Republicans Victorious in County; Democrats Take Over State Offices

Michigan Democrats, led by Governor G. Mennen Williams, who walked into an unprecedented fourth term, scored their most decisive victory in the election Tuesday since the New Deal era of the 1930s. Governor Williams piled up a 250,000 plurality over his Republican rival, Donald S. Leonard, and at the same time the Democrats elected a full slate of state administrative officials.

The Democratic candidate for the United States Senate from Michigan, Patrick V. McNamara, also emerged victor over his Republican opponent, Senator Homer Ferguson. Nationally the Democrats gained control of the senate and house of representatives by a slim majority.

Elected on the Michigan Democratic slate with Governor Williams were: Philip A. Hart, lieutenant governor; James M. Hare, secretary of state; Thomas M. Kavanagh, attorney general; Sanford Brown, state treasurer; and Victor Targonski, auditor general.

Approaching Isoco County's all-time high vote of 1952, more than 4,200 votes were cast by Isoco electors in Tuesday's off-year election. Predominantly a Republican county, all candidates of that party received the usual liberal majorities here. Republican candidates for county offices were elected by similar large votes.

The largest vote cast for any Democratic candidate was Governor G. Mennen Williams. He received 1,727 votes. The Republican candidate, Donald S. Leonard, received 2,579 votes.

Isoco electors voted for other state office candidates as follows: Lieutenant Governor—Reid (R) 2,643; Hart (D) 1,567.

Secretary of State—Cleary (R) 2,655; Hare (D) 1,337. Attorney General—Millard (R) 2,768; Kavanagh (D) 1,411. State Treasurer—Brake (R) 2,819; Brown (D) 1,350. Auditor General—Martin (R) 2,841; Targonski (D) 1,301.

United States Senator—Ferguson (R) 2,871; McNamara (D) 2,543. Representative in Congress—Cederberg (R) 2,883; Kelly (D) 1,315.

State Senator—Prescott (R) unopposed, 3,100. Legislature—Mielock (R) 2,922; Mack (D) 1,171.

Increased interest was taken here in the election because of the active campaign put on by the nearly full slate of Democratic candidates for county offices. While there was a considerable upsurge in Democratic voting power shown, it was short of electing any candidate to county office.

Only two Republican candidates were unopposed, William R. Barber for prosecuting attorney and Carl Small for surveyor.

Tables of the results of some of the contests have been prepared to show the trend in the vote of the two parties.

The following vote for county officers was taken from official tabulations: Prosecuting Attorney—Barber (R) unopposed, 3,101. Sheriff—O'Farrell (R) 3,071; Oates 1,215.

Clerk—Prescott (R) 3,127; Wesenick (D) 1,099. Treasurer—Miller (R) 2,920; Sheffer (D) 1,343. Register of Deeds—Buch (R) 2,981; Roach (D) 1,240.

Drain Commissioner—Elliott (D) 2,935; Coash (D) 1,222. Surveyor—Small (R) unopposed, 3,130. Coroners—Jacques (R) 3,005; Moffatt (R) 2,993; Forshee (D) 1,320.

Isoco County approved the first three amendments, but voted against the fourth, allow charity lotteries. The vote was as follows: Amendment to change voting regulations—yes 2,510; no 1,124. Sales Tax Amendment—yes 2,474; no 1,099.

Amendment to authorize bonuses for Korean military service—yes 2,813; no 1,075. Lottery amendment—yes 1,770; no 2,156.

The Isoco County Library has completed arrangements for a "More Interesting Than Ever" Book Fair to begin November 11 and continue through November 19. This year, the fair will be held in the Case Building in Tawas City, next door to the Alpena Candy Company.

Approximately five hundred new titles will be on exhibit, including children's and adult books and books for all interests.

School children will visit the fair by classes during the school day, and each day between 3:30 p.m. and 5:30 p.m. will be set aside for additional visiting by boys and girls, as well as parents, who want to further acquaint themselves with the new titles.

A large number of books will be on sale, and this will present an excellent opportunity to purchase Christmas gifts. No gift is more welcome than a good book.

On Thursday evening, there will be a showing of films from the Film Council of America. These films will be of special interest to "Program Planners" of all organizations.

Everyone is cordially invited for browsing time from 10:30 a.m. until 4:30 p.m. on Saturday, November 13, and on Thursday, November 18, from 7:00 p.m. to 9:00 p.m. Adults are especially urged to avail themselves of the opportunity of seeing the new children's books that boys and girls will be bringing home from their library; the exciting, colorful new picture books for preschool children, and also have an advance preview of the new adult books which will appear on the library shelves.

Next week, there will appear a list of outstanding children's books of the season which parents and friends might like to use in making up their Christmas list.

The station will be operated by Joseph Bannister, who has had several years of experience in the service station business.

Interest Flares up in School Site Proposal

Interest in the proposed new Tawas Area Junior and Senior High School has flared up again. The city-owned land on high throughout the district this week after last week's announcement of a third site possibility being cast into the controversial site issue. There was no meeting scheduled by the board of education this week and no action could be taken on this latest move.

Meanwhile, a group of interested citizen-taxpayers appeared before the Tawas City Common Council Monday night and asked that the city-owned land adjacent to the Tawas City school property be turned over to the district for possible use as a school site.

The council voted to turn the property over to the district free of charge, but it was not whether or not the new school is constructed on that property.

The city-owned property adjoining the school site in Tawas City was purchased prior to the consolidation of the schools in this district. It was the opinion of council members at the time that if the vote on consolidating the district failed the Tawas City school system could utilize the property.

This latest action in the site issue is brought to a head last week when many taxpayers approached school board members, demanding that the site now occupied by the Tawas Area Schools in Tawas City be considered for the new school.

The proponents of the Tawas City site told board members that if the fairgrounds property (Beal Nursery) would meet the needs for a new school, then the Tawas City site would meet the needs, inasmuch as there are 23 acres available belonging to the City of Tawas City and the Tawas Area School District which is already cleared and leveled.

This group of taxpayer-citizens is currently circulating a petition throughout the district to gain names of school electors who favor its proposition. A spokesman for the group stated that the petitions would be presented to the school board for consideration.

These taxpayers state that a savings of approximately \$250,000 could be realized by the district with no sacrifice in educational facilities, if the board would construct the new school on the site presently occupied by the Tawas Area Schools in Tawas City. They pointed out that there are approximately 23 acres or more now available.

