'Neumann-Reinke School Site Preferable' Says Wilbur

State School Representative Here Tuesday

Special Board of Education Meeting Held Tuesday Evening

"I feel the Neumann-Reinke site is preferable" was the summary opinion of Mills Wilbur of the Michigan State Department of Public Instruction at Tuesday night's special meeting of the Tawas Area School Board held at the Tawas Chamber of Commerce Building. Wilbur and Henry Haberkorn of H. E. Byster and Associates, the architectural firm retained by the board, had been invited to discuss site matters with the board.

Wilbur, who spent Tuesday in making field inspections of the Fairground-Nursery, the Neumann-Reinke and other potential school sites, had been called in as an impartial authority on school construction problems. He outlined good and bad qualities of the two major sites in his summation, to the board and citizens, before giving his approval nod to the Neumann-Reinke land.

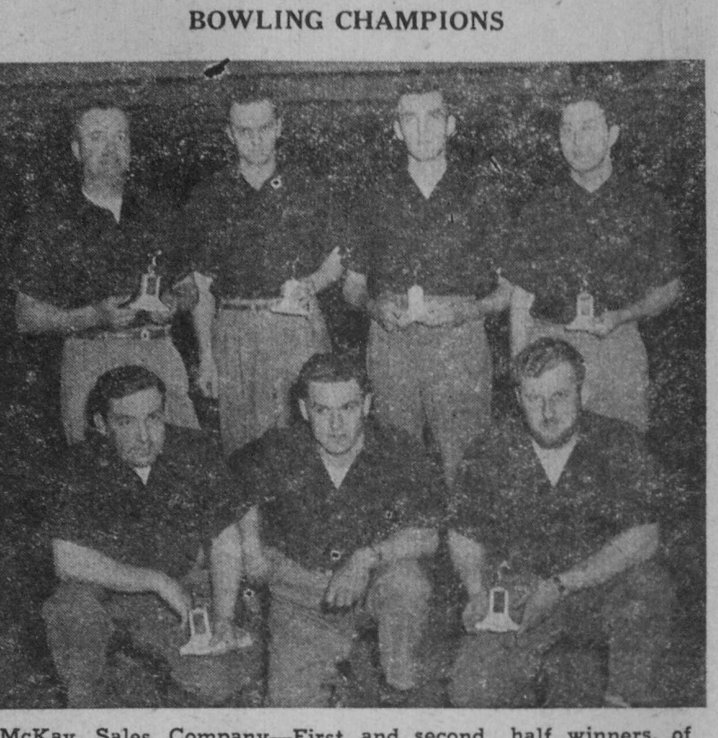

Board President Harold Gould termed Wilbur's evaluations "a very fine presentation and clear. He covered both sites completely."

The board heard Haberkorn tell how drainage problems at the Neumann-Reinke site could be solved by contour draining.

The board passed a resolution to adopt the registration system for the Tawas Area School District.

Wilbur implied to the board that the members should not be discouraged by the result of one election. He pointed out that it was unusual in school districts throughout the state to have a program endorsed by the electorate in one election.

It is reported that the board will hold a committee meeting for further school program study prior to the next regular meeting slated for May 11.

Services Held for Rev. Roekle

Twenty-two people from the Emanuel Lutheran congregation attended the funeral of the Rev. J. J. Roekle on Tuesday afternoon in Saginaw. The Reverend Roekle was pastor here from 1936 to 1951, moving to Elkton where he preached for three years before retiring.

The Reverend Roekle died April 30 in Saginaw at the home of his son, Gerald Roekle, following a lingering illness. He was born in Adrian on February 29, 1894. He is survived by his wife and 10 children.

Funeral services were held Tuesday at the St. Paul's Lutheran Church with the Rev. Otto Eckert and the Rev. R. Gensmer officiating. Burial was in the Bethlehem Lutheran Cemetery.

Four boys from Tawas City who attend the Lutheran Seminary acted as honor guards while the body lay in state from 11:00 to 2:00.

Boat Livery Inspection Starts Monday

Operators Must Comply With Minimum Safety Standards

"Boat livery operation must comply with the law in regard to minimum safety standards," was the warning issued Monday by the Michigan Waterways Commission at a meeting of law enforcing officers from various sheriff's departments of the state. Deputy Sheriff Leon Putnam was in attendance representing the sheriff's department of Iosco county. The meeting was held at Lansing.

Miss Helene Schmalz, lifelong resident of Tawas township, died Tuesday morning following an illness of several months.

The daughter of the late Mr. and Mrs. Rudolph Schmalz, she was born September 2, 1889.

Surviving are a sister, Mrs. Marie Krueger; a brother, Ernest Schmalz of Detroit; two nephews, and three nieces.

Funeral services were held Thursday afternoon from the Emanuel Lutheran Church. The Rev. Paul Heyn officiated.

Interment was in the Emanuel Lutheran Cemetery.

John A. Brugger Appointed to Fill Supervisor Vacancy

John A. Brugger has been appointed first ward supervisor to fill the vacancy caused by the death of John B. King. The appointment was made at last Monday evening's meeting of the Tawas City Common Council.

Brugger is a former supervisor, having served as member of the board during 1946 and 1947. Previous to that he was mayor for three years and a member of the council for six years.

At the council meeting Monday night, Martin Kasischke was granted a six months leave of absence from his duties as superintendent of public works.

Reginald Bublitz was named to fill the position. Bublitz resigned as first ward alderman and this vacancy will be filled at the next meeting of the council.

A new police car was purchased from Orville Leslie and Sons. The car will replace the one totally wrecked in the crash last Wednesday night in which Police Chief George Ruth was injured.

The D. and M. Girls' team will bowl against the D. and M. Men's team at the Tawas City Recreation on Saturday evening.

John B. King Held Monday

Funeral services for John B. King, retired Detroit and Mackinac employee and well known resident of this city, were held Monday afternoon from the Tawas City Methodist Church. Mr. King succumbed last week Thursday afternoon at the Tawas Hospital from a heart attack.

Born January 28, 1879, at Millington, he came to Tawas City with his parents at the age of 10 years. He married Barbara McRae September 23, 1898, who passed away in 1943.

