One Dead, Three Injured In Crash

Accident Occurs Saturday Afternoon Near Beartrack

Three persons at the Tawas Hospital with serious injuries, and one Detroit man dead was the toll of a highway accident early Saturday afternoon near the Beartrack on US-23, 10 miles south of this city.

Killed was John A. King. The injured were King's wife and Mr. and Mrs. Frank Bootz. They were all taken immediately to the Tawas Hospital, but King was dead on arrival.

John Walton of Flint, going south on the highway, was towing a heavy portable air compressor behind a truck. The compressor broke loose from the truck and swung across the centerline in front of the northbound car driven by Bootz. In the car with Bootz were his wife, and Mr. and Mrs. King. They were on their way from Detroit to Spruce.

The compressor belonged to the Forrester Construction Company of Flint and was being taken from Oscoda to Flint.

Driving with an expired chauffeur's license, Walton was ordered to appear at Standish Monday where he was fined and assessed court costs.

O'Neil-Parent Miss Doris Ann Parent became the bride of G. Patrick O'Neil at a ten o'clock High Mass Saturday morning at St. James Catholic Church, Whittemore.

Rev. Fr. Henry P. DuRussell performed the double ring rites. The bride is the daughter of Mr. and Mrs. Harold Parent of McIvor, and Mr. O'Neil is the son of Mrs. Jennie O'Neil of Bay City.

The bride, given in marriage by her father, wore a white satin gown with imported, chantilly lace accents, wrist point sleeves and long train. Her veil was attached to a beaded pearl crown, and she carried a white prayer book topped with a white orchid and stephanotis.

Mrs. Joseph Rabideau, sister of the bride, was matron of honor. She wore a yellow nylon tulle over taffeta gown with a bolero jacket. The bridesmaids were Miss Betty Kendall, cousin of the bride, and Miss Patsy Norris. They wore blue gowns like the matron of honor. Miss Nettie Jean Parent, sister of the bride, acted as junior bridesmaid. She wore blue nylon tulle. Gloves and flowered hats to match their gowns were worn by the attendants. They carried bouquets of carnations and mums, and wore rhinestone necklace and earring sets, gifts of the bride.

Joseph Rabideau of Mt. Pleasant was best man. Robert O'Neil, brother of the bridegroom, and David Parent, brother of the bride were attendants. Richard Conway and George Jordan were ushers.

Mary Jane Yonke, flower girl, wore a yellow colored gown with matching headpiece and gloves, and carried a basket of flowers. Michael Desilet was ring bearer.

Mrs. Parent chose a pink dress and white accessories for her daughter's wedding. She wore a corsage of carnations. The bridegroom's mother wore a pink dress, white accessories and a carnation corsage.

Breakfast was served at the bride's home for about 150 guests. A reception and dance were held in the evening at the Whittemore Community Building for 400 guests.

The bride cut her five tiered wedding cake with miniature bride and groom and opened a host of lovely gifts.

Guests were present from Cleveland, Cincinnati and Toledo, Ohio, Detroit, Grand Rapids, Kalamazoo, Lansing, Midland, Bay City, Tawas, Whittemore, Mt. Pleasant and McIvor.

The young couple left for a week's wedding trip in New York and Niagara Falls. For traveling Mrs. O'Neil wore a blue suit with white accessories.

Prior to her wedding Doris was entertained at showers given by Mrs. Lawrence Jordan, Mrs. William DeLosh, Mrs. Lyman Willis and Mrs. Merlin Jordan, also by the groom's sister at Bay City.

Installs K. of C. Officers—Edward Nelkie of Tawas City, district deputy, directed the installation of the new officers of Standish Council No. 2724, Knights of Columbus last Thursday evening. He was assisted by Paul Ropert, grand knight of Tawas council.

Richter-Smith

A candlelight ceremony held at Bethlehem Lutheran Church in Saginaw last Saturday evening united in marriage Miss Margaret Smith and Robert T. Richter, both of East Tawas.

The bride is the daughter of Mr. and Mrs. Joseph E. Smith of Bay City, and the groom, a son of Mrs. Charles H. Richter, Sr., of Saginaw.

The ceremony was performed by Rev. Lorenz H. Speckman. The bride, who was given in marriage by her father, wore a lace and nylon tulle over white satin. It was fashioned with long sleeves, and a Juliet cap covered with pearls secured her finger tip-veil. She carried a bridal bouquet of white camellias and wore a two strand pearl necklace, a gift of the bridegroom.

Acting as matron of honor, Mrs. George Mahronic of Flint wore a waltz length gown of pink, styled with a lace bodice and tulle skirt. She carried a colonial basket of spring flowers.

Mrs. Jack A. Young of Saginaw and Mrs. Larry A. Hahn of AuGres were bridesmaids. Their gowns of green and yellow were identical in style to the matron of honor, and they also carried baskets of spring flowers.

Lyle A. Burgess of East Tawas was best man. Ushers were James L. Smith, brother of the bride, and Charles H. Richter, Jr., of Clare, brother of the groom.

Arllis A. Woodward of Saginaw was the soloist, and Edward T. Tuzi of Saginaw, the accompanist.

Mrs. Smith, mother of the bride, wore a navy blue and white sheer gown with white accessories. Her corsage was fashioned of pink and white rose buds. The groom's mother wore a blue and white sheer with white accessories and pink and white rose bud corsage.

