Mr. and Mrs. Norman Anschuetz of East Tawas and Mr. and Mrs. John Minderman of Alabaster attended "The Messiah," given by the Choral Union at Ann Arbor last week-end.

Mrs. Percy Scott visited for several days this week with her son, Andrew Thibault, and family at Bay City.

The Ladies Literary Club will hold a Christmas meeting next Wednesday afternoon. A Christmas program will be given with the Rev. Benjamin Whaley in charge. The hospitality committee will be Mrs. C. A. Finkerton Sr., Mrs. L. G. McKay Sr., Mrs. T. Dimmick, Miss Ruby Evans, Mrs. Luella Ford and Mrs. Lawrence Gardner.

Grace Lutheran Sunday School Christmas program will be given Sunday evening, December 19.

C. of C. Board Elects Bronson President

Elwood Bronson was elected president of the Tawas Chamber of Commerce at the organizational meeting of the board of directors held last Thursday evening.

Other officers elected were: Walter Champion, vice president; Cecil Cable, secretary; and L. G. McKay Jr., treasurer.

Last year's officers were: Don Anderson, president; William Borosch, vice president; Cecil Cable, secretary; and L. G. McKay Jr., treasurer.

Mrs. L. G. McKay, home service chairman of the Iosco County Chapter, American Red Cross has called the attention of World War II veterans in this area to an extension of the period for filing claims for Michigan state bonus.

Application for the bonus will be accepted up to December 30, 1954, Mrs. McKay said.

Veterans who did not file in time to meet the original deadline now are encouraged to make application.

The filing period was extended by an amendment to the bonus legislation passed recently by the Michigan Legislature, according to Mrs. McKay.

Silver Valley to Have Something New in its Winter Sports Program

There is something new in the winter sports program at Silver Valley in 1955, it was announced this week by the Silver Valley Winter Sports Committee. They advertise a "free, all-expense paid, two-week vacation trip to Mexico, the New Orleans Mardi Gras or to Miami Beach, Florida, will be awarded to the winner of a popularity-personality contest."

The new contest will be open to any girl or woman from the ages of 16 or over, single or married, and a resident of Michigan. The Silver Valley Committee emphasized the fact that this is not a beauty contest and is one of the major features to be held in conjunction with the annual winter sports carnival to be held February 4, 5 and 6.

According to the committee, all contestants will be compensated. If the winner does not choose to take one of the trips, she may receive the equivalent in cash.

An entry blank and full details of this contest will be found on another page of this newspaper. All entries will be kept confidential until after an interview with the Tawas Winter Sports contest chairman.

A crew of workmen is presently working at Silver Valley in preparation for the nearing winter sports program. One crew of 15 men is setting up the new ski slope and ski tow which the committee promised earlier this year.

The work on the area is under the direction of John Pinter, general chairman, along with Carl Ecklund, Richard Harris, Ernest Larson and Dale Butterfield.

A carpenter crew is detailed to repair the toboggan lift and slides. A Consumers Power Company crew is repairing the electric facilities.

Recently the winter sports committee published an advertising brochure which will be distributed in the downstate area. The pamphlet, featuring action photos of winter sports activities in the Tawases, offers a complete listing of the facilities at Silver Valley.

Prizes Offered for Christmas Home Decorations

The Tawas City Garden Club is again sponsoring a Home Christmas Decoration Contest this year for all Tawas City residents. Divisions set up for the contest are as follows:

1. Most beautiful.
2. Most appeal for children.
3. Best portrayal of the Nativity.

The qualities the Garden Club is seeking are originality, simplicity of display and effective lighting.

Those who wish to enter their homes for judging please call either Mrs. Albert Mallon, phone 474-J; Mrs. Harry A. Goodale, phone 737-R; or Mrs. Walter Schuhmacher, phone 1133.

AMERICAN LEGION PLAN CHRISTMAS PARTY

The annual Christmas turkey dinner and party of the Audie Johnson Post and Auxiliary will be held at the Legion Hall Sunday afternoon, December 12, at 5 o'clock. Families of the post and auxiliary members are invited. Those attending are asked to bring fifty-cent exchange gifts and mark them for men or women. Parents are also asked to bring gifts for their children.

Santa Claus was on hand Saturday night to light the community Christmas tree at the city hall in Tawas City. In the above photo the old fellow is shown handling out candy to the children following the ceremony.—Herald Photo.

Old Santa was an important figure at the Christmas parade in East Tawas last Saturday afternoon. He is shown handing out treats to the youngsters from his caliope wagon parked on Newman Street.—Herald Photo.

Siefert Named East Tawas Alderman

Edward Siefert Sr. was appointed second ward alderman at East Tawas to succeed Roy W. Hickey, who had resigned. The appointment was made by Mayor Elmer Werth at last Monday night's meeting of the council.

Mr. Hickey spends his winters in Florida and he resigned so that the council would have a full attendance.

WOULD ORGANIZE CRIBBAGE CLUB

All persons interested in forming a cribbage club are asked to attend a meeting in the lobby of the Holland Hotel on Friday, December 10 (tonight), at 8 p.m. Those who cannot attend, but who are interested, telephone Val Fallu at 327-J2.

Mr. and Mrs. Karl Bublitz spent Monday in Saginaw.

Church Heads Businessmen's Association

The Tawas City Businessmen's Association named Russell Church, local insurance agent, as the 1955 president of the organization at the regular weekly luncheon Thursday noon. William Borosch was elected as the secretary-treasurer.

The association's Christmas program committee is arranging a program to be staged in Tawas City during the next two weeks. Members of the committee are: James Dillon, George Leslie and Nelson Thornton.

Christmas carols, gifts for the kiddies and a visit with Santa Claus will highlight the Saturday, December 18, program. Carols will be sung at the city hall by members of Mrs. Nyda Campbell Leslie's vocal class. The program will begin at 7:00 p. m.

The weatherman will have a hand in the program scheduled for Wednesday, December 22. On that date a sleigh ride party will be held, providing there is enough snow, at the city hall. Santa Claus will be the host to the children at this affair and will take the youngsters for a ride in his cutter.

The Christmas tree in front of the city hall, which Santa Claus officially lit last Saturday night, was donated to the businessmen's association and the city as a Christmas present to all of the youngsters of the community by Fred Swartz of Tawas City.

'Keep the Traffic Law and be Safe' Says Police Chief

"The smartest way to begin practicing 'Safe Driving Day' to be observed December 15 is to start keeping the traffic law in mind and obeying it to the letter," said Chief of Police George Ruth. "We are able to prove from accident records that over 90 percent of the traffic accidents are caused by specific violations of the law. If the records were better I am sure we could raise this figure to 95 percent. Accidents due to people falling asleep, roadways caving in or a wheel coming off represent a small percent of the total."

"When you look at it that way accidents are not accidental at all. Someone violated a traffic law and a collision resulted. It boils down to the fact that traffic violators are killing the people and violators are banging up and destroying automobiles," he continued.

The records show that most of the violation trouble comes from speeding, running red lights and stop signs, dangerous passing, dangerous left and right turns at intersections. Combinations of these frequently bring a charge of reckless driving, careless driving or a failure to have your car under control. Following too closely and the failure to yield the right-of-way are also common accident cases. Naturally too, there is the important charge of drunk driving. Too much alcohol makes a driver think he's too good, makes him want to drive too fast when he can't see as well, can't react as quickly and can't stop as well.

"If you will practice up on your driving by obeying these laws you will increase your chances of keeping out of an accident on S-D Day a great deal. And, of course, you have to keep on the lookout for some other driver who may disobey these laws. If you can avoid violations and avoid other motorists who commit violations you can avoid accidents," suggested Chief Ruth.

Tawas Beach Residence Destroyed by Fire Tuesday

Fire, which was thought to have started from a defective oil furnace, destroyed the interior of a summer home owned by Donald Rayburn of Bay City on the Tawas Beach Road Tuesday afternoon.

William Stonehouse, caretaker of the Tawas Beach Clubhouse, notified the East Tawas Fire Department of the blaze after he had noticed smoke coming from the structure.

Firemen fought the fire for several hours in an effort to save the furnishings.

\$1,115.00 Collected at Huber Benefit Supper

Hale "struck it rich" and "broke the bank" last Tuesday night, with Gerald Wyatt as Santa Claus and all Hale his helpers, when the Herman Huber benefit supper went over with a bang. Between 600 and 700 people were served and \$1,115.00 was collected.

Say They Will Try to Stop School Election

The Committee for Better Schools, which seeks to have the Fairgrounds used as the site for the Tawas Area Schools, is preparing to ask that the special school election, December 22 be called off, according to E. D. Durant, chairman of the committee, at a public meeting held Tuesday evening at East Tawas.

He said that a petition was being prepared to submit to the Department of Public Instruction seeking this end. A petition would require only 20 signers he said.

Tuesday evening's meeting was one of several at East Tawas called by the Committee for Better Schools. About 125 people were in attendance.

The petitions calling for the special election which will be held December 22 was signed by 1,396 residents from all sections of the Tawas Area School District. The petition asked the board of education to submit a \$375,000 bond proposal to the district for the construction of a new high school building. The petition proposed that the new building be constructed on property now owned in Tawas City by the Tawas Area School District. It consists of 28 acres of land, with gymnasium and other school buildings. The adoption of this site at the December 22 election will save the taxpayers of the district \$200,000.

The Committee for Better Schools, which opposes the present bond and site proposal, was instrumental in defeating the Neumann-Reinke site proposal in two previous Tawas Area elections. At the time of those elections, members of the Committee for Better Schools threatened to attempt to find a way to break up the district if the Neumann-Reinke proposal carried and insisted that the Fairgrounds was the only site they would support.

The Committee for Better Schools has retained A. J. Kinnane for its attorney. He is making a search for any technical flaw that may have developed in organizing the Tawas Area School District two years ago. The organization of the district was under the direction and had the approval of the State Department of Public Instruction.

Kinnane is at present checking the list of signers of the original petition asking for the organization of the new district. In this check, the validity of the signatures of five residents of Alabaster Township is questioned because they were not registered with the township clerk. The Alabaster petition carried 70 signatures, but the removal of five names would place the number below the required 25 percent. It was felt by Kinnane that a reasonable question of sufficiency had been found.