He is survived by seven children, Mrs. Carl Huffman of Lansing, Mrs. Rhea Matthews of AuSable, James King of Flint, Richard King of Turner, Mrs. William Sherman of Tawas City and John King, Jr., of Flint; two brothers, Axel King of Van Dyke and Walter King of Lapeer; 20 grandchildren, and four great grandchildren.

As a young man Mr. King was employed in the Darling Drug Store in this city. Later he entered the service of the Detroit and Mackinac Railway and continued with the company until his retirement a few years ago. Mr. King was a member of the board of supervisors at the time of his death. For many years he had been city clerk and had served his community as alderman and as a member of the board of education.

The Rev. Benjamin Whaley officiated at the funeral services Monday afternoon. Interment was in the Tawas City Cemetery.

They have one daughter, Mrs. Olive Hutchinson of Cass City, and one son, Killburn McClure of Detroit. They also have two grandsons and two great grandchildren.

A 6 o'clock family dinner was served Saturday evening. Out-of-town relatives present were Mr. and Mrs. William Hutchinson and Mrs. Joseph M. Denn, Jr., of Cass City.

Three Downstate Mayors Officiate in Iosco Wednesday

Visit Points of Interest in County

Plans for the annual Fourth of July celebration program in the Tawas were discussed Wednesday evening during the Tawas Chamber of Commerce Board of Directors meeting.

A jet aircraft formation from Wingsmith Air Force Base, Toledo, baseball game, fireworks and the annual Tawas Bay Yacht Club Regatta will head the list of events taking place during the day-long celebration.

In other matters discussed during the meeting, the board decided to purchase a new fuel oil stove for the chamber of commerce building. A committee was appointed to secure an estimate on the cost of repairs to the building before painting the outside.

The general opinion of members present was that the chamber should delay the mailing of perch run cards until fishing had improved on docks and river banks.

The membership committee reported that 36 new members have been added to the chamber of commerce rolls. This latest addition brings the total paid and pledged membership up to 129 in the organization.

Revd Continues to Mow Down Opposing Batters

Tawas Area High School's young pitching ace, Orville Revord, continued to mow down the opposing batters this week allowing only one hit in 22 innings, as the Brave's extended their record to five straight wins.

The local high school nine won over Hale, 7-1, on Wednesday of last week, then defeated Augres, 11-0, Friday. The team's latest win came on Wednesday in the defeat of Whittemore, 14-0.

In the Brave's victory over Whittemore, played at the Tawas City Athletic Field, Revord pitched no-hit ball for five complete innings before the game had to be called because of cold weather.

Prior to his no-hit stint Wednesday, Revord proved to be just as stingy against Augres, when he twirled a no-hit, no-run game, in 22 innings on the mound, Revord has allowed only one hit and has sent 49 men down swinging. He has allowed no earned runs.

Blanking the opposing batters at the plate seems to be a Revord specialty, as he being the third no hit game of his high school career. He posted two no hit games last spring.

In the 7-1 win over Hale last week, Art Anschutz went all way on the mound and held his opponents to four hits while his teammates were chalking up nine hits off the offerings of the Hale pitcher.

The big stick in the Brave's lineup was Claude DeLosh, who hit safely six times in 10 times at bat, and Davison hit with an .800 percentage clip with five out of 10.

Exchange of Mayors Part of Michigan Week Program

Mayors Mack B. MacKellar of Breckenridge, Richard Marshall of Omer, and Harvey VanBuhler of Berkley were the honored guests of Iosco county's three cities Wednesday, taking part in the "exchange of mayors for a day" program during Michigan Week.

The Michigan Week program is sponsored by Greater Michigan, Incorporated, to help Michigan people become better acquainted with the resources, facilities and activities of their own state.

In Tawas City, Mayor MacKellar exchanged duties with Mayor George W. Myles while Mayor Marshall exchanged with Mayor Elmer Werth of East Tawas for the day. Mayor VanBuhler exchanged duties with Mayor E. J. Williams of Whittemore.

The three downstate mayors were conducted on tours through industrial plants and later visited summer recreational and scenic attractions near the various municipalities.

At the Tawas City Businessmen's luncheon Wednesday, Mayor MacKellar was introduced to members and guests of the organization by Walter Champion, association president.

Following a dinner of fried chicken, Charles L. McLean, representing Mayor Myles, presented Mayor MacKellar with a Centennial derby. Mayor MacKellar, in turn, presented the businessmen with a 100 pound sack of navy beans, one of the many farm products grown in the Breckenridge area.

"Breckenridge is the actual geographical center of the entire peninsula," said Mayor MacKellar during his response. Breckenridge is in the heart of the bean producing area in Michigan.

During the luncheon, the association president pinned a "Shaving Permit" button on Mayor MacKellar's lapel explaining to the visitor that this would be his ticket out of jail in case he was arrested for not wearing a beard.

Mayor MacKellar operates a drug store in Breckenridge and is a cousin of Harold Gould of East Tawas.

At East Tawas, Mayor Marshall was officially welcomed to the city by the Tawas Area School Band. The visiting mayor later attended a perch dinner in his honor at the Holland Hotel, under the auspices of the East Tawas Businessmen Retailer's Association.

In response to his introduction by Nathan Barkman, chairman of the visiting mayor's committee, Mayor Marshall remarked Iosco county were to have so many places of scenic beauty close at hand.

At Whittemore, the program for Mayor VanBuhler included a concert by the high school band, noon luncheon and a tour of the National Gypsum plant and "Trout" Incorporated, project on the east branch of the AuGres river.

All of these acts and more will round out an evening of fun and entertainment. Remember the date, May 13, and be sure to attend this Centennial event.

Hazards Youngsters Will Face

Summer with all its out-door activity will soon be here and with it comes the problem of the safety of the youngsters who will be out of school and free to roam.

One of the hazards which these youngsters will face is the crossing of heavily traveled US-23 to get to the Tawas City Park. Along with the proposed dock improvement, the Tawas City Council is planning to cooperate in the providing of a swimming instructor under the Red Cross program.

