Silver Valley Carnival Opens Next Friday

WJR Sports Announcer to Crown Queen

Carnival Events will And Broadcast Over WJR Be Televised by WJBK

The Tawas Chamber of Commerce sponsored Silver Valley activities will reach their climax with the Winter Sports Carnival scheduled for the week-end of Friday, Saturday and Sunday, February 5, 6 and 7.

Robert Reynolds, WJR announcer and veteran Silver Valley winter sports fan, will crown the Winter Carnival Queen at the coronation ceremonies. Reynolds has taken part in winter sports festivities here for a number of years.

Among the candidates that have so far been selected for Carnival Queen are Miss Bonnie Fisher of Mackenzie High School, Detroit; Miss Donna Harris of Flint, and Miss Margaret Reinke of the Walther League, Saginaw. The Midland group is selecting a candidate now. Candidates from the college and Detroit groups will be chosen during the coming week-end.

Judging the candidates and the final selection of a Carnival Queen will take place at the Ice Throne in Silver Valley Saturday afternoon of the Winter Sports Carnival. The activities during this event will be televised over Station WJBK-TV by Murray Young.

Joseph Gentile and Ralph Bengt, winter sports enthusiasts and comedians from Station WJBK-TV and Nick Berba of the Detroit Lions will assist in the selection of the queen and participate in the winter sports festivities. Robert Powell, Detroit radio announcer, will be queen's judge and master of ceremonies at the carnival banquet. Powell is another winter sports enthusiast who is giving his assistance in making Silver Valley popular with the people of Michigan.

The carnival week-end schedule of events is as follows:

Friday Night—
Fish fry (stagn) at the Holland Hotel.

Saturday Afternoon—
Selection of queen at ice throne in Silver Valley at 2 o'clock. Tobogganing, skiing and skating throughout the afternoon. Program televised by Station WJBK-TV.

Saturday Evening—
Robert Reynolds' WJR Sports Broadcast at 8:30 at the Community Building.

Carnival Banquet at the Barnes Hotel at 7:30. Tickets are now on sale.

Queen's Ball starts at 9:00 at the Community Building.

Coronation Ceremonies at 10:00 at the Community Building.

Sunday Morning—
Religious services at 9:00 at Silver Valley. Participating will be 28 chartered Greyhound bus loads of Lutheran young people from Detroit.

Sunday Afternoon—
Lutheran Caravan Queen will be selected at 1:30.

The best week-end in the history of Silver Valley was the opinion of those in charge of activities there last Saturday and Sunday. An estimated 6,000 or 7,000 visited the area and enjoyed the facilities at Silver Valley. Among the visitors were more than 300 Explorer Scouts from Detroit, large groups of students from Mumford High School of Detroit and the Saginaw Valley Walther League.

Iosco Polio Fund Campaign Lags

"The March of Dimes Campaign has not created in Iosco County the interest it demands, if we can judge correctly from present returns. This county has a quota of \$4,500, and we should and must meet it," said John Watkins, county chairman, Tuesday.

"Elsewhere around the nation, on Thursday evening, January 28, porch lights will go on so that solicitors may call for donations. This program does not seem feasible here," he continued, "but don't let us fail to see the light of our heart and soul is lighted. Give to the March of Dimes, make our campaign a success."

Out of 3,000 cards sent out, 228 have been returned with a total of \$696.11. Industries and organizations have sent in a total of \$275, showing contribution to date of \$971.11.

Supervisors Authorize Sale of County Farm in April

At the January session of the Iosco County Board of Supervisors which ended last Friday, a resolution was adopted authorizing the sale of the Iosco County Farm. The sealed bids will be opened at the April session of the board.

The decision to sell the farm followed a large amount of study and discussion by members of the board. For a number of years, it has been operated at a loss, but what brought the matter to a climax it was found nearly impossible to secure a superintendent and the necessary help for its operation. The present county farm was purchased in 1921 from Mrs. Edward Ely and was one of Iosco county's fine farms. It originally had been developed by the late Reuben Wade. The aim of the board of supervisors at the time of its purchase was to use it not only as a place for an infirmary, but under the supervision of a county agricultural agent, develop it as an experimental farm. Here new (See Supervisors, back page.)

Iosco Jail Has Busy Year

Last year was one of the busiest years in the history of the Iosco County Jail, according to Sheriff Ivan O'Farrell in his 1953 report.

He lists 455 prisoners admitted, an increase of 91 over 1952. Included in that number 89 were held for felonies, four mental cases, 38 for drunk driving, 25 for reckless driving, six held for other law agencies and 356 for various misdemeanors.

There were 30 delinquent minors apprehended for felonies and misdemeanors and turned (See Sheriff, back page.)

Charter Night Banquet Held by Tawas Kiwanis Club

Seventy members and guests enjoyed Tawas Kiwanis Club Charter Night Banquet Tuesday evening at the Barnes Hotel in this city. The event commemorated the eighth anniversary since the organization of the club here.

Guests present were from Bay City, Midland, Harrison and other neighboring communities.

The principal speaker was M. J. "Andy" Anderson of Bay City, past governor of Michigan Kiwanis Clubs. He spoke of the Kiwanis Club as an organization dedicated to the betterment of the community. To emphasize his theme, he pointed out some of the accomplishments of the Tawas club, as bringing about a closer cooperation between the Tawas communities and creating a better understanding in dealing with mutual problems.

Other speakers were Cecil Cabbie, president of the club; Clyde Creaser and Burl Huber, lieutenant governor, 13th Division, Kiwanis Clubs, D. A. Evans acted as toastmaster.

Miss Doma Groff, with Mrs. Nyda Leslie, accompanist, gave a vocal solo and Charles Dillenbeck, a clarinet solo. A vaudeville act was given by Eduardo and Luigi. Invocation and benediction was by Canon Warner Forsyth.

Fred Boudler Succumbs to Heart Attack

Funeral Services will Be Held at Residence Saturday Afternoon

Fred Boudler, highly esteemed resident of this city and an Iosco County Road Commission employee for the past 26 years, died from a heart attack late Wednesday afternoon while at work. At the time of death, he was clearing Wednesday's heavy fall of snow from old M-55 with a caterpillar patrol grader.

In October, Mr. Boudler had suffered a broken leg and had returned to work about two weeks ago.

Born May 31, 1886, at London, Ontario, he came to Iosco county when 14 years old. He married Flossie Papple on December 17, 1906. In addition to his work, Mr. Boudler was especially interested in gardens and flowers. The well kept grounds around his home were always beautiful during the summer months.

He is survived by his wife; a son, Reginald Boudler of Cadillac; three grandchildren; two sisters, Mrs. Millie Harding of Oshawa, Canada, Mrs. Bertha Case of Brantford, Canada, and a brother, Louis Boudler of Montreal.

Funeral services will be held at 2:30 Saturday afternoon from the home with the Rev. C. E. Mercer officiating. Burial will be in the family lot in the Tawas City Cemetery.

11th Annual Bowling Tourney Opens Feb. 20

The 11th Annual Tawas City Open Bowling Tournament once again resumes action at the Tawas City Recreation starting February 20. Playing host to over 30 outstate teams and 40 locals last year, this tournament continues to grow and is the largest open tournament of its kind north of Bay City. Have you made plans to enter your team as well as the doubles and singles events? Closing date of entry is February 14.

