to the

delight of his family and the approval of his acquaintances and friends.

And how the miles and the years will bear him out in his conviction!

Let him arrive at a distinguished hotel . . . or an exclusive club . . . and he will find that his Cadillac constitutes the perfect "letter of introduction."

In fact, let him travel wherever he will in this broad land of ours . . . and he will find his Cadillac a trustworthy and unfailing companion, an inspiration to own and drive, a valued contributor to a magnificent way of life.

Yes, you're looking at a man who's done something wonderful for himself-wonderful beyond even his fondest dreams.

And if you think it's time you did something for yourself, then we suggest you come in and see us. Let's make it "Cadillac time" for you!

our game division sees little or no cause for alarm because of this, As a matter of fact they looked for a much larger kill in most areas. Wherever game management is practiced the problem is quite in-volved. It's especially difficult with Ethel Neiderstadt and Tuesdeer because of persistent public

Plenty of Deer In Evidence They point out that the spring pressure. People love to see lots of deer in the north country all sumshowing of deer in the lower penin-sula, even where the last fall kill what they can't see the misery and ran high, is entirely satisfactory. The past winter was apparently easy on the animals, the food supply was adequate for the existing herd, and at the moment all is well. BUT, a couple of hundred thousand of us, including the deer!

Your hard-working helper that costs so little

It's no easy job, running a household, with a hundred and one details to handle every day.

But you have a hard-working helper in your telephone.

It's always there, saving you minutes and steps, running errands for you, helping get things done. Yet it costs so little-in the average home less each day than a loaf of bread.

With all that it saves you in time, trouble and worry, your telephone is one of your biggest bargains. Its price hasn't gone up nearly as much as most things you buy.

Worth a lot more than it costs

RECORD-BREA GAS MILEAGE for the driving YOU do!

EVROLF

This year's Chevrolet brings you the most important gain in economy in Chevrolet history. And it's the kind of everyday economy that saves you money wherever and however you drive!

Inch along through heavy traffic. Roll up the miles in steady highway cruising. Long trips or short errands, byroads or boulevards, you get far more miles per gallon in this great new Chevrolet.

New high-compression power is the reason. Both the new 115-h.p. "Blue-Flame" engine in Powerglide* models-and the advanced 108-h.p. "Thrift-King" engine in gearshift models-deliver more power on less gasoline. Acceleration and hill-climbing ability are greater, fuel consumption is lower!

This is the kind of economy that counts the most-important gasoline savings for the driving you do, together with lower over-all costs of upkeep. And along with it, you enjoy all the other advantages that only the new Chevrolet offers you. Come in and see for yourself!

*Combination of 115-h.p. "Blue-Flame" engine and Powerglide automatic trans-mission available on "Two-Ten" and Bel Air models only.