After the ceremony a reception for 300 guests was held at the V. F. W. Hall in Saginaw. The couple left on a wedding trip through Northern Michigan. They will make their home in East Tawas.

Quick Work Prevents Bad Fire

Gasoline Fumes Ignite in Pumphouse at Klenow Bulk Plant

What could have been a disaster was prevented by the East Tawas Fire Department Wednesday afternoon when the flames of a burning pumphouse at the Klenow Bulk Plant were extinguished. The plant is located on Pioneer Street near the Iosco County Road Commission offices and garage.

Edward Lixey, fire chief, was severely burned about the hands and face, but continued to direct the firemen until the flames were subdued.

The accident occurred at about three o'clock while a large gasoline transport was being unloaded. Lixey, who is an employee of W. F. Klenow at the plant, threw a pump motor switch to load a gasoline delivery truck. Apparently a spark ignited the gasoline fumes in the pumphouse and the building burst into flames. Six large gasoline storage tanks were threatened. The fire was subdued within about 10 minutes.

The Tawas City Fire Department was called to the scene to give assistance if necessary. Lixey was taken to the Tawas Hospital where his burns were treated.

Masons to Hold First Meetings in New Temple

Tawas Masonic Lodges will hold their first meetings in the new Masonic Temple in July, stated Byron Brooks, master of Tawas City Lodge.

The first two meetings will be held by the Blue Lodges—East Tawas Lodge, Tuesday, July 7, and Tawas City Lodge, Tuesday, July 14.

While construction of the new building is not complete and has not been formally dedicated, meetings will be held there under a special dispensation from Michigan Grand Lodge, Brooks said. The meetings will be held in what will be the dining room when the temple has been completed.

Early use of the temple by the organizations cooperating in its construction is anticipated will bring about a greater interest by the members and help to hurry its completion.

Plans Completed for July 4 Program

Two-day sailing regatta, fireworks, street parade and band concerts are among the attractions offered by the Tawas for the Fourth of July week-end.

The program is sponsored by the Tawas Chamber of Commerce.

The annual two-day regatta of the Tawas Bay Yacht Club will have both sailing and power boat events.

Saturday there will be two races, starting at 11:00 a. m. and 2:30 p. m.

Sunday will have one race, starting at 11:00 a. m.

The street parade will start at 1:00 p. m. at the Federal Building, East Tawas, pass through the business district, and then down US-23 and through the business district of Tawas City. Several floats have already been prepared by business firms and industries.

A grand fireworks display will be given at the Tawas City Park the evening of July 4.

Near St. Joseph School on US-23, the Immaculate Heart of Mary Church is staging a Fourth of July festival with carnival attractions Friday, Saturday and Sunday. There will be games, pony rides, fish ponds and 20 other attractions.

The church festival program opens at 5:00 Friday evening, with a fish fry. Saturday, July 4, a sizzling chicken barbecue will be held at noon. Everyone is invited to come and have some fun.

Wurtsmith Air Base Dedication To Be Held July 4

Two ex-commanders of the Far Eastern Air Force will be speakers at the ceremony July 4 dedicating Wurtsmith Air Force Base at Oscoda.

The dedicatory address will be given by Lieut. General Ennis C. Whitehead, commander of the Fifth Air Force in World War II, and a pioneer in military aviation.

Lieut. General George C. Kenney will unveil a portrait of Major General Wurtsmith given to the base by his relatives. General Kenney was Wurtsmith's immediate superior in the Pacific.

The air base at Oscoda is being dedicated to a Detroitier who is a legend among fighter pilots. He commanded the Fifth Air Force Fighter Command during World War II. The organization brought down 2,500 enemy planes.

The program July 4 at the air base will include a parade and air show.

Dedication ceremony starts at 1:00 p. m. Parade and air show immediately following the dedication ceremony.

The base will be opened to the public at 11:00 a. m.

Hale Defeats Alabaster Last Sunday

Alabaster Will Play White Star This Sunday

The Alabaster Baseball Team was knocked from the unbeaten rank last Sunday when Hale defeated it in a close game, 3 to 1.

Hale scored all three runs in the second: P. Shellenbarger singled, French walked, Shellenbarger went to third on a wild pitch and scored on Humphrey's out at first. Bannister filed to left scoring French, Attwell singled and Mousseau walked.

Martin then relieved Potts, Attwell scored when Bernard and Lakis were hit by pitched balls.

Alabaster scored in the third when E. Erickson was safe at first on an error stoled second. J. Erickson grounded out and C. Erickson scored on a wild pitch.

Potts started for Alabaster and pitched until the second when Martin relieved him. Potts allowed three hits in the one and two-thirds innings he hurled. Martin allowed two hits in the remaining innings, struck out nine and hit three batsmen.

Mousseau, on the hill for Hale, was very tough, striking out 12, allowing only three hits and one run.

This Sunday Alabaster will go against White Star at White Star. Hale will face West Branch on home ground.

Serves 25 Years As Telephone Operator

Mrs. Elmer Carpenter was honored recently for having completed 25 years service as a telephone operator with the Michigan Bell Telephone Company. A party was given by her fellow operators in the lounge of the East Tawas office. She was presented with a gift and a corsage from the group and delicious refreshments were served.

