# Resolution Would Again Put Bond Issue on Ballot

The controversial school site issue again reached a climax last Wednesday night with the passing of a resolution by the Tawas Area School Board. The resolution would again place a bonding election before the qualified electors of the district for the purpose of constructing the proposed new Tawas Area junior and senior high school building.

Passing by a 3-2 majority, the board of education voted to honor petitions signed by 1,396 taxpayers which asked the board to consider building the new school on the property already owned by the district in Tawas City.

Voting "Yes" to honor the petitions were Randall M. Fox, board of education president, Walter Niles, board secretary, and Waldo Curry, treasurer. Casting dissenting votes were Trustees Stuart White and William Look.

The special meeting of the board was called this week by Board President Fox after receiving a letter signed by Hugo Keiser Jr., "authorized by interested voters of the Tawas Area School District."

The letter, read to the board by Secretary Niles, requested that the board of education call a special meeting with representatives of a citizens group, who would offer at that time their solution to a school program.

Spokesman for the citizens group, Ronald Korhals of Baldwin Township, presented petitions signed by 1,396 taxpayers which requested the board to place before the electors, at the earliest possible date, a bond issue which would authorize the construction of the new school on the site in Tawas City.

A heated discussion followed by the board members and interested citizens who were present from East Tawas, Tawas City and rural areas.

It was moved by Niles, supported by Curry, "that the board honor petitions as presented by the group on the Tawas City site by resolving it be placed before the electorate for a bond issue at the earliest date, subject to the approval of the architect, engineers and Department of Public Instruction."

The board of education will attempt to have a definite date set for the bonding election at next week's regular meeting.

The proponents of the Tawas City site approached members of the board of education several weeks ago after that group authorized efforts of Congressman Elford A. Cederberg to acquire the Beal Nursery or fairgrounds property for a tentative school site.

At that time the citizen-taxpayers said that if the fairgrounds property would meet the needs of a new school, then the Tawas City site would meet the needs, "inasmuch as there are approximately 28 acres available belonging to the City of Tawas City and the Tawas Area School District."

Recently the Tawas City council voted to turn the property adjoining the school over to the district free of charge, contingent on whether or not the new school is constructed on that site.

These taxpayers state that a savings of approximately \$250,000 could be realized by the district if the board would construct the new school on the site presently occupied by the Tawas Area Schools in Tawas City.

## Apprehend Bogus Check Suspect

The Michigan State Police apprehended John Edgar Wells, a suspected bad check passer, at Alpena Thursday after a statewide search. The Detroit man allegedly passed two no-account checks in East Tawas Sunday to purchase hunting equipment.

A warrant for Wells' arrest was issued by Iosco County Prosecuting Attorney Reginald J. Barnett.

After an investigation by Detective LeRoy McClure of the East Tawas post, Wells was apprehended and returned to East Tawas yesterday (Thursday).

The subject allegedly passed a check for \$110.00 to W. D. Nunn of East Tawas for a new deer rifle. A second check was passed to Lou's Sport Shop for \$93.97 for hunting clothes.

## WM. LOOK & SONS SHOWING NEW BUICK

Buick today presented a complete new line of cars, featuring beautiful, all-new styling and more powerful V-8 engines, plus a revolutionary new variable pitch Dynaflo transmission that greatly increases performance.

The new models will go on display at the William Look and Sons salesroom today, Friday, November 19.

Style-wise the new Buicks feature a new front end with a new wide-screen grille, new rear fenders that give the trunk compartment a longer, lower silhouette, new tail lights patterned after those on the experimental Wildcat II, and exquisite new interiors in many color combinations of nylon, leather and corduroy.

Many bright new exterior colors have been developed for 1955 and will be offered in attractive two-tone and three-tone combinations. For the first time Buick is offering a two-tone combination under the sweep-spear moulding. On two and four-door sedans the customer will have a choice of one color underneath the sweep-spear, another above and a third color for the top.

Horsepower has been increased to 236 in the Roadmaster, Super and Century Series and 188 in the Special.

Guests at the C. E. Earl home the past week were Frank Norstrom, Joseph McCullough, Miss Bula Mae Earl, all of Detroit, Miss Coralie Dorsey and Miss Ila Mae Armstead of Whittemore.

## ADVANCED STYLING FEATURED IN CADILLAC

Advanced "show car" styling and major engineering refinements feature the 1955 Cadillac, it was announced this week by G. McKay Jr. of McKay Sales at the local showrooms.

"This year," said Mr. McKay, "Cadillac designers and engineers present to the motoring public a line of automobiles blending new functional design with important engineering advancements."

Further commenting on new styling features, Mr. McKay said, "The 1955 Cadillac is immediately identified by its distinctive front end blending refinement of a finely etched, cellular grille design with strength through the massive line of bumper, grille guards and rounded lowness of the hood."

"There is a whole new body side panel treatment carrying blending new functional design with important engineering advancements."

## Find You Can Not Hunt Without a Gun

Two down-state hunters returned home Monday empty handed before the first shot was fired in the 1955 deer season. They found to their sorrow that you can not hunt without a gun.

The hunters accidentally left their rifles on the ground while packing the trunk of their car for their trip to Tawas. In backing out of the driveway, they discovered later, the car ran over the stock of one rifle and put it out of commission.

The hunters did not note their loss until they reached deer hunting territory Monday morning. At first the two men thought the rifles had been stolen while their car was parked in Tawas City, but on further investigation, after returning home, they found that a neighbor had picked up the rifles in the driveway.

## Says Madcaps Were Enjoyed by Servicemen

In a letter addressed to "The people of Michigan and Iosco County" a former Tawas City boy now stationed in Korea, thanked all the people of Michigan for making a recent USO show possible.

Airman Second Class Stanley Brown, son of Mr. and Mrs. A. J. Brown of Wilber Township, in a letter to the editor of the Herald this week said:

"It was my pleasure not too long ago to see a USO show titled Michigan Madcaps. In my estimation it was one of the very best USO shows that I have ever played this particular base."

Airman Brown said that at the end of the performance all of the GI's were clapping and cheering for the show to continue with more entertainment, not only Michigan men but those from other states as well.

"I am from Michigan myself," Brown stated, "and I know that I would not want to miss that particular show. When the show was playing here at Osan, I did not know that Bert Stoll, who is from my home town, was accompanying the show on its tour of the Far East. I found out too late to try and contact him as I would have liked to have talked with him about the home town area and my folks."

The Michigan airman added, "I know that the show was of great entertainment value to all the servicemen in Korea and Japan."

The USO show is composed of 10 Michigan entertainers and includes the "Spellbinders," a vocal group from Bud Guest's "Guest House" radio program heard over WJR-Detroit.

Bert Stoll of East Tawas, a reporter assigned to cover the entertainment group's tour of the Far East for Both Newspapers, recently returned to the United States.

The airman's address: A2-C Stanley Brown, AF 16 402 977, 605th Tac Con Sqdn., Box 155, APO 970, San Francisco, California.

## Wurtsmith Air Chief Talks to Local Firemen

Fire chief, William Stewart of the Wurtsmith Air Force Base, Oscola, talked to the members of the Tawas City Fire Department Tuesday evening explaining to its members what to do in case a plane falls in or near the city and sets fire to parts of the community. He stated that most planes carry big loads of ammunition and could cause considerable fire damage.