Savings are mainly due, so this group states, to facilities now available at the Tawas City site. They said that much of the land is already owned by the district and that the city would give free of charge to the district, which includes an existing sewer and water line, eliminating the need of a lift station.

They pointed out that a gymnasium, comparable to other Class C and B schools in this area, already exists on the property which would amount to a considerable savings to the district in the final construction of the school.

Churches Initiate Plans for Christmas Parade

A meeting to prepare for the Christmas parade was held at the home of Mrs. Kate Evans Wednesday afternoon. Representatives of the churches of the community were present.

The date for the parade has been set for Saturday, December 11. Floats to be represented are: "The Bible," Tawas City Baptist Church; "The Annunciation," Alabaster Community Church; "No Room in the Inn," Christ Episcopal Church; "Shepherds in the Field," St. Joseph Catholic Church; "The Manger Scene," Grace Lutheran Church; "Presentation of the Babe in the Temple," East Tawas Methodist Church; "Wise Men Presenting Gifts," Tawas City Methodist Church; "Flight Into Egypt," Latter Day Saints; "Christ Among the Doctors," Assembly of God Church; "Jesus in the Carpenter's Shop," Immaculate Heart of Mary Church.

The stories will be broadcast over a loudspeaker system. Children will take part in the singing of carols. Each church is asked to secure a truck for the children and it is planned to secure a choir this year.

The cooperation of the state police, marshal and sheriff has been secured to help with traffic problems.

The parade will begin at the East Tawas Federal Building, travel to Holland Hotel and from Barkman Outfitting to McLean's Store in Tawas City. Buses will take children to Tawas City and return. Plans are being made to serve lunches after the parade to participants at central places.

100 Lutheran School Teachers Here Last Sunday

Lutheran Sunday School teachers of the Bay City circuit had a convention at the Tawas Zion Lutheran Church Sunday afternoon.

The Rev. Edward Azzam of Standish spoke on what is expected of the Sunday School superintendent and Loretta Fischer of Pinconning showed slides on Japan with comments on Christianity there. A short business meeting followed.

After the meeting, the ladies aid of the church served dinner to about 100 teachers.

Merchandise, which will make attractive and useful gifts, is arriving daily at local stores. Many merchants have established convenient lay-away plans to encourage early selection of gifts and assure customer satisfaction. Perhaps you are undecided about a gift for someone on your list. If so, why not accept your local merchants' invitation to come in and look around.

In addition to a large selection of merchandise, buying locally is convenient, time-saving and economical. Before making an away-from-home shopping trip, plan to Shop Your Community Merchants and Save the Difference.

Downward Trend in Traffic Deaths in September

The downward trend in Michigan traffic deaths which began in January continued in September, according to the State Police monthly report.

There were 164 persons killed during the month, a reduction of 22, or 12 percent, under the same month last year.

Injuries and accidents also went down. Injuries amounted to 2,743, a reduction of 330, or seven percent, while accidents totaled 14,040, a decrease of 804, or five percent.

During the first nine months of the year, 1,263 persons have been killed and 39,772 injured in 131,115 accidents. Compared with the same period last year, deaths were down 115, or eight percent, injuries decreased 2,107, or five percent, and accidents dropped 512, or 4 percent.

Estimated mileage traveled in the first eight months of the year, the latest figures available, was 18.1 billion, an increase of three percent over 17.5 billion for the same period of 1953. The death rate per 100 million miles was down 10 percent to 6.1 per 100 million miles of travel, the lowest on record for this period.

Bible Comment:

Lord's Prayer Outlines Ideal World for Us

WHEN we make that petition which is the Lord's Prayer, what do we mean by it, and what should it mean to us?

One thing is certain. When we make that prayer in sincerity and truth the Kingdom has already arrived in our hearts and lives. The Rule of Christ, His law of love, and the following of His example, give evidence of our place in the Kingdom which is above all kingdoms, and whose King is supreme.

If that rule is firmly established in ourselves it becomes a yearning, a passion, and a prayer that it might be established in all hearts, and in all the affairs of men.

It is this yearning and prayer that is so well expressed in the interpreting petition, "Thy will be done in earth, as it is in heaven."

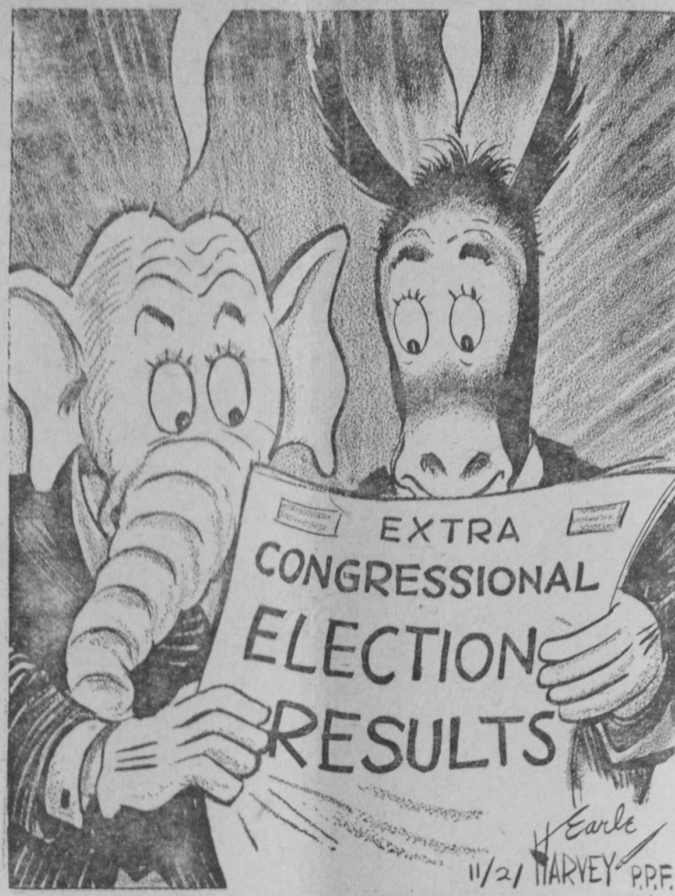

There was a time not long ago when allegiance to the Kingdom of God conflicted with the allegiance to most of the kingdoms of earth. In too many countries that conflict still continues, or has been reasserted, under cruel dictatorships in which godless philosophies and attitudes are manifest in suppression and persecution.