Last year's prize list totaled \$1,983 with the first places in each event paying as follows: Team, \$150; doubles, \$90; singles, \$65; all events, \$30. Outstate entries included teams from Akron, Alpena, Argyle, AuGres, Bad Axe, Bay City, Caro, Davison, Elkton, Gagetown, Kinde, Midland, Oscoda, Saginaw Standish, Uby and West Branch. Sanctioned by the American Bowling Congress and open to all members thereof, this tournament will run for six consecutive week-ends ending March 28. A 75 percent handicap from 200 will be used, near average as of January 1, 1954.

Entry blanks are available at all local alleys. For further information, write or call Edward Sieloff, tournament manager, Box 13, Tawas City, Michigan. Phone 675-W.

Board of Education Gives Review of Facts Used in Setting Up Area School Program

At a meeting of the Tawas Area Board of Education, a committee from East Tawas asked the board to reconsider the Fairgrounds as a possible school site.

At this meeting the engineer for the two cities, Clifford Spicer was present, and Paul Newcomb of the United States Forestry Service was present to explain methods of acquisition of the Fairground site.

Comparison analysis of the sites, on information furnished by the East Tawas citizens combined with facts and information previously ascertained, reveals the following information which the board of education wishes to place before you for consideration.

The Fairground site contains about 32.5 acres with about 7.2 acres of land to the east of Bridge Street and about 1.5 acres of land to the north of River Street, leaving about 24 acres of land to the west of Bridge Street. A portion of this is owned by the City of East

Tawas, and the remainder of it by the Forest Service. The Neumann-Reinke site contains 65 acres of land.

The architect has stated that the present structure with parking area and physical education facilities now planned, will occupy 35 acres. Area for a Junior College at a future date will utilize five acres. The Neumann-Reinke site offers room for all foreseeable expansion needs of the school.

Cost of the Site—The Fairground site can now only be secured by exchange of lands within the Huron National Forest boundaries with equal appraised valuation. Value of the land in the Huron National Forest must be set by government appraisers. The Fairground site would require acquisition of land with a government appraisal value of \$15,900 or more. Suggestion has been made that the Fairground site might be acquired by legislative action at a reduced price, or for a very nominal fee. The 65 acre Neumann-Reinke site is under option for \$16,500. This

site is immediately available, the price is definite.

Acquisition of the Fairground site would of necessity take up much time. The board feels one year as a very conservative estimate as to the time required to acquire this land. The procedure could well run into three years. While this was going on, on children would be losing unguaranteed educational opportunities.

The cost would be \$16,500 for 65 acres at the Neumann-Reinke site and \$15,900 value of appraised land for the Fairground site. If the Fairground site could be secured by legislative action, it would be a saving, but again considerable time would lapse before the land could be acquired. We need the school at the earliest possible moment.

Water and Sewer—Water in the mains will be available at the Fairground site at minor cost. If the building is placed on Bridge Street, sewer facilities come to within 450 feet of the site. A sewage lift (See School, back page.)

SOUND, CAREFUL PLANNING PRESENTS—

An Investment in the Future

On September 30, 1952, the voters of Grant Nos. 2 and 3; Alabaster Township and Whitney No. 6; Tawas Nos. 2, 3, 4 and 9; Wilber No. 4 f.r.l.; Baldwin No. 2; East Tawas; Tawas City and Tawas No. 7 School Districts went to the polls to decide whether or not they would unite to form a Rural Agricultural School District. With the idea in mind that by reorganizing into one large district the dream of building a modern school of adequate size could be achieved, the proposition to reorganize passed by a very wide margin. This act created the Tawas Area School District.

Then the people of the reorganized school district had another decision to make—the electing of the members of the board of education. The district was divided into five zones from which individuals filed petitions as candidates to insure representation of the entire district on the board. Terms of office were one, two and three years, set up by lot as: Alabaster-Whitney, one year; Tawas City, two years; East Tawas, two years; Grant and Tawas townships, three years; Wilber and Baldwin, three years. The next trip to the polls provided the district with the men who were to serve on the Tawas Area Board of Education, Harold Gould, Earl Wight, Randall Fox, Waldo Curry and Walter Niles. Randall Fox was elected by the Board to be its first president, Earl Wight was elected secretary and Waldo Curry, treasurer.

Realizing the wishes of the people of the district, the board of education set out to help them attain their new school. The first step was the hiring of Supt. Reynold E. Mick of Ithaca, a man with previous experience in reorganizing and school building procedures. Meetings of interested individuals were called and the Tawas Area Advisory Council was elected. Five committees stemmed from this council to secure information and facts on each subject. They are: Building and site, finance, transportation, curriculum and community and people.

These committees cooperated with the board of education and Superintendent Mick. Committee members spent long hours of study before presenting their findings to the board of education. The board has weighed these findings carefully in its determination to have an accurate knowledge of the needs of the district.

On July 13, 1953, the electors of the Tawas Area School District passed a proposition to levy a five mill tax for the building and site fund. At this election, the trustee for one year, Walter Niles of Alabaster-Whitney zone, was re-elected. The board of education elected Harold Gould to the presidency as it began its second year of work.

The services of H. E. Beyster and Associates, architects, were engaged by the board to plan the school of your dreams. Considering the facts at hand and the anticipated continued, steady growth of the community, the architects prepared their sketches. A picture of the proposed Tawas Area Junior and Senior High School appeared in the January 8 issue of the Herald.

The National Education Association reported recently that public school enrollment in the current school year is up approximately 1,250,000 over last year. The NEA report says that the new first grade crop is a record one as the result of a bumper crop of babies in 1947. There are 680 students in the seventh to the twelfth grades of Tawas Area this year.

On December 22, 1953, Earl Wight resigned from the board of education because of ill health, and Stuart White of East Tawas was elected to fill out his term of office. Walter Niles became secretary.

Now another decision is before the people of the Tawas Area School District. On February 8 they will make a fourth trip to the polls. That is the date on which the bond issue, to make the proposed building program possible, will be placed before the people. It is an important date, your opportunity to make a sound investment in the future of your community. While you are making this investment you will also be giving recognition to your board of education, Superintendent Mick and the many helpful citizens who have worked so faithfully and well toward the providing of this school building program to meet your area's needs. But most important of all, you are investing in your community's most prized possessions—ITS YOUTH.

Bible Comment:

Sincerity Needed To Worship God In Proper Way

THE history of religious worship among all peoples provides an array of strange, amazing, incongruous and even tragic facts.

It has been marked by all manner of superstitious and correspondingly devious practices, even among cultured peoples.

It has been accompanied by cruel human sacrifices, obscene practices and animal sacrifice.

But the highest form of true worship found expression in experiences of which the 139th Psalm is typical:

"Search me, O God, and know my heart; try me, and know my thoughts; and see if there be any wicked way in me, and lead me in the way everlasting."

Such a spirit in worship, wherever it is manifest, transcends all rituals and forms. Rituals and forms have reality only when they are the symbols and accompaniments of an earnest quest of God and the way of truth and right.

It is obvious that worship with many in all branches of religions is a formal matter, little related to righteousness and zeal in daily life.

Vast numbers today do not attend religious services, or practice worship. But does anyone imagine that the forces of gambling, political corruption and obscenity have been, or are, confined to the churchless and religious?

Often, the worst people in a community are to be found using the cloak of religious formalism to cover up their evil.

Worship is meaningless unless we remember that "God is a spirit, and they that worship him must worship in spirit and in truth."

That is the everlasting word against all pretense and formalism.