In a community where there is no traffic light, some motorists fail to heed the posted speed limit. Repeated efforts to obtain a traffic light through the State Highway Department have failed. But the problem of curtailing speed through the city limits must be solved.

Would the painting of a crosswalk across US-23 at the City Park help to lessen the danger for the children?

There are those individuals who believe it unwise to ticket speed violators for fear of giving the community a "name." Probably it is worth while to obtain statements from many of the speeding motorists, who race through the town, only to meet with an accident a few miles down the road, it would be discovered that they would have preferred being stopped by a police officer, warned of their danger or even ticketed, than be involved in an accident.

Tawas City is fortunate in having a competent Chief of Police. Let's all cooperate and drive carefully—perhaps the visitors will follow the leader.

The Arrival of May

As May appears on the scene, it is hard to realize that one-third of 1954 is now history. With the arrival of this always-welcome month comes an end to the threat of ice and snow in almost every part of the country. May is also a month of memories.

May 30 is Memorial Day, the observance of which dates back to the year 1868. It was in that year that General John A. Logan approved a plan and issued general instructions for the decoration of the graves of Union soldiers throughout the country on May 30. The practice had begun in the South, and as early as 1863, the women of Columbus, Mississippi, laid flowers on the graves of both Confederate and Union dead.

In 1865, the women of Vicksburg and Winchester, Virginia, decorated Confederate graves in those cities. Another important date in the month is May 25, when Ralph Waldo Emerson was born in Boston, Massachusetts, in 1803, Captain William Kidd was hanged in London on May 23, 1701. He had supposedly buried treasure along the Atlantic Coast, which he ravaged, and for which men still search.

And, in later times, a young man named Lindbergh took off from Roosevelt Field, New York on May 20, 1927 and made a nonstop flight to Paris. He landed in Paris on the evening of May 21 and won a \$25,000 prize which had been offered for the first successful flight of its kind.

The first permanent English settlement in America was established on May 13, 1607, at Jamestown, Virginia. Largely through the efforts of Captain John Smith the colony succeeded in resisting Indian attacks and becoming the first permanent English settlement in what is now the United States.

The observance of Mother's Day also falls in the month of May and dates from the months in 1907. The inspiration of Miss Anna Jarvis of Philadelphia, who believed that once a year sons and daughters should pay tribute to their mother, is responsible for the annual observance.

On May 10, 1869, construction crews of the Union Pacific Railroad companies met at Promontory Point, Utah. This completed the first transcontinental railroad spanning the country from East to West. In more recent times, on May 7, 1915, the Lusitania was sunk by German submarines off Old Head of Kinsdale, on the coast of Ireland. It was so badly damaged and sank so rapidly that 1150 lives were lost and it was one of the incidents which later brought the United States into the war against Germany.

Altogether then, May is filled with dates of famous events and memories and, in addition, contains May Day and Derby Day among others.

"Monthly Pains" stopped or amazingly relieved in 3 out of 4 cases in doctors' tests!

Chances are you're putting up with unnecessary pain with the functionally caused pains, cramps and weakness "no good" feelings of menstruation!

For, in actual tests by doctors, Lydia Pinkham's Compound brought complete or striking relief from such distress in 3 out of 4 of the cases!

Lydia Pinkham's is modern in its action! So get Lydia E. Pinkham's Vegetable Compound—new, improved Tablets with added iron. See it taken through the month—it doesn't give relief from those backaches, jitters—help you feel better before and during your period!

Or—if you suffer from functional "hot flashes" or "change of life," find out how wonderful Pinkham's is for that, too!

It has a quieting effect on uterine contractions that often cause "worried" pain!

Homer Ferguson Announces Plans For Re-Election

Senator Homer Ferguson said today he would base his campaign for re-election on the Eisenhower program and on his own record of constructive achievement for the State of Michigan and the nation.

He announced his plans to seek re-election to the senate at a Washington breakfast last week which was attended by Republican members of the Michigan Congressional delegation.

The Republican Party, as represented by the president and congress, has joined in formulating a constructive, progressive and forward looking long-range program which will benefit all the people of our nation. That program is now being translated into action and legislation. We are making great strides toward its fulfillment.

"Since I had the privilege of helping formulate the program and helping direct the policies, I am an ardent supporter of the party for re-election to the senate that I may continue to help carry through the work so well begun," Senator Ferguson said in announcing his candidacy.

Senator Ferguson was re-elected to the Michigan Senate for two terms and is now chairman of the key Republican Policy Committee in the senate and also a high-ranking member of two of the senate's most powerful committees, appropriations and foreign relations.

In discussing his own legislative record, Ferguson pointed to senate approval of the St. Lawrence Seaway this year, for the first time in history, and his leading role in the establishment of the new Hoover Commission which is now reviewing the complete operations of the federal government.

Michigan's Fire Loss Reaches New High

Michigan's fire loss in 1953 would have shown a reduction had it not been for the conflagration which destroyed the General Motors transmission plant at an estimated cost of \$45,000,000.

As is, was the total loss for the year soared to a new high of \$78,126,591 as compared to \$35,600,412 in 1952. Subtracting the Livonia loss, the reduction would have been \$2,473,412.

The figures are disclosed in the annual fire loss report compiled by the fire marshal division of the Michigan State Police.

The death toll in fires reached 216 for the year, or 23 more than in 1952. The victims included 81 children and two firemen. Dwelling fires totaled 16,323, an increase of 585. Damage to structures was \$7,096,387 and to contents \$2,781,734. Damage to buildings other than dwellings was \$57,628,736 and to contents \$9,500,241.

Total damage in other types of fires amounted to \$997,716 as compared to \$1,160,297 in 1952. Firemen answered 76,113 alarms, an increase of 2,769. Of these 10,447 were false alarms, a gain of 1,332.

Carelessness and neglect were the leading causes of fires, with careless burning of brush accounting for 9,300 and careless smoking for another 4,450. Spontaneous combustion caused 4,107.

Bible Comment: Try to Meet God's Standard of Honesty

WHAT does it mean to be honest? The question and the answer are not just as simple as one might suppose.

When one gets out into life, and begins to observe society, one quickly finds that there are varying standards of honesty.