But today, in such democracies as Canada, the United States and Great Britain the evidence of almost revolutionary progress is seen in the fact that such conflicts of allegiance have almost completely disappeared.

If it were not for all the evil that democracy has not yet conquered, we might well say: "Would that all nations and peoples were as we are." However, evil carries within itself the seeds of destruction, and so in faith and hope we must pray that some day we may realize the Kingdom of God in full, in our every act and deed.

Christian Science Services—

Man's true selfhood as the spiritual image and likeness of God, ever free from sin, sickness, and suffering will be emphasized at Christian Science services Sunday.

The lesson-sermon entitled "Adam and Fallen Man" includes the following passage from the King James Version of the Bible (Genesis 1:27): "So God created man in his own image, in the image of God created he him; male and female created he them."

The unchanging perfection of the man of God's creation will be brought out in passages to be read from "Science and Health with Key to the Scriptures," by Mary Baker Eddy including the following (476:23-32): "When speaking of God's children, not the children of men, Jesus said, 'The kingdom of God is within you,' that is, Truth and Love reign in the real man, showing that man in God's image is un-fallen and eternal."

East Tawas W.S.C.S.
At a meeting of the W. S. C. S. of the East Tawas Methodist Church last week, a fine program was given. Miss Ruby Evans, president, had charge of the business session and Mrs. G. A. Pollard led devotionals. The speaker of the evening was Miss Lela Osgerby. Her topic was the Fourth Assembly

of the W. S. C. S., and she gave some helpful thoughts and interesting information from the World Assembly held recently at Evanston, Illinois, which she attended. Refreshments were served after the meeting by the hostesses, Mrs. Joseph Hamell, Mrs. Kate Evans and Mrs. J. S. Harrington.

Mr. and Mrs. McKenzie Irene Rebekah Lodge will honor Mr. and Mrs. Russell McKenzie with a party and program next Wednesday evening. Mr. McKenzie has served with distinction during the past as grand master of Michigan I.O.O.F.

County Bookmobile News— GEORGE SAYS

Upon visiting Mrs. Erwin Bryan's room in Omer School (fourth and fifth grades) we found a most unusual collection of supplementary projects in operation. Boys and girls had been studying Alaska and had made a large map of this country on a tablecloth. Napkins depicted the flag of Alaska, a field of blue with stars and dipper. Further, members of the class had created Alaskan villages, featuring Eskimos, igloos, sledges and dog teams, seals, walrus, polar bear and volcano. To assist them, the following books had been borrowed from the Bookmobile:

Ice Skating Rink for Tawas City Park
A skating rink for Tawas ice skaters is being constructed in the Tawas City Park. The ground has been leveled and clayed this week and is nearly ready for ice producing weather. The rink will be 90 by 130 feet. Reginald Bubltz, superintendent of public works, stated today that the rink will be lighted and a loud speaker system installed.

Preparations Made for Winter's Snow
Ditches, culverts, storm sewers and catch basins throughout the city are being cleaned and repaired by Department of Public Works workmen. It will require about two more weeks to prepare the city's streets for the winter's snow and the spring break-up.

65,000 'Any Deer' Permits Issued
The Michigan Conservation Department reports that 65,000 "any deer" permits have been mailed to Michigan hunters.

Bay City Establishes Board of Censors
Unsavoury literature and comics at Bay City will be under the stern eyes of a board of censors, according to Bernard S. Frazik, city attorney. Members of the board will purchase magazines, books and comics from the various news stands each month. Those found objectionable will be taken to the prosecuting attorney and warrants will be issued against the violators under state laws. Third offenders will face felony charges.

Three Win Prizes at Formal Pontiac Showing
Three door prizes were given at the formal showing of the new Pontiac at William Look and Sons' showroom. First prize was won by William Stettner of East Tawas, second prize by Frank M. Morra of Wurtsmith Air Force Base, and third prize by Mrs. Tillie Bertsch of Tawas City.

Relay Greetings to Friends
Greetings were relayed to Tawas City friends from Mr. and Mrs. George Fahselt of Cabri, Saskatchewan, on Tuesday. Floyd Ketcherside had been enjoying the hunting with Earl Fahselt in Cabri, and met his parents, the George Fahselt, who were both former Tawas City residents.

Schools to Close for Hunting
Superintendent Reynold Mick stated this week that the Tawas Area Schools would be closed on November 15 and 16 to observe the opening of deer hunting season.

Schwata, "Children of the Cold," Helmericks, "We live in Alaska," Brittinica, "Angahalo, Eskimo Girl," Savage, "Holiday in Alaska," Machetanz, "On Arctic Ice," Perkins, "Eskimo Twins," McMurray, "All Aboard for Alaska," Stefansson, "Here is Alaska." Space in another corner was devoted to butterflies. Displayed were caterpillars, cocoons and two monarch butterflies which were mounted. For this corner, the children found the book, "Tiger," by McCullough of great interest. Students in this room are encouraged to bring live specimens and pets for display. A bantam rooster named "Checker" proudly ruled one cage while next to him sat a black and white kitten called "Spot." Specimens included two snakes—a common garter snake and a bright green one of unknown origin. The colorful book, "Snakes," by Zim was eagerly received to help with this study.

An interesting planetarium had been constructed showing the North Star, large dipper, Leo Minor and Cassiopeia. The next project being planned is a terrarium, and housing for the terrarium has been secured. The children are trying to decide between a dry land and a wet land terrarium. The Bookmobile is looking forward to supplying books to help in this work.

Look for us next week at:
Friday, November 5—Arenac Eastern School, Twining downtown.
Monday, November 8—Vine School, Taft School, Watt School.
Tuesday, November 9—Delano School, Alabaster School, Alabaster downtown.
Wednesday, November 10—Turner School, Turner downtown, Maple Ridge, Deford School, Haley School, Hanna School.
Thursday, November 11—Gibson School, Saganing School, Worth School, West Bradley School.
Friday, November 12—Hale School, Hale downtown.

ANNUAL BOOK FAIR

The Isosco County Library Book Fair will begin on November 11 and continue through November 19 at the Case Building, Tawas City.