Mr. Stewart has been making a series of talks to fire departments in this area.

## Nation's Stations Take Part in Operation "Conelrad"

Anyone who listened to a radio during the early morning hours Wednesday, November 17, learned of the part played by the broadcasting industry in the nation's air defense system.

Between the hours of 1:30 a. m. EST, most of the broadcasting stations across the country took part in an exercise of the "Conelrad." Locally, radio station WSGW-Saginaw participated.

## Band to Give Two Concerts Next Week

The Tawas Area Band, under the direction of Edward J. Rima, will present a uniform benefit concert on Tuesday, November 23, and Wednesday, November 24. The concerts will be held in the Tawas Area Gymnasium at 8:00 p. m.

All proceeds of this concert will be placed in a newly formed uniform fund. It is the band's hope to have sufficient funds by the end of this school year to order new uniforms. They would then be delivered by next fall for the start of the 1955-56 school year.

The program will consist of various types of music including marches, overtures, modern music and a beguine.

## Mr. and Mrs. Ross Bernard to Celebrate 50th Anniversary

Mr. and Mrs. Ross Bernard, well known Hale residents, will observe their golden wedding anniversary Saturday, November 27, with open house.

Mr. and Mrs. Bernard were married in Harrison County, Ohio, November 24, 1904. They came to Hale 36 years ago where Mr. Bernard has been active in the cattle and meat business until his retirement a few years ago.

Open house will be held at their home from 2:00 to 6:00 p. m. Their many friends throughout the county extend their congratulations and good wishes.

The Iosco County Library Book Fair, located in the Case Building, Tawas City, has been a popular place for children since it opened last Thursday. The fair will continue through November 19. Approximately 500 books are on display.—Herald Photo.

The first hunter to report a kill at the Herald office Monday morning was Ray Coleman. He is shown above with the spikehorn buck which he bagged at 8:00 a. m.—Herald Photo.

This father and son combination filled their licenses on the opening day. At right is Steve Geresy Jr. of Bangor and his son, Donald, left, of Benton Harbor.—Herald Photo.

## Greyhound Shows New 'Scenicruiser'

The general public was treated to an advance look at one of Great Lakes Greyhound Line's new 43-passenger "Scenicruiser" coaches this week. Greyhound is currently displaying one of the latest addition to its fleet on a tour throughout Michigan.

Locally, the ultra-modern bus made several stops in the Tawas Wednesday afternoon. Carl Buchanan, public relations man for Great Lakes Greyhound, and Gardner Simpson, general passenger agent, explained many of the new travel features to visitors.

Some of the features of the new Scenicruiser includes raised observation level, huge picture windows, adjustable easy chairs, complete wash-room, perfected air conditioning and air suspension ride.

Mr. Buchanan said that the air suspension ride on the new \$50,000 bus makes every highway a strip of velvet. He said that conventional metal springs had been replaced with huge nylon bellows, keeping the bus level and smooth riding.

The Greyhound Lines now operates a daily schedule between Detroit and Miami, Florida. The cruiser is called the "Sun King Limited."

At present, 150 of the new General Motor built coaches are in operation. It is expected that 500 cruisers will be delivered.

## Light Deer Kill Marks Opening Days of Season

Prospects for a successful deer season looked rather slim late this week after a light opening day kill of bucks throughout the north country. This seemed to be the consensus of opinion of many veteran deer hunters in the Tawas and Iosco County area.

Many observers felt that the opening day coming on Monday this year played a major role in the light kill because of the fact that down-state hunters were unable to take time off from work for their annual trek north. Many said that there were not enough hunters in the woods to stir up the deer.

Several local businessmen pointed to cash registers and stated that the "red coats" were in fewer numbers here this week compared with last year. This indicated a drop in gross sales at restaurants, hardware and sporting goods stores, taverns and service stations.

Hotels, cabin courts and motels seem to be holding their own in business, with most accommodations filled during the first four days of the season.

Looking at the brighter side of the deer hunting picture, Arthur Leitz, Michigan conservation officer, predicted Wednesday that the season would improve this week-end and by the end of the season the kill would equal that of last year. He pointed out that private hunting clubs were having a fair kill of bucks and he expects that down-state hunters will move into this area en masse on Saturday and Sunday.

Officer Leitz reported that he had made very few arrests of game violators during the week.

It was reported Wednesday that 180 deer were stored at the Hale Locker Plant by successful hunters in that area. Sixty deer were stored at the Iosco Frozen Foods on Wednesday.

Raymond Coleman of East Tawas was the first hunter to bring in a buck to the Herald office Monday morning. Hunting alone in Wilber Township, Coleman shot a spikehorn buck at 8:00 a. m.

Immediately following Coleman to report a kill was Steve Geresy Jr. of Bangor and his son, Donald, of Benton Harbor. Donald shot his buck at 7:05 and his father bagged one at 8:10. Both hunters were on their way home by 9:30.

Other hunters who reported a successful kill during the first few days were: Thorald Curry, a six-point buck at 8:20 a. m., Monday; L. G. McKay Jr., Hugo spikehorn; E. D. Jacques, Edward Doakes, Rollie Gackstetter, Rollie Joe Gackstetter, Lloyd Cooper, Walter Laidlaw, Dr. J. D. LeClair, Dr. Earl Hasby, Dr. J. J. Austin, William Monday, Kenneth J. Koepke, Keiser, William Groff, Harold VanDeusen, Cyril Hughes, Alton Hill, Willard Muffel, Peter Baker, Harold Bublitz, Erwin Ruppert.

## Business Place Fire Inspection Announced

Tawas City and East Tawas mercantile establishments will be inspected in the interests of fire prevention on Tuesday, January 18, by representatives of the Michigan State Fire Prevention Association if plans now being formulated are carried out.

The invitation to the association was mailed today to association President Richard Harold, by the secretaries of the businessmen's associations. Action authorizing such an inspection had been made by the state association in October, who indicated that this date would be acceptable.

The program will mean that 20 to 25 fire prevention engineers and inspectors will work in teams and inspect every mercantile establishment in Tawas City and East Tawas for fire hazards and will make on-the-spot recommendations to the occupants of the buildings.

George W. Myles and John C. Elliott, co-chairmen in charge of arrangements, have stated that programs on fire prevention will be carried out in the schools that day, and the co-chairmen will arrange a joint luncheon meeting of Tawas Kiwanis Club and businessmen's associations to hear a speech by an insurance executive.

"There is no cost involved in the program, it is an effort by the capital stock fire insurance companies to help the public save lives, property values and dollars," said Myles and Elliott.

Mr. Myles said in commenting upon the plan, "I feel the community will derive great benefit from it. I'm for any program which will offer prevention before a fire is necessary. The community is fortunate to have the experienced knowledge of authorities upon the prevention of fire in our community. I think we should take advantage of it."

Carl Gard and Raymond L. Jennings of the executive committee of the association were in town today conferring with the co-chairmen upon preliminary arrangements for the affair.

## IOSCO DEALERS DISPLAY 1955 PLYMOUTH CARS

Plymouth's bigger and more powerful 1955 model cars went on display at dealer showrooms in Iosco County last Wednesday, November 17. Plymouth dealers in this county are: Arnold Bronson Motor Sales, Tawas City; Cowan Motor Sales, Tawas City; and Edward Graham and Son, Whittemore.

