THOUSANDS OF HOLIDAY FUN-SEEKERS VISIT IOSCO AREA DURING WEEK-END

Automobiles loaded with thousands of holiday-minded tourists and outdoor fun-seekers were still traveling south on US-23 Wednesday, following the long Fourth of July week-end.

In the Tawas and Iosco county, a crowd of several thousand Iosco local hostesses, tourist cabin courts, motels and the state parks to overflowing on Saturday, Sunday and Monday.

All available room was filled to capacity in the Tawas and in other Iosco county communities. The same situation was reported in the inland lake area of the county.

Law enforcement agencies reported that Iosco county was very fortunate in not having any serious highway accidents during the three-day holiday. A few minor property damage accidents were reported.

In one state as a whole, however, proved to be in the unenviable position of leading the nation in traffic fatalities, with the latest count numbering 135 dead.

During the past two holiday week-ends this year, Memorial Day and the Fourth of July, Iosco county highways have proven to be some of the safest in the state.

Overcast skies, cool weather and threatening rain failed to dampen the spirits of the visitors and a big crowd was on hand to watch the annual Tawas Bay Regatta.

It was estimated that more than 50 sailboats and sleek power cruisers, comprising the fleets of the Tawas Bay Yacht Club, Saginaw Bay Yacht Club, Lake Fenton Yacht Club, Bay City Yacht Club and the Saginaw Bay Power Squadron, were in the Tawas harbor area for the sailing events.

In a full schedule of sailboat racing events staged off the East Tawas State Park dock, the Regatta breezed into full swing on Saturday afternoon with E. C. Davidson of Bay City winning the Saginaw Bay Power Squadron's predicted log race from Bay City to Tawas.

First place winners in the sailboat races over the week-end were: Richard Cross, TBYC, Class A; Dr. Gerald Murphy, Lake Fenton, Lightning class. Thomas and Arthur Dillon of East Tawas copped the National toga during the final heat on Monday.

The weather was near perfect for sailing over the week-end, with just the right amount of fresh breeze that made for good races, was the opinion of Clarence Everett, commodore of the TBYC.

Following the sailboat racing events staged Saturday afternoon, the Tawas Bay Yacht Club played host to more than 200 visiting sailors and their families at a picnic dedicating the (See HOLIDAY, Back Page)

Begins Duties as Bay Probation Officer

Thomas M. (Mike) Coyle yesterday began his duties as Bay county juvenile probation officer.

Coyle is the son of Mrs. John Coyle of this city. He resided here until six years ago when he went to Bay City to become an investigation agent for an insurance company.

He was named to the \$5,000 a year post Wednesday evening by Probate Judge Raphael G. Phillips of Bay county and a county advisory committee.

Coyle was born in Bay City but came to Tawas City when a boy. He attended Notre Dame from 1929 to 1935 where he received A. B. and L. L. B. degrees. For a number of years, he was associated with his father in the commercial fishing business.

Architects plans have been prepared which have the approval of the State Board of Corrections. After several years of criticism of the jail by the board of corrections, in May of 1953, it condemned the building and gave the board of supervisors a limited time to take action in providing a satisfactory jail.

In May of 1953, W. H. Nestle, state jail inspector, informed the board of supervisors that if some "concrete action" was not taken for bettering conditions in the Iosco County Jail, it would be necessary to turn the matter over to the attorney general to take the necessary steps to see that it was closed. East Branch Bridge Nears Completion

"In approximately five or six weeks the East Branch bridge on M-55 will be ready for use," Donald Akers, state highway department bridge project engineer, stated yesterday. The bridge structure is complete. The bulk of the remaining work is on the approaches.

Started last October, construction since on the bridge has been continuous with the exception of two months during the winter when work was held up on account of a lack of steel.

Constructed by the Sargeant Construction Company at a cost of \$104,000.00, it is one of the most beautiful bridge structures in the county. Ever since the automobile came into use the old narrow East Branch bridge, with its steep approaches, has been a traffic hazard. During that time there have been many accidents, some with serious injuries to the people involved. The new bridge is an important contribution to the state road system in Iosco county.

Grading and construction of the bridge approaches is under a contract with the William Gilliland Construction Company of Alpena. The cost of this portion of the project will be \$32,000.00.

Mr. and Mrs. C. C. Harwood are visiting with relatives at Fort Wayne, Indiana.

Voters Receive Three Ballots in Monday's TA School Election

Two trustees for full terms, one trustee for a one-year term and a renewal of the five-mill building fund tax levy will be voted on at the Tawas Area School election next Monday.

There are four candidates for the two full term vacancies: Randall Fox of Tawas City, William R. Look, Alice R. Dimmick and Lutie O'Loughlin, all of East Tawas. Fox has been a member of the Tawas Area Board of Education ever since the consolidation of the districts and had previously served on the Tawas City Board of Education for several years.

Stewart White is a lone candidate for the one-year term vacancy. He was serving by appointment, having succeeded Earl M. Wight who had resigned.

The five-mill tax levy would add \$40,000.00 to the existing building fund making approxi-

mately \$105,000.00 available when a building is started, it is estimated that this will save the district about \$14,000.00 in interest when the new school is financed.

The five-mill tax levy will be based upon county equalized valuation and not the State Tax Commissioner's high equalized valuation figures.

This will not increase taxation over the 1953 tax as a similar levy was adopted last year by the electors of the district.

A continuance of the building fund tax levy will reduce the amount necessary for which to issue bonds when the district builds a new school.

There will be four voting places in the district: First Precinct, East Tawas City Hall; Second Precinct, Tawas City Hall; Third Precinct, Tawas Township Hall; Fourth Precinct, Alabaster Township Hall.

Buch Announces Candidacy for Register of Deeds

Albert H. Buch, Iosco county register of deeds, announces his candidacy for the nomination to succeed himself at the August 3 primaries.

Mr. Buch was born and raised in Tawas City. He attended the local schools and was in business for 20 years before being appointed register of deeds in 1945.

Mr. Buch has been active in various civic affairs for many years. Since his appointment as register of deeds, there has been a steady increase in the register's office. As a comparison, more items were recorded in the past nine years than in the previous 25 years. This shows a healthy growth of our county.

Upon taking office in 1945, a few items were still recorded by the pen. All other items were copied by typewriter. Today all recording is done by the photostat machine which was purchased two years ago. This machine takes pictures of all items left for recording, making an exact copy of all the printing and writing on the instrument. When the items are processed they are bound into books which become a part of the county records.

In the past years, Mr. Buch has helped plan legislation for the improvement of the register of deeds office. During the last legislative session a bill was introduced which would have deprived the county of \$800 in revenue annually. Mr. Buch with 11 other registers of deeds, at his own expense traveled to Lansing to appear before a committee hearing this bill. Due to their oral argument the bill was not reported out of committee and did not become a law.

If nominated and elected, Mr. Buch promises the people of Iosco county the courteous and efficient service that has been given by his office in the past.

Harness Racing Features Big 4-Day Fair Program

Horse racing, even in this automobile age, continues to give its thrills to everyone. An extra day of harness racing has been added to the program of the Iosco County Fair which will be held July 28, 29, 30 and 31 at Hale.

Presented under the auspices of the Iosco County Agricultural Society, the officers, board of directors and department superintendents have been working several months to make this year's fair a place to have a grand time with your friends and neighbors.

There will be three afternoons of harness racing during the four-day fair. The agricultural society is a member of the Northern Michigan Fair and Racing Association, and with a \$2,100.00 purse, fans are assured a good field of horses.

A large premium list is being published this week with liberal awards in each department. A special feature of the list is the department devoted to 4-H Club work. Each year this department brings out a large display of fine projects by the boys and girls of the county.

The departments superintendents are: Live Stock, Orville Strauer; Poultry, William Provost; Farm Produce, Lloyd Newvine; Flowers and Plants, Addie Scofield; Home Economics, Elizabeth Newvine; Domestic Arts, Florence Dooley; Art and Antiques, Hattie Robinson; Games and Contests, Warren Britt; Conservation, Lyle Bielby; 4-H Club, Marvin Daverport; Harness Racing, Delbert Hewett.

"Pick out your department and bring some exhibits," says Thurman Scofield, secretary-manager. "You'll have some fun competing with your neighbor. Exhibits will be assembled from 9:00 a. m. to 4:00 p. m. the first day of the fair, Wednesday, July 28."

The four-day program will include band concerts, midway, judging of exhibits, games and contests. Two bicycles will be given away and a "pot of gold" during the final day.

Leaves with Group on European Tour

Miss Mabel Myles was the guest of honor at a dinner party at Alcona Beach on Tuesday evening. She left Wednesday for New York City to join a group that will tour Europe this summer.

Board Gives OK to Park Improvements

The Tawas City Department of Public Works was given the "OK" Wednesday night to go ahead with work on improving the Tawas City Park.

The "go-ahead-signal" was given to Reginald Bublitz, superintendent of public work, during the Tawas City Park Board meeting and work will begin immediately.