The electors of the districts involved approved the organization of the Tawas Area School District by a vote of 1,358 to 398 at the election held September 30, 1952. There was no question of the validity of the election then. Nearly everyone seemed to be pleased with the results. During the past two years the business of operating a school has been transacted in normal manner with no question of the validity of the district.

It is said by reliable authority, that in an attempt to set aside an election, proceedings must be started within the 30-day period after the election. It has been two years since the organization election.

Search Continues for Missing U. S. A. F. Jet Pilot

A vast army of sea, air and land searching parties continued to look for an ill-fated jet pilot today whose T-33 plane was reported to be missing on a training flight Tuesday night from Wurtsmith Air Force Base to New York.

A spokesman for the Wurtsmith Air Force Base stated Thursday morning that the missing pilot and his plane had still not been located.

Starting out on a routine flight from the base near Oscoda, the pilot, whose name was withheld, radioed back to the base shortly after a 6:15 take-off Tuesday evening. He stated at that time that he was having mechanical trouble with his plane.

The pilot gave his position as 11 miles southeast of Oscoda, placing him over Lake Huron. The pilot had flown to Wurtsmith on a training flight and was returning to his home base. After a fruitless search by

planes from Selfridge Field and Oscoda Tuesday night, a helicopter and light planes from the Michigan Civil Air Patrol joined the search on Wednesday.

United States Coast Guard rescue craft and Air Force crash boat joined in the search early Wednesday morning. Ground units from the air base, along with state police from East Tawas, Bay City and Bad Axe posts and sheriff's department officers from Northeastern Michigan counties continued in the land search.

A Tawas City resident, L. H. Braddock, whose home faces Tawas Bay on US-23, reported sighting an object floating in the bay early Wednesday afternoon.

After an investigation by the amphibious craft from the Tawas Point Coast Guard Station and a helicopter from Wurtsmith Air Force Base, it was thought to have been a branch of a tree floating in the water.

Two Tawas Couples to Observe Golden Wedding Anniversaries

MR. and MRS. NEWTON BOWEN

Mr. and Mrs. Newton Bowen of this city will celebrate their golden wedding anniversary Saturday, December 18, at the home of Mr. and Mrs. William Bowen, 12757 LaSalle Boulevard, Huntington Woods.

Mr. and Mrs. Bowen were married December 24, 1904, at the home of Mr. and Mrs. Bramwell C. Bowen in this city. They were attended by William Gauthier and Miss Sadie

Boomer. The Rev. E. King officiated. Mrs. Bowen is the former Matilda Gauthier.

They have two sons, William Bowen and Ronald J. Bowen; a daughter, Mrs. Marvel Pierson; six grandchildren and seven great grandchildren.

Mr. and Mrs. Bowen resided 42 years at Flint before returning to Tawas City to make their home. After Christmas they expect to spend the winter in Florida.

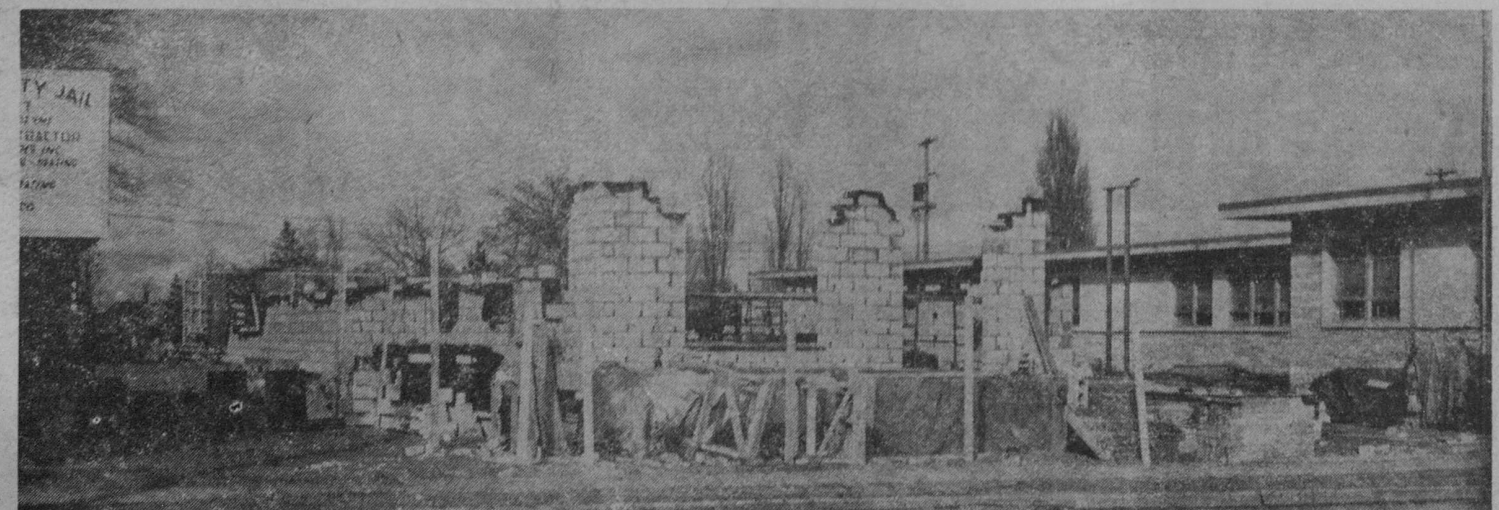

MR. and MRS. OTTO LOOK

Mr. and Mrs. Otto Look, well known Iosco County residents, will observe their golden wedding anniversary Saturday evening with a 6 o'clock dinner for relatives at the dining hall of Grace Lutheran Church, East Tawas, and open house from 2 to 4 o'clock Sunday afternoon at their home for their many friends.

Both Mr. and Mrs. Look were born in Germany and came to this country with their parents when very young. Otto Look and the former Emma Kasischeke were united in marriage December 14, 1904, at the Zion Lutheran Church, Tawas City.

They lived on their farm in Tawas Township for 41 years. Mr. Look retired from farming nine years ago when he and Mrs. Look moved to their home at 225 Fourth Avenue, Tawas City.

They have three daughters, Mrs. Arthur Zink of Port Huron, Mrs. Clyde Evril and Miss Esther Look of Tawas City; a grandson, Gary Zink, and a granddaughter, Ann Evril.

Plans Set For Fire Prevention Day

Plans for the first Fire Prevention Day in Tawas City and East Tawas are shaping up. A committee to handle general arrangements for the "super inspection" was announced this week.

Between 20 and 30 fire inspectors will be here January 18 for the program. The businessmen's associations of the Tawas are sponsors of the project.

Civic groups and the fire departments of the two communities are cooperating with the businessmen.

The purpose of Fire Prevention Day is two-fold. Fire inspectors conduct an educational program in each community, and they make inspections of business houses, public buildings, schools and churches.

The businessmen's associations have appointed co-chairmen to handle arrangements here. They are George W. Myles and John Elliott.

Members of the committee named this week to work on various phases of the project are Superintendent of Schools R. E. Mick, Fire Chiefs Fred Musolf and Edward Lixey, and Lou Gorham, Boy Scout executive.

Boy Scouts will actively participate in the project. Plans call for them to distribute posters and pamphlets.

In addition to that they will act as guides for the visiting fire inspectors.

CHRISTIAN SCIENCE

The effectiveness of scientific prayer in meeting human problems of every kind will be set forth at Christian Science services this Sunday.

Keynoting the lesson-sermon entitled "God the Preserver of Man" is the Golden Text from II Timothy (4:18): "The Lord shall deliver me from every evil work, and will preserve me unto his heavenly kingdom: to whom be glory for ever and ever."

Among the passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be the following (16:7-11): "Our master taught his disciples one brief prayer, which we name after him the Lord's Prayer: Our Master said, 'After this manner therefore pray ye,' and then he gave that prayer which covers all human needs."

From the Bible will be read the account as given in Matthew of Christ Jesus' instructions on how to pray which includes the

following (6:7,8): "But when ye pray, use not vain repetitions, as the heathen do: for they think that they shall be heard for their much speaking. Be not ye therefore like unto them: for your Father knoweth what things ye have need of, before ye ask him."

EARLY WINTER SCHEDULE NOW IN EFFECT

The early winter schedule of the Michigan State Ferries across the Straits of Mackinac, between St. Ignace and Mackinaw City, is now in effect. Highway Commissioner Charles M. Ziegler announces. The new schedule will be in effect through January 1, 1955, when the winter schedule will begin.

Boats are now leaving Mackinaw City every hour on the hour, beginning at 5:00 a. m. with the last boat at 1:00 a. m. Boats are leaving St. Ignace every hour on the hour, beginning at 4:00 a. m., with the last boat at 12 midnight.

Bible Comment:

Our World Needs The True Peace Of Christmas

SINCERE Christians the world around can not help but be deeply troubled, especially at the Christmas tide, with the contrast between the peaceful mission purpose and message of the Christ Child and the condition of our world.

When we turn to the discrepancy between this world as it exists and the Gospel of Him whom we call "The Prince of Peace," we experience the full impact of this difference.

This is not a world of peace in which the Christ has conquered, however much He may have conquered in the hearts and souls of many believers.

Among these sincere believers in the Prince of Peace, however, there is also a great discrepancy in practical attitudes as they face the teaching of Jesus, and the problem of peace in a warlike world.

Some we may call nonresistants, rather than pacifists (for all true Christians are pacifists, even those who engage in war on behalf of peace against violence and aggression). These believe in the literal following of the Master's command to resist not evil.

Others take the more common attitude of supporting their governments and people against attack, of meeting violent aggressors with adequate measures of protection.

Either way, the Christian is faced with a dilemma, and a problem in which he can find little anticipatory satisfaction of solution.

But we can live in the spirit of peace, and live and hope and pray for peace, and believe in the Christ, who has conquered, but who has still much more to conquer.

The SNAPSHOT GUILD

Color pictures, indoors and out, will keep happy holiday memories bright and fresh.

Color Is a Must at Christmastime

Christmas is without a doubt the most colorful of all the holidays. The picture-taking opportunities it offers are such that color film in your camera is a must—whether you are using a miniature camera for color transparencies or a box-type camera for color snapshots.

