The WSCS of the East Tawas Methodist Church will hold its annual mother-daughter banquet in the church parlors next Thursday evening, May 5.

(See East Tawas, back page.)

Meet Held to Discuss School Problems

Last Thursday evening a group of interested citizens accepted the invitation of the Committee for a School to attend a public meeting at the Tawas City Hall to discuss school problems.

It was decided that the committee's policy of supporting the decisions of the Tawas Area Board of Education would prevail in the May 17 school election as in the three previous bonding elections. The committee pledged its support to the school building program on the Neumann-Reinke site.

Thursday evening (tonight) another meeting of the committee is scheduled for 8 o'clock at the Tawas City Hall and all interested residents of the school district are urged to attend.

Farewell Party Given Mr. and Mrs. Anschutz

A farewell party for Mr. and Mrs. Norman Anschutz of East Tawas was given by Detroit and Mackinac employees at the Masonic Temple Wednesday night. Mr. Anschutz will report May 1 at South Bend, Indiana, where he has a new position with Place and Company, manufacturers and builders.

A graduate of Michigan State College, Anschutz served as chief clerk to the president and general manager of the railroad.

Mr. Anschutz served with the United States Navy during World War II and is a graduate of East Tawas High School.

A third generation member of a railroad family, Anschutz has been employed by the Detroit and Mackinac for six years. He started his railroad career in the car service department and three years later was promoted to his present job.

His father, Anton Anschutz, retired from active railroading with the Detroit and Mackinac last fall. His grandfather, John Anschutz, worked with the Detroit, Bay City and Alpena Railway, forerunner of the present day railroad.

Mr. and Mrs. Anschutz are the parents of two children, Lori and Kurt.

Time Limit Set in Which to Secure Title of Voter Approved School Site

The Tawas Area Board of Education reaffirmed its approval of a time limit resolution adopted at a special meeting of the board last Friday evening at the Tuesday evening meeting. This resolution affixes June 24, 1955, as the deadline by which the preferred site selected in the May 17 site-bonding election must be available to the school district with a clear title. This action was taken so that the board's right of decision would be restored if the selected site could not be made available within the allotted time.

Other business to come before the board Tuesday was a discussion concerning the quality and source of band uniforms, the purchase of which had previously been approved by the board. The advisability of securing 90-day options on property adjoining the fairgrounds and Herbert Hertzler, who was authorized to secure options in an unanimously approved motion at the Friday session, stated he had contacted all land owners, but had not obtained the options.

Supt. Reynold Mick pointed out that the amount of money the board of education will be required to levy yearly to pay off bonds and interest in the May 17 bonding election will be a total of \$41,000 to a high of \$47,000 with an average of \$44,000. This will call for a levy of from 2.4 to 2.7 mills on the state equalized valuation of the district. The millage to cover this amount of money on county equalized valuation assessed in 1954 would be about double in Iosco County and not quite doubled in Arenac County. The board would be required to levy this amount until the bonds are retired, or for 25 years.

This 2.4 and 2.7 mill amount is about one-half the amount required to pay off bonds under the previous bonding proposition. In previous bonding propositions the board would be obligated to levy \$78,000 and now only \$41,000 to \$47,000.

The change in amount of yearly levy is possible due to the fact that this measure will be paid back in 25 years rather than in about 14 years. The state constitution amendment passed on April 4 permits this.

Bills totaling \$1,270.13 were approved for payment and the purchase of 20 tables and 40 chairs was authorized.

It was announced that the enumeration of the school census will start May 10. Mrs. Alton Long and Mrs. Elmer Durant will solicit the count. A communication from E. D. Durant, chairman of the Citizens' Committee for Better Schools, was read regarding the deadline for the school census.

Trustee Look asked that the board rescind the time limit motion passed in a resolution presented by Trustee Stuart White and seconded by Trustee William Look at the Friday meeting. The letter stated: 1. Mr. Peterson of the forestry service advises that papers for sale of fairgrounds are now in the Cadillac office. 2. Request that the board delete the deadline date so that this committee can go along with the vote.

Trustee Look asked that the board rescind the time limit motion passed in a resolution presented by Trustee Stuart White and seconded by Trustee William Look at the Friday meeting. The motion was defeated on the following roll call: Curry, no; Fox, no; Niles, no; White, yes; Look, yes.

A copy of the resolution setting the June 24 deadline at the Friday meeting was supported by Trustee White. WHEREAS: 1. The Board of Education has called a Special Election of the qualified electors of the Tawas Rural Agricultural School District No. 1, Frl. Iosco and Arenac Counties, Michigan, to be held on May 17, 1955, submitting the following proposition: (See School Board, back page.)

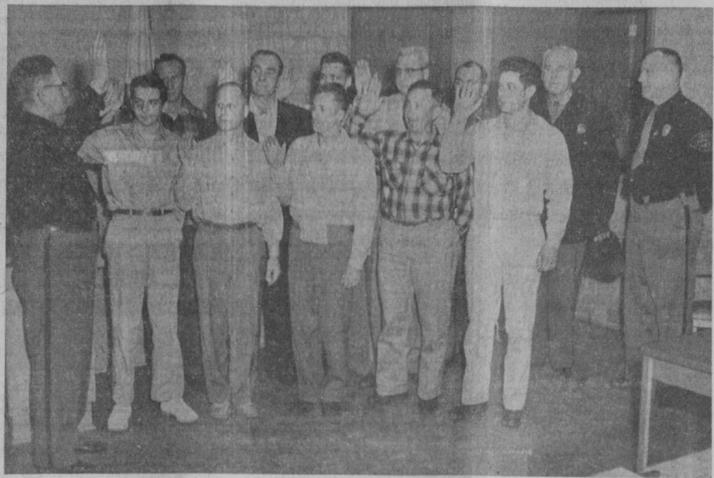

Get 53 Members Campaign

A total of 53 members has been reached in the current membership drive of the Tawas City Businessmen's Association. It is hoped that every businessman in the city can be contacted and enrolled as a member.

The association, which holds noon-day luncheons at Vic and Zelle's Restaurant every Thursday, assumes an active part in community life by sponsoring civic projects, such as, the annual children's Halloween party, the community Christmas tree programs and ice skating rink.

Any businessman who wishes to join the Tawas City Businessmen's Association may do so by sending a check for \$2.00, dues for 1955, to Nelson Thornton, secretary of the association.

IOSCO COUNTY CD PROGRAM PROGRESSES

Ten new sheriff's reserve officers were sworn into the Civilian Defense Program last Thursday night at the Iosco County Building. The new officers will play an important role in civilian defense activities in this county. Pictured above is Chief Deputy Charles Kurtzrock, left, administering the oath. Tawas City Police Chief Eugene Ruth and Sheriff Ivan O'Farrell are at the right. Back row, left to right: William Groff, Carl Eckman, William Sharp and Harold Funk. Front row, left to right: Eugene Fernetto, Kenneth Brooks, James Sullivan, Alton Long and George Westcott.

10 Graduate in Intensified CD Program

Iosco County's role in the civilian defense program was strengthened last Thursday night with the graduation of 10 reserve officers in the Iosco County Sheriff Department's intensified CD training program. An additional group of officers will graduate about June 15.

The first class of reserve officers was sworn into the unit by Chief Deputy Charles C. Kurtzrock, deputy director of civilian defense for Iosco County. Shields were presented to each member of the class by Sheriff Ivan L. O'Farrell, who has overall charge of the program.

