Bridgeport Man Drowns at Oscoda Sunday

Was Swimming 200 Yards Off Shore From Oscoda Park

Last Sunday morning a 32-year-old Bridgeport man was drowned in Lake Huron about 200 feet off shore from the Oscoda park.

The victim, Lawrence Albrecht, was camping at the park in a house trailer with his wife. Albrecht had been swimming with Earl Horton of Saginaw from a boat anchored in about six or seven feet of water.

Horton told investigating officers that he and Albrecht had attempted to swim too far from the boat and the latter was unable to swim back.

Albrecht's body was recovered at 12 o'clock noon by W. M. MacIntyre, 16-year-old Detroit youth, who swam out to the boat, located the body and brought it to shore.

Artificial respiration was administered by the Oscoda rescue squad until 12:25, at which time Dr. W. F. B. Kutsche of Oscoda pronounced the victim dead.

Coroner E. John Moffatt of East Tawas ruled the death was due to accidental drowning.

Will Stimulate Industrial Growth

The Mackinac Straits Bridge and St. Lawrence seaway were pointed out, Tuesday at Lansing by Charles A. Pinkerton, president of the Detroit and Mackinac Railway, as stimulating factors in the industrial growth of Michigan.

Pinkerton is chairman of the northern half of the lower peninsula advisory board of the State Economic Development Commission.

"The northern half of Michigan's lower peninsula is one of the areas that will benefit most from the construction of the bridge across the straits," Pinkerton stated.

"The increased flow of traffic will stimulate the growth of commercial facilities as well as provide new markets for many of the area's industrial products."

Tawas Area Gridders Begin Fall Practice

Only Four Lettermen Return From Last Year's Squad

The Tawas Area Braves will usher in the fall football season next Monday afternoon with a practice session at the East Tawas Athletic Field.

Uniforms will be handed out to prospective players at the East Tawas high school building. The practice session will be held from 2:00 until 4:00 p. m. each day during the rest of the week.

Only four lettermen from the 1953 football squad will be found to play with the Braves this year, due to graduation last spring.

Returning lettermen include Don Harmon, Gary Wood, Robert Hester and Milton Waldie.

Head Coach Fred Hickman said this week that the Braves will face a tough schedule. This fall, playing against such teams as Bay City, St. Stanislaus, Alpena Catholic Central and Rogers City.

"We have a promising group of young players coming up this year," commented Coach Hickman, "but our squad will be light in weight."

The Tawas Area gridders will be given the once-over next week by Hickman and his assistant coach, Mark Debaugh, during the practice work outs.

In addition to the four returning lettermen, the 1954 player list for the Braves includes: John LeClair, Pat Lynch, Arland Krumm, David Featheringill, James Hanna, Herbert Herriman, Robert Jones, Donald Ledwith, Alvin Long, Robert Morley, Richard Ashmore, William Schultz, Alan Prescott, Jack Cuny, Charles Dillenbeck, Raymond Beaubien, Tyler Braddock, David Butterfield, William Button, Carl Babcock, Jutty Austin, Skip Allen, Dennis Durant and Gayle Durant.

A tentative schedule has been set up for the fall grid season. The Braves will play at Bay City St. Stanislaus on September 24; Friday, October 3, Alpena Catholic Central here; Saturday, October 16, Rogers City here; Thursday, October 23, Alpena Reserves here; Friday, October 22, Oscoda there; Friday, November 5, West Branch there.

Football is relatively new to Tawas. Last year marked the first season in which an 11-man football squad was fielded by a Tawas school.

Coach Hickman said the school plans to field a freshman reserve team this season and will teach the fundamentals of football to the junior high school boys.

To Present Final Two Concerts in Summer Series

The final two concerts of the summer band concert schedule will be presented Sunday, August 29, at 7:00 p. m. at the East Tawas State Park, and Sunday, September 5, at 7:00 p. m. at the Tawas City Park in the band shell.

Program for Sunday: Lexington March—K. L. King. Washington Post March—John P. Sousa.

Medallion Overture—Howard M. Johnson.

Rough Riders Galop—K. L. King.

Africande Overture—Joseph Oliyadoti.

Thumbs-Up, U. S. A. March—K. L. King.

Seeds of Cadmus Overture—Harold M. Johnson.

Star Spangled Banner.

The band has been invited to participate in the Sixth Annual Band Day ceremonies in Ann Arbor on October 9. They will take part in the half-time program of the Michigan-Iowa football game.

All Four US-23 Lanes Open This Sunday

All four lanes of US-23 between Pinconning and Standish will be open to traffic this week-end, stated highway officials early this week.

Work on the widening and improvement project is expected to be finished within a month. The pavement had been widened to four lanes and a divider constructed.

Asphalt has been laid on the west lane and similar work remains to be done to the two east lanes. This work will interrupt traffic week days but highway officials said that on week-ends all four lanes may be used.

Arrested for Carrying Concealed Weapon

A 26-year-old Birmingham man was arrested at East Tawas early Tuesday morning. He was charged with carrying a concealed weapon.

The Iosco County Sheriff's Department apprehended Gerald D. Lowe at the Holland Hotel at 1:30 a. m. He was carrying a loaded .38 caliber revolver at the time. The gun was not registered.

Lowe was arraigned before Justice H. E. Friedman and bound over to the September circuit court on a \$1,000 bond.

According to investigating officers, Lowe had a police record.

Old Timers to Play Tawas City Labor Day

Proceeds of Game to Go to Tawas City Park Fund

The annual Old Timers' Baseball Game will be held Labor Day, September 6, at the Tawas City diamond.

This year, the game will be a Tawas City Park fund benefit, and the proceeds will be turned over to the city treasurer for park improvements.

The old timers' player list will be made up of former Tawas City players of past years, who annually dust off their spikes and glove in order to tangle with the current Tawas City club.

The creaking ancients, managed by Rollie Gackstetter, will cross bats with Manager Harold Wegner's Tawas City line-up of 1954.

During a meeting of the two managers Tuesday night, a decision on the number of innings which would be played in the game was not reached. Gackstetter stated that the contest probably would be a nine inning affair, but added "it all depends on the condition of the old men—we don't want anybody to get hurt."