Don't keep your camera indoors all the time during the holiday season—but remember that there are two types of color film. One is for indoor pictures, the other for outdoor. However, if you've been outside shooting the wreath on the front door, and want to go inside to snap the decorations of the mantel piece—you can without changing film. The secret lies

in the flash bulb you use. Now is the time for the blue ones—because they simulate outdoor light and enable you to take good indoor pictures with daylight film.

If the situation is the other way around, you can go outdoors with indoor film if you have the right type of filter for your camera. Talk to your photo dealer about this. He'll tell you what to buy. They're inexpensive and will increase your holiday picture-taking opportunities.

When you are shooting your outside decorations, pick a sunny day, especially if there is snow on the ground. On a dull day, it'll look dull and half its charm is in its sparkle. —John Van Gulder

American Legion Auxiliary
The Audie Johnson Unit, American Legion Auxiliary, met Monday evening at the Legion Hall. Mrs. Evelyn Price was in charge of the business session.

Plans were made for Christmas work. Twenty dollars was donated toward the Tawas Kiwanis Club Christmas program. Twenty-five dollars was donated to the Betty Dresden Polio Fund. Shut-ins of the community will be remembered at Christmas time. Mrs. Gertrude Kunze, rehabilitation chairman, reported packages valued at \$62 were sent to Veterans Hospital, Battle Creek.

Mrs. Beatrice Cornett was elected to membership.

After the meeting refreshments were served by the following committee, Evelyn Price, Mildred Gardner, Mary Anschuetz and Agnes Gentry. Table decorations were red candles and Swedish Christmas angel chimes.

Irene Rebekah Past Noble Grand Hold Christmas Party

The Past Noble Grands held their Christmas party last Wednesday evening at the I.O.O.F. Hall. After a turkey dinner at tables decorated with red candles, Christmas figures and tiny decorated Christmas trees, a Christmas program was given. Mrs. Laura McKenzie was in charge of the program which consisted of recitations, dialogues and songs by members taking the part of children. Some members dressed for the parts. Mrs. Vergil Butler and Mrs. Beatrice Grossmeyer were in charge of the gift table. Gifts were exchanged and games with prizes finished the evening's entertainment.

If you do not succeed in making a lot of money, you will probably escape much needless worry in life.

Burleigh News

Mrs. Wilbur Runyan was hostess to the South Mills Home Demonstration Group on Friday evening. Mrs. Nelson Provoast joined the group at this time making a total of 15 members enrolled, two of whom were absent at this meeting. Programs were planned by the group for the remainder of the club year. A lesson on Christmas greens was presented by Mrs. Glen Peters and Mrs. William Sheffer. The next meeting will be January 7 at the home of Mrs. Martin Stegert at which time a lesson on textile painting will be given.

The Burleigh Rural Ladies met Thursday at the home of Mrs. William Sheffer with Mrs. Arthur Derr assisting. Twenty members were present. Plans were made for the annual Christmas party which will be held December 16 at the Grange Hall.

Carl Smith is a patient in the Saginaw Hospital. His wife, Pauline, and Mrs. Wilbur Runyan spent the week in Saginaw and Freeland and visited Carl while there.

Mrs. Eva Goupil underwent minor surgery at the AuGres Hospital last Tuesday. Since then she has been staying with her father, Grover Lamson, in Prescott.

Congratulations are extended to Mr. and Mrs. Phillip Partlo, newlyweds of November 27. Mrs. Partlo is the former Miss Elva Hinkley, daughter of Mr. and Mrs. Clark Hinkley. A bridal shower was given the bride on December 19 at the Turner Fire Hall. A wedding reception and dance were held at the Turner Community Hall following the ceremony. The happy couple have moved into the tenant house on the East Partlo farm.

Mr. and Mrs. Nelson Provoast spent Tuesday in Bay City.

Mrs. Joseph Jaglin and Mrs. Orville Beller and daughter spent Thursday in Bay City.

A. B. Schneider and Joseph Jaglin were at Tawas City on business one day last week.

Frank Smith of Sherman Township visited with relatives here Wednesday evening.

Orville Beller took a load of logs to Bay City Monday.

Mr. and Mrs. Joseph Jaglin, Mrs. Orville Beller and A. B. Schneider were at West Branch Tuesday.

Victor St. James lost five head of his herd of cattle that were in a pasture at Sherman during the summer.

Frank Bernard of Prescott was a caller here Sunday.

Forest Fires are Almost Entirely Man Made

Forest fires, a prime waste of the nation's natural resources, are almost entirely man made. But, contrary to popular belief, the major culprits are not campers and outdoor smokers, according to Dr. Marion T. Hall, botanist at Cranbrook Institute of Science, Bloomfield Hills.

Use of fire to clear land is the leading cause of wildfire and timber destruction, national studies have shown. And one of the most tragic aspects of this fact, Doctor Hall says, is that fire is generally the poorest method of eliminating unwanted growth.

Since fire is a deceptively simple and easy way of opening land areas, its application has been common throughout the world in all periods of history, particularly among nomadic peoples who depend on grazing and hunting for food.

American Indians, long before the coming of the white man, actually shaped the present landscape of the West with fire. The slash-pine savanna country of the southeastern coastal plains, and the shrub sections of the west coast resulted from burning off forest areas to provide better grazing for buffalo and other herds.

Sometimes fire was used as a hunting weapon. Before white men brought horses to the West, Indians would set a semi-circle of fires around a herd, driving it off a cliff or canyon rim so that dead or injured beasts could be readily butchered.

Today in the South, where plant growth is rapid during a single season, controlled burning at carefully spaced intervals may be valuable in ridding grazing areas of woody stems.

But in Michigan, and similar northern regions where plant growth and succession is slow, fire is generally a poor tool for "enriching" pastureage. Bluegrass, for instance, is greatly weakened by fire.

Weeds usually thrive in pasture that has been "greened-up" by fire. Ash, which contains a large amount of minerals, nourishes plant fruits and flowers. But at the same time, the burning which produces the ash also draws off nitrogen essential to sturdy vegetable growth. These chemical changes work to the advantage of weeds.

One distinct fault of fire is that it destroys all plant and animal inhabitants in the rich top dressing of the soil. These living organisms carry on many processes, both chemical and physical, that are essential to the fertility and improved structure of useful vegetation.

And, when fire goes beneath the top soil, which it frequently does, it completely disrupts organic content, biochemical processes, soil moisture and acidity. In this circumstance normal plant growth ceases entirely, leaving the land open to wind and water erosion.

The most serious immediate effect of fire is on wildlife. Aside from outright slaughter or injury of innumerable animals, including ground-nesting birds, the destruction of food eventually starves many more, and tends to create a biological desert. Even local water supplies are polluted by alkali from the ash.

Tuesday, January 25—"Barnyard Economics," Everett Elwood, Michigan State College economist, "You and Social Security."

Wilton Finley, animal husbandry specialist, just sent a summary and report on the October Hereford Calf Association sale. He also included a brief summary of the Chicago feeder cattle show and sale that was held the latter part of October. Here they are for comparison:

Chicago (Average Prices)		West Branch	
Wt.	Price	Wt.	Price
Steer calves	414 \$25.42	390	\$24.50
Heifer calves	374 19.21	357	19.32
Yearling steers	716 22.22	618	20.08
Yearling heifers	638 18.68	616	16.66

The crowd was not large at the 10th Annual Northeastern Michigan Hereford Feeder Calf Association Sale held at West Branch Thursday, October 21. However, the demand for steer calves remained strong throughout the entire sale. Heifer calves moved at \$5.00 per cwt. lower than steers of equal quality and should therefore provide a desirable market through which new owners may market the 1954 corn crop.

The 731 steers averaging 390 pounds per head sold at \$1.65 per cwt. more than those of a year ago. The West Branch area suffered for rainfall during the summer months and the calves this year averaged 14 pounds per head lighter than last year, coming to market with less finish and less bloom than was true during past years. The 484 heifer calves averaging 357

pounds sold at 64 cents per cwt. lower than a year ago.

The steer prices varied from \$19.25 to \$30.25 with most lots selling close to the average of \$24.50. The top price was paid to Wilmer Bradley of Prescott for nine top quality thick fleshed 348 pounders by Vernon Longman of Climax. The steers will be used for 4-H projects in Kalamazoo County. A second group of top quality 262 pound calves consigned by Donald Keyes of West Branch were purchased by Archie Mayberry of North Branch at \$27.00 per cwt.

The heifer calves sold from \$15.75 to \$24.25 with most lots selling close to the average of \$19.32. Harry McDougal of Glennie consigned the most popular lot which was purchased by Bruce Lowe of Snover. The McDougal heifers were judged as the first place pen. The second place pen of heifer calves were shown by Elmer J. Britt and Sons of Turner and went to W. Doney of Richland at \$22.25.

In the steer show, first place was won by Ward Small and Son of Curran. Their pen of 12 366-pound calves were purchased by Gratiot County 4-H Clubs at \$26.00. The second place pen was consigned by the C. T. Prescott and Sons Ranch of Prescott and sold at \$26.00 to Walter Loesel of Birch Run.

The 1,215 calves brought their consignors a total of \$101,775.55.

On September 23 the West Branch association sold its yearling cattle, with 227 steers weighing 618 pounds bringing an average of \$20.08 per cwt., while the heifers averaging 616 pounds sold at \$16.66 per cwt. The yearlings totaled \$32,395.00.

As you can readily see the locally produced feeder cattle sold at slightly lower prices than farmers paid this central market in Chicago.

The above is Mr. Finley's story in the entire one of the Hereford Calf Associations' 1954 sales.

I want to clarify a statement I made in last week's column, in regards to cost of lime to our Losco County farmers. I stated our limestone costs less than \$4.50 a ton. Those farmers who have never applied lime on a given field can actually get lime at a cost of approximately \$3.50 per ton. This they can do when they file application with Mrs. Mary Byrd in the A.S.C. office and that application is approved. Those farmers who do not wish to file an application can get their dolomitic limestone at a cost of \$6.80 per ton spread on the fields. Regardless of how you figure it, a return of \$22.00 per acre in three years for an investment of \$6.80 (or even \$10.00) is a good return.

All these facts and figures brings to mind another statement I heard recently, "A good set of farm records is almost like having an extra hired man around the farm these days."

