Standish Wins Class C and Hale Class D District Titles

Whittemore Wins D Title at West Branch

Tawas City Loses in 44-37 Game to Standish At AuGres Tourney

Standish nailed down the Class C district crown at AuGres last Saturday with a 44-37 win over Tawas City. In the Class D finals, Hale out-pointed AuGres, 50-43.

In the opening minutes of the game with Standish, Tawas City ran up a 10-2 lead. Standish bounded back with four field goals to tie the score at 10-10 at the quarter. At the half Standish held a two point margin, 22-20.

The Elks missed a chance to tie up the game in the closing minutes of the game, when two foul shots were nullified by Tawas players stepping into the foul lane before the ball dropped through the hoop.

Standish cinched a berth in the Mt. Pleasant Regionals in the final minutes of play with three fast baskets to pull away from Tawas by seven points.

Thursday night in the Regionals at Mt. Pleasant, Hale and Standish were defeated in the opening round, Houghton Lake winning from Standish, 44 to 37, and Hale losing to Beale City, 59 to 47.

Whittemore High School took Class D District Honors at West Branch, winning from St. Joseph, 78 to 37, and Rose City, 55 to 40.

Whittemore was eliminated Thursday night by Fowler, last year's Class D champs, 43 to 40.

The Elks' showing in the finals was a disappointment to both players and fans of the area. The team had been ear-marked as one of the best all-around teams ever to represent Tawas, and had a fine season record behind them.

The team seemed to be "down" for this game and just didn't play the same brand of ball they had shown all season.

Though the Elks were eliminated in the tournament, they had a very successful season, winning 16 games and displaying sportsmanship of which they can be proud.

In their opening game, Tawas City downed Oscoda, 62-41. After a first quarter 11-11 deadlock, Tawas City poured on the coal and went ahead 19 points in each of the final three quarters.

Forward Gary Humphrey and Guard Bill Brown with 19 and 16 points, respectively, headed the Elks' scoring. The team was sparked by Brown's set shots and fine floor play.

Hale nosed out AuGres, 50-43, in a "ding-dong" battle in the forward Class D finals. Some fine shooting by John Webb with 13 points and Dick Webb, center, 12 points, combined with the pass-work and floor-man-ship of Grant Mosseau turned the tide for Hale.

In their Friday night encounter, Hale downed Arenac Eastern, 40-37.

Hearing on Auditor General's Petition At This Session

DOROTHY KATTERMAN

LEAH LAKE

Dorothy Katterman is the Valedictorian of the Class of 1953 of the Tawas City High School. She secured an average of 3.70 points out of a possible 4.00 points as a scholastic average. She is the daughter of Mr. and Mrs. Lloyd Katterman.

Dorothy was vice-president of her class during her tenth year in school, has been librarian for the past two years and was a member of the high school basketball team for two years. She expects to enter the Central Michigan College of Education at Mt. Pleasant this fall to become an elementary teacher.

Leah Lake is the Salutatorian of the class, having secured an average of 3.12 points. She is the daughter of Mr. and Mrs. Victor Lake. Leah has been treasurer of her class during her tenth, eleventh and twelfth years of her high school, is the treasurer of the French Club this year and is also a librarian. She expects to enroll at the Michigan State College this fall to enter the profession of nursing.

The other members in the up-

per one-third of the class in order of scholarship are Marilyn Westrich, Donna Groff, Pat Montgomery, Yvonne Draeger, Rosemary Ball, Ellen Wellner, Shirley Hill, Bill Brown and Brenda Laidlaw.

Thirty-three causes appear on the calendar for the March term of circuit court which convenes Tuesday, March 24.

The causes to be heard by Judge Herman Dehnke will include: one criminal, 11 civil, four chancery, and 16 cases up for dismissal. The dismissal causes are because no progress has been made on them for more than one year.

Appearing in the group of chancery causes for hearing is the petition of John B. Martin, Jr., auditor general of the State of Michigan, for the sale of certain lands for unpaid taxes.

The causes are as follows:

\$113,000 State Aid Received by Iosco Schools

More than \$113,000.00 was the March apportionment of state aid to Iosco county schools according to a report from Russell Rollin county superintendent of schools.

The money was allocated as follows:
Burleigh \$17,653.00
Oscoda 37,322.00
Plainfield 11,390.00
Reno, No. 1 824.00
Sherman 4,912.00
Tawas Area 41,001.00

The committee was assisted in its work by Mills Wilber and Louis Kocsis of the facility survey division of the Department of Public Instruction.