There is, for instance, that old, and very true, observation that "honesty is the best policy." Many men have been known to be honest when it cost them a lot to stand by their idea of what was right and just.

And there are some men whose idea of honesty is bound up with ideas of law and legality. They maintain: "as long as the law allows it, why shouldn't we do it?"

There is a great amount of that sort of legalized honesty prevalent in the world today, and much of it in very respectable quarters; but what does God think of it? There are grades, and varieties, and standards of honesty, and so there is a point in asking, "What is God's standard?"

God's standard of honesty is related to truth and inherent right. Man may make his codes and creeds, and seek to give them divine authority, but that doesn't make them either true or right.

In the world of science men have theories concerning facts and phenomena, but they have to abandon such theories when further and conflicting light and evidence appear.

Though we may not always realize it, the same thing is true in religious experience. Honesty, according to God's standard, is to bring one's life and action into harmony with the truth as one sees it. That is true honesty, and nothing less is true honesty.

NO BULL—HE'S AT SCHOOL—Gene Banks, right, finds it safer, if less spectacular, to practice passes in a Los Angeles bull-fighting school with the aid of a horned wheelbarrow-like contraption rather than with a live bull. Wheeled by instructor Mario McManus, the "bull" is enticed by the cape as Banks executes a "chicuelina."

HE'S A "STRAWCTOR" — Vasco Natale Lupi, 57-year-old Italian artist, is a "new broom" sweeping the art world. He shuns conventional sculpturing media, and fashions his creations of straw. "Laurel and Hardy" are in a clowning mood on side of pedestal at right, while "Joseph Stalin" watches fearfully as Lupi works on his latest creation, and "The Pirate," upper left, stands guard over the strange company.

Traffic Deaths Show Decrease

Traffic deaths and injuries showed a reduction during March as compared with the same period last year, but accidents increased slightly, according to the State Police monthly statistical report.

There were 117 persons killed, a decrease of 19, or 14 percent, below 136 in March of 1953. Injuries numbered 3,596, a drop of 10 percent, or 385. Accidents totaled 14,874, a gain of eight percent, or 1,048.

There was a substantial decrease in urban and rural trunk line deaths, but rural county road deaths were higher.

Michigan's traffic toll for the first three months of 1954 includes 362 killed and 11,989 injured in 47,198 accidents. Deaths dropped two percent below 369 in the first three months last year, injuries jumped six percent, or 729 over 11,260, and accidents increased 14 percent, or 5,792 over 41,406.

Estimated motor travel during January and February, the latest figures available, was 3.7 billion miles, an increase of two percent over 3.6 billion for the same period last year. The death rate of 6.7 per 100 million miles of travel was down four percent.

Authorizes 50 Additional State Police

State Police Commissioner Joseph A. Childs has announced the opening of a special recruiting program to fill 50 additional trooper positions authorized by the 1954 session of the legislature.

A training school will be started as soon as possible after July 1, the date when the authorization is effective, but the last day for acceptance of applications by the state civil service commission is May 26. The civil service examination will follow June 12.

"This is a splendid opportunity for young men to enter a career service offering security and interesting work," Childs said. "They are urged to visit their nearest State Police post to obtain further information and to receive assistance in filling out application forms. Or they may write to the State Civil Service Commission or the State Police in Lansing."

Married as well as single men are eligible for enlistment. Candidates must be between 21 and 30 years of age, inclusive, physically fit and have a high school education or its equivalent.

In addition to his salary, a trooper receives subsistence pay, sick leave and retirement benefits and his uniform and equipment. Recruits also are paid while in the training school.

GUIDED MISSILES

The Air Force has announced plans to extend its 1,000-mile long guided missile range in the Atlantic Ocean by 3,500 miles. The test range now stretches from Florida to Puerto Rico. The projected extension would carry it to tiny Ascension Island, in the South Atlantic, midway between Brazil and Africa.

Junior-Senior Banquet Held Thursday Night

The Tawas Area High School Junior-Senior Banquet was held last night at the Masonic Temple in Tawas City. A dance followed the banquet at the East Tawas Community Building.

The banquet toastmaster, Steven Peterson, introduced Superintendent Reynold Mick, who responded with a short address. The program for the evening included: Welcome—Miss Rosie Lambert. Response—Leslie Pfahl. Class Will—David Moehring. Prophecy—Miss Pat Watson. Dinner music during the banquet and for the dance that followed was furnished by Dave Merkel's orchestra.

HONOR STUDENTS AT BURLEIGH AG SCHOOL

DANIEL MILLER and RICHARD AULERICH

High scholastic honors at the Burleigh Rural Agricultural School at Whittemore during the 1953-1954 school year were won by Daniel G. Miller and Richard J. Aulerich. School will close Friday, May 28, for the summer vacation.

The valedictorian, Daniel Miller, completed his high school career with a record of 3.45 points out of a possible four honor points. During his high school career, he has been an active participant in school affairs. He is the son of Mr. and Mrs. August Miller.

Richard Aulerich, the salutatorian, finished with a record of 3.34. He has been active in the sports program throughout his high school career. He is the son of Mr. and Mrs. Arthur Aulerich.

Burleigh Township's graduating senior class returned Thursday to Whittemore after a four-day trip to Washington, D. C., and New York City. Mr. and Mrs. William G. Murray accompanied the class of 15 students during the trip. Mr. Murray is the senior class sponsor.

SHATTERING EXPERIENCE — Mrs. Marvin Reynolds, of Wichita Falls, Kan., becomes an unwilling member of the "marred window club" as she discovers the rear window of the family car has shattered overnight. Fitted, scarred or shattered auto windows have been reported from coast to coast, and the unexplained damage has been variously attributed to radioactive dust, the work of vandals or airborne industrial-waste chemicals.

HURRY-UP HIGHLIGHTS—There's no longer any need to wait for Dame Nature to add years to your age before you can enjoy the glamorous highlights in your hair. A New York cosmetics house has developed a system whereby tiny end strands of newly washed and set hair can be wound around pegs, left, and then placed in transparent tubes containing a lightening mixture (either silver or gold). While you're under the drier, the lightening process is completed, and the new treatment is said to be suited to almost any hair style. When your hairdo is completed, highlights will show as at right.