They'll really work for the farmer that keeps them next month when he comes to filling out his income tax return and his state business receipts tax return. This is especially true this year, since there are six new income tax regulations

which the farmer with adequate records can take advantage of. The record book will be back on the job again a year from January when it will be time for Losco County farmers to file their first social security tax return. And the extra "hired hand" will be on the job all year around for the most important job of all—helping the farmer study his farm business and discover improvements which will make him more money.

There are a number of good farm record books available to Losco County farmers, but one has brought the most favorable comment from farmers is the Michigan State College farm income tax record book. Farmers who have kept it report that it's unusually easy to keep and that it really fills the bill at tax time.

The Michigan State College farm income tax record can be obtained at the Peoples State Bank in East Tawas or in our office in the Federal Building, East Tawas.

Right now is the time to check the rations of bred ewes to assure a healthy lamb crop next spring. That's the word from Graydon Blank, extension sheep specialist at Michigan State College.

Blank points out that ewes often reach a low ebb of nutrition during the winter. Ewes should be put on a proper ration at breeding time and there should be sound practices followed until spring.

"THE HOLY NIGHT"—Virgin and Child, principals of the most joyful moment in the drama of Christianity, form the radiant focal point of 15th Century artist Antonio Correggio's famous painting, "The Holy Night." The original hangs in Dresden, Germany.

No other gas pedal gets action like this!

THIS pedal does more than just feed gas to an eager and high-powered V8 engine.

When you give it the extra nudge that moves it beyond the full throttle position, something happens that never happened before in an automobile.

You hear a businesslike purr, which tells you that twenty power vanes, deep inside the 1955 Dynaflo Drive,* have changed their pitch—just like the variable pitch propellers on a modern air liner.

And with the same result in the way you get-up-and-go, with a safety-surge of power for pulling out of a tight spot on the highway.

Words can't describe it. It's a new sensation—something you simply must try for yourself.

There's nothing like it on the 1955 new-car horizon.

Fact is, there's a whale of a lot to see and sample at your Buick dealer's.

There's fresh new styling. There's higher horsepower in every Buick V8 engine. There's a new Airpower carburetor. And

beneath it all there's good old-fashioned integrity in every nut, bolt and rivet.

But, this year, don't simply make a visit to the showroom where these trim and thrilling new beauties are on display.

The smart thing to do—if you want to know what's what in new automobiles—is to get behind the wheel of a 1955 Buick and drive it. How about doing that soon?

MANGER SCENE COMES ALIVE—Story of the Birth of the Christ Child is reverently re-enacted in the village of Rivisonoli, Italy, annually during the Christmas season on the night of the Feast of the Epiphany, Jan. 6. This was the traditional date to celebrate Christmas until the Fourth Century, when the celebration was assigned to Dec. 25. In the re-enactment pictured above, the infant is played by the son of a real carpenter, as was the Holy Child. Joseph is played by a 60-year-old shepherd, and a 29-year-old woman plays the Madonna.

TWENTIETH CENTURY CLUB

The naming of a favorite Biblical character or quotation was the roll call for the Twentieth Century Club last Wednesday evening. Mrs. Ira Horton was program chairman.

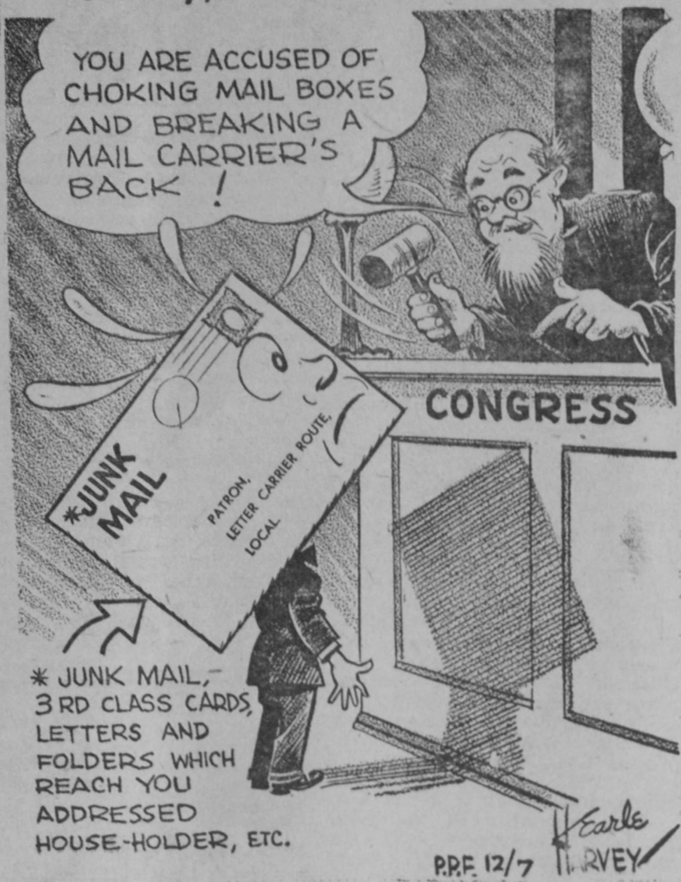

The history of five local churches was presented. Mrs. George Rice presented the history of the Christ Episcopal Church at East Tawas; Mrs. William Leslie, the history of the Tawas City Baptist Church; Mrs. Karl Bublitz, the Emanuel

Lutheran Church; Mrs. William Ulman, the history of the Latter Day Saints Church, and Mrs. Horton gave the history of the Tawas City Methodist Church.

The Christmas party will be held December 15 with Mrs. George Leslie as chairman of the program. There will be no exchange of gifts but the money will be given for the Betty Dresden Fund.

Hostesses were Mrs. Harvey Abbott, Mrs. Neva Anderson and Mrs. R. E. Mick.

Cardinals Open Season With 4 Straight Wins

Whittemore's Cardinals blew the lid off the 1954-55 basketball season with a twin victory over Pinconning St. Michael's on the Pinny floor Friday evening. Coach Edward Dudo's varsity squad had an easy time bringing home a lopsided 70-33 victory.

With Pinconning being unable to match the height of the visiting team, Coach Dudo used his reserves freely. The Card's fine defensive work held the opposition to 12 field goals while Pagel, six foot eight inch center, was dropping in 27 points with Roger Hall right behind him with 21.

The Cardinal reserves also won, taking a 47-31 contest. Harold Provoost led the way with 12 points. Bourcier scored 16 for the losers.

The Cardinals handed the visiting West Branch St. Joseph squad a double defeat when the varsity walked off with an easy 55-42 win Tuesday night. The reserves also won, downing the visitors to the tune of 46-26.

Coach Dudo's Red Birds built up an early lead and then coasted home with the reserves playing a large part of the time. West Branch was not able to stop the taller Whittemore lads from having complete control of the backboard, especially Francis Pagel, center, who racked up 20 points for top honors. Demay scored 17 points for the losers.

Home Demonstration Group Holds Christmas Party

Members of the Whittemore Home Demonstration Club made plans for their Christmas party at the Monday evening meeting. The party will be held at the home of Mrs. Ernest Smith on Monday, December 13. Fifty-cent gifts will be exchanged.

Decorative ideas for Christmas were given by leaders, Mrs. Leo Sylvester, Mrs. Theodore Bellville and Mrs. Sterling Cataline. Wreaths, corsages and table and home trimming ideas were on display.

A delicious lunch was served by the hostess, Mrs. Leo Sylvester, at the close of the evening.

Chances appear fair that 1955 will see a Big Four meeting, which would be a major step in one direction or the other, depending on the strength of the position taken by the United States, Britain and France.

OPEN EVENINGS FROM DECEMBER 15

Whittemore News . . .

Whittemore Chapter, Order of Eastern Star, held its regular meeting Thursday night with a good attendance. The Star point of Ruth, Edith Prescott, and C. T. Prescott, sentinel, were installed by Winifred Charters and Frances Jackson due to not being able to be present for installation. Plans were made for a Christmas party to be held at the January meeting. The worthy matron announced that a school of instruction would be held on Thursday night, December 30. Lunch was served on pretty tables decorated in keeping with Christmas.

Mrs. Henry Hasty underwent a major operation at Tolfree Hospital, West Branch, Monday morning. Her condition is improving.

The Whittemore Women's Club met at the home of Mrs. William Curtis Wednesday night with 17 members present. Due to the illness of the president, Mrs. Lulu Dahne, the vice president presided over the meeting. It being hobby night each member brought some article they had made to be sold later. Mrs. Mildred Bero displayed several articles she had painted and explained many things about her hobby of painting. Several articles made by Mrs. Lave were on display. Delicious refreshments of salad, nut bread and tea were served by the committee.

Word has been received from Mr. and Mrs. Joseph Lomason that they had arrived safely in Tampa, Florida, where they will spend the winter.

Mr. and Mrs. William Fuerst and Mr. and Mrs. Arden Charters spent Monday in Grand Rapids.

Claiborne Smith and son of Detroit spent Sunday with his parents, Mr. and Mrs. Hersey Smith.

Mr. and Mrs. George Jackson left Sunday for Florida to spend the winter. They planned to visit until Tuesday in Lansing and Eaton Rapids.

Mrs. William Kerr and family of Flint spent the week-end with her parents, Mr. and Mrs. Frank Gordon.

Mrs. Thomas Ruckle left Sunday for London, Ontario, to spend the winter with her sister.

Mrs. Martin Kasische and two daughters and Mrs. Simon Goupil of Tawas City spent Sunday afternoon in town with relatives.

Mr. and Mrs. Norman Schuster and two daughters of Saginaw spent Sunday in town with relatives. They will leave the last of the week for a three-week vacation at Tarpon Springs, Florida.

Mrs. Gunnar Brevik entertained four little girls and boys at a birthday dinner Sunday in honor of her daughter, Marilyn's, sixth birthday anniversary.

Mrs. Laurel Lave received word Monday morning of the death of her sister-in-law, Mrs. William Bisbin of Detroit.

Dewey Thompson is home after 17 months in Korea. He has received his discharge. He is the son of Mr. and Mrs. Clair Thompson.