The 1955 Plymouths are entirely new, both in styling and engineering detail. They are lower, longer and wider than previous Plymouth cars.

The new 1955 Plymouths are more powerful cars than Plymouth ever built. The 1955 engines are a 117-horsepower PowerFlow six, a 157-horsepower Hy-Fire V-8, and a 167-horsepower Hy-Fire V-8. The latter engine also is available with an overhead carburetor and special manifold which increases its horsepower to 177.

Plymouth offers as optional equipment a full range of automatic and power assist devices. They include Power-Fite fully automatic no clutch transmission, a new design coaxial full-time power steering, power brakes, power-operated front seat adjustments, power-operated window regulators, and adjustable speed electric windshield wipers. An over-engineered Airtemp air conditioning system is also available as special equipment.

The 1955 line is made up of 12 models, including for the first time four-door versions of the Plymouth Suburban, the all-steel body "station wagon" type car which Plymouth pioneered in 1949.

Among the distinctive features of Plymouth's new styling are a low silhouette, slimmest and sleekness of body lines, deeply recessed head lights and tail lights, and an over-all appearance of forward motion.

Plymouth four-door sedans are 10.3 inches longer than their predecessors. They are 1.7 inches lower.

Mr. and Mrs. A. E. Giddings visited her aunt in Woodland over the week-end, returning home on Tuesday.

## NEW DODGE NOW ON DISPLAY AT BRONSON'S

The new 1955 Dodge went on display last Wednesday, November 17, at the Arnold Bronson Motor Sales in Tawas City.

Presenting "The new outlook in motor cars," the 1955 Dodge "New Horizon" windshield wraps around top as well as bottom to encircle the driver in a "glass cockpit."

"From the bold forward thrust of its massive grille and sleek racy hood to those distinctive jaunty twin-jet tail lights, the 1955 Dodge is the car of a hundred surprises," said Mr. Bronson.

Dodge offers three series in its new 1955 line of cars: the Custom Royal V-8, with 183 horsepower engine; the Royal V-8, with 175 horsepower engine; and the Coronet V-8 and Six.

The "Get-Away-Six" is rated 123 horsepower. The wheel base for all cars is 120 inches and the overall length of the four-door sedan is 212.1 inches.

Mr. Bronson said, "The new Dodge is so advanced in engineering it puts the future at your fingertips." He invites the public to visit the salesroom and take command... "get the thrill first hand!"

## Be Thankful---

The United States of America is recognized throughout the world as a wealthy nation, a leader in the fields of industry, science and the development of natural resources, where men are free to worship according to their own convictions.

This Pilgrim heritage has been handed down through the centuries, dating back to that gray December day in 1620 when the storm-tossed Mayflower anchored in the harbor, now Plymouth, Massachusetts. Descendants of the Plymouth colonists still guard this Massachusetts town as a national shrine where all America may see the beginnings of their freedom.

Churches of the nation are conducting special services on Thanksgiving Day, November 25, to pay tribute to the courage, fortitude and devotion of our ancestors and to give thanks for our many blessings.

The Pilgrims gave thanks for so little . . . And, we today have so much to be thankful for . . . so, in the words of the shortest prayer, "Thou hast given so much to us—give one thing more—a grateful heart."

## HEALTH and FREEDOM FOUND

A Christian Science Radio Broadcast is given each Sunday at 9:45 A.M. over

## CKLW

(800 on Your Dial)

Christian Science shows the sick as well as others in need of help how to claim their God-given freedom from fear, sickness and lack.

You are cordially invited to visit the Christian Science Society, East Tawas, 316 Newman Street, on Sunday at 11:00 A.M.

### Special Thanksgiving Services

The Christian Science Society, East Tawas, will hold special Thanksgiving services, Thanksgiving Day at 11:00 a. m. in the Ladies Literary Club Rooms, 318 Newman Street.

Following the usual order of service there will be a brief period in which members of the congregation may express their gratitude for healings and other help which they have received during the past year.

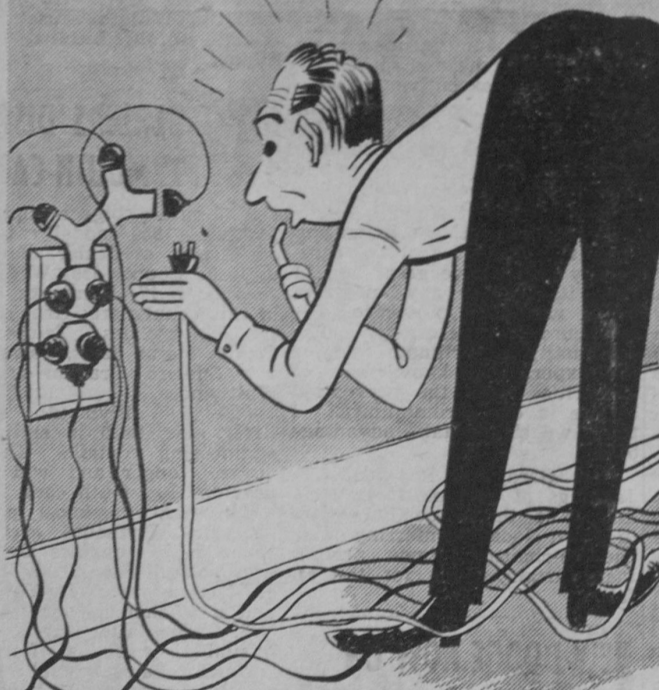

The Golden Text from Psalms 50:14 is appropriate for the occasion and reads: "Offer unto God thanksgiving; and pay thy vows unto the most High."

The Bible citations include Psalms 107:1, "O give thanks unto the Lord, for he is good: for his mercy endureth for ever."

Among the citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, page 3, will be the following: "Are we really grateful for the good already received? Then we shall avail ourselves of the blessings we have, and thus be fitted to receive more. Gratitude is much more than a verbal expression of thanks. Action expresses more gratitude than speech."

Soviet tests of atomic weapons have "continued at intervals to the present," according to the Atomic Energy Commission.

## WHERE WILL YOU PLUG IN THE NEXT ONE?

Looks like you're plugging in to trouble, Boss! That outlet is overloaded right now . . . and one more appliance is liable to blow a fuse.

The only cure for this ugly, old-fashioned arrangement is Adequate Wiring, which means enough electrical circuits of the right size wire, plus enough outlets to take care of ALL your appliances, easily. Your Wiring Contractor is the man with the answers. Let him look your house over and give you an estimate. You'll be surprised at how small an investment it takes to enjoy real electrical living.

The new Series 60 Special, representing the standard 1955 models, features a new Florentine-curved roof line, a new slender center post, and a great new 250-h.p. engine.

# CADILLAC for 1955

Presents the Most Beautiful and Finest Performing Motor Cars in Its History!

The spectacular new Eldorado, a dramatic interpretation of the new Cadillac styling, offers many unique features, including a new 270-h.p. Cadillac engine.

This is one of the most significant new-car announcements in Cadillac history.

For it introduces to the world's motorists the most magnificent creations in Cadillac's fifty-three years of motor car production.