A practice session for the old timers will be held at the Tawas City baseball diamond next Monday evening.

I.H.M. Church to Sponsor Annual Labor Day Festival

A fish dinner Friday night and a chicken barbecue Saturday and Sunday will feature the Second Annual Immaculate Heart of Mary Labor Day festival which will be held the week-end of September 3, 4 and 5.

The event which will be held at the parish grounds will include concessions, games and rides. The proceeds will go toward building a new church.

There will be a fancy work booth under the direction of Mrs. Joseph Stepanski.

Frank Lansky, grand chef de gare, and an experienced crew will be in charge of the chicken barbecue and fish dinner.

Mr. and Mrs. William Startsmans of Detroit are spending the week here.

Replace 30-Year Old Furnace at Tawas City Hall

After 30 years of service the old steam furnace at the Tawas City Hall is being replaced with a modern hot water heating system. Rudolph Witzke, who was awarded the contract, started installation work Monday. He states that it will be completed in about three weeks.

When installed in 1924, the present heating plant was considered one of the best, but it has deteriorated with old age until it has become inefficient in heating the building and too costly to operate.

The new heating system being installed by Witzke is manufactured by Weil-McLain of Michigan City, Indiana. It consists of a modern compact boiler with forced hot water to radiant panels in the council room, police chief's office, office of department of public works and library. A blower type ceiling unit will heat the fire engine and hose room. The building will be divided into four zones, each with an automatic heat control.

Mr. and Mrs. James Dillon are enjoying a vacation near Indian River.

Famed AuSable

One of the main tourist attractions in the Iosco county area is the famed AuSable river, annual pleasure spot for thousands of summer visitors.

The winding AuSable, once one of the most important streams in the Michigan lumbering industry, now beckons to the fisherman, canoeist and camper.

The river is a very important power source to the cities of Northeastern Michigan. Several hydro-electric dams owned by the Consumers Power Company, furnishes electric power for industrial plants and electricity for homes throughout this area.

During the annual summer migration of tourists to the AuSable river area, many canoeists make the more than 200-mile trip from the headwaters of the river at Grayling down to Oscoda, the point where the AuSable empties into Lake Huron. The annual AuSable river canoe race is held during the month of September.

The AuSable river offers many places of interest to the summer visitors and local residents. Included is the ever-popular Lumberman's Monument, large Springs, Old Orchard Park, the hydro-electric dams and High Rollways.

Ending of Vacation at Labor Day Week-End Sends 3,200 Iosco Students Back to School

The traditional end of summer vacation on Labor Day, will send 3,200 students and 123 teachers back to the various schools in Iosco county on Tuesday, September 7.

All schools in the county will open immediately after Labor Day, with the exception of the two rural schools, Sherman Township and Reno District No. 1. These two schools will open Monday, August 30.

In the Tawas Area Schools, students will report for study at 9:00 a. m. Wednesday, September 8. A teachers' meeting will be held at 9:00 Tuesday morning.

School will open at the Burleigh Agricultural Schools with a pre-school conference Tuesday, September 7. Buses will pick up students at 12:00 noon to 1:00 p. m. on the first day. The kindergarten will open Wednesday.

A half-day of school Tuesday morning, September 7, is scheduled in starting the Plainfield Agricultural School. Buses will arrive at the school at 9:00 a. m.

Emanuel Lutheran and St. Joseph's parochial schools at Tawas City will open Tuesday, September 7.

Tawas Area School Transportation 1954-55

The buses will travel the routes on Wednesday morning, September 8, and pick up pupils according to the following schedule. It may be necessary to alter these schedules at a later date to better accommodate pupils.

Bus No. 1 will pick up students in Whitney and Alabaster township and those along US-23 to Davison's.

Bus No. 11 will serve as a feeder bus in Alabaster-Whitney area and pick up pupils in grades one, two, three, four, seven, eight, exclusive of those in the aforementioned grades between Davison's and Washburn's on US-23. Pupils on US-23 and going to Alabaster Unit will ride the buses carrying junior high students.

Buses No. 3 and No. 10 will pick up all students at Sand Lake and Indian Lake, north of M-55, and those on M-55. Bus No. 3 will also carry Oyston,

Long and Binder children, south of M-55.

Bus No. 6 will pick up the children in Wilber and the former Baldwin No. 3 school district, except for those in the Indian Lake area.

Bus No. 8 will pick up pupils along the Plank Road, in the former Laidlaw district. This bus will also include children of the following families: Bowlsby, Wajohn, Hill and those from the mill to the Brugger farm on the Wilber Road.

Bus No. 2 will pick up all pupils on the Meadow Road to the Sand Lake Road, including Wehrmans on the Sand Lake Road. This bus will take grades one, seven, eight, nine, 10, 11 and 12 on the Townline Road.

Bus No. 5 will pick up grades two, three, four, five and six on the Townline Road and all pupils south of the Townline Road, on the Lorenz Road and the McCordle Road. Pupils will be transferred with Bus No. 2 and will proceed to the Vine and Watts Unit on M-55 as far as the Ted Anschuetz residence.

Bus No. 8 will pick up students within Tawas City limits on US-23 and over one mile from the Tawas City Unit.

All pupils within Tawas City and East Tawas who are to be transported to their classes will go to schools in their respective cities on opening day of school.

Kindergarten students should plan to enroll in the forenoon on Wednesday, September 8. Whenever possible parents are encouraged to come with kindergarten pupils on enrollment day and plan to take children home with them.

Plainfield Township Agricultural School

The Plainfield Township Rural Agricultural School, Hale, has now completed its staff with the employment of Paul Jones of Chicago as instructor of vocal and instrumental music and Ted Woelke as the boys' athletic director and coach, and also instructor of the seventh and eleventh grade American history classes.

Mr. Jones, who comes from Chicago, Illinois, is a graduate of the Vandercook College of Music. (See SCHOOLS, Back Page)

Bessey Barn Destroyed By Fire Wednesday

A fire of undetermined origin destroyed a barn owned by Grant Bessey of Tawas township late Wednesday afternoon. The Bessey farm is located at the end of the Townline Road.