'Keep Five Alive' Says Sgt. Chaput

"Keep Five Alive" is the slogan of the Michigan State Police in connection with S-D Day—Safe Driving Day—which is to be observed nationally December 15, according to Sergeant Joseph Chaput, commanding officer of the East Tawas post, Michigan State Police.

S-D Day, sponsored by the President's Action Committee for Traffic Safety, has been set up as a challenge to motorists and pedestrians alike to go 24 hours without accidents.

"The significance of 'Keep Five Alive' lies in the fact that last year there was an average of five traffic deaths each day in Michigan," said Sergeant Chaput. "We're calling on drivers and pedestrians to show that we can save these five lives by having a death free day through careful driving and walking."

"We're asking them not to be involved in one of the more than 500 accidents that occur in our state each day and to avoid being one of the 160 persons injured in them or to cause the injury of anyone. This may sound like a large order, but it can be done if everyone faithfully observes all traffic regulations, practices courtesy to the driver and pedestrian and gives full attention to what he is doing."

The sergeant pointed out that President Eisenhower, himself, has appealed for observance of the day and that Michigan, as the automobile state, has a special responsibility to cooperate fully and "Keep Five Alive."

President Eisenhower has asked the senate to ratify the Paris agreements that will bring West Germany into the Atlantic alliance with 500,000 troops.

Past Matrons Meet

The Past Matrons Club of Iosco Chapter, Order of Eastern Star, met at the home of Mrs. Ada Fredland Tuesday evening for its annual Christmas party. At the business session, presided over by Mrs. Genevieve Lomas, president, the ladies voted to purchase a white satin altar cloth for chapter use.

Election of officers was held and the following officers were elected to serve during 1955: President, Mrs. Edna Hughes; vice president, Mrs. Nina May; secretary-treasurer, Mrs. Grace Miller.

Christmas program selections were given by Mrs. Laura McKenzie and Miss Helen Applin. Christmas gifts were exchanged and refreshments suggestive of Christmas were served. Assisting the hostess was Mrs. Rose Pollard.

Announce Winners in 'Buck Contest' at Whittemore

The Whittemore Chamber of Commerce announced the winners of the annual "Buck Derby" at its meeting December 2. Theron Partlo of Whittemore and Joseph Harger of Flint each shot 173-pound bucks and shared the first prize. Clarence Zimmerman of Prescott was the winner of the "widest horn spread." The smallest buck weighed in was 87 pounds, shot by Fred Perry of Flint. Checks are being mailed to the four winners.

Plans were completed for the appearance of Santa in Whittemore stores on Saturday afternoon, December 18, and at the Community Christmas tree with treats for the kiddies on Friday afternoon, December 24, at 4:00 p. m.

The Retail Merchants Committee announced its Merchant Appreciation cash prizes to be given away at the Christmas tree on December 24.

Stanley Osinski, president, introduced Charles Bailey, a member of the Whittemore city council, who spoke on "Community Improvements in Whittemore." He called attention to improved roads south and west of Whittemore, as well as Main Street with curb and gutter.

Recent new buildings are the elementary school and school garage, Rama Motel, Collins Store, Methodist Parish House, Northern Telephone Exchange, Baptist Church, Shell Oil Station, Paragon Feeds, Incorporated, and Grabow warehouse. New gasoline stations are now under construction by Thad Hall and Arthur Aulerich.

Extensive improvements have been made at the Whittemore Race Track, grandstand, Don's Cleaners, the high school and the city library.

New business people in Whittemore are Dr. James Scheule, M. D., Dr. Irene Milligan, chiropractor, Herman Herriman of Herriman Hardware and Variety Store; Mrs. Effish Pipeash and Mrs. Rosaland Prescott of the Whittemore Beauty Shop; Maurice Belleville of the Bellville Speedway; Gasoline Station, William Finerty at the Television Shop, and Mr. and Mrs. Carl Youngs' Friendly Cabins. They were introduced at the last meeting.

Mr. Bailey pointed out that many times people fail to realize the improvements going on in the community. He proposed that everyone be aware of progress being made and be willing to speak in behalf of the achievements in the community. Road conditions in the area were discussed. The major project of the Whittemore Chamber of Commerce is to see M-65 improved to Hale as well as other roads improved in the area.

The next meeting will be held January 20.

KEY FOUND; HOTEL GONE

A hotel key was received at the Ishpenning post office recently, mailed by some forgetful guest. The tag was marked, "Room 16, Nelson House." The only trouble about the whole matter is that the Nelson House was destroyed by fire—in 1929.

Foil Wrapping, High Heat Cuts Fowl's Roasting Time

BY DOROTHY MADDOX

THERE'S something new in chicken and turkey roasting. At the recent Newspaper Food Editors Conference in New York we learned how it's done—quick, and with high heat.

Eleanor M. Lynch of Reynolds Metal Company explained that the revolutionary high-speed method cuts the roasting time approximately in half.

Here's how you do it: Instead of the usual low temperature of 300 degrees F., use a very high temperature, 450 degrees F. Instead of stuffing the turkey, bake the stuffing separately. Wrap the turkey completely in aluminum foil during all but the last 30 minutes of the roasting time.

With chickens and small Beltville-type turkeys, the saving in time is great. A 3½ to 4½ pound eviscerated, broiler-fryer type chicken may be roasted in one hour and 45 minutes as against 2½ to 3 hours by the low-temperature method. A 6-pound eviscerated Beltville-type turkey can be roasted in 2¼ hours as against 3½ hours by the low-temperature method.

Reports from housewives state that these chickens and turkeys rate high in flavor and moistness. And since the juice can't evaporate, you have all the makings for wonderful gravy right at hand.

Directions for Foil Roasting

Prepare chicken or turkey for roasting, as usual. Truss. Wrap in heavy-duty aluminum foil. Overlap the foil over breast of turkey; fold top foil down at neck and drumstick ends. Bring underneath foil up, letting it extend 2 to 3 inches upward. Place

Cook foil-wrapped fowl at high temperature for a new taste treat.

wrapped bird in shallow roasting pan. Roast at 450 degrees F., according to following instructions:

Eviscerated Weight	Time
3-4 pounds	1½-1¾ hours
4-6 pounds	2-2¼ hours
7-9 pounds	2¼-2½ hours

In each instance, open foil during last 30 minutes for browning.

NOTE: Testing was done with both stuffed and unstuffed birds. It made no difference in roasting times.

Having completed recruit training at Parris Island, South Carolina, on November 17, Woman Marine Private Shirley M. Hansen, daughter of Mrs. Ray Kaufman of 215 Dwight Street, Oscoda, is interviewed by Col. Julia E. Hamblet, director of Women Marine facilities here. While on an inspection tour of Women Marine facilities here, the colonel requested suggestions and criticism from members of the graduating recruit class in order to better the training of future Women Marines.

than any other. (Cambridge University Press \$3.25.)

"Child's Book of Knitting" by Edith Jay. Instruction for a beginner in knitting, presumably a child, with full details on how to make such articles as a purse, twin dolls, a hat, slippers, and a vest. (Greenberg \$1.50.)

"The Beginner's Book of Power Tools" by Frank Hege-meyer. This book begins where others published in this field stop. It covers the whole range of power tools completely and thoroughly, such as the use of the circular saw, the jointer, the drill press, the band saw, the scroll saw, the lathe, the sander and the spindle shaper. (McBride \$2.25.)

"How to Make a Home Nature Museum" by Vinson Brown. Practically everyone likes to pick up things on outdoor rambles. Shells or leaves or stones or feathers; moths or flowers; mosses or snake skins; abandoned nests or deserted eggs—all these and more find their way home in someone's pocket or sack. But what happens then? To the trash can and away? You've missed half the fun. This book shows you how to have the rest of the fun—by arranging your collection so it

has real meaning, and how to display them so others can enjoy them, too. (Little \$2.50.)

Next week the Bookmobile schedule is as follows:

Friday, December 10—Hale School, Hale downtown.

Monday, December 13—Maple Grove School, Jarvis School, Pine River School, Arenac School.

Tuesday, December 14—Omer School, Omer downtown.

Wednesday, December 15—AuGres School.

Thursday, December 16—Sterling School, Sterling downtown.

Friday, December 17—Sherman School, Arenac Eastern School, Twining downtown.

Lamb Pool Scheduled At West Branch

At a recent meeting of directors at West Branch, a Wednesday, December 15 lamb pool was scheduled. A change in handling of lambs was made as a result of the board's action.

All lambs brought in will be graded, weighed and sold at the West Branch yards. The farmer

will be paid on the basis of the weights he receives at the West Branch yards.

Another interesting change will be a reduction in the cost of marketing from \$1.10 per head to only 45 cents per head.

The pool will operate between 9:00 a. m. and 2:00 p. m. Any sheep raiser can take advantage of the pool. Bring your sheep and lambs, watch them graded, weighed and sold.

Know Your Library

From time to time we have mentioned adult books in which we were sure adults would be interested and children's books in which we felt children would be interested. This week, we wish to particularly call the attention of adults to children's books in which we know you will be interested and which may be borrowed from your branch library or Bookmobile. Any of these books would also make an excellent Christmas gift.

"First Rifle" (How to Shoot it Straight and Use it Safely) by C. B. Colby. One of the reddest of red-letter days in the life of any boy (or girl) is the day when he becomes owner of his first rifle. It not only marks the beginning of a long and worthwhile friendship between himself and his firearm, but it is a very real recognition of his maturity. C. B. Colby has packed into this 48-page "classroom" rifleman should take onto the range or into the field for good shooting, good fun and good safety. Various rifles are discussed, slings are described, targets and scoring are given attention, and sighting and

squeezing the trigger are given wide and important coverage. (Coward \$1.00.)

"Oil Painting for the Beginner" by Frederic Tabu. It can be said without prejudice that no other volume performs nearly as well as does this present one the difficult task of helping the beginner over those early stumbling blocks which so frequently prove a deterrent to sound progress. Starting with the assumption that the reader knows absolutely nothing about the subject, the author first describes the necessary equipment and offers definite exercises in its use. With such elementary matters as the mixing and applications of colors disposed of, he leads the reader by easy degrees through the painting of all sorts of subjects.