Irene Rebekah Lodge Celebrates Visitation Night

Last week a fine program was given at Irene Rebekah Lodge after the regular meeting in celebration of Visitation Night. Mrs. Ida Gagner as program chairman. Vocal solos were given by Karen Hunter accompanied by Mrs. Dora Jean Hughes; accordion solos by Miss Dorothy West; readings by Miss Edna Ots and a skit entitled "Why We Joined the Rebekahs" by Mina Nelem, Johanna Staudacher, Ida Gagner and Genevieve Pappas.

New drapes have been put up throughout the building and new matching lamps on the piano.

Refreshments were served in the dining hall. Tables were decorated with pink and green crepe paper and centerpieces of green styrofoam holding pink and green candles. Favors at each place and napkins were of the same colors. A large birthday cake honored the birthdays of Josephine and Clarence Ashmore, Fern Rolis, Vergil Butler and Ida Gagner.

Fancy work prizes were won by Mrs. Blanche Carlson and Mrs. Vergil Butler. Hostesses were Ellen West, Ethel Rathbun, Clara Krebs, Fedora Mellem, Bertha Ropert and Vergil Butler.

Lower Hemlock Farm Bureau Meets with Kohns

Members of the Lower Hemlock Farm Bureau Group met at the home of Mr. and Mrs. Fred Kohn on Tuesday, January 19. Thirteen members attended.

Beryl Hughes, chairman, had charge of the business meeting, and Alton Long led the discussion on "Publicly Owned Lands and Taxation."

After the meeting, Euchre was played and lunch served by the hostess.

The February meeting will be at the home of Mr. and Mrs. Russell Nelkie.

STRICTLY FRESH

A JUDGE in Jefferson, Iowa, rendered a decision in verse after hearing evidence in a civil case. Is that what they mean by poetic justice?

Most modest persons are merely being truthful.

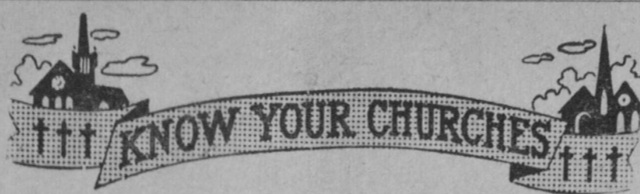

An expert on evolution said recently that the human being of five million years from now will have a brain that won't be able

to keep a single secret. Here at last is proof that women are years ahead of men mentally!

Reports are coming in that the Defense Department is stockpiling feathers. Just in case a ticklish situation develops, huh?

Moscow radio announced recently that a Soviet horticulturist has developed a rose which changes color. Evidently the Russians don't want anything red unless they had something to do with making it so.

Test Drive a FORD... and you'll want to drive it home

Try the Y or the I. You'll thrill to Ford's greater responsiveness the first time you take a Test Drive. And you'll discover that this new "Go" is yours through the full range of driving speeds! Both of Ford's new engines have an extra-deep block extending well below the crankshaft, giving the V-8 a "Y" shape, the Six an "I" shape—and you a more rigid, smoother, quieter engine. Both are short-stroke engines, too, which means less internal friction, more usable energy, greater gas savings and long engine life.

Feel how Ford's new Ball-Joint Front Suspension cushions the bumps.

You'll find a new kind of ride... level and smooth... even on rough, rutted roads. And, because Ford's new ball-joint front suspension is simpler than the conventional type... with 12 points of wear eliminated... that "new car" feel lasts longer.

Look at your beautiful surroundings.

You'll see why Ford interiors for '54 set a new high in beauty. For here is a matchless blending of fabric, color and styling. Every detail says "fine car" quality from the new upholstery and trim to the unique new Astra-Dial Control Panel. And you'll find there's all the "living room" you'll ever want or need.

See how Ford's optional power assists* make your driving easier.

Unlike other low-priced cars, Ford offers a power-lift system that operates on all four windows. And Ford's power-operated front seat moves up and down as well as back and forth. Ford also offers you power brakes, power steering and Fordomatic.

Your fun really begins when you own a Ford

Of course, you can't fully appreciate the many, many "worth more" advantages that are yours in a '54 Ford until you actually own one. You'll find that your Ford provides the careful craftsmanship of a hull-tight Crestmark Body, the added safety of Full-Circle

Visibility, the easier action of suspended clutch and brake pedals and the convenience of Center-Fill Fueling... advances which make your Ford more fun to drive. And only Ford in the low-price field brings them to you. Why not join the swing to Ford!

We cordially invite you to Test Drive a '54 FORD ORVILLE LESLIE & SONS

Coffee and Doughnuts Help Polio Fund

Last Saturday Brugger's Market served coffee and doughnuts to their customers. The price—whatever the customer wished to put in the Polio Fund Canister. The day was right and business was good at the coffee urn. John says, "No folding money, but it was surprising how many half dollars went in to the Polio Fund Canister." The coffee and doughnuts were donated by the store, and it was self serve.

Will Serve "10c Supper"

The Auxiliary of the Tawas City American Legion will hold a "10c Supper" Saturday evening, February 13, at the Legion Hall. Select to suit your taste at 10 cents a portion.

Smith House Winterized

To prevent further damage to the old Smith House on Lake Street, it was "winterized" last Sunday. Roy Crabb of M. Morris, owner, and a crew of men boarded up the windows and doors of the old place which has been vacant for a number of years. Built in 1888 by William B. Whittemore, it was for many years the home of the L. B. Smith family, prominent Tawas City residents.

Dismantling Courthouse

A few hours after the auction sale of surplus office equipment last Tuesday afternoon, the Capital City Wrecking Company of Lansing started to wreck the old courthouse and by Thursday morning only a portion of the first story was standing. The company is offering the salvaged material for sale.

Porchville Active

All fish shanties at Porchville were filled last week-end. Mrs. Clyde Montgomery, chamber of commerce secretary, said that the shanties had been reserved a week ahead by outstate fishermen.

No Standing In Line Now

"Purchase your car license now, and you'll not have to stand in line during the rush just before the deadline," says County Clerk George Prescott.

To Seek Senatorial Nomination

RED CROSS WATER SAFETY 40 YEARS OLD

Only forty years have passed since February 1, 1914, when the first Red Cross Water Safety courses were introduced to the world by the "amiable whale," the late Commodore Wilbert E. Longfellow (on running board). And, though styles in bathing attire have changed drastically in that time, the principles of water safety which the Red Cross has taught to 9,300,000 persons have remained constant. Waterproofing America has paid big dividends; since 1914 the drowning rate per 100,000 population has been cut in half. Water Safety is one of the many Red Cross services you support by your contributions to the annual Red Cross Campaign in March.

News About Hale...

Mrs. Richard Harris was seriously hurt Sunday afternoon when the car she was driving went out of control on the icy road and struck a guard post. The impact opened the door and Mrs. Harris fell out and was dragged down the ravine under the car.

Mrs. Frank Chrvia and two children in the car were not injured, but Mrs. Harris suffered several fractures and was taken to Tolfree Memorial Hospital, West Branch. She was transferred to Ann Arbor for treatment.

Dr. Douglas and Herbert Townsend are spending two weeks in Canada working on their property there.

William Marflett has gone to Detroit where he has employment.

Mrs. Minnie Shellenbarger, a former resident of Hale, passed away at the Mitchell Nursing Home after a long illness. Burial was in the Oscoda Cemetery.

Mr. and Mrs. Elmer Graves are enjoying their new television set.