The fire was first noticed in a straw stack adjacent to the barn. The Tawas Township Fire Department arrived at the farm within twelve minutes, but firemen were unable to save the building.

Firemen and neighbors saved about 300 bushels of grain which were stored in the granary. A milk house near the barn was not damaged.

37 Golfers Compete in Annual Stag Day

Thirty-seven golfers registered to compete in the annual Stag Day at the Tawas Golf Course on Wednesday.

Prizes, contributed by local merchants, were awarded to the winning golfers.

Refreshments and a luncheon were served at the Tawas Country Club.

Sterling Nails Down Northern Crown with Win Over Tawas City

Lose After Leading 5 to 4 in Eight Innings of Play

In a hotly disputed game last Sunday, Sterling won over the Tawas City Independents, 7-5, and nailed down the championship lid in the American Division of the Northeastern Michigan League.

However, before going down to their ninth defeat of the year, the Tawas City nine held the lead over Sterling in check throughout most of the game and held a 3-4 lead at the end of eight innings of play.

In the ninth inning, Sterling pushed three runs over home plate on one hit, two walks and three fielding errors by Tawas.

A fine pitching performance by Sterling's veteran reliever, Edwin "Pete" Peterson, closed the door on a last ditch stand by Tawas City in the last part of the ninth inning.

Both teams played an even game until the third inning when Sterling snared the initial run of the game off Revord, starting pitcher for Tawas City. A single and an error accounted for the run.

In the fourth frame, Bob Frank, Sterling's hard-hitting backstop, slammed one of Revord's offerings over the left centerfield fence at the flag pole for a round tripper.

In the sixth frame Sterling counted a third run on one single, a walk and an error.

A CRITICAL SITUATION

"We never know the worth of water 'til the well is dry."
—Thomas Fuller.

The City of Tawas City, along with many other communities in Michigan, including metropolitan Detroit, is facing a serious water shortage during these hot summer months.

Last Monday night the situation could have been very serious to the whole community. City officials reported that only 18 pounds of pressure registered on the mains at the city hall. Normally, the pressure is 50 pounds.

This lack of pressure on the mains can be traced directly to home owners throughout the community who regularly break city regulations governing the use of water for sprinkling lawns during this emergency.

For instance, Monday night was scheduled for first ward lawn and garden sprinkling. However, many residents of the second and third wards disregarded this regulation. All three pumps in the city water system were operating at full speed. It was impossible for the equipment to keep up with the demand.

City officials became very alarmed at this point. What would happen if a fire was reported in the community with absolutely no water on reserve? Needless to say, a fire during this critical dry period would have been disastrous.

Tawas City has an adequate water supply from the deep wells drilled throughout the city during 10 months of the year. But, during the dry months of July and August, it is impossible to supply enough water for sprinkling lawns and gardens. The Superintendent of Public Works Reginald Bublitz has published several notices in the Herald to this effect and has notified all water consumers with weekly lawn and garden watering schedules.

The Spicer Engineering Company of Saginaw is exploring the possibilities of securing other sources of water for use in this community. Perhaps, the only permanent solution to the problem would be to obtain water from Tawas Bay, however, the estimated cost of such project would be more than \$100,000.00. The city engineer is surveying the city's present bond indebtedness to determine the ability of the city to construct such a plan within the present bonding limitations.

Meanwhile, if everyone abides by the hours regulating the sprinkling of lawns and gardens, each individual home and business place should have an ample supply of water available.

IT IS UP TO THE INDIVIDUAL HOME OWNER TO CONSERVE WATER!

Bible Comment:

We're Known By Fruits of Our Spirit

"By their fruits ye shall know them," said Jesus.

The illustration was of trees, but Jesus was speaking of people.

This statement is true not only of the hypocritically false and corrupt. It is true of all men.

And it is true, also, not only of the fruits of evil, but of the lack of the fruits of good. The fruitlessness of good is only one step removed from being fruitful of evil.

Jesus pronounced His bitterest words against the hypocrites who made a profession of religion but exploited and wronged their fellowmen. He did not condone the victims of temptation and sinful passions, though He treated them with compassion and forgiveness.

He was almost scornful of those whose lives were neither good nor evil, like a barren fig tree, with a show of life, but no fruit.

What does it mean to have a fruitful life? The source of all goodness, the New Testament makes plain, is love, the love of God the example of man.

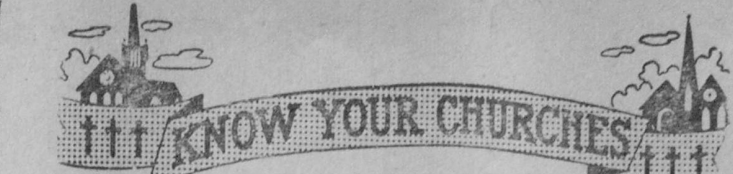

In love, Paul declared, was the fulfilling of the law. "For all the law is fulfilled in one word, even in this: 'Thou shalt love thy neighbor as thyself.'"

In the very chapter in which Paul made this declaration, he proceeded to analyze and set forth in detail the meaning of such love.

Paul also set forth the fruit, or fruits, of the Spirit; that is, of the Spirit of Christ. These fruits he detailed with great precision.

"The fruit of the Spirit," Paul wrote, "is love, joy, peace, long-suffering, gentleness, goodness, faith, meekness, temperance."

In any case it is not one, or some, of the fruits of the Spirit that mark the well-ordered, well-rounded Christian life. It is the manifestation of all, and in so far as any one is lacking, to that extent one's life is unfruitful.

More Than 1500 Fans Attend Stock Car Races

More than 1,500 racing fans were on hand to watch the stock and road car races at the Whittemore Speedway last Saturday night. A field of 33 cars entered the events.

Two crack-ups marred the races. A car driven by Rex Zettle of West Branch rolled over three times and was completely demolished. Edward Laberta of Standish rolled his car over once.

Feature race winners were James Morton of Houghton Lake in the stock car event and Jack Thornton of Whittemore topped the field in the road car race.

Winners of heat races included James Morton of Houghton Lake, Flash Myas of West Branch and Walt Campeau of Standish. Donald Armstead of Whittemore won the road car feature race.

The Australian pursuit race in the stock car class was won by James Morton of Houghton Lake and Jack Thornton won the road car event.