"Never Too Young to Earn" by Adrian Paradis. Every high school girl who needs extra money, and what high school girl doesn't, will welcome this practical and entertaining book. It's chock-full of ideas, 101 of them on part-time jobs that spell fun and profit for teen-age girls. Besides these matters, the book discusses other important factors: The question of "atti-

tude" and how vital it is to have the right attitude; the importance of courtesy and dependability; the value of money and of keeping daily or weekly accounts; the advantages of starting a regular plan for saving. (McKay \$2.75.)

"Leads" by Harry Zarchy. Fishing is fun. And for those who wish to join in the fun but don't know how, when, or where to begin, here is just the book. Harry Zarchy has packed his pages with practical information on equipment, casting bait and lures; characteristics of various fish, tackle-making and repair as they apply to both fresh and salt water. No previous fishing knowledge is necessary for the understanding and use of this book. Nearly every page is illustrated to further explain the simple text. (Knopf \$3.00.)

"Fun for One—or Two" by Bernice W. Carlson. You can have fun by yourself. This book is full of all kinds of things to do and make. The directions are clear and easy to follow. The author has had wide experience as Brownie Scout leader, as dramatic club director and as camp counselor. She knows just what will interest boys and girls. (Abingdon Press \$2.00.)

"The Real Book About Camping" by James Roberts. Starting with basic "back-yard" camping, this lively, interesting book gives pointers that will help beginners and experienced campers plan successful trips. (Garden City \$1.25.)

"Everyday Machines and How They Work" by Herman Schneider. Explains in informal and interesting language the working of all kinds of household machines and devices. (Whitless House \$2.75.)

"How Your Body Works" by Herman and Nina Schneider. Health is a major curriculum area in most every modern elementary school, but there has been no well-organized book covering the subject of physiology alone, for these grades, for almost 15 years. Herman Schneider, science coordinator for a group of 25 schools, knows of the need for this material and has specifically planned this book to meet the need. (Scott \$2.75.)

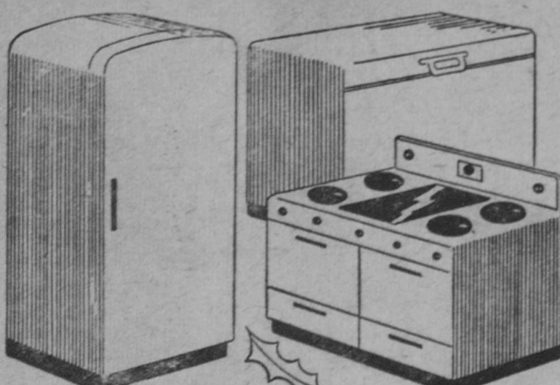

"The Wonderful Story of How You Were Born" by Sidonie M. Gruenberg. A new, honest, sympathetic unfolding of the mystery that sooner or later puzzles all children—revealed so tenderly and naturally that no parent will hesitate to read it to a young child, or to give the book itself to older children. Read by educators, psychologists and religious leaders, this book has been commended as an outstanding contribution. (Hanover House \$2.00.)

"A First Electrical Book for Boys" by Alfred Morgan. Mr. Morgan has designed this book to give the reader a fundamental understanding of electricity and the ways in which it operates. The book is fully illustrated throughout with drawings and diagrams by the author. (Scribner \$3.00.)

"Mathematics at the Fireside" by G. L. S. Schackel. Those who read this book will owe to it an introduction to mathematics more sound and illuminating

The exciting new idea behind the motoramic Chevrolet

The Bel Air 4-Door Sedan—one of 14 new Fisher Body beauties in three new series

Maybe once in a car-buying lifetime, you come across something that breaks all the old patterns and establishes new ones. This is that kind of car. This is the true story of how Chevrolet and General Motors shaped a new idea in steel.

Like most good ideas, this one is pretty simple. Chevrolet and General Motors set out to build the first low-priced car that would:

- bring you the very freshest and finest styling to be had.
- bring you the most advanced engine design and engineering features.
- bring you the kind of performance and the kind of ride that have never been available before in a low-priced car.
- bring you the highest quality of manufacture and materials.

All this in Chevrolet's price field? That did take some doing! And isn't it logical that only Chevrolet and General Motors have the people, skills, resources and facilities, to carry out this exciting new idea? Here is how this new Chevrolet changes all your ideas about cars!

Real Show-Car Styling!

Your eye tells you the Motoramic Chevrolet is no styling "hatch-up" job. A rakish, low profile... soft suifness from its sleek rear fenders to its wide-eyed Sweep-Sight windshield... a new outlook for motoring. And that outlook doesn't change when you slip inside... exciting fabrics and trim are harmonized with the whole car.

A Sensational Ride!

You live the new idea instantly... you glide... actually glide because spherical joints "roll with the punch" of the road in Chevrolet's new Glide-Ride front suspension. And outrigger rear springs mean new balance in turns... turns made so effortless by new ball-race steering.

And when you stop suddenly, new Anti-Dive braking control checks that nosing down in front... you get "heads up" stopping. Tubeless tires mean much greater protection against blowouts. And with new high-level ventilation there's fresher air.

Drive with care... EVERYWHERE! Make December 15 and every day SAFE-DRIVING DAY!

Power Beyond Compare!

You also feel the new idea quickly... quick power like a panther's paw with the new "Turbo-Fire V8" (162 h.p.) and two new "Blue-Flame" 6's. And sparking this performance is a 12-volt electrical system giving you better ignition, faster starting, greater electrical reserve for any of the power assists you might desire. You have a transmission choice of economical Overdrive and improved, automatic Powerglide (optional at extra cost) or standard shift.

Even Air Conditioning!

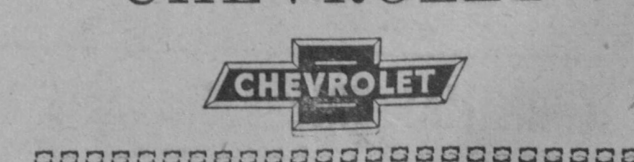

And if you desire the convenience of power assists (optional at extra cost)... you'll find new power-steering and improved power brakes on all models. Power-controlled windows and powershift seat are available on the Bel Air and "Two-Ten" models, while air conditioning may be added on V8 models.

Won't You Try It?

Here, we can only tell you how successfully the Motoramic Chevrolet expresses the new idea behind it. But the car itself can quickly show you! Come in for a demonstration drive, won't you, first chance you get.

MORE THAN A NEW CAR, A NEW CONCEPT OF LOW-COST MOTORING

The Pledge for S-D Day

"I shall drive like the adult I am. I shall be especially alert and courteous to other drivers and to pedestrians. In all events, I shall take time to be careful. And I'll continue to drive like that every day!"

This is the pledge for Safe-Driving Day, December 15, when President Eisenhower asks each community to turn in an accident-free day—or as near to that as possible. Let's all make the pledge for our town. Let's show we know the secret of saving lives, avoiding sorrow, for the good of all!

Announces Pre-Holiday Post Office Hours

Postmaster Martin Kasichke announced Wednesday morning that service hours in the Tawas City post office will be extended to include Saturday afternoons and Sunday forenoons during the two week-ends before Christmas.

Enjoy Visit In Hawaii

Mayor and Mrs. George W. Myles write that they are enjoying their visit with their son, Delano, who is stationed in Hawaii. They expect to be home in about two weeks.

Favored Section

With 12 to 14 inches of snow at Port Huron, in the Thumb, and snow and sub-zero weather reported in other sections of Michigan, this area seems highly favored. No snow here and the lowest temperature reported was seven degrees above zero. (Thursday, wet snow falling.)

Garden Club Prepares Cemetery for Winter

The large urns in the Tawas City Cemetery have been filled with dried salvia, cedar and pine branches as a December project of the cemetery committee of the Tawas City Garden Club.

Alabaster Resident Finds Valuable Film Projectors

Two film projectors, valued at approximately \$400, were found in a clump of brush near the Alabaster school last Friday by John Furst and turned over to Michigan State Police. The state police could not determine the ownership and are checking serial numbers with the manufacturing company in an effort to discover the owner.

The projectors, a 16mm Ampro Stylis movie projector, valued at around \$300, and a TDC Vivid filmstrip projector, valued at \$100, were found in good condition and apparently had not been exposed to the weather.

Square Dance December 11

The Square Dance Club will dance Saturday evening, December 11, at the Community Building, East Tawas. Dancing starts at 9 o'clock.

East Tawas Garden Club Works on Christmas Decorations

Mrs. George Sedgeman was hostess to the East Tawas Garden Club at her home at an all day session on Monday. The ladies worked on Christmas wreaths and decorations ordered by individuals and business places of the community.

At the business session, Mrs. Russell Klenow was elected to membership.

A 6 o'clock dinner was served after the afternoon's work by the following committee, Mrs. Berkeley Smith, Mrs. Kate Evans, Mrs. Roy Sims and Miss Emma Whipple.

The next meeting of the club to be held in January will be at the home of Mrs. C. A. Pinkerton Sr.

Christmas Party Given by Garden Club

Mrs. Paul Koepke was hostess at the Tawas City Garden Club's Christmas party Tuesday afternoon at her home. She was assisted by Mrs. Norman Anschuetz.

A very pretty Christmas stocking hung on the mantel into which each guest deposited her gift in honor of Mrs. Betty Dresler, a radio patient at Mercy Hospital, Bay City. A Christmas window sill arrangement will be made for Betty's hospital room.

The club will again sponsor a Christmas decorating contest throughout the city with Mrs. A. C. Mallon, chairman of the committee.

The Girl Scouts, under the direction of Mrs. Shirley Deering, entertained the club with Christmas carols. Two Christmas readings were presented by Mrs. Delbert Albertson. The mystery book, prepared by Mrs. Otto Kasichke, was won by Mrs. Walter Schuhmacher.

This outstanding meeting of the year was climaxed when Mrs. Koepke drew forth a child's sled filled with cleverly wrapped packages. It had been left at her door and labeled, "From Santa to the Tawas City Garden Club."

Refreshments of coffee, tea and assorted Christmas cookies were served by the hostesses.

Will Sell Old East Tawas Church

At a congregational meeting of Grace Lutheran Church held this week, motions were made to sell the old church on East State Street and to buy the property on the corner of Lincoln and Newman Streets for a parsonage. The old church was sold to Horace Laderach and the parsonage will be purchased from Ray Williams.