During the past six months these candidates have undergone a special training program, including a complete course in first aid. Each prospective officer was required to pass the course before graduation. The reserve officers unit will augment the sheriff's department in the event of a disaster. The unit will work directly with the sheriff's department in the national civilian defense program.

The present program in Iosco County has progressed rapidly during the past few months. Plans are set up to handle not only the county's role in a national emergency, but is geared to go into action in case of a tornado or such other disaster strikes the area.

Included in the program would be the use of heavy equipment such as truck, bulldozers, scrapers, ambulances and school buses. The deputy director said that hospitals, as well as doctors and nurses within a 25-mile radius of Iosco County, could be employed in the civilian defense network in this area.

More Trout, Inc. Elect Directors

The shareholders in More Trout, Incorporated, held a very crucial election Sunday at the annual meeting at Saginaw when Dr. John Kitchell of Grand Haven attempted to unseat the present leadership which would have radically changed the operational policies of the organization. The slate of director nominees backing a continuance of present policies were elected by large majorities.

The directors elected were James Rhule of Bay City, Ray Peters, John Gricar, Ralph Walker and Harry Hollingsworth, all of Saginaw.

The defeated candidates were: Dr. J. H. Kitchell of Grand Haven, Bert Johnson of East Tawas, James Goodrow of Detroit, J. K. Werkman of Royal Oak and Martin Durham of Birmingham.

Directors of the organization whose terms of office had not expired are E. M. Becker of Alma, Thomas Stillans of Detroit, Theodore Vlassis and Floyd Allen of Saginaw.

The following officers were named by the board of directors: Amos Reaume of Detroit, president; Avery Dice of Saginaw, vice president; Walter Marsh of Saginaw, secretary-treasurer.

Mrs. C. L. McLean has returned from a two-week visit in Chicago with her daughter and family.

Gives Decision on Townline Drain

Judge Philip J. Glennie of Alpena, in an opinion rendered Tuesday, held that all proceedings in preparation for constructing the Townline Drain were valid excepting the lack of proper notice to the landowners in the review of assessments. He ordered a reassessment to be made in an equitable manner of all taxes set aside in the decree.

563 Children Receive Salk Polio Vaccine

A total of 563 school children received Salk polio vaccine shots at five clinics throughout the county since the start of the program a week ago Tuesday, it was announced today by Mrs. Grace Hanna, Iosco County nurse and director of the vaccination program.

In line at Iosco County schools for the free vaccination shots were first and second graders whose parents requested the shots. The entire immunization program was completed in one week. Clinics were held at Whittemore, National City, Hale, Oscoda, East Tawas and Tawas City.

A week ago Tuesday James Bassi, son of Mr. and Mrs. Peter Bassi of National City, was the first Iosco child in line for the inoculation. The vaccine used during the week was furnished by the National Foundation for Infantile Paralysis and was manufactured by Parke, Davis and Company of Detroit.

The second series of shots will start about May 8. It is hoped that the third shot will be given some time next fall. Physicians from Iosco County who participated in the program were Dr. V. W. Kershal, Dr. L. A. Lambert, Dr. Lawrence LaPorte, and Dr. Norman Payea. The second series of shots will be administered by Dr. J. J. Austin and Dr. Kershal. Cooperating in the program were United States Air Force physicians from Wurtsmith Air Force Base.

Two Chosen for United Nations Pilgrimage

Two Tawas Area High School students were chosen delegates to attend the United Nations Pilgrimage for Youth, it was announced this week by Vernon Hughes, noble grand of Baldwin Lodge, IOOF, sponsor of the program.

Selection of the two students, David Butterfield and Judy Barkman, junior and sophomore respectively, was decided by a panel of judges.

Expenses of one of the students on the trip will be paid by the Baldwin Lodge, while the other student is being sent through a donation of \$100 by the Tawas Kiwanis Club and contributions from other organizations and individuals in the area.

The UN Pilgrimage winners will spend a week at the United Nations headquarters in New York City. They will also see some of the sights of New York on the trip. Selected as alternates were William Laidlaw, a sophomore, and Marilyn Smith, a junior.

Mrs. Howard Free entertained Club 13 on Wednesday evening. Reginald Boulder of Cadillac visited his mother, Mrs. Fred Boulder, on Monday.

CITY DEPARTMENTS BUSY NOW THAT REAL SPRING IS HERE

Plans for the construction of additional sanitary sewers and extension of existing water mains in Tawas City will be ready next week, it was reported Tuesday by Reginald Blubitz, superintendent of public works. The engineering is being done by Clifford Spicer of Saginaw.

Present plans call for the construction of a sanitary sewer on Harris Avenue from the school building to the city limits and extension of sewer and water to the Elms Second Addition and the west side of US-23 to the south Tawas City limits.

At present, department of public works crews are cleaning up the Tawas City Cemetery and getting it ready for Memorial Day. Recently the Lutheran and Immaculate Heart of Mary cemeteries received an annual spring cleaning by the respective churches.

In a letter received by Mayor George W. Myles this week, Wesley Schember, mayor of the village of Unionville, accepted the invitation to come to Tawas City on Mayor's Exchange Day, Monday, May 16. The exchange is part of the Michigan Week program, May 16 through 21. Mayor Myles will go to Unionville in the exchange.

Work at the Tawas City Park dock started this week with two draglines in operation. One dragline is owned by Norman Staebler and the other is city-owned equipment. The crews will finish the project which was started last fall. It is expected that the SS Overmier, Michigan's first flotel, will anchor at the dock around the first week in May.

Additional fill for the city park was hauled from the site of the new Barnes Hotel this week. A number of loads of fill from the excavation for a new basement were hauled across US-23 to the park by city trucks.

Meanwhile, City Engineer Spicer is preparing preliminary plans for the proposed new \$85,000 iron removal and sand filtration water system. The city council approved recommendations by the water department for such a system at last week's regular meeting.

Construction Starts on Staebler Dairy Isle

Construction started Tuesday on a Dairy Isle building on Lake Street at Pine Street in this city by Howard Staebler of Saginaw. When completed the business will be owned and operated by Staebler.

The type of construction is new to this locality. All steel framework with Cestmo panel walls, the inside measurements of the building are 22 by 25 feet and its erection and the installation of equipment will require about 10 days.

Staebler, for some time in the contracting business at Saginaw, is well known here. He is a former employee of the National Gypsum Company at National City and for several years served Sherman Township on the board of supervisors.

Gives Prizes During Hardware Week

In observance of National Hardware Week which ended Saturday, the Nunn Hardware at East Tawas offered \$100.00 in prizes. The winners were:

- First Prize—Louis J. Klish, East Tawas, Dormeyer mixer. Second Prize—Rosetta Kuenzli, East Tawas, Presto canner. Third Prize—Mrs. John St. James, Tawas City, lawn mower. Fourth Prize—Mrs. Joseph Gingerich, AuGres, table lamp. Fifth Prize—Joann Aliverson, East Tawas, ice cube chest.

VICTORY

Sewell Avery, chairman of the Board of Montgomery Ward and Company, raises arms overhead in a victory gesture following the end of the annual meeting of Ward's stockholders in Chicago, Illinois. Avery is now assured of a victory in his proxy battle with Louis Wolfson for control of the \$721 million firm after the vote of 2,115,000 shares.

Previous to the organization of the United States Gypsum Company, Avery was secretary of the Alabaster Plaster Company. He recently retired as chairman of the USG board of directors.

Cancer Fund Quota Set at \$1,410.00

Nathan Barkman, county campaign chairman, has compiled the following quotas for districts in the county in the American Cancer Society Crusade now underway. The work in the county should be completed by May 1.

