Deputy Sheriff	2,700.00
Drain Commissioner	1,200.00

Among the special appropriations made by the board were: East Michigan Tourist Association, \$500.00; Silver Valley, \$300.00; More Trout, Inc., \$200.00.

Clement Stephan, Tawas City's newly appointed third ward supervisor, was officially accepted by the board.

The board adjourned to January 10, 1955.

Cederberg Speaker at Kiwanis Meet

"I'm not apologizing to anybody for the actions of the 83rd Congress," said Congressman Elford A. Cederberg (Rep-Mich.) at the Tuesday noon luncheon of the Tawas Kiwanis Club held at the Barnes Hotel.

Speaking on the Stewardship of the 83rd Congress, Congressman Cederberg compared the record of the 83rd with that of the two preceding sessions. He also spoke on foreign affairs and what he termed, happenings on the home front during the past 20 months.

In regard to foreign affairs, Cederberg told the more than 50 Kiwanians and guests that through the loyalty of our state department, the stalemate war in Korea was brought to a close. He stated that this was done in a greatly to the emphatic manner in which Secretary of State John Foster Dulles told India's Nehru that unless the truce talks were held on a negotiable basis the war would start all over again.

Cederberg delved into similar international situations where in the Communists had sought to seek a foothold in Guatemala, Iran, Egypt, Trieste and Europe. He said that these Communist intrusions were being eliminated.

Speaking on the situation in Indo China, Cederberg stated that affairs were still bad in Southeast Asia. He pointed out that the agreement ending the Chinese conflict was strictly between the two parties involved—France and the Communist in Indo China. He said that he had agreed on the stand by the state department when they "didn't stick their necks out to force a settlement there."

Cederberg said, "I don't have any American boys there."

On the home front, Congressman Cederberg pointed out that the present administration had cut the budget 12 billion dollars in one year without hindering the growth of this country. He pointed out that military spending was cut to the bone. During the past 20 months, more than 250,000 people have been cut off governmental payroll without hindering the efficiency of the government one bit, he added.

Cederberg said, "There has been too much misinformation given to the public about unemployment in this country." He stated that there were five million more persons employed in this country today compared with the last peacetime year under the last administration. He said that today there are slightly more than three million persons unemployed in this country, a figure which the opposition party had distorted when they say there are five million unemployed persons.

Cederberg said that this congress had passed several laws controlling the Communists in this country and that all government agencies were taking actions to eliminate any security risks.

Cederberg also told of other programs enacted by the 83rd Congress. These included the St. Lawrence Seaway, state road program, social security, atomic energy and veterans benefits.

"The tax program has been reduced some seven and a quarter billion dollars," said Cederberg. He pointed out that this tax cut was the largest in this country's history. More than \$10 billion dollars goes directly to the individual in reduced income tax and by the elimination of excise taxes on many items.

Cederberg said that the farmer would be "better-off" under

the present administration. He pointed out that the farmer would be "better-off" under the present administration.

During the break in the weather this week, workmen were busy putting the roof on the new addition to the Tawas Industries plant in Tawas City. The new addition can be seen at the rear of the plant. The new 54 by 143 feet concrete block structure will provide warehouse facilities for the plant. The new addition will make the plant a full block in length, with an inside loading entrance on Wheeler Street and the main entrance on First Street. The masonry work is being done by James Boomer and the carpentry work by Edward Doak.—Herald Photo.

In the above photo the Tawas Area Braves are shown stopping a Rogers City player during play in last Saturday's game. The game was played at the East Tawas athletic field during a continuous drizzle and Rogers City piled up a 39-0 edge over the Braves before the final whistle sounded. Making the tackle is Gary Stephan, No. 14, and an unidentified Tawas player. Tawas players at the left are Roger Lubig, No. 21; Richard Ashmore, and Bill DeLosh, No. 22.—Herald Photo.

Woman Finds Husband Dead From Gunshot Wound

Ivan Dosh was found dead early Thursday afternoon at the water's edge near his home at Tawas Lake. Death had come from a gunshot wound.

The charge had entered Dosh's breast. The shotgun was lying a short distance from his body. In the investigation, Mrs. Dosh stated that her husband had left the house about 10 minutes before she heard the shot. She said the gun had been outside the house. The investigating officers were: Undersheriff Leon Putnam, Deputy Sheriff Charles Kurtzrock, Coroner E. John Moffatt and Prosecuting Attorney Reginald Barnett.

Josie Emerick was born at Grand Marais on June 22, 1896. On March 29, 1918, she married John McArdle, who survives here, also two children, Mrs. Betty Grabow and John McArdle Jr. and five grandchildren; one brother, Walter J. Emerick of Luzerne, three sisters, Mrs. Ruby Hill of St. Petersburg, Florida, Mrs. Lillian Sherman of Essexville and Mrs. Alene Welton of Merrill, besides many nieces and nephews.

She was a member of the Hemlock Road Baptist Church and the American Legion Auxiliary, Jesse C. Hodder Unit.

Funeral services were held Sunday afternoon at the Tawas City Baptist Church with the Rev. Charles E. Mercer officiating. Burial was in the Tawas City Cemetery.

Mrs. John McArdle Succumbs to Illness

Friends and relatives were deeply shocked and grieved when they learned of the death of Mrs. John McArdle of the Hemlock Road last week. She had been ill for several weeks and was taken to the Marilyn Sherman Hospital at AuGres, two weeks ago, where she passed away October 14.

Josie Emerick was born at Grand Marais on June 22, 1896. On March 29, 1918, she married John McArdle, who survives here, also two children, Mrs. Betty Grabow and John McArdle Jr. and five grandchildren; one brother, Walter J. Funeral Services for Mrs. Brown Held Tuesday

Funeral services were held Tuesday afternoon from the Moffatt Funeral Home for Mrs. Frank Brown, who passed away at her home in Baldwin Township on Saturday. Mrs. Brown had been ill for several years.