The recommendations made by the committee were divided into two phases. The first was the consolidation of the rural schools. This provision was adopted by the board Wednesday evening to the board of education by the district survey committee.

The program and recommendations followed a study of the problems to be met and a survey of existing facilities made during the past week by the committee. Members of the committee are C. J. Creaser, superintendent of the East Tawas schools; A. E. Giddings, superintendent of the Tawas City schools; Russell Rollin, county superintendent of schools; and Reynold Mick, superintendent of the Tawas Area schools for the coming year.

With Our SERVICEMEN

Five airmen from the South received instruction in the fundamentals of skiing at Snow Ridge, Turin, New York, from A2C Marvin R. Gingerich of Tawas City. These men, taking advantage of some free time on "Tactical Air Command's mid-winter training exercise 'Cold Spot,' are assigned to the 366th Fighter-Bomber Wing who are now at Griffiss AFB, Rome, New York, and home-based at Alexander AFB, Louisiana.

Duane C. Bater, whose wife, Mary, lives at 521 N. Division Street, Ann Arbor, recently was promoted to corporal in the Army while serving with the 2nd Infantry Division in Korea.

The 2nd Division captured "Heartbreak Ridge" in October, 1951, and took "Old Baldy" last July.

A squad leader, Corporal Bater entered the Army in January, a year ago, and joined the 2nd last August.

A graduate of Brighton High School, he holds the Bronze Star Medal and the Purple Heart for wounds received in action.

His parents, Mr. and Mrs. C. W. Bater, live at 10265 Grove, Whittemore.

Many Hunters Report In Deer Survey

About half the postcards sent to hunters in the conservation department's final and most extensive survey of deer hunting information have already been returned.

Most of the 11,000 postcards were mailed in mid-February. By February 27, a total of 5,600 had been returned.

Recommendations Made by Survey Group for 1953-4 School Program

A school operational program for 1953-1954 for the Tawas Area District was presented Wednesday evening to the board of education by the district survey committee.

The program and recommendations followed a study of the problems to be met and a survey of existing facilities made during the past week by the committee. Members of the committee are C. J. Creaser, superintendent of the East Tawas schools; A. E. Giddings, superintendent of the Tawas City schools; Russell Rollin, county superintendent of schools; and Reynold Mick, superintendent of the Tawas Area schools for the coming year.

Volunteer Red Cross Workers Making Canvass

Red Cross workers will be calling at your door within the next few days, if they haven't been there already, to ask for your contribution to the 1953 Red Cross Fund Appeal. Please give generously for when you give through the Red Cross "You are there!"

To help servicemen, and their families, when they are faced with anxieties.

To provide life-giving blood for a wounded soldier, a mother in childbirth, an injured workman.

To aid disaster victims and help them back to normal living.

To train countless thousands in skills to protect you, their families and their neighbors in times of emergency.

To bring new hope and comfort to bed-ridden war veterans.

Tuesday noon at the meeting of the Kiwanis Club two short films were shown. One a "News-reel for the March of Dimes, and the other, "Marbles and Lollipops," a film showing how gamma globulin is being used in the fight against polio. The American Red Cross has undertaken the program of processing and packaging of gamma globulin.

When packaged these supplies are turned over to the Office of Defense Mobilization. The final distribution of the polio shots in emergency areas will be the responsibility of the state health officers.

1st Lt. James E. Aven, combat veteran of 100 missions in Korea, who is now stationed at Wurtsmith Air Base, Oscoda, spoke briefly on his experiences with the Red Cross.

Meeting Postponed
The March 13 regular meeting of the Twentieth Century Club has been postponed to Wednesday, March 25.

Iosco Grass Institute at Hale Today

Seven Counties to be Represented in Round Table Discussions

Iosco County farmers who attend the Winter Grass Institute Friday, March 13, at the Hale Community Building will hear at a round-table discussion the forage crop experiences of farmers from seven different counties. These farmers have had varying experiences with pasture management, grass silage, mow curing of hay and other methods of harvesting forage crops. The discussion topic will be "How I Obtain Greatest Returns From My Forage Crops."

WILTON FINLEY

These farmers will discuss cultural practices, pasture management and harvesting methods.

Those serving on the panel are the following:
Arthur Povish, Tawas City. Mr. Povish milks 23 registered Holsteins and operates 200 acres of farm land. This outstanding herd has averaged close to 500 pounds of butterfat per cow for the last several years. His major crop is grass which receives his primary attention. He was first in the county to mow cure hay and first to make grass silage.

