Sailboat Overturns Near Tawas Dock

A sailboat, skippered by Theodore "Teddy" Trudell and Dennis Martin of Tawas, tipped over on Tawas Bay on Labor Day several hundred yards off shore from US-23.

The Coast Guard surf boat from Tawas Point and C. S. Everett's cruiser, the Sarah Jane, piloted by Dan Ceter, towed the floundering craft to the Tawas City Park dock where it was uprighted.

Apparently the two sailors lost control of their craft and a sudden gust of wind tipped them over. Neither of the occupants were injured.

Graying Team Wins 2nd Consecutive AuSable Marathon Championship

Iosco County Team Takes Second Honors

Oscoda-AuSable Chamber of Commerce Sponsors All-Day Program

Repeating their last year's winning style, Bernie Fowler and Don Feldhauser, both of Graying, won the Eighth Annual Michigan Canoe Championship down the AuSable river last week-end.

This was the second consecutive win for the Graying team in the annual race and they duplicated their last year's winning time over the 240-mile course in 17 hours and 33 minutes.

In second place was Steve Kolonich and Larry Kendall of Tawas City, who finished 21 minutes behind the winners. Kolonich and Kendall led the field of 25 starting canoes until they were overtaken by the winning team between Stephens and McMasters bridges.

The third place position was won by John Stephan and Henry Feldhauser of Graying, Merle Klein and Jack Kent of Atlanta won fourth place.

Other winners included: Ralph Sawyer and Stewart McNeill, Oscoda, fifth place; Ted Dodenhoff and Allen Buchanan, Detroit, sixth place; Dick Curry and Tom Krause, Detroit, seventh; Carl and Dave Joy, Ossin-ke and Glennie, eighth place; Eugene Hooper and John Forsyth, Flint, ninth place; and Tom Halero and Bill Dingman, Oscoda, 10th place.

The first place winners were awarded a check for \$1,000 during ceremonies at the new Oscoda baseball field Sunday night by Republican gubernatorial candidate, Donald S. Leonard.

In addition to the first place money, Fowler and Feldhauser were awarded the Tom Marston Memorial Trophy and wrist watches donated by an Oscoda businessman.

Second place winners, Kolonich and Kendall, received \$500 in prize money. Third place winners won \$300 and fourth, \$100. Fifty dollars was paid to each winner from fifth through eighth place and ninth and 10th were paid \$25 each.

Present at the ceremonies at Oscoda were Congressman Elford A. Cedarberg of Bay City, State Senator Charles T. Prescott, Attorney General Frank Millard and James Miolock, Republican candidate for state representative. Also present for the presentation of awards were Iosco county and civic officials from the various surrounding communities.

The race, which started at 10 o'clock Saturday night at the M-27 bridge in Graying, was witnessed by thousands of spectators who crowded the banks of the AuSable at the various portages, and the finish line at Oscoda.

Several of the starting teams were forced out of the race due to accidents or illness, but the majority of the contestants finished the grueling 240-mile trip.

The Oscoda-AuSable Chamber of Commerce sponsored a day-long program at the old US-23 bridge over the AuSable river on Sunday, which included an exhibition of skin diving, water skiing and a fish fry. A junior canoe race from Foots Dam to Oscoda, a distance of approximately 21 miles, was held at 11 o'clock Sunday morning.

Mr. and Mrs. John King and two sons of Flint were Sunday guests of his sister, Mrs. Waldo Leslie, and family.

Tawas Industries Start New Addition to Plant

Tawas Industries, Incorporated, broke ground this week for a new addition to its plant in Tawas City. The building is located at First and Court Streets.

Similar in construction to the existing building, the new 54 by 143 foot concrete block structure will provide warehouse facilities for the plant.

The new addition will make the building housing Tawas Industries a full block in length, with an inside loading dock entrance on Wheeler Street.

The masonry work is being done by James Boomer and the carpenter work by Edward Doak.

Detective Assigned To Police Post Here

Detective Leroy McCluer of the Michigan State Police has been assigned to the East Tawas post. His new assignment was effective this week.

A veteran of 14 years with the Michigan State Police, McCluer was transferred here from the West Branch post. He will continue to serve both the East Tawas and West Branch areas.

Detective McCluer joined the department in 1940. He was first assigned to Paw Paw and later served at Centerline and St. Clair.

Detective and Mrs. McCluer are the parents of a two-month-old daughter.

Michigan Trout Season Ends Sunday

Michigan fishermen were reminded by the conservation department this week that the general trout season ends in the state on Sunday.

All waters will be closed to Brook and Brown trout on that date. Rainbow trout may still be taken through November on designated waters in 61 counties.

These include some lakes and the lower reaches of many trout streams.

OLDTIMERS FRISKY ON MONDAY--TUESDAY WHAT?

The Tawas City Oldtimers' baseball team burned up the basepaths last Monday afternoon but finally wound up on the short end of a 15 to 14 score at the hands of the 1954 version of the local Independent team.

Twenty-four former Tawas City ball players showed up for the game and Manager Rolfe Gackstetter used a mass substitution system throughout the nine innings of play.

During the first three innings the Oldtimer club played on even terms with the Independents, executing a fast double play and played "heads-up" ball in the infield.

The oldsters pushed a single run over the plate in the second inning and added a second run in the third frame to take the lead, but a three-run outburst by the Indies in the third inning settled the final outcome. They were never headed during the rest of the game.

The Independents ran rampant around the base paths in the fourth and seventh innings, scoring five runs in each. They added a final pair of runs in the ninth frame.

The Oldtimers scored three runs in the fourth and eighth innings and crossed the plate six times in the final inning.

Reg Bublitz started on the mound for the Oldtimers and was relieved in the fifth inning by John Katterman. Bob Rollin took over the mound duties in the seventh inning. Manager Harold Wegner pitched the entire nine innings for the Indies.

Other players who appeared in the Oldtimers' lineup included Neil Libka, Walter "Cy" Zollweg, Harold Bublitz, Walter Laidlaw, Raymond Coleman, Nelson Thornton, Carl Libka, Edward Libka, Ben Boldt, Rolfe Gackstetter, Earl Davis, Wilford Youngs, Arthur Anschuetz, Glenn Long, Billie Biggs, Fred Bublitz, Randall Fox, Neil Thornton and Herbert Ziehl.

The proceeds from the game were turned over to the Tawas City Park Fund treasurer for park improvements.