Catherine Syne was born in East Tawas on February 3, 1873, the daughter of the late James and Joann Syne, pioneer residents of Wilber Township. The family moved to Wilber when her father homesteaded an 80-acre farm when she was a small child. She married Frank Brown of East Tawas in March 1911, and they moved onto the farm in Baldwin Township. Mr. Brown passed away in July 1946. She is survived by nine nieces and nephews.

The Rev. Edward H. Wilcox of the Wilber and Oscoda Churches officiated at the services and burial was in the Greenwood Cemetery. Pallbearers were Lewis Rodman, Gordon Clute, Alden Phelps and Edward Burgess.

Relatives and friends from out of town who came for the funeral were: Mr. and Mrs. Kenneth Webster, Mr. and Mrs. Jack Guilanair, George DeGraw, Mr. and Mrs. Earl Syne and William Syne, all of Detroit; Harry Latter, Mrs. James Sturtevant, Mrs. Earl Daugharty and Mrs. William Sugden of Whittemore; Mrs. A. Nichols and children of Cadillac.

Reginald Boulder and son, Gary, of Cadillac spent Sunday with the former's mother, Mrs. Fred Boulder. Terry Brooks accompanied them.

20th Century Club to Sponsor Annual Hallowe'en Party

The Hallowe'en Party sponsored by the Twentieth Century Club and the Tawas City merchants will be held Saturday evening, October 30, at the Tawas City school auditorium. The merchants will be solicited this week.

Movies, games and refreshments are planned and prizes will be awarded for costumes. The party will begin at 7:00 p. m. All Tawas City school children are invited, also pre-school children.

Committee members working on the party are: Mrs. C. E. Mercer, Mrs. Douglas Ferguson, and Mrs. William Mallon.

Iosco Women's Clubs Meet Here November 3

The Twentieth Century Club will be the hostess club to the Federated Women's Clubs of Iosco County on Wednesday, November 3. Mrs. Ruth Bailey of Whittemore is president of the Federated Clubs.

The banquet and meeting will be held at the American Legion Hall in Tawas City, beginning at 7:00 p. m. The program will follow the banquet. The Legion Auxiliary will serve the banquet.

School Board in 3-2 Vote Authorize Effort to Acquire Beal Nursery

At a special meeting Wednesday night, the Tawas Area Board of Education authorized efforts to acquire the Beal Nursery property for a tentative school site. The resolution was presented by board member, William Look, and passed by a three to two vote.

After the resolution is checked over by the board's attorney, Herbert Hertzler, it will be sent to Congressman Elford A. Cederberg, who will attempt to secure the land for the district.

At the same time, a motion by Walter Niles called for the attorney to draw up legal documents to re-opton the Neumann-Reinke site for six additional months. This proposal passed by a four to one vote.

The action taken by the school board this week which would investigate the possibility of securing the land was brought about during an informal meeting between the board and Congressman Cederberg at the courthouse last Tuesday.

Originally the board had unanimously agreed that the Neumann-Reinke site was the most suitable property for the new school. Two bonding elections were held during the past year for the purpose of authorizing the sale of bonds to build the new school. The first time the proposal was offered to the voters it was defeated by a very few votes and the second was defeated by a larger majority.

Cederberg told the members Tuesday that he had a realm of correspondence in regard to it. It was first approached by individual citizens, but I can't make an official request until that request is received from an official body.

"Before I can take any action, I must know the type of intent, spark which will give it to you," said Cederberg. "We can't give it to you without an act of congress; the secretary says that in 16 years, one has never gone through yet. Very rarely do they get these bills through. If you must build our school in less than six months or a year, I can't get such a bill through in any given length of time. I have no formal request to obtain the property; whenever a formal request is received from the board of education, I will make every effort to take the steps," Cederberg stated.

At the meeting Wednesday night, Trustee Look proposed a form of a motion that his resolution asking that the government buy the Beal nursery property to the school be sent to Congressman Cederberg.

The roll call at the end of the discussion found a vote of 3-2 in favor of Look's proposal. Voting "yes" were Look, White and Curry. Votes were cast by Fox and Niles.

Fox qualified his vote by stating that in his opinion he felt that the site for the school had not changed and that the price for the Beal Nursery site, and adjoining property would be an additional \$40,000 in construction of the new school.

Niles qualified his vote by stating he would vote "yes" only on the condition that the board re-opton the 40-acre Neumann-Reinke site, which the board had originally picked for the new school. He stated that he was not in agreement in the site change but he said if it meant a new school for the children he would go along with it.

The motion by Niles was supported by Curry and carried with only one dissenting vote cast by Look.

During the discussion before voting on the proposals, Fox pointed out that it will take a reasonable length of time on an out-right purchase of the Beal Nursery property. "To the board's knowledge the price is \$15,900 and will take an act of congress to acquire it," Fox stated.

Niles stated that in order to obtain a large enough parcel of land for the school on the Beal Nursery site the board would first have to purchase land owned by adjoining property owners. He said that this could raise the cost of the site to around \$40,000.

Fox said that the board would evaluate the Beal Nursery site for what it is worth and compare the facts with all of the latest information. He stated that the board should make it clear to the public where the site will be and then go on with a progressive program.

game Kerr made a nice interception of a Tawas pass and raced 65 yards along the side lines for a touchdown. The point after touchdown failed and the game ended 39-0.

Although the game ended on a very one-sided margin, Coach Hickman's Braves put up a game defense. The Tawas team displayed an improvement on defense and offense against a more experienced outfit.

the other scoring by the northern team was by Lamb, fullback, who made one touchdown and Smolenski, fullback, who carried the ball over for one touchdown and two conversions.

The game was played during a steady drizzle and many fumbles were committed due to the wet ball. Very few passes were attempted by either team.

The first score of the game came late in the first quarter with Kerr running around his own right end for the TD. The extra point was missed when the Braves stopped them cold on an attempted fake kick.

After a short Tawas punt in the second quarter Rogers City took the ball. Lamb broke through and was stopped on the nine-yard line. Kerr ran the ball for the second touchdown. The point after touchdown again failed.