Three new Cadillac series are offered for your consideration in 1955—the famous Series Sixty Special, the beautiful Series Sixty-Two, and the distinguished Series Seventy-Five . . . in addition to the spectacular new Eldorado.

They are, as you can readily see, magnificent

in beauty—with a new, jewel-like grille and front-end assembly . . . with dramatic and graceful new sculptured side styling . . . and with added dignity and bearing in every detail.

They are magnificent, too, in performance. There is a new Cadillac engine, the most powerful ever offered in a production motor car . . . an improved Hydra-Matic Drive . . . advanced Cadillac Power Steering . . . and, as an option at extra cost, refined Cadillac Power Braking. And they are magnificent in luxury . . . to a

degree unusual even for Cadillac. Their interiors are almost unbelievably beautiful . . . and they are offered in a remarkably wide selection of gorgeous new fabrics and leathers.

Beyond any question, these new Cadillac creations represent a new Standard of the World—and we urge you to see and inspect them today in our showroom.

You will be most welcome—and we know you will find your visit one of the most interesting experiences of your motoring life!

#### Paul Saw Christianity as War Against Evil

"STAND, therefore," This was Saint Paul's exhortation to the Christians at Ephesus after he had urged them to "put on the whole armor of God," so that they might "withstand in the evil day, and having done all, stand."

That Paul should have seen, the Christian life as warfare is not to be wondered at. His whole course was beset with enemies, and persecutions.

To the Christians, to whom Paul wrote, life was also a warfare. They may have been free from the most serious persecutions that beset Paul, but they were subject to persecution.

There were hazards in being a Christian. The days, as Paul says, were evil. The pagan environment was hostile and full of temptations of the flesh and of the spirit.

Paul was insistent upon the Christian warfare, and, like a great military leader, he was deeply concerned about preparation, equipment, indoctrination, and rousing words of inspiration and encouragement.

And in all this his own example is never lacking. That is a quality of great leaders.

Is the Christian life still a warfare today? It is a significant and important question.

Hostile forces and temptations, are no less real, though they may seem less evident and more subtle.

It may be said that we do not think of the Christian warfare as precisely, and as much, as it is set forth in New Testament days. But this may be because we lack something of the vision that inspired Paul and the early disciples; that we do not see, as they did, the need of warfare, with the call of duty and the call to greatness.

**Car and Truck Collide at M-65 Intersection Tuesday**

A truck and car collided at the intersection of M-65 and Sherman Street in Whittemore Tuesday afternoon. No one was injured but considerable damage was done to the vehicles. The head-on impact demolished the front end of a Whittemore car owned by William Uptegrove. The driver of the car, George Lehman, was trying to start the stalled vehicle at the time of the accident. The truck driven by Ralph Hanselman of Grand Rapids was slightly damaged.

Senator Potter says half of United States roads are unfit.

**Audie Johnson Post Hosts Auxiliary on Veterans Day**

Audie Johnson Post of the American Legion was host to the auxiliary at a dinner at Wickert's Restaurant last Thursday evening in celebration of the birthday of the American Legion Auxiliary of Michigan and Veterans Day.

A beautiful centerpiece of red, white and blue carnations and white tapers decorated the table.

Norman Anschuetz acted as toastmaster. Greetings were given by Post Commander Robert Harmon and Auxiliary President Evelyn Price, who presented gifts of jewelry and past presidents' jewels to all past presidents, who were honored at the dinner. They were: in order of service, Miss Helen Applin, Mrs. Clara Barkman, Mrs. Florence Bartlett, Mrs. Ella Bowman, Mrs. Lois Kienholz, Mrs. Nettie Hester, Mrs. Grace Misener and Mrs. Dorothy Harmon.

Remarks were given by Mrs. Barkman, Mrs. Kienholz, Miss Applin and Mrs. Grace Miller, past president of Jesse Hodder Unit.

Talks on Legion work were given by "Youth Work" by Richard Price, "A Youth Center" by Dewey Durant and "Membership" by Robert Harmon.

**1954 Agriculture Census Now 50% Completed**

The 1954 census of agriculture is about 50 percent completed in the 36 counties covered by the field office at Ludington, according to Field Supervisor Hans C. Rasmussen.

Mr. Rasmussen stated that he was well pleased with the cooperation the census enumerators are receiving from farmers in this area and has high hopes of completing the canvass by the scheduled closing date of December 1, 1954.

Quick completion of the census will not only help in keeping costs down but will aid in prompt publication of the results, Mr. Rasmussen said. He urged local farmers who had not already done so to complete the census questionnaires and have it ready when the enumerator calls.

She said she felt like a young girl, but she looked like an old one.

Donald L. Kobs, M. M. 1st class, received his discharge from the United States Navy after seven years of service, most of which was sea duty. He is the son of Mr. and Mrs. Karl Kobs of this city.

**Old Friends are Asked to Write Former Resident**

A letter was received by the Rev. Benjamin Whaley from Mrs. Irene Goldie Brewington of Colton, California, wanting to contact former friends of her mother, Alberta Sanderson Goldie, who formerly lived in or near Tawas.

Mrs. Brewington's mother will be 80 years old, November 27, and anyone remembering her is asked to send her a card and any little incidents recalled would be welcome. Her name and address are: Mrs. Alberta Hartwell, 665 North Fourth Street, Colton, California.

It has been recalled here that her father was the Methodist minister in Wilber Township, and she and her husband, the Rev. Howard Goldie, were in Tawas City in 1896-1900, during which time the old Methodist parsonage was built.

Thursday, December 2—What can we do about marketing poultry and eggs? Mac Moore and Henry Larzelere from Michigan State College at 8:00 p. m. Artificial Breeders Board of Directors meeting, Federal Building, East Tawas, 10:00 p. m.

Wednesday, December 8—What's new in insecticides for 1955? Ray Janes, Michigan State College.

Thursday, December 9—Hanging it on the line dairy-wise. James Hays, Michigan State College Dairy Department.

Monday, December 13—Soil Conservation District Board meeting, Federal Building, East Tawas.

I have talked, written and read so much about testing your soil to save dollars that it is really beginning to pay off. I was pleased to have Claude Benson of Alabaster Township come in with five sample. He wants to know what his soil needs. After attending our soil demonstrations, he was convinced that sending samples to the laboratory was the only smart thing to do. How right he is!

If you want to quit guessing whether you will get a seeding of alfalfa or clover started you have only one course of action to take. Both alfalfa and clover need a lot of lime. They are heavy feeders of soil nutrients.

Both crops fall too often in stands and yields. And too often is the failure caused when a farmer either guesses that the soil has enough lime and plant food or is willing to take a chance on getting a good stand. With farmers still in a price cost squeeze, Edward Longnecker of Michigan State College says it is especially important that farmers produce as economically as possible. This can be done by eliminating guessing and chance taking from farm practices.

Soils do not have to be tested every year, but tests should be made at least once in each rotation. We will make soil management recommendations based on the results of soil tests. By following these recommendations, farmers can remove part of the gamble from farming, reduce crop failures, improve crop yields, decrease operating costs and boost net farm income.

Mentioning decreasing oper-

ating costs and boosting net farm income, reminds me that farmers who have to buy most of the grain for their livestock and poultry may find the going rough in 1955. Some farmers are going to have to drop by the wayside.