Traffic Recorder Turns Up Missing Near Hale on M-65

The Michigan State Police and Iosco County Sheriff's Department officers are looking for a "missing" traffic recording device which disappeared from M-65, five miles north of Hale.

The yellow and black painted device was chained to a highway "curve" sign along M-65 by the Michigan State Highway Planning and Traffic Division, Lansing. The sign was pulled from the ground and is also missing.

Valued at \$375, the State Police and highway department would appreciate any information in regards to the whereabouts of the device. The case is stamped with the serial number 3213.

McKay Sales Co. Adds New Body Shop

The McKay Sales Company recently moved its new body shop located between the Chevrolet garage and Fletcher's Service Station in Tawas City.

The building was formerly occupied by the Bublitz and Brown Studebaker Sales.

"In addition to our service department at the Chevrolet garage, our new shop will enable us to turn out better used cars to meet the public's satisfaction," said L. G. McKay, Jr.

The new used car reconditioning shop is managed by Lloyd Cooper.

Mrs. William Phelps and sister, Miss Edna Otis, spent the week-end in Waukesha, Wisconsin, where they attended the 30th annual reunion of the Otis Family Association.

Campaign Started to Raise More Funds for Tawas City Park Improvement Program

More than \$1,000 has been collected to date from businessmen which will augment the Tawas City Park Fund, it was announced Thursday at the noon meeting of the Tawas City Businessmen's Association.

Later this week, Hugo Keiser, Jr., and Mayor George W. Myles will contact all businessmen in order to solicit funds. It is a city-wide development and every citizen should be interested in the park.

During the past two years, many improvements have been made in the park. A concentrated drive is now underway which will make this city-owned property one of the beauty spots along Lake Huron and Tawas Bay.

Earlier this summer, the park fund received nine hundred dollars from the Tawas City Centennial celebration proceeds and donations by local citizens.

New picnic tables were set out in the park late this summer and the end of the dock was recently enclosed with steel piling. Last fall, the Tawas City Department of Public Works raised the park level with fill dirt.

Several one-hundred dollar donations have been contributed to the park fund. Included were donations from Tuttle Electric, McKay Sales Company, Bublitz Oil Company, Fuelgas Company, Incorporated, Dr. J. D. LeClair, Timco Corporation, Keiser's Drug Store and the People State Bank.

Other donations, ranging from \$2 to \$50, were received from: John Monarch, H. E. Bigelow, William Borosch, Barnes Hotel, E. Irwin Gauthier, C. S. Everett, Tawas Plating Company, Immaculate Heart of Mary Church, the Twentieth Century Club, Joseph Barkman, VFW Auxiliary, William R. Barber, Mrs. Frank Miller, Walter Anschuetz, Grace Miller and A. E. Giddings.

Justices of the Peace H. E. Erickman and Frank Walker have turned over to the park fund several hundred dollars from fines received in justice court.

Local Keglers Swing Into Action Next Week

The fall and winter bowling season will get underway next week, with two ladies' leagues and one men's league swinging into action on the Tawas City Recreation lanes. The Ladies' League will begin its season on Tuesday night and the Ladies' Inter-City League will get into action Friday night. The Commercial League will start its season on Thursday.

On the following Monday, September 20, the Tawas City Minors will open its season and on Wednesday, September 22, the Major League will move into action.

All leagues are composed of 10 teams each, and some interesting recreation awaits the keglers in league competition. Alleys will be open for open bowling on week-ends and before and after league competition.

Several of the leagues held organizational meetings this week. The Minor League will hold its meeting tonight (Friday) at the recreation. On Wednesday night, captains of the various teams in the Major League held a preliminary meeting at the recreation.

The organizational meeting for the Major League will be held at 7:30 o'clock Wednesday, September 15. Any bowlers or teams who wish to enter the Major League should notify the league secretary or may register at the bowling alley.

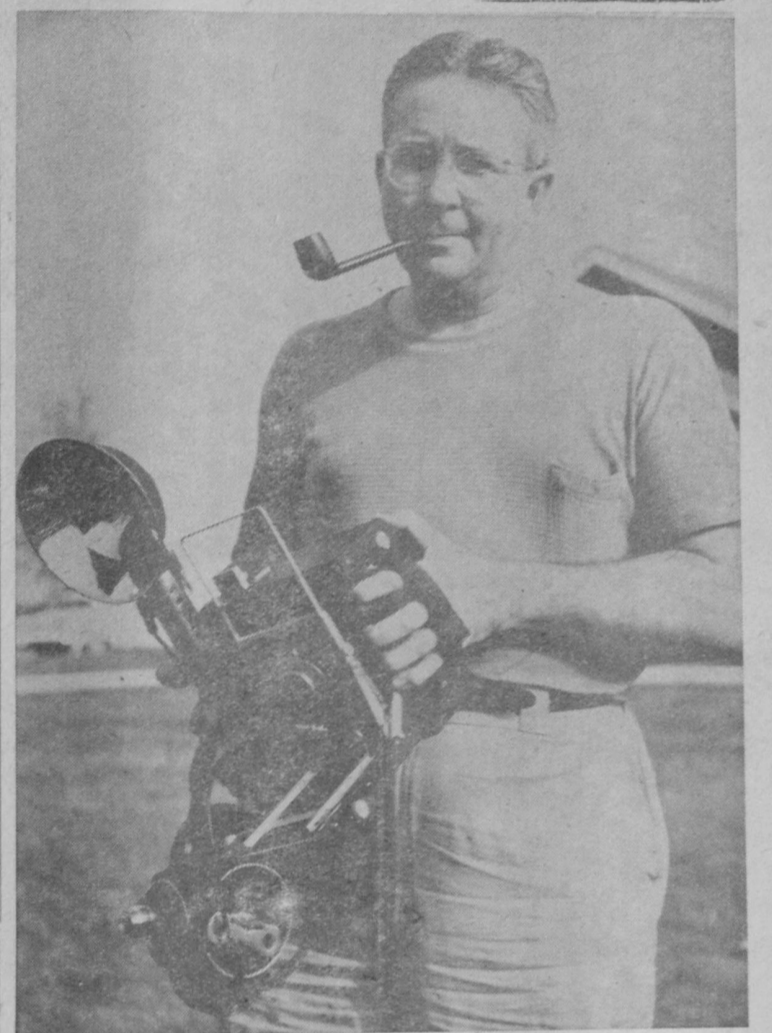

The Tawas City Recreation has been completely redecorated and the alleys worked into tip-top shape for the coming season. This week workmen completed the laying of the new asphalt tile around the dairy bar and extending to the alley approaches.