Vote to Have City Park Surveyed Next Week

The newly organized Tawas City Park committee met Wednesday evening at the city hall and voted to have the park surveyed by R. J. Cook of East Tawas.

During a discussion on park improvements, Clarence Everett, park chairman and Isoco County Supervisor from the First Ward, stated, "I believe we should know where the exact lines of the park property lie before starting improvements."

Plans for building a dock and a discussion on work completed and future work were discussed by the committee.

A truck load of steel piling arrived last week from Detroit for the park dock and the remainder is expected to arrive shortly.

Bellville-Barr

In a very pretty ceremony on Friday evening in the Reorganized Church of Jesus Christ of Latter Day Saints, Miss June Thelma Barr, daughter of Mr. and Mrs. John Barr of Turner, was united in marriage to Virgil E. Bellville, son of Mr. and Mrs. Theodore Bellville of Whittemore in a double ring ceremony. The Elder John Barr, father of the bride, solemnized the rites. The bride was given in marriage by her grandfather, Edward Bowlsby of Lincoln Park.

The bride chose a gown of white nylon taffeta with white appliques on net. A Juliet face cap held her fingertip veil of illusion. She carried white roses and gardenias.

Mrs. Albert Barr of Detroit, sister-in-law of the bride, was matron of honor. She wore a gown of light green taffeta with tulle over skirt. Mrs. Gene Trepanier of Milwaukee, Wisconsin, sister of the bride, and Miss Donna Schneider, cousin of the bride, were bridesmaids. Both were attired in light pink taffeta with tulle over skirt, and carried bouquets of carnations.

Albert Barr, brother of the bride, served as best man. Other attendants were Gene Trepanier, Vernon Barr and Dale Steward.

Marsha Bellville was ring bearer and flower girl.

Ushers were Leonard Barr of Detroit and Clarence Bellville of Whittemore.

Mrs. Barr chose for her daughter's wedding a light blue acetate dress with matching accessories.

Mrs. Bellville wore a navy blue dress with matching accessories. Both wore corsages of roses and carnations. After a reception at the church, the young couple left for a trip through the mid-western states. Upon their return they will reside at 715 East Pine Street, Midland, where both are employed.

The young folks are graduates of Whittemore High School.

Mounted on a 122-inch wheelbase, the Century is powered by a 200-horsepower high compression V-8 engine, and boasts one of the highest power-to-weight ratios of any car on the market. The interior is luxuriously trimmed in genuine leather with power windows and power front seat as standard equipment.

Five Traffic Accidents During Week

Officers from the East Tawas post, Michigan State Police, and Iosco County Sheriff's Department handled five minor traffic accidents during the past week in Iosco county. No injuries were reported in any of the collisions.

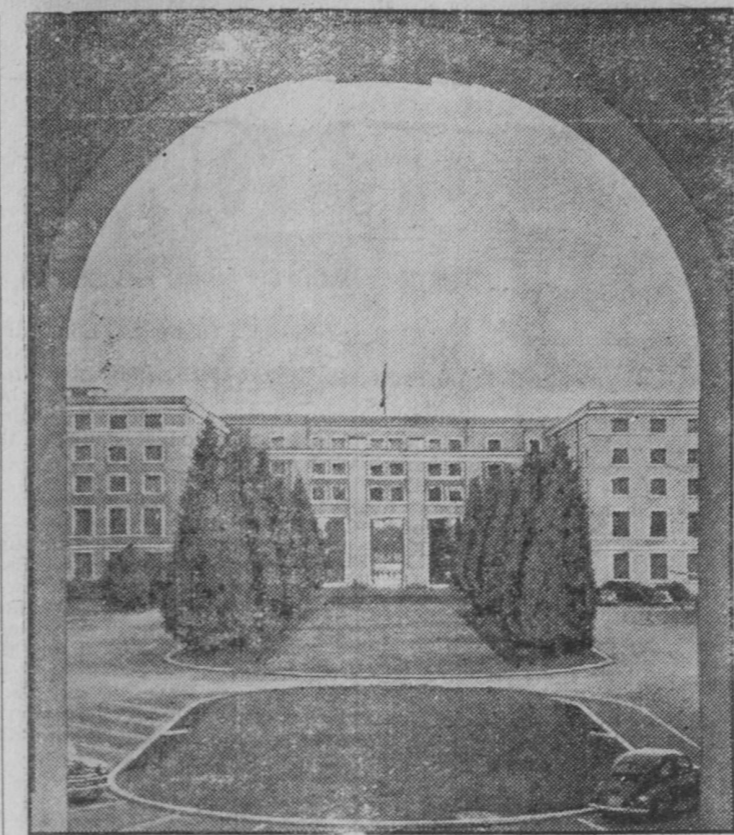

Albert A. Watrous, Jr., of 175 Roseland, Bay City, apparently fell asleep last Wednesday while driving his vehicle on US-23 near the Whitney Drain. His car dropped off the paved portion of the highway to the right shoulder, traveled 218 feet on the road shoulder and struck a mail box. Watrous then cut his vehicle sharply over the left side of the road and overturned.

Charles Harris of Tawas City and Cyril Rodman of Standish were involved in a two-car collision Wednesday on US-23 in Tawas City. Harris was in the process of making a U turn on US-23 and was struck in the left rear by the Rodman vehicle, which was traveling in a southerly direction. The Harris vehicle continued a short distance and then struck a parked car.

While headed north on the Monument Road last Friday Clifford Erickson of Route 2, Tawas City, skidded and rolled his car after applying his brakes to avoid hitting a deer standing in the middle of the road.

William Wagner of 5637 Dudley, Dearborn, was booked for excessive speeding last Thursday after being involved in an accident on the Tawas Bay Road. While traveling at a high rate of speed, Wagner lost control of his vehicle and went off the road striking some trees. He pleaded guilty to the charges before Justice Frank Walker and was fined \$10.00 and was assessed court costs of \$2.00.