Mrs. Kate Buck has been very ill with virus pneumonia. Her daughter, Mrs. Bernadine Swanson, and granddaughter, Betty Swanson, of Roscommon visited her on Friday.

Mr. and Mrs. Duell Pearsall were business visitors in West Branch on Friday.

Mr. and Mrs. Pat VanWormer and Mr. and Mrs. Norman VanWormer spent the week-end with relatives here.

Mrs. Cora Johnson spent Sunday with her son, Clyde Montgomery, and family of Tawas City and grandson, Jacob Montgomery, who returned from military duty in France Sunday morning.

Gilbert Dorsey has a sprained wrist caused by a fall while roller skating.

School has been closed since last Wednesday on account of the icy roads.

BURLEIGH

The Burleigh Rural Ladies Club met Thursday with Mrs. Zilda Ott and Mrs. Orilla Trudell. Seventeen members and one guest, Mrs. Gerald Ruckle, were present. Mrs. Margaret Bellor gave a paper on the "Story of Tea." The apron exchange was postponed until the next meeting.

The prize for the social hour went to Mrs. Margaret Bellor. The next meeting will be at the home of Mrs. Emma Durnill.

Born to Mr. and Mrs. Edward Currie, a son, on January 18.

Mr. and Mrs. Peter Trudell spent last week in Detroit.

Mrs. Martha Siegrist is visiting her daughter, Mrs. Glenn Schneider, and family in Bay City.

Mr. and Mrs. Henry Ott and son spent the first of the week in Saginaw.

Mrs. Robert Dodder spent the week-end in Flint.

Mr. and Mrs. Erwin Partlo and family of Flint were week-end guests at the Earl Partlo home.

Mr. and Mrs. Charles Caverly and sons of Saginaw spent the week-end at the Cecil Ruckle home.

Mrs. Henry Ott entertained several out-of-town relatives Sunday. They celebrated the birthday of Mrs. Ott's father.

Glenn Schneider and son, Gary, of Bay City called at the Bellor home Friday.

Robert Burkholder called on A. B. Schneider one day last week.

Jack Bellor, who is working at Flint, spent the week-end at the home of his parents here.

Clifford St. James was at West Branch on business Tuesday.

The roads were so icy Tuesday that the school buses did not venture out.

Laidlawville News

The Laidlawville Farm Bureau Group met with Mr. and Mrs. Arthur Kobs January 19. A lively discussion was led by the discussion leader, Mrs. Randy Proudfoot. The February 16 meeting will be at the Walter Laidlaw home.

Mrs. Thomas Nelkie spent the week-end in Detroit visiting relatives.

Mrs. Walter Anschuetz spent the week-end in Flint with her sister.

Among those receiving pins and ribbons at the Awards Party at Hale Saturday evening were James Laidlaw, William Laidlaw, Sharon Frank and Janet Nelkie.

The next 4-H Community Club meeting will be held at the school on February 3 at 8:00 p. m. All parents are urged to attend.

Mr. and Mrs. William Ulman and Mr. and Mrs. Elva Ulman were Laidlawville visitors Sunday.

Brenda Laidlaw is home from the University of Michigan, Ann Arbor, for the mid-semester vacation.

The Laidlawville Home Demonstration Group met at the home of Mrs. Walter Anschuetz recently. The next lesson will be on basket weaving at the home of Mrs. Herman Fahsel, the second Tuesday in February.

Mrs. Robert Law, the former Mary Proper, has been visiting her parents, Mr. and Mrs. William Proper, the past two weeks. She left Sunday to rejoin her husband, who is stationed in Texas.

Mrs. Elsworth Laidlaw and Mrs. Harry McLean left last week to visit Mrs. Laidlaw's sister, Mrs. Anna Kirby, 1048 West Decatur Street, Decatur, Illinois. She will spend a month or so there. Mrs. McLean will be visiting her son, Ronnie, in Tucson, Arizona.

About 50 friends and relatives gathered at the Laidlaw School for a miscellaneous shower for Mary Proper Law. She received many lovely gifts. Games were played and a delicious luncheon was served by the hostesses, Mrs. Ivan Alexander and Mrs. Donald MacDonald.

"Monthly Pains" stopped or amazingly relieved in 3 out of 4 cases in doctors' tests!

Chances are you're putting up — unnecessarily — with the functionally caused pains, cramps, and weak "no good" feelings of menstruation!

For, in actual tests by doctors, Lydia Pinkham's Compound brought complete or striking relief from such distress in 3 out of 4 of the cases!

Lydia Pinkham's is modern in its action!

So get Lydia E. Pinkham's Vegetable Compound — or new, improved Tablets with added iron. See if — taken through the month — it doesn't give relief from those backaches, jitters — help you feel better before and during your period!

Or — if you suffer from functional "hot flashes" of "change of life," find out how wonderful Pinkham's is for that, too!

It has a quieting effect on uterine contractions that often cause "period" pain!

EAST TAWAS METHODIST CHURCH

East Tawas largely owes its beginning to the Smith, Van Valkenburg and Company lumbering firm. In 1923 George P. Smith of this firm wrote to the Methodist Church on the occasion of the 50th anniversary of the Methodist Church here: "My wife was a member of the Methodist Church at Buffalo. On our first Sunday after her arrival she asked me where we were going to church on Sunday School. I told her there was no such thing either there or Tawas City or at AuSable. She said she could not be expected to make her home there unless there was some sort of religious

service on Sunday, and during the next week she canvassed the few people who lived in the village and had them come to a cabin near where the mill was being built, on the next Sunday, and there were about a dozen there. A Sunday School was organized." The date was April 22, 1866.

Sometime later the Sunday School was organized as a Methodist institution and by June 10, 1867, Rev. Jared Copeland organized the Tawas Circuit from it. Since 1867 ministers have been appointed by the Detroit Annual Conference, annually.

The congregation moved from the cabin (near the present Community Building) to the hall above the company store (present site of Standard Oil Station), then to the school building. By 1870 subscriptions were raised and a building was started and dedicated in 1873. In the early 1890's the building was moved from the corner of Lincoln and Wadsworth Streets to the present site.

At various times East Tawas has been associated with Tawas City, Wilber and the Oscoda churches in sharing a minister and other cooperative undertakings.

BIRDS IN THE TREE?—At first glance, it looks like this winter-bare tree is sporting a flock of shivering birds. But another look reveals that the creatures aren't birds at all, just a group of youngsters in Brooklyn, N. Y., playing in the snow.

three weeks vacation in Florida and other states.

Mr. and Mrs. Eugene Morrison have moved to Hale.

Mr. and Mrs. Thomas Berry and family spent Monday with Mr. and Mrs. Henry Smith.

Quite a bad accident happened on the Sand Lake Road in front of John Burt's residence. Three young men from Reese were in a car when it went out of control and hit the abutment. Three posts were broken and the car badly damaged. The men received only minor injuries.

Strange as it may seem, you are often wrong and the other fellow often right.

WHOLESALE FOOD PRICES

The wholesale price of food reached the highest point in two and a half years on the Dun and Bradstreet index on January 12. The index was 2.6 percent above the figure for the preceding week and well above the index for the same period a year ago. Sharp increases in coffee and cocoa contributed to the rise, with wheat, barley, beef, hams, tea, eggs, raisins, prunes, steers, hogs and lambs also higher. Only flour, corn, rye, oats, lard, butter and cottonseed oil were lower.