The first ones that may find competition too rough will be those doing a poor job of management. They will have to shift to something else that promises better pay.

John Doneth, Michigan State agricultural economist, points out that the only needs on some farms are a few changes.

Better managers will make these adjustments without faltering.

One change will be to handle more livestock, still using the same amount of labor. Other farmers will cut down on labor and other costs but still keep the same output.

Doneth commented that many farmers in Michigan are too small and some of these operators may meet the cost challenge by obtaining more good land. Renting, buying, clearing or draining additional land may be the answer.

Making money on purchased feeds won't be impossible, but many farmers will have to find more ways to cut costs to do it, Doneth believes.

I know our sheep raisers will want to do all they can to keep their losses down this fall and winter. The sheep can stand a lot of cold weather if they're kept dry. Graydon Blank, sheep

specialist at Michigan State, points out that ewes are well protected by their fleece and will not need a warm shelter until lambing time as long as their fleeces don't become wet. Ventilation is very important in the sheep shelter to prevent the air from becoming humid and the floors, walls and ceiling wet. Ewes kept in areas to warm will sweat and chill and catch cold. Drafts should be avoided in attempting to get good ventilation.

With income tax filing deadline rushing closer, farmers with a good, accurate set of records are going to find themselves in pretty good shape to figure their tax. But farmers that use the hit-or-miss method of record keeping are in for the usual amount of trouble. That word of warning is sounded by E. M. Elwood, Michigan State farm management specialist.

Elwood notes that there are more changes than usual for filing the 1955 returns. He lists

some of these changes that will affect farmers: One change is the filing requirements for persons over 65. They need not file unless their gross income is \$1,200 or more for the taxable year. Those under 65 must file with an income of \$600 or more.

This year children under 19 can be listed as dependents, regardless of how much they earn, if the parents provide over half their support.

The tax law, recently rewritten, gives relief to families hit hard by medical and dental bills. They are allowed deductions on these expenses that amount to over three percent of their gross income. Last year they could deduct only an amount which exceeded five percent.

Ernest Hemingway was awarded the Nobel Prize for Literature "for his powerful, style-forming mastery of the art of modern narration as most recently evidenced in 'The Old Man and the Sea.'"

## FARMER'S FRIEND

MICHIGAN'S agriculture produces approximately 10 percent of the State's income!

And, to the Michigan farmer, motor transport is next in importance to the land itself. Over 80,000 trucks are hard at work on Michigan's farms—vital tools in all phases of farm work.

Not only are trucks indispensable to the farmer in the successful operation of his farm—trucks also form a vital link to the outside world.

The town or shopping center where the farmer does his buying is stocked by trucks and trailers which operate 'round the clock to bring him and his family—swiftly and economically—an ever wider selection of the necessities and luxuries of life.

# Whittemore News . . .

**Nineteen Attend Women's Club Meeting Wednesday Night**  
The Whittemore Women's Club met at the home of Mrs. Herman Wesenick Wednesday night with 19 members answering to roll call. The president, Mrs. Lulu Dahne, presided over the meeting. Plans were made for the circus which the Women's Club and Junior League are sponsoring for Girlstown to be put on in December. Mrs. Arthur Latham gave a very interesting book review entitled, "The Healing Woods."

Refreshments were served by the committee, Mrs. Wesenick, Mrs. Boies and Mrs. Dorsey.

Mr. and Mrs. Bert Webster have sold their farm to Mr. and Mrs. Lyman Emmons of Inkley, who took possession of the past week. Mr. and Mrs. Webster stored their furniture and are staying with her brother, Peter Gay, for awhile. Hersey Smith, who has been ill in Samaritan Hospital where

he was taken again a week ago, returned home Monday and is some improved.

C. E. Anderson of Woodstock, Iowa, is spending a few days here with Mr. and Mrs. Charles Fuerst and doing some deer hunting. Mr. Anderson is a former superintendent of the National Gypsum plant.

Mrs. Edith Cataline and Mrs. Belle Earhart attended the Reno Home Extension Group meeting Wednesday afternoon where they were the installing officers for the new staff of officers.

Mr. and Mrs. Joseph Lomason left Tuesday morning for Tampa, Florida, to spend the winter.

Mr. and Mrs. George Woods Sr. and Mr. and Mrs. George Woods Jr. and family were in Lincoln Sunday where they attended a family dinner in honor of the birthday anniversary of Mrs. Woods' mother, who celebrated her 94th birthday. In spite of her advanced years she is very active and does her own sewing.

Angus Dunham of Flint spent a few days last week with his sister, Mrs. Belle Earhart.

Word from Mrs. Blanche Karr, who went by plane a week ago to Miami, Florida, for the winter, states she arrived safely.

Mrs. Frank Gordon is seriously ill in Samaritan Hospital, Bay City. She will undergo an operation this week.

Some of the lucky ones to get their buck the first day of season are: John Ori, E. J. Williams, Theron Partlo, William Fuerst and son, Orval, Clarence Provoast, Donald Haddix, Roy Leslie, William Fogelsinger and Kenneth Bronson. Others have them in camp which have not been reported at this time.

Mr. and Mrs. Edward Duengel and son of Flint spent the weekend here. Edward remained for a few days hunting.

Detective O'Farrell of Detroit is spending a few days here for deer hunting.

Mr. and Mrs. Lester McLean of Flint spent the first of the week with Mr. and Mrs. John Thornton. Mr. McLean was successful in getting his deer the first day of the season.

Mrs. Arden Charters and two little daughters spent Tuesday and Wednesday in Flint.

Mr. and Mrs. H. Cunningham and son of Flint spent the first days of deer season here with her parents, Mr. and Mrs. Colon Perry. Mr. Cunningham was one of the lucky hunters to get a buck the first day.

Henry Thompson has returned home from the Veterans Hospital in Saginaw. His condition remains about the same.

Mr. and Mrs. Walter Chipps and two children of Missouri are spending the week with his parents, Mr. and Mrs. Norman Chipps.

## Canadian Couple Thrilled in First American Visit

Mr. and Mrs. Gerard LaVoie, who live at Lochalish, Canada, located north of Chapleau in the heart of the Canadian bush country, about 230 miles northwest of Sudbury, Ontario, and just 100 miles from the southern tip of Hudson Bay, spent Monday in town as guests of Mr. and Mrs. William Fuerst.

They had spent the past week in Lansing as guests of Mr. and Mrs. W. T. Hill.

Mr. and Mrs. LaVoie are both guides and have guided W. T. Hill, several Lansing men, William Fuerst and other men from here when moose hunting in the Canadian country.

Mrs. LaVoie is the first licensed woman guide in that territory. The Michigan people depend on them for their transportation into the lakes for fishing and moose hunting.

This was their first trip to the United States, and they were thrilled over the sights which in Lansing. They had never seen so many cars and had their first ride in one when Mr. Hill met them in St. Ignace and brought them to Lansing. They came to Sault Ste. Marie and took a taxi from there to St. Ignace.

While in Lansing they attended the Michigan State-Washington football game, the first they had even seen. On Sunday Mr. Hill brought them to his hunting lodge near Prescott and Monday they visited Whittemore where Mr. Hill took them through the National Gypsum plant and other sight seeing. Later they had dinner with Mr. and Mrs. William Fuerst.