George F. Rielge of Houghton Lake, appeared Wednesday before Justice H. E. Friedman charged with leaving the scene of property damage accident. He was fined \$57.50 and costs, ordered to make restitution for damages caused in accident and placed on probation. The arrest was made by the Iosco County Sheriff's Department.

Auxiliary Honors Mrs. Hester

The American Legion Auxiliary, Asst. Johnson Unit, met Monday evening at the Legion Hall. A 6:30 dinner was served preceding the business session. Table decorations were a centerpiece of yellow forsythia and white candles. The birthday anniversary of Mrs. Nettie Hester was celebrated and she was presented with a gift.

During the business session which was led by the president, Mrs. Dorothy Harmon, plans were made for the poppy sales to take place May 27, 28 and 29. A meeting of a delegation of post and auxiliary members will be held Monday evening to arrange the Memorial Day parade.

Plans were also made to observe Gold Star Mothers Day with a dinner at the next meeting, June 7.

Winners in the Americanism Essay Contest will be awarded money prizes at the next P-T-A meeting.

The 10th District meeting will be held at Coleman on May 16.

MEDICAL TABLET DISCOVERY!

SAFE, NEW, EASY WAY

STOPS "BED WETTING"

Without Electrical Devices... Rubber Sheets...Diets...Alarms

Almost miraculously ends Shame, Discomfort, Inconvenience

Why put up with the needless shame, discomfort and distress of this unfortunate habit... the daily nuisance of changing and washing bed linen and clothes. Why suffer the embarrassment of foul smelling bed rooms. The expense of ruined furniture... the danger of catching colds and infectious rashes. Doctors agree BED-WETTING can cause nervousness, stuttering and strain, often the underlying cause in most cases. So don't wait... end the BED-WETTING habit this easy way or no cost.

At last medical science has discovered a safe, new, easy way to stop BED-WETTING without electrical devices... without rubber sheets, diets or special diets and without interrupting needed sleep. Yes, almost miraculously, amazing, safe DRY-TABS help stop functional BED-WETTING... relieve tension and strain, often the underlying cause in most cases. So don't wait... end the BED-WETTING habit this easy way or no cost.

SIMPLE SAFE TABLET DOES IT!
DRY-TABS is the same safe, medical formula discovery that is prescribed and recommended by many doctors. Non-habit forming. No harmful drugs.

CHILD HAPPY NOW!
Nervousness and stuttering curbed. Shame, discomfort gone forever! No more irritating rash. Can now enjoy overnight visits.

Don't wait another day. If your loved ones suffer the humiliation, the distress, insecurity and helplessness only BED-WETTING can cause, order DRY-TABS NOW! Easy to take, can be dissolved in water if necessary. Just follow simple directions.

ADULTS: Scientific tests actually prove DRY-TABS to be 75% effective in stopping this unfortunate habit - even after years of torment! Ends the constant worry of overnight hotel stops in snoring on trains and buses for fear of public embarrassment.

'Fritter' Away Those Pleasant Moments

BY DOROTHY MADDOX

NOW is the time for spring parties. It's also the season for fragrant, fresh pineapple. You'll welcome this unusual recipe for fresh pineapple-and-cheese fritters. Serve these delicious morsels on food picks, along with tall, cool drinks or fruit juices.

Fresh Pineapple Cocktail Fritters (Approximately 40-50 balls)

One cup sifted, all-purpose flour; 1 teaspoon double-acting baking powder, 1/2 teaspoon salt, 1/2 teaspoon ground nutmeg, 1/4 teaspoon ground, black pepper; 1 tablespoon sugar, 1 teaspoon grated lemon rind, 1 egg, slightly beaten; 3/4 cup milk, 1 tablespoon butter or margarine, melted; 1 cup 1/2-inch fresh pineapple cubes, 2 teaspoons sugar, soy sauce, 1/4 pound mild-flavored Cheddar cheese (optional).

Sift together first 6 ingredients. Stir in lemon rind. Combine egg and milk, and stir into flour mixture along with melted butter or margarine.

Cut pineapple into 1/2-inch pieces; mix with sugar and dip in soy sauce. (Be sure to dry each piece with a paper towel.)

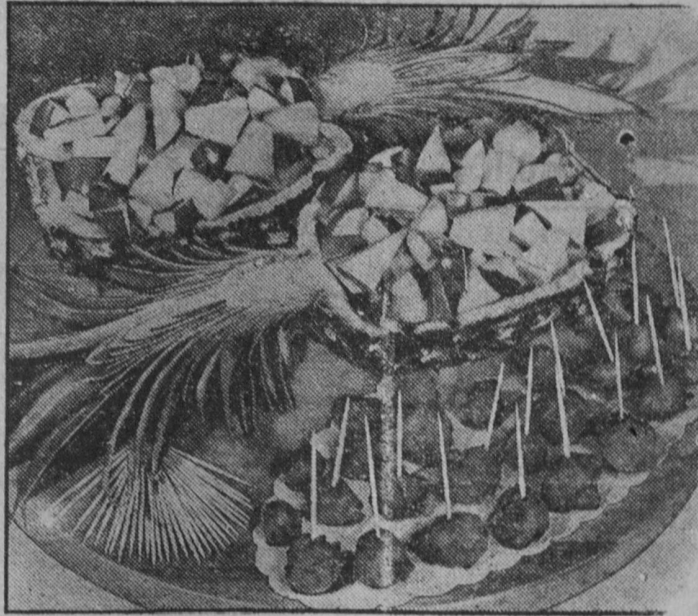

For a special luncheon or an outdoor grill party, this delicious mixed grill will please everyone. The use of herbs gives the food a magically wonderful flavor.

Mixed Grill With Herbs (Serves 6)

Six 3/4-inch slices eggplant, unpeeled; 6 3/4-inch slices potato, peeled; 6 3/4-inch slices sweet potato, peeled; 6 lamb chops (small steaks or hamburgers may be substituted); 6 small sausages, 12 slices bacon, 6 thick slices tomatoes, marinade.

Parboil eggplant, potato and sweet potato until just tender. Marinade lamb chops 1 to 2 hours. Place chops on grill over hot coals or on broiler rack in oven.

