

Whittemore News

MRS. PETER GAY
Mrs. Peter Gay, a Whittemore resident for the past 47 years, died Monday morning at her home. She had suffered a stroke last November.

Born April 17, 1883, in Au-Sable she married Peter Gay on June 12, 1906, in Whittemore.

She was a member of the St. James Catholic Church and a charter member of the Altar Society.

Survivors are her husband, two sons, Frank and Raymond of Whittemore; one brother, Leo Goulaite, of Dearborn, and six grandchildren.

Services will be held Friday at 10:00 a. m. at the St. James Catholic Church in Whittemore with Rev. Fr. Henry DuRussell officiating. Burial will be in the St. James Cemetery.

FRED TRAVIS
Funeral services were held Monday afternoon for Fred Travis of Whittemore, who died Friday at the home of his brother, William Travis, also of Whittemore. He was born June 17, 1891, in Lapeer.

Surviving are three brothers, William and Carl, both of Whittemore, and Walter Francis of Joplin, Missouri.

The Rev. Wesley Dafoe officiated at rites held at the Forshhee Funeral Home in Hale. Burial was in Riverside Cemetery at Mt. Pleasant.

Mr. and Mrs. Gunnar Brevik and daughter spent the weekend in Detroit due to the illness of Mr. Brevik's mother who suffered a broken hip recently.

Mrs. Angus Dunham and daughter, Mrs. William Black, of Flint visited relatives in town the past week.

Mr. and Mrs. Basil Goupil and family of Swartz Creek spent Sunday in town.

Mrs. Don O'Farrell entertained several little girls and boys last Monday afternoon in honor of her little daughter, Barbara's sixth birthday anniversary. A pleasant afternoon of games were enjoyed and lunch and birthday cake and ice cream were served. Barbara received several pretty gifts.

Mr. and Mrs. Dio Hunt of Flint spent the weekend at the Edward Graham home.

Mr. and Mrs. Charles Chipps of Prescott spent Friday evening with Mrs. Dick Fuerst.

Mrs. Roy Charters spent Friday afternoon with Mr. and Mrs. Martin Kasischke in Tawas City. Friends were grieved to hear of the death of Mrs. Peter Gay.

She had lived in this community most of her life time and had a large number of friends who extend their deepest sympathy to the family.

Mrs. Don Haddix and two sons of Standish spent Sunday with Mr. and Mrs. William Fuerst.

Mrs. John Allen has returned from a month's vacation in Florida.

Mr. and Mrs. William Curtis are spending several weeks vacation in Florida.

Mrs. William Fuerst was hostess to the Birthday Club Tuesday night with 13 members present. Games were played and refreshments served with the usual birthday cake. The honored guest was Mrs. Verna Snyder, who received a lovely gift.

Mrs. Roy Charters, Mrs. Richard Fuerst and Mrs. Jennie Schneider returned Thursday from a two months vacation in Kissimmee and Tampa, Florida.

Mrs. John Earhart, who accompanied them down remained in Tampa for another month. They report a very good vacation and warm weather in Kissimmee where Mrs. Charters and Mrs. Fuerst stayed in an apartment near the Charles Beardslees. Mr. Beardslee has not been well but was feeling a little better at the time of their departure.

The following Whittemore people enjoyed a get-together picnic in Florida last Saturday, February 21, when they met in Lowry Park at Tampa: Mr. and Mrs. John Higgins, Mr. and Mrs. Joseph Lomason, Mr. and Mrs. Otto Fuerst, Mr. and Mrs. Henry Provoast, Mrs. Belle Earhart, Mrs. Roy Charters, Mrs. Richard Fuerst and Mrs. Jennie Schneider.

The Junior League held their Past Presidents' Banquet at the high school last Thursday evening with a large number of members and eight past presidents seated at a very pretty table. Mrs. Harrison Snyder, president, presided over the meeting. The following past presidents were present: Mrs. Ruth Bailey, Mrs. Ardash Hall, Mrs. Elizabeth Partlo, Mrs. Lucille Drenberg, Mrs. Gladys Freal, Mrs. Leah O'Farrell, Mrs. Lois C. Fuerst and Mrs. Denulga Smith of Standish.

Friends were grieved to hear of the death of Mrs. Howard Tibbits caused from injuries received in an auto accident in Pennsylvania enroute to Florida on a vacation. Her husband, who was with her, is still in critical condition in a hospital. Mr. and Mrs. Tibbits were former residents here operating the hotel before going to Greenville to live. She is survived by her husband and one daughter, Dorothy.