During the day the schools will participate and some of the story tellers will be: Mrs. Conrad Carlson, Mrs. Robert Curtis, Miss Arlene Leslie, Mrs. C. R. McMullen, Mrs. William Stettner and Mrs. Stuart White.

The Isosco County Library is again participating with the Film Service of America in showing films which organizations would find useful for program materials. On Thursday evening, November 11, at 8:00 p. m., the library will show films concerning government in conjunction with the book fair. Program planners are invited and urged to attend the showing of four films: "Community Government," "How they Function," "Design of American Public Education," "Government Is Your Business" and "Legislative Process."

The speaker for the evening of November 18 will be announced later.

Iosco Chapter Installs Officers

Open installation of officers of Iosco Chapter, Order of Eastern Star, was held last Friday evening at the Masonic Temple. The East was decorated with autumn leaves, bouquets of colorful chrysanthemums and sprigs of tiny colored leaves. Miss Helen Applin was installing officer and Miss Ruby Evans acted as installing marshal. Assisting were Blanche Carlson as chaplain and Nyda Bronson as organist.

The following officers were installed: Emma McCall, worthy matron; Walter Greene, worthy patron; Vergil Butler, associate matron; Helen Applin, secretary; Ruby Evans, treasurer; Marie Hennigar, conductress; Betty Smith, associate conductress; Blanche Carlson, chaplain; Lois Keimholz, marshal; Helen Hertzler, organist; LeAra Carlson, Adah; Jean Blake, Ruth; Ellen West, Esther; Clara Greene, Martha; Pearl Spencer, Elcota; Dorothy Harmon, warder and Arvid Carlson, sentinel.

Assisting in the installation were the daughters of Eastern Star members, Barbara Hester, Dorothy West, Judy Turner, Catherine Evans and Patricia Lomas, who carried white candles and made a lighted pathway to the East for Mrs. McCall. The officers formed an archway with large yellow chrysanthemums which they presented in a bouquet to the worthy matron. The daughters also presented flowers to the Star points in a ceremony, while they in turn presented flowers to Vergil Butler, associate matron.

Gifts and corsages were presented to the incoming matron and to the installing officers. Lois Keimholz, past worthy matron, received her past matron's jewel. Glenn Hughes also received the past patron's jewel.

Visitors were present from Bristol, Indiana; Hazel Park, Jackson, and other points.

Refreshments were served after the meeting by the retiring officers.

Approve Student Accident Insurance

Due to the number of accidents that befall children of school age during a school year, a low-cost plan of student accident insurance has been approved for pupils in the Tawas Area School. It is a broad plan to relieve parents of the financial burden that always accompanies accidental injuries, and assure prompt, thorough medical attention for children.

At a new, lost cost of \$1.25 per child for an entire school year, the student accident plan that has been approved by the board of education will pay for all doctor, nurse and hospital bills for accidental injuries sustained during the school year up to \$2500 for any one accident. Furthermore, this plan will pay the full benefits regardless of any benefits which the parents may be entitled to and from any other form of individual or group insurance plans which they may now carry.

Accidents are covered while the child is within a school building or on the grounds or premises, traveling directly to and from school for regular school sessions or directly to or from extra-curricular, non-social activities sponsored and supervised by the school or while riding as a member of a group in a regular school bus.

Accidents are covered while engaging as a participant in the practice or play of athletics, provided such practice or play is sponsored and supervised by the school, excluding the practice or play of inter-school football if the student is enrolled in the ninth, 10th, 11th or 12th grades. Careful consideration of this matter is urged. It may mean the difference between a slight saving now and having to spend hundreds of dollars afterward to assure a bit of the best medical care that money can buy.

Decorates Hospital Trays for Tawas Hospital

Tiny witches, a gift of the fifth grade pupils of Mrs. Waldo Leslie, decorated the trays at Tawas Hospital for Halloween. Colored marshmallows, with two whole cloves for eyes, a nutmeat nose, and a candied cherry mouth, formed the heads. Bodies were clothes pins, covered with black crepe paper, with pipe cleaners for arms. Capes of black crepe paper fastened with orange ribbon, peaked witch's hats and tiny brooms were added to complete the witches.

Thirty-one students took part in the project. They were presented to the hospital by Elaine Erickson, Nancy Pollard and Bonnie Ashmore, on behalf of the class.

Give Reports on Lansing Conference

Audie Johnson Unit, American Legion Auxiliary, met at the Legion Hall Monday evening. Reports of the fall conference held at Lansing were given as follows: Mildred Gardner reported on child welfare, Dorothy Harmon on panel discussions on auxiliary work of the year and Evelyn Price on the secretary's question and answer meeting. Plans were made to continue the parties for junior and senior high school students on Wednesday evenings at the Legion Hall.

Recent officer appointments were Celia Fernette, organist, and Ada Deckett and Eleanor Meyers, color bearers. November birthdays were observed and gifts presented to Lois Keimholz and Florence Bartlett. Refreshments were served by Madeline Durant, Ruth Stump, Ada Frelund and Celia Fernette. The table centerpiece was fashioned of gourds, fruits and bittersweet.

Altar Society to Give Series of Parties

The Altar Society of the Immaculate Heart of Mary Church is having a series of parties during the winter to increase its church funds. Each member of the society entertains once in her home during this time. Mrs. Frank Lansky is general chairman, while Mrs. John Dodson, Mrs. Joseph Stepanki, Mrs. Earl Crown and Mrs. John T. LeClair are chairmen of individual groups. Cards and games are played and lunch served.

HUNTERS GET SURPRISE

Floyd Ketcherside and S. E. Shuman returned from a hunting trip to North Dakota last week. While looking for a place to hunt geese, they stopped at the Lower Souris National Wildlife Refuge at Upham, North Dakota, to inquire about public hunting areas. While talking to the man in charge of the refuge, they were surprised to find that he was a former Tawas resident. He was Donald Gray, who had been with the Federal Forest Service here for several years, leaving in 1936.

Whittemore Junior League Meets at Dorcey Home

Eighteen members of the Whittemore Junior League met at the home of their president, Mrs. Raymond Dorcey, on Thursday evening.

The budget for the club year was read and accepted. President Dorcey gave an interesting report on the Junior Women's Club meeting held at Clio.

Plans were made to attend the county federation banquet and meeting at Tawas City on Wednesday, November 2, at the home of Mrs. Henry Siegrist with Mrs. Charles Bailey and Mrs. Clarence Bellville assisting.