Brush eggplant and the two potatoes with the marinade and place on rack or grill. Add sausages which have been parboiled for 5

minutes. Broil 15 minutes, brushing with marinade from time to time. Turn. Broil 5 minutes.

Add tomatoes dipped in marinade and the bacon slices. Broil 10 minutes, or until tender.

Marinade (Yield: about 1 cup)

One lemon, sliced thin; 1 small carrot, grated; 1/2 cup oil, 1/2 cup vinegar, 1/4 teaspoon ground (rubbed), thyme leaves; 1/4 teaspoon whole rosemary leaves, 1/4 teaspoon whole basil leaves, 1/4 teaspoon garlic powder, 2 whole bay leaves, crumbled; 2 whole cloves, 1 tablespoon parsley flakes, 1/4 teaspoon ground black pepper, 1/2 teaspoon onion salt, 1/4 teaspoon salt.

Combine all ingredients. Simmer 5 minutes. Pour over chops while hot.

HDA NOTES

Calendar:
May 2-8—National Home Demonstration Week.
Do you know that \$400 was given to the University of Ryukyus on Okinawa by the Kenosha County Home Demonstration Council in 1953?

Those of you subscribing to our Michigan farm magazine won't want to miss the home demonstration week observance stories on pages 12 and 13.

County Line group members received a review of their previous First Aid lesson on burns, dressings and bandages, after which they studied a new chapter on injuries to bones, joints and muscles. Mrs. Clyde McFarland, one of the members, is instructor.

Mrs. McFarland became a home demonstration group member about a year and a half ago—and a most active, helpful and cooperative member she is. All County Line members are agreed on that.

Mrs. "Mac," as the ladies call her, came to the community in 1951, having completed 38 years of work for a telephone company. She relates that those years were busy ones, leaving little time for outside activity and social life.

Since coming here to live she finds time and opportunity to enjoy those activities long denied. From her new friends, she learned about home demonstration groups and their aims to give women in a neighborhood a chance to meet together, exchange ideas, receive information, learn to improve methods and develop a wholesome philosophy of life.

Of her own personal home demonstration group membership, Mrs. "Mac" says, "As gain knowledge and experience in the work it becomes more and more interesting, more and more worthwhile. And my reasons are definite."

Senator Prescott Re-Elected President of Calf Association

WITH THE—IOSCO 4-H CLUBS

By MARVIN DAVENPORT

Several Iosco Hereford beef breeders attended the North-eastern Michigan Calf Association meeting last week in East Tawas.

Other officers are: Secretary-manager, James Mielock; assistant secretary-manager, Harold Hudgins; sales manager, James Mielock; assistant sales manager, Harold Hudgins, and treasurer, William Crandall. W. L. Finley, animal husbandry specialist from Michigan State College, told about the cattle situation and what we could expect in the near future.

There is a good deal of business for the Monday night meeting and it needs the participation of all 4-H Clubs and as many as possible for their leaders. For instance, there is the matter of county camp, state awards contests, club week dinners, dress revue and talent show event, county fair, preparations for district contests, to mention a part of them.

Two days of community service by Laidlawville Home Demonstration Group women in March made seven dozen hemmed towels, 19 pajamas bottoms and 15 pajama tops for the Tawas Hospital.

Do you know that three \$200 scholarships and one \$50 scholarship were awarded to Michigan State College home economics students by the Michigan Home Demonstration Council in 1953?

One reason so many middle-aged men die of heart attacks is that they too often stop taking regular exercise.

Calendar:
May 10, Monday—4-H Club Leaders' Council meeting.
Planning to make our best in 1953, better in 1954, was the underlying theme for discussion by 4-H Club leaders on Monday and Wednesday afternoons of last week.

The thinking and recommendations of those present will be presented as a report for the leaders present at the May 10 regular council meeting.

At special meetings were Mrs. Albert Vane, Mrs. Marvin Davenport, Mrs. Walter Laidlaw, Mrs. Roy Atkinson, Mrs. Harold Black, Mrs. Wilber Runyan, Harold Black, Mrs. Donald Greer and Mrs. Fred Pfahl.

There is a good deal of business for the Monday night meeting and it needs the participation of all 4-H Clubs and as many as possible for their leaders.

Early vegetable planting, starting plants indoors and the uses and advantages of commercial fertilizers in home gardens were discussion topics at the garden 4-H Club project meeting of North Hale Busy Beavers on April 14.

Five of seven project members were present at the home of project leader, Mrs. James Jacobs, according to reporter, David Jacobs.

Alabaster Garden Club Meets at Home of Mrs. Walstead
The Alabaster Garden Club met at the home of Mrs. Fanny Walstead for its last meeting, and welcomed a new member, Mrs. Daisy Smith of Au Gres. The next meeting will be held at the home of Mrs. Effie Oates on Tuesday, May 11. There will be an exchange of bulbs and plants.

New Form of Brucellosis Adds to Dairyman's Woes

Dairymen in Michigan now have added to their woes a new form of brucellosis caused by a type of germ never before found in Michigan.
Dr. I. Forest Huddleson, Michigan State College bacteriologist, reports that it produces a more severe infection than ordinary Bang's disease. There is a noticeable inflammation, and thickening of the skin of the udder and this condition might be mistaken for a type of mastitis.
Dr. Huddleson, developer of M-vaccine for brucellosis, found the organisms in milk samples from one Michigan dairy herd. Called "Type 2" of the bovine or Brucella abortus species, it was found in samples from two of the three aborting cows whose milk was checked. The samples were cultured by new method in the college's Brucella laboratory.

A new type of brucellosis was suspected by Dr. Huddleson from the condition of the udders of the cows. At present, cattle in only one herd in Michigan are known to be infected with the new organism but it may be wider spread. He has never found it in a foetus from a Michigan cow, but he recently identified the same type germ in a culture prepared from a foetus at Purdue University.

The 47-cattle Michigan herd had nine reactors to Bang's disease testing, five suspects and four abortions in less than a year. The first cow aborted in February 1953. In April and November, blood tests were performed, and while this was being done, the eight other cows reacted and three aborted. The source of the infection never was found.