Several members of the Whittemore Women's Club held a pantry shower for Mrs. Alice Adams, the former Alice Lonsberry. She was presented with a nice gift from the club.

Mrs. Madeline Collins attended the funeral of Mrs. Howard Tibbits in Greenville Thursday. She accompanied Sheriff and Mrs. Ivan O'Farrell of Tawas City.

Stalin Suffers Stroke
It was reported Wednesday morning that Prince Minister Joseph Stalin was in critical condition following a paralytic stroke.

Among his possible successors are Geogi M. Malenkov and V. M. Molotov.

The sweater, which has played the "supporting role" in your wardrobe these many years, is now being featured as the star attraction. As is fitting for the "star" of any show, this season's sweater is aglitter with sequins, beads or rhinestones, and right in the spotlight with embroidery or fur trimmings. So, glamor girl, from sixteen to sixty, the stage is set for you in your pretty pullover or cardigan.

HELLO, MY FANCY

Welcome this new sweater trend into your wardrobe with needle and thread. To avoid budget problems usually arising when you feel you want to keep up with fashion, decorate a sweater yourself and save. Embroider fancy designs in a yoke effect on a classic pullover or down the front of a cardigan. As other striking decorations: embroidered sequins and seed pearls in a necklace-like pattern around the front neckline of the sweater, or clustered on one side to simulate a jeweled brooch. Attractive, too, is an embroidered collar which could be detachable for change of mood.

EMBROIDERED CARDIGAN

How would you like to have a sweater like the one featured today? Make it yourself, m'lady, from the simple instructions that I will gladly send you. The original model is made of bitersweet-colored wool with a pearl-button closing. Lovely stitching in China blue, white and orange enhances the sweater front, on both sides of the opening. The embroidery stitches are easy to do—only the simple buttonhole and straight stitches are used. To give sparkling splendor to this cardigan, four rows of white beads on blue sequins complete the pattern. The cutting and embroidery instructions with an actual size chart for the stitching and color placement, are available to you for the asking. The pattern is for sweater sizes 12 to 18. Just send a stamped, self-addressed envelope to the Needlework Department of this paper, with a request for EMBROIDERED CARDIGAN, Leaflet No. PK-172.

Iosco People Enjoy Picnic At Bradenton Beach, Florida

Florida visitors from Iosco county held their fifth annual party Monday afternoon at the Gulf Trailer Park recreation hall with approximately 200 persons attending.

"Monthly Pains" stopped or amazingly relieved

in 3 out of 4 cases in doctors' tests! Chances are you're putting up — unnecessarily — with the functionally caused pains, cramps and weak, "no good" feelings of menstruation!

For in actual tests by doctors, Lydia Pinkham's Compound brought complete or striking relief from such distress in 3 out of 4 of the cases!

Lydia Pinkham's is modern in its action! So get Lydia E. Pinkham's Vegetable Compound — or new, improved Tablets with added iron. See if — taken through the month — it doesn't give relief from those backaches, jitters — help you feel better before and during your period!

Or — if you suffer from functional "hot flashes" of "change of life." And out how wonderful Pinkham's is for that, too!

It has a quieting effect on uterine contractions that often cause "period" pain!

Following the buffet dinner, a short business meeting was held. Mr. and Mrs. Adrian Ayling of Tawas City were elected to serve as president and secretary.

It was announced that the next annual party will be held on February 22 at the same place.

Prizes were awarded to Mr. and Mrs. Ross Webb of Hale as the couple who had traveled the farthest to attend the dinner, and to Mr. Hathaway of Oscoda, 84 years of age, the oldest man present, and to Mrs. Orville Hewitt, 75 years old, of Sand Lake, the oldest woman present. Mr. and Mrs. Orville Hewitt who have been married 57 years, were awarded the prize for being married the longest of anyone present. Door prizes were awarded to Mrs. Robert Shaw of Hale and Mrs. A. J. Berube of East Tawas. Community singing was led by Mrs. Sybil Kuyawa of Oscoda.

DHIA Herd Average 881 Pounds of Milk in Month

The 188 cows in the 13 herds of the Iosco County Dairy Herd Improvement Association averaged 881 pounds of milk and 32 pounds of butterfat for January was reported by Clarence Carpenter, supervisor. These cows showed an average profit of over \$26.00 above feed costs per cow. Some significant statistics are that all D. H. I. A. members use artificial breeding with ten using A. B. A., exclusively. All members practice managed milking and three of the eight cows were removed from the herd because of low production.

Arthur Povish's 21 registered Holsteins led the county herds with an average production of 1285 pounds of milk and 44.6 pounds of butterfat. Prescott and Campbell were a close second with an average of 1093 pounds of milk and 40.6 pounds of fat.