Charles Quick, West Branch. Mr. Quick is a director of the Ogemaw Soil Conservation District and has been a leader in that county. His demonstration farm has been visited by many groups in the community and emphasizes the important role grass plays in improving the productivity of this rolling farm.

Louis Braxen, Standish, host of the 1953 Grass Day, has a 120 acre dairy farm in Arenac county, has been making hay with a forage chopper for several years and has had experience with grass silage and mow curing of hay.

Ralph Peterson, Beaverton, Gladwin county, has a large herd of registered Herefords. He maintains 50 brood cows, two bulls and young stock. He has made mow cured hay and grass silage for several years. He is now interested in stack silage.

The panel members from Alcona and Oscoda counties have not yet been named but farmers who have experience with hor-

FAMED ALPENA MALE CHORUS TO APPEAR HERE

The Besser Male Chorus of Alpena will be heard at the Tawas City Auditorium, Thursday, March 26. The appearance of the chorus here is sponsored by the Tawas City and East Tawas Chapters of the Order of Eastern Star. This event will be a treat for music lovers of the area.

The Besser Male Chorus began its organization six years ago, with a group of 16 singers all employees of the Besser Manufacturing Company of Alpena. Its first public appearance was made on May 14, 1947.

From this, the chorus grew in number, including selected voices from the whole Alpena community, and also in popular-

ity. During the six years of its organization the chorus has made 75 public appearances in 15 cities and communities of Michigan, including programs over radio and television. The chorus has nearly 50 voices.

They give a varied program of favorite selections from "The Student Prince," "The Desert Song," the musical comedy, "South Pacific" and the cantata, "Sleepers Awake," as well as folk songs, negro spirituals popular and old time melodies.

This performance will be given for the benefit of the Masonic Temple Association. Tickets may be secured from Masons or Eastern Star members.

Accountable to God

Lesson for March 15, 1953

WE all know that "responsible" is a good word, even if we might have a hard time saying exactly what it means. A person feels responsible when he knows that it's up to him to make good, and knows that some one will have the right to ask him: What about it? Somebody knows about this job I am doing, somebody cares, so I will have to give him an account of what I have done. I shall have to satisfy him that I have done my best. If I fail, he will lay me out for it. If I succeed, he will praise me and see that I get my reward.

The Irresponsible

People shift into grades, just as peas or potatoes do, only not on the basis of size. People can be graded according to their sense of responsibility. At the bottom of the human heap are the irresponsible. This doesn't include babies and idiots, who can't help it. The irresponsible who really cause trouble in the world are the people who ought to be responsible, but aren't. They can't be depended on to do any job well, or at all. They never hold any job long. They have no pride in their work, no self-respect. They never carry their end of the log, they neither work nor worry, and they are no good.

Some distance above the irresponsible type are those who will give an accounting only to themselves. They don't like supervision, they don't like to ask if what they are doing satisfies anybody but themselves. They don't want their work or their lives inspected. If they suit themselves that is all they ask. Such persons make good artists, but they are too often undependable and antisocial, because they just don't care what other people think. It is a childish attitude, after all we all go through this stage; but if we don't pass beyond it we really cannot call ourselves grown up.

"Is He Well Liked?"

On a higher level are those whose "boss" is popular opinion. Willy, in "The Death of a Salesman," keeps asking the same two questions about everybody: "Is he liked?" and "Is he well liked?" Willy would feel the world caving in on him if he could not say "yes" to both questions about himself. One thing that makes "Death of a Salesman" one of the most moving tragedies of our time, is that Willy finds out too late that a man can be well liked and still a failure. Popular opinion makes a poor boss.

Above Willy's level are those who feel accountable, not to everybody and anybody, but to the "best people." If they can satisfy a small but select group they are quite contented.

If such a person is an artist, he will crave a good word from perhaps just one discriminating critic. If he is a legislator, he will receive special gifts from special people and he will vote to please those people. These persons may have high standards (it depends on the kind of people they try to please) but they do not often serve the public well, just because they really don't care for the public nor for what people may think.

To God Alone

There is, after all, one final Judge. There is One whom all men are responsible, to whom we must give an account of ourselves. At the very top grade of humanity are those who heart's deep prayer is to be pleasing to God. This is the highest form that responsibility can take. Now this need not be in conflict with accountability to man. Only a stupid hired man would say to the farmer: "I don't care whether you like the way I handle the tractor. I'm working to please God, not you." A person who will not do his best on his job is not likely to please the Lord. Nevertheless, in the long run, it is God's voice we shall all have to hear, and his verdict is what will count. And as Jesus so vividly prophesied, the thing God wants most to inquire about is how we treated our fellow-men.