The alleys will be open to the public tonight (Friday) for the first time since last spring.

The Tawas City Recreation is under new ownership this year. Far from being new in the recreation business, Mr. and Mrs. Harold Moeller are the proprietors. The recreation was established here by Harold Moeller and his father, the late Charles Moeller, in 1939. The local recreation is one of the most modern bowling establishments in Northern Michigan.

Have Surprise Meeting In Florence, Italy

One of the surprises of an European trip this summer for Miss Mable Myles of this city was when she walked into a restaurant in Florence, Italy, and met Dr. I. Carl Schlecte of Rochester, formerly of Tawas City. Doctor and Mrs. Schlecte were also enjoying an European trip.

Outdoor writer-photographer, Bert Stoll of East Tawas, will leave next week on a month-long tour of United States military units in the Far East with a Michigan USO camp show. Assigned by Booth Newspapers and the Associated Press, Stoll will interview Michigan servicemen at the various stops made by the USO troupe in Japan and Korea.—Herald Photo.

Bert Stoll Gets Far East Reporting Assignment

Veteran Michigan newsman, Bert Stoll of East Tawas, will leave next week on a month-long assignment which will take him to the Orient. Stoll, outdoor editor of the Bay City Times and Booth Newspapers, will leave Willow Run Airport next Tuesday for Seattle, Washington, and from there will fly to Tokyo, Japan, by way of North West Airlines.

While touring the Far East, he will visit various United States military units stationed in Japan and Korea with a Michigan USO camp show sponsored by the Michigan Health and Welfare Fund of Lansing.

Stoll will write feature articles about Michigan servicemen and the USO troupe at the various stops in Japan and Korea for Booth Newspapers and Michigan newspapers serviced by the Associated Press.

The USO troupe is composed of 10 Michigan entertainers billed as the "Michigan Madcaps," including the "Spellbinders," a vocal group from Bud Guest's "Guest House" radio program over WJR, Detroit. A sendoff program for the entertainers will be held next Monday night from Selfridge Field. The USO troupe will fly to Japan by way of Military Air Transport Service.

Stoll, who has been associated with Booth Newspapers and the Bay City Times since 1938, will take color movies of life in Japan and Korea in addition to news pictures. On his return trip to the United States he plans a stopover at Anchorage, Alaska, where he will shoot additional movie footage of outdoor life.

County Business Shows Increase Over Last Year

While checking over last month's records in the Iosco County Register of Deeds Office this week, Albert H. Buch noted that receipts during the first eight months of this year showed an increase of \$1,535.65 over the same eight month period in 1953.

The total amount received by the county for handling real estate transfers, mortgages and other business transacted at the Deeds office from January to August of this year was \$3,382.25. During the same period last year the total was \$3,846.00.

Register of Deeds Buch said that August 4 was the biggest day this year with receipts amounting to \$145.25. In comparison with old records, he noted that this figure was larger than the total receipts of January 1945, his first month in office.

New Social Security Act to Affect Nearly Every Family

The sweeping new amendments to the Social Security Act, signed into law September 1, 1954, by President Eisenhower, will affect virtually every family in Michigan, according to Paul M. Ellifritz, district manager of the Social Security Administration.

"The protection of old-age and survivors insurance is now extended to nine out of 10 families in the community," Ellifritz said, "and the benefit payments, not only to future beneficiaries but also to those now on the rolls, have been substantially increased."

The amended Social Security Act extends coverage, commencing January 1, 1955, to about 10 million more gainfully-employed people, including self-employed farm operators and most farm workers.

In addition the new act increases benefits to all present and future retired workers and to their dependents and survivors.

The act determines benefits on a more advantageous basis by permitting a worker to drop out as many as five years of low or no earnings in computing his average wage, and by increasing to \$4,200 the amount of annual earnings that can be counted toward benefits.

The act also preserves the rights of totally disabled workers to any rights they may have earned and provides for their referral to state agencies for rehabilitation services.

The amended Social Security Act permits employed and self-employed beneficiaries under age 72 to have earnings up to \$1,200 in a year without loss of social security payments. A beneficiary 72 or over will be able to receive all his payments regardless of the amount he may be earning.

Mr. Ellifritz went on to explain that of the 10 million more persons eligible for the protection of old-age and survivors insurance, approximately six and one-half million will be brought into the system on January 1, 1955. Another three and three-quarter million may elect coverage under special arrangements.

The largest group of gainfully-employed people in the nation not heretofore covered by social security has now been brought into the 3.6 million self-employed farm operators. Commencing January 1, 1955, these farm operators will be covered on the same terms as other self-employed people, except for (See SOCIAL SECURITY ACT, Back Page)

Michigan's Highway Death Toll - - -

This week would be a good time for Iosco county residents to stop and take stock of Michigan's high death toll rates on the highways.

During the four-day Labor Day week-end, 21 persons lost their lives in traffic accidents on Michigan highways and finds itself in the unenviable position of being second in the national picture. Only California had a higher toll.

This county was again very fortunate over the long Labor Day week-end. Not a single traffic fatality was reported and only a few minor traffic accidents occurred in the county. This record was achieved in spite of a high volume of traffic over Iosco county highways.

Labor Day followed the same pattern as other summer holidays in Iosco county this year. No fatalities were reported here on either Memorial Day or Independence Day.

In spite of the high death rate throughout the state, the intensified safety campaign, which began several weeks ago, seems to have paid off. Most of the accidents reported occurred in the downstate area and apparently had no connection with the great influx of vacationers into the recreational areas.

Our state should conduct this intensified highway campaign throughout the year. Drivers must be ever on the alert, now that the summer vacation has ended and children are returning to school.

Remember—GIVE THE CHILDREN THE "BRAKES!"

\$30,000 Goal Set in Church Fund Campaign

A goal of \$30,000 in a fund-raising campaign for a new church has been announced by the Rev. Fr. Joseph A. Castanier, pastor of the Immaculate Heart of Mary Church.

"Our goal," Father Castanier said, "represents the bare minimum necessary at this time and much more will be needed in order to complete the new church. I am confident that we will far surpass the objective that has been set."

E. D. Jacques, general chairman of the campaign organization, stated that the campaign organization work is proceeding as planned and that two division chairmen and six team chairmen have been enlisted. The division chairmen are: Andrew Klingler and William Murray.