Canned Meat Ideal for Quick Meal on Cold Nights

BY DOROTHY MADDOX

FOR cold nights when there is not much time to get dinner, use canned meat. Or serve canned beans, either New England style or packed in tomato sauce. Give them distinctive flavor by adding a little molasses.

Here are three combination recipes that save you time yet give the family good hot food when the winds blow cold.

Savory Baked Beans (4 generous servings)

One quarter cup unsulphured molasses, 1 tablespoon vinegar, 1 tablespoon prepared mustard, 1/4 teaspoon Tabasco sauce, 2 1-pound cans baked beans, 1 onion, sliced.

Combine unsulphured molasses, vinegar, mustard and Tabasco; mix well. Empty beans into skillet or casserole; stir in molasses mixture. Arrange onion slices on top of beans or layer with beans. Simmer in skillet on top of range 10 to 15 minutes, or bake in casserole in a hot oven (425 degrees F.) 30 minutes.

Luncheon Meat—Sweet Potato Puff (4 servings)

Two pounds sweet potatoes, 2 tablespoons butter or margarine, 2 tablespoons unsulphured molasses, 1/4 teaspoon salt, 1/4 cup raisins, 1 can luncheon meat, 1 orange, peeled and sliced; 1 tablespoon brown sugar.

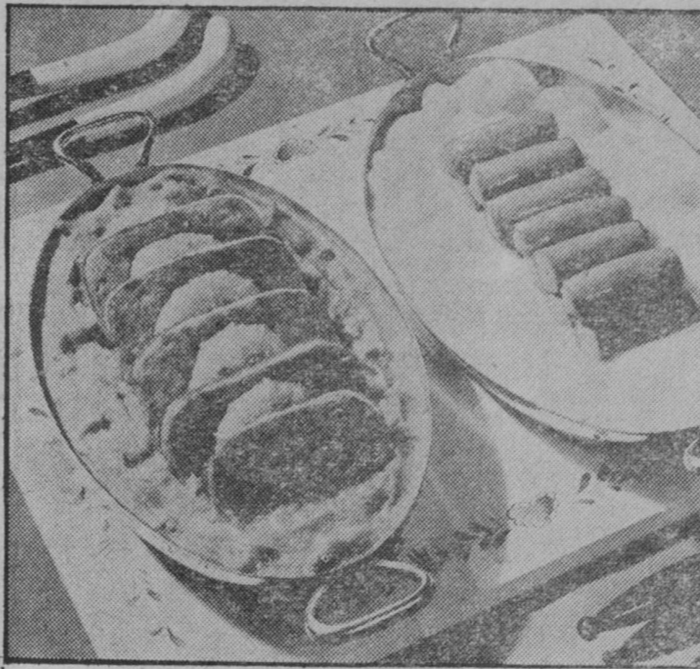

Cook potatoes in boiling water until tender. Drain and peel. Mash potatoes. Add butter, molasses and salt; beat until light and fluffy. Stir in raisins. Place potatoes in a shallow casserole.

Cut luncheon meat into 6 slices; arrange meat on top of potatoes with halved orange slices. Sprinkle meat with brown sugar. Bake in a moderate oven (375 degrees F.) 20 minutes.

Vienna Sausage Dinner (4 servings)

Four and one half tablespoons dry skim milk, 1 1/2 cups water, 3 tablespoons butter or margarine, 4 tablespoons flour, 1/2 teaspoon salt, 1/4 teaspoon pepper, 1 1/2 pounds small white onions, cooked; 2 cans Vienna sausage.

Sprinkle dry skim milk on top of water. Beat slowly with rotary

Whether it's luncheon meat with sweet potato puff, left, or Vienna sausage with creamed white onions, your family will agree it's the perfect meal for a cold night.

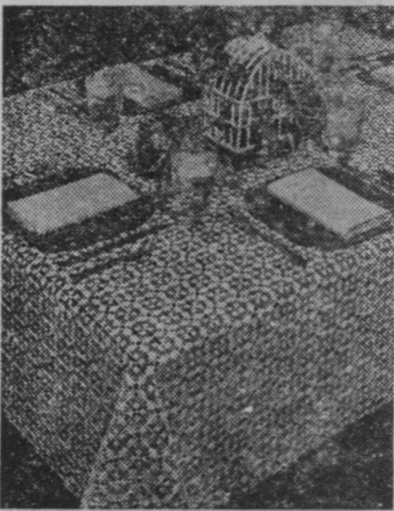

beater until dissolved; reserve. Melt butter. Add flour, salt and pepper; stir to a smooth paste.

Add reserved liquid and cook, stirring constantly, until mixture thickens and comes to a boil. Add onions; heat. Heat Vienna sausage in own liquid. Turn creamed onions into serving dish; top with Vienna sausage.

National Crochet Week, recognized this year as January 23-30, means different things to many people. To the store owner, it means re-stocking his needlework counters and shelves with a new and varied selection of crochet materials in preparation for the big event. To the crocheter it means the time for the gathering of new ideas for future needlework projects and getting the best pick of the needlework crop. The contest-minded, prize-minded crocheter looks forward to National Crochet Week because it means the official beginning of the 1954 Nationwide Crochet Contest.

1954 NATIONWIDE CROCHET CONTEST
Everyone has a chance to win a share of the cash prizes offered in the exciting Nationwide Crochet Contest whether a beginner or an experienced crocheter, whether an entrant in previous years' contests or not. Over \$2500 will be distributed among the many winning contestants in the 1954 competition. From the thousands of pieces awarded Nationwide Crochet Contest blue ribbons at state, county and local fairs this year, three champions will be selected—Grand National Champion, Men's Champion and Teen-Age Champion. Each will receive a free trip to New York City with all expenses paid in addition to cash prizes and gold loving cups. The Grand National Champion will be awarded \$500, and \$100 each will go to the Men's Champion and Teen-Ager. No crocheter can afford to miss the opportunity of competing for these appealing prizes.

A PRIZED POSSESSION

This luncheon cloth is of championship caliber no matter what way you look at it. Prepare yourself to win many compliments when you place it on your table. It's a good item to enter in the Nationwide Crochet Contest, too. Each square motif measures 1 1/2 inches; the entire cloth measures 68 inches square. The motif design is equally charming when used in making a chair set or runner. For the crocheting instructions and a Contest Rules Leaflet, send a stamped, self-addressed envelope to the Needlework Department of this paper. Ask for NAN-LUCKET, Leaflet No. S-378.

MIGHT HAVE, AT THAT

It is stated that Scotchmen originate most of those jokes about themselves in order to get a lot of free publicity.—Florida Times-Union.

IN FASHION NOW—

The princes dress is back in style again. It may have either a narrow skirt or a full one, but the latter seems to be the favorite just at present.

Some beautiful prints are being shown for spring—they come in various materials—the soft taffetas are particularly lovely.

HDA NOTES

Calendar:
February 1-5—Farmers' Week at Michigan State College. Copies of the program for Farmers' Week are available at your Extension Service Office.

If you are lucky enough to go down, you will probably plan to stay overnight, maybe with friends or relatives. However, if you are looking for overnight accommodations, the housing office in the MSC administration building will have a list of homes where you may stay. Call there between 8:00 a. m. and 5:00 p. m. Kellogg Center will have available rooms. Lansing hotels include Olds, Porter, Roosevelt, Wentworth and others. Make your reservation direct.

Eating is sometimes a problem. This year a number of arrangements are being made to help the situation. Union Cafeteria, Kellogg Center and Philip's Hall will be serving meals. Refreshment stands will be located near the agricultural engineering building, in stadium exhibit space, in demonstration and short course cafeteria. Hours when open vary, so check on that.