In a report to the park board, Bublitz told members that the city treasurer had enough money available in the park fund to pay for the steel dock piling. These funds for park improvement do not include the receipts from the recent Centennial celebration. The Centennial Committee will turn that money over to the park fund this week.

A bid on the park and dock concessions was received by the city this week. The bid hinged on the final completion of the dock and was tabled until the next meeting.

Present during the park board meeting were: George W. Myles, mayor; S. Everett, chairman of the park board; Reginald Bublitz, secretary, and George Tuttle, E. D. Jacques and Nelson Thornton, board members.

The Tawas City Park Board will meet again in two weeks to discuss work that has been completed and future improvements to the park.

Kenneth and Marlene Myles are visiting their brother, Bruce, at Fort Leonard Wood, Missouri, this week.

Largest Crowd Sees Hard Top Races

A crowd estimated at 2,000 persons was on hand to watch the stock car races last Saturday night at the Whittemore Speedway. Track officials said that was the largest crowd of the year at the Whittemore oval.

Winner of the feature race was George Ice of Bay City. Ice also won one of the heat races, along with Earl Pavel, Saginaw; Edward Slavinski, National City; Ed LaDuke, West Branch.

The Australian pursuit race was won by Earl Pavel, while Ed Slavinski copped the consolation race.

Several roll-overs and cracks-ups provided plenty of thrills for the spectators and the entertainment was topped off with a fire works display.

Tawas Area School Show Increase Over Last Year

Tawas Rural Agricultural School shows an increase of 73 on the 1953-54 school census over the school year of 1952-53.

The largest increase by age groups is 22 in the 12 year old bracket. The kindergarten ages show a gain of 30 over last year. The greatest loss was three in the nine year old group.

Total loss by age groups nine; total gain by age groups 53; increase by birthrate 30; the influx of residents 43; making the total of 73 increase.

On this one year basis the increase was due to people moving into the area rather than the increase in the birthrate.

TB Chest X-Ray Unit in County Next Week

Young or old, rich or poor, man or woman—you could have TB and not know it. It sneaks in with no warning.

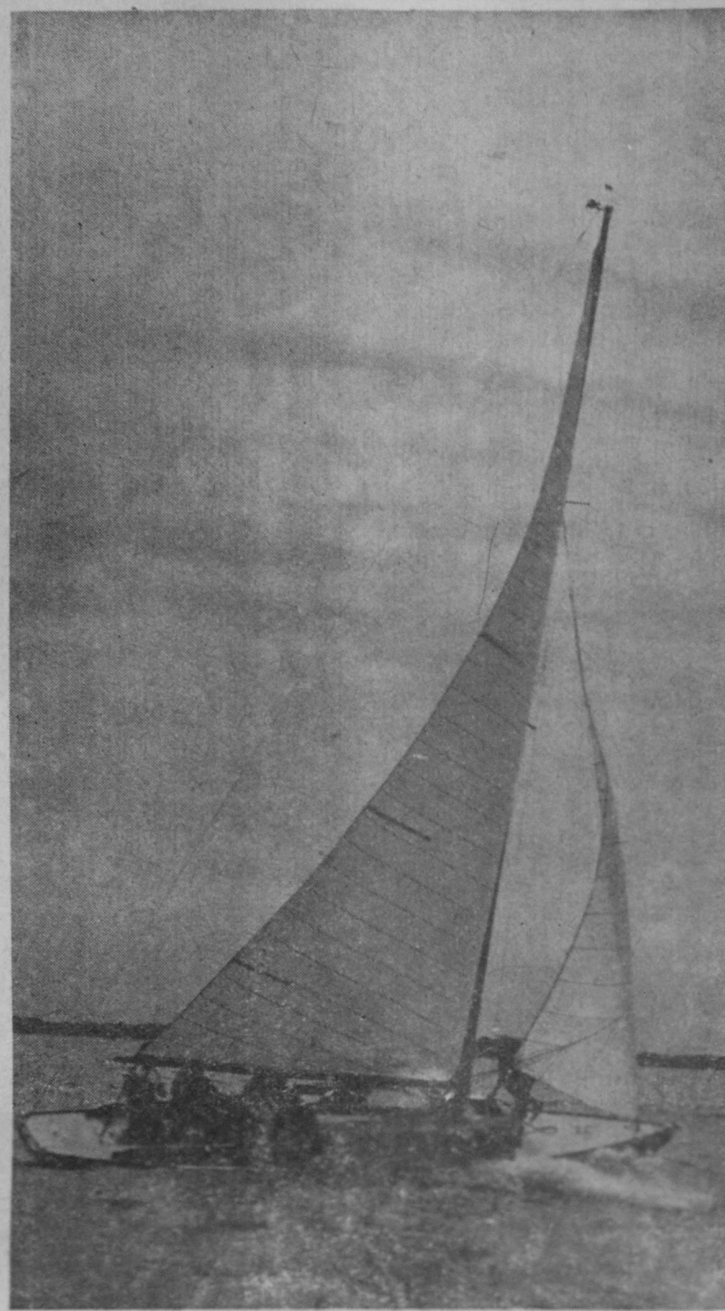

A chest x-ray unit sponsored by the Michigan Tuberculosis Association and the District Health Department will be at the following places in the county:

Hale Community Building, Monday, July 12, from 12:00 to 8:00 p. m.

Whittemore High School, Tuesday, July 13, from 12:00 to 8:00 p. m.

National Gypsum Company plant, Wednesday, July 14, from 12:00 to 8:00 p. m.

East Tawas Community Building, Thursday, July 15, from 12:00 to 8:00 p. m. and Friday, July 16, from 10:00 a. m. to 6:00 p. m.

A stiff breeze powers this L-Class sailboat on the waters of Tawas Bay. Despite overcast skies and cool weather, the weatherman provided good sailing weather over the week-end for the annual Tawas Bay Regatta.—Herald Photo.

Iosco Electors Will Vote on Jail Bond Proposals August 3

Iosco county electors will vote on a bond issue of \$125,000 on Tuesday, August 3, for the construction of a new county jail.

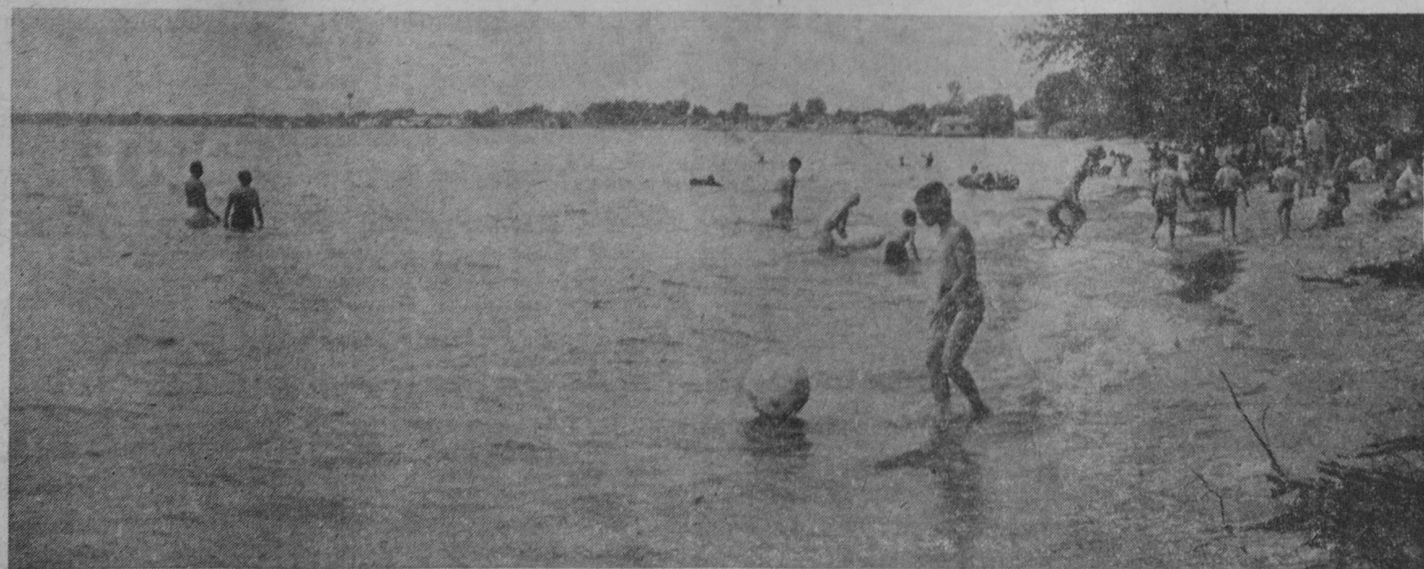

Forced by the act of the State Board of Corrections to make a decision on the building of the new jail, the board of supervisors adopted a resolution during the June session to submit the bonding proposal to the electors in the August primary election. A one-mill tax levy would be made to retire the bonds.

Architects plans have been prepared which have the approval of the State Board of Corrections. After several years of criticism of the jail by the board of corrections, in May of 1953, it condemned the building and gave the board of supervisors a limited time to take action in providing a satisfactory jail.