The team chairmen are: Leonard Bouchard, Joseph Lubavay, Frank Lansky, Deloise Rapp, Harold Grise and Walter Zalewski.

At a meeting of the campaign workers Tuesday night the team chairmen selected 18 men in the parish who will be enlisted as team members.

The memorial gifts phase of the campaign will begin next Sunday after a kick-off meeting in the V. F. W. Hall, according to John Coyle, memorial gifts committee chairman. "Memorial gifts," he explained, "are equipment and furnishings of the new church which are offered by parishioners who wish to memorialize living or deceased members of their own families."

Assisting Mr. Coyle on the committee are: George Baldwin, Lawrence Ball, Fred Brabant, E. D. Jacques, Andrew Klingler, William Murray and Joseph St. Aubin.

"Substance" Christian Science Service This Sunday

The practical value of understanding God as the source of all true substance will be stressed at Christian Science services Sunday in the lesson-sermon entitled "Substance."

Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (301:17-20): "As God is substance and man is the divine image and likeness, man should wish for, and in reality has, only the substance of good, the substance of Spirit, not matter."

From the Bible will be read the following passages from Psalms (37:5): "Trust in the Lord, and do good; so shalt thou dwell in the land, and verily thou shalt be fed. Delight thyself also in the Lord; and he shall give thee the desires of thine heart. Commit thy way unto the Lord; trust also in him; and he shall bring it to pass."

BIG BUZZNESS—Calvin Hudson, 7, is awed by this 295-pound, 6½-foot rotary saw blade, one of two being shipped to French Indo-China by Saw-maker Frank White, of Atlanta, Ga. Only reason given for ordering the huge-size blades was, "They have big logs over here."

It's the big Success today

You can read it in the sales figures—Buick's the car that's climbing to a phenomenal public preference. For Buick today is outselling all other cars in America—regardless of price class—except two of the so-called "low-price three." And every month strengthens Buick's new leadership position. It's the "hot" car for style, for power, for performance—and, most emphatically, for value.

It's the Beautiful Buy right now

Any way you look at it, Buick's the buy of the year, hands down. For Buick prices start close to the lowest—just a few dollars above those of the "low-price three." But those few more dollars you pay for a Buick buy you a lot more power, room, comfort, style, ride steadiness. And get this: with our tremendous sales volume right now, we can offer you a really top allowance on your present car. That's the added bonus you get from our big volume.

It's the "High Resale" car for years from now

No Wonder—**Buick Sales are Soaring!**

With Buick's year-ahead beauty today, you'll be driving a car that's right up front in the style parade of tomorrow. And when you're ready to resell your Buick, it will still be fresh and new-looking, with the modern features the others will adopt in the coming years. And that means you're bound to get a higher resale price when you do trade it in. Drop in and see this beautiful buy right now.

ABOUT TOWN

Prepares For Far East Assignment

Bert Stoll, outdoor writer-photographer of East Tawas, said last Sunday he felt like an Army recruit at an induction center after receiving immunization shots for typhoid fever, typhus, tetanus and cholera. Bert will leave next Tuesday on a month-long news assignment in the Far East (Japan and Korea) and is required to go through the usual precautionary measures taken by the military services for such a trip. Bert, an avid bird hunter, said he hopes to return to Michigan in time for a few days of late-season hunting this fall. He added, "I hope the hunters save a few 'pats' for me!"

Electricity Never Forget—Do You?

By L. C. Meyer
— Electric System Specialist
Accident Prevention Department
Employers Mutuals of Wausau

It's too bad that a fallen wire doesn't have a little sign that pops out with, "Do Not Touch" on it.

A wire on a rural line broke and fell near one end of a corn field recently. A device protecting this portion of the line automatically shut off the circuit. The property owner was cultivating corn, working his way slowly toward the fallen wire.

Not wishing to drive over it and perhaps damage it, he dismounted from his cultivator, picked up the end of the wire, carefully rolled it up and hung it over a fence post near a power pole to which it was attached.

He had no more than turned it loose and stepped away when this coil of wire suddenly became "alive" and arced and burned its way through all the strands of the woven wire fence.

Now let's go back and see what happened:

Our farmer friend wasn't the only one who had an interest in that fallen wire. The local power company had been notified that service in the area had been interrupted and promptly dispatched a repairman to investigate.

Unaware of the actions of each other:

The farmer stopped his tractor almost the same time the repair truck drew up some distance away.

The farmer started to roll up the wire.

A repairman started to climb the pole to check the switch.

As the farmer finished rolling up the wire, the repairman decided to test the line.

The farmer hung the loop of wire on the fence post and turned away. The repairman closed the switch.

And the farmer had missed death by seconds!

Electricity is a relatively new miracle to many rural areas in the country. When handled properly it is, beyond any doubt, one of the wonders of the world. But it can become a deadly weapon when it isn't handled correctly, as the farmer almost found out. In order to protect yourself and your families there are a few simple procedures that should be followed at all times:

1. Consider every fallen wire as dangerous.
2. Keep a safe distance from any fallen wire.
3. Telephone wires and electric wires look the same—don't try to tell them apart.
4. Notify the proper authorities as soon as you spot a fallen wire.
5. If necessary, post a guard by the wire to keep others from coming into contact with it.

Whittemore Speedway Ends Successful Season

The Whittemore Speedway ended a successful season of stock and road car racing with capacity crowds and plenty of thrills and excitement during the races last week-end.

The season's final trophy race last Sunday afternoon was won by Donald Armstead of Whittemore in the road car class and James Morton of Houghton Lake was the stock car trophy winner.

These two drivers also won the feature races on Saturday night and Morton won two heat races during the week-end of racing at the Whittemore oval.

Winners of heat races on Sunday were Bob LaBerta of Standish and Dewayne Hall, Whittemore, in the road cars, and James Morton and Pat Patterson of Oscoda in stock cars.

Donald Armstead won the road car Australian pursuit and Morton topped the field in the stock car pursuit race.

Heat races Saturday night were won by Ed LaDuke of West Branch and James Morton in the stock car class, while George Lee, Jr., of Bay City and Donald Armstead won in the road car event.

Ice won both the stock and road car Australian pursuit races on Saturday night.

The ladies powder puff race was won by Lillian Armstead of Whittemore.

HOME modernizing

Livability and Appearance of Home Can Be Helped By Extra Touches

Little extra touches in a home can reap big dividends in added livability or glamor. The pictures below give four such ideas from Home Modernizing magazine.