She became an operator June 12, 1928. At that time there were only 4 operators, and a three position board. Agnes Sauve, who retired recently as chief operator at Oscoda, was then chief operator at East Tawas. There are now 12 positions and 38 operators. The present chief operator is Mrs. Carl Eckman.

Mrs. Carpenter was assistant for 10 years, but preferred to remain an operator so she would have choice of hours.

National Workers Get 8c Raise

Announcement was made Wednesday that a new contract had been signed giving an "across the board" eight-cent hourly increase to workers at the National City plant of the National Gypsum Company.

The contract was signed by the company and Local No. 274, representing the workers. The contract will not be reopened for one year.

In addition to the hourly rate increase the contract includes certain fringe benefits.

Take It On Chin From Pinconning

Sterling Will Play At Tawas City Diamond This Sunday

Tawas City took it on the chin last Sunday losing 10 to 1 to Pinconning at the local field. This dropped Tawas City from the unbeaten rank.

The big inning for Pinny was the fourth in which they scored five of their ten runs. Tawas City hurlers couldn't hold them with Pinconning getting 18 hits, including four doubles and a home run. Tawas hitters had only six hits, three in the ninth, when they scored their only run.

Warner started on the hill for Tawas City and hurled until the fourth when he was relieved by Look. Warner allowed four runs, six hits, walked two and struck out three. Look allowed six runs 12 hits, walked one and fanned none.

Zunick pitched a good game for Pinny, allowing six hits, one run, walked one and struck out nine.

Manager Wegner stated this week that due to rained out games the Old Timers' Game on July 4 will be postponed.

This Sunday Tawas City will play Sterling at the local field.

Who Can Be Glad?

Lesson for June 28, 1958

EVERYBODY with a grain of sense wants to be happy. Most sensible people also know the kind of happiness they want, though some of them have not yet found the way to get it. What we really want is a happiness that will not melt in the rains of "misfortune," will not slip from our grasp in the nights of sorrow, will not be blown away by the winds of disappointment. What we want, in short, is happiness that will last. Furthermore, if we are grown persons and not children, we want a happiness that goes much deeper than the surface. We don't want one that is tied to things. We want a happiness that reaches the inside of our lives and is not a mere glamorous finish on the outside.

Handicaps Of Happiness.
That very practical friend of God and man, Saint Paul, is a solid example of how true happiness can prevail over the most disheartening handicaps. Many a man in his situation would say to himself: Happiness is just not possible for me. If things were only different, I could be happy. But consider the handicaps of Paul's happiness. He was a Jew in the Roman Empire, and a Christian among Jews—a member of a minority group either way you take it. He was in a situation where his future was most uncertain. If Paul had waited for "security" he never would have known happiness to his dying day. He was never a well man; at the time of the Philippian letter he was a prisoner. Freedom, health, security, power—he lacked all these. But he did not lack happiness. If Paul could find happiness, so can any one.

The Christian Secret
If happiness is a secret, it is an open one. You do not have to join some mysterious order, there are no dues you do not have to make some tremendous pilgrimage to learn the secret of true happiness. It is a secret known to Christians, and the Christian brotherhood is no closed fraternity, its doors are wide open as the gate of heaven. Paul put the main point into three Greek words which in English mean: "To live is Christ." What he meant his life showed plainly. For one thing, he looked out at the world through the eyes of Christ. Nothing could quite discourage him, take the heart out of him; for he was as sure as Christ is sure that this is God's world and "He is the ruler yet." His hands were Christ's hands, his work was Christ's work. One of Jesus' last words was—"that my joy may be in you." Paul knew what that meant. Furthermore, Paul's whole self was devoted to Christ. He knew that his life, uncertain as it was to himself, was not uncertain to God. He knew himself to be gripped by the power of the Son of God. He knew he was a son of destiny—not his own destiny alone but Christ's. So he could face the future as our Christian poet Whit-tier faced it.

Why Aren't All Christians Happy?
A prize-winning photograph was taken by a news photographer in Louisville, Kentucky, a year or two ago. All he did was to take an unposed picture of a street corner where perhaps 25 persons were waiting for the light to change. Not a happy face in the lot. Is it possible that not one in that group was a Christian? On the contrary, it is most likely that a majority of those unhappy faces belonged to church members. It looks as if we were wrong in saying that happiness is a Christian secret.

No, the truth is that plenty of Christians have not yet discovered it. Many Christians are like people who have inherited great wealth and do not know it, or do not dare to believe it. They say, "in church, they believe in 'God the Father Almighty,' but weekdays they show that they either don't believe He is almighty, or don't believe He is truly their Father. They sing, on Sundays, 'I'm the child of a King,' or 'How firm a foundation,'—but on weekdays they act as if they were orphans in the universe, they are as wobbly as if they had no foundation at all. They sing, maybe, 'Standing on the Promises,' but if you asked them point-blank, 'What promises of God are you standing on?' they would not have the least idea, because they didn't mean what they sang."
(Based on outlines copyrighted by the Division of Christian Education, National Council of the Churches of Christ in the U. S. A. Released by Community Press Service.)

"Too bad they didn't have your overall size, Dear, but at least we aren't going home empty handed."