In May of 1953, W. H. Nestle, state jail inspector, informed the board of supervisors that if some "concrete action" was not taken for bettering conditions in the Iosco County Jail, it would be necessary to turn the matter over to the attorney general to take the necessary steps to see that it was closed. On Beautiful Tawas Bay

The Centennial celebration is over and a comparative quiet has settled over our city. Everyone is thinking of relaxing a little—enjoying a swim, a picnic along the shore, or sitting in the sun overlooking beautiful Tawas Bay.

An ideal place to do all of this would be the Tawas City Park BUT—it is badly in need of landscaping, picnic tables, playground and recreational equipment and sanitation facilities. A drive to secure funds for the beautification of the park is now underway. The fund will receive the proceeds of the Centennial celebration after all expenses have been tabulated and the proceeds of the sale of 1,100 copies of The Tawas Herald Centennial Edition.

Since this project is a costly one, but one from which all of us shall receive benefit and enjoyment, an appeal has been made for individuals to contribute by sending a donation to E. D. Jacques, Treasurer, Tawas City Park Fund, Tawas City. Many of you have responded, but the fund is far from the figure needed to insure our having an attractive park next summer.

WON'T YOU JOIN THOSE CIVIC MINDED INDIVIDUALS WHO HAVE ALREADY MAILED THEIR CONTRIBUTIONS? SEND YOURS TODAY!

Send to: E. D. JACQUES, Treasurer,

Saginaw Valley Masons to Bring Degree Team to Tawas City Meeting

Saginaw Valley Lodge No. 154, F. & A. M., is bringing its well known Fellowcraft team to Tawas City tomorrow to confer the Master Mason Degree upon a class of four candidates. Tawas City Lodge No. 302 is the host lodge and will open in the afternoon at 3 o'clock. A portion of the afternoon's work will be done by Saginaw Valley members.

Dinner will be served at 6:30 by the ladies of Tawas City Chapter No. 303, O. E. S., and plans have been made to make it a fine meal. After dinner, an address will be given by a man well versed in Masonry, before the remainder of the degrees are exemplified in the lodge room by Worshipful Master Tucker and his officers and members of Saginaw Valley No. 154.

During the evening meeting entertainment will be furnished in the dining room for the visiting ladies, both from other cities and Tawas City. A large crowd is expected.

GIVES TALK ON IOSCO HISTORY BEFORE REBEKAHS

At a meeting of Irene Rebekah Lodge last week, Miss Edna Otis presented historical facts about some of the noted pioneer women of Iosco county. She gave an interesting account of their work in the family and community life in the early history of this section of the country.

Among those mentioned were Biddie Collins, who sold milk to the community; Mrs. George P. Smith, who started the Methodist Sunday School which led to the establishment of the First Methodist Church; Mrs. Colegrove of Plainfield township; Mrs. Stickle, a nurse; and Mrs. Horv of AuSable, who began the first school for children. Members wore their costumes used in the Tawas City Centennial.

Miss Helen Applin, a member of the Irene Rebekah Lodge for 47 years and a past noble grand since 1911, was presented a Past Noble Grand's jewel by Mrs. Cora Parker Monks of Detroit. Mrs. Monks is a member of Ada B. Lodge 17 of Flint, a member of the Past Presidents Auxiliary, the Degree of Chivalry and a Past Noble Grand of Irene Rebekah Lodge of East Tawas.

Refreshments were served in the dining hall after the meeting.

16 Garden Club Members Enjoy Pot Luck Dinner

Sixteen members of the Tawas City Garden Club enjoyed a pot luck dinner at the Harry Rollin cabin Tuesday, July 6. An auction sale with Mrs. Karl Bublitz as auctioneer, afforded both entertainment and profits. The mystery box supplied by Mrs. Newton Bowen was won by Mrs. Harry Rollin.

Following a very interesting demonstration of flower arranging by Mrs. Herbert Hertzler, the president, Mrs. Nita Grear, presented her with a gift of appreciation from the club. Program booklets were handed out by Mrs. Donald MacDonald, chairman.

The program schedule for the remaining months is as follows: On August 3, Mrs. George W. Myers will be hostess at a 12:00 roast in her yard. A flower display with prizes will be conducted, after which members will "Tip Toe Through Gardens" specified by the committee. The tour will end at the home of Mrs. Olga Kasischek, who will be hostess at tea. The mystery box will be a feature of each meeting.

A garden tea will be held at the home of Mrs. Joseph Homberg September 7. Mrs. O. Kasischek will discuss poppies and Mrs. Edward Lemke will speak on peonies.

Colored slides will be shown by Mrs. Marie Palm of AuGres at the October 5 meeting. Mrs. Metcalf is program chairman for the day. Response will be the prettiest white flower I grow.

Bible Comment:

Positive Thinking And Action Make 'The Good Life'

WHAT is the conception of the good life, the best life of all, as we see it set forth and exemplified in the teaching and example of Jesus?

Though there are profound and striking exceptions, there have been many followers of Jesus who, inspired by Him, have lived lives of conspicuous devotion and service. In our own time there have been men like Father Damien of Molokai, and Sir Wilfred Grenfell of Labrador; women like Jane Addams of Chicago.

And their name, in spite of all the shortcomings of professed Christians, has been legion; for many unknown to fame have not been unknown to God for their sincerity and goodness. But in general the emphasis in historic Christianity and the church has been negative, rather than positive. It has been upon sinners rather than upon the great, positive expressions and acts of righteousness and truth.

If one doubts this, he need only make wide observation of life to see how many lives of "good" men and women, well-intentioned and free from evil, are none the less inconspicuous for evidence of the "fruit of the Spirit."

The thirteenth chapter of I Corinthians, next to the Sermon on the Mount the greatest sermon ever written, in its simplicity, conciseness and brevity, makes plain the nature of the good life as the Apostle Paul learned it from His Master.

In the positive emphasis upon the good life, such as Jesus made, there is no danger that there will be less inhibition against sin and sins.

The positive attuning of the heart to truth and righteousness is, in fact, the surest guarantee that one's life will be inwardly and outwardly correct. A world concentrating more upon righteousness and the spirit and acts of love will be, correspondingly, a world freer from sin and evil.

VOTE 'YES' ON BOTH BONDING PROPOSALS for NEW COUNTY JAIL

The Iosco County Board of Supervisors is forced with the necessity of asking permission to build a new County Jail for the following reasons:

On May 15, 1953, the following letter was received by the Chairman of the Board of Supervisors from the Michigan Department of Corrections:

STATE OF MICHIGAN DEPARTMENT OF CORRECTIONS

G. MENNEN WILLIAMS, GOVERNOR

May 15, 1953

Honorable Chairman
Board of Supervisors
c-o Iosco County Clerk
Tawas City, Michigan

Dear Sir:

I made an inspection of your county jail May 8, 1953.

This jail has had zero rating for the past two years, and we find that the physical condition of the building is gradually growing worse. Therefore, ninety days on and after this date, if some concrete action is not taken by the Board of Supervisors for bettering your jail conditions, it will be necessary for us to turn the matter over to the Attorney General to take the necessary steps for the closing of your jail, for the following reasons:

- (1) It is a serious fire hazard.
- (2) The electric wiring is very poor and unsafe condition.
- (3) There is no segregation among male prisoners.
- (4) Due to the physical structure of the building, it is impossible to keep it in sanitary condition.
- (5) It is overcrowded.

These will be the principle grounds we will claim for the closing of your jail.

Very truly yours,
DEPARTMENT OF CORRECTIONS
W. H. Nestle, State Jail Inspector

During the past year the Board of Supervisors has made a study of the situation and has had a set of plans prepared which have been approved by the Department of Corrections. The cost of the building has been carefully estimated at \$165,000.

The following plan has been developed for financing the proposed building project. A bond issue for \$125,000 to be paid by a 1-mill tax increase.

The above project is approved by the following Supervisors:

Theodore Bellville, Chairman Iosco County Board of Supervisors
Clarence S. Everett, Chairman New Jail Building Committee
Victor J. Anderson, Member New Jail Building Committee
Glenn Long, Member New Jail Building Committee
Terrence O'Loughlin, Member New Jail Building Committee
Elmer Werth, Supervisor East Tawas
Charles Monroe, Supervisor AuSable Township
Lloyd S. Little, Supervisor Grant Township
Merlin Jordan, Supervisor Sherman Township

Lewis B. Rodman, Supervisor Wilber Township
Roy W. Hickey, Supervisor, East Tawas, 2nd Ward
E. H. Stickney, Supervisor Oscoda Township
William White, Supervisor Reno Township
George G. Webb, Supervisor Plainfield Township

Rex Kochenderfer, Supervisor East Tawas

Recent Weddings . . .

Metcalfe-Lisenby

Mr. and Mrs. Asa Lisenby of Dothan, Alabama, recently announced the marriage of their daughter, Alice, to Thomas B. Metcalf, son of Mrs. Annie R. Metcalf of Tawas City.

The marriage was solemnized June 19 at the First Methodist Church at Dothan.