Total quota for Iosco County is \$1,410.00. Quotas for Alabaster, \$35; Wilber, \$35; East Tawas, \$45; Tawas City, \$335; Oscoda, \$300; Hale, \$125; Whittemore, \$125.

Mrs. Herbert Hertzler, county volunteer activities chairman, and Miss Helen Applin, county publicity chairman, attended a meeting in Oscoda at the high school to launch the Cancer Fund Drive there. Mrs. David Gilbert, chairman of the Cancer Crusade in Oscoda, was in charge. There was a fine attendance of her workers to cover the Oscoda, Ausable, VanEtan Lake and the air base areas.

Mrs. Hertzler gave a report of the state meeting at Saginaw and a chart talk of instruction to workers. A report was also given of the county meeting.

Besser Male Chorus Well Received Here

The concert presented by the Besser Male Chorus at the Tawas City auditorium last Thursday evening was well attended. The chorus gave a variety of new numbers. The pantomime selections by Terry Michaud and a new addition of the Teen Tunes, six young ladies in pastel shade gowns, were featured attractions. The concert was sponsored by Tawas City Chapter and Iosco Chapter, Orders of Eastern Star.

Ushers from both chapters wore formal gowns in pastel colors. Ushers from both chapters wore formal gowns in pastel colors.

CELEBRATES 96TH BIRTHDAY

Shown above is Charles Parker, right. At left is his son-in-law, Thomas Monks of Detroit. Charles Parker, former resident of East Tawas, who was stationed at the United States Coast Guard Station at Tawas Point for more than 30 years, celebrated his 96th birthday on Flint last Saturday. He is in good health and was still driving his car a little more than a year ago, taking trips around the state.

Mr. Parker was born April 22, 1859, in Brighton, England. He came to America when 14 years of age. He joined the coast guard at Point Au Barques in 1882 and in 1887 was transferred to Tawas Coast Guard Station where he served until 1916. The family moved to Flint in 1918 and Mr. Parker was with the Buick Motor Company for 12 years.

Among those present at the birthday dinner Saturday were his two daughters and son, well known to many in the Tawasess, Mrs. Cora Monks of Detroit, Mrs. Carrie Herstrom of Flint and Leland Parker, who with his family has resided with his father since the death of Mrs. Charles Parker a few years ago.

Judge Dehnke Hears VanEtan Dam Problems

At a hearing held last Friday afternoon before Judge Herman Dehnke, an informal understanding was arrived at for the operation and financing of cost of operation and repairing VanEtan Lake Dam.

This dam was built to control the water level of VanEtan Lake, but its operation has caused erosion to property along VanEtan Creek and a suit by Ray Colbath is now pending against the county for alleged property damages.

The understanding arrived at was that landowners in the special assessment district petition the Iosco County Board of Supervisors to assess the cost of operation, repair and maintenance of the dam against the property subject to taxation in the original VanEtan Lake Dam special assessment district.

Approximately 30 landowners, three members of the department of conservation, Prosecuting Attorney William R. Barber, Drain Commissioner R. W. Elliott and T. George Sternberg, attorney for Ray Colbath.

The Spicer Engineering Company of Saginaw had made inspection of the dam and had made a report with recommendations as to necessary repairs to eroded property and improvements to the dam and the estimated cost. Judge Dehnke had desired to hear from many of the landowners as possible at this meeting and learn their opinions.

The cost of operating a dam constructed to maintain water levels is provided for in a new law passed in 1954. On the petition of 55 percent of the landowners in the original special assessment district, the board of supervisors may assess the costs on the property subject to taxation in such district.

The Spicer Engineering Company's estimate of cost of repairs and improvements totaled \$4,720. Included in the proposed work is 1,800 feet of wood piling, channel excavation and filling cavities below spillways.

Under a court order, the control of the dam has been some time under the jurisdiction of the drain commissioner. Through this control many feel that the situation has been greatly improved. There are others, however, who feel that their property has been adversely affected.

D. & M. Credit Union Organized

After several weeks of preliminary work, an organizational meeting of the D. & M. Credit Union was held at the general office in Tawas City on Tuesday, April 19, at which officers were elected.

Louis Zondervan of the Michigan Credit Union League was present and explained in detail operations, management, objectives of the credit union movement.

Following the waiving of rights by original charter signers, voting privileges were extended to all persons present for the meeting and nomination were accepted for the various offices. Elected to the supervisory or audit committee were: A. J. Sevener, chairman; P. H. Mulholland, clerk, and C. A. Pinkert, Jr., all of the Tawasess. F. B. Lomas and C. B. Moore of East Tawas accepted positions as chairman and clerk, respectively on the credit committee. Orrie Freeman, Alpena, is the third member of the credit committee.

Seven members were elected to the board of directors, who selected the following officers: E. S. Harris, Alpena, president; Marvin Mallon, Tawas City, vice president; Clyde Ewrl, Tawas City, treasurer-manager; Rosemary Klenow, East Tawas, clerk; Ted Anderson, Alpena; Walter Shorkey, Bay City; and Charles Bell, East Tawas, complete board membership.

Actual business was begun Tuesday evening when 29 applications for membership were received and approved by the board. Additional membership applications were received Wednesday morning as was the first loan application.

The D. & M. Credit Union will be affiliated with the Loan Protection and Life Savings plan of the CUNA Mutual Insurance Society. It is anticipated that the organization will have rapid growth in view of the interest being shown, since over 100 employees expressed interest in a credit union during preliminary organization. The D. & M. Credit Union charter members operations in the seven counties of Northeastern Michigan served by the railroad.

Will Make Summer Trip to South America

Irene Povish and Norma Richmond of the Chanticleer staff in the Fisher Building, Detroit, just announced plans for a trip. They will fly to New York on July 17 where they will sail on the cruiser ship, Moore McCormick, for a 38-day trip to South America with several entertaining stop-overs. They have been planning the trip for a number of weeks.

## MAY 17 IS E DAY

May 17 is E Day; education's "big break" and the future happiness of the children of the Tawas Area School District are at stake. Are you prepared to meet this obligation?

Three previous bonding elections to finance the construction of the proposed junior-senior high school failed. The present school, which is TENTATIVELY accredited, is overcrowded, lacks proper ventilation, needs facilities and layout to meet academic requirements to mention but a few of the handicaps confronting the students and faculty each day as they await your go ahead signal on May 17. The predicted increases in school enrollment puts the acute inadequacy of the school set-up into a dangerous condition. The children are looking to you for help. Only you can do the job.

This trip to the polls requires still further thought. The need for a school is a long-established fact, but the determination of its location has created inner conflict that has hampered every attempt to finance the building program. Besides the usual ballots to increase the tax limitation and to bond the district for the necessary funds to permit the building of the school, you face another proposition.

Shall the proposed school be constructed on the best site for the district as a whole, which has the endorsement of engineers, architects, the Neumann-Reinke site originally selected by the board of education or shall the proposed school be constructed on the fairgrounds site, a smaller, less advantageous site?

In addition to agreeing that the children need a school, it is like-wise agreed that \$775,000, the amount of the bond proposal to finance the school, represents a lot of money. For that reason, it is imperative that each elector of the district, whether he is a farmer, day laborer, businessman or retired resident, know the facts regarding each site.

Put your tax dollars to work on the "most for your money" site, give your children adequate school facilities now and in years to come, without the added expense of purchasing adjoining property, by approving construction on the Neumann-Reinke site.