Mr. LaVoie works for the Great Lakes Power Company which supplies power to the mines. The village of Lochalish has a population of 75 persons. There are no roads to the village, only trails, where jeeps can travel. They travel mostly by canoe and in the winter on snow shoes. A plane comes in now and then. They have seven children and their home is the only one in the village with electricity.

When asked if they would like to live here, they said, "No, it is too noisy. At home we just hear the calling of the moose and wild geese."

They thought the people were so grand to them and said it would take them several weeks to tell their children about Michigan.

Mr. Hill took them to West Branch Monday afternoon, where they took a bus for home.

**WHITTEMORE EXTENSION GROUP MET MONDAY**  
Fifty Christmas gift ideas which included card holders, fancy candle holders, aprons of all kinds and sizes, stuffed toys and knit slippers were presented at the Monday evening meeting of the Whittemore Extension Club. The lesson was given by Mrs. Lulu Dahne with Mrs. Henry Hasty and Mrs. Leabla Earhart displaying some of the articles which they had made using the ideas presented. Club members made patterns of the gifts they plan to make.

Have you ever eaten "Nibble Bait"? The recipe for this new dainty was given by Mrs. Dahne.

Officers for the ensuing year were installed by Mrs. James Mielock of the Reno club with Mrs. Roy Leslie at the piano. New officers include: Chairman, Mrs. Earhart; vice chairman, Mrs. Theodore Bellville; secretary-treasurer, Mrs. Dornace Bellville; project leader, Mrs. Leo Sylvester.

The ladies will meet November 29 at the home of Mrs. Sylvester for the Christmas greens lesson. Also bring any of the Christmas gifts that you have made.

Mrs. Earhart was hostess for the meeting which was attended by 12 members and two guests. Mrs. Mielock and Mrs. John Cobb of the Reno club were guests.

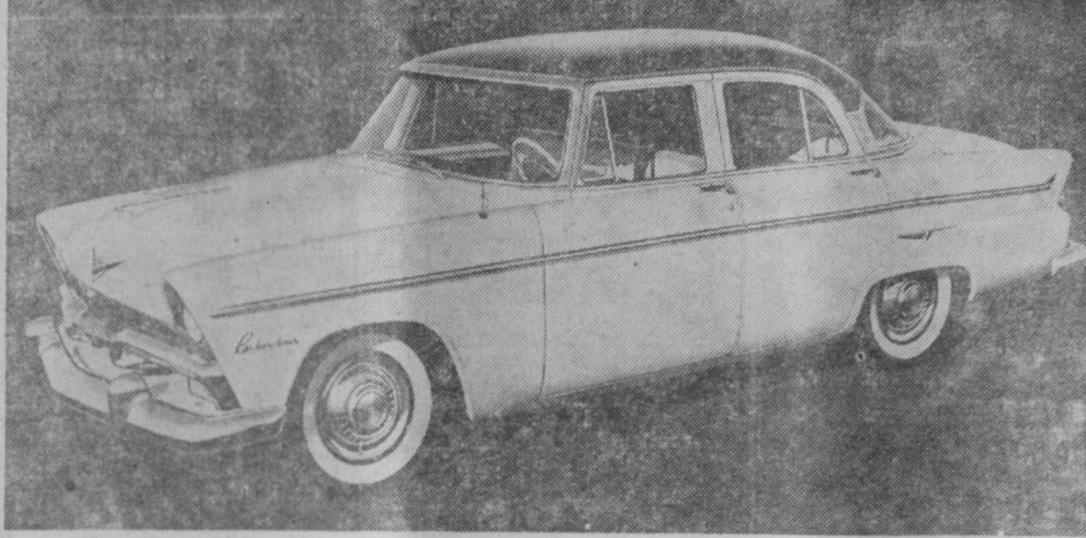

Plans were made to hold the next business meeting and the Christmas party will be December 13.

## Flair Styling Featured on 1955 Dodge

The flair-styled 1955 Dodge features a dashing hood ornament, projected headlight hoods, "New Horizon" swept-around windshield, cut back doors, flared wheel openings and streamlined rear deck. This four-door sedan in the Custom Royal series has a Super Red Ram V-8 engine of 183 horsepower. Two-tone paint treatment accents the lowered roof line, sloping hood, and twin-jet taillight section.

## New Bigger Plymouth

Plymouth's completely new 1955 cars are lower, wider and more than 10 inches longer than previous models. With either a PowerFlow Six or Hy-Fire V-8 engine, they are the most powerful cars Plymouth has ever built. They are available with a full range of automatic and power-assist devices, including electric window lifts and power front seat adjustment. Pictured here is the Belvedere 4-door sedan.

## 30,000 Seedling Trees Ordered for Spring Planting in County

Thirty thousand seedling trees have been ordered for spring delivery from the Michigan Department of Conservation, according to an announcement made to a forestry committee chairman of the Iosco County Soil Conservation District. Long stated that 15,000 of these are red pines and 15,000 are Scotch pines.

These trees are available to S.C.D. cooperators who are offered the opportunity to place their orders now. First orders received indicate that all trees will be sold before the next meeting of the directors. If individual orders received exceed this amount, an attempt will be made to reorder. However, orders will be filled in the order in which they are received.

These trees can be used under a soil conservation agreement which can include reforestation, wind breaks and Christmas tree production. Those wishing to order trees should contact Mr. Long of Tawas City or Gordon Hatch, soil conservationist, Federal Building, East Tawas.

The U. S. Navy's supply system catalogs and distributes some 1.3 million items, roughly 10 times the number carried by the world's largest retail organization.

### Leads in McCarthy Censure

Sen. Arthur V. Watkins, (R-Utah), chairman of the Special Senate censure committee prepares to enter the Senate Chamber for the continuance of the historic debate on the McCarthy censure resolution. Senator Watkins told newsmen he planned to support his recommended censure resolution throughout the hearings and to urge McCarthy's official rebuke for "abusing" Brig. Gen. Ralph W. Zwicker and a subcommittee which investigated his conduct in 1951-52.

### "Monthly Pains" stopped or amazingly relieved

in 3 out of 4 cases in doctors' tests!

\*Chances are you're putting up — unnecessarily — with the functionally caused pains, cramps and weak, "no good" feelings of menstruation!

For, in actual tests by doctors, Lydia Pinkham's Compound brought complete or striking relief from such distress in 3 out of 4 of the cases!

Lydia Pinkham's is modern in its action!

So get Lydia E. Pinkham's Vegetable Compound—or new, improved Tablets with added iron. See if — taken through the month—it doesn't give relief from those backaches, fitters—help you feel better before and during your period!

Or—if you suffer from functional "hot flashes" of "change of life," find out how wonderful Pinkham's is for that, too!

It has a quieting effect on uterine contractions that often cause "nerve" pain!

## The Buick Special—A Standout for 1955

SLEEK NEW STYLING and record-high horsepower make the Buick Special four-door sedan for 1955 a standout in the lower priced field. Its V-8 power plant has been increased to an all-time high of 188 horsepower which, with Buick's new Variable Pitch Dynaflo transmission, gives the Special performance and maneuverability unequalled by

any automobile in its field. Setting a new styling trend are a wide-screen grille and a roll-edge bumper with sturdy dual wing guards. For the first time, Buick's choice selection of power assists—power brakes, power steering, window lifts and front seat adjustments—are available as optional equipment on the Special.