The first half ended with Rogers City leading by a 12-0 score.

In the second half Tawas took the kick-off and ran a series of plays without being able to gain. They punted to Rogers City on their own 26. The Braves recovered a fumble on their own 16-yard line after the winners made one first down. The Braves were pushed back to their own four-yard line on a high pass from center.

In the early minutes of the third quarter Kerr broke away and scored for Rogers City from the 23-yard line after a punt by Tawas. The extra point was scored by Smolenski, to make the score 19-0.

After taking the kick-off the Braves made their first first down, but lost the ball on a fumble in midfield as the third quarter ended. Lamb scored from the 16-yard line and Kerr ran the extra point to make it 25-0.

With the ball in their possession in the middle of the fourth quarter, the Braves had their best scoring opportunity. A long pass by Bob Hester trickled through the fingers of Gary Werth, Rogers City took possession of the ball on the Tawas 35 and Smolenski went over for the touchdown. The extra point was scored by Kerr.

Give the Kids a 'Brake' This Hallow'e'en

Iosco County law enforcement agencies asked all drivers to be especially careful while driving on Hallow'e'en night, Saturday, October 30.

On that night hundreds of small children will be out "trick-or-treating," most of them wearing masks over their faces and may accidentally run out in front of your car.

The masks which the children wear often make it almost impossible to see an approaching car. "Drivers will just have to be a little more careful," said Iosco County Sheriff Ivan L. O'Farrell.

Hallow'e'en is a night for goblins and witches—but not a night for death and injury... let's all be careful so that we don't spoil the children's fun. DRIVE CAREFULLY AT ALL TIMES.

Mr. and Mrs. Sterling Cataline of Whittemore were in the city Monday evening.

Nothing remains standing in the wake of the Nazi retreat through Holland.

Wilber News

Mr. and Mrs. Claude Crego and son, Elton, spent the week-end visiting friends in the Upper Peninsula.

Mr. and Mrs. Thomas and son spent last Friday in Flint visiting relatives.

Frank Loranger from Flint and Tom Loranger from Clio were callers here last Saturday and Sunday.

Wesley Searle of East Tawas was a caller here last Saturday. Mrs. James Styles and baby, James, and Miss Carolyn Styles visited in Flint last Friday. While there they called on Mrs. Frank Lovanger, who is still suffering with a broken foot. The injury is not mending as it should.

Hale Lutheran Ladies Aid Meets with Mrs. Fred Wolf

Lutheran Ladies Aid met at Mrs. Fred Wolf's home on Thursday, October 14. The next meeting will be at the home of Mrs. Barnes on November 11.

All women of the parish are invited to join. The aid will sell Christmas cards. Save your orders for them.

Three women, Mrs. Holzheuer, Mrs. Denstead and Mrs. Attwell, offered to help decorate the church for the Harvest Festival to be held Sunday. Food from this festival will go to the Seminary at Saginaw.

Bible school was held in August. Teachers who helped with this were: Mrs. John Dunve, Mrs. H. Reiss, Mrs. McMurray and Reverend Clement. Attendance averaged about 50. Mrs. Clement drove about 400 miles in the two weeks of school to pick up children. Frederick Holzheuer gave the use of his car for some of the driving.

The work of the young people in renovating the church grounds into a picnic area was appreciated.

Church will start at 10:30 a. m. instead of 10:00 and Sunday School will be held at 10:00. Pastor Clement has been filling a vacancy at Emanuel Lutheran Church at Tawas City.

The family pot-luck dinner will be held October 31 after church. It will be held at the Community Building. All the congregation is urged to make this a big family dinner.

Tawas Knights of Columbus Host to District Councils

Tawas Knights of Columbus were recent hosts to a meeting of 15th District Councils of Knights of Columbus.

The joint meeting was presided over by District Deputy Edward Nelkie of Tawas City. He discussed the state program for the coming year, and Knights of Columbus activities on a council level.

It was reported that 25 new members are expected to be initiated into the order at Bay City on October 31 from District 15.

All councils reported a Columbus Day program during the month of October and announced an active program to meet their financial obligations toward the maintenance of Boysville.

Heading the delegation of officers were: Edward Rabish, grand knight, of Pinconning; Henry Bissonette, grand knight, of Starbuck; Laverne Raymond, grand knight, of West Branch; and Paul C. Ropert, grand knight, of East Tawas.

Grace Lutheran Ladies Aid Meets at Church Thursday

Grace Lutheran Ladies Aid met at the church last Thursday evening. Taking part in devotional were the Rev. Robert Nelson and Miss Helen Applin. Mrs. Charles Nash had charge of the business meeting.

Final plans were made for the church fair which took place last Friday and Saturday. Plans were also made for a hunters dinner on November 13.

Hostesses serving refreshments after the meeting were Mrs. Claude Benson, Mrs. Ernest Lundquist and Mrs. Walter Furst. Decorations were an autumn table cloth and center arrangement of bright leaves.

Eight Families Attend Farm Bureau Meeting in Sherman

Sherman Farm Bureau met at the Sherman School Auditorium, October 12, with eight families present.

The discussion topic was on 1954 election amendments which was a very interesting topic.

Recreation was based on Hallow'e'en. The interesting costumes brought many laughs. Women's prizes went to Della Struwer and Mrs. Claude Harder. Howard Britt won the men's prize.

A movie on "How Laws Are Made" by Congressman Elford Cederberg was shown.

A pot-luck lunch was served. The next meeting will be on November 9. The officers are hoping to see many more members present.

Christian Science Services—

The fact that purification of thought and action removes the obstacles to individual growth, progress and salvation, will be emphasized at Christian Science services this Sunday.

Keynoting the lesson-sermon entitled "Probation After Death" is the Golden Text from James (1:12): "Blessed is the man that endureth temptation; for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him."