## 'Souls in Conflict' to be Presented Here May 6 and 7

"Souls in Conflict," the fourth motion picture released by Evangelist Billy Graham, this one filmed against the backdrop of his highly successful London Crusade, will be shown in Tawas City on May 6-7 at 8:00 p. m. in the high school gymnasium. All seats are free.

"Souls in Conflict" is a trilogy, a full-length production in color which documents the life stories of an actress, a jet pilot and a factory worker, as they are influenced by Graham's spiritual messages, delivered before audiences numbering as many as 120,000 persons in vast Wembley Stadium.

Since his first major campaign in America, in Los Angeles, California, in 1950, Graham has supplemented his ministry with the coast-to-coast radio broadcast, "Hour of Decision," over A B C carried by 300 stations here in America and approximately 50 foreign stations.

In 1952, increased use of religious films brought about the formation of Billy Graham Evangelistic Films, Incorporated, "Mid-Century Crusade," a documentary of Graham's Portland, Oregon, campaign, was the first production for this new organization. "Mr. Texas," the world's first Christian Western, which saw 25,000 persons crowd Hollywood Bowl for its premiere, followed. "Oiltown USA," a story of the message of evangelism in military circles in Houston, Texas, was the third such film.

Inasmuch as the now historic London Crusade was Graham's most ambitious endeavor, "Souls in Conflict" is his most important picture. Featured in the cast are Joan Winmill, star of the British television thriller, "Epitaph for a Spy," Eric Mickiewicz and Charles Leno. Miss Winmill was one of those who "came forward" in Haringay Arena, later to receive counsel in the interview room from none other than Mrs. Billy Graham.

Donn Moomaw, six-foot-four, 222-pound All American line-backer from UCLA, who turned down a most lucrative offer to play professional football to follow the dictates of his heart in the field of evangelism, is also prominently featured, as is Colleen Townsend Evans, ex-Warner Brothers and 20th Century Fox player.

"Souls in Conflict" was produced by Billy Graham by Great Commission Films, Hollywood, in association with Anglo-Scottish Pictures, London. Dick Ross wrote and directed the picture, assisted by Leonard Reeve. The special musical score was composed and conducted by Ralph Carmichael.

Health Council Holds Special Meeting

Glenn Staley American Legion Post, and Auxiliary, Hale, enjoyed a pancake supper before their April 20 meeting.

During the business session, Bea Flette reported on Community Council, the Health Councils open meeting was discussed. Mr. Wyatt has given permission for a poppy display at his store.

It was pointed out that some people wonder what the money from poppy sales is used for. Poppy funds are used to buy the poppies sold locally, and all profits have to be used for veteran rehabilitation service. At Christ-mas the Glenn Staley unit donates presents to the Saginaw Veterans Hospital to be given to patients in their families.

Direct servicemen's aid is given. Naturally due to the size of the unit the amount of aid granted depends on funds available. Members voted to purchase and send hankies and Mother's Day cards to the Dearborn Veterans Hospital. The unit purchased these hankies for three Gold Star Mothers for Mother's Day.

The girls selected for Girl's State are Mary Jane Douglas, daughter of Dr. and Mrs. Douglas, and Sandra Greve, as alternate. Sandra is the daughter of Mr. and Mrs. Robert Greve.

Two dollars was donated for the cancer fund.

Mrs. Mann reported that flags can be purchased to sell for \$3.09. This includes brackets and holders. Anyone interested in ordering a flag should contact an auxiliary member or write the Glenn Staley American Legion Auxiliary at Hale.

# FARM EVENTS

By MARVIN DAVENPORT  
County Agricultural Agent

Wednesday, May 11—Agricultural Agency Council, Federal Building, East Tawas, 4:00 to 5:00 p. m.

Thursday, May 26—Soil Sampling demonstrations on Harry Krueger farm at 10:30 a. m.; Lyle Long farm, 1:30 p. m.; a twilight tour at Lyle Bielby's, 7:00 p. m.

Friday, May 27—Beef cattle tour near Gaylord. More particulars later.

Dornace Bellville, Howard McKenzie, Earl Hewitt, Keith McLean and Martin and Harold Siegrist have joined our soil testing list of farms in Iosco County. It has been most revealing to a farmer to learn if and when he needs lime, how much he needs and what his needs are of phosphorus and potash. The cost of buying lime can be shared by a farmer with our ASC (Agricultural Stabilization and Conservation Committee) office in

the Federal Building, East Tawas. An eligible farmer can receive one-half the cost of the lime if he qualifies. The surest way to know about qualifying is to check with Mrs. Mary Byrd, ASC office manager. Many Iosco County farmers are passing up a good chance to put lime on their farm by not looking into the agricultural conservation program. Only one-fifth of the 100,000 commercial farmers in the state are taking part.

Here are the steps to obtain federal cost sharing for liming in 1955: (1) Apply to the ASC office for cost sharing in your liming practices. (2) Have soil tests made for the lime requirement of the fields involved. It is the responsibility of the farmer to get these samples to my office in East Tawas. (3) The county committee will review the request and if OK'd will issue the farmer an "approval of liming practice." (4) The farmer, himself, then can place the order for agricultural lime with the vendor of his choice. We have two listed (contact Mrs. Byrd).

Once the lime is delivered and spread, the only thing left to do is complete Form ACP-245 and return it, together with weight bills, to the ASC office before the expiration date.

A farmer may qualify if he complies with all the acreage

allocments and does not "harvest" acreage of any basic crop in excess of his acreage allotment.

Don't be one of those vegetable growers who gave up on chemical weed killers because they didn't work the first time you used them.

Stanley Ries, Michigan State University horticulturist, says that weeds are killed most effectively when there is enough moisture to make the seeds germinate in the surface soil.

Chemicals are recommended for selective weed control and are most effective in killing germinating plants. With the exception of 2,4-D, they will not kill older plants at the recommended spraying rates.

Don't make the mistake of disturbing the crop rows right after putting on the weed killer. The crop may be cultivated, but soil should not be thrown in the row. The chemical layer may be broken and seed brought to the surface where they may germinate easily.

A handy folder, which flattens into a chart, has just been written by the horticulture and botany departments at MSU. It is available at your Cooperative Extension Service office in East Tawas. Tack it up near the place where you store your chemicals.

## Mrs. Anschuetz Hostess to Tawas Homemakers

The new Singer sewing machines and attachments were this month's demonstration for the Tawas Homemakers.

Mrs. Hock of Singers showed the homemakers numerous attachments, including the new zig-zag, and members were able to try them.

After the demonstration, the group went to the home of Mary Anschuetz for the business meeting and refreshments. Plans were made for an exhibit for Home Demonstration Week and Achievement Day.

Members present were: Dorothy Masich, Janet Palumbo, Clara Spica, Mary Anschuetz, Nancy Hackborn, Betty Hammond, Norma Gravin, Donna Sylvester, Thelma Wickham, Betty LaCourse and Doris Voyer. Mrs. Lansky was a guest.

Mary Anschuetz served cake and coffee to the group. The next meeting will be held May 5 at Betty LaCourse's home. The subject will be picture framing and arrangement.

Wednesday, April 27—Fair committee meeting at Reno Township Hall, 8:00 p. m.  
 Tuesday, May 3—Awards Committee meeting, 8:00 p. m., Extension Office.

"It's Fun to Know How" the eighth lesson in the 4-H Club project, was the topic for the April 13 project meeting at the home of Mrs. Carl Schaaf, relates Reporter Judy Ulman.