Following the ceremony, a reception was held in the Fellowship Hall.

On their return from a wedding trip, Mr. Metcalf and his bride will reside at the Sterling Apartments, Peabody College, Nashville, Tennessee, where he is completing his work for the Doctorate degree.

The bride received her B. S. degree in Public Health Nursing at Peabody College and her Master's degree in specialized education. She has served as a field nursing representative with the American Red Cross. For the past two years, she has been director of nursing education at Murray State College, Murray, Kentucky.

Erwin-Hill

A beautiful church wedding was held Saturday morning, July 3, at 11 o'clock in the East Tawas Methodist Church, Sylvia Elaine Hill, daughter of Mr. and Mrs. Thomas Hill of Wilber Road, Tawas City, became the bride of Donald Guy Erwin of Roseville, son of Mr. and Mrs. Frank Erwin.

The double ring candlelight service was performed by the Rev. Benjamin Whaley. The altar decorations were mock orange blossoms. Mrs. Fay Fisher of Tawas City was the soloist, accompanied by Mrs. Arthur E. Giddings.

The bride chose a balerina length gown of white chantilly lace and tulle over satin. Her fingertip veil was secured with a sweetheart lace bonnet trimmed with seed pearls. She carried a bridal bouquet of white carnations centered with a lavender orchid.

Sharon Boomer of Tawas City was maid of honor. She wore a yellow balerina length gown with a stole. A white hat and white nylon gloves completed her attire. Her flowers were yellow carnations.

Mrs. Albert Wice of National City, a sister of the bride, acted as bridesmaid. Her pink balerina length gown with stole was similar in style to the maid of honor's. She wore a white hat and carried pink carnations.

Linda Wice, a niece of the bride was flower girl in a yellow balerina gown with a headpiece of white flowers and she carried pink carnations.

Alex Ackley, the bride's cousin of Perry, Michigan, acted as ring bearer.

The best man was Ralph Hill of Bay City, a brother of the bride. Albert Wice of National City was also the groom's attendant and ushers were Mr. Erwin, brother of the groom of Roseville, and James and Charles Hill of Tawas City, brothers of the bride.

A wedding dinner followed the ceremony in the church parlors for 50 relatives and friends. The bride's table was centered with a four tiered cake in white and yellow rose buds flanked by white candles and pink roses. Baskets of garden flowers also decorated the tables.

Mrs. Hill wore a blue and white dress with white accessories for her daughter's wedding. Her corsage was pink carnations. The groom's mother chose

a black and white print with white accessories and a pink corsage.

The couple left on a week's wedding trip to Canada and Niagara Falls. They will reside on their return at 27137 Bohem Avenue, Roseville.

The bride graduated from East Tawas High School, Class of 1952, and the groom from Roseville High School in 1950. He recently returned from Korea where he spent three years.

Out-of-town guests at the wedding were from Cass City, Mt. Clemens, Flushing, Saginaw, Detroit, Perry, Roseville, AuGres and National City.

McKenzie-DeLage

The marriage of Miss Joan Augusta DeLage and Donald L. McKenzie took place on Saturday, June 26, at the Immaculate Heart of Mary Church, Tawas City. The ceremony, performed at 10:00 a. m. by the Rev. Fr. Joseph Castanier, was a double ring service.

The bride is the daughter of Mr. and Mrs. Arthur DeLage of Alabaster, and the groom's parents are Mr. and Mrs. Clarence L. McKenzie of East Tawas. The altar was decorated with white gladioli and white carnations.

Kenneth DeLage, brother of the bride, sang "On This Day O Beautiful Mother" with Mary Byrd at the organ.

The bride wore a gown of white nylon lace and tulle, the skirt fashioned with points of lace. A sweetheart neckline and wrist point sleeves featured the gown. She carried a white prayer book topped with an orchid and yellow roses. Miss Mary DeLage, the bride's sister, was maid of honor in a yellow satin and net gown with a tulle skirt and lace jacket. She carried a bouquet of yellow roses and carnations. Miss Dorothy West of East Tawas was the bridesmaid. Her gown was similar to the maid of honor's in pale blue and her flowers were blue carnations.

Etta Mae DeLage acted as flower girl. She was dressed in pink and carried roses.

Jerry Madley of Detroit and Jerry McKenzie, both cousins of the groom, were his attendants.

A wedding breakfast for relatives and bridal party was served after the ceremony at Ostrander's Restaurant and a reception was held at the Eagle Hall at 8 o'clock Saturday evening.

For her daughter's wedding, Mrs. DeLage wore a navy and white gown with a corsage of red roses. The groom's mother chose a pink lace dress. Her corsage was also fashioned of red roses.

After a honeymoon at Niagara Falls, the couple will reside at 111 Locke Street, East Tawas.

The groom is employed at the National Gypsum Company.

Relatives from out-of-town attending the wedding were from Detroit, Whittemore and Lucky, Ohio.

Schwoebell-Webb

Miss Ruth Webb became the bride of Jesse Schwobell, son of Mr. and Mrs. William Schwobell of Marshall, in a 10 o'clock ceremony Saturday morning, July 3, at the chapel of the First Methodist Church, Kalamazoo, with Doctor Pryor officiating.

The bride, a senior in the Bronson Methodist Hospital School of Nursing, is the daughter

Second Contribution to Hospital Fund

National Gypsum Company is making an additional contribution of \$1,000 to the follow-up drive for the Tawas Hospital, it has been announced by Charles H. Hill, manager of the company's plant at National City. This is the company's second contribution. The first donation in the amount of \$5,000 was made during the main fund-raising campaign.

Commenting on the gift, Hill said, "National Gypsum is behind the new hospital 100 percent. The benefits from it will be widespread and far reaching. We are happy to have the opportunity to lend a hand to this worthwhile cause and so help make the community a better place in which to live."

National Gypsum Company is one of the foremost manufacturers of building materials. The National City plant is the company's second oldest plant, established in 1927. In addition to a gypsum quarry, the company operates a gypsum products plant which turns out plaster, wallboard, sheathing and lath. Over 3000 persons from this vicinity of Michigan are employed at the plant.

Farm Crop Controls No Longer an 'If' for 1955

By MARVIN DAVENPORT

Controls on cropping next year are no longer an "if" question with farmers. Farmers are asking now! How will controls affect my farm in 1955?

United States Secretary of Agriculture Ezra T. Benson has set the national wheat allotment at 55 million acres, about eight million short of this year's harvest and 23 million less than last year. This allotment, and the individual farmer's share, will remain unchanged even if wheat marketing quotas are voted down on July 23.

The vote will be between quota wheat, with excess planting cash penalties, as a support parity, or 50 percent supported wheat, with no penalties. Farmers will not qualify even for 50 percent price support if they overplant.

Every farmer in Iosco county who plans to plant more than 15 acres of wheat this year can vote on July 23. I'm passing along this review of the situation from Burnell Held, agricultural economist at Michigan State College.

"Controls on other crops are sure to follow, especially on corn and quite possibly on other grain. Marketing quotas are not likely to be used on these Michigan-grown crops but acreage allotments for next year will have some very real teeth. The cross compliance feature, announced by Secretary Benson, will make eligibility for price supports an "all or nothing" proposition. The wheat producer will still have to stay within his acreage allotment to avoid difficulty. But he won't be eligible for the support price on wheat unless he also stays within his corn acreage allotment and any other acreage allotments he may be given."

If a farmer has more than 10 diverted acres, he can not shift them into anything but hay, pasture or green manure unless he wants to forfeit all price supports. Close substitute crops would cancel the effects of the wheat cutback.

Michigan farmers will take a sharper cut in wheat than the 11 percent national average cut, because Michigan had a bigger increase in recent years than the average.

Cross compliance will be in force next year no matter what the vote on July 23. If a farmer overplants corn, he won't be able to get a loan or purchase agreement on wheat.

Another new feature is the over-all quota for the farm—similar to the "soil depleting base" of the '30's. If acreage controls apply only on wheat and corn and a farm has a 10-year history

of growing acres of wheat and corn and 40 of other crops, here's what happens:

The combined acreage for wheat and corn on this farm is 55 acres. Add 40 acres of other crops for a total of 95 acres. The other 35 acres must go into hay or pasture, be fallowed or planted to a green manure crop. If another crop is planted, the farmer loses price support eligibility.

Farmers with 15 or less acres of wheat would not pay a penalty for overplanting under a quota, but they would forfeit price support benefits. Plantings of more than 15 acres—in excess of allotments—will carry a penalty of \$1.10 for each excess bushel before any wheat can be sold. This penalty would apply even if wheat is fed or given away.

The Tawas Kiwanis Club is interested in confining poison ivy. As a club, the members are setting up a group of demonstrations in the Tawas area.

The material used contains 2-4-5-T. There have been many requests concerning the control of poison ivy. Well, it is the time of year when some of our tourist families go home to days of curing themselves from skin blemishes from those harmless "wild grapes." Every year poison ivy fools just as many people.

Poison ivy may grow to any size. It may grow as a short upright plant less than a foot high, or as a two or three foot trailing vine, or even as a climbing plant extending up fence posts or into trees and shrubs.