Humanity is everybody's business. No matter how well we may please our various bosses in this world, or how well we do our particular jobs, we shall not be successful, after all if we have failed in God's eyes.

MICHIGAN OUTDOORS

LICENSE SALES HIT ALL-TIME HIGH

The Sports Fishing Institute has just released a full report on fishing license sales nationally—and the grand total sets a new record on the books. In 1952, according to these figures, 17,127,896 anglers' licenses went over the counter to the tune of \$33,609,539. Sales are going up at the rate of a million a year, and fishing everywhere in the good old U.S.A. is big business.

As most of you know, Michigan leads them all with 1,124,338 licensed fishermen. California is breathing down our neck however, with 1,059,367 on the books. And Wisconsin is crowding near the top with 1,038,712. Without going into elaborate numbers, Minnesota, Ohio, New York and Tennessee follow in that order.

California Tops Revenue

However, despite Michigan's dominance in numbers, we're more than a million dollars shy in the cash register department, as compared to California. One might suspect that this could be the result of a large number of non-resident, higher-priced license sales in the west coast state, but such is far from true. Actually California sold licenses to a mere 11,628 visitors

License Cost Small Item

To the average angler the cost of the license is an almost insignificant part of his annual fishing budget. Estimate what YOU spend on fishing each year, multiply it by the 17,000,000 fellow fishermen in this country, and you'll get some idea of the comparative importance of sports fishing and what it means to the economic health of these states lucky enough to offer this attraction. And above them all rides Michigan, where more fishermen spend more time and money than in any other state in the entire nation!

Mort Neff's "Michigan Outdoors" television show can be seen every Thursday over WJW-TV, Channel 4, in a thrilling full half-hour show—7:00 p.m. till 7:30 p.m. DON'T MISS IT!

HDA NOTES

By DOROTHY SCOTT

Let us talk a bit about fish this week, since you are using more of them than you generally do during the Lenten season.

One piece of good news about fish is that there is plenty of it available. If you are choosing frozen fish be sure that it is frozen—solid, and the package tightly sealed. How much? One pound of fillet makes four servings, while a pound of dressed whole fish will serve two. Never re-freeze fish that has been frozen.

To store fish in your refrigerator, wrap it in moisture-proof paper or place it in a tightly covered dish and store immediately in the coldest part of the refrigerator.

Fish have very tender flesh and require little cooking, just enough to allow the flesh to flake easily. When overcooked fish will be dry and have poor flavor.

What to serve with fish? Try horseradish, tobacco or tomato sauce. Did you ever combine hard-cooked egg, mushrooms, pimiento or onion with white sauce to accompany your fish? More conventional are the lemon butter or tartar sauce ideas. You can make your own tartar sauce with mayonnaise to which is added parsley, sweet pickle and onion.

African violets are a great favorite with homemakers, but they demand that you play fair. These are a few suggestions about how to do it.

Grow them in moderate shade, a sunny window can be used if you protect the plant from direct sunlight during the brighter hours of the day. Early morning sunlight is beneficial, not harmful.

Put your African violet in a light, well-drained organic soil. Temperatures found most helpful hover around 70 degrees, and if night temperatures go below 65 degrees, cover the plants with newspaper or move them away from the window. Never permit cold drafts.

If you keep the flower pots in shallow containers of moist sand or gravel you can easily increase the moisture. They may be watered from above if the water is of room temperature. Never keep soil soggy or wet, just moistened.

Single crown plants are usually best. Do not hesitate to remove these side shoots. African violet plants are clever about telling you what is happening to

them. If the leaf stems are unusually long and slender the plant has been over-watered or had too much shade. If the leaf stems are very short the plant is getting too much light. These tips come from Michigan State College horticulturists.

The Farmer Takes A Truck!

MICHIGAN'S farm industry, which ranks near the top in the 48 states, is highly mechanized. The gasoline engine, on and off the road, has made it the producer of 10% of the State's income.

Next in importance to the farmer of the land itself is highway transportation, borne out by the fact that nearly 80,000 of Michigan's trucks are on its farms.

Yes, the farmer would be lost without the motor truck, for 1/3 of Michigan's potato crop, 1/2 of its apple crop, more than 1/2 of its tomato crop, all of its sugar beet crop and cherry crop move to market by truck.