She explained that each took a turn in a demonstration on entering a theatre with a boy. Two girls demonstrated the way to extend an informal invitation over the telephone.

There is one conservation 4-H Club project that can teach boys and girls how to recognize the story a piece of land tells, if they know how to read it. You learn to know what kind of a piece of land it is and what can be expected of it as well as how to treat it to make it better.

You learn to see land texture, depth, color, slope, erosion and drainage conditions. Scorecards are used to help you read the story in the soil.

If you would like to make this project one of your coming summer in your 4-H Club, begin now to let your leaders know of your wishes.

A garden space has many uses. If your garden is a large one, the best use for a spade might be to lean on while you watch the plowing done with a tractor. And right away soon is the time to be doing it.

Early garden vegetable reward for your work (and backaches) is spinach. Plant America or Long Standing Bloomsdale early and thinly (two or three to the inch) and only three-fourths of an inch deep. Early planting means early harvest before the hot weather and that assures sweet, tasty spinach on your table, delicious with a bit of butter and lemon or vinegar. Oh, yes, you can give spinach a "push" with a pound of 12-6-6 nitrogen fertilizer per 50 feet of row. Use your arithmetic for you won't be likely to plant 50 feet

of spinach, not all at one time, anyway.

Do you know the founder of Arbor Day, J. Sterling Morton, grew up in the State of Michigan?

After graduation from college he worked as a reporter for the Detroit Free Press for a time. Throughout his life he was editor of a number of papers and a freelance writer on agriculture and forestry topics. Many were the experiments in tree-planting done at his own home. In 1872 the State of Nebraska declared the first Arbor Day in his honor at which time more than a million trees were planted. Other states have followed example.

In 1932 the United States Post Office issued a commemorative postage stamp on the 60th founding of Arbor Day. Morton's home, Arbor Lodge, has become a state park with a museum of natural history.

This year our Michigan Arbor Day April 29. We know of several special tree plantings being done this spring in honor of the Michigan State University Centennial year. Some of them will be planted on Arbor Day. The centennial tree is a white pine made available by MSU. Love District, Londo Lake and Hale home demonstration groups have plans for plantings at the Love Hall grounds and the Plainfield Township Hall grounds.

Others are planted by other groups or organizations, we would like to know where and when, wouldn't we?

Attend Spring Tea**

The Past Matrons Club of Iosco Chapter, Order of Eastern Star, held its regular meeting at the Grace Lutheran spring tea last Tuesday evening, April 19. Fifteen ladies were present. Mrs. Edna Hughes, president, was in charge of the business session. Mrs. Ada Freeland was elected secretary-treasurer to replace Mrs. Grace Miller, who had resigned from the office.

The next meeting will be a noon luncheon at the home of Mrs. Anna Hanson on Tuesday, May 17.

A department of commerce survey found only 58 percent of the nation's water facilities are adequate for present demands.

April 28, 29—"Pictures in the Home" training schools for home demonstration group leaders.

Thursday, April 28—Londo Lake Home Demonstration Group meets in the evening.

April 28, May 5, 12, 19—Cardiac Work Simplification classes.

Wednesday, May 4—Guest Day at Plainfield Township Hall in Hale. Come at 10:00 or 11:30 a. m. or 1:00 p. m., whichever is the most convenient for you but come.

Friday, May 6—South Mills Home Demonstration Group meets in the evening.

Plans for exhibits and demonstration for this year's Home Demonstration Guest Day program are progressing.

Group members are on the committees for exhibits, demonstrations, entertainment, program, and the pot-luck dinner. The cake decorating contest

committee reminds every home demonstration member that she is a committee of one to bring a cake for the contest (she can take it home for supper).

That's because the committee knows that every homemaker makes cakes, and most of them have been practicing tips learned in the lessons to help make them more attractive. As a result, every homemaker can plan to enter one of our four classes: (1) Cake for "anyday" occasion. (2) Cake for "special" occasion. (3) Cupcakes for "anyday" occasion. (4) Cupcakes for "special" occasion.

With about 150 group members now, we can expect at least 100 cake entries. Make yours one of them.

We are pleased to announce a newly organized home demonstration group in Oscoda. Mrs. Reuben Kaare was hostess to the discussion meeting and the young women present decided to make a start this spring. Each will visit one or more of her friends to join at the next meeting on May 11.

Chairman is Mrs. Robert Wagner; vice chairman, Mrs. Reuben Kaare; secretary, Mrs. Paul Renner; reporter, Mrs. Edward Huotari. Leaders for the April 28 training school will be Mrs. Paul DeHamel and Mrs. Arne Anderson.

Pictures play an important role in the home, often making lasting impressions on members of the family.

Pictures are no longer considered as stop gaps for bare walls or mere decorative accessories. A study of pictures is of interest to every member of the family. Good pictures are available at prices to suit any purse.

The selection, mounting and hanging of pictures is an important subject for homemakers. Home demonstration group members are to make a study of pictures during the coming month. First, the group leaders will attend a training school conducted by Jessie Marston, home furnishings specialist, Michigan State University, and your home demonstration agent. These schools are to be on April 28 and 29.

Local group meetings during May offer the opportunity for leaders to teach their members what has been learned about this interesting subject of pictures.

May 1-7 is the week when more than five million homemakers, who take part in home demonstration work, throughout the nation, will observe their 10th annual Home Demonstration Week. "Today's Home Builds Tomorrow's Work" has come to be known as their underlying philosophy, or guiding principle.

And... what is home demonstration work? If you are asking yourself this question, or have wished to explain it to another, clip for further reference and for your own study, the following statement: "It is an education program of the Cooperative Extension Service of the United States Department of Agriculture, the land-grant colleges, and county governments. Through it, homemakers learn to apply the latest scientific methods developed by public and private research. The general aim is to strengthen home and family life by helping become more efficient homemakers and more effective citizens in their communities, states and nation."

If this sounds like a "mouthful"... it is. Read it again. Each time you read it there will be more meaning in what is said. You will better understand what the home demonstration program really is, and offers.

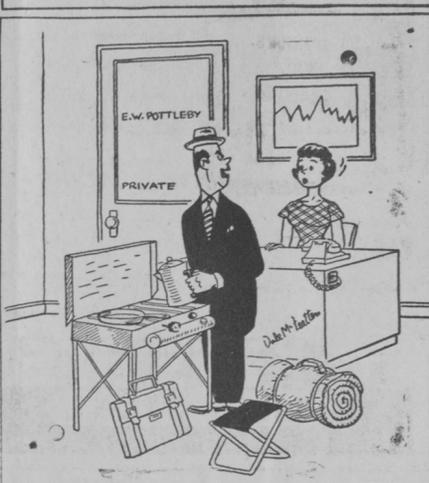

National Home Demonstration Week programs you can hear are: WPKAR, Michigan State University, 9:45 to 10:00 a. m., WJTB, Detroit, 7:30 a. m., Saturday, April 30 (Marshall Wells Program), and May 7 issue of Michigan Farmer.

Steve Stahl, coordinator of the National Conference of Taxpayer Executives, in his testimony before the House Labor and Education Committee in Washington, D. C., claims that a 1953 Federal survey of school needs, for which Congress appropriated \$81,000,000, "was not used for the purpose intended and may well be classified as one of the great frauds of the '50s." He says the survey was used to "build up a case" for federal school aid.