In all cases the poison ivy plant produces long-stalked leaves divided into three parts. In early summer greenish-white flowers form and they are followed by clusters of green berries about the size of shelled peas.

The leaves are smooth and glossy at all times. Young leaves may appear somewhat reddish but dark green in summer, changing to bright yellow, orange or red in the fall.

Any part of the ivy plant may cause a rash if it comes in contact with a sensitized person.

Control of poison ivy can be controlled by mechanical methods or by chemical treatment. The method will depend upon the size of the infested area, its location and the available equipment.

For small patches removal of the top growth and roots by hand implements is advised where chemicals might cause damage to desirable plants. Discing or raking is advised for large patches on beaches. Persons susceptible to poisoning should

leave the pesky job to some more fortunate person.

Vines growing up tree trunks should be cut off and the roots dug out. Spray applications are suggested for ivy locations where mechanical removal is not practical and for all areas where grass is desired.

Best results from chemical sprays are obtained when the compound is applied by means of a pressure sprayer. These sprayers can be knapsack, barrel or power sprayers.

The spray may be applied when the ivy is in full leaf, usually in June, or as a dormant spray in an oil carrier.

The Kiwanis demonstration plots will use areas infested with each type of ivy that can be found. The use of 2-4-5-T must be used with caution because it is a brush killer and can kill many desirable plants. In all cases, a person using 2-4-5-T must follow the manufacturers directions.

Scientists hope to develop an electronic device which will detect drowsiness in a driver, and warn him to stop driving until he is rested.

Services Held for Long Time Iosco Resident

Mrs. Margaret Ann Croff, long time Iosco county resident, died at the home of her daughter, Mrs. Bert Westcott, at East Tawas.

Born October 18, 1868, at Sunridge, Ontario, she married Robert J. Sloan in 1888. He died in 1900. In 1905 she married Ganson Croff, who passed away in October 1933.

She was the mother of eight children, five preceded her in death.

Surviving are two daughters, Mrs. Matilda Hamman of National City and Mrs. Bert Westcott; one son, Hugh H. Croff of

East Tawas; five grandchildren, and 13 great grandchildren. She was a lifetime member of the Presbyterian Church. Funeral services were conducted Sunday, June 27, at the Whittemore Methodist Church by the Rev. Wesley Dafeo and Elder H. B. Doty. Interment was in Reno Cemetery, Saginaw, Bay City, Coleman and Sanford.

"You can expect the most raiding in the best melon patch"

You can bet your bottom dollar on it. Come next year, or the year after that, you'll be seeing on other cars some of the styling features you see in Buick today.

We expect it. It has happened before. And there is good reason for it—popular appeal.

Take, for example, the car model shown here. We call it a Riviera. Most people call it a "hardtop."

When Buick introduced this body type in 1949, it was a completely new thing. And it was an instant hit.

Today, Buick "hardtops" outsell all other models in the line. It's the styling America has taken to its heart.

So today you find that every major car maker has his own version of this Buick original. (And we can't blame them a bit. They know a good thing when they see it.)

Maybe you've noticed other such borrowings from Buick.

The diagrammatic sketch shown here lists some of the Buick advances that are now reflected in the styling of other cars—or will be soon.

For you can be sure that the great panoramic windshield first shown by Buick this year will be copied. It's too good to pass up.

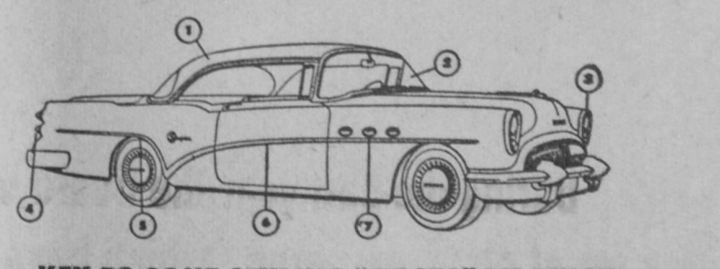

And you can be sure that the full rear-wheel cutout now on every 1954 Buick Riviera and Convertible will show up elsewhere in the future. It's a sports-car touch that hits a really popular note.

We're sure of such things.

We're sure because the tomorrow-styled Buick of today seems to be just what people want. Because Buick sales are soaring. Because Buick now outsells every other car in America except two of the so-called "low-price three."

So to you we say—why wait another day to see and drive a new Buick? It's the beauty of the year. It's the buy of the times. And it's a wonderful way to head up the parade.

Drop in this week for a demonstration, won't you?

KEY TO SOME STYLING "FIRSTS" BY BUICK

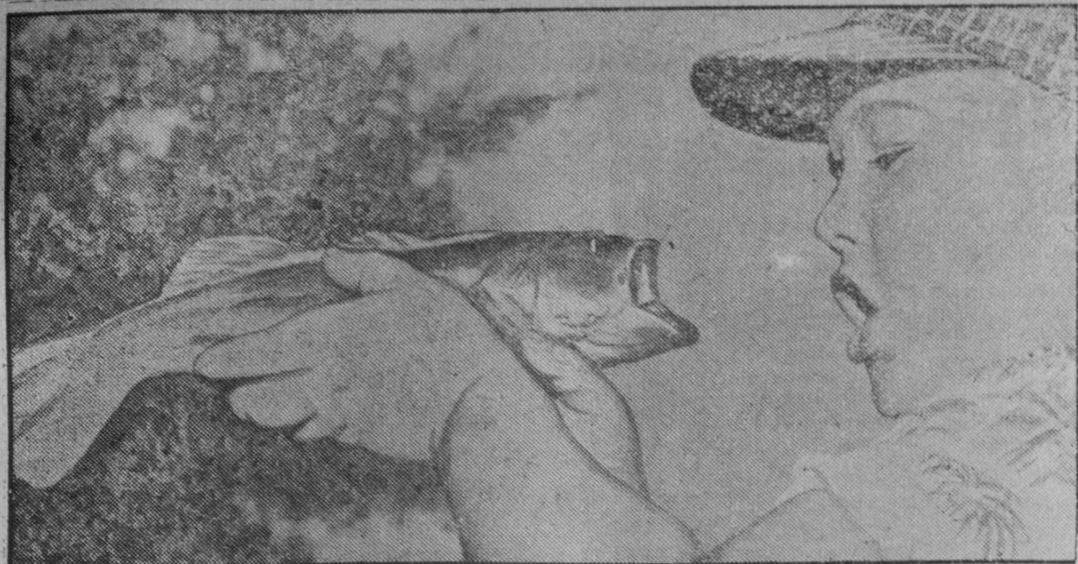

1 Riviera "hardtop" body type 2 Panoramic windshield 3 Visored headlamp grouping 4 Hooded tail light assembly on Skylark 5 Full rear-wheel cutout 6 Fender sweep-spear 7 Ventiports (Remember Buick's first ventiports on front fenders? Some folks even bought copies of those chrome rings to put on jalopies!)

OOO—WHAT A SURPRISE!—It's hard to determine who is the most surprised, Wendell Morgan, of McCool, Miss., or the 17-ounce bass he caught during the Mid-South Junior Fishing Rodeo. Best surprise went to someone else—the first prize.

The SNAPSHOT GUILD

Reflected sunlight on the light surfaces of swimming pools, or beaches, make it easy to take excellent snapshots of your favorite people.

Take Your Camera When You Go for a Swim

At this time of year, almost everyone finds some place to go swimming. It may be at a famous beach, in a country club swimming pool, at the local lake or in the famed old swimming hole.

No matter where you do your high dives and your splashing, it offers a setting for good pictures to add to your collection of summertime fun snapshots.

The situation is colorful enough to be excellent color snapshot material. Furthermore, it is a situation in which all the odds are in your favor for getting topnotch color snapshots with the simple camera.

The secret of this is in the lighting. The bright summer sun is reflected by the water and the light sand or the white concrete walks around a pool. This reflected light fills in the shadows around your subject. In effect, you have lighting from all directions—without the slightest effort on your part.

With a natural set-up like that it is a shame not to take pictures. Speaking of swimming pictures, how would you like to take some pictures of divers in mid-air? You can, even with a box camera.

The secret is in your timing. And in the words "peak of action." Watch your favorite divers closely a few times. Notice that there is always one point in the dive, just before the downward plunge begins, that he or she seems to be momentarily suspended in mid-air. The diver is all but motionless at this moment called "peak of action."

That, of course, is the moment at which you take your picture. Even the speed of the comparatively slow boxtype camera will catch a shot like this without a blur.

Don't be afraid to experiment with picture-taking situations like this. It's fun. And you'll be surprised at what you can do.

GEORGE Says:

With genuine enthusiasm and seriousness of purpose, the Loscoe-Arenac Bookworms are "crawling" right into the heart of Michigan history.

Miss Leonora Hass is announcing an exciting new contest for all Reading Club members. Every Bookworm is eligible. Rules are easy. Contestants simply submit—by the first of August—an interesting true story on Michigan history of at least one hundred years ago.