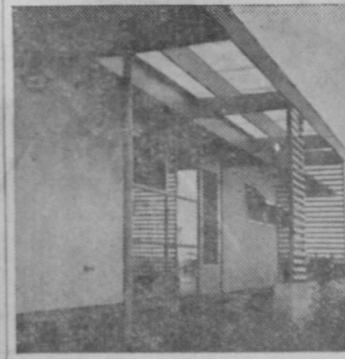

Big panes of glass are effective, even in a kitchen. Note water fountain by the door.

Open shelves high on the wall provide storage without interfering with furniture placement.

Open stairs can be a dramatic decorative asset, especially with an arrangement of plants like this under the stairs.

A wide roof overhang gives a modern look, shelters patio. Corrugated translucent plastic doesn't block light.

Two Minor Fires Reported By City Fire Department

Two minor grass fires were reported in Tawas City this week. On Tuesday the Tawas City Fire Department answered a call at the St. Joseph School. Rubbish burning in a barrel was the cause of the blaze.

The fire department was called to the home of Neil Kimpi in Tawas City on Wednesday. A burning rubbish pile spread into high grass.

Saginaw Fair Has Many Free Attractions

When you step to the ticket window at this year's Saginaw Fair, September 12 through 18, your 60 cent admission ticket represents an 83 percent discount on an actual \$3.50 ticket value. Figuring only average attendance charges for just 10 of the free attractions within the 73-acre fairground, the total charges would add to \$3.50.

Your 60 cent Saginaw Fair admission ticket gives you, in addition to the thousand-and-one other attractions, a complete flower show, a Builders and Home Appliance Show, a Farm Machinery Exposition, a Farm Crops Show, an Antique Show, a complete carnival, a Handicraft Show, a Hobby Exposition, a Livestock Show and an Auto and Mobile Show. All this, plus "Pleasure Island" at its best, for only 60 cents...at the 1954 Saginaw Fair, September 12 through 18.

Finds Quarter in Catfish—With Our SERVICEMEN

Fellow fishing near Bronson, North Carolina, found a quarter in a catfish. Money-hungry anglers are advised not to get any "finny" ideas about cutting up the home-goldfish population.

Niles C. Anderson, chief engineer, United States Navy, and Charles C. Harrah, chief machinist's mate, United States Navy, recruiters at the Saginaw postoffice, announced this week that three Isosco county men enlisted during the month of August and are now training at the United States Naval Training Center at Great Lakes, Illinois.

The August enlistees from Isosco county were Dewey J. Pavelock and Larry H. Brown, both of Tawas City, and Adam S. Birkenbach of East Tawas.

The Navy recruiters announced that there is no waiting list for enlistment in the United States Navy.

Michigan Tops Nation in Labor Day Fatalities

Michigan topped the nation in Labor Day week-end highway deaths. At the latest count 21 persons had lost their lives in spite of stepped-up enforcement of traffic laws by Michigan State Police, city and county law enforcement agencies and an additional 675 Michigan National Guardsmen.

In Isosco county only one serious traffic accident was reported.

Mrs. Beulah Joseph, 55, was taken to the Tawas Hospital last Friday afternoon after she suffered a possible broken collar bone in an accident three and one-half miles north of East Tawas on US-23.

The injured was a passenger in a car driven by Abraham Joseph of Lagoon Beach, Bay City.

Joseph attempted to pass a truck but was forced to apply his brakes when a car approached from the opposite direction. The car skidded off the pavement and rolled over.

Trooper George Burnette of the East Tawas post, Michigan State Police, investigated the accident.

The Isosco County Sheriff's Department reported several minor traffic accidents. No injuries were reported.

Cederberg Announces His Opening of District Office

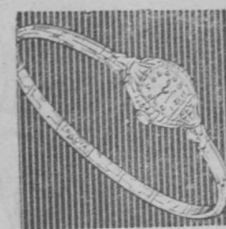

Congressman Elford A. Cederberg has announced the opening of his Congressional District Office in Bay City this week. The office is located in Room 303 Federal Building, and the telephone number is 2-5791.

Congressman Cederberg says the office will be open Monday through Friday from 9:00 a. m. to 5:00 p. m. He added that in so far as possible he expects to be in the office on Mondays and Fridays to keep appointments with his constituents. On other days of the week he expects to be in the other 13 counties of the 10th District making contact with the citizens.

The SNAPSHOT GUILD

If the youngsters in your family are exhibitors at the fair, you may come home with snapshots that show not only prize-winning exhibits but prize-winning smiles as well.

"Come to the Fair"

It's County Fair time all over America. What a time for taking pictures! Whether you participate with your own entries in the exhibits, or just go to look—a wonderland of picture-taking material is set down in front of you all in one place.

This is the time to equip your camera with flash, so that you can take pictures under cover as well as out in the open. You'll want to take pictures of the entries from the farm and the kitchen. You'll want to snap your friends enjoying the amusements. And you'll want to take some night shots under the flaring lights.

If someone at your house is preparing an entry, you've got good subject material for a camera series. Whether it's the daughter of the family baking a cherry pie or one of the boys preparing a 4-H entry, it's good photo series material. Start right from the beginning.

For example, snap Sis among the raw ingredients—the mixing bowl, the pie tin, the bread board and rolling pin, the cherries, the cup of sugar—everything right down to the measuring spoons. Picture her rolling out the dough, lifting it into the tin, filling the shell with the cherries, and taking the pie out of the oven. Do it in color. It's the best way to record a pretty face, flushed with pride and color of the ribbon she won. That one alone is a picture that would be a standout in any family album.

The meeting was called to order by Mayor George W. Myles. The following aldermen were present: Cholger, Evril, Ruckle, Tuttle, Wright and Ziehl.

The minutes of the previous meeting were approved as read. Mr. Gordon Huck of the Consumers Power Company was present and requested that the city grant an easement to the Consumers Power Company across the City Hall property for a pole line.

It was moved by Alderman Evril and seconded by Alderman Ruckle that the Mayor and Clerk be authorized to sign an easement giving the Consumers Power Company the right to erect a pole line on and across the Nely side of Lot 11, Block 3, Original Plat City of Tawas City, Michigan.

Roll call: Yeas, Aldermen Cholger, Evril, Ruckle, Tuttle, Wright and Ziehl. Nays: None. The motion carried.

A petition for rezoning areas in our city was presented by Mr. Herbert Hertzler. He requested that certain parcels in Wheelers Second Addition to Tawas City be re-zoned from Residential B to Commercial.