Among the passages to be read from "Science and Health with the Key to the Scriptures" by Mary Baker Eddy will be the following (492:7-12):

"Being is holiness, harmony, immortality. It is already proved that a knowledge of this, even in small degree, will uplift the physical and moral standard of mortals, will increase longevity, will purify and elevate character. Thus progress will finally destroy all error, and bring immortality to light."

From the Bible the following will be read (Philippians 3:13, 14):

"Brethren, I count not myself to have apprehended; but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus."

IHM Altar Society to Sponsor

Eight card parties. The Altar Society of the Immaculate Heart of Mary Parish has made plans for dividing the membership in groups of eight. These groups will sponsor eight card parties.

Nine members volunteered their time the first Wednesday of each month to aid in sewing work for the Tawas Hospital in Tawas City.

Refreshments were served by a committee including May McMurray, Hazel Miller, Vivian Petherick and Muriel Dodson.

Bible Comment:

Gospel of John Shows Christ's Humanity

THE supreme theme of the Gospel of John is the divinity of Jesus, but the same Gospel, in many instances, incidents and phases emphasizes the humanity of Jesus as well. Jesus Himself stressed this.

Jesus described Himself as both eating and drinking, a normal human being who hungered and thirsted, became weary and slept. The divinity of Jesus was not the denial of His humanity, but was the incarnation, divinity being revealed in and through His human life.

The mystery of the marriage in Cana of Galilee is an incident in the blending of humanity and divine power. While some will concentrate attention upon the miracle, others will find the chief interest in the fact that Jesus was there.

The miracle of the changing of the water into wine takes its place among all the miracles, which, if they could be explained, would not be miracles at all. But the fact that Jesus was there as a guest, with His disciples, stands out with bold significance. There also are other incidents that reveal Him in His true humanity, friendly and unconventional, as in the meeting with the Samaritan woman.

We must see Jesus in all the manifold aspects of that amazing earthly life if we would know and understand Him and follow His example in the earnestness of one who said, "I must be about My Father's business."

We must understand the exacting nature of taking up the cross and following Him, but we must never lose the human touch, the gentleness of the Master who blessed little children and rejoiced with those who rejoiced, wept with those who wept.

20 BOYS IN ADVANCED AGRICULTURAL CLASS

This year an advanced class in agriculture is being conducted in the Tawas Area Schools

and consists of 20 boys with an interest in farming.

One of the requirements to enroll in the class is a farm project, which could be the raising of a calf, cow, pigs, chickens, turkeys, ducks, rabbits, garden, forestry project, or a farm crop.

Each member has a project book in which he keeps a record of his expenses, time, machinery used and any receipts. A number of the boys live in or near town and rabbits and gardening are their most popular projects.

At present the class is studying dairying in its various phases, including feeding, marketing, feed costs, milk production and testing. A great deal of interest is shown in the testing for butterfat and often before school begins in the morning or during noon hour one can see activity in the agriculture room.

The members of this group are as follows: Neil Abbott, Richard Ashmore, Joseph Benson, Robert Binder, Ralph Davis, Alvin Erickson, John Furst, Gerry Jordan, John Murrays, James Pomerantz, Fred Revord, John Wehrman, Charles Wellna, George Wogaman, Roger Woods and Ralph Woods. These boys are seniors and juniors.

The freshman and sophomore boys with projects are permitted to take Agriculture I. This class has 26 enrolled at present and they have been studying beef cattle.

Farmers Union To Be Held

S. P. Martin, president of the Michigan Farmers Union, will be the guest speaker on Wednesday evening, October 27, at 8:30 p. m. at the Grant Township Hall.

This will be the third in a series of educational meetings prior to setting up a Farmers Union in Iosco County. Local officers will be elected at this meeting. Iosco farmers will join forces with Arenac and Ogemaw Counties, who have recently set up organizations. All farmers and their wives are urged to attend.

Hale News

Mr. and Mrs. William Weryley are the proud parents of a boy, born Tuesday at Tolfree Hospital. Herman Huber underwent surgery at Tolfree Hospital, West Branch, on Tuesday. Duell Pearsall has returned to Mercy Hospital, Bay City, and is coming along very well. Herbert Durham was dinner guest of the Rev. Jack Richards on Sunday. The Rev. Perry A. Temple was guest speaker at the Baptist Church on Wednesday evening. He showed colored slides of the children of Korea. Mrs. Cora Johnson and Mrs. Dorothy Wieding were business visitors Monday in West Branch.

22 Attend Whittemore Methodist Guest Night

Twenty-two members and guests met at the Methodist Parish House on Thursday evening for the guest night meeting of the Whittemore Junior League. Club president, Mrs. Raymond Dorey, conducted the business meeting. Mrs. Harold Dremberg gave an interesting report on the Girls Town project and various ways of raising money for this worthwhile cause. Tentative plans were made for the junior and senior women's clubs to join hands and sponsor a card party and play combination. The time and place will be announced in the near future. Mrs. Charles Bailey announced that the Federated Women's Clubs will meet Wednesday, November 3, at the American Legion Hall in Tawas City for their annual banquet and meeting. Members are asked to call Mrs. Theron Partlo to place their reservations. Deadline is October 28. Mrs. John Criles gave a very

interesting talk on customs in Mexico. She explained strict supervision given the female members of Mexican families. Two new members, Fern Williams and Mrs. Leota Hess, were welcomed into the club. Club secretary, Mrs. Sybil Siegrist, was installed by Mrs. Donald Armstead. A delicious lunch was served by the social committee at the close of the meeting. A scavenger hunt will be the main feature of the October 28 meeting when the group will meet at the home of Mrs. Raymond Dorey with Mrs. J. D. Lehman and Mrs. Thad Hall assisting.

Here's the

3-Way Bonus

that's sweeping Buick to record sales in October!

BUICK BONUS Record-making allowance in October

One look at the national sales figures tells you this: Buick is outselling every other car in America - regardless of price class - except two of the "low-priced three." And just to keep sales soaring - we're willing to give a whole of an allowance this month - to keep success rolling in high. So come in - get a car and a deal that are too good to miss.