Five of the eight class leaders produced over a ton of milk each. Betty, a registered Holstein owned by the County Farm, led the association in butterfat by producing 2190 pounds of milk containing 87.6 pounds of fat. Countess, a four year old registered Holstein, owned by Kobs Brothers, led in milk production by producing 2390 pounds of milk. A grade two year old Holstein, No. 15, owned by William Herriman came up with an astonishing production by producing 2220 pounds of milk containing 88.8 pounds of butterfat.

Some very commendable 305 day of complete lactations records were reported to the U. S. D. A. Bureau of Dairy Industry. Lassie, a six year old registered Holstein owned by the County Farm topped this group by producing 15,590 pounds of milk containing 598.5 pounds of butterfat in 305 days. Three of her stablemates also exceeded 500 pounds of butterfat.

Know Garment Fiber Content by "Trade-Name" Label

When you see garment labeled "Lorette" you should know the fiber content of that material is 45 percent wool and 55 percent orlon. "Lisbon" is the trade name for 5½ percent acrilan and 47½ percent viscose, advise textile specialists at Michigan State College. Insist on knowing

the fiber content of trademarked fabrics, they say, so you can know how to care for them.

Fertilizer Production Increases—Fertilizer production increases annually, but demand keeps ahead of it, remind Michigan State College soil scientists; it pays to order and accept delivery early.

Observe Community Service Month

The American Legion Auxiliary, Audie Johnson Unit 211, observed Community Service Month last Monday evening, Mrs. Evelyn Price, chairman of Community Service, presented a group of sixth graders in folk dancing, quadrilles and polka numbers.

At the business meeting led by the president, Mrs. Dorothy Harmon, plans were made to celebrate Child Welfare and Pan American Months in April with a program and finished plans for a program and turkey dinner March 15 to celebrate the American Legion post's birthday.

The auxiliary voted financial support to the post in building an addition to the Legion Hall.

After the meeting refreshments were served by the following committee: Mrs. Fern Scott, Mrs. Madeline Durant and Miss Helen Appin. The table decorations and refreshments were in keeping with St. Patrick's Day. The beautiful centerpiece was fashioned by the Bluebird organization sponsored by the auxiliary.

Wilber News

Mrs. Francis Dorey returned last Saturday from a nine-day stay at the Trefree Memorial Hospital, West Branch, where she underwent surgery. While there the following persons from the community visited her: Mr. and Mrs. Russell Alda, Mr. and Mrs. Robert Alda and Lois, Mr. and Mrs. Jack Alda, Barbara and Herold Alda, Mrs. Stanley Alda, Mrs. William Phelps, Francis Dorey and Judy, Sandra and Linda.

Mrs. Clarence Dorey and Clarence, Jr., drove up from Birmingham last Friday. On their return they were accompanied by Mrs. William Phelps, who attended the funeral of her cousin, Frank Marshall. Mr. Marshall who was the eldest son of the late Alexander and Clara Marshall was born in Wilber township some seventy years ago. When about five years old his parents moved to McKinley and later to AuSable where he graduated from the AuSable School. After graduation he went to Detroit where he has resided for more than 30 years.

The following guests enjoyed an oyster supper at the Allen Schreiber home on Saturday: John Schreiber, Mr. and Mrs. Edward Rolls of Tawas City, Mr. and Mrs. Leonard Schreiber and the Allen Schreiber family.

Joan Newberry spent last Friday night at Mikado with some school friends.

Little Barbara Harris of Bay City is visiting at the John Newberry home. Ted Adlesburg is home on furlough from Korea.

BOARD OF REVIEW

The Tawas township board of review will meet at 9:30 a. m. to 4:30 p. m., March 10 and 11, at the township hall.

Glenn Long, supervisor.

HDA NOTES

By DOROTHY SCOTT

Home demonstration group members will be asking Mrs. Harold Black, Mrs. A. W. Miller or Mrs. Reuben Edie, all members of Isoco county home demonstration groups, what they learned at the district meeting which they attended in Standish on February 24, representing our county.

Information which they and others who represented 4-H Club and agricultural extension activities received will provide planning and action material for weeks to come. In fact these folks have arranged and held a county meeting on Wednesday of this week to get started. If they should ask assistance of you in the near future, we hope it will be possible for you to give it.

This is not very specific, is it? If you are curious, talk with Mesdames Black, Miller, or Edie.