After discussing the matter it was moved by Alderman Ziehl and seconded by Alderman Wright that the following resolution be adopted.

RESOLUTION ON RE-ZONING
Whereas, a petition has been filed requesting re-zoning of Lots Two (2) Three (3) and the Southwest One Half (SW 1/4) of Lot Four (4) of Block Eleven (11) of Wheelers 2nd Addition to Tawas City, in the City of Tawas City, from Residential B to Commercial.

It is resolved that the 2nd day of August, 1954 at 8 o'clock p. m. at the council chamber in the City Hall be and is hereby fixed as the time and place for hearing any objections there may be to such re-zoning, and that the City Clerk is hereby directed to secure publication notice of such hearing in the Tawas Herald until such date.

Roll call: Yeas, Aldermen Cholger, Evril, Ruckle, Tuttle, Wright and Ziehl. Nays: None. The motion carried.

It was moved by Alderman Evril and seconded by Alderman Cholger that the City Clerk ask for bids for a new heating system for the City Hall. Specifications may be obtained from the City Clerk.

Bids are to be opened at 10:30 A. M., City Hall. The city reserves the right to reject any or all bids.

Roll call: Yeas, Aldermen Cholger, Evril, Ruckle, Tuttle and Ziehl. Nays: None. The motion carried.

It was moved by Alderman Ziehl and seconded by Alderman Wright that Orville Leslie be appointed to fill the vacancy as supervisor for the First Ward, City of Tawas City. The motion carried.

Albert H. Buch, Clerk.
George W. Myles, Mayor.
Regular meeting of the Common Council held on August 2, 1954.

The meeting was called to order by Mayor George W. Myles. The following aldermen were present: Cholger, Evril, Ruckle, Tuttle, Wright and Ziehl.

The minutes of the previous meeting were approved as read. The hearing on vacating parts of streets in F. Scheffler and Company, addition to Tawas City was the next order of business. Mr. James Mark, representing the Detroit and Mackinac Railway Company, was present.

As there was no one present to object to the vacating of the streets, it was moved by Alderman Tuttle and seconded by Alderman Evril that the following resolution be passed.

RESOLUTION VACATING PARTS OF STREETS IN F. SCHEFFLER AND COMPANY'S ADDITION TO TAWAS CITY
Whereas, in pursuance to a resolution adopted June 21, 1954 fixing August 2, 1954, at 8:00 o'clock as the time for hearing objections to vacating the following parts of streets in the City, being in F. Scheffler and Company's Addition to Tawas City, plat of which is recorded of Deeds Office in Liber 2 of Plats, Page 2, to-wit:

Fir Street: From the westerly side of said plat to the easterly side thereof.

Huron Street: From Fir Street to Cedar Street.

Ottawa Street: Southerly from Cedar Street.

Due publication was made of notice of such time and place for hearing objections, and

Whereas, the Council has so met at such time and place and no one has appeared to object to vacating the said part of streets and the council deems it advisable to vacate the same.

Resolved, that said parts of streets be and are hereby vacated.

Roll call: Yeas, Aldermen Cholger, Evril, Ruckle, Tuttle, Wright and Ziehl. Nays: None. The motion carried.

Mr. Ben Leslie was present and requested information regarding the re-zoning of certain parts of streets.

The hearing on re-zoning certain parcels in Wheelers 2nd Addition to Tawas City was made the next order of business.

As there were no objections to the re-zoning of parcels in Wheelers 2nd Addition to Tawas City, it was moved by Alderman Wright and seconded by Alderman Ziehl that the following resolution be passed.

RESOLUTION
Whereas, by resolution adopted July 19, 1954, the Council fixed this day at 8 o'clock p. m. as the time for hearing objections to re-zoning the area of the

Legal Notices

city hereinafter described, and due notice having been given as directed in said resolution, and whereas, all objections have been considered and deemed not good valid objections.

Resolved, That Lots two (2) and three (3) and the Southwest Half (SW 1/2) of Lot (4) of Block eleven (11) of Wheelers 2nd Addition to Tawas City, in the City of Tawas City be and is hereby re-zoned from Residential B to Commercial, in accordance with the Zoning Ordinance of the City.

Roll call: Yeas, Aldermen Cholger, Evril, Ruckle, Tuttle, Wright and Ziehl. Nays: None (0). The motion carried.

The bids for a heating system for the city hall were opened and ready for reading.

Two bids were received. As Mr. Rudolph Witzke was the low bidder for the installation of the heating plant, it was moved by Alderman Ruckle and seconded by Alderman Cholger that we accept the bid of Mr. Rudolph Witzke for the installation of the heating plant in the City Hall.

Roll call: Yeas, Aldermen Cholger, Evril, Ruckle, Tuttle, Wright and Ziehl. Nays: None. The motion carried.

With the losco 4-H Clubs

By DOROTHY SCOTT

Calendar:

September—Get those enrollments under way!
September 19—County 4-H Club Picnic, Aulerich Park, 1:00 p. m.
Losco county 4-H Club members are back home after participating in the State 4-H Club Show at Michigan State College in East Lansing, August 31 to September 3.
Our exhibitors did very well among the several thousands of exhibits on display in the auditorium, demonstration hall or Macklin Field. A placings were awarded to Charlotte Webb of Hale for her three piece embossed cotton playsuit, to Doris Herriman of Tawas City for her peanut butter cookies, to Sherrill Scott of Hale for her unfrosted cupcakes made with whole egg, Darlene Minard of Alabaster was awarded a B ribbon on her white turtle neck knitted sweater, and a C ribbon was awarded the coffee cake made by Ardith Bellen of Whittemore.

Contestants in several activities included Ross Williams as a tractor operator, Sharon Frank giving a monolog in the fun festival contest, Gale Duran presenting an electrical demonstration, and the Laidlawville 4-H Club entered the business meeting team contest. Ross tells us he placed 10th among about 20, and the business meeting team placed ninth.

Fifty-eight 4-H Club members and leaders joined the week-long state delegates at the State Show on Thursday, making an overnight stay and returning on Friday. They came by bus and by car. Leaders and drivers included: Louis Katterman, Harold Black, Mrs. Darwin Minard, Mrs. Melvin Brown, Mrs. Harold Goedecke, Mrs. Ira Scofield, Mrs. George Kindell, Mrs. Roy Atkinson and Franklin Bischoff.