THE BIBLE'S ANSWER—
The repeated occurrence of great catastrophes, such as earthquakes, floods, wars, panics, is viewed by some as denying God's goodness. But these ravages are employed by God in the interest of His saving goodness. They are a call of repentance to all men (Luke 13:3,5).
Therefore we observe a day of repentance after such catastrophes. Unfortunately the vast majority remains impenitent and compels God to complain, "Why should ye be stricken any more? Ye will revolt more and more; the whole head is sick, and the whole heart is faint." Is. 1:5.—F. Pieper in Christian Dogmatics.

Mercury now brings you POWER STEERING

POWER BRAKES

4-way POWER SEAT

3 times easier handling Whenever more than finger-tip pressure is needed on the wheel, new Mercury power steering goes to work... removes the strain from parking and turning, yet doesn't sacrifice that safe "feel of the road."

50% easier stopping An ounce of toe pressure is multiplied hydraulically into pounds of braking power. Your foot pivots effortlessly from accelerator to the closer, lower suspended brake pedal, giving faster, smoother stops.

MOVES up and down, too New first-in-class 4-way power seat gives you the position from which you can see the best, drive the easiest. Handy for raising you out of the sun's glare and shifting your position for more relaxation.

Power steering, power brakes, 4-way power seat, white side-wall tires and full-disc hubcaps optional at extra cost.

Here are three big reasons for adding Mercury to your "must" list to see and try.
For Mercury's far-advanced power steering removes all the real work from driving and parking. Mercury's power brakes take little more toe pressure than the accelerator. And Mercury's power seat adjusts four ways to give you new driving comfort and safety. Add Mercury's years-ahead styling, famous economy, proven V-8 engine backed by our exclusively V-8 history, and a reputation for the highest trade-in value in its field—and you get more for your money with Mercury.
Drop around and try a Mercury real soon. How about now?

Secure Detroit Architects for New School Project

H. E. Beyster and Associates, a Detroit firm of architects, has been secured by the Tawas Area Board of Education to prepare plans for the proposed new school buildings for the district. The advisory committee, headed by Dwight Wood and Carl Babcock, has been invited to meet with the board of education next Monday night. Two 60 passenger school buses have been purchased for the schools. The successful bidders were Orville Leslie & Sons, a Ford V-8, and William Look & Sons, a GMC. Both chassis will be fitted with Superior school bus bodies. Delivery will be made about September 1.

Only one candidate filed a petition for the annual school election which will be held Monday, July 13. The candidate is Walter Niles, whose term of office expires this year. The voting places designated for the district are: Tawas City Hall, East Tawas City Hall, Tawas Township Hall and Alabaster Township Hall. Carpentry work at the Alabaster School will be completed early in July. It is interesting to note that the new board of education has held 40 meetings since its organization in November.

Needlecraft News by Nancy Baxter

The seashore and lakeshore are beckoning all you sun worshippers and mermaids to bask, bathe and beautify. Swimming, one of the best forms of exercise, and a healthful dose of sunshine are two natural beauty treatments which are fun to take.

BEAUTY AND THE BEACH
This year's bathing suit styles are expressions of grace and femininity. The revival in beach fashions which is taking place is creating a renewed interest in the flattering, skirted bathing suits and starchy bloomer beach fashions in printed cotton and jersey. For the high divers and distance swimmers, the form-fitting, wool knit suit, introduced by Annette Kellerman, is re-appearing. Gone is the Bikini suit rage. This will be a season of dress, not undress at the beaches. I think most women will welcome the revival of the dressmaker suit. It's more comfortable to wear because it's always flattering. How easy a little figure fault can be disguised by a flare or a gather. Women with oversize or lumpy hips find that a dressmaker suit is the most becoming. Small- or large-busted figures are flattered by a draped or gathered bodice. Another wonderful feature of a dressmaker suit is that it is easy and inexpensive to make. Stitch one up and see.

SEW A COTTON SWIMMING SUIT
Swim in a suit that satisfies—one that you have made yourself. This style is guaranteed to fit well. The entire bodice is stitched, by machine, with elastic thread for a figure-moulding effect. From the fitted waistline flares a becoming skirt banded with a contrasting color. The stretchable bodice eliminates the necessity for any back or side openings. You can wriggle right into it. Full instructions for making this cotton bathing suit in size 12-14, may be obtained by sending a stamped, self-addressed envelope to the Needlework Department of this paper and requesting Sewing Leaflet No. E-2165.

There's only one answer...

Chevrolet trucks must be the best buy!

Fleet operators, farmers, independent truckers—truck users everywhere—buy more Chevrolets than any other make. There can be only one reason for that: Chevrolet trucks offer more of what you want.

As the official registration figures keep rolling in, they keep telling the same positive story about truck popularity and truck value: Again in 1953, for the twelfth straight production year, truck buyers show a clear-cut and decisive preference for Chevrolet trucks.

If you're a truck user, this fact is mighty important to you. Why? Well, as you know, trucks are built and bought for just one reason—to do a job. So isn't it logical then that since Chevrolet trucks outsell all others, they must do a better job at lower cost?

That's why it will pay you to stop in and see us before you buy your next truck.

MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!

For a Mass of Color Plant Iris Bulbs

You can't beat iris. They are colorful, dependable and easy to grow. They will give your garden a big life next spring and for many springs to come.