The consolation race was won by Donald Armstead of Whittemore.

Winners of the Powder Puff Derby, a special ladies race, was won by Jean Myas of West Branch.

Social Security Office Open September 4

Cecil Howell, branch manager of the Employment Security Commission office in West Branch announced today that all commission offices, including the West Branch office, will be open from 8:30 a. m. to 4:30 p. m. Saturday, September 4, to compensate for the Labor Day holiday, September 6. He stated that for this reason representatives of his office will be at their usual place, upstairs in the city hall at East Tawas, from 10:00 a. m. to 12:00 noon on Saturday, September 4, instead of Monday, September 6.

Mr. Howell also called attention to the fact that the special session of the legislature has corrected a flaw in the Employment Security regulations passed in the regular session earlier this year, and that through this correction the spouse (husband or wife) of an unemployed worker will be considered as a dependent for unemployment compensation purposes.

Howell stated that until he receives instructions from his state office, to begin the adjustment in payments made necessary by this change, he can take no action locally. However, he pointed out that as soon as the instructions are received, his office will go ahead as rapidly as possible with issuing adjustment checks in each case where this change affects the workers weekly benefit rate. The change is effective retroactive to the effective date of the new amendments, June 27.

Howell stated that this change had been foreseen and that all necessary data has been obtained from each worker since the above date, and that all claims of workers, who have been in claimant status since June 27 will be reviewed and redetermined and adjustment checks issued if the claimant is entitled to additional benefits. There will be no additional action necessary on the part of the claimant, even though he may have again secured employment and is not currently certifying for benefits.

The SNAPSHOT GUILD

A low camera angle provided the neutral, and natural sky background for this shot.

The Importance of Background

WHEN you get an envelope of snapshots back from your photofinisher, have you noticed that in some of them your subject seems to stand out much more than in others? You may even have taken the two shots from the very same distance, yet in one the image seems much more prominent—even though it is the same size.

If you study these snaps closely, chances are you can easily spot the thing that makes the difference—it is the background. What shows behind your subject is almost as important as your subject itself. It is a factor that makes your picture outstanding if it is right—and can make your pictures most unsatisfactory indeed if it's wrong.

The best way we know to define a "wrong" background is to say that it is one that takes attention away from the subject. It is one that tends to confuse the viewer's eyes. You can't tell what you are really supposed to be looking at. Too many elements in the pic-

ture compete for your attention. On the other hand, the good background is one that complements the subject, helps play it up, calls the viewer's attention to it. Such backgrounds can be roughly put into two classifications. One is the natural background for whatever the person in your picture happens to be doing—the flower garden for the pretty girl who's picking posies, the tennis court backdrop for the expert racket wielder, the wooded bank of the stream for the fisherman.

These are backgrounds that play the important part in the story the picture tells. They are, in a sense, a stage setting for the action, actual and implied in your snapshot.

The other type of highly desirable background is the one that's completely neutral. It adds nothing to the picture story-wise, but by being completely inconspicuous, it makes the subject stand out.

Double Wedding Solemnized

A pretty double wedding was solemnized at the Whittemore Latter Day Saints Church Saturday evening at 8 o'clock when Margaret Elizabeth Booth, daughter of Mr. and Mrs. James Booth of Whittemore, and Dale Forrest Ellsworth, son of Mr. and Mrs. Forrest Ellsworth, and Lyla Ilene Ellsworth, daughter of Mr. and Mrs. Forrest Ellsworth, and A. C. Eldon Linwood Teall, son of Mr. and Mrs. Irwin Teall of Hale, were united in marriage.

Elder John Barr performed the candlelight ceremony.

Both brides were attired in gowns of white nylon net over white satin and carried white Bibles with gladioli.

The bridesmaids were Evalina Sawyer, dressed in an aqua blue gown, and Charlotte Booth, dressed in an orchid gown.

Best men were James Booth, Jr., and Ashley Bell.

Flower girls were Brenda Kaye Ellsworth, dressed in yellow, and Linda Mae Booth, dressed in pink.

Ringbearers were Michael Ellsworth and Robert Ellsworth.

Miss Velda Kiley sang "Oh, Promise Me" and "I Love You Truly" with Mrs. Clair Thompson accompanying her at the piano.

A reception was held at the Grange Hall for a large number of friends and relatives.

After a short honeymoon in Northern Michigan Mr. and Mrs. Ellsworth will reside in Whittemore, and A. C. and Mrs. Teall left for California where he will be stationed at March Field. He recently returned from over a year of duty in Alaska.

Guests were present for the wedding from Monroe, Saginaw, Port Huron, Detroit, Flint, Standish, South Branch, Tawas and Hale.

The W. S. C. S. met Wednesday afternoon for a program and get together meeting with Mrs. John Earhart in charge of the program. Due to no meetings being held during the month of August, no business meeting was held. A large number was present and enjoyed the afternoon. Lunch was served at the close of the program.

Gunnar Brevik, who has been a patient in Samaritan Hospital following a major operation, is home and able to be around a little.

Mrs. Simon Goupil of Tawas City who has been ill for three weeks is now a patient in the Tawas Hospital.

GEORGE SAYS - - -

Following are a few comments made by adults at various stops when asked to mention their favorite book read during the summer:

Alabaster—Mrs. Charles Lemmon pronounced "Kiss Me Stranger" by DuMaurier a "jolly good book of short stories." Mrs. Felix Halman felt "The Deceivers" by John Masters the most enjoyable of her summer reading.

Alger—Mrs. A. L. Cook preferred "The Giant Joshua" by Whipple. Mrs. Catherine Kosmider "Keys of the Kingdom" by Cronin, and Mrs. Grace Hamilton "Battle Cry" by Uris and "North of Saginaw Bay" by Peterson.

Greenwood—"Green Light" by Lloyd Douglas was selected by Mrs. A. H. Harriman.

Hale—"The Enchanted Cup" by Robert and "Little Boy Lost" by Lenki.

Maple Ridge—Fred Black felt "Lady Unafraid" by Nelson was the most interesting of his summer reading.

Mr. and Mrs. Ernest Smith returned Monday evening from Pittsburgh where they spent a few days.