Stories must be gathered by word of mouth—not copied from a book. All entries must be submitted to the Bookmobile staff at the first August meeting. A handsome prize awaits the winner. Stories will be judged on their interest and authenticity.

Bookworms, this gives you an entire month to prepare your entries. So...sharpen your pencils, interview your neighbors and meet me at your next Bookmobile stop.

This week expect me at:
Friday, July 9—10:30 Long Lake; 1:30 Hale.
Monday, July 12—11:00 Point Lookout; 2:30 Delano.
Tuesday, July 13—11:00 Pine River; 1:30 Omer.
Wednesday, July 14—10:00 Anschutz; 12:30 Taft; 2:15 Greenwood.
Thursday, July 15—10:45 Alger; 2:00 Sterling.
Friday, July 16—10:30 Sand Lake; 2:00 Sherman.

Remember, it is not too late to register in your Reading Club. So, if you have not attended a club meeting—gather with us at your next Bookmobile stop to join the fun. A good book is the best companion.

STATE OF MICHIGAN
The Probate Court for the County of Iosco
At a session of said Court, held at the Probate Office, in the City of Tawas City in said County, on the 16th day of June 1954.
Present, Honorable H. Read Smith, Judge of Probate.
In the Matter of the Estate of Mary J. Flanagan, Deceased.
Herbert Hertzler having filed in said Court his petition praying that said Court adjudicate and determine who were at the time of her death the legal heirs of said deceased and entitled to inherit the real estate of which said deceased died seized,
It is Ordered, That the 12th day of July, 1954 at 10:00 o'clock in the forenoon, at said Probate Office, be and is hereby appointed for hearing said petition.

ORDER OF PUBLICATION
CARL F. ADAMS
GRACE L. ADAMS
Plaintiffs,
VS.
MICHAEL J. NORMILE
MARTHA NORMILE
Defendants
Before Andrew Matthews, Justice of Peace for Plainfield Township, Iosco County, Michigan.
In this cause it appearing by affidavit on file that the defendant, Martha Normile resides in the State of Michigan, but that service of summons upon her could not be had because her correct address was not known, because of her continued absence from her home. Further, that Michael J. Normile does not reside in the state of Michigan but does reside in the State of California.
Therefore, on request of Carl F. Adams, it is ordered that the appearance of said defendants, Martha Normile and Michael J. Normile, be entered in this cause within thirty-five (35) days from the date of this Order. The time and place set for the hearing of said complaint shall be at the office of the undersigned in Plainfield Township, Iosco County, Michigan, on the 20th day of August, 1954, at 8 o'clock in the evening. The property set forth in the Bill of Complaint is situated in Plainfield Township, Iosco County, Michigan and described as follows, to-wit:
The East one-half (E½) of the Southwest Quarter (SW¼) of Section Four (4), Township 24 North, Range 5 East, Michigan.
That said Plaintiffs cause this Order to be published in the Tawas Herald, a newspaper printed, published and circulated in said County, and that said publication be commenced within twelve (12) days from the date of this Order, and that such publication be continued therein once in each week for three weeks in succession.
It is further ordered that a copy of this Order be mailed to said Defendants, Michael J. Normile and Martha Normile, at their respective last known post office addresses by registered mail and a return receipt demanded, at least ten (10) days prior to the time of appearance mentioned therein, and proof by affidavit shall be required of such mailing and whether or not a return receipt was received and if one was received, it shall be attached to said affidavit.
Given under my hand and seal the 6th day of July, A. D. 1954.
Andrew A. Matthews
Justice of the Peace for Plainfield Township, Iosco County, Michigan. 28-3h

GATOR BOAT TRAILERS

ONE MAN OPERATED

Takes the Work Out of Pleasure Boating

WHY GATOR BOAT TRAILERS ARE "TOPS".

1. No more handling that heavy motor. Leave it on the boat at all times without fear of distortion of the hull. Trailers have full trawson support, making this possible.
2. Gator Trailers are absolutely one man operated from the bank. It is NOT necessary to put the trailers into the water. No wading! No motor to lift.
3. Your boat will fit on a Gator Trailer whether V-bottom, round, or flat, with or without a keel or fin. Why? Because Gator Trailers have self-adjusting padded cradles and adjustable rubber rollers for the various keel depths.
4. We have developed and discarded over 90 different trailers, overhead, underslung, keel support boom type and mechanical lift, in order to give you the trailers that are proven "well thought out trailers."

Reminds 4-Clubs That Fair Exhibit Time is Near

By MARVIN DAVENPORT

Last week we reminded you that exhibit time at the County fair is only a little way off. By now we are sure that you have made a check-up to see what you must get to be ready to make your exhibits. 4-H Club members are responsible, dependable and capable young people. Everyone of them can, and will, prepare his exhibits ready to go to the fair and see that they get where ever it is agreed that they are to be collected so that a committee can transport and put up the exhibits. Older 4-H Club members will gain experience by helping to arrange exhibits. Leaders will appreciate their assistance. Remember when everyone does a little bit, no one has to do very much.

A "Democrat" and horses took members of the Friendship livestock project to the Augers river to enjoy a weiner roast on June 21.

Reporter Gale Durant adds that the next project meeting will be a calf tour with everyone coming to his home to start. Olen Herriman, project leader, will conduct the tour.

A bake sale for July is planned by the 1001 preparation members of Friendship 4-H Club. Plans for it were made at the June 23 meeting as reported by Dwayne Durant.

Doris Herriman, project leader, helped the members discuss the Breakfast Chart, after which there was practice in measuring flour, brown and white sugar.

At the June 30 meeting with Judy Anschuetz, several of the members will show how to do more things through demonstrations.

Just a thought...do you use a step stool to reach high places? Either a stool or ladder instead of a chair or a box may help you avoid a painful fall.

HDA NOTES

By Dorothy Scott

Calendar: July 20-23—Homemakers' Conference at Michigan State College. July 28-31—Isoco County Fair Home Demonstration Exhibits.

Do you know that many hard drinking bunch—they downed more than 12 billion quarts of milk last year. But, even so, many adults, as well as children, should drink more milk for a better diet.

When a few copies of the Homemakers' Conference program came in my mail yesterday, I sat right down and read one from cover to cover. And, do you know...it is just packed full of the most interesting sounding things to do and hear.

There is one speaker who intrigues me today, asking, "Button, Button! Who's Got the Button?" Can you imagine what button he plans to discuss? Neither can I—but if you are as interested as I, and want a four-day refresher vacation, you will be writing to me today asking how to make a reservation to attend the entire conference, July 20-23.

The folks down at Michigan State are looking forward to having us—you, me, everyone who can get there. However, they do have to plan places for us to sleep and food enough to feed us, some 1,300 strong!

While at Homemakers' Conference, "you-all" won't want to miss that little Southern woman, Laura Lane. She is "fixin' to leave" her desk on Country Gentlemen magazine to spend at least one day with us. Mrs. Leona MacLeod, state home demonstration leader, invited Laura Lane because she knew of no one who could bring greater inspiration as a closing day speaker at the vacation conference.

Any romance in a hooked rug? Reverse your opinion until you hear Mrs. Floyd Armstrong of Mt. Pleasant who will bring with her rugs she has made to use in her lecture demonstration during Homemakers' Conference.

Are you wondering how to keep lovely after washing those new embossed cottons you will be enjoying these warm to hot summer days?

Remember that the finish used for embossing provides stiffening and so none of them will require starching. Just hang them up, pull them into shape, let them drip dry (wringing makes wrinkles).

Do not use bleach on your embossed fabric. It may turn yellow and be weakened. Hope you won't be one who discovers that embossing may or may not be permanent depending upon how the process is done. Be sure to buy a garment or fabric that is labelled to tell you whether or not the embossing will be permanent.

Avoid pressing embossed fabrics, if possible. If a little ironing seems called for, do it when the fabric is dry instead of damp, and use a cooler iron than usually used for cottons, and iron on the wrong side. A pad or terrycloth towel over the ironing board makes the pattern show up nicely again when ironing it done.

Going fishing? Will you need some help with the catch? You can obtain a bulletin of fish recipes from your extension service office, just for the asking.

Donald Eklund of Midland is visiting with his brother, Carl.

Charity Island Search Fails to Produce Quarry

Investigations conducted on the Charity Islands last week-end by Michigan State Police from the East Tawas post and Isosco County Sheriff's Department failed to produce the whereabouts of the men who robbed a Trenton, Michigan, bank last week.

It was reported that, after robbing the bank, the men fled by boat and it was thought that they might be hiding out on the secluded islands in Saginaw Bay.

The investigating officers, Sergeant Joseph Chaput, Sheriff Ivan O'Farrell and State Trooper Walter Wiedbrauk, were taken to the islands aboard a United States Coastguard power launch from the Tawas Point station.

A search of the island revealed signs of recent habitation at a house owned by the Gillingham Fishery of Bay Port. The fish company leases the island from the United States Government and the house is used by its employees while tending nets.

Tawas City

Laurence Braden of Midland is visiting his grandparents, Mr. and Mrs. Lewis Braden.