Eight sewing machines were cleaned and adjusted at Reno Town Hall on Wednesday by Mesdames Clarence Greenwood, Howard Nott, John Kerr, Earl Daugharty, Lloyd Johnson, James Sturtevant and Will Waters. These ladies did the eighth machine belonging to Mrs. Tracy Vary.

As is always the case, there were several machines of doubtful vintage, and the women are curious about what company made them. More important, they need to know what kind of needle to purchase when something happens to the one and only that is it—yes, that is often just how many there are. Mrs. Greenwood and Mrs. Waters will be interested to learn that their machines, named "New Netzow" and "Pathfinder" date way back to the days of Davis machines, later made by the National Sewing Machine Company. The "Kobacker" belonging to Mrs. Vary likewise goes back to an old machine called "Eldredge," also later made by the National company.

Identification of the correct needles for any sewing machine is done by a code system, and each different company that makes needles has its own code. So first one must know the code to use for each company's needle. One needs to know a second code system in order to get needles of different sizes (diameters) which vary with the kind of material being stitched and the thread number being used.

If these ladies want to check their needle chart in the bulletin on sewing machine care and adjustment which they received at the school last week, they will find one listed for the Davis machine, "new style long," which is correct for both the "New Netzow" and "Pathfinder" machines. Code numbers are: Singer 1 x 2, Boye 10, National 1-B. The "Kobacker" machine needle will be correct as listed for either the Eldredge or National Rotary machines, or in the case of Singer it is 20 x 1, Boye is 14 and National is C. Mark these spots in your bulletin and you will never again have to wonder which one to buy.

Remember to get different diameter needles, though. In the case of Singer needles the larger the needle size number the larger the needle, the smaller the number the smaller the needle. Most of you use a number 60 or 50 sewing machine thread and will find a number 16 or 14 needle suitable. However if you sew with nylon or dacron thread you will want to get some needles numbered 11 or 9.

Your stove is beautiful now, but that glass-like finish won't stand up under mistreatment. Wash it with warm water and soap, but only when the surface is cold, not hot.

And if there is "boil-over" in the oven, more care is needed. There are several methods, one is sal-soda and steam; another a dish of ammonia placed in the oven overnight. In either case the purpose is to loosen the burned on food so that cleaning is easy next day. But, do not leave plants in the kitchen the night your give your oven an ammonia treatment, for ammonia wilts plant leaves.

A bit of plaid ribbon just crossed and pinned under a collar may add the bright, fresh touch for your costume. This is the time of year when we often feel the need for a lift when it comes to choosing the dress or suit to wear.

There may be activity in the "sugar bush" any day now. It happens when daytime temperatures range between 40 and 50 degrees and the nights are slightly below freezing. It is the alternating freezing and thawing action that causes the sap to flow.

Best quality syrup results when the evaporation process is completed within two or three days. Older sap makes dark syrup. Anyone who has ever made maple syrup will not argue when he hears the statement made that as much as 40 to 50 gallons of sap must be toted and evaporated to make one gallon of syrup.

INCENTIVE AND ABILITY
The decline of a nation sets in when the incentive and ability of its people to work and produce becomes stagnant.

STRICTLY BUSINESS by McFeatters

"I see my salary's still frozen!"
"Just knowing the traffic rules is not enough," Sergeant MacDonald stated. "You've got to obey them. Even the unintentional and thoughtless violator causes just as bad a smashup as does the deliberate, reckless driver. And even out of every 10 fatal accidents are the result of violations on the part of one or more drivers."
"Last year 49,000 persons were killed or injured on Michigan streets and highways. That's equal to the population of a good sized city. There were 165,000 accidents."
"The only sure way we have at

present to reduce this terrible toll is by drivers themselves being more faithful in obeying the rules of the road. If every driver practiced courtesy, caution and common sense we wouldn't have these accidents. He should not only know his job, but keep his mind on doing it the right way. That's his best guarantee of staying out of trouble.

"Hot Flashes Stopped" or strikingly relieved in 63-80%* of cases in doctors' tests

• If you're miserable from the "hot flashes," and accompanying irritable, restless feelings of "change of life" you may be suffering unnecessarily!

*For... in tests by doctors... Lydia Pinkham's Compound and Tablets brought relief from such functionally-caused suffering to 63 and 80% (respectively) of the women tested! Complete or striking relief!

Yes! Research has proved these medicines thoroughly modern in action... has shown you where to look for relief from those distressing, nervous, "out of sorts" feelings of mid-life "change!"

So... get Lydia E. Pinkham's Vegetable Compound—or new, improved Tablets with added iron! (Wonderful, too, for the functional pains of menstrual periods.)

It acts through a woman's sympathetic nervous system to relieve distress of those awful "heat waves!"