BUICK BONUS Higher resale value

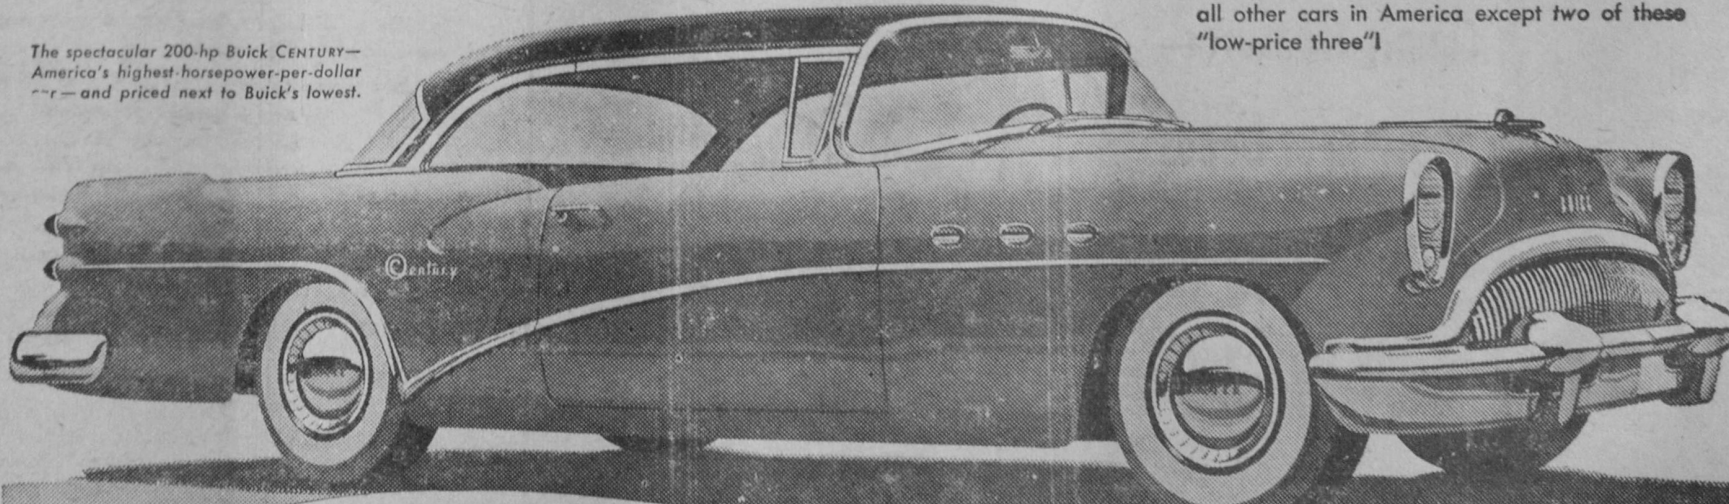

Year after year, Buicks have always carried a high resale value. But the 1954 Buick has an even bigger edge in its year-ahead styling. It will still be fresh and new-looking when other '55 models come out. So the new Buick you buy today will keep you plenty of dollars ahead when you trade it in.

BUICK BONUS Tomorrow's styling today

You can see it on every new Buick on the road - glamorous new-day styling keynoted by that broad panoramic windshield that most other cars won't have till 1955 or later. And with this advanced styling, you get Buick's record-high V8 power, luxurious room and comfort, that famed Million Dollar Ride - and all for prices that start just a few dollars above those of the so-called "low-price three." Result: Buick is now outselling all other cars in America except two of these "low-price three!"

The spectacular 200-hp Buick Century - America's highest-horsepower-per-dollar - and priced next to Buick's lowest.

Buick Sales are Soaring

so Buick "deals" are bigger than ever right now!

Whittemore Man Injured
Arden Charters had the misfortune to get the ends of his two middle fingers on his right hand taken off in a power jointer saw while working last Wednesday.

Good Attendance At Meeting Of Burleigh P.T.A.
P.T.A. met at the Burleigh Agricultural School Tuesday night with a good attendance. Due to the president, Mrs. Audrey Curtis, moving to Alpena, Mrs. Lucille Drengberg was elected president and Mrs. Leila Charters was elected vice president. Both officers were installed by Lulu Dahne.

A white elephant sale was held following the meeting which proved to be entertaining as well as a success. Lunch of pumpkin pie, ice cream and coffee was served later.

Word was received that Mrs. Caroline Siegrist was a patient in Saginaw General Hospital with a heart condition. Her son and wife, Mr. and Mrs. Henry Siegrist, visited her Thursday afternoon.

Mr. and Mrs. Gordon Moran of Bad Axe were guests of Mrs. Elvree Frel one day the past week.

Mrs. Harrison Snyder attended installation of the Order of Eastern Star officers at Hale Sunday afternoon where she assisted as the installing organist.

Mrs. Rose Watts and Mrs. M. Laidlaw of Tawas City spent Wednesday with their sister and husband, Mr. and Mrs. Edward Graham.

is a little better at this home. Wayne Higgins of Pittsburgh, Pennsylvania, is visiting his parents, Mr. and Mrs. John Higgins.

Mr. and Mrs. Tony Fix and family of Akron, New York were callers in town Saturday enroute to West Branch to attend the wedding of Miss Helen Hast.

Mr. and Mrs. Norman Schuster and two daughters of Saginaw spent the week-end at their cottage at Sand Lake.

Mr. and Mrs. Wayne Grimm and three children of Detroit called on friends here enroute to attend the wedding of Helen Hast.

Mrs. Arthur Johnson and daughter, Glenda, left Saturday for a few days visit in Chicago with relatives.

Mrs. Lawrence Fortune, Mrs. Robert Dorey and Mrs. Joseph Wasilewski spent Thursday in Alpena with Mr. and Mrs. Edgar Curtis. The occasion being Mrs. Curtis' birthday, the ladies pleasantly surprised her by walking in on her for the day.