HALE COUPLE OBSERVES GOLDEN ANNIVERSARY

Mr. and Mrs. Ross Bernard of Hale observed their 50th wedding anniversary last week. Many friends and relatives of the community called at the home during open house on Saturday afternoon. Refreshments were served to the guests from a center table which carried out the "golden" theme in table covering, wedding cake and floral centerpiece.

The Bernards have one daughter, Mrs. Walter McMullen of Flint, and a grandson, Dale McMullen, attached to the air force at Randolph Air Base. Their son, Charles, passed away at the age of 20 in 1929.

Mr. Bernard was born in Dryridge, Kentucky, and moved to Ohio with his parents as a small boy. As a young man he learned his trade as butcher. Mrs. Bernard was born and baptized Mary Katherine Rainsberg in Burn Union Township, Ohio. They were married at the home of her parents on November 24, 1904, near Tappan, Ohio.

In 1918 the Bernards moved to Hale where they bought a farm on west and south of the village. In 1929 they left the farm to live in Hale and Mr. Bernard returned to his trade, being employed for 14 years as a butcher in the Danin store. In 1941 they moved back to Ohio to take care of Mrs. Bernard's mother after the sudden death of her father.

The Bernards moved to Michigan in 1943, living in Flint for two years before returning to Hale where they have resided since. Mr. Bernard retired as manager of the Hale Locker plant in 1947. Since retirement his hobby has been their large vegetable and flower garden.

Mr. and Mrs. Bernard are

members of the Methodist Church, Hale Chapter, Order of Eastern Star, and he is a member of the Masonic Order.

They have a host of friends who wished them well and remembered them with many tokens of friendship on their golden anniversary.

O'Callaghan-Klish

Following their return from a wedding trip to Detroit and Adrian, Mr. and Mrs. Frank J. O'Callaghan are making their home at 111 Tawas Street, Alpena. Mrs. O'Callaghan is the former Victoria Klish, daughter of the late Stephen Klish of Tawas City.

The Rev. Joseph Castanier performed the ceremony at the Immaculate Heart of Mary Church Thursday, November 25.

For the ceremony the bride wore a tan boucle suit with which she had a corsage of white tea roses. Her sister, Mrs. James Davis of Oscoda, matron of honor, wore a peacock blue suit with a corsage of white and yellow tea roses.

A son of the bridegroom, Patrick, served as best man. Two other sons, John and Paul, served at the altar. William McGurn was soloist and Mrs. Joseph Gaylord, organist.

Breakfast was served 55 guests at the Barnes Hotel with a reception at the Klish home.

Joseph E. Ranger

Joseph E. Ranger died November 20 at his farm home near Hale following a heart attack.

Mr. Ranger was born in 1890 at Whittemore. His wife was the former Stella Ballard. They resided at Whittemore until 1910 when they moved to their farm near Hale. Here, Mr. Ranger owned 400 acres of excellent farmland and became one of Western Isosco County's outstanding farmers.

Surviving is the widow; one daughter, Mrs. Evelyn Chrivia of Flint; two sons, Neil of Whittemore and Clyde of Hale; two grandchildren, James Ranger of Hale and Danny Joe Ranger of Flint, and a host of relatives and friends to mourn his death.

Funeral services were held November 22 from the Hale Baptist Church. The Rev. Jack Richards officiated. Interment was in the Evergreen Cemetery near Hale.

Mrs. Harriet C. Smith

Mrs. Harriet C. Smith of West Allis, Wisconsin, died Saturday, November 27, following several months of illness. Mrs. Smith was the former Harriet Dempsey.

Born at Tawas City December 23, 1896, she had been a resident of West Allis for the past 34 years. For more than 10 years she had been an employee of the International Harvester Company at West Allis.

She is survived by two daughters, Mrs. Janet Artman of Chicago and Miss Virginia Smith of West Allis; two sons, Raymond Smith of Livingston, Montana, and John Smith of Butte, Montana; a sister, Mrs. John B. Allen of West Allis, and seven grandchildren.

Funeral services were held November 30. The Rev. Alex Sinclair, pastor of the First Baptist Church of West Allis, officiated. Interment was in the Highland Memorial Cemetery.

Those from out of the city who attended the funeral were: Mr. and Mrs. Raymond Smith and Mr. and Mrs. John Smith of Montana, Mrs. Joseph Utter, Mrs. William Dempsey and Mrs. Wesley Asch of Plymouth, Michigan.

With the losco 4-H Clubs

By DOROTHY SCOTT

We learned just recently about an unusual project meeting attendance record which has been achieved by members of the Friendship 4-H Club's "firearms safety" project. Edward Parker, leader of the group, stopped in and during the conversation told us that there has been 100 percent attendance at each of the five meetings with the exception of one time when Gale Durant was attending junior leadership school. Can anyone top this?

Reporter Lois Parker tells us: "The first two meetings taught us how to use guns safely, how to handle them safely, and how to clean and care for them." "At the third meeting we had

a test about what we had already learned. Then we talked about accidents until the meeting was adjourned. "The fourth meeting was a lesson on shells. The fifth meeting was for target practice and we practiced loading and shooting safely."

The current lesson topic for the Burleigh Wizards 4-H Club girl project is "manners" and the girls are planning to have some demonstrations in the near future.

So far demonstrations have been planned by Gloria Siegrist, "Manicure Your Fingernails"; Gloria Jean Runyan, "Polishing Shoes"; and Delores Runyan, "Removing Stains."

We visited a knitting project meeting at Mrs. Roy Atkinson's home this week. Twelve girls

pled off the school bus about 4:30 p. m., bringing their yarn needles and direction sheets. Amid the "clicking" of needles, conversation about a school party and singing Christmas songs, most everyone found need

"GLORIA IN EXCELSIS DEO"—Classic example of the Christmas Crib is this detail from the Praesepe, or Manger, which is erected each year in the apartments of Pope Pius XII, in Vatican City. Carefully detailed, the figures are scaled in size to those of St. Joseph and the Madonna, which are about one foot in height.

for and received assistance from the leader. By 6 o'clock all had departed for supper and to get ready to be off again for the community club meeting which happened to be scheduled on the same day.

We were impressed by the "good feeling" among the girls and leader. It made 4-H Club activities seem all the more important to all of us.

Of the project meeting a week ago, Ruth Ann Proper, reporter, writes: "We met at the home of our project leader. We practiced the pledges and ritual and roll was called."

"All except two girls are working on mittens. The others have started anklets."

"Judy Bowsly has taught her mother how to knit and now her mother can knit better than she."

"We understand that Mrs. Bowsly has knit two sweaters. Congratulations to both Judy and her mother."

If you haven't already bought most of your Christmas presents you are heading for a scramble.

CLOSE REHEARING ON RATE INCREASE

Rehearing of Michigan Bell Telephone Company's application for a rate increase is closed.

The Public Service Commission has asked for statements from all parties on the company's investment base proposal by December 24, after which the commission will hand down its decision.

Other points of disagreement include the commission staff's proposals to disallow charitable contributions by the company as operating expenses; to reduce the company's investment base \$5,500,000 by treating Western Electric Company, Bell System manufacturer, as a regulated utility; and to set a higher debt ratio for the company than actually exists.

The company originally applied for a rate increase averaging three cents per telephone day in June 1953. Its application was denied last May but the commission subsequently granted the rehearing.

HDA NOTES

By DOROTHY SCOTT

Christmas ideas were everywhere at the home of Mrs. William Wickert on Monday evening, November 29, when we stopped in to see how the group was getting along with its own first meeting. Ten women were gathered around as Mrs. Harold Hammond and Mrs. Richard Jennings were passing along ideas and know-how. Evidently they had decided one evening was not enough time to make use of all the information because a workshop has been planned for December 10. Anyone interested in learning more about the interests and activities of this group is urged to call Mrs. Hammond or Mrs. Wickert.

Have you picked your turkey for Christmas dinner? If you have, and you plan to freeze it, do not bother to stuff it. It is much safer and more satisfactory to stuff the bird just before roasting time.

Secretaries of home demonstration groups tell of officer installations with the help of a neighborhood group council member. This is an example of the excellent cooperation among groups.

A Crinoline Christmas tree is on its way to the sister of Mrs. Charles Attwell. It seems she is going to be enroute to Calumet at Christmas time and is especially pleased with this gift which can be packed flat to carry and set up in a hurry wherever "home" happens to be on Christmas eve.

It was "do-it-yourself" lesson on Christmas greens at the Hale Home Demonstration Group meeting, November 23. The 21 women at the meeting made 10 wreaths, some garlands, "cor-sages" and "kiss-me-quick's." Among the several guests was Mrs. Rod Heilman, who installed the 1955 officers by candlelight. A Christmas party has been planned for December 28 at the home of Mrs. Harold Heine. January will bring cake-decorating for benefit of new members, and there will be a class on attachments at the Singer Shop in East Tawas.

Did you clip the recipe for "Apricot Sticks"? Here is another good one for "Peanut Butter Balls." The children will love eating them, love making them, too.

Mix together three tablespoons of honey with four tablespoons of peanut butter. Then blend in one-half cup of dried milk solids. Cream your hands with just a little butter. Make round balls of candy and roll them in crushed wheat flakes (need about one-fourth cup.) Put them where it is cold until they are firm and the flavors blend.

We have received a reminder about the coming issue of "Grapevine," the newsletter of Michigan home demonstration groups.

This edition will feature a trip to the United Nations and the National Home Demonstration Council meeting.

Any group or member wishing to subscribe may still do so today. Write to Mrs. Lloyd Spencer, Pullman, Michigan.

Tightly wrapped packages always go through the mail in better condition. Next time you tie up a package for mailing, wet the cord first. When it dries, it will tighten and will hold more firmly.

Going to have outdoor Christmas decorations this year? Perhaps try to win the Christmas lighting contest? If you are in need of ideas and information about fixtures and cords to use, come to our Extension Service Office.

To send Christmas cookies through the mail, wrap drop cookies in pairs (back to back with waxed paper between in moisture vapor proof material. Wrap other cookies individually.

TURKEYS

Turkeys growers have been cautioned by the Agricultural Department to trim production next year or face unsatisfactory prices. Indications point to a 1955 turkey crop somewhat larger than this year's record of 61,000,000 birds, which are selling at substantially lower prices than last year.