Plans for a play, with members of both the junior and senior clubs taking part, for the benefit of Girlstown were discussed. December 9 was the tentative date set for the club circus.

A tasty lunch was served by the hostesses, Mrs. J. D. Lehman, Mrs. Thad Hall and Mrs. Dorcey.

Hale Future Farmers Hold Initiation Night October 15

The initiation to the Greenhand degree, Hale Chapter No. 267, of the Future Farmers of America, was held the evening of October 15 at the Plainfield Township Rural Agricultural School. Thirty-six guests enjoyed the candlelight initiation which was followed by a film of the national convention of F.F.A. at Kansas City. Refreshments furnished by patrons were served. Twelve vocational agriculture students were welcomed into the chapter and received the greenhand pin.

Gordon Holmbold, superintendent of schools, was elected honorary member for the year and received the F.F.A. honorary pin for his work with the organization.

The F.F.A. sponsored a home-made ice cream and fudge stand at the P.T.A. Carnival, October 22 at the Hale High School. The receipts of the sale amounted to \$12.00.

The chapter made five signs for the sheep marketing crop to be posted at West Branch in the stock yards for prevention of injury to lambs by rough handling.

Kraft Milk Route Purchased by Whittemore Man

The Kraft milk route franchise, formerly operated by Walter Kemmer of West Branch, has been purchased by Vernon Anderson of Whittemore. The transaction was completed Monday.

Mr. Anderson, a Reno farmer and graduate of Whittemore High School, says that he plans to give the same timely high quality delivery service as his predecessor Mr. Kemmer, and to serve any farmer who wishes to sell whole milk in the Whittemore, Hale and west Tawas area.

Farm Notes

By MARVIN DAVENPORT

Are our soil sampling demonstrations stirring up folks to collect samples now? I hope so.

When I returned from the annual extension conference, Waldo Curry, G. L. Cary and Harold Clark had graced my desk with samples. We are happy to see them. They will be sent to the Harraville soil testing laboratory and the results sent on to the folks as soon as they arrive.

I guess it is hard for some folks to believe that liming an acid soil can really pay off. A farmer can buy a lot of lime for the price of one alfalfa field failure. Remember, it's best by test. It is better to know than to think you know how much lime should be applied to any given field. If you need any help on how to test samples to our laboratory, let's hear from you. It costs 50 cents per sample. One sample could be sufficient for a 10-acre field under certain conditions.

Some time ago I talked with Richard Hodges of Oscoda. He got some of those 4-H Club tomato plants and was happy. He stated that he was still getting tomatoes in October!

Recall our dairy sale last August at West Branch? One of the purposes of that sale was to provide farmers in our area a chance to sell their surplus heifers that were due to freshen. Those last three words, "due to freshen," meant the same thing as three other little words, "dollars and cents." Yes, the farmer who has consigned heifers that were springing, calving, vaccinated and out of proven sires such as offered through our artificial breeders

program made "dollars and cents."

How about it? Are you planning to consign some heifers for that August sale?

Please let me know now if you plan to send any to the sale next August 1955. Select heifers now for breeding which represent their breed. Holsteins and Brown Swisses should weigh about 750 pounds at breeding time and Jerseys and Guerneys about 600 pounds. A heifer at 16 to 18 months should have the size now at breeding time in order to have normal weight when freshening at two or two and a half years of age.

Michigan farmers will generally have to spend more money in 1955 than they did in 1953 if they operate at a profit.

That is what two Michigan State specialists assert. Agricultural economist, C. R. Hoglund, and soil scientist, Ray L. Cook, put it this way:

Costs of things the farmer buys are likely to stay high for the next few years. But prices of the things he sells are dropping.

One way to meet the price squeeze is to use practices that boost crop yields—practices that lower the cost of producing a bushel of corn, for instance.

Generally, farmers don't apply the right amount of fertilizer. That may mean spending more money.

In order to get the greatest benefit from the fertilizer, tile drainage may be necessary. Or the soil may need lime, or different rotation of crops, or different tillage and management.

The Michigan State College men showed in a study of the Saginaw-Thumbar area that tile drainage systems have paid for themselves in less than five years.

Another example of reducing costs by spending money: A light tillage implement used behind the plow, or other tillage practices that cut down on seedbed preparation time. Separate dragging or disking costs may add up to more than the cost of the new implement.

The Michigan State scientists have shown that a farmer's net returns can be boosted considerably if he will use production practices which have proven worthwhile.

They contend, for example, that alfalfa-bromegrass yields could be increased by 40 percent on a statewide basis. But that would mean improved drainage.

more lime, more use of adapted seed, the right seedbed preparation and timely planting. And that's without boosting the fertilizer application.

It is time for Michigan strawberry growers to mulch their crop for winter. Plants should be covered before November 15 in southern Michigan—but earlier in the northern parts.

Now that most parts of the state have had hard frosts the mulch of straw can be put on before temperatures drop below 20 degrees. This advice comes from Harry Bell, extension specialist in horticulture at Michigan State.

Our lamb marketing pool last week netted the following prices: Prime lamb (double blue) 21.25 per cwt; choice lambs (single blue) 21.10 per cwt; good (red) 20.00 per cwt; utility lambs (yellow) 17.25 per cwt; feeders 17.00 per cwt.

There were 335 lambs marketed through the October pool according to John Harrington, Michigan Livestock Exchange grader.

Michigan is going to have a stepped-up brucellosis (Bang's disease) eradication program for cattle in the state.

George McIntyre, director of the Michigan Department of Agriculture, said Michigan will get a share of the 10 million dollars in federal money recently allocated for the work.

The state Bang's disease advisory committee is scheduled to meet at Michigan State College on November 3 to make recommendations on how the increased appropriations are to be spent.

The committee, headed by Elton Smith of Caledonia, is made up of leading dairymen and beef cattlemen in the state.

Garden Club Enjoys Color Films

The Tawas City Garden Club enjoyed three color films shown by Earl Davis of the Detroit and Mackinac Railway Company, Tuesday afternoon at the Losco County Building. In the two films, emphasis was given to the necessity of purchasing A-1 bulbs from reliable dealers. This is made possible through the exceptional cooperation of the Netherlands and the United States, where proper growth and inspection are practiced.

Equally interesting and informative was the film on the growth and development of the railroad industry. The club members are especially grateful for the loan of this film from the Detroit and Mackinac Railway Company and the services of Mr. Davis.