J. C. Munroe is able to be around again after a several days illness.

Mrs. Winifred Charters spent Tuesday afternoon in Standish.

Lillian Patterson and friend of Detroit spent the week-end with her cousin, Mrs. Celia Smith, and aunt, Mrs. Barnum.

Mr. and Mrs. Henry Provoast and Mr. and Mrs. Edward Bolsby left Tuesday for a month's trip to the Canadian Northwest to visit relatives.

Mr. and Mrs. Harrison Snyder and daughter, Joanna, returned from a trip to California. They report a grand trip and visited many things of interest. Mrs. Robert Stoner of National City accompanied them as far as Nevada where she visited her son.

Mr. and Mrs. John O'Farrell and Mrs. Roy Charters visited their sister, Mrs. Simon Goupil, at Tawas Hospital Sunday afternoon and report her some better.

The Furst and Charters store will be closed all day Labor Day. Henry Snyder, who has been a patient in West Branch hospital with pneumonia for the past 10 days, is home and much better.

Mr. and Mrs. Fisher and son and Ted Fisher of Gagetown spent Sunday with the Rev. and Mrs. Wesley Dafoe.

The Rev. and Mrs. Roland Brooks and two children of St. Clair Shores, who are spending a vacation at their cottage at Loon Lake, attended church here Sunday. The Reverend Brooks was formerly a pastor here.

Twining—Mrs. Ruby Simmons was grateful for the books on butterflies and insects as these were of assistance in her 4-H work. Mrs. William Vollmer is using books on accounting and bookkeeping to brush up on her training in this field.

Next week, regular Bookmobile stops will be resumed at the following:

Wednesday, September 1—10:45 Turner, 12:15 Maple Ridge. Friday, September 3—1:30 Hale.

Attention Twining Borrowers—Miss Leonora Hass has made a study of the Twining stop and feels these patrons can be better served by changing this stop to Friday, September 10, and will be continued on Friday each two weeks thereafter. This will enable the Bookmobile staff to service the school prior to the downtown stop. The Bookmobile will be in downtown Twining from 3:00 until 4:30.

Whittemore Grange Hold Regular Meeting

The regular bi-monthly meeting of the Whittemore Grange was held Monday evening with Master Arthur Aulerich in charge.

The third and fourth degrees were conferred upon Mr. and Mrs. John Cobb, Russell Barnum, Carol Runyan, Paul Edie and Ronald Sylvester.

Dornace Bellville gave an interesting report on the talk given by Secretary of Agriculture Ezra Taft Benson at the 10th anniversary celebration of the Michigan Artificial Breeders' Cooperative at Lansing on August 5.

Lecturer Mrs. Joy Bellen announced that she is making plans for the annual Booster Night which will be held between September 15 and October 15.

Mr. and Mrs. Theodore Bellville and Mr. and Mrs. Reuben Edie were elected delegates to the Isoco County Grange convention which will be held on September 2 at Hale at 8:30 p. m. Alternates elected were Mr. and Mrs. Harold Black and Mr. and Mrs. Wilbur Runyan. All Subordinate Grangers are cordially invited to attend the convention. Pot luck lunch will be served.

Carol Runyan and Mrs. Louise Sylvester were elected to fill vacancies in the offices of Ceres and Flora, respectively.

Mrs. Harold Black announced that the Isoco County Pomona Grange will meet on Thursday evening, August 26, at Glennie.

Birthday honors were shared by Mrs. Ethel Bellville, Seth Thompson, Sr., and Seth Thompson, Jr.

Pot luck lunch was served at the close of the meeting.

One of the highest honors in medicine, the American Medical Association's Distinguished Service Award, was recently bestowed on Dr. William Wayne Babcock of Philadelphia, Pennsylvania, for "outstanding contributions to medicine and humanity."

193 Sheep Marketed Through 7-County Pool

By MARVIN DAVENPORT

Sheep raisers from seven counties marketed 192 sheep and lambs through the first marketing pool at West Branch last week. The Northeastern Sheep Improvement and Marketing Program got off to a good start with more lambs marketed than had been anticipated.

As each farmer brought in his lambs, the grader marked and graded the sheep. He then asked the farmer to handle his lambs of the various grades. He showed each sheep raiser how to determine whether they had a prime, choice, good, utility or cull lamb.

After the lambs were graded, they were weighed according to grade. That weight was recorded and the farmer received a slip on the weights of his lambs. They were then driven to a pen of lambs of the same grade and were shipped to Detroit within two hours after the close of the program. There they will be sold at auction to Detroit packers.

I talked with John Harrington of Michigan Livestock Exchange and this is what he reported.

Prime lambs (Double blue) sold for \$23.75 per hundred weight.

Choice lambs (Single blue) sold at \$23.25 per hundred weight.

Good lambs (Red) sold for \$20.50 per hundred weight.

Utility (yellow) sold for \$18.00, while feeder grade (green) sold for \$17.00.

Harrington remarked after the lambs had been sold and he was in his office tabulating, a Chicago telegram came to him saying that lamb prices had dropped from \$1.00 to \$2.00 a head.

I know that our sheep raisers were interested in this program by their participation. George Lake, president of the organization as well as Lowell Schaeffer, vice president from Sterling, Dennis Wangler of West Branch and Frank Nash of Gladwin, helped to supervise the entire operation. Those Isoco county sheep raisers that brought in lambs included Shirley Harsch, Edward Robinson, Sr., Harold Black, Al Caverly, Alice Sherman, Jerry Whitney, Arthur Aulerich and Andrew Matthews.

A note of appreciation and thanks goes to the Northeastern Hereford Calf Association and especially Harold Hodgins, who assisted the sheep people in the first sale.

Raisers who had lambs that were graded prime (or double blue) were Shirley Harsch and Edward Robinson, Sr.; in the choice grade of lambs (single blue) Harold Black, Shirley Harsch, Al Caverly, Alice Sherman, and Edward Robinson had provided a total of 15 head.

After the grading of lambs into lots, a meeting was held in the Northeastern Hereford Calf Association's newly covered sales ring and plans were made for the next sales. The dates set for this fall will be Wednesdays of September 15, October 6, October 27 and November 10.