## Gives Rules on Christmas Tree Sales

Movement and sale of Christmas trees and evergreen boughs, estimated to be a \$5,000,000 annual business in Michigan, will soon start, and the Michigan Department of Agriculture will establish forms available from conservation officers, state police, sheriff's offices, county agricultural agents or from the Michigan Department of Agriculture. Purchases of trees or boughs from a person who is not the original owner must be accompanied by a bill of sale giving only the names and addresses of the buyer and seller and the number and kinds of trees or boughs.

Persons not the original owners such as brokers, truckers, sales lot operators or anyone buying or selling trees must keep for two years the bills of sale, which must be shown upon the request of any enforcement officer. Property owners may transport Christmas trees or evergreen boughs from their own property without a bill of sale providing they can prove ownership of such property. Persons transporting less than six trees are exempt.

**STATE OF MICHIGAN**  
In the Circuit Court for the County of Isosco.  
In the matter of the petition to determine the water level of Bass Lake.

**ORDER OF PUBLICATION**  
At a session of said Court, held at the Court House in the City of Tawas City in said County on the 29th day of September, 1954.

Present: Honorable Herman Dehnke, Circuit Judge.

WHEREAS, the Board of Supervisors of Isosco County, State of Michigan, adopted a resolution on the 13th day of October, 1953 directing the Prosecuting Attorney of Isosco County to take any and all necessary action under Sections 281.101 to 281.121 Compiled Laws of 1948 of the State of Michigan being Act 194 of the Public Acts of 1939 as amended for the determination and establishment of the water level of the following lake:

Bass Lake—Section 36, T. 23 N., R. 6 E. and Section 1, T. 22 N., R. 6 E., Plainfield and Grant Townships

for the reason that the levels of said lake have dropped to a point endangering the existence of the lake while seriously affecting the value of abutting property and further that fish and wild life have been seriously affected, that a dispute exists between the abutting property owners of the above mentioned lake as to the proper levels thereto and that the recommendations of the Engineers of the Conservation Dept. of the State of Michigan set forth the necessity of determining and establishing said water level.

AND WHEREAS, Reginald J. Barnett, Prosecuting Attorney in and for the County of Isosco, State of Michigan for and on behalf of the Board of Supervisors for the County of Isosco has respectfully petitioned this honorable Court to determine and establish the water level of the aforementioned lake;

NOW THEREFORE IT IS HEREBY ORDERED, ADJUDGED AND DECREED, that the hearing on said petition shall be held at ten o'clock in the forenoon of the 29th day of November, 1954 at the Circuit Court in the Court House in Tawas City, Isosco County, State of Michigan, and further that said Prosecuting Attorney be ordered to cause publication of this notice of hearing once each week for six full successive weeks prior to the date of said hearing in a newspaper of general circulation in said County of Isosco, State of Michigan, and further that said Prosecuting Attorney be ordered to mail by registered mail a true copy of the published notice to all the record owners of land abutting or touching upon said lakes at least three full weeks prior to the date of said hearing as above set forth.

By DOROTHY SCOTT

Another word about the special recognition awards at the 4-H Club Leaders' Council banquet last week. At that time the Silver Clover Award of pin and certificate for five years of 4-H Club leadership was presented Franklin Bischoff. A similar recognition is being made to Mrs. John Webb, who was unable to be present for last week's program. Mrs. Fred Pfahl received the 4-H Club alumni recognition certificate and one has been presented to Harold Black, who could not be at the banquet.

Leaders who were unable to attend the recognition banquet will soon receive their pins appropriate to the year of leadership work just completed. Leaders for 1955 will receive a copy of the new Isosco County 4-H Club Handbook.

The revised constitution and by-laws as given in the handbook was worked out by a committee of 4-H Club leaders, Mrs. Donald Grear, Mrs. Roy Atkinson, Mrs. Harold Goedecke and Mrs. Walter Laidlaw. They did an excellent job, we're sure you will agree.

That which is labelled "Fingertip Information" comprises what we originally referred to as the "handbook" and is the result of much discussion among leaders and work done by the committee, Harold Black, Mrs. Fred Pfahl and Mrs. Everett Douglass.

Committee appointments and the calendar 4-H Club meetings in 1955 were arranged by council officers, Franklin Bischoff, Mrs. George Kindell and Harold Black, at the first of the executive committee meetings held according to the new constitution. They have contributed much to a good start for a better than ever year of accomplishments by the Isosco 4-H Club Leaders' Council.

This is probably the time and place for a reminder about the next executive committee meeting on December 18. Quoting the constitution, the executive committee "consists of the president, vice president, secretary-treasurer and committee chairman." See page 6 of the handbook for the meeting agenda.

names to remember include Terry Peckham, Donald Ardis and Russell Engleright. These boys are the "Silly Serenaders" from Missaukee County who entertained at the leaders banquet. They expect to compete for honors in fun festival activities at the National 4-H Club Congress later this month, representing Michigan as one of the blue ribbon group selected at the State 4-H Club Show. We learn, too that they are to make a television appearance before long on the Cadillac station.

Sandra Copeland of Lenawee County has earned recognition as the outstanding speech contestant in 1954 with her talk about the meaning of our pledge of allegiance to the flag. It is titled, "This I Pledge." Listen carefully if you ever have an opportunity to hear her.

Larry Frank, Laidlawville 4-H Club member, explains preparing for a handicraft project like this: "First I had to decide what I was going to make, and to lay out the plan of each article; then cut out and sand the pieces until I thought they were sanded enough and ready to put together for finishing. At home I built a bookshelf, calf pen and a pig pen."

If someone were to ask you how much feed it would take to raise 400 baby chickens, would you come even close in estimating the amount?

James Laidlaw's record is perhaps a bit startling—his 400 White Rocks at age eight months had consumed 8,700 pounds of grain concentrates and scratch feed, and 10,000 pounds of milk.

James' poultry exhibit at the fair was awarded a blue ribbon; he plans to keep 125 birds toward his project work this coming year.

**VOSS NAMED DELEGATE TO FARMERS CONVENTION**

Max Voss of Whittemore was elected delegate to represent Isosco County at the annual Farmers Union Convention which will be held December 2-4 at Midland. Alternate will be Dornace Bellville, also of Whittemore.