 \*2-door, 6-passenger Buick SPECIAL Sedan, Model 46, illustrated. Optional equipment, accessories, and local taxes, if any, additional. Prices may vary slightly in adjoining communities. Even the factory-installed extras you may want are bargains, such as: Radio & Defroster.....\$81.70  
 Radio & Antenna.....\$72.50

UNLESS we miss our guess, a lot of surprised people are going to do some new back-of-an-envelope arithmetic when they see the Buick price shown here.

Because we know that many folks still don't realize how little a Buick really costs—that the dollar difference between this big Buick SPECIAL and the leading smaller cars has virtually disappeared.

**Buick Sales Are Soaring As Never Before**

But more and more of them are finding it out. And that's a major reason why Buick production and Buick sales are soaring to all-time highs today—and why Buick again is outselling all other cars, regardless of price range, except two of the well-known smaller cars.

Big reason, too, for this soaring popularity is Buick's full line of automobiles, giving you a choice in any price class—the rock-bottom-priced SPECIAL, the high-powered CENTURY, the supremely spacious SUPER, and the custom-built ROADMASTER.

But above all, more and more people are discovering that the price you pay for a Buick buys more sheer automobile than the same money buys elsewhere.

More advanced styling, more deep-down comfort, more pure power thrill, more ride steadiness and handling ease and solidity of structure.

More spectacular performance, too, from the modest extra cost of Buick's automatic transmission.

For here you get Variable Pitch Dynaflo<sup>†</sup>—the new wonder drive born of modern aeronautics to give you instant full-power getaway and acceleration when needed—and far better gas mileage when cruising.

Why not come see us this week, for sure? We'll be happy to have your test-pilot a new Buick, just for the sheer thrill of it—and show you quite clearly that if you can afford any new car, you can afford a Buick.

<sup>†</sup>Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

### Dr. W. G. Butt Speaks Before Literary Club

At the annual installation of officers and closing meeting of the East Tawas Ladies Literary Club held at the Masonic Temple last Wednesday, the principal speaker was Dr. William Gibson Butt, instructor of communication skills at the Michigan State University.

His topic was, "Understanding Our Misunderstanding." He brought out and discussed the three problems: 1. Barrier of ideas. 2. Problem of emotions. 3. Problem of languages. Our solution to these problems, he stated, is that we are equipped with the ability to reason.

Mrs. Ben Wilson, president of the club the past two years, presided at the installation and presented the incoming president, Mrs. C. S. Everett, with the gavel and keys.

Other new officers who will serve with her are: First vice president, Mrs. Arthur Blossing; second vice president, Mrs. Elmer Freeland; secretary, Miss Edna Otis; financial secretary, Mrs. Charles Bigelow; treasurer, Mrs. Harvey Watson; trustees, Mrs. L. G. McKay, Mrs. J. A. Carlson, Mrs. R. G. Schreck.

Mrs. Wilson introduced Mrs. Butt, wife of the speaker, and Mrs. E. T. Pierson, club historian, who gave a complete and interesting report of the work and accomplishments of the club during the past year. Mrs. Watson gave the trustee's report. Miss Helen Applin, junior vice president, presented Mrs. Wilson with a gift, welcomed her into the Past President's Club and announced that Mrs. Wilson would be guest of honor at a luncheon at the club rooms May 4 at 1 o'clock.

Mrs. E. J. Butler was introduced as chairman of arrangements for the luncheon. A centerpiece of yellow daffodils and white hydrangeas and carnations decorated the speaker's table.

The other tables were centered with bud vases of white carnations and daffodils and favors of plants of English Ivy in gold jars tied with yellow satin bows, all compliments of Harold Pfeiffer of the Tawas Flower Shop. Gift favors were also presented by the Gould Drug Company and Merschel Hardware.

The luncheon was served by Iosco Chapter, Order of Eastern Star.

**VFW Installs Officers**  
Thursday, April 14

Installation of the VFW Auxiliary of Post 5678 was held April 14 with Harrisville VFW officers installing. The installing officers wore corsages of carnations. Incoming and outgoing officers wore pink and white shattered carnations.

Mrs. Murel Davidson, outgoing president, was presented with several gifts from friends and with a pin from the auxiliary.

The new officers installed were:

Floy McCormick, president; Dorothy Thompson, senior vice president; Connie Hill, junior vice president; Betty Redfield, secretary; Naomi Bennett, treasurer; Marjorie Brown, conductor; Muriel Davidson, chaplain; Virginia Bygden, historian; Ruth Alsbach, guard; Clara Wilder, organist; Ella Snyder, patriotic instructor; Olivia Prough, flag bearer; Flora Roberts, Elsie Morley, Rose DeLosh, Luella Brooks, color bearers; Ruth Gauthier, Clara Wilder, Ella Snyder, trustees.

A delicious lunch was served after the meeting. Tables were in spring motif with a green cloth and yellow daffodil centerpiece. Co-chairmen were Opal Keiser and Ruth Gauthier.

The world is full of ideas that are worth millions but it is hard to find the man who can put the idea into profitable execution.

### Hemlock News

The Hemlock Baptist Ladies Aid met with Mrs. Charles Mercer at Tawas City last Wednesday with nine ladies present. A slide program was shown which was enjoyed by all. A lovely lunch was served by the hostess. Election of officers was held with the following officers named: Mrs. Elma Coates, president, and Mrs. Vioria Bits, secretary-treasurer.

Youth Sunday was held at the church last Sunday with Gale Durant as leader and Doris Herriman as speaker. It was a very inspiring meeting and much credit is due the young people.

There will be family night at the church Friday evening, April 28, at 8 o'clock. Harold Gould's Alaskan films will be shown. Light refreshments will be served after the program. The public is cordially invited to attend.

The newlyweds, Mr. and Mrs. Ronald Herriman, are spending part of their honeymoon with his parents, Mr. and Mrs. William Herriman.

Mr. and Mrs. Phillip Watts and family spent Saturday evening with Harvey McIvor and mother, Mrs. Clara Smith.

Mr. and Mrs. Alton Durant spent Saturday evening in Hale, Okla. The sale of house goods of Stella Katterman was well attended and most everything was sold.

**Honor Four at Birthday Party Recently**

At a party held at the home of Mrs. Earl Hester recently, the birthdays of four ladies were celebrated. Mrs. Nina May, Mrs. Lela Dunnill, Mrs. Edys Jones and Mrs. Ruth Stump. The ladies were all presented with birthday gifts.

The guests enjoyed games with prizes. Receiving prizes were Mrs. Donald Bennett, Mrs. Pearl Spencer, Mrs. Kate Swertzbaugh and Mrs. May.

Refreshments were served by the hostess, Mrs. Hester. The table was decorated in birthday motif with a revolving birthday cake playing "Happy Birthday."

**Women's Auxiliary of Christ Church Meets**

A meeting of the Women's Auxiliary of Christ Episcopal Church was held at the parish hall last week Tuesday evening, April 19. Mrs. June C. Donley led the business session. Plans were made for the Diamond Jubilee to be held for a week in September. Reports were given by the societies of the church.

Mrs. Grant Shattuck gave an interesting review of the book entitled "Face the Face with India."

### Plans Made to Handle Coming Events

Preliminary planning to handle events scheduled in the Tawas next summer were discussed at the regular meeting of the Tawas Chamber of Commerce Board of Directors last Wednesday night. Included in these events is the Great Lakes Championship Regatta for National class sailboats on July 30-31, a proposed sports car event on August 13-14 and July 4 parade.

The sports car event is expected to draw from 50 to 75 drivers from Detroit. A suitable track is needed for the event. Advertising will be carried out through the Detroit area.