The Wednesday, October 6, date will be a big affair with the Michigan State College Ram truck there as well as a carload lot of Western yearlings and sound mouth ewes brought in for sale to anyone interested.

We have the July reports of our D. H. I. A. testers, Clarence Carpenter and Harold Clark. Clarence Carpenter tested 12 herds with a total of 199 cows. The association averages were 732 pounds of milk per cow with an average test of 3.43 producing 25.2 pounds of butterfat.

These are how the herds averaged:

Fifteen high cows regardless of age, butterfat basis:

Owner of Cow, Breed Name Lbs. Milk Pct. Fat Lbs. Fat

Thomas Nelkie, H, Alice 1950 4.2 81.9

Will Water, RD, Rosy 1280 4.6 61.4

Charles Timreck, H, Topsy 1490 3.5 58.3

Waldo Curry, H, Trixie 1880 3.1 58.3

Waldo Curry, H, Blue Bell 1940 3.0 55.2

Waldo Curry, H, Ester 1570 3.5 55.0

Britt Farm, H, Bess 1470 3.5 53.1

Arthur Povish, H, Betty 1460 3.6 52.6

Thomas Nelkie, H, Betty 1400 3.7 51.8

Will Waters, RD, Vido 1440 3.4 50.7

Waldo Curry, H, Margie 1440 3.5 50.4

Dornace Bellville, H, Blossom 1470 3.3 48.5

Two high herds, each group, butterfat basis:

Owner No. Cows Breed Av. Lbs. Milk Av. Lbs. Fat

Small Herd, 5-10 Cows

Thomas Nelkie 9 H 41.0

Will Waters 7 RD 37.1

Medium Herd, 11-20 Cows

Waldo Curry 14 41.2

Lyle Long 20 28.8

Large Herd, Over 20

Arthur Povish 23 H 23.2

Charles Timreck 24 H 20.8

Isoco No. 2 Association headed by Harold R. Clark submitted a report for July. Mr. Clark has been interested in helping us develop the second association to care for those dairymen who wanted to test. Mr. Carpenter stated that he was unable to take any more herds. Harold has offered to do the D. H. I. A. testing for new herds and has agreed to supervise an owner sampler program, too. Any of our Isoco dairymen interested in this testing program could contact Harold Clark or myself, for further details.

Alpena College Enrollment To Reach New High

Enrollment at Alpena Community College for the college year 1954-55 seems to be headed for a new high. At the present time there are 60 freshman students enrolled and 42 sophomores have indicated that they are returning. This makes a current full-time enrollment of 102 students. In addition, there are usually 15 to 20 part-time students attending the college, so it is probable the total enrollment at the college will reach a new peak.

Enrollment in the college is more than double the number enrolled at this time last year. Since many students wait until late August or early September to enroll, it can be predicted with a reasonable amount of accuracy that about 50 percent more freshman students than now enrolled will be enrolled by the time the college opens. Freshman students from the entire Northeastern Michigan area served by the college are included in this enrollment. They come from Mackinaw City to the north, Oscoda to the south and Johannesburg to the west. Many honor students and students who were active in school activities while in high school are included.

It is desirable for students planning to attend Alpena Community College to enroll as soon as possible. This is especially true of incoming freshmen. It helps college officials a great deal with planning to know the extent and nature of the enrollment.

The last day for registration in the college is the sixth instructional day of the college year. There will be a fee for late registrants. Although students may be admitted at this late date, it is to the advantage of the student and the college to register early.

The 1954-55 Community College catalog will be available in a few days. It will be mailed to

The college provides training for teachers, those interested in secretarial or accounting work, a two-year general education program and a two-year transfer program. In addition, it is possible to take the fundamental courses of a two-year technical training program. Arrangements for transfer of credits have been made with all Michigan colleges and many out-of-state colleges. No difficulties have been experienced by Community College students in transferring credits to other institutions.

Those interested in enrolling at the college may contact the college office, telephone 1462, or written requests for information will receive immediate attention.

You get a 3-way bonus in the car that's soaring to new success

WHAT has happened in the automobile business this year is something that you should take to heart—as a personal benefit to yourself, and as a sure way to pick a winner.

It is simply this: Buick has moved into the charmed circle of America's three top sales leaders—a circle once dominated only by the so-called "low-price three."

In plainer words—Buick today is outselling all other cars in America except two of these so-called "low-price three." And this has come about because of Buick's advanced year-ahead styling, great V8 power, big-car room and comfort—all for prices starting right close to the lowest. So you reap a worth-while 3-way benefit.

Now's the time to make your buy because—

vs.
Samuel B. Andrews, Alfred J. Sims, and Margaret Iverson, June Schebel, Alfred R. Sims, William Sims, Ralph Sims, Betty Sims, being the sole heirs of Margaret M. Sims, deceased, and their unknown heirs, devisees, legatees assigns.

ORDER FOR APPEARANCE
At a session of said court held in the courthouse in the City of Tawas City, Michigan, this 19th day of July, 1954.

Present: Honorable Herman Dehnke, Circuit Judge.

In the above entitled cause it appearing that the defendants, Ralph Sims and Betty Sims are residents of this State and that process for their appearance has been duly issued, and that the same could not be served by reason of their absence or concealment within the State, and that it cannot be ascertained in what State or County the defendants now reside; therefore, on motion of H. Read Smith, attorney for plaintiff.

It is Ordered that the said defendants, Ralph Sims and Betty Sims, enter their appearance in said cause on or before three months from the date of this Order and that within 40 days, the plaintiff cause this Order to be published in the Tawas Herald, a newspaper published and circulated within said County, said publication to be continued once in each week for six weeks in succession.

Herman Dehnke, Circuit Judge.

Take Notice, that this suit, in which the foregoing Order was duly made, involves and is brought to set aside a deed and to quiet title to the following described premises, situate and being in the City of East Tawas, Isoco County, Michigan, and described as:

Calendar:
August 31-September 3—State 4-H Club Show, Michigan State College.

We have been reading project reports. Some of our 4-H Club members have written in interesting comments about their project activity. We think you may enjoy hearing about what others do.