A short business meeting followed led by Mrs. Nita Grear, president. Mrs. Donald Macdonald, program chairman, conducted the mystery box drawing. Supplied by Mrs. Atkinson, it was won by Mrs. Otto Kasichke.

The club will provide two hostesses to help at the book fair to be held November 15.

Iosco Librarians to Attend Michigan Library Service
Two Iosco librarians, Miss Leonora Hass and Mrs. Stuart White, will attend the Michigan Library Conference at the Statler Hotel, Detroit, November 3 through November 6.

A banquet will be served at the Hotel Statler Friday evening. The main speaker will be William R. Shirer, the author of "Berlin Diary," "Midcentury Journey," and the novel, "The Traitor."

The librarians will attend the Detroit Book Fair at the Historical Museum Friday. The speakers will be Helen Lobdell and Rebecca Cardill, well known children's authors.

Alabaster Garden Club Holds Open House Last Tuesday

The Alabaster Garden Club held open house last Tuesday afternoon with 82 present. Guests were present from East Tawas, Tawas City and Au Gres.

Harold Pfeiffer of the Tawas Flower Shop was guest speaker for the affair. He gave a talk on floral arrangements and demonstrated several bridal bouquets and centerpieces which were presented to lucky winners. He also answered questions on the storing and caring of bulbs and house plant care.

Refreshments of cookies, nuts, tea and coffee were served by the hostess club.

Plan Deer Widow's Card Party
The Tawas Hospital Auxiliary met Tuesday evening to make plans for a Deer Widow's Card Party to be given at 8:00 p. m. Thursday, November 18, at the Tawas Golf Club on the Monument Road.

Mrs. Joseph Allen was nominated chairman with the following serving on committees: General committee, Mrs. Val Fallu and Mrs. Charles Schreck; tickets, Mrs. Nathan Barkman; publicity, Mrs. James E. Dillon.

All kinds of cards and scrabble will be played. Dessert will be served and table prizes given. Proceeds from the event will go to the Tawas Hospital. All men are welcome.

Further business at the meeting was the selecting of the following nominating committee: Mrs. Nalbert Gerber, chairman; Mrs. Clarence Everett, and Mrs. Elmer Werth.

The committee chairmen are requested to give a yearly report at the December meeting. A discussion was held regarding Christmas decorations for hospital rooms and trays.

Iosco Farmer's Union Organized
The Iosco County Farmers Union was organized at a meeting held Wednesday evening, October 27, at the Tawas Township Hall. Lionel Wesenick of Whittemore was elected temporary president of the new organization. Other officers elected were vice president, Dornace Bellville, and secretary-treasurer, Mrs. Marie Bellville. These officers will serve until the first of the year.

Principal speakers at the meeting were H. D. Holph, vice president of the National Farmers Union; S. P. Martin, president of the Michigan organization, and Joseph Duffek, executive secretary of the Michigan Farmers Union.

All members of the new farm organization are urged to attend the next meeting on Thursday, November 11, at the Reno Township Hall to help elect delegates to the state convention which will be held December 2-4 at Midland.

The Iosco Farmers Union now has members from Alabaster, Tawas, Hale and Whittemore.

Sherman News

"Monthly Pains" stopped or amazingly relieved
In 3 out of 4 cases in doctors' tests
Chances are you're putting up — unnecessarily — with functionally caused pains, cramps and weak, "no good" feelings of menstruation.
For, in actual tests by doctors, Lydia Pinkham's Compound brought complete or striking relief from such distress in 3 out of 4 of the cases!
Lydia Pinkham's is modern in its action! So get Lydia E. Pinkham's Vegetable Compound—new, improved Tablets with added iron. See if — taken through the month — it doesn't give relief from those backaches, jitters—help you feel better before and during your period!
Or—if you suffer from functional "hot flashes" of "change of life," find out how wonderful Pinkham's is for that, too!

Legal Notices
STATE OF MICHIGAN
 In the Circuit Court for the
 County of Iosco.
 In the matter of the petition
 to determine the water level of
 Bass Lake.

ORDER OF PUBLICATION
 At a session of said Court,
 held at the Court House in the
 City of Tawas City in said
 County on the 29th day of
 September, 1954.

Present: Honorable Herman
 Dehnke, Circuit Judge.
 WHEREAS, the Board of
 Supervisors of Iosco County,
 State of Michigan, adopted a
 resolution on the 13th day of
 October, 1953, directing the
 Prosecuting Attorney of Iosco
 County to take any and all nec-
 essary action under Sections
 281.101 to 281.121 Compiled
 Laws of 1948 of the State of
 Michigan being Act 194 of the
 Public Acts of 1939 as amended
 for the determination and es-
 tablishment of the water level
 of the following lake:

Bass Lake—Section 36, T. 23
 N., R. 6 E. and Section 1, T. 22
 N., R. 6 E., Plainfield and Grant
 Townships.
 Because that the levels of
 said lakes have dropped to a
 point endangering the existence
 of the lake while seriously af-
 fecting the value of abutting
 property and further that fish
 and wild life have been serious-
 ly affected, that a dispute ex-
 ists between the abutting prop-
 erty owners of the above men-
 tioned lake as to the proper
 levels thereto and that the rec-
 ommendations of the engineers
 of the Conservation Dept. of the
 State of Michigan set forth the
 necessity of determining and
 establishing said water level.

AND WHEREAS, Reginald J.
 Barnett, Prosecuting Attorney
 in and for the County of Iosco,
 State of Michigan, for and on
 behalf of the Board of Super-
 visors for the County of Iosco
 County, respectfully petitioned
 the honorable Court to determine
 and establish the water level of
 the aforementioned lake;

NOW THEREFORE IT IS
HEREBY ORDERED, AD-
JUDGED and DECREED, that
 the hearing on said petition
 shall be held at ten o'clock in
 the forenoon of the 29th day of
 November, 1954 at the Circuit
 Court in the Court House in
 Tawas City, Iosco County,
 State of Michigan, and further
 that said Prosecuting Attorney
 be ordered to cause publication
 of this notice of hearing once
 each week for six full succes-
 sive weeks prior to the date of
 said hearing in a newspaper of
 general circulation in said
 County of Iosco, State of Michi-
 gan, and further that said Pro-
 secuting Attorney be ordered to
 mail by registered mail a true
 copy of the published notice to
 all the record owners of land
 abutting or touching upon said
 lakes at least three full weeks
 prior to the date of said hearing
 as above set forth.