What to serve when a crowd of young people gather after an evening of active sports, skiing, sleighing and tobogganing.

Hot chocolate is still a quickie for taking the chill from the hands and feet, and with plenty of marshmallows and whipped cream floating on top there are calories galore with good nutrition. Popcorn can be popped by a gang while you make the chocolate. Dry milk solids can be used instead of whole milk saves on your grocery bill and no one knows the difference.

Cranberry punch served hot gets more popular every year. Homemade cinnamon rolls or ginger cookies win praise from the teenagers.

Heated apple juice and grape juice win approval, spiced or plain. With it serve oatmeal or ginger cookies or brownies.

Cheese spreads and crackers, whole wheat, corn, cheese or salted, are favorites with all ages. Graham crackers with a marshmallow and a piece of wafer thin chocolate candy make a different sandwich. Toast the marshmallow for best results.

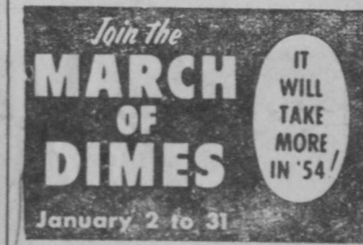

Do you know about, and un-

derstand the height-weight system of sizing garments for young children.

Government studies of the measurements of more than 140,000 children proved that children's figures follow general proportions with height and weight. The combination of these measurements proved to be the truest guide for sizing for all types of children's clothing. You can take the measurements at home. Be sure to take them with the child wearing shoes and include the waist measurement, neckband measurement, and chest or breast measurement. Also find out how much he weighs.

Here is a sample label on a snowsuit: "If the child weighs 37 to 42 pounds and is 40 to 43 inches tall, please buy the fifth size." And another: "If the child has a 21 inch waist and weighs 32 1/2 pounds and height is 37 inches, he needs size three." Size means size numbers and not age three.

It's hard to achieve success and keep so-called friends from being jealous, at the same time.

Janet Nelkie reports that all nine clothing project members were present for their second meeting. These Laidlawville 4-H's are doing various things. First project members are working on towels, second and third project members have their patterns and materials. Six girls are in the first project, two in second, and one in fourth. Joyce Wellna is assisting Mrs. Roy Atkinson with the first project members.

"The Taft Junior Farmers held its monthly meeting at the Reno Township Hall on January 18. The meeting was called to order by president, Eilert Barnes.

"Project reports were given by the clothing reporter, Neva Daugherty, and the knitting by Nola Wesnick.

"Food preparation meetings have not been started. No boys project reports were given.

"The Cherry Pie Contest will be held at Hale on January 23. Shirley Smith, a member of our club, was selected to lead the procession with the winning pie.

"Recreation perior was supervised by Robert Robinson. Ronnie Lutze sang "Danny Boy" and Harold Hammond gave a demonstration on light bulbs and showed a movie on the subject.

"Next meeting will be held on the third Monday of February. All members are requested to bring the articles being made in each project. Parents and friends will be welcomed." Faye Pagel, reporter.

"Seven cords spliced and two extension cords completed, that completes the first project in electrical work by Friendship 4-H Club members. Nine members were present for the meeting at the home of Mrs. Alton Durant, January 19.

"Duane Durant, second project member, gave a meter report. At the next meeting we plan to start our lamps." Laurel Whitford, reporter.

"Patterns pinned on and material cut out" that's the objective of the Friendship sewing project members at their next meeting.

The girls met at the Katterman home this time, and next meeting will be at the Victor Herriman home. Rosalie Steinhurst and Doris Herriman are to plan entertainment. Phyllis Watts is reporter.

"Sherman 4-H Club met on January 18 with President Dale Strauser presiding. The pledges to the flag were given after which roll call was taken with all but two members being present. Then we sang songs. A planning committee was chosen to work out a program for 1954. A card party is planned to raise funds with which to help send members on 4-H Club trips. It will be held on February 19 at Sherman School, beginning at 8:00 p. m. There will be a door prize and refreshments.

"The next regular 4-H Club meeting will be on February 1." Pavo Bloomquist, reporter.

Special School Election

Notice of special meeting and election of the qualified electors of Tawas Rural Agricultural School District No. 1, Irl, Isosco and Arenac Counties, Michigan

To be held
February 8, 1954.

The Qualified Electors of Said School District:
Please Take Notice that a special meeting and election of the qualified electors of said School District will be held in the East Tawas Community Building, on Monday, February 8, 1954, at 7:00 o'clock, a. m.

The polls of the election will open at 7:00 o'clock, a. m. and close at 8:00 o'clock, p. m., Eastern Standard Time.

The following propositions will be submitted to the vote of the electors qualified to vote at said special meeting and election:

I. Shall the limitation on the total amount of taxes which may be assessed against all property in Tawas Rural Agricultural School District No. 1, Irl, Isosco and Arenac Counties, Michigan, for all purposes, except taxes levied for the payment of interest and principal on obligations incurred prior to December 8, 1932, be increased, as provided by Section 21, Article X of the Constitution of Michigan, by one and three-tenths per cent (1.3%) of the assessed valuation, as equalized, of all property in the School District for a period of twenty (20) years, from 1954 to 1973, both inclusive, for the purpose of providing a debt retirement fund to pay the principal and interest on bonds of the School District in the principal amount of not to exceed Seven Hundred Seventy-Five Thousand Dollars (\$775,000) to be issued for the purpose of erecting and furnishing a high school building and acquiring a site therefor?

II. Shall Tawas Rural Agricultural School District No. 1, Irl, Isosco and Arenac Counties, Michigan, borrow the sum of not to exceed Seven Hundred Seventy-Five Thousand Dollars (\$775,000) and issue its bonds therefor, for the purpose of erecting and furnishing a high school building and acquiring a site therefor?

Each person voting on the proposition to increase the total tax rate limitation, must be a citizen of the United States, above the age of 21 years, and have resided in the State of Michigan six months, and in the School District 30 days next preceding the election.

Each person voting on the proposition of issuing the bonds of said School District must be a citizen of the United States, above the age of 21 years, and have resided in the State of Michigan six months, and in the School District 30 days next preceding the election, and have property assessed for taxes within the School District or be the lawful husband or wife of a qualified voter of the District having property so assessed.

1, Grace L. Miller, Treasurer of Isosco County, Michigan, hereby certify that, as of January 14, 1954, the records of this Office indicate that the total of all voted increases over and above the tax limitation established by Section 21, Article X of the Constitution of Michigan, in any local units of government affecting the taxable property located in Tawas Rural Agricultural School District No. 1, Irl, Isosco and Arenac Counties, Michigan, is as follows:

By Isosco County: 2 mills, 1954 to 1971, both inclusive
By Baldwin Township: None
By Tawas Township: None
By Wilber Township: None
By Grant Township: None
By the School District: 5 mills for the year 1953.