For a striking mass of color, plant several plants of one kind in a group. If you are patient, you will soon have ample bulbs to make a good show from only one rhizome. Each rhizome will make a large clump in three years.

There are now numerous fine varieties to choose from in almost any color you could desire. The best time to set plants is right after the blooming season. However, you can plant anytime through mid-summer. Space rhizomes one foot apart, barely

Canada Calls

Michigan's neighbor, Canada, and more specifically Ontario, is calling all fishermen at this season of the year. Some of us go for the "bush" country above the straits in a big way—and for good reason. Thousands of lakes are all but unexplored. Most of them are accessible only by air, and many more only by long portages with a canoe across the shoulders. But the area is so close to Michigan itself that more and more people venture across the border for a big adventure every year.

Eastern Lakes Popular

Only 66 miles east of Sault Ste. Marie on Canadian Highway 17 you'll find a typical wilderness lake to which you may easily and comfortably drive. On the maps it's called "Wakwekobi," but the natives call it Big Basswood Lake. A very satisfactory lake, it is as beautiful as it is accessible. The shore, and the lake itself, is truly a thing of beauty. Tall birch trees mingled with pines line the shore. Precipitous rock cliffs emerge from the blue waters to tower hundreds of feet into the sky, reminders of vast glacial upheavals that swept the continent ages ago.

In this lake and scores of others around it, deep trolling brings up good sized lake trout known as "grays" in Ontario. The average goes around five pounds, although 15 to 20 pound specimens are not too rare. The limit of five per day

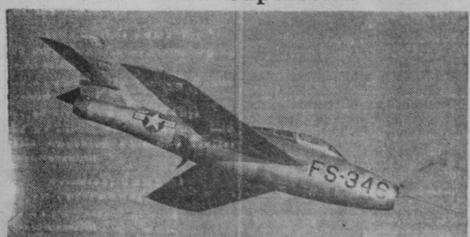

Brook Trout Grow Fat

During the past ten years many of the lakes—particularly the small, close ones, have been planted with brook trout. They've grown fat and big as the years go by—and a single week and recently gave us a chance to see the taking of a 5-pound brook trout—an event that is definitely in the "once-in-a-lifetime" class!

The best of these brook trout lakes are too small for aircraft, and have no roads reaching them. That probably accounts for the good fishing. Only access is by portage, but there are plenty of guides available who know the trails and who know how to pack a canoe into the toughest bush. If you're interested in this country write to the Department of Lands and Forests at Ontario for general information or for specific dope on the area just described address Weldon Moore, Thessalon, Ontario. A visit will convince you that our northern neighbor is worthy of consideration to all who love Michigan Outdoors!

Air Force's New Supersonic Wonder

The F-84F Thunderstreak is the Air Force's first swept-wing fighter-bomber. It succeeds the Korean battle-tested Thunderjet and is capable of flying 710 miles an hour and it far exceeds 1,000 mile-combat radius. This latest weapon of our air offense will be seen, together with numerous other planes of the Navy, Army, Air Force and Marine Corps at the 1953 International Aviation Exposition at the Wayne-Detroit Airport in Detroit on July 9-10-11-12, marking the Golden Jubilee of 50 Years of Aviation Progress.

Pay more? What for?

Fifty Years Forward on the American Road

You don't have to pay costly-car prices for costly-car comforts. Ford brings you everything [and we mean everything] you've ever wanted in a car, at a price that's well within your reach! And according to recent surveys, a Ford returns more of its original cost when sold than any other car at any price!

- Here are a few of the "Worth More" advantages you'll find in the '53 Ford:
- 1. A V-8 engine—powerful and smooth!** Ford's famous high-compression V-8 is a leader in quiet, flexible, economical performance. Ford, remember, has built more V-8's than all other makers combined—over 13 million!
 - 2. America's most economical Six engine!** If it's a Six you want, Ford offers you the high-compression, low-friction Mileage Maker . . . the engine which, with optional Overdrive, won over all other cars, regardless of size or weight, in this year's Mobilgas Economy Run! And it's yours for the same kind of money that buys less modern sixes in other cars.
 - 3. America's finest and most versatile automatic drive!** Fordomatic Drive is the "automatic" which gives you both the get-up-and-go of automatic gears and the smoothness of a fluid torque converter. If you choose Fordomatic, you will find that it makes all your driving easier . . . more relaxing.
 - 4. Automatic gas savings!** Ford's Automatic Power Pilot (on Six and V-8) meters just the right amount of gas, times ignition precisely, burns fuel evenly and completely. You get full high-compression performance from every drop of gas—regular or premium.
 - 5. America's newest and finest power steering!** Ford's Master-Guide power steering gives you new ease, stability and safety in guiding your car on smooth roads or rough. Your car gains in sure-footed roadability and you expend up to 75% less effort in driving—and parking.
 - 6. Largest choice of models in the low-price field!** Ford alone gives you a choice of 18 different models . . . a SIX or V-8 . . . Fordomatic, Conventional or Overdrive . . . the widest variety of body, color and upholstery combinations. You can practically "design" your own Ford!
 - 7. A body that's the style-setter!** Only Ford in its field gives you the advantages of a bull-tight Crestmark Body . . . the trend-maker in design and beauty. Ford's body is the longest and Ford's trunk, the largest. You enjoy more usable space.
 - 8. New driving conveniences!** Ford's first in its field with such "Worth More" features as easier-acting, suspended pedals that eliminate floor holes . . . foam rubber cushions on front and rear seats in all models . . . and convenient Center-Fill Fueling.
 - 9. An automatically controlled ride!** When you Test Drive this Ford, notice how the wide front tread (widest in the low-price field) takes tilt out of turns . . . gives you a more level ride. With new "balanced suspension," new spring and shock absorber action and new rubber compression bumpers, road shock in the front end alone is reduced up to 80%.
 - 10. It's worth more when you sell it!** An impartial survey of used car prices proved that Fords return a greater proportion of their original cost than any other cars in America. It's another fact to add to Ford's reputation as the "Worth More" car. But don't take our word for it. Stop in and Test Drive this Ford for yourself. We predict you'll be sold before you're in second! It was true last year and it's even truer this year: you can pay more, but you can't buy better than Ford.