Turning back 21 years to the reports of Dr. G. S. Wilson of the Institute of Hygiene and Tropical Medicine in London, Dr. Huddleson found a description of some Brucella germs recovered from French cattle. The Michigan State College bacteriologist recognized the report

made in 1933 as the same as for the germs found in Michigan.
"This same type has been isolated by a few of the state health laboratories in recent years from the blood of humans suffering from undulant fever," points out Dr. Huddleson. "It occurred in different sections of the country, but no one has succeeded in tracing the source of the infection."

The new Michigan cattle type of Brucella differs from the three classified species but falls into the bovine or Brucella abortus species. The other species are Br. suis (swine) and Br. melitensis (goats).
"The new type produces a high abortion rate in cattle," states Dr. Huddleson, "and it also causes visible udder disturbances which would indicate that it is highly pathogenic. It needs watching very carefully. We do not know yet of the present vaccines used to protect cattle brucellosis will protect them against this new form."

The owner of the infected dairy cows turned to Michigan State College School of Veterinary Medicine for aid when his animals did not improve. Dr. Edward A. White of the surgery and medicine department injected M-vaccine in December. They will not know for several months whether this will prevent the spread of the disease.

M-vaccine was made available to Michigan veterinarians in 1947. It does not produce a permanent blood reaction or an abortion and can be used on adult animals, including cows in pregnancy.
Farmers should contact veterinarians about any cattle that abort indicating possibility of disease, or show signs of mastitis in udder or milk, suggests Dr. Huddleson.

Drop Two Decisions In Three Encounters

The Tawas Area High School tennis team dropped two decisions while winning one during its three encounters this spring against other Northeastern Michigan schools.
On April 23 the local netters posted their lone victory, winning from Standish, 4-2, and then lost to Gladwin, 5-2, on April 29. Last Friday, May 30, Tawas dropped a 5-2 decision to Standish.
Cold weather forced the postponement of two matches this week. Tawas Area will meet Alpena Central at the East Tawas courts this afternoon (Friday), and next Wednesday the team will play at West Branch.
Here is how Coach Ronald Butterfield's Tawas netters fared against their opponents:
Standish at Tawas, April 23. Singles—Hertzler defeated Caldwell; McKenzie defeated by Lambert; Butterfield defeated by O'Brien; Collier defeated by Dufort, and Birkenbach won over B. O'Brien.
Doubles—Bowman and Roberts defeated H. Pesture and D. Pesture; Fernetie and Klenow were defeated by Lewis and Mudge.
Gladwin at Tawas, April 29. Singles—Butterfield defeated by Nelly; Hertzler won over T. Farrell; McKenzie lost to Weller; Collier defeated by Terry Farrell, and Fernetie lost to Tertz.
Doubles—Brown and Roberts were defeated by Dicken and Schwager; Birkenbach and Klenow defeated by Hall and Hall.
Tawas Area at Standish, April 23. Singles—Hertzler lost to Caldwell; Butterfield defeated by Lamont; Robert won over J. O'Brien; Bowman lost to Dufort, and McKenzie was defeated by B. O'Brien.
Doubles—Collier and Featheringill defeated by Resture and N. Dufort; Klenow and Birkenbach defeated by Mudge and Lewis.

DO YOU REMEMBER THE TAWAS CREAMERY

Butter making was one of Tawas City's industries 40 years ago. Pictured is Elmer Fahselt with a load of butter in front of the Tawas Butter Company plant at that time owned by Carl Fahselt. Standing by team is Walter Anschuetz; in doorway George Mount, and at rear of wagon, Carl Fahselt and Martin Musolf.
The plant was later purchased and operated for a number of years by Charles Moeller. It was located on the site of the present Bulitz Oil Company salesroom and Vic and Zel's Restaurant. Noted for the fine product of the plant, the owners boasted that they furnished butter for Detroit and Mackinac dining cars.
This photograph was furnished for the Centennial Exhibit by Walter Anschuetz.

Observes Music Day
The Twentieth Century Club meeting Wednesday evening proved to be one of the most outstanding of the year. The club celebrated Music Day and held a nations party. Each member also brought a guest.

Tables representing the different nations were beautifully decorated in their countries colors, flags, flowers and dishes. The chairmen for the different tables were: Hawaiian Islands, Mrs. William Fox; France, Mrs. C. E. Mercer; Italy, Mrs. William J. Leslie; Japan, Mrs. Charles McLean; Sweden, Mrs. J. F. Mark; Ireland, Mrs. A. P. Jerome, and England, Mrs. Harvey Abbott.

The program opened with community singing led by Mrs. Ira Horton. Mrs. Horton and Mrs. Nyda Leslie are the music committee.
Mrs. A. P. Jerome gave a splendid history of Ireland, while Mrs. William Fox told of the life in the Hawaiian Islands, where she lived during the war years. She also had fresh flowers direct from Hawaii to display.
A group of German and Italian songs were sung by Mrs. Nyda Leslie.

Mrs. Archie Ruckle presented a humorous Irish reading and Mrs. Mercer gave the poem, "I am an American." The program ended with the singing of "America, The Beautiful."
Refreshment were served to the guests and club members by the hostesses, Mrs. A. W. Mallon, Mrs. Albert Howitson and Mrs. Harry Rollin.
The annual picnic will be held at the Rollin Silver Creek cottage at 6:30 next Wednesday.

See Eye to Eye
On Forest Fire Prevention and Conservation

Historically, Mackinac Mac and his fellow workers, who started out hauling logs 76 years ago along the Huron Route, have learned the hard way about the value of natural resources. Years ago with forests slashed, Mackinac Mac found he had helped to almost work himself out of a job.
But thanks to conservation methods and development of other resources Mac still has his livelihood... The people with the D & M today are able to promote their region still rich in natural resources.

250 Mackinac Macmen working on the D & M in Northeastern Michigan know Smokey Bear and what he stands for. They preach and practice fire prevention and conservation. They have good reasons for this...
Much of the D & M's revenue yet today comes from hauling forest products. Tourists and vacationers, who mean so much to the economic life of the region, are attracted by the appeal and recreation offered by the extensive forests.