For instance, David Jacobs tells us he and his brother Nathaniel made a doll bed for their sister as a part of their handicraft work last winter. We bet sister was pleased to have it.

This summer David has been busy helping with a big garden. He says that they have been trying several varieties of different vegetables to see which do best on their soil and are best liked at the table.

Lots of good things to eat from the garden have made Clifford Bielby glad he is a gardener, even though hoeing and weeding in the hot summer sun was a pretty tough assignment.

It'll be four-needle knitting next time for Karen Helmbold, she is sure it will be easier to do mittens with four needles than with two.

The third knitting project was a big undertaking as compared to the second one, says Anna Szczepkowski, who learned to do the seed stitch, pick up stitches and to block a garment this year.

Nathaniel Jacobs found a shortage of good tools for doing handicraft really meant getting the job done the hard way, especially since he had hard wood with which to make his articles. He reports lots of practice with a handsaw, sandpaper, wood rasp and elbow grease.

"I have enjoyed my knitting project very much this year. I think one reason why I enjoyed it so much is because I looked forward to the day when I could put it on and say, 'I made it myself.'"

"I would like to mention, though, that there were many times when I got discouraged because knitting such a large article (sweater of sports yarn) is quite a job for a 12 year old. Of all my difficulties I think the worst one was when I ran out of yarn. All I had to finish on my sweater was a half-inch of plain on my right sleeve and the cuff. But then I found out that I did not have enough yarn and it was too close to fair time to order more.

"Luckily another girl in my knitting class was knitting the same sweater and even the same color. Well, I finally got my yarn

situation straightened out with the help of my leader and finished my sweater. I won a blue ribbon at the fair and I am very proud of my sweater." Written by Lorene Bielby, a 12 year old 4-H Club member in her third year of 4-H Club membership. She belongs to the North Haie Busy Beavers 4-H Club.

HDA NOTES

By Dorothy Scott

What about freezing fruits for use in special diets, such as for the diabetics?

Some fruits may be frozen without added sugar. Among them are berries, currants, currants, grapes and rhubarb. Some lose color and flavor frozen without sugar, strawberries are among them.

Fruits which turn dark upon exposure to air should be covered with water, and it is wise to add ascorbic acid (Vitamin C). Apples, peaches, sweet cherries and plums are fruits with this fault.

Three-fourth teaspoon ascorbic acid crystals, or 1,000 milligram in tablet form, may be added to one quart of cold water to make a solution to cover these fruits.

Non-sugar sweeteners may be added, either when the fruit is frozen or when it is thawed to serve.

Alkali will discolor aluminum cooking utensils, but they may be cleaned with steel wool or a mild acid solution, such as vinegar and water.

Needing a new raincoat in a fall school wardrobe? If the label says "waterproof" you will know that the fabric has been treated to shed water completely, even in a driving rain. Plastic coats and "slickers" are in this class. Remember that no air penetrates this type of raincoat and some people find it hot and uncomfortable.

"Water repellent" raincoats are comfortable because they maintain their porous quality, they are chemically treated to make them resistant to wetting. They shed water satisfactorily except in a prolonged, hard rain. When shopping for this type of coat, look for the close firm weave in either cotton, rayon, silk, nylon or blends. Look to see if the tag says the water repellent finish is durable or non-durable.

A quick way to loosen tomato skins for easy peeling is to dip the tomato in boiling water for a minute, cool it at once in cold water.

A suitcase of toys is a wise investment if you are travel-bound with small youngsters. Don't be shocked at the idea, give it some thought.

A variety of children's books, some to read, some to color. A doll that can be dressed and undressed, a favorite stuffed animal, toy cars for boys, a doll house for girls. Include a variety

of time-passers...a child's interest span is short.

Adequate wiring systems are an investment not only in home safety but also in efficient electrical appliances.

A daughter about to enter college? Is she still undecided about her curriculum, about what sort of career she wants?

Why not encourage her to consider a home economics career? Suggest that she talk it over with some home economics instructor, or home demonstration agent.

Home economists in business find jobs in many areas—advertising, consultants in public relations, radio and television, restaurant and hotel management, with equipment companies, textile, apparel, home planning and furnishing concerns and many others.

1 Traffic Accident Over Week End

One minor traffic collision was handled by the Michigan State Police Post at East Tawas during the past week.

A two-car collision occurred at the corner of Superior Street and the River Road in Oscoda last Thursday.

A car driven by Jeanne Bernice of Lupton failed to yield the right of way to a vehicle driven by Lester E. Shire. Damage to the Shire car amounted to about \$400. No injuries were reported.

Vocational Ag Teacher Asks Boys to Help Plan Work

Arnold Loomis, who took over the job of vocational agriculture instructor in Hale July 1, has called upon all the boys in vocational agriculture to work with them and plan with them for livestock and crop projects of their own for the coming year. These projects are a necessary part of the agricultural program since it brings practical application of things learned in the classroom to the boys' own farming situations.

Dale Bradley of the Farmers and Merchants State Bank of Hale has notified us that he will give 100 percent cooperation to boys in the way of financial help in starting their programs.

Arnold Loomis attended the annual conference of Teachers of Vocational Agriculture at Michigan State College the last week of July. The meetings with the cooperation of the Michigan State College teaching staff ran from 8:00 a. m. to 9:00 p. m. on topics which ranged from the coming use of atomic particles in crop fertilization to present feeding practices in beef production. These meetings were very informative and timely and we are looking forward to attending them again in the future.

Freund-Kendall

Miss Bette J. Kendall, daughter of Mr. and Mrs. Ray Kendall of Sand Lake, became the bride of William J. Freund at a nuptial high mass celebrated at the St. Joseph Church on August 7. The groom is the son of Mr. and Mrs. Guido J. Freund of Oscoda. The ceremony was performed by the Rev. Fr. Robert Neuman in the presence of a large number of friends and relatives.

The bride, given in marriage by her father, wore a gown of Chantilly lace over nylon and taffeta with a matching fingertip veil. She carried a blue rosary and a bouquet of white carnations centered with a lavender orchid.