Mr. and Mrs. William Dockter left Thursday for Bergland, Upper Peninsula, to visit the latter's mother.

Ernest Chase and Herman H. Baese of Owosso attended the Centennial and visited old friends here. Mr. Chase was for a number of years with the sheriff's department here.

Tawas Loses Fourth Straight Last Sunday

Will Play Hale at Local Field This Sunday Afternoon

The Tawas City Independents dropped their fourth straight game in a row Sunday, when they were out on the short end of a 5-3 score with Pinconning. The local baseball club's season record now stands at two wins and five losses.

With the game tied at 3-3 in the bottom half of the eighth inning, when C. Herriman, who allowed eight hits, waited three and struck out four batters, Stanolis, singled home the tie-breaking score. Pinconning scored one more run before the side was retired.

Both teams played on even terms until the victor's two-run inning when C. Herriman, who allowed eight hits, waited three and struck out four batters, Stanolis, singled home the tie-breaking score. Pinconning scored one more run before the side was retired.

During the seven complete innings that he was on the mound, Revord allowed eight hits, waited three and struck out four batters. Couzens pitched the entire nine innings and allowed seven hits.

The locals scored the initial run of the game in the second inning when C. Herriman, who allowed eight hits, waited three and struck out four batters, Stanolis, singled home the tie-breaking score. Pinconning scored one more run before the side was retired.

7 Tawas Area Youths Face B. and E. Charges

Seven Tawas area youths, ranging in age from 17 to 20, were being held in the Isosco County Jail this week following their arrest by officers of the Tawas City and East Tawas police departments and the Michigan State Police.

The youths are charged with recent break-ins at the Dan's Pfeiffer's Beer warehouse in East Tawas. The distributorship is managed by Ernest Landry of East Tawas.

Being specifically charged with breaking and entering during the night time and bound over to circuit court are: Arlan Krumm, 17, Tawas City; Robert Clayton, 17, East Tawas; Ronald Norris, 19, McIvor; Fred Cadorette, 18, Tawas City; Edward Trudell, 17, East Tawas; Thomas Harris, 17, East Tawas; and Gerald Landry, 20, East Tawas.

Krumm, Clayton, Norris and Cadorette are charged with breaking and entering the warehouse on Sunday, July 4, while Trudell, Harris and Landry are being held on the same charges for the breaking and entering on May 19.

Harold Krumm, 25, of Tawas City was released Wednesday, following an investigation by law enforcement officers which exonerated him from being connected with either group.

Tawas City Police Chief George Ruth and his deputy, Russell Fogelsoner, apprehended four of the youths on Monday night. The other three youths were arrested Tuesday afternoon by Harry Pelton, East Tawas police chief, and members of the East Tawas post, Michigan State Police.

ABOUT TOWN

Centennial Display Intrigues Visitors
The Centennial display on the city hall lawn intrigues our tourists and summer visitors. The 1864 locomotive and Conestoga wagon are favored as background props for family group snapshots.

Planning for Silver Valley Improvements
A campaign has been started to secure funds for Silver Valley and AuSable Ski Bowl improvements. It is hoped that work may be started on the project shortly after Labor Day.

Christian Science Society Plans to Build Church
The Christian Science Society of East Tawas is studying plans for a new church. The society owns a site for the edifice.

Goldsmith Proves to be Landscape Artist
Harry Goldsmith was busy this spring landscaping his property adjoining the Tawas City Park. The project includes a lawn extending to the beach, trees and shrubbery, and the completion of an artificial lake, with a bridge spanning the water to an island on which a Dutch windmill stands.

Large Sign
The largest commercial sign in the city was erected this week by Walter Champion of the Neon Electric Sign Service. It is located on the McKay used car lot on Lake Street and you can really see it.

Lead Distinction
John N. Brugger feels that Centennial whiskers are not so bad and so he is keeping them. It lends distinction to the Brugger Market to have a gentleman of the old school wait on you.

Jail Bond
(Continued from First Page)
Mr. Nestle gave the following reasons for his actions:

1. It is a serious fire hazard.

2. The electric wiring is in very poor and unsafe condition.

3. There is no segregation among male prisoners.

4. Due to the physical structure of the building, it is impossible to keep it in a sanitary condition.

The present jail has served Isosco county over 80 years. Due to its construction, the building has presented many hazards to the county in recent years.

The overcrowded condition in the jail is very serious and presents an added cost to the taxpayers. For example, it cost the county \$140 to care for four prisoners sent to the Bay County Jail last fall when the Isosco County Jail was crowded.

With the Isosco County Jail closed by the department of cor-

rections and all prisoners sent to Bay City, each prisoner would cost the county \$4.25 per day, plus transportation costs to Bay City several times before trial and conviction.

Supervisor Clarence Everett, chairman of the new jail building committee of the board of supervisors, said this week that the cost of transporting prisoners to and from the Bay County Jail would be a tremendous expense to the taxpayers of Isosco county.

In case the board of corrections forced the county to close its jail, it would require the sheriff to spend at least three hours during each trip to Bay City to confine a prisoner, with the possibilities of even more time involved when bringing a prisoner to trial in the county.

Isosco County Sheriff Ivan L. O'Farrell reported this week that the total number of prisoners handled during 1954 would be greater than the previous year established in 1953.

During 1953, the county jail handled a total of 455 prisoners. The number of prisoners has steadily increased during the past few years, due to the increased population in the county, with 376 prisoners in 1952 and 322 in 1951.

VACATION TRAVEL
All signs point to a record summer season in travel by Americans. The American Automobile Association says a record sixty million persons will take to vacation trails by all means of transportation—an increase of 10 percent over last summer. This organization estimates these travelers will spend in excess of \$6,000,000,000.

AWFUL? — To judge by her expression, Mrs. James C. Pryor of Minneapolis, Minn., is facing an ordeal that's anything but a summer picnic.

Supervisors' Proceedings

JUNE SESSION

June 14, 1954—
Pursuant to April adjournment the Iosco County Board of Supervisors convened in June Session at the Courthouse, City of Tawas City, on Monday, June 14, 1954 A. D. Roll call was ordered by the Chairman. The following supervisors were present: Anderson, Bellville, White, Brabant, Burgess, Williams, Jordan, Little, Long, Monroe, Rodman, Stickney, Webb. Absent: Everett, Hickey, O'Loughlin, Kochenderfer, Werth.

Reading of the minutes of the last day's session in April was waived and upon motion by Little, supported by Brabant, were unanimously approved.

Communications were read and referred to the proper committees by the Chairman.

Committees were ordered to their respective duties balance of the board to be at ease subject to the call of the chair.

Upon call to order at 12:00 o'clock noon, the board recessed until 1:30 p. m. upon motion supported and prevailing.

Afternoon Session
Upon call to order at 1:30 p. m., roll call was ordered by the Chairman. The following supervisors were present: Anderson, Bellville, White, Brabant, Burgess, Williams, Jordan, Little, Long, Monroe, Rodman, Stickney, Webb. Absent: Everett, Hickey, O'Loughlin, Kochenderfer, Werth.

Mr. Brabant read the following report of the Officers' Bond Committee.
Honorable Board of Supervisors, Gentlemen:
Your Officers' Bond Committee to whom was referred the matter of increasing the amount of bonding for the County Drain Commissioner, recommends that the present bonding in the amount of \$2,000.00 be increased to \$5,000.00.

Respectfully submitted,

Fred Brabant
Russell Williams, Jr.
Lewis B. Rodman
E. H. Stickney

Upon motion by Brabant supported by Stickney the recommendation carried upon the following roll call. Ayes: Anderson, Bellville, White, Brabant, Burgess, Williams, Jordan, Little, Long, Monroe, Rodman, Stickney, Webb. Nays: None.

Mr. Stickney presented a resolution from the Welfare Committee to the board in regard to the care of welfare patients.

Mr. Burgess addressed the board stating that he still firmly believed the county must eventually consider the construction of a home for the aged. Mr. Burgess added that there will always be such patients who will not be taken and cared for by individual homes because of special care required.

Mr. Stickney moved that the recommendation of his committee be tabled. Supported by Monroe. The motion was tabled until 10:00 a. m. Tuesday morning.

Mr. Little addressed the board and stated again that he believed

the sale of the County Farm should be hastened especially at this time of year. Mr. Little suggested that the County Farm Committee make some kind of a report during the session.

Mr. Goddoyne again presented the new plans for the proposed County Jail.

Committees were ordered to their respective duties balance of the board to be at ease subject to the call of the chair.

Upon call to order at 4:30 p. m. Mrs. O'Farrell addressed the board asking permission to hire a rat extermination company for destruction of rats in the jail quarters.

Mr. Hickey moved that Mrs. O'Farrell be permitted to employ such a company at a cost of \$45.00. Supported by Monroe. The motion carried upon the following roll call: Ayes: Anderson, Bellville, White, Brabant, Burgess, Williams, Everett, Hickey, Little, Long, Monroe, Rodman, Webb and Werth. Nays: None.