4-H Club member delegates included (first nine named made up the business meeting team along with Sharon Frank, an all-week delegate): Sandra Lipka, Ruth Ann Proper, Louella Goedecke, Dorothy Wellna, Judy Nellie Joyce, Wellna, Richard Laidlaw, Bill Laidlaw, Larry Frank, Andrea Duquette, Darlene Minard, Kathleen Charboneau, Lois Vane.

Judy Bowsby, Judy Brown, Darlene Scofield, Sherrill Scott, Charlotte Webb, Phyllis Herriman, Pauline Degesie, Phyllis Watts, Joyce Coates, Grace Pagel, Nancy Proper, Ronna Lee Erickson, Marcia Minard, Carol Runyan, Ardith Bellen, Dolores Runyan, Faye Pagel, Shirley Greenwood, Darlene Minard, Marie Chippis, Karen Helmbold, Clifford Bielby, Billy Wilson, Peter Bolen, Ronald Aulerich, Larry Erickson, DeWayne Durant, Richard Pfahl, Richard Aulerich, David Jacobs, Brian Bellville, Nathaniel Jacobs, David Sturtevant, Jack Furst, Larry Whitford, Ellert Barnes.

Mr. and Mrs. Clifford Bennington, Dennis and Michael also visited the State Show one day as a part of their vacation trip.

These folks had an opportunity to see the many exhibits of more kinds of projects than you may think to hear some top demonstrations, see livestock auctioned, and to attend one of the evening programs where announcements of winners were made, with the state dress revue and fun festival acts completing a most enjoyable and entertaining program.

Having seen what participating in a state event is like, we are hopeful that many of our 1955 4-H Club members will begin early to make plans for being among those State Show competitors a year from now.

Checks for premiums won at our county 4-H Club section of the fair have been mailed to all

exhibitors. If there are any questions, please do not hesitate to let us know of them.

"Discussion of ways to have transportation to and from Hale to meet the bus going to the State 4-H Club Show at Michigan State College was new business in the meeting held at Laidlawville School on August 30.

"It was decided that Franklin Bischoff, Edward Nelkie and Harold Goedecke are going to drive us over on Thursday morning. Franklin Bischoff, Mrs. Brown and Mrs. Wellna will pick us up on Friday afternoon.

"Miss Scott and Mr. Davenport were at our meeting and gave pointers on how to improve our business meeting demonstration. Our leader and 15 members were present. Recreation leader, Larry Frank, provided games for us. Meeting was adjourned." Dorothy Wellna, reporter.

County Agent News

By MARVIN DAVENPORT

Before you plant wheat this fall better take a closer look at the new "cross-companant" provision of the farm price support law.

Under this ruling you will have to stay within your acreage allotment of all crops on your farm in 1955 to be eligible for support on any crop. This is emphasized by Clarence Prentice, Michigan Agricultural Stabilization and Conservation (ASC) administrator.

For example, this year if your wheat quota was 10 acres, you could still set 15-acre crop, but without price supports. Now, however, if you exceed your wheat quota you won't be able to get support prices on corn or any other supportable crop.

Total acreage allotments will also be in effect for all farms which have more than 10 diverted acres in 1955. Diverted acres are those which have been forced out of production of cash crops by allotment restrictions.

For example, if you had to cut down more than 10 acres on your wheat crop you won't be able to shift those acres over to another cash crop. You will not be able to have more acres of cash crops this year than last.

You will have to leave the diverted acres idle or put them into hay, grass or some other forage. The Agricultural Conservation program is helping farmers with cost-sharing to put these acres into soil building crops.

Here again, a farmer will have to stay within the total acreage allotments for his farm to be eligible for any supports. State ASC officials do not know as yet whether there will be other crops under allotment other than wheat and corn for 1955.

The fly-free date for Losco County is September 7, according to word from Ray Janes, Michigan State College extension entomologist. The Hessian fly is one of the insects that attack wheat in both fall and spring. The insect's larvae (maggots) feed beneath the leaf sheath, usually next to the ground. That's the reason the fly is dangerous.

But even at that keep your seed wheat in a sack or bin until you are sure the Hessian fly will give you no trouble. The fly overwinters in the "flaxseed" state on the wheat. Maggots that come out of the "flaxseed" in the spring become the flies that lay eggs for the spring generation.

The only way to control the insect is by planting wheat in the autumn after late summer generation of the insect has died off. That prevents damage to the wheat in the fall from the maggots and cuts down the number of flies overwintering for the spring generation.

Farmers who have been having trouble with Hessian fly should plant their wheat later than the fly-free date—the wheat can make enough growth before its dormant period. A late fall sometimes upsets the calculations on the fly-free date and some flies continue to lay eggs.

Observing the fly-free date also helps avoid damage from some other insects.

Poultry raisers, are you having trouble with blue comb in your flock? You are if the birds are droopy, their combs are darkening and they have severe diarrhea.

If the birds have blue comb, the disease hits the entire flock and you'll see a drastic drop in feed and water consumption. The disease will also be a severe cut in egg production. What can you do about it?

Dr. S. C. Schmittie, extension poultry pathologist at Michigan State College, says you can stop the disease in three to five days if you watch for the early stages. He recommends putting an antibiotic, either aureomycin or terramycin in the drinking water. You can purchase it from a dealer who carries poultry remedies. The label on the container will tell you how much to use.

HDA NOTES

By Dorothy Scott

Monday, September 13—Home Demonstration Council Meeting, 10:00 a. m.

Thursday, September 16, "Care of Biennials and Perennials"—leader-training meeting.

True to form, as the calendar shows, September brings us all back to thinking about our home demonstration program and its activities for fall and winter.

Planning for the dates of meetings, workshops, county events and other things to be a part of the 1955 program will take place at the September 13 council meeting. Group program chairmen (vice-chairmen) are being invited to attend this meeting of the council because they need the information in working with their own group committees in planning for the meetings to be held by each group in the coming year.

H. L. Chapman, a specialist in flower gardening from Michigan State College, will conduct the meeting on caring for biennials and perennials for leaders who will, in turn, carry the information to the more than 100 group members around the county.

Cut flowers on your table are out of their natural environment just as captured wild an-

imals are. Just as we go to much trouble to give animals a "just like home" atmosphere, we ought to do the same for cut flowers. Create the same conditions as they had in the garden, advises C. E. Wildon, Michigan State College horticulturist.

Flowers should be cut after sunset when their food supply is highest. After the flowers are cut, they should be plunged into warm water (90 degree) up to within a few inches from the

bloom and kept there for four to eight hours. After they are taken out of water, the ends should be cut off again to start a new water column.