She was attended by Mrs. Patrick O'Neil (Doris Parent) of Bay City as matron of honor, Mrs. Joseph Rabideau (Janice Parent) of Mt. Pleasant, cousins of the bride, and Miss Mae Kendall, sister of the bride, as bridesmaids. They wore blue and yellow gowns in ballerina length and carried bouquets of matching carnations.

A witness of the wedding was Eugene Freund of Oscoda, brother of the groom, was best man, Joseph Rabideau of Mt. Pleasant and David Schroek of Oscoda also assisted. Harold Rickel of Glennie and James Somers of Greenbush served as ushers.

Patrick and Karen Ann Ross, cousins of the bride, were ring bearer and flower girl, respectively. Karen Ann wore a pink gown and carried matching carnations.

Mr. Kendall chose a rose nylon dress with white accessories and a corsage of pink carnations. Mrs. Freund wore a gown of rose lace and matching accessories with a corsage of pink and white carnations.
 A wedding breakfast was served at the Lakeview Inn and a reception for 250 relatives and friends was held in the evening at the Knights of Columbus Hall. The wedding cake was topped with a miniature bride and groom and decorated with blue bells and rose petals.

The young couple went to the Upper Peninsula on a wedding trip.
 Out-of-town relatives were present from Saginaw, Bay City, Detroit, Grand Rapids, Standish, National City and the Tawasites.

Showers honoring the bride were given by Mrs. Guido Freund of Oscoda, also Mrs. John Skrocki and Mrs. Vern Kendall of Sand Lake.

Baseball

 out to lead off the eighth inning, three consecutive strikes by Groff, Herriman and Warner scored one run. Warner was thrown out at second base when he tried to stretch his hit into a double.

R. Anschutz doubled along the right field line to score one more run in that inning and Sterling erred allowed the fourth run to score. Tawas City had a 5 to 4 advantage before Peterson was able to put out the fire.

Sterling scored one run in the eighth inning without the benefit of a hit. A batter hit a pitched ball, a walk and one error accounted for the run. Mern Warner took over the pitching duties for Tawas City at this point.

In the ninth inning, Sterling overcame the one run lead held by Tawas and added an extra two tallies to win the game.
 Douglas opened the inning for Sterling by drawing a base on balls. Doyle grounded out third to first. Koelsch grounded out, but Douglas scored on an overthrow at third base. Tawas City contended that Sterling, third base coach interfered on the play with Clare Herriman, Tawas City third sacker, but the plate umpire ruled otherwise.

Tempers flared between the two teams over the calling of the play and a wild hassle resulted. One Sterling player was ejected from the game by Hubert Benson, the second and third base umpire. Sterling announced that the game would be protested, due to the ejection of the player, but dropped this decision after the final outcome of the game.

Later in the inning Sterling scored the winning run and added an insurance run when Tawas City's infield committed two errors.
 Tawas City made a strong scoring bid in the last of the ninth inning when Art Anschutz slammed one of Peterson's pitches into left field for a double. However, the veteran right hander silenced the bats of the Tawas City team by striking out E. Anschutz, Clare Herriman and Groff to end the game.
 Errors again proved to be the downfall for Tawas City. The locals battered three Sterling pitchers for 10 hits while the winners could muster only eight hits.
 During the seven complete innings in which Revord was on the mound for Tawas City, he was charged with four runs and seven hits. He was relieved in the eighth inning with two men on base by Warner. Warner al-

Mrs. Frank Humberger

Mrs. Frank L. Humberger of East Tawas, who had been ill for several years, died Sunday evening at Mercy Hospital, Bay City. She had been at the hospital for about three months.
 Funeral services were held Tuesday afternoon at the East Tawas Methodist Church. The Rev. Benjamin Whaley and the Rev. L. Wayne Smith officiated. The remains were taken to Ann Arbor and from there to Troy, Ohio, where burial took place Wednesday afternoon at the Riverside Cemetery, Dr. Robert Kennedy officiating.

Born in Miami county, Ohio, on May 9, 1893, she married Frank L. Humberger, June 11, 1912, at Troy, Ohio. Mr. and Mrs. Humberger came to East Tawas in the spring of 1944 and have both been engaged in music work in the community, school and Methodist Church. Mrs. Humberger directed the Methodist Church choir for years and assisted as organist. She also assisted her husband in directing cantatas and other community musical programs. She was a member of the Methodist Church.

Surviving are her husband; one son, Frank E. Humberger of Gates Mill, Ohio; a daughter, Mrs. Marie May Sherman of Alamogordo, New Mexico, and four grandchildren.

Mrs. Thomas McCormick

Mrs. Thomas McCormick of East Tawas died early Monday morning, August 23, at the Mitchell Convalescent Home, where she had been taken a month previous. She had been ill for more than a year.

The body was taken to the Moffatt Funeral Home where services were held Wednesday afternoon at 2 o'clock. The Rev. Benjamin Whaley of the East Tawas First Methodist Church officiated. Burial was in the Greenwood Cemetery.

Mrs. McCormick, the former Edith Louise Brooker, was born in Saranac, Canada, September 21, 1864. She was married to Thomas McCormick on February 24, 1911. She has been a resident of Alabaster and East Tawas most of her life.

Surviving are the husband of East Tawas, two daughters and seven sons. A former member of the Tawasites, Mrs. Mable Watson of Coleman, Mrs. Irene Isola of Dearborn, Harry Grossmeyer of Tawas City, Roy and Maynard Grossmeyer of East Tawas, Ted, Arthur and Ralph Grossmeyer of Flint and Charles of Alabaster. She also leaves a sister, Polly Moran of Algonac, 20 grandchildren and nine great grandchildren and several step-children.

lowed one hit, the long triple by Converse in the ninth inning and three unearned runs. He issued two walks, one intentional and Proulx in the ninth inning.

Shepard started on the mound for Sterling and was relieved in the eighth inning by Peston.
 With two hits each to their credit, R. Anschutz and Revord led the locals in batting. Veteran shortstop, Harry Koelsch, led Sterling with three singles.

The final 1954 league contest for Tawas City in the northeastern Michigan League. Several non-league games will be scheduled against other local county teams. No game is scheduled this Sunday.

Sterling will play Skidway Lake of the National Division to determine the league championship. Both teams have identical records of 13 wins and one loss. A three-game series will decide the championship team.