(S)Herman Dehnke
 Herman Dehnke
 Circuit Judge
 Dated this 29th day of Sep-
 tember, 1954. 42-6b

HDA NOTES

By Dorothy Scott, Home

Friday, November 5—Make Christmas greens, Hale Community Building, 10:00 a. m.

A training school for leaders of home demonstration groups and for representatives of other clubs, such as garden clubs, in the making of Christmas greens decorations is to be held on Friday, November 5, at the Hale Community Building.

Each one who comes is reminded to bring greens with which to work, cones, an old pair of shears and a wire clothes hanger. Also bring your own lunch.

Leaders in turn will teach group members what they have learned. Like so many things we learn, it takes practice to really do nice ones and do them in a short time. We have good reason to believe that women who do learn to make good, firm and attractive wreaths and other decorations in quantity can

work together to develop a market for these items during November and December. This activity is one which home demonstration groups intend to promote as a home industry. The first job is to learn how to make really nice products. We shall get started on that this month.

Miss Edna E. Sommerfeld has begun her work as an assistant home demonstration leader with the Michigan Cooperative Extension Service at Michigan State College. She will be helping with the home demonstration program in 24 northern Michigan counties.

Prior to beginning work in Michigan, Miss Sommerfeld has been clothing specialist in North Dakota and Vermont, an agent with the United States Department of Agriculture.

The Hale Home Demonstration Group was pleased to have all the new women who attended the Christmas gifts lesson on Tuesday, October 26, at the school which was conducted by Mrs. Charles Attwell. Mrs. Attwell says, "We hope all the new members will feel welcome and ask their friends to join." There were 24 present in all.

New officers were elected as follows: Mrs. Herman Drengberg, chairman; Mrs. Orville Lyke, vice chairman; Mrs. Melvin Dorcy, secretary-treasurer; Mrs. Charles Bellville, news reporter; Mrs. Harold Heine, community chairman; Mrs. Lester Green, historian; Mrs. Harold Heine and Mrs. Forrest Holmes, leaders.

Short reports were presented from the Home Demonstration Council and the health council. Plans were made to use the baskets made in a previous class as table decorations for the rally day on Wednesday, November 3, at Hale.

The group decided to try out the idea of a magazine exchange, each member to bring magazines she doesn't want which will be sold there for five cents, the money to go to the treasury. This suggestion was picked up from the women in another county at the district rally day event in Omer on October 22.

The roll call of counties was overlooked at the district rally, so we do not have an accurate account, but believe Iosco County was well represented with about 25 members among the 130 present from seven counties.

It was a beautiful day to make the trip and an excellent program resulted from the good planning done by those in charge. Iosco members say a special thank you to Mrs. Marvin Davenport and Mrs. Robert Botsford for arranging the get-acquainted activity.

To compare values and get the most eggs for your money, here is an example how to figure: When grade "A" large eggs are selling at eight to 10 cents a dozen more than grade "A" medium, the medium are as good or better buy.

Have you wondered what the term "crimp set" on a sweater label means? It applies to nylon fibers, and means normally straight fibers have been permanently crimped. This treatment gives the fibers more of the qualities of wool. It makes them less shiny and gives them a soft, springy feel.

How do you get people to drink more milk to help wipe out the surplus? It's a good question. Your attention is directed to a two-price plan solution being considered. It would benefit both the family and the dairy industry.

Under the two-price plan the milkman would sell customers their regular quantity of milk at the regular price. To increase sales, he would offer the same family more milk at a discount.

The milkman would sell the amount of milk usually purchased by the homemaker during the fall and winter months as a base. Perhaps that amount would be three quarts every other day. Then, in flush milk seasons of spring and summer, the milkman would tell the homemaker that she could buy an additional quart with an eight cent (more or less) discount.

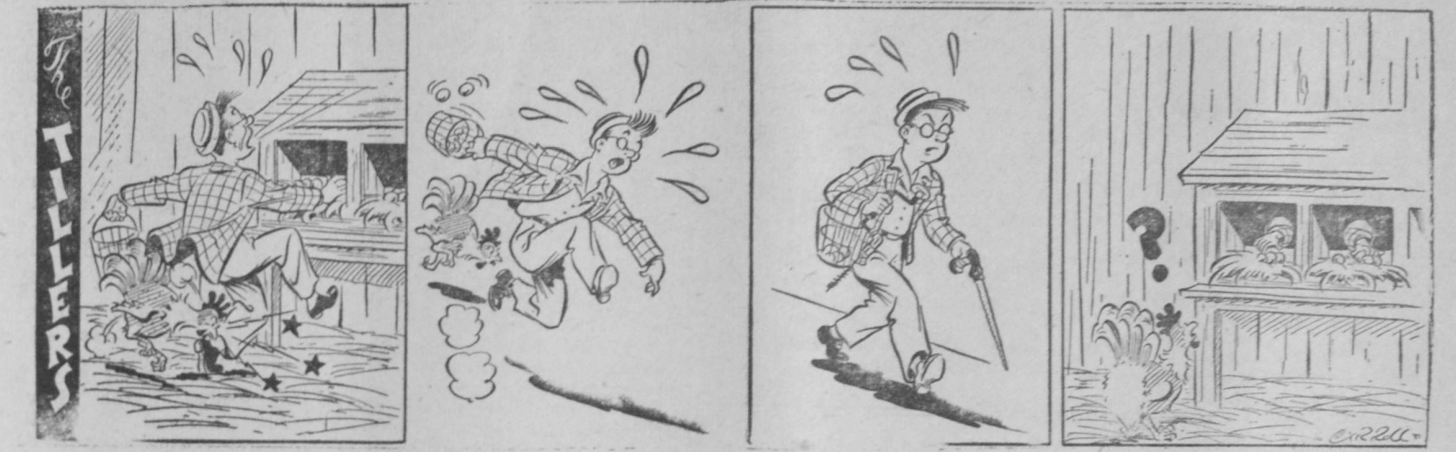

What do you think of this idea?

What's new with Chevrolet? everything!

And look what you see from the driver's seat
Chevrolet's new Sweep-Sight Windshield curves around to vertical corner pillars, giving you a wide, full view. And you can see all four fenders from the driver's seat!