WORTH MORE WHEN YOU BUY IT . . .

WORTH MORE WHEN YOU SELL IT . . .

Needlecraft News

by Nancy Baxter

Have you ever heard anyone say that "you don't keep up with the times?" The idiosyncrasies which many of us develop when we become firmly attached to an idea often cause us to lose awareness of the world around us. Occasionally, we have to revise our thinking about personal attire and home furnishings, and inject a few new ideas into our lives. Even the smallest recent of modernity, such as a simple doily on a table, will be a refreshing change.

SUMMERTIME KNITTING

Knitting enthusiasts who feel that a wool item conducts too much warmth during the hot summer, are switching to knitting with cotton. A knitted doily is fun to make and the finished product a joy to behold. The construction of a knitted doily gives a delicate appearance combined with the simplicity of modern design. A brand new doily design would be a real pick-me-up for you and your favorite table. If you have never tried knitting a doily, why don't you give it a trial practice by following the first few steps in making this design? With a set of five small knitting needles, follow these instructions: Cast on 8 sts. Divide sts among 4 needles. 1st and 2nd rnds: K around. Then work in pattern as follows: 1st rnd: (O, k 1) 8 times. 2nd and all even rnds (unless otherwise specified): K around. 3rd rnd: (O, k 2) 8 times. 5th rnd: (O, k 3) 8 times. 7th rnd: (O, k 4) 8 times. 9th rnd: (O, k 5) 8 times (12 sts on each of the 4 needles). 11th rnd: (O, k 2, O, k 2 tog, k 2) 8 times. 13th rnd: (O, k 3, O, k 2 tog, k 2) 8 times.

KNITTED DOILY

The simplicity of this starry-bright white cotton doily means modernity for your room. For the correct size knitting needles and cotton to use in making this SATURN doily, and the complete knitting instructions, send a stamped, self-addressed envelope to the Needlework Department of this paper. Please request Leaflet S-110.

With Iosco 4-H Clubs

Dolores Runyan of Hale will represent Iosco 4-H Club members at the semi-final dress reue contest during club week at Michigan State College June 29 to July 3.

Chosen as alternate was Ardith Bellon. These girls were selected from 25 who modeled garments made in 4-H Club clothing projects. Named in the honor group by projects were: Clothing I—Karen Helmbold, Neva Daugharty. Clothing II—Charlotte Webb, Judy Grabow, Ardith Bellon. Clothing III—Dolores Runyan. Clothing IV—Joyce Welina.

Fourteen numbers comprised the "Share The Fun" talent contest this year. Two acts were selected to compete at the August district contest, "At The Ballgame" by Charlotte Webb, Carol Green and 4-Hers making up the ballgame audience; tap dance number by Barbara Wisniewski.

Two other acts were tied as third contestants at the district event. These will perform again at the County Fair. One is a saxophone solo by Charles Dillenbeck; the other, a vocal solo by Lois Vane. William Look & Sons of East Tawas will again present inscribed plaques to "Share The Fun" contest winners.

Towerline Farm Bureau Approves Farm Store

Towerline Farm Bureau met at Love Hall, Thursday, June 18. Twenty-two members answered roll call, and Harold Clark and Mr. and Mrs. Lloyd Newvine were guests.

Plans were made for Towerline, Sherman and Reno Number One groups to serve meals at the Iosco County Fair on Friday, July 31.

Committees were appointed for the picnic August 9 at the Rollaways. Mr. Clark discussed his plans for a Farm Bureau Supply Store at East Tawas. The group approved the idea.

After the business meeting adjourned, Mr. Newvine showed three movies of interest to all, "Unseen Values," and "Seeds of Destiny," a war film. Refreshments were served.

For Hot Weather Menus

When the temperature is rising and you have supper to get, put together a cool gelatin mold, slip it into the refrigerator and forget about it. Just before supper, turn it onto a large platter, dress it with an unusual garnish and serve.