Grace L. Miller
Treasurer, Isosco County, Michigan

I, Claude E. Upton, Treasurer of Arenac County, Michigan, hereby certify that, as of January 14, 1954, the records of this Office indicate that the total of all voted increases over and above the tax limitations established by Section 21, Article X of the Constitution of Michigan, in any local units of government affecting the taxable property located in Tawas Rural Agricultural School District No. 1, Irl, Isosco and Arenac Counties, Michigan, is as follows:

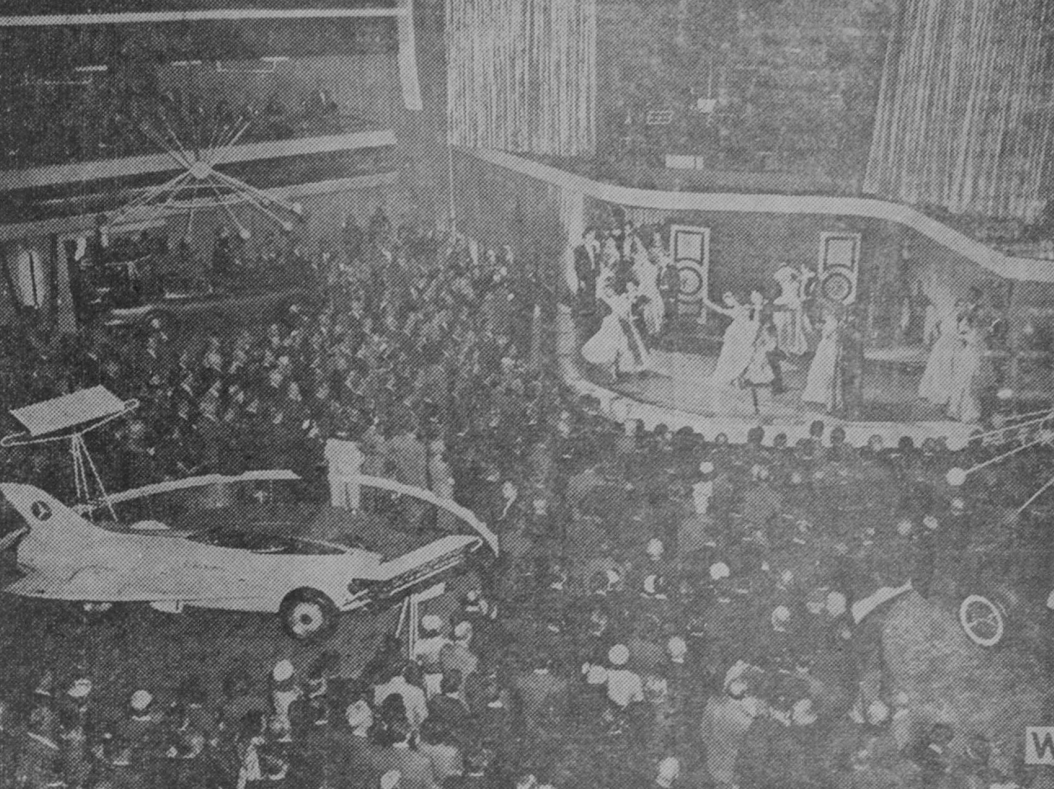

By Arenac County: 1½ mills, 1954 to 1960, both inclusive
By Whitney Township: None
By the School District: 5 mills for the year 1953.

Claude E. Upton
Treasurer, Arenac County, Michigan

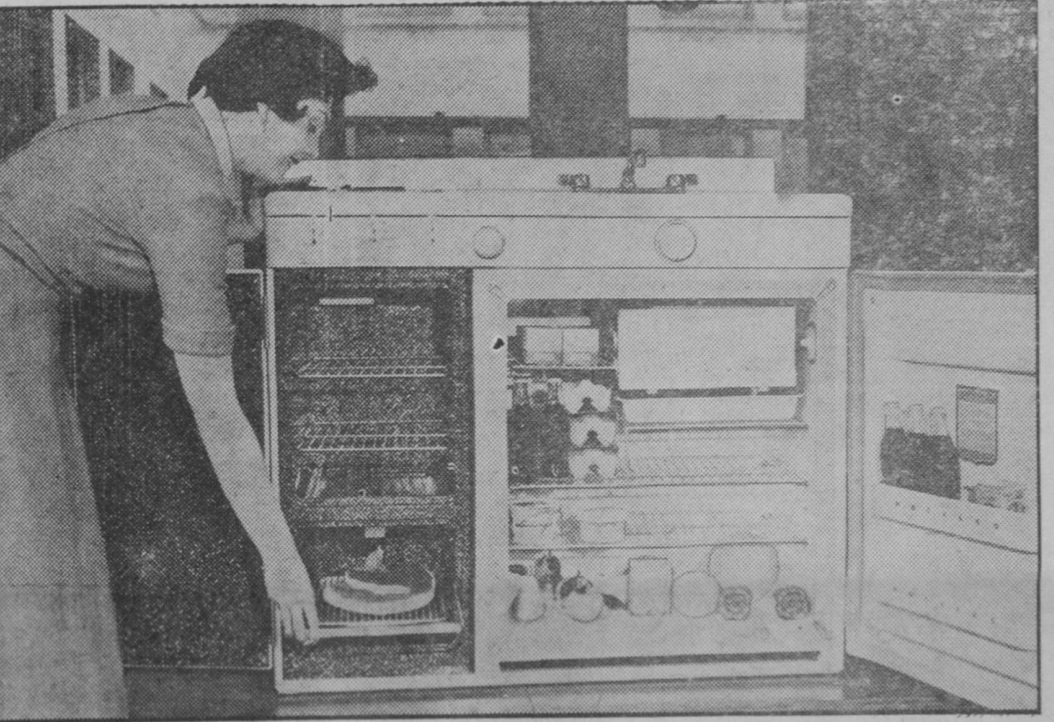

Take Notice that the Board of Education has estimated the total expense of erecting and furnishing a high school building and acquiring a site therefor to be Eight Hundred Forty Thousand Dollars (\$840,000). Seven Hundred Seventy-Five Thousand Dollars (\$775,000) of which it is necessary to raise by borrowing and issuing the bonds of the District.

FARM NOTES

Calendar:
 February 1-5—Farmers' Week at Michigan State College, East Lansing.

Forty-two persons attended the annual Iosco Soil Conservation District meeting at Hale Community Building on Saturday, January 23, relates Gordon Hatch, soil conservationist. Twenty-seven voted to elect James Mielock and Gerald Bellen to the board of directors.

The meeting was conducted by James Mielock, chairman. A movie, "Grass, the Big Story," was shown after which each director gave his report. The year's highlights were presented by Gerald Bellen in the absence of Lloyd Turk, director of the Michigan Agricultural Experiment Station, spoke on the future trends in agriculture and soil relationships.

There was a discussion from the floor on "What Can My Soil Conservation District Do For Me?"

"Taken Over" will be classrooms and stadium, dining halls and laboratories, auditoriums and farm buildings at Michigan State College next week. It is the annual MSC "open house" for farmers and homemakers. Programs will offer many things for the entire family.

There will be information on production, from dairy barn ventilation to wilt problems in mint, on new developments like milk handling, on prices, government programs and human relationships.

Top speakers on the program will include these and others: Dean of Agriculture J. O. Christianson of the University of Minnesota on Monday, February 1; Dr. William Alexander, Oklahoma City pastor and one of the most popular young people's speakers in the nation, on Tuesday, February 2; John Davis of Washington, D. C., assistant secretary of agriculture, on Wednesday February 3; Dr. John A. Hannah, MSC president and assistant secretary of defense, on Thursday, February 4; Dr. L. E. Casida, University of Wisconsin geneticist, on Friday, February 5.

Many other speakers and a more complete program information are listed in the Farmers' Week program booklet, yours for the asking, at your Extension Service Office, Federal Building, East Tawas, phone 641.

If you want to check up on housing see HDA column this week.