Into Detroit come trucks from all over Michigan's farm lands bringing 99% of the city's eggs, 91% of its dressed poultry, all of its live poultry, 85% of its cheese, 77% of its butter.

And, at Detroit's stock yards, 84% of all receipts come in by truck.

If you've got it, a truck brought it!

NEW TRUCKS ON DISPLAY TODAY

Ford Division of the Ford Motor Company will introduce the broadest line of trucks in the company's 50 year history when its 1953, all-new trucks go on display in Ford dealerships throughout the United States and locally at the Orville Leslie and Sons Garage, Friday (today), March 13.

Covering the widest range of ratings and designed for the greatest economy and driver comfort ever known in a commercial vehicle, the 1953 Ford trucks will be offered in four distinct lines, in 20 new series and in more than 190 models.

All of the new trucks will feature new, one-piece curved windshields, largest in their field, with swept-back pillar posts and 55 percent greater visibility. And the new F-100 Series of light duty trucks will be equipped for the first time with

faster and with corresponding savings in operating costs.

"We have placed all the experience and know-how gained by Ford as the builder of more than 17,000,000 commercial vehicles for the American road into these trucks. Before introducing them to the public we have tested them over more than 300,000 miles of highways in all parts of the country from Arizona's desert roads to the Allegheny mountains. And we believe these new trucks will revolutionize the industry."

The 1953 Ford trucks range from 4,000 pounds to 27,000 GVW and up to 55,000 pounds GVW ratings in the new F-900 Series, the largest truck ever built by Ford and a 1953 addition to the Ford truck line.

Outstanding features of all the 1953 Ford trucks, according to L. W. Smead, general sales manager of Ford Division, are the completely new "driverized" cabs and the elimination of double-clutching through use of the new synchro-silent transmissions on all models. Also shorter wheelbases, wider front treads and repositioning of springs make all 1953 Ford trucks easier to handle and to steer, more maneuverable and with shorter turning radius.

Other important features, Mr. Smead said, are four foot wide rear windows; new wider seats with five feet of hip room comfortably seating three men; exclusive Ford Counter-shock seat snubbers which absorb road shocks for a softer, smoother ride; greater ease of servicing all models and Ford's exclusive offering of either three V-8 or two 6-cylinder modern, high compression engines noted for their economical operation. Engines range from 101 h. p. to 155 h. p. "A greatly expanded range of

models permits the 1953 Ford truck line to provide the right truck to handle practically every hauling job," Mr. Smead said.

In the new truck line we have the most advanced chassis in the truck industry. We have new, stronger frames with deeper channels which are parallel up to the extreme front end, thus effecting more room for engines and improving service accessibility. This change also permits greater turning angle of front wheels."

Again in 1953 Ford offers a choice of five truck engines, both V-8 and 6-cylinder, in which many improvements have been incorporated. Engine mounts, both front and rear, have been relocated to provide easier servicing of clutch and flywheel without interference. Only a single mount is used at the front while the rear mounts have been moved from the transmission housing to the clutch and fly-

CARD OF THANKS

We wish to take this opportunity to express our most sincere thanks to all the wonderful people who have given us such a helping hand during Barbara's stay in the hospital and after her operation. It gave Barbara a wonderful boost to know there were so many people behind her in this operation.
We wish to thank all those who helped in any way with the benefit basketball game, the players, clowns and entertainers; all those from school who helped so much to make it such a big success. We also wish to thank you all for the cards, letters, prayers and gifts, how much they were appreciated is hard to express; and we wish each one of you to feel you have had a very special part in helping to give a very happy girl a new start in life.
Herman, Pearl and Barbara Huber. 11-1b

CARD OF THANKS

We wish to extend our grateful appreciation to all the friends and business associates for the baskets of flowers sent at the time of our opening at the Colonial Restaurant.

The F. F. A. boys from Plainfield Township Rural Agricultural School attended the F. F. A. District Eliminations covering "Parliamentary Procedures" at Osoda. They were given an "A" rating which placed them in second place. Osoda received an "A plus" rating, and West Branch placed third with a "B" rating. Hale boys will receive the Gold Award.

Eighth and ninth graders provided the entertainment following the February meeting of the P. T. A. These students had memorized famous passages from American History and literature, beginning with the discovery and founding of the country and continuing down to recent years.