The board of directors discussed means for compiling a summary for industrial investment in this area to have on file at the chamber of commerce office. It was suggested that a brochure be made up of the complete area, including location, population, valuation, resources, industry, retail, resort employment, payroll, schools and churches.

Improvements to the Iosco County Airport at East Tawas were discussed and three members were appointed to appear before the Iosco County Board of Supervisors to express the chamber's views.

Yep, those are my hours of work, folks. I'm ALWAYS on the job, ready and willing to take over your work and give you time for other things. And, another important thing . . . I never charge overtime! In fact, the more you use me, the LESS I charge per hour!

My big bonus is the satisfaction of having served you well—doing scores of chores about the house. The only way you can increase my total pay is to give me extra jobs to do—like air conditioning, for example. But my average hourly wage is still the same—about 2½¢ an hour. And look at all the extra comfort you get. Not bad, huh?

House committees rushing to beat the April 29 deadline for reporting house bills, other than tax and appropriation bills, from house committees, are working feverishly to get out all bills that are to be passed in this current session, with the inevitable result that the daily calendars are growing larger. Although the sessions are longer, and efforts are put forth each day to dispose of as many bills as possible, progress in clearing the calendar is rather slow inasmuch as so many of the bills under consideration are highly controversial in nature and a lot of time is taken up in debating the merits of the bills.

The house debated at some length before finally passing H. B. 135, amending the Liquor Control Act to provide for the involuntary commitment of alcoholics by any court of record to the custody of the State Board of Alcoholism for the purpose of treatment in hospitals, for periods ranging in time from 90 days to a year, with the cost of said treatment on a matching basis. An amendment calling for a jury trial to protect the individual's rights after two physicians diagnosed the ailment as compulsive drinking, finally won approval for the bill, although many opposed the measure on the theory that unless a person wanted to be cured of alcoholism, an involuntary commitment would not produce the desired

results. The bill also provides for increasing the number of days the board may meet and be compensated for.

Under S. B. 1247, approved by the house by a 90 to 15 vote, the State Administrative Board is given the authority to convey a piece of state-owned land in Lansing to the American Red Cross with the provision that the property will revert to the state at any time that the property ceases to be used for Red Cross purposes. Rather heated debate took place on this measure and objections were raised to the state giving land to the Red Cross because opponents felt it was a bad precedent to establish. Proponents pointed out that the areas to be served included not only Lansing and Ingham County, but also some 16 additional counties, with the possibility that the area may be augmented by bringing in seven more counties who presently have applications on file here for service.

Proposed legislation (H. B. 242) amending the Sportsmen Fishing Law to require fishing licenses for Great Lakes fishermen, met the same fate again this year that it has met for the past several years, when it was overwhelmingly defeated by a 55 to 35 vote. Opponents of the bill attacked it as a threat to the tourist industry. It was successfully argued by them that since the state did not stock the Great Lakes with fish, it had no right to require a license to take any fish out.

By a 63 to 37 vote, and following an exchange of sharp words, the house approved H. B. 115, amending the Michigan Penal Code to make it a misdemeanor for anyone to carry a hunting knife in any public place where liquor for consumption on the premises is sold.

In H. B. 195, which also won approval by the house, the present limitation of a maximum of \$200,000 of public money which the legislative bodies of incorporated villages in the state, may place on deposit in any one bank, is removed.

H. B. 360 which finally won approval of the house with a 98 to two vote, proposes to amend the 1929 act regulating the production, sale and disposition of milk, cream and other dairy products. The amendatory bill requires milk inspectors to identify themselves and sterilize their footwear before entering milking stations where dairy cattle are maintained.

The house also approved H. B. 391, amending the Department of Revenue Act, to permit adjustment in the salary of the commissioner of revenue. At present, he receives no additional compensation for serving by virtue of his office, on other boards. The amendatory act, if approved by the senate as passed by the house, and if signed by the governor, would allow the commissioner to receive such additional compensation as the legislature might grant for the extra

General James A. Van Fleet is in Korea seeking information about missing or captured men who served under him in that country. The general, who lost his only son in the Korean War, has never given up hope that his son may still turn up alive.

Also passed by the house with a 92 to one vote is S. B. 1156, which would allow partnerships, corporations or associations to recover damages in civil actions from parents of minor children who maliciously or wilfully destroy property.

Of interest to everyone in the state, is the introduction of H. B. 472, appropriating \$2,000,000.00 to the Department of Health, for the purchase of poliomyelitis vaccine to be used to protect those in the state who constitute the "high risk" groups in which incidence of paralytic poliomyelitis is proportionately greater than in the population-at-large.

Cpl. Robert E. Hendrickson, son of Amos Hendrickson, Route 1, Hale, is slated to participate in Exercise Apple Jack as a member of the aggressor force in May at the Yakima Firing Center, Washington.

The aggressor force will oppose the friendly forces to add realism to the exercise. Apple Jack is designed to test the efficiency of infantry and support units in mountainous and desert terrain.

Hendrickson, a graduate of Oscoda High School, is regularly stationed at Fort Lewis, Washington, as a mechanic in Tank Company of the 71st Infantry Division's Fifth Regiment. He entered the army in May 1953 and is a veteran of service in Korea.

Cpl. Ernest C. Mueller Jr., whose father lives at 210 Sixth Street, Tawas City, is among 26,000 soldiers slated to participate in Exercise Apple Jack during May at the Yakima Firing Center, Washington.

Apple Jack will test the efficiency of infantry and support units in mountainous and desert terrain. The simulated use of atomic weapons will be one of the conditions of the exercise.

Mueller, who attended Tawas City High School, is a driver in Heavy Mortar Company of the Second Infantry Division's Ninth Regiment at Fort Lewis. He entered the army in March 1953 and completed basic training at Fort Riley, Kansas.

Cpl. Arnold R. Shellenbarger, 22, son of Mr. and Mrs. Jess Shellenbarger, Route 1, Hale, was aboard the transport USS Bayfield when it recovered all 23 persons from the sea after a Pan-American Stratocruiser ditched off the Oregon coast last month.

Corporal Shellenbarger, assigned to Company E of the Second Infantry Division's 38th Regiment, was returning to Fort Lewis, Washington, after Exercise Surf Board, an amphibious maneuver off the coast of California.

A former student of Central Michigan College of Education, he entered the army in August 1953 and completed basic training at Fort Lewis.

Michigan Local Board No. 36, Selective Service System, has ordered the following two men to report for induction in May: Elgin Roy Provoast, Flint; Thomas Allan Clark, Minneapolis, Minnesota.

**District VFW to Meet**  
**Sunday at Bay City**

Delegates from the 22 posts comprising the 11th Veterans of Foreign Wars District of Michigan will meet at Bay City Sunday, May 1, to elect a new slate of officers for the upcoming year.

Host post for the encampment will be the McCauley-Abrams Post 485, largest post in the district.

Main course of business will be to elect a district commander to succeed Charles Cooper of Clare. Expected to be elevated to the position is Mynard M. Johnson of Mt. Pleasant, who served the past year as district senior vice commander. Ken Nelson of Linwood will probably be elected district vice commander.

Speaker for the rally will be Max C. McCann of Mason, state junior vice commander. The encampment, scheduled for 2:00 p. m., will be preceded by a school of instruction and meeting of all post and district officers at 11:00 p. m. at the post rooms.

Delegates from the following posts are expected to attend: Bay City, Harrison, Mt. Pleasant, Farwell, Midland, Gladwin, Pinconning, Mio, Roscommon, Tawas City, Clare, Houghton Lake, Lake City, Harrisville, Rose City, Spruce, Beaverton, Shepherd and AuGres.