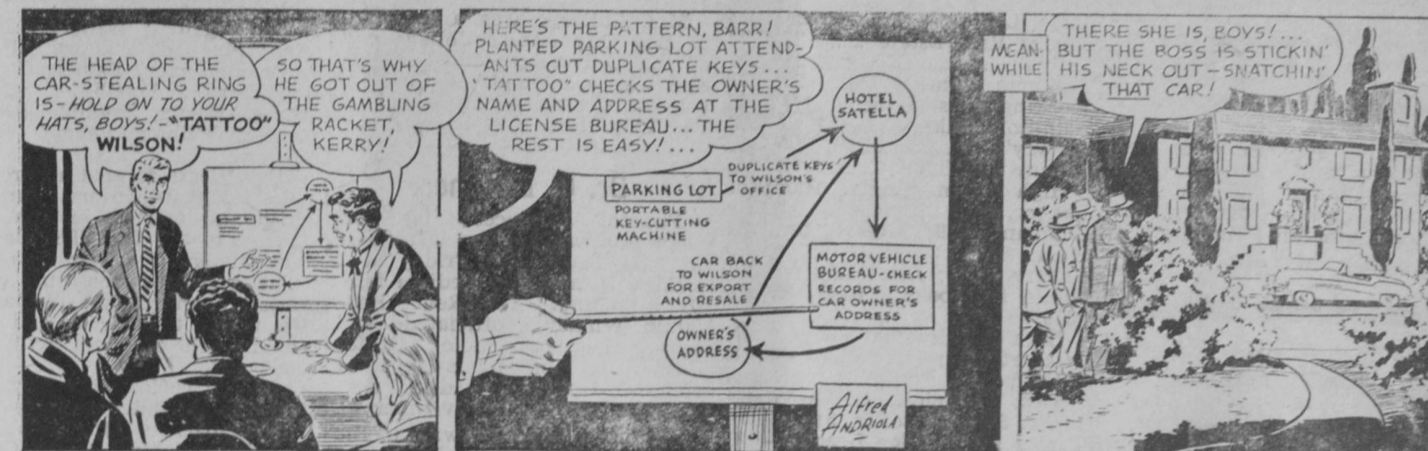

President Lionel Wesenick presided over the meeting which was held at the Reno Township Hall. He urged all farmers to attend the convention whether or not they are members of the organization. Professor Nye of Michigan State College, and Chester Graham of Jamestown, North Dakota, will be on Friday's program.

Tentative plans were made to hold the December 9 meeting at the Love Hall. Lunch was served at the close of the evening.

**HDA NOTES**

By DOROTHY SCOTT

Wreaths, garlands, corsages, sprays and other Christmas green decorations were completed by 12 women at the home demonstration leader-training school recently.

We had assistance from Mrs. Kenneth Cole, a home demonstration member in Alcona County who had extensive experience in greens production and selling over a period of years. Mrs. Cole believes that there is an opportunity for Isosco County women to make and market these seasonal items and develop a home industry for ourselves. It cannot be done in a "minute" but if there is real interest and desire to do on the part of a half dozen or more women, well, you know the old saying, "Where there's a will there's a way."

First of all we have to learn how to make a good product—easily, skillfully and more quickly than is done the first time or two. Why not make greens gifts for Christmas this year? That will provide an opportunity for practice and at the same time result in a gift that is different, one that will be much appreciated.

And, please do let your home agent know if you are interested in the development of a greens project and market in the county.

Project leaders are Mrs. Richard Brindley, Mrs. Walter

Burt, Mrs. George Bissonnette, Mrs. Charles Attwell, Mrs. Orville Lyke, Mrs. John Cobb, Mrs. James Sturtevant, Mrs. Sterling Catalina, Mrs. Theodore Bellville, Mrs. William Sheffer, Mrs. Glen Peters and Mrs. Robert Botsford.

We were glad to have visitors from the East Tawas Garden Club.

The horn of plenty will pour out during November—turkeys, eggs, beef, broilers and fryers, pork and dairy products, frozen fish and shrimp, dry beans, almonds, walnuts, dry beans, prunes and dates.

It looks like plenty to choose from for holiday and everyday eating. There is a reason, too, why more people are using the traditional holiday meat for other meals—turkey is the best bargain in three years.

Will you be elected to carve the Thanksgiving turkey? It isn't so that you have to sit while carving that big bird. If you are more comfortable standing, go ahead and stand. Remember, the carver presides, it is up to you to know how much to serve and when to offer the second helpings.

The job will be easier if you take a few minutes before meal-time to be sure the knife is sharp. If you can avoid changing the angle of the blade while slicing, the turkey slices will be neater and more uniform, look better and go farther.

Plan the servings so that the choicest portions will be divided equally among the guests, and so that not all is carved before needed. (Second helpings stay much warmer as a part of the bird than as slices.)

Be sure to cut across the grain of the meat. Cutting with the grain makes for long fibers with a stringy appearance. We have several pieces of literature about turkey selection, preparation, cooking, and serving. Any of them are yours for the asking.

Hunters—take note. Most of the strong, disagreeable flavor in venison is due to these things:

Not enough bleeding, delay or carelessness in dressing the meat, not cooling meat thoroughly or soon enough, or by letting the blood spread from the shot wound.

You can get more complete information about caring for your deer in an extension bulletin called, "Venison." It is available at our Extension Service Office and at several of the local sporting goods stores as well.

The publication contains helpful hints about cutting up the carcass, cooking and preserving the meat in ways to tempt the appetite ranging from pot roast to deerburger.

comes an all-new General Motors masterpiece

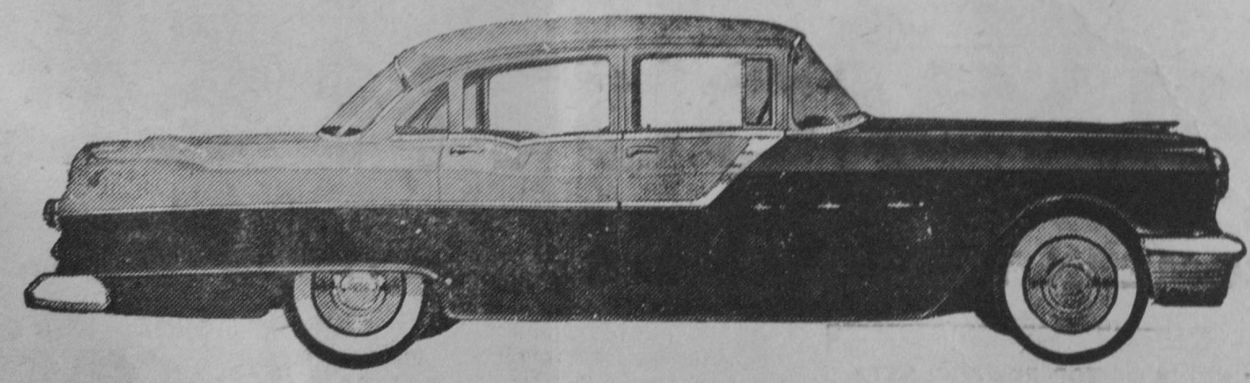

**PONTIAC FOR '55**

The 1955 Pontiac is getting a royal welcome. "It's hot," they're saying, "the hot car of the year." And no wonder! With its Vogue Two-Tone styling and Strato-Streak V-8 engine, Pontiac wraps up more beauty, luxury, size and power than a like amount of money ever bought before. The price is near the lowest, but the car is way out front in everything that makes an automobile great.

The reason lies in the achievement General Motors is now celebrating—the vast experience gained in building 50 million cars. Research experience that uncovers what you want and need. Design experience that creates new trends. Engineering experience producing more dollar-for-dollar quality year after year.

That's the background of this All-New General Motors Masterpiece. Come in, drive it, and find out what it means to you. Let your own eyes tell you that here is the smartest car on the highway. Let your own hands report the new handling perfection brought about by recirculating ball steering and other advancements in the all-new shock-proof chassis. And let the great new Strato-Streak V-8 whisper its tale of getaway, response and compelling power that make driving a brand-new experience.

Then let us tell you about Pontiac's new thrift and reliability—and how little it costs to buy this future-fashioned beauty. Come in soon and get the exciting facts!