"Monthly Pains" stopped or amazingly relieved

In 3 out of 4 cases in doctors' tests!

Chances are you're putting up — unnecessarily — with the functionally caused pains, cramps and weak "no good" feelings of menstruation!

For, in actual tests by doctors, Lydia Pinkham's Compound brought complete or striking relief from such distress in 3 out of 4 of the cases!

Lydia Pinkham's is modern in its action!

So get Lydia E. Pinkham's Vegetable Compound — or new, improved Tablets with added iron. See it — taken through the month — it doesn't give relief from those backaches, headaches — help you feel better before and during your period!

Or — if you suffer from functional "hot flashes" or "change of life," find out how wonderful Pinkham's is for that, too!

It has a quieting effect on uterine contractions that often cause "period" pain!

Cadillac

The Hour Every Motorist Owes to Himself!

The happy man you see in this picture is bringing himself up to date.

Cadillac has written a whole new chapter for the book defining motor car performance, and he's taking an hour to find out what it says.

And it says plenty—of very great importance.

First of all, it tells you what it's like to have command of a 250-horsepower engine that's as smooth as velvet, and so quick and eager that you have to educate your driving toe all over again.

It tells you what it's like to have virtually every unevenness in the highway completely eliminated before it is even noticeable to driver or passengers.

And it tells you what it's like to relax amidst upholstery fabrics and leathers that are found nowhere else, save in the 1955 Cadillac—not even in the finest clubs or hotels.

All this is to say, of course, that Cadillac has made another tremendous advance in design and engineering—so great, in fact, that only a drive and a personal

inspection can let you realize its full significance.

And, naturally, there is yet greater emphasis on all the long-existing Cadillac virtues:

—the endurance that enables a Cadillac owner to keep his car just as long as he elects to do so... and with complete confidence in its dependability—

—the amazing economy of operation and upkeep which causes many owners to maintain that it is the most economical car on the American highway—

—the great personal satisfaction that comes from owning a car which is recognized, wherever highways lead, as the Standard of the World.

We cordially invite you to come in—today—to see and drive this wonderful, wonderful car.

There are eight models—in four different series—including the sensational Eldorado.

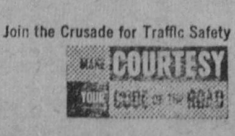

There is one to please you—exactly. And we think you'll be surprised and delighted at how little it costs, in comparison with lesser cars.

We're waiting for you—now!

Hits 3rd Straight 600 Series In League Competition

A Tawas Area High School senior is currently enjoying one of the "hottest" bowling stretches in the history of the Tawas City Recreation. Arnold Krumm, 17, of Tawas City posted a 616 series in the Major League Wednesday night to mark the third straight week in which he has rolled over 600.

Krumm, who is clipping off the pins at a 183 average, not including his total this week, rolled a 676 three-game series last week. This series was the highest of the season for actual wood at the recreation. The week previous he rolled 609.

Being employed as a pinsetter at the bowling alley every night except Wednesday during the week, "Arnie" takes his place at the opposite end of the lane on that night and bowls in the "anchor slot" for the St. James Electric squad.

League secretary, Paul Ropert Jr., said Wednesday night that he could not recall any bowler hitting three straight 600 series in league competition until this week. Also turning the trick was George Staudacher, who posted 603 and 606 series last week, and 616 Wednesday night. One series last week was a re-match of a postponement.

Cpl. Walter D. Chipps, whose wife, Joan, lives at 702 South Eleventh Street, St. Joseph, Missouri, is now serving with the army's Medical Detachment at Fort Leavenworth, Kansas.

Corporal Chipps, a food inspector, entered the army in 1948. A veteran of the Korean conflict, he is now serving with the Combat Infantryman Badge and the Korean Service Ribbon with two campaign stars.

His parents, Mr. and Mrs. Norman Chipps, live in Whitmore.

Howell-Strauer In a Double Ring Ceremony in the Emanuel Lutheran Church

In a double ring ceremony in the Emanuel Lutheran Church recently, Miss Elaine Dorothea Strauer of Melvor became the bride of S-Sgt. Floyd Maurice Howell.

The Rev. Arthur Clement officiated at the 7 o'clock rites Saturday evening, November 20, performed before 300 guests. Palms, white chrysanthemums and a candelabra decorated the church.

Arthur Wendt, vocalist, was accompanied by Wilbert Mueller.

The bride's parents are Mr. and Mrs. Orville G. Strauer of Melvor. The groom is the son of Mrs. Leahie George of Hot Springs, Arkansas.

Given in marriage by her father, the bride chose an ivory delustered satin gown with soft satin folds highlighted by iridescent on the fitted bodice and a full floor length skirt ending in a cathedral train with bustle back accent. An orange blossom crown secured her fingertip length veil of ivory illusion and she carried a cascade bouquet of Johanna Hill roses, stephanotis and satin streamers.

Mrs. Rassic Carswell of Lansing was matron of honor for her sister. Bridesmaids were Carol Strauer, another sister of the bride, Alberta Buch of Midland and Dorothy Geyer of Bay City. Joyce Schaefer of Essexville was junior bridesmaid and Kristine Lamy of Flint and Bonnie Jean Borchard of Standish were flower girls.

The bride's attendants wore identical gowns of bittersweet and ruby, respectively, with floor length nylon tulle bouffant skirts highlighted with crystal-lette panel accents, shirred bodices and brief cadyse jackets in crystalite. Their costumes were completed by handbands of chrysanthemums, and they carried crescent bouquets of jewel toned pompons and bebe chrysanthemums. The flower girls wore white taffeta gowns with full bouffant skirts, scoop shawl collar and tiny puff sleeves. They wore white sweetheart halo hats tied with a taffeta ribbon and carried baskets of jewel toned bebe chrysanthemums.

Rassic Carswell was best man. George and Dale Strauer, brothers of the bride, and Maurice Hayes, the bride's cousin, of Tawas City were ushers.

Following the wedding a reception for 300 guests was held at the Eagles' Hall at East Tawas.

The new Mrs. Howell changed to a green knit dress with brown accessories and a corsage from her bouquet for travel. When the couple returns from a two-week trip to Des Moines, Iowa, and Hot Springs, Arkansas, they will reside in Oscoda. The bridegroom is stationed at the Wurtsmith Air Force Base there.

Mrs. Strauer chose a beige crepe dress with brown velvet hat and purse and a crescent cottage of yellow and bronze bebe chrysanthemums for her daughter's wedding.

Guests were present from Detroit, Lansing, Flint, Melvor, Caro, Whitmore, East Lansing, Bay City, Grand Blanc, Kilde, Tawas City, Midland and East Tawas.

Pre-nuptial showers were given by Mrs. Fred Kohn and Mrs. Henry Brown in Tawas City, Miss Dorothy Geyer and Miss Alberta Buch in Bay City, Mrs. Lloyd J. Newvine, Mrs. Carl Norris, and Mrs. Ray Borchard in Melvor.

Tawas Area Loses First Game of Season

The Tawas Area Braves opened the 1954-55 basketball season by splitting in two games with Hale last Tuesday night at the Tawas City gymnasium. The Tawas Area varsity lost by a 60-38 score while the junior varsity posted a 39-18 win.

In their first encounter of the season on the hardwood, the Braves lacked that extra spark with which to cope with the pace set by a strong Hale aggregation.

The Hale squad outgunned the Braves in every period except the final, when Tawas Area posted a slight 10-9 edge.

However, by this time the Hale team had already rattled the backboards to the tune of 11-23 going into the third quarter and were not to be denied an overwhelming victory.

The game started out with both teams playing on even terms in the first quarter with Hale holding a slight 7-6 edge. The second quarter found Hale pushing ahead with a 13-10 difference. The winners just about wrapped up the contest in the third quarter when they whipped in 21 points to the Braves 12.

The winner's attack was paced by Shellenbarger who connected for 25 points. He was followed by Baker with 13 and Geetz with 11.

The two bright spots in the Braves' lineup were filled by Binder and Parent, who each flipped in 10 points.

Led by freshman, Ray Guyette, with 14 points, the junior varsity showed a lot of class and spirit as the scoring column to ice the win over the Hale JV.

This game was a complete reversal of the varsity tilt with Tawas Area holding the command throughout the game.

The Tawas Area team took a 6-2 lead in the first quarter. In the second quarter the local JV's meshed 16 points while Hale totaled 2. In the third quarter Tawas Area scored nine more points and then added eight in the final stanza. Hale scored four points in the third quarter and then outscored Tawas in the last quarter with 10 points.

Following Guyette in the scoring column for Tawas Area was Ledworsky who garnered six points. Dorcy led the Hale attack with 10 markers.

The Braves will tangle with Rogers City tonight (Friday) in the first game of the season away from home. Next week the Braves will play at Bay City St. Stans.

Extension Class in Journalism Ends

The Central Michigan College extension class in journalism ended here Wednesday evening. The 16 members, under the direction of Professor Irwin Campbell of Mt. Pleasant, completed the course.

A summary of its accomplishments revealed that 326 news articles had been written of which 224 had been accepted for publication. Printed column inches measured 812. Of the nine pictures submitted, five were accepted and printed.

The student's news stories were published in two daily papers and seven weeklies. Distance traveled by the class and instructor, during the 15-week period was 5,790 miles.

An interesting highlight was a field trip to the Bay City Times on November 26, where the production of a metropolitan newspaper was observed.

The members of the class are most grateful to Professor Campbell for his patient and understanding attitude concerning their efforts while learning some of the fundamentals of journalism.

MORE THAN 40 TO 1

TRUCKS serve you night and day — bringing you everything you eat, wear, or use—but that's not all!

Trucks pay as they serve — and pay handsomely — for a large portion of the money that goes to build Michigan's roads, schools, and hospitals comes out of the registration fees, gasoline taxes and property taxes paid by the owners of the trucks that serve Michigan.

It takes the road taxes paid by more than 40 automobiles to equal those paid by just one large truck-trailer! Dollar-wise, the comparison is around \$45.00 for the average passenger car against nearly \$2,000 for the average large truck-trailer.

No wonder they say trucks pay their way — and more.