Mr. and Mrs. George O'Farrell of Rose City and cousin, Mrs. Caroline Dean of Colorado Springs, Colorado, spent Thursday with Mr. and Mrs. John O'Farrell.

Mr. and Mrs. Thomas Thompson and two children from Bloomfield Hills spent the week-end with his mother, Mrs. Henry Thompson.

NOTICE OF MORTGAGE FORECLOSURE SALE

Default having been made in the conditions of a certain mortgage made by Douglas Ferguson and Helen Ferguson, husband and wife, of Tawas City, Michigan, to George Green and Florence Green, of East Tawas, Michigan, dated May 25th, 1951, and recorded in the Office of the Register of Deeds for the County of Iosco and State of Michigan on the 17th day of December, 1951 in Liber 12 of Mortgages on page 536 on which mortgage there is claimed to be due at the date of this notice for principal the sum of \$5000.00, Taxes amounting to \$566.11 and \$992.50 interest and the amount paid on a mortgage covering this land to Iosco County Department of Social Welfare at December 17th, 1951, plus \$19.54 interest thereon less the sum of \$75.00 paid by Douglas Ferguson and Helen Ferguson, his wife, on or about June 1st, 1954, leaving a balance of \$88.06, and an attorney fee of a legal sum as provided in said mortgage, and no suit or proceedings at law having been instituted to recover the moneys secured by said mortgage, or any part thereof.
Notice is hereby given, that by virtue of the power of sale contained in said mortgage, and the statute in such case made and provided, on Wednesday the 15th day of December, 1954 at 10:00 o'clock in the forenoon, the undersigned will at the front door of the Courthouse (Iosco County Building) in the City of Tawas City, Iosco County, Michigan, that being the place where the Circuit Court for the said County of Iosco is held, sell at public auction or vendue to the highest bidder, the premises described in said mortgage or so much thereof as may be necessary to pay the amount so as aforesaid due on said mortgage, with six (6) per cent interest, and all legal costs together with said attorney's fee provided by law and in said mortgage. The lands and premises in said mortgage mentioned are described as follows:
That part of Lots Six (6), seven (7), Eight (8) and Nine (9) of Block Eleven (11) lying north-west of the D & M Railway Right of Way, of the Original Plat of Tawas City, Iosco County, Michigan.
Dated: September 15, 1954.

STATE OF MICHIGAN

In the Circuit Court for the County of Iosco.

In the matter of the petition to determine the water level of Bass Lake.
ORDER OF PUBLICATION
At a session of said Court, held at the Court House in the City of Tawas City in said County on the 29th day of September, 1954.
Present, Honorable Herman Dehnke, Circuit Judge.

WHEREAS, the Board of Supervisors of Iosco County, State of Michigan, adopted resolution on the 13th day of October, 1953 directing the Prosecuting Attorney of Iosco County to take any and all necessary action under Sections 281.101 to 281.121 of the Laws of 1948 of the State of Michigan being Act 194 of the Public Acts of 1939 as amended for the determination and establishment of the water level of the following lake:
Bass Lake—Section 36, T. 23 N., R. 6 E. and Section 1, T. 22 N., R. 6 E., Plainfield and Grant Townships

for the reason that the levels of said lakes have dropped to a point endangering the existence of the lake while seriously affecting the value of abutting property and further that fish and wild life have been seriously affected, that a dispute exists between the abutting property owners of the above named lakes to the proper levels thereof and that the recommendations of the Engineers of the Conservation Dept. of the State of Michigan set forth the necessity of determining and establishing said water level.

AND WHEREAS, Reginald J. Barnett, Prosecuting Attorney in and for the County of Iosco, State of Michigan, for and on behalf of the Board of Supervisors for the County of Iosco has respectfully petitioned this honorable Court to determine and establish the water level of the aforementioned lake;

NOW THEREFORE IT IS HEREBY ORDERED, ADJUDGED AND DECREED, that the hearing on said petition shall be held at 10 o'clock in the forenoon of the 29th day of November, 1954 at the Circuit Court in the Court House in Tawas City, Iosco County, State of Michigan, and further that said Prosecuting Attorney be ordered to cause publication of this notice of hearing once each week for six full successive weeks prior to the date of said hearing in a newspaper of general circulation in said County of Iosco, State of Michigan, and further that said Prosecuting Attorney be ordered to mail by registered mail a true copy of the published notice to all the record owners of land abutting or touching upon said lakes at least five (5) weeks prior to the date of said hearing as above set forth.

(S)Herman Dehnke
Herman Dehnke
Circuit Judge

Dated this 29th day of September, 1954. 42-6b

With th losco 4-H Clubs

By DOROTHY SCOTT

Monday, November 8—4-H Club leaders' recognition banquet, Masonic Temple.

The 4-H Club Leaders' Banquet this year is to be held at the Masonic Temple, located on M-55 as you come into Tawas City. Actually it has been a year and a half since a banquet has been arranged for our 4-H Club leaders, making it possible for us to begin having them at the end of our 4-H Club year rather than in the middle. Leaders who helped with our 4-H Club program in both 1953 and 1954 will be invited this time.

This event is a way to express appreciation for the excellent work being done by leaders

with young people in our 4-H Clubs. It is sponsored by local business organizations and the Extension Service.

Watch for your invitation, if you were a 1953 or 1954 leader. And, do be sure to send in your reservation card by November 4. It is needed to help with providing food and in planning for the evening's program.

We are hoping every one of you will be there.

What shall we make for our electrical projects this year? This question was in the mind of every 4-H Club electrical project member attending the second meeting at the home of Albert Duquette, project leader in Alabaster-Whitney Rowers 4-H Club, October 11 at 7:00 p. m.

Members also discussed keeping records for their project reports as the work is finished.

We hear that members of the 4-H Club Girl project in Burleigh Wizards 4-H Club met at the home of their leader, Mrs. Arthur Aulerich, one evening this past week. What can the project reporter tell us about it?