Upon motion supported and prevailing, the board recessed until 9:30 a. m. Tuesday morning.

June 15, 1954—
The Iosco County Board of Supervisors was called to order at 9:30 a. m. in continued June Session by the Chairman who ordered roll call. The following supervisors were present: Anderson, Bellville, White, Brabant, Burgess, Everett, Jordan, Hickey, Little, Long, Kochenderfer, Monroe, Rodman, Stickney, Webb, Werth. Absent: Williams, O'Loughlin.

Mr. Long addressed the board and reported that he had received bids in the amount of \$4,000.00 for the west eighty of the present County Farm and \$22,500.00 for the remaining one hundred twenty acres. Mr. Long's information was ordered passed along to the Welfare Commission by the Chairman to be considered at a joint meeting at 2:00 p. m. in the afternoon.

Mr. Werth addressed the board and reported results of his attendance at the Michigan State Tax hearing at Lansing on June 14 which he attended as a representative of this board along with Mr. Everett. Mr. Werth said that for the county he had formally protested the equalization

increase given Iosco county over the past six years. A protest was also entered against the use of state equalization figure for taxing purposes for schools where consolidation districts lie across county boundaries. Mr. Werth also brought the erosion problem in Iosco county to the attention of the State Board.

Mr. Brabant moved that the Road Commission be authorized to sell gravel or crushed rock to county governmental units whenever material was available. Supported by Everett. The motion carried upon the following roll call. Ayes: Anderson, Bellville, White, Brabant, Burgess, Everett, Jordan, Hickey, Little, Long, Kochenderfer, Monroe, Rodman, Stickney, Webb, Werth. Nays: None.

Committees were ordered to their respective duties balance of the board to be at ease subject to the call of the chair.

SUPERVISORS' PROCEEDINGS

Continued from preceding page.

Chairman. The same supervisors were present as at the morning session.

Mr. Little read the following report of the Judiciary Committee. To the Honorable Board of Supervisors:

Your committee on Judiciary to whom was referred the communication from Chippewa county relative to return of the delinquent tax collected to the local and county governments on lands returned to the state and sold by them to private interests at the annual lands sale.

Your committee recommends that we concur fully with this resolution and to further substantiate our concurrence that the Clerk send copies of this resolution to our senators and representatives.

Respectfully submitted, Glenn Little

Upon motion by Little supported by Long the report carried unanimously.

Mr. Strauer of Sherman township addressed the board asking consideration of this board in requesting the state to conduct a county-wide Bangs test of cattle.

Mr. Long moved that the board send a request to the state to conduct a Bangs test in Isosco county.

Mr. Little addressed the board and asked Supervisor Long if he would add the following clause to his motion: "Provided that the mandatory provisions of this resolution be effective only upon evidence of no inter-shipment of untested female cattle in Isosco county."

Mr. Long consented. The motion was supported by Jordan and carried upon the following roll call: Ayes: Anderson, Bellville, White, Brabant, Hickey, Little, Long, Kochenderfer, Monroe, Rodman, Stickey, Webb. Nays: None.

Mr. Werth read the following report of the Finance and Apportionment Committee. To the Honorable Board of Supervisors, Gentlemen:

Upon motion by Werth supported by Jordan, the report carried upon the following roll call: Ayes: Anderson, Bellville, White, Brabant, Hickey, Little, Long, Kochenderfer, Monroe, Rodman, Stickey, Webb, Werth. Nays: None.

Mr. Barnett read the following resolution for the Finance and Apportionment Committee.

Whereas, the Board of Supervisors of Isosco County expressly go on record as being opposed to the opinion of Attorney General Frank Millard for the following reasons:

1. That it was not the intention of the legislature of the State of Michigan to use the state equalized figures for fractional school districts;

2. That state equalized figures do not present a fair basis for arriving at a fair distribution of tax and state aid money for many of the counties of the State of Michigan;

3. That under the present five mill base rate allowed school districts said five mills results in a great number of school districts receiving greater amount of money than is actually needed;

4. That in many cases the state equalized figure is an arbitrary figure not based on actual assessment figures in many counties, resulting in a greatly inflated basis for taxation;

5. That the state equalized figures should not be used as a basis for taxation but should only be used as a slide rule for methods of comparison where it is impossible to arrive at a fair equalized figure among fractional school districts;

Therefore Be It Resolved, that the Board of Supervisors of Isosco County oppose the opinion of Attorney General Frank Millard directing counties to use state equalized figures and that a copy of this resolution be sent to all counties in the State, the State Senator for this district, State Representative for this district and the Governor of the State of Michigan.

Respectfully submitted, Edward Burgess

Upon motion by Anderson supported by Werth the resolution was unanimously accepted and adopted.

Mr. Werth addressed the board regarding publication of the minutes of the Road Commission meetings. It was moved by Werth that the County Road Commission be asked to publish the minutes of their sessions at their own expense. Supported by Burgess. Motion carried upon the following roll call: Ayes: Anderson, Bellville, White, Brabant, Hickey, Little, Long, Kochenderfer, Monroe, Rodman, Stickey, Webb, Werth. Nays: None.

It was moved by Werth supported by Hickey that the Clerk be authorized to pay the final amount due Smith-Maynard Electrical Contractors in full for the completion of their work in the new courthouse, also authorizing to be given the Clerk to issue a check in the amount of \$10,000.00 to Vollmer Construction in partial payment of the final balance due on the courthouse construction and a check in the amount of \$1,000.00 to J. C. Goddeyne in partial payment of the final amount due him for architectural services.

Supported by Hickey, motion carried upon the following roll call: Ayes: Anderson, Bellville, White, Brabant, Hickey, Little, Long, Kochenderfer, Monroe, Rodman, Stickey, Webb, Werth. Nays: None.

Mr. Jordan read the following joint report of the Drain and Conservation Committee.

Honorable Board of Supervisors, Gentlemen:

There has been called to the attention of the Drainage Committee and the Conservation Committee a serious condition on Sherman township caused by beaver damming up this important drain which is the outlet for Sand Creek and Saddle Creek.

Therefore be it resolved by this board that the Department of Conservation be advised of this condition and come up with some solution.

Respectfully submitted, Drain Committee

Upon motion by Jordan supported by Stickey, the report was unanimously accepted and adopted.

White, Brabant, Burgess, Williams, Everett, Jordan, Hickey, Little, Long, Kochenderfer, Monroe, Rodman, Stickey, Webb, Werth. Nays: None.

Moved by Long supported by Werth that the Clerk see to the immediate purchase of a new flag for the flag pole on the courthouse grounds. Motion carried upon the following roll call: Ayes: Anderson, Bellville, White, Brabant, Burgess, Williams, Everett, Jordan, Hickey, Little, Long, Kochenderfer, Monroe, Rodman, Stickey, Webb, Werth. Nays: None.

Committees were ordered to their respective duties balance of the board to be adjourned subject to the call of the chair.

Upon call to order at 11:15 a. m., Mr. Barnett read the following resolution for the County Farm Committee.

RESOLUTION

Whereas as a result of a previous resolution adopted by the Isosco County Board of Supervisors the minimum price set for the sale of the County Farm was \$27,333.00 and

Whereas an offer has been received from Arthur Povish of Tawas City, Michigan of \$22,500.00 for the east 120 acres of said County Farm; and

Whereas a bid of \$4,000.00 has been received from Merlin Warner for the west 80 acres of said County Farm; and

Whereas the said Arthur Povish is to pay the sum of five hundred and \$500.00 dollars down with the balance of \$22,000.00 within 30 days from the date of sale; and

Whereas Merlin Warner is to pay the \$4,000.00 within 30 days from the date of sale; and

Whereas the said Arthur Povish is to receive a credit on his down payment of \$342.00 lease rental paid by him and is to have the right to harvest crops now growing on the west 80 acres of said County Farm;

Resolved that the minimum price of \$27,333.00 be rescinded and the offers of Arthur Povish and Merlin Warner be accepted on the conditions outlined herein.

Approved: County Farm Committee

George G. Webb

William White

Glenn Long

Upon motion by Webb supported by Long, the resolution was accepted and adopted upon the following roll call: Ayes: Anderson, Bellville, White, Brabant, Hickey, Little, Long, Kochenderfer, Monroe, Rodman, Stickey, Webb, Werth. Nays: None.

Mr. Bronson addressed the board for the Welfare Commission and informed them that Mrs. Simons would be satisfied with three year contract providing for the care of the three welfare patients still residing at the County Farm.

Moved by Hickey supported by Rodman, that the Clerk be instructed to notify the real estate brokers previously contacted that the sale of the County Farm had been consummated.

Carried unanimously.

It was moved by Stickey supported by Everett that the money received by the sale of the County Farm be placed in the County Building Fund and the County Treasurer authorized to purchase bonds as soon as possible with the amount therein.

Motion carried upon the following roll call: Ayes: Anderson, Bellville, White, Brabant, Hickey, Little, Long, Kochenderfer, Monroe, Rodman, Stickey, Webb, Werth. Nays: None.

Mr. Jordan read the following joint report of the Drain and Conservation Committee.