You can get information on how to file income tax returns from a bulletin called "1953 Farmer's Income Tax." The publication has been approved by the Bureau of Internal Revenue and is available at the Extension Service Office. Here you can also obtain farm account record books. Now is the time to do it.

Braves Win Two More Games

The Braves of Tawas Area High School added two more scalps to their belt with a 7-53 win over Harrisville Friday night and a 54-53 thriller over Alpena Catholic Central Tuesday.

Ed Davison, Tawas forward, was the man of the evening, Tuesday, when in the closing minutes of play in the Catholic Central game, he sank a long shot to tie up the score. He then fouled a Cathic Central player with Alpena going ahead 53 to 52. With two seconds left on the clock, Anschuetz was fouled and missed both foul shots. On the second shot Davison tipped in the rebound to give Tawas a 54-43 victory.

The Defibaughmen held a 14-12 edge at the quarter, but at the half Catholic Central pushed ahead 28-25. At the end of the third quarter the Alpena team still held a two point margin, 40-36.

Clearwood of Alpena with 24 points led in the scoring column for Catholic Central. Ed Davison with 18 points on seven field goals and four foul shots led the Tawas team. Morley and Anschuetz had 14 points each.

The Reserves split in their two games, winning from Harrisville, 44-22, and losing to Alpena Catholic Central, 44-19.

The Tawas cagers had rather an easy time of it last Friday when they wallopped Harrisville, 78-53. The games was played at Harrisville.

Anschuetz and Morley just could not be stopped by the Harrisville defense, with Morley sinking 14 field goals and five free throws for 33 points and Anschuetz, 13 field goals and two free throws for 28 points. J. Townsend with 23 points, J. the Harrisville squad.

The Braves will meet the Sterling team Friday, January 29 (tonight), at the local gymnasium.

Paced by the 17 point sharp shooting of Darwin Lepard, the Reserves won from Harrisville, 44-22, in last Friday night's preliminary. Hester also hit double figures for Tawas, scoring 10 points. T. Elliott of Harrisville had nine points. It was strictly a last half affair with Tawas breaking a 12-12 half stalemate.

Alpena Catholic Central's offense and defense was just too much for the little Braves as they went down 44-19. Tawas was only able to gain five points the first half while their opponents chalked up 21 points. They fared as badly in the third quarter when they added two more points and Alpena seven. In the final quarter Tawas marked up 12 points and Alpena, 16. Mischell set the scoring pace with 10 points for Alpena. Featheringill and Rollin led the Tawas team with six each.

pump will be necessary at this site. The combined cost of these is estimated at \$8,250. The lift pump will be a continual maintenance cost.

At the Neumann-Reinke site, Tawas City will lay a sewer line to the city limits regardless of whether the school is built or not. The distance from the city limits along the Plank Road to the school building site will be 2,500 feet, at a cost of \$17,500. The home owners along the Plank Road will have opportunity to use the service if they care to, and would pay only their portion of the cost in accordance to the Tawas City expansion plan as presently used. This participating cost would be reimbursable to the school district.

Clifford Spicer, engineer for both East Tawas and Tawas City, has stated that they can provide adequate water and sewer facilities, as the school load will come at a time when tourists and resorters are not in a number.

Elevation, Soil and Water Conditions—

Because of the land condition, and the water levels in this area. That point has a particular significance. Surface water run off if given an opportunity, this surface water can be found on much of the Neumann-Reinke site above the clay strata, due to inadequate natural surface drainage at the present time. The Neumann-Reinke site has an elevation of 603.6 feet to 608.9 feet. Elevation of the Tawas river on January 5, 1954, was 581 or 22 feet lower than the point surveyed at the site. Elevation of the Brugger farm, one-half mile east is 599 feet. Elevation at the Tawas City School ground is 13 feet below that on the site. Gravity flow of surface water is possible when a means is provided for this water to escape.

Ground water according to borings was found to be 13 feet below the surface.

Elevations of the Fairground site are from 587.6 to 589.3. Ground water was found at 37 inches to 43 inches below the surface when authorized borings were taken on the Fairground site.

The Neumann-Reinke site has a clay base at two to three feet below the surface, which will bear the building load, according to the boring tests.

The Fairground site, due to the soil structure, would require eight depth walls to bear the building and 11 feet for the gym-auditorium.

The tunnels for heating and plumbing would be in ground water strata on the Fairground site, and would have to be continually pumped to prevent water accumulation. Also walls would have to be water proofed. Cost for construction due to these factors is estimated by the

architect at a minimum of \$35,000 additional building cost.

Accessibility—

Both areas have hard surfaced roads in front of the building site. Both have other roads which could be improved to provide good access, at any time of the year.

Fire Insurance—

The cost of insurance would be the same, with water and hydrants on both sites.

Fire Protection—

Traveling time to each site varies in favor of the Fairground site by two minutes from the two city fire stations. Grade Leveling, Clear of Sites, Filing on the Building Site—

The Neumann-Reinke site clearing and leveling will cost \$150 per acre in the pine section of the Reinke site. This cost will be \$3,000. About four acres of the Neumann site will need the same treatment at a cost of \$600. The remainder of the site which may be needed for development, has been under cultivation in the past and merely needs leveling.

Cost for fill on the Fairground site has been estimated at \$11,000.

Transportation—

There are 130 pupils within one mile who could walk to the Fairground site in grades seven through 12 and there are 20 who could walk to the Neumann-Reinke site, making a total of 110 more pupils to transport to the Neumann-Reinke site.

At first glance it appears that two more buses would be required for the transportation of the additional students, but total analysis of the picture shows that this would not be true.

Two buses are needed to properly serve the US-23 Point area. Seventy pupils now are serviced in this area. Assuming that one-half of these are in kindergarten through sixth grade, there two buses, with a capacity of 120 pupils could transport 85 of the pupils from East Tawas after unloading grade pupils at the present East Tawas School. The bus from the Wilber area is now transporting 46 students. A bus of 60 passenger capacity would have available extra seating capacity for 36 pupils. After grades are unloaded

at school located in East Tawas. A Monument Road bus with a capacity of 60 passengers would have room for 36 pupils after unloading grade pupils at the East Tawas Unit.

This allows transportation for 157 pupils; therefore the additional 110 pupils can more than be provided for with no additional facilities.

The additional cost of the state on the basis of last year's transportation rates would be \$1.62 per day or \$303.40 for the year.

The foregoing are facts and information on which your board of education carefully considered and reconsidered in selecting the Neumann-Reinke site as the most suitable one. The board on the Neumann-Reinke site but on other sites. It has been a long and drawn out task to make these comparisons, but the board feels it has thoroughly considered all necessary factors in behalf of the citizens of the area.

A brief summary of the sites—

Neumann-Reinke Site	Cost
Size	65 acres
Cost	\$16,500
Clear & Level	3,600
Sewer & Water	17,500
Added cost of foundation	0
Fill	0
Total	\$38,100

Fairground Site	Cost
Size	32.5 acres
Cost	\$15,900
Sewer & Water	8,250
Added cost of foundation	35,000
Fill	\$11,000
Total	\$70,050

There are other factors that were considered in site selection, namely meeting the area school needs for tomorrow, both economic and physical needs. We must not overlook the community needs for education at the community college level.

The plan presented to our district has the flexibility to physically provide for this when the area can do so economically. Normal and accelerated growth of the area has been considered and again the flexibility of our plan for expansion at minimum cost has been given consideration.