The 4-H Council's Executive Committee met at the Harold Black home on October 11. Committee appointments were planned, and a program of meeting activities outlined for 1955.

The committee hopes that leaders can come to meetings better prepared for discussions by knowing ahead of time what business needs to be accomplished each time the council meets.

Whittemore Extension Group Holds Monday Meeting

The Whittemore Extension Group held its regular meeting on Monday evening at the home of Mrs. Sterling Cataline. Mrs. Isabella Earhart had charge of the business meeting. Plans were made to hold the annual installation of officers at the Earhart home on Monday evening, November 8. Roll call for the meeting will be "One duty as a club member." A lesson on Christmas gifts will also be given.

The lesson on perennials and biennials and their care was given by Mrs. Lulu Dahne and Mrs. Cataline.

A game was enjoyed with Mrs. Earhart being the winner. A dainty lunch was served by the hostess at the close of the evening.

Hale Home Demonstration Group to Meet Tuesday October 26

The Hale Home Demonstration Group will meet Tuesday, October 26, at 8:00 p. m. at the Hale High School. Bring paper for patterns and pencils. Cookies, tea and coffee will be served.

A welcome to all women of the community to join the group is extended.

HDA NOTES

By Dorothy Scott, Home Demonstration Agent

Calendar:
Friday, October 22—District Home Demonstration Rally, Omer Community Building.
Wednesday, November 3—Home Demonstration Officers' Training School and Rally, Hale Community Building.

Last call for the District Rally, 1954. Reports from the groups indicate that we shall have a good attendance from Iosco County. Tawas City groups are planning the get-acquainted game. Everyone should plan to arrive by 10:00 a. m. to participate in it.

Bring your own service and a dish for the pot-luck dinner. The afternoon program is to feature a slide-illustrated talk on New Zealand by Jack Crowner, an International Farm Youth Exchange student who spent the major part of last year living with families in New Zealand.

Mr. Crowner has many fine slides and tells interestingly of his experiences there. You will enjoy every minute of it, if you attend the rally, of course.

We now have the names of members and officers of the new home demonstration group organized with the assistance of Mrs. Harold Black and Mrs. John Cobb last week.

Chairman is Mrs. Howard Bellinger, Whittemore; vice chairman, Mrs. Clark Hinkley, Turner; secretary, Mrs. Douglas Blanchard, Turner; reporter, Mrs. Robert Miracle, Turner; recreation leader, Mrs. Bertha Polley, Turner; Mrs. John Moscomer, Turner; Mrs. Richard Miracle, Turner; Mrs. Virgil Sheffer, Turner; Mrs. Audley Blanchard, Turner, are additional members of the group. Any other women living in that community will be welcomed. Just contact one of the officers or members named.

Tawas City and Laidlawville home demonstration group members will present a short play at the Officers' Training School on November 3, 10:00 a. m. Hale Community Building.

Officers will see how "Beavers Have Their Meetings" after which there will be discussion groups and presentation of supplies for group use in the coming year.

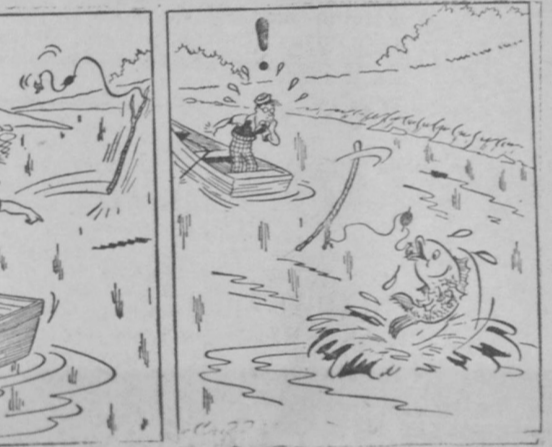

At noon the officers will be joined by other group members from all the groups, where it will be possible for members of new groups to become better acquainted with the home demonstration program. Winners of the membership and group contests will be announced and flash bulbs will "crack." There will be an afternoon program.

The Basic Idea Behind the All-New 1955 PONTIAC

On Display October 29 and 30

ABOUT 30 years ago General Motors Corporation presented to America a new car called Pontiac. This new car was the direct result of a very specific idea.

The idea was this: to create a car which took its style, its engineering principles and its features from the very best and most expensive in America—and to build these into a car priced just above the very lowest!

Naturally, such an idea produced a wonderful and highly popular car—a car which millions of satisfied owners have driven with outstanding pride and pleasure.

Now, nearly three decades later, an entirely new Pontiac has been created for 1955—a car completely new from the ground up!

One thing, however, about the 1955 Pontiac remains unchanged—its basic idea—to offer the American public the very finest car that can possibly be built to sell at a price within easy reach of any new-car buyer.

When you see the new Pontiac on Friday or Saturday—Oct. 29 or 30—you will be immediately impressed by its remarkable new styling. No other car in the world looks like this new Pontiac!

When you drive it you will be astonished at its performance. For the 1955 Pontiac introduces the powerful new Strato-Streak V-8, an all-new engine that has already been proved in more than 3 million test miles!

When you price the new Pontiac you will come face to face with the basic Pontiac idea—you will be agreeably surprised that so much car, so much sparkling newness, so much luxury, so much downright goodness can be priced so near the very lowest.

We cordially invite you to come in on Friday or Saturday and see for yourself what a superb all-new General Motors masterpiece has been created to carry the wonderful name "Pontiac" for 1955.

Conduct Soil Testing Demonstrations in Iosco

By MARVIN DAVENPORT

A couple of weeks ago, Gordon Hatch, soil conservationist, and myself conducted some soil sampling demonstrations. Martin Siegrist, Harold Siegrist, Adolph Siegrist, Mrs. R. Marek, Mr. and Mrs. Gerald Belen, Arthur Zemke, James Sturtevant, G. L. Clary, John Cobb, William Waters, George Lehman, Peter Kildal and A. J. Aulerich participated in the first day's demonstration.