Cheese Ring Salad
1/2 cup Roquefort cheese
3 packages cream cheese
1/4 cup milk
1 teaspoon Worcestershire sauce

1/4 teaspoon paprika
1/2 teaspoon onion juice
1 tablespoon gelatin
1/4 cup cold water
1 cup whipped cream
Lettuce
Chopped chicken, fruit or cooked cold vegetables
French dressing or mayonnaise

Mix Roquefort cheese, cream cheese, milk and seasonings, working together until smooth. Add gelatin which has been soaked in the cold water and dissolved over hot water. Fold in whipped cream. Turn into a greased ring mold and place in refrigerator until firm. Unmold on platter and garnish with lettuce. Fill the center with chopped chicken, mixed fruits or vegetables mixed with French dressing.

STRICTLY BUSINESS

by McFeatters

Golden Salad

1 tablespoon gelatin
1/4 cup water
1/4 cup sugar
1/4 teaspoon salt
1 cup hot pineapple juice
1/4 cup orange juice
1/4 cup vinegar
3/4 cup grated raw carrots
3/4 cup orange sections, cut into small pieces
1 1/2 cups drained canned pineapple cut into small pieces
Salad greens

Soften gelatin in cold water. Add sugar, salt and hot pineapple juice. Stir until dissolved. Add orange juice and vinegar. Chill until consistency of unbeaten egg whites. Stir in the carrots, oranges and pineapple. Pour into greased salad mold. Chill until firm. Unmold on salad greens and serve with mayonnaise or salad dressing.

Apple Sauce Cheese Salad
3/4 cup boiling water
1 1/2 cups thick canned apple sauce
1 package lime flavored gelatin
Salad greens
2 cups cottage cheese
1/2 cup diced celery
1/4 cup mayonnaise
Seasonings

Junior Police See Movie

The Tawas City Junior Police meeting was held June 18 at the city hall. The 13 members present saw a picture entitled, "Realm of the Wild." The film was shown by Neil Luedtke through the courtesy of the Gould Drug Company.

Producers Forecast Price Rise

A rise in steel prices of between four and five dollars a ton has been forecast by producers as a result of the new contract agreement granting steel workers a wage increase of eight and a half cents an hour.

"Monthly Pains" stopped

or amazingly relieved

in 3 out of 4 cases in doctors' tests!
• Chances are you're putting up—unnecessarily—with the functionally caused pains, cramps and weak "no good" feelings of menstruation!
For, in actual tests by doctors, Lydia Pinkham's Compound brought complete or striking relief from such distress in 3 out of 4 of the cases!
Lydia Pinkham's is modern in its action!
So get Lydia E. Pinkham's Vegetable Compound—or *new*, improved Tablets with added iron. See it—taken through the month—it doesn't give relief from those backaches, listlessness—help you feel better before and during your period!
Or—if you suffer from functional "hot flashes" or "change of life," find out how wonderful Pinkham's is for that, too!
It has a quieting effect on uterine contractions that often cause "period" pain!

Will there be a Cherry Queen in '53?

EVERYONE LIKES to see a pretty girl and we hope there'll always be a Cherry Queen in Michigan. We see no reason why there shouldn't, for thanks to trucks Michigan's cherry industry has grown into a tremendous business—and still continues to grow.

The cherry industry depends on trucks because trucks get the fruit to canneries and to market faster and in better condition. All of Michigan's cherry crop moves from orchard to cannery by truck—and from 50 to 75% of all the other fruit raised in Michigan likewise depends on motor transport to get to market.

We're sure there'll be a Cherry Queen in '53—and every year thereafter—for, with trucks on the job the cherry industry is bound to continue to grow and prosper.

If you've got it, a truck brought it!

Wright "Pusher" Will Fly Again At Detroit Show

Yep, it still flies—and not only that, but this "Pusher" bi-plane, the type flown by the Wright Brothers, will be seen in flight at the International Aviation Exposition show each day, July 9, 10, 11 and 12, as part of the Eastern Air Lines "Span of Flight" exhibition depicting the advance of aviation over the last half-century. The original Wright flight at Kitty Hawk, N. C. on December 17, 1903 was of 12 seconds duration and for a distance of 120 feet. It will again fly that distance at the Detroit show at the Detroit-Wayne Airport. Note the old type autos and horses and carriage in the background. A World War I "Spad", the same type that Capt. Eddie Rickenbacker flew on his 26 victories over German aircraft and the first Pitcairn Mailwing will also be flown again each day during the Detroit Show.

day from Ithaca to make their home. They will live in the James Boomer house on First Street, which they recently purchased. Mr. Mick is the superintendent of Tawas Area Schools.

The W.S.C.S. of the Tawas City Methodist Church will enjoy a one o'clock picnic for their next regular meeting Thursday, July 2, at the home of Mrs. William Schauf.

Sgt. and Mrs. Francis Parmenter and two children, Francis and Jean, of Edwards Air Base, California, and Mrs. William Parmenter and two children, William and David, of Detroit were guests last week of Mr. and Mrs. George Liske. Mrs. Liske accompanied them to Detroit and Portland, Indiana, where they attended a family reunion on Sunday. Mrs. Liske returned home Tuesday.

Mr. and Mrs. Robert Hosbach of Plymouth are the parents of a baby boy, Mark Robert, born June 15.

Mr. and Mrs. Harold Grise of Detroit have come to spend the summer at their home.

Mrs. Collie Johnson returned home Saturday from Detroit where she spent the winter with her daughter, Mrs. Margaret Smith. Mrs. Smith accompanied her mother home.