Wonderful new Glide-Ride Front Suspension
New spherical joints flex freely to cushion all road shocks. New exclusive Anti-Dive Braking Control, assures "heads up" stops.

New Outrigger Rear Springs
Rear springs are longer—and they're attached at the outside of the frame. This means they're spaced wider apart, outrigger-fashion, to give you greater stability in cornering. And Chevrolet's new Hotchkiss drive cushions drive-line shocks through the rear springs!

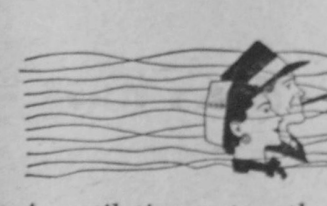

Even Air Conditioning, if you wish
Air is heated or cooled by a single unit that fits compactly into the front of the car. Requires no trunk space! (V8 models only.) And that's only one of the wonderful extra-cost options you can get!

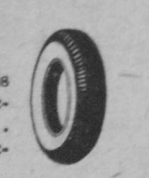

Great new V8—two new 6's
New "Turbo-Fire V8" delivers 162 h.p. with an ultra-high compression ratio of 8 to 1. You can choose from two new 6's, too—the new "Blue-Flame 136" with Powerglide (optional at extra cost) and the new "Blue-Flame 123."

Easier steering, stopping, clutching
The new Chevrolet steers with ball-bearing ease, thanks to new friction-cutting Ball-Race Steering. New Swing-Type Pedals pivot at the top.

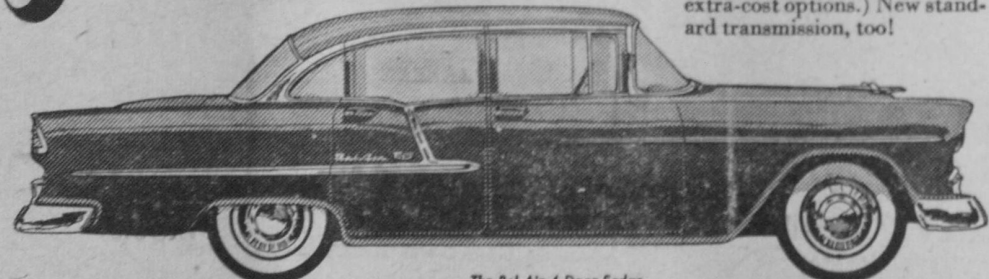

Three drives, including Overdrive
There's Powerglide teamed with the new V8 or the new "Blue-Flame 136." New Overdrive teamed with the new V8 or the new "Blue-Flame 123." (Powerglide and Overdrive are extra-cost options.) New standard transmission, too!

Tubeless tires as standard equipment
On all models! Proved tubeless tires give you greater protection against a blowout... deflate more slowly when punctured.

A ventilating system that really works
Chevrolet's new High-Level Ventilating System takes in cleaner air at hood-high level—away from road heat, fumes and dust.

... and Chevrolet's got that long, low "let's go" look
It's a show car from the word go! Longer looking—and lots lower. There's plenty of glamor inside, too—plus more room for hats, hips and shoulders!

The Bel Air 4-Door Sedan

Chevrolet and General Motors have started something—a whole new age of low-cost motoring—by taking a whole new look at the low-cost car. Here are new ideas, young ideas... and some of tomorrow's ideas, too! And they're all rolled up in the most glamorous package that ever wore anything like a Chevrolet price tag!

This is the car that began with a great idea—the idea that a low-priced car could be built that would have the style, the performance, the comfort and convenience features, and the fine quality "feel" of high-priced cars.

This is the car that only the world's leading car builders—Chevrolet and General Motors—could have built. The Motoramic Chevrolet! Come in and see how the Motoramic Chevrolet for '55 is far more than a new model. It's more, even, than a completely new car. It's a whole new idea about cars!

Come in and meet the **motoramic Chevrolet**
—more than a new car—A NEW CONCEPT OF LOW-COST MOTORING

With the Iosco 4-H Clubs

CALENDAR:
Monday, November 8—4-H Club leader's recognition banquet, Masonic Temple, Tawas City, 7:00 p. m.

Plans for 4-H Club leader's banquet event are progressing nicely. Reservations are being made each day, and we hope you will not have put off sending yours until reminded by reading this. It is necessary to know the number coming so the food orders can be placed.

If you arrive later than 7 o'clock some of the fun will be missed, and we do not want to serve anyone a cold dinner—so plan to come early. Starting at 7:00 means being finished by 9:15 p. m.

Friendship 4-H Club met at the home of Mr. and Mrs. Allan Herriman at 8:00 p. m. on Thursday, October 21. The meeting was called to order by the president, Gale Durant.

A schedule of months for

several projects was arranged. Clothing will be one of the first ones, meeting the first and third Tuesday evenings with the leader, Mrs. Cora Coates. The project, "Safety With Firearms," with Edward Parker as leader will also begin now, meeting several times by arrangement and Saturdays. Olen Herriman, livestock leader, arranged for monthly meetings on fourth Monday evenings. The community club meeting is on third Thursday evenings from 8:00 until 10:00.

Most of the members were present. Miss Scott and Mr. Davenport helped with the project planning.—Donna Coates, reporter.

Ruth Ann Proper reports that the knitting project met at the leader's home, Mrs. Roy Atkinson, on October 26 with 12 members present. Most of the girls have both of their mittens done except thumbs. They plan to make anklets as soon as the mittens are finished.

October 25 was the first "fourth Monday" for members of the Friendship livestock project, and they met with the leader, Olen Herriman, at the Alton Durant home.

Keeping feed record cards was explained by the leader, along

with other main points about the livestock project. "Our project members agreed to sponsor a box social on November 12 to raise money and for the enjoyment of the community," writes reporter, Phyllis Herriman.

Burleigh Wizards 4-H Club Girl project members have had two meetings and as a result have become more conscious of taking care of their skin, hair and clothing. They hope to learn about correct posture, how to meet people easily and all kinds of social etiquette.

"We are also trying to work in several demonstrations at each project meeting. So far we have had three, and when we have had some practice on them, we are planning to give them at our community club meeting," explains Dolores Runyan, reporter.

"Peace is not just the absence of war, it is a way of action." Prime Minister Nehru.