Those fellows heard why lime was so important to save the farmer's fertilizer dollars. An acid soil ties up the phosphorus and potash so alfalfa cannot get it. A soil with a PH of 6.8 to 7.2 is needed to grow alfalfa for a maximum yield.

As has been stated in a previous article only one farm tested in 60 farms in Iosco did not need lime. Take the guess work out of knowing whether you need it or not. Call, write or attend one of our soil sampling demonstrations and you will get some of the answers.

Our second day demonstration gave us a chance to change views on lime, soils and fertilizers at Elmer Britt and Sons' farm.

Orville Strauer and son, George, Claude Harder, George Cox, Reuben Kaarre, Oscoda School vocational agricultural instructor, with his older students, Leroy Schram, John Anderson, Delbert Travis, Virgil Spahnower, Larry Ritchie, Ronald Kuenzli, Ronald Merkle, Melvin Smith, Gerald McGuire, John Dellar and Daniel Lilley, all participated in one of the demonstrations during the second day.

A word to the wise is sufficient. Lime applied on the fields needing it this fall will benefit next spring's alfalfa seeding. Lime should be applied six months ahead of such seeding.

Those farmers wishing to apply to Mary Bird, A. S. C. office manager, may be able to receive payment toward the purchase of lime. However, starting January 1, 1955, no farmers will be eligible to receive any A. C. P. payments through the A. S. C. office, unless he lives within his allotted acres of wheat. That means although you can plant 15 acres of wheat if you have an allotment of two, three or five acres, and you plant more than your allotment, you cannot receive any A. C. P. allotments.

If you plan to ask for any help on the purchase of lime, it had better be done this fall. Contact Mrs. Mary Bird at the

Federal Building, or phone 441 for further details.

Now is the time to catch up those yearling dairy heifers to see if they have enough size to freshen when you will want them.

Here is a yardstick with which to gauge your heifer's growth. Yearlings of the larger breeds, such as Holsteins, should weigh 650 pounds—or have a chest-girth measurement of 60 inches or more.

Donald L. Murray, extension dairy specialist at Michigan State College, suggests that if heifers have enough size, their feed during the coming year can consist of good quality roughages. Hay, silage and good pasture will keep them growing.

If they are lagging in growth, some additional grain should be fed to boost them up to par. Those dairymen raising smaller breeds, such as Guernsey, should have heifers weighing between 475 and 500 pounds—or a chest-girth measurement of about 55 inches.

An open shed is adequate for housing animals of this age. If they have the size, a good supply of water and a liberal supply of high quality roughage, their growth will keep normal.

Both, large scale fruit growers and back yard orchardists would be wise to check for mice around their apple trees right now.

That's a tip from Donald Hayne, a Michigan State College zoologist, who has been inspecting orchards for mice damage lately. He has found mice populations that he terms "dangerously high" in some areas.

He advises looking for runways under matted grass or other mulch cover. The runways are the places to stop the pests with poison.

Pieces of apple cubes that have been sprinkled with zinc phosphide make a good bait. He also recommends oats that have been prepared with strychnine or cracked corn that has been treated with zinc phosphide.

Olsen-Matson

Bouquets of bebe chrysanthemums and gladioli decorated the Zion Lutheran Church in Tawas City for the double ring wedding of Miss Dorothy Matson, daughter of Mr. and Mrs. Warner E. Matson of Tawas City, and Dr. Arne Olsen, son of Dr. and Mrs. J. J. LaRue of East Tawas.

The Rev. Elmer E. Bickle performed the rites Saturday evening. Vocalist was Arthur Wendt, who sang "The Lord's Prayer."

The bride, given in marriage by her father, chose a ballerina length gown of tulle and lace. The strapless lace bodice was covered with a lace bolero with a Queen Anne collar and wrist point sleeves. The full gathered skirt of tulle and lace was over white satin. Her fingertip veil of illusion net was secured by a cap of satin and seed pearls. She carried a cascade bouquet of white bebe chrysanthemums centered with a tender orchid.

Miss Jean Martin of Detroit was maid of honor and Mrs. Ray Ledworth was bridesmaid. They wore similarly styled ballerina length gowns of net over taffeta with lace jackets. Miss Martin's gown was toast colored and Mrs. Ledworth's was aqua. They wore matching hats and carried bouquets of roses and bronze chrysanthemums.

The groom was attended by his brother, Dr. Reginald LaRue of Jackson, and ushers were Ray Ledworth and Donald Ledworth.

Doreen Ledworth, dressed in a yellow net over taffeta ballerina length gown was flower girl. She carried matching roses and chrysanthemums. Reginald LaRue Jr. was ring bearer.

The bride's mother chose a Dior blue lace dress with matching accessories. A light blue satin with black accessories was worn by the mother of the bride. Both wore corsages of tea roses.

Immediately following the ceremony a reception was held at Tawas County Club for over 100 guests. Out of town guests were present from Detroit and Jackson.

The young couple will reside in Standish, where they returned from a short wedding trip to Canada.

Cederberg

(Continued from First Page) interests of the individual farmer. He pointed out that tax laws enacted by the 83rd Congress are of benefit to farmers and farm families in a number of ways. Under the tax revision law, farmers can claim \$800 dependency deduction for a child regardless of the child's earnings; if such dependent is receiving on-the-farm training and the farmer continues to furnish more than half his support.

Other revisions of the law the present administration's farm program which will take effect in 1955. He said that it was a good one and in the best in-

which are beneficial to farmers, Congressman Cederberg pointed out, include deductions up to 25 percent of farm income for soil and water conservation expenses and a more rapid write-off on the cost of new depreciable assets, such as farm ma-

chinery and equipment. Congressman Cederberg ended his "grass-roots" conference by stating that the farmer, businessman and labor must get along with each other. He added that the 83rd Congress hasn't solved all of the problems, but

"we haven't had anyone from any other party come up to effect solutions." Congressman Cederberg will leave in November for Europe with a congressional committee investigating appropriations for military bases in Spain.