Mr. and Mrs. Norvell Illner of Detroit visited her mother, Mrs. Louise Marzinski, over the week-end.

Mr. and Mrs. Nelson Bean are the parents of a son, born on June 22 at the Tawas Hospital.

Mrs. C. E. Lickfeldt returned home from Tawas Hospital on Friday. She had been there during the week for surgery.

Capt. and Mrs. Charles Bonney and two children of Cleveland, Ohio, spent Father's Day with his parents, Mr. and Mrs. Bert Bonney.

Mrs. Elmer Durant was knocked down by a car late Tuesday afternoon. She was given first aid at a physician's office. She sustained bruises but no broken bones.

There was a fine attendance at the W.S.C.S. picnic at the State Park Tuesday evening. Members of the society, their families and friends were present.

RULES

No 4-H Club exhibit will be judged unless project report is turned in with entry at the Fair. These reports are to be filed with Cooperative Extension Service office in basement of Community Building.

The exhibits will be judged and money paid according to placings listed. Because there may be only one entry in a class, it shall not mean automatic 1st. Placing left to discretion of the judges.

Special emphasis will be given to the training and fitting of livestock. Other exhibits will emphasize uniformity and proper arrangement.

Each 4-H Club member should carefully check with his 4-H Club Leader regarding the standard exhibits for his particular project. Judging will be based upon these standards.

Articles exhibited must have been made during the 1952-53 4-H Club program.

Only one entry per class by any one exhibitor.

Classification of dairy entries shall be as follows:

- Junior Calf—Calved since January 1, 1953
- Senior Yearling—Calved between July 1, 1951 and Dec. 31, 1952

Mr. Jordan read the following report of the Officers' Salary Committee.

Mr. Long addressed the Board and informed them that the new county agent, Mr. Davenport, will take a refresher course during September, October and November of this year and a part time course during January, February and March. If the people of the County aren't always able to contact him during this period of time, Mr. Long wished those concerned to know the facts.

Mr. Long read the following resolution presented to the Board by Mrs. Reuben Edie, secretary of the Iosco County Cooperative Extension Advisory Board.

RESOLUTION
Whereas, we the Iosco County Cooperative Extension Advisory Board cooperating with the Michigan Extension Service have been requested to make recommendations regarding the employment of Extension workers in the County; and

Whereas, after conferring with the various organizations of the County making use of the Extension service we feel that the County should have two full time Extension workers. Therefore we recommend that the Michigan State Extension Service arrange to provide two Extension workers for Iosco County, one to be a woman to work in conjunction with the regular Agricultural Agent.

Be it further resolved, that a copy of this resolution be sent to Mr. Varner of the Michigan Cooperative Extension Service, also to the Chairman of the Board of Supervisors in care of the County Clerk.

We hereby certify that the foregoing resolution was approved by the Iosco County Cooperative Extension Service Advisory Board at a meeting held in the Reno Township Hall held on the 5th day of June, 1953 A. D.

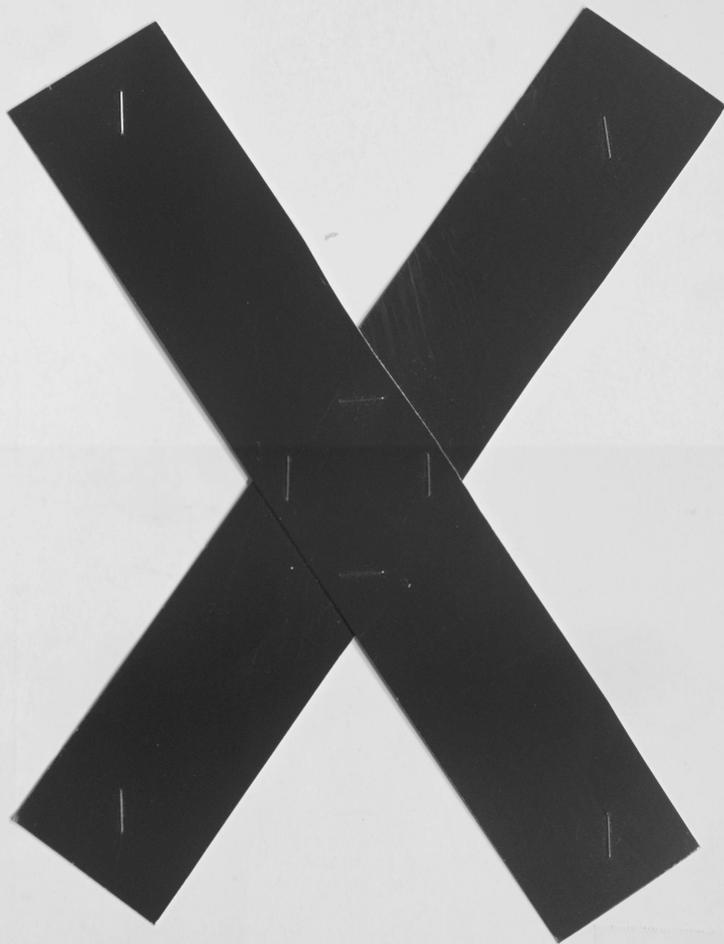

Mrs. Reuben Edie, secretary. It was moved by Long supported by Anderson that the resolution be placed on file in the