It makes little difference how you cut flowers. Burning or scalding the ends does not help. Putting ice cubes in water causes respiration to slow up. After flowers have been "hardened off" by deep plunging in warm water, they may be placed in cooler water less deeply and placed in a cool location free of draughts until you are ready to use them.

Whenever bereavement occurs, we stand ready to give aid and comfort in time of need.

One phone call will shift the burdensome details to our shoulders.

Robert A. Williams
Robert A. Williams, age 67 years, died suddenly August 27, from a heart attack while washing his car at his home in the Benson subdivision.
He was born in Detroit on May 14, 1887, and came here about 11 years ago when he retired. He had been a member of the Detroit Fire Department for 25 years.
He is survived by his wife, the former Minnie Grube; a daughter, Mrs. Doris Kolodisick of Utica; three sisters, Mrs. Bruce Perkins of Bancroft, Mrs. Gladys Key of Albion and Mrs. Vera Buze of Detroit; three grandchildren; nine nieces, and two nephews.
Funeral services were held on Monday August 30, at the Jacques Funeral Home with the Rev. Charles E. Mercer officiating. Burial was in the Tawas City Cemetery.

Bride-Elect Fedet
Mrs. Rosemary Klenow entertained guests at a party Tuesday evening at her home honoring Miss Doris Lieber of Twining, who will become the bride of Harry Proulx of Augres on September 18. Among the guests were employees of the Detroit and Mackinac offices. The party was in the form of a personal shower and Miss Lieber was the recipient of many beautiful gifts.
Features of entertainment were games with prizes and the showing of slides.
The hostess served refreshments from a table centered with an arrangement of white asters and pale blue garden flowers. The home was decorated with bouquets of pink roses.

Irene Rebekahs Hold Visitation Night
Visitation night was observed Wednesday evening at the Irene Rebekah Lodge with 15 guests present from Omer and Harrisville. Honored guests were three district officers, Grace Foster, Omer, district president; Geraldine Holmes, Omer, district treasurer; Martha DePotty, Tawas City, district secretary.
A reading by Pauline Scholtz of Harrisville, piano numbers by Fanny Greanya of Omer and community singing were enjoyed.
Refreshments were served by the following committee, Muriel Davidson, Neva Moffatt, Helen Applin, Bertha Roper and Beatrice Grossmeyer. The tables were lovely in pastel colors with centerpieces of gladioli and pastel candles.

Security Act
(Continued from First Page)
special provisions under certain conditions for figuring the amount of their net earnings.
Abolishing the old requirement that farm workers be regularly employed by one employer means that over two million additional farm employees will have social security protection for themselves and their families. The new provision simply requires that the farm hand earn \$100 cash wages in a calendar year from one employer.
Persons now receiving monthly payments do not have to take any action to get these increases, Ellifritz said. They will be made automatically, and do not have to be applied for.

BIG BITE—Her bow opened like a huge mouth, the Navy's new "Tradewind," the R3Y-2, prepares to gulp 103 battle-ready soldiers during text exercises at San Diego, Calif. The cavernous interior of the 80-ton turboprop Convair-built seaplane is also designed to carry cargo or tanks. A fleet of the huge craft will be in operation before the end of the year.

Legion Auxiliary Donates To Emergency Polio Fund

The East Tawas American Legion Auxiliary, Audie Johnson Unit, met Monday evening at the Legion Hall. The president, Evelyn Price, had charge of the business meeting.
A donation was made to the Emergency Polio Fund.
A fine report of the Department Convention held at Grand Rapids was given by Dorothy Harmon.

Plans were made to attend the 10th District meeting at Midland on September 19. Junior Past President Dorothy Harmon was presented with a president's ring by President Evelyn Price in behalf of the unit. Delegates chosen for the fall conference were President Evelyn Price, Child Welfare Chairman Mildred Gardner, Secretary Helen Applin, alternate, Dorothy Harmon, district second vice president. The conference will be held at Lansing.
Refreshments were served after the meeting by the following committee, Florence Bartlett, Clara Barkman, Gladys Butterfield and Marie Anderson. Table decorations were a centerpiece of colorful petunias and white candles.

Awarded Prize for Painting At Maine Art Show
Lorena Walkley Johnson (Mrs. Ralph Johnson) of East Tawas was awarded The Western Artist Prize for the most skillful rendering of the sun and shadow in "Nature's Retreat," at the Prickett Foundation of San Art Show in Castine, Maine, by popular vote of the public.
Major Prickett served in the Air Force in World War I and is a noted artist, having students in every state in the union and in foreign countries. Mrs. Johnson has a display of many beautiful scenic drawings, but her picture "Nature's Retreat" is exceptionally fine.

Pre-Nuptial Shower
Mrs. Forest Stump was hostess Tuesday evening at her home on Main Street to a pre-nuptial shower in honor of Miss Delores Charters, daughter of Mr. and Mrs. Rupert Charters, who will marry Gary Whitford on Saturday. There were 16 guests.
The evening was spent with games and prizes. Winners were Mrs. Rupert Charters and Mrs. Ralph Burt. The honored guest received many lovely gifts. Dainty refreshments were served by the hostess.

Pay \$8,395 in Bounty Payments
Hunters and trappers bountied 119 coyotes and 1,263 foxes during July, the conservation department reports.
A total of \$8,395 in bounty payments was authorized.
No wolves were listed on the monthly report.
Out of the total, 14 coyotes were taken in five northern counties below the Straits. All the remainder were killed in the Upper Peninsula.

East Tawas Indies Decision Tawas City 4 to 3

The Tawas City Indies rattled seven hits off the slants of John Martin Sunday, but dropped a 4-3 decision to the portside East Tawas hurler in an exhibition game at the East Tawas diamond.
The East Tawas club scored a single run in the fourth, fifth, sixth and seventh innings on only one hit allowed by Tawas City's starting pitcher, Donald Westcott. The winners collected a total of three hits during the nine innings of play.
Tawas City put together four hits in the sixth inning but were able to score only two runs when Martin retired the side with the bases loaded.
Mern Warner and Gary Humphrey led the Tawas City team in batting with two hits apiece. Davison of East Tawas had the only extra base hit of the game, a double, in the seventh inning.
In posting the win for East Tawas, Martin walked four, hit one batter and struck out eight. Westcott walked six, hit three batters and struck out five.
The game was a loosely played affair with five fielding errors charged against each team.