With Bernice Peters serving as chairman of the program, the following students participated in the delivery of declamations: Dale Malcho, Gerald Slosser, Bruce Putnam, Sharon Humphrey, Faye Huber, Ronald Robert, Joyce Peters, Margaret Schroeder, Ronnie Caton, Mary Jane Douglas, Cleo Shedenhelm, Sandra Greve, Evelyn Gitchell. After the program, refreshments were served in the Home Ec room.

On February 20, two members of the Plainfield Township Rural Agricultural School's senior band, under the direction of Robert Estes, entered the solo and ensemble festival at Clare. Jean Peters played a cornet solo, "Coronation March" by Meyerbeer, and placed in division two. Beatrice Peters played a baritone horn solo, "Song of India," by Korsakow, and placed in division three. These girls also played at the solo festival last year, and are looking forward to next year's competition, both eyeing division one.

Plainfield Township Rural Agricultural High School has again been accredited by the University of Michigan for a two year period extending the present accreditation to June 30, 1955, according to word recently received by School Principal Guy H. Lagroe from Dr. Lawrence Vredevoe of the University's Bureau of School Services.

Renewal of the present two year accreditation was based on observations and recommendations made by Dr. Kehoa, Bureau of School Services, after his visit on December 3, 1953.

The Hale Rug-Hooking Class will meet at the home of Mrs. Rod Hielman March 19 at one o'clock. Any women interested in joining this class is welcome. We have a supply of material available. There will be a rug display at the P. T. A. in April.

The Hale Home Demonstration Group meets the second Wednesday in the month, at the school at 8:00 p. m. We are hav-

Don't forget your Iosco County Awards Party at the Sherman School Wednesday, March 18, at 8:00 p. m. This event should find parents, leaders, members and their friends in attendance. Award medals and other special recognitions will be presented to our 1952 award winners. Come and you will see as well as hear how your members may become award winners in 1953.

The Standish District 4-H Club Council will meet Tuesday, March 17 from 10:00-4:00 p. m. They want to discuss the development of a file and slide library for our counties in the Standish District. They will also discuss the rules and regulations

governing the district elimination contests in August.

Tuesday March 24, your County Advisory Board will meet at Grant Town Hall at 8:00 p. m. to discuss the problems of "Know Your Cooperative Extension Service in '53" and present their recommendations in regards to the re-allocation of agents in Northern Michigan. We would like to have three delegates present, Norman Sibley, Mrs. DeWayne Hall and George Strauer. They are so delegated according to our 4-H Club Council Constitution and by-laws as our representatives on the Iosco County Advisory Board.

The Busy Beetle 4-H Club of East Tawas met February 5 at the home of Mrs. Richard Price. The meeting was conducted by president, Ruth Meyer, and the community leader, Mrs. Joe Fernette. We considered the program for the next month and some old business. We were supposed to have a demonstration on clothing, but we didn't have it. Barbara Burt played the "Starlight Waltz" and "Wisteria." We sang "The Four Leaf Clover" and "The Rose." Our next meeting will be at Sally Ostrander's home, March 5, 1953.

East Tawas Garden Club Meets With Mrs. George Sedgeman

The East Tawas Garden Club met at the home of Mrs. George Sedgeman Monday evening. Guests present were Mrs. George Herman, Mrs. L. Besancon, Mrs. Charles Donely of Alabaster and Clyde Soper.

Mrs. Herman was elected to membership. The committee for the evening's entertainment was Mrs. C. J. Creaser, Mrs. E. T. Pierson and Mrs. L. G. McKay, Sr. They had arranged a fine program. Games with small potted plants for prizes caused much merriment. The groups then divided into fours and with cut-outs, land scaped home plots. Much originality resulted. The plots were judged by Mr. Soper. Delicious refreshments were served by the hostesses.

The next meeting of the club will be held Monday, April 13.

Campfire Girls Present Tea at School Saturday

A group of Campfire Girls with their leader, Mrs. Joseph Fernette, gave a program and tea at the high school last Saturday afternoon. On their arrival the guests were presented with green and white corsages.

A program was given on work accomplished for their wood gatherers rank in which all the girls took part. Carolyn Evans and Jo Ellen Fernette gave readings on the life and work of St. Patrick. The tea gave the girls credit in their firemaker's rank. The girls served tea, sandwiches and cakes suggestive of St. Patrick's Day. The centerpiece was fashioned of green shamrock leaves and green St. Patrick's hats.

Guests were Mrs. C. A. Pinkerton, Sr., Mrs. C. J. Creaser, Mrs. Norman Anschuetz and Miss Helen Applin.