J. Wayne Green Demonstrates Some Causes of Baldness

**WHAT IS YOUR REASON FOR BALDNESS?**

**Demonstration To Be Held In EAST TAWAS, MICHIGAN OFFERS WRITTEN GUARANTEE**

**WICHITA (Special)**—J. Wayne Green, Director of Rogers Hair Experts, exploded the "myth of baldness" today in an exclusive interview.

In some cases "Baldness is unnecessary, costly, and a plague to mankind," says Green. Not every man need be bald and suffer the stigma of premature old age that is forced upon him because he is losing his hair.

C. T. Matlock, a valuable member of the staff of Rogers, will make a personal appearance to counsel with hair worried men and women in an effort to do constructive work in restoring their hair to full length and density.

Demonstration To Be held in East Tawas, Michigan.

This revolutionary method of home treatment for the hair and scalp will be demonstrated in East Tawas, Michigan, Monday Only, May 2 at the Holland Hotel.

C. T. Matlock will conduct the private, individual interviews from 12 noon until 9:00 p. m. on Monday ONLY. There is no cost or obligation, and you need no appointment.

**Reason for Baldness**

"There is always a reason for baldness," he continued. "Members of Rogers' Hair Experts agree hair cannot grow through a scalp that is infected with dandruff, excessive oiliness, or extreme dryness. A scalp that has never been exercised cannot be expected to produce healthy hair." Men, and yes, women, too, walk the streets today completely devoid of nature's greatest ornament—hair, simply because they were not taught the basic rules of hair and scalp hygiene while they were growing up. "The simple answer," he emphasized, "is that children should be taught the same simple basic rules of hair and scalp hygiene that they are taught for the proper care of their teeth. If this were the case, they feel baldness would be a rarity today!"

**Heredity Not Involved**

Green dodged no issues. He quickly took up the most widely spread theory of baldness—her-

edity. "Mankind's unrealistic belief that baldness is hereditary stems from a misinterpretation of the theory of genetics. Theory does not state that any person must be bald because baldness exists in the family. What it does say, is that in some families, a tendency exists towards an undernourished scalp." The purpose of the Rogers Hair Experts is to teach the methods of strengthening the weak scalp, and nourishing it to a healthy, vigorous condition. "A healthy scalp will grow hair if it is not already completely bald," assures Green.

**Is There Hope For The Completely Bald**

In his travels throughout the United States and Canada, Green has collected hundreds of testimonials of his ability to help hair worried individuals with this revolutionary method of home treatment for the hair and scalp. All of his clients have started with a private consultation, hair and scalp analysis and his stated reasons for the disorder. Green is quick however, to tell a hopeless case that he cannot be helped. "We strongly advise," says Green, "that no person who is completely bald hold any hope whatsoever of re-growing hair."

**Offers A Guarantee**

"Rogers, America's Foremost Hair and Scalp Consultants, offer a guarantee to any client who enrolls for treatment. If he or she is not completely delighted with results at the end of 30 days, the money invested will be graciously refunded," pledged Green. "We must have satisfied clients. After all, they are the basis of making our work worthwhile."

**Is Your Hair Healthy?**

If you have a scalp disorder, or if you are worried about your hair, call C. T. Matlock at the Holland Hotel in East Tawas, Michigan, Monday ONLY, from 12 noon to 9:00 p.m. The public is invited. The examinations are private and open to men and women. You do not need an appointment, and you will not be embarrassed or obligated in any way.

School Board

(Continued from first page.) in substance as follows: Shall Tawas Rural Agricultural School District No. 1, Frl., Isoco and Arenac Counties, Michigan, borrow the sum of not to exceed Seven Hundred Seventy-Five Thousand Dollars (\$775,000) and issue its bonds therefor, for the purpose of erecting and furnishing a high school building and acquiring a site therefor, and

WHEREAS: 2. Members of the board have been approached by numerous qualified electors of the district who expressed a desire to have an opportunity at the same time as the proposition of borrowing \$775,000 and issuing bonds of the district therefor, to indicate a preference between two sites on which the proposed high school building may be erected as follows: (a) The Neumann-Reinke Site comprising 40 acres located on M-55. (b) The Fairgrounds-Beal Nursery Site consisting of approximately 25 acres in East Tawas and Tawas City.

It's grand as a sauce...a salad dressing and a spread!

Made by KRAFT from the one and only MIRACLE WHIP and special pickle relishes

WHEREAS: 3. In the event the preferred site is not available with clear title by June 24, 1955, the board will then exercise its responsibility in the selection of a site; and WHEREAS: 4. This proposal does not deal with the raising and borrowing of money, any qualified school elector will be eligible to vote the site preference ballot.

THEREFORE BE IT RESOLVED THAT: A special form of ballot be prepared, printed and submitted to the qualified electors of the district at the time of holding the aforesaid Special Election on May 17, 1955, which form of ballot shall give the qualified electors of the district an opportunity to express a preference between two sites on which the proposed junior-senior high school building may be erected, as follows: (a) The Neumann-Reinke Site comprising 40 acres located on M-55. (b) The Fairgrounds-Beal Nursery Site consisting of approximately 25 acres in East Tawas and Tawas City.

In the event the preferred site is available with clear title by June 24, 1955, the board will then exercise its responsibility in the selection of a site. Roll call: Curry, yes; Fox, no; Look, yes; White, yes; Niles, yes. The motion was declared adopted on roll call, four yes, one no.

Also approved at the Friday meeting was the purchase of signs to be erected on the Neumann-Reinke and fairground sites to identify them. The securing of 90-day options by Herbert Hertzler from adjacent land owners to the fairgrounds at approximately \$125, or \$25 each was authorized.

East Tawas

(Continued from first page.) A banquet honoring Gold Star Mothers will be given by Audie Johnson Unit 211, American Legion Auxiliary, at Lixey's Drive-In next Tuesday evening at 6:30. A program and regular business meeting will follow at the Legion Hall.

Mr. and Mrs. Allen J. Fick, who spent the winter in Florida, are returning home this week. Mrs. Annie Jones of Birmingham, sister of Mrs. Minnie Chandler, was operated on at Tawas Hospital last Friday and is improving. Her husband, Major Jones, has been a guest at the Chandler home.

Mrs. Mae Buc of Cleveland, Ohio, is spending two months with her son, Richard Buc, and his wife in East Tawas.

Mrs. Muriel Davidson, Mrs. Flora Roberts, Mrs. Dorothy Thompson and Mrs. Naomi Bennett attended the recent installation of officers of Harrisville VFW Auxiliary.

Mr. and Mrs. Roy Hickey have returned from Florida where they spent the winter. Miss Edna Luce returned this week from San Francisco, California, where she has been visiting for several months with her sister, Mrs. Ella Kelly, and family. Her mother, Mrs. Walter Luce, met her in Bay City. She returned home with her.

Mrs. Thomas McMahon left this week for Detroit to spend 10 days with her daughter. Mr. and Mrs. Roul LaBerge have returned from Florida and Mississippi where they visited for several months.

Mr. and Mrs. E. R. Harmon spent Saturday and Sunday in Detroit with their daughter. Jack Herrick has purchased a lot on the east side of Main Street next to the Roy Applin property and has begun building a home.

Mr. and Mrs. Donald Bennett attended a banquet recently in Flint for employees of Fisher Body who have retired. Mr. and Mrs. Bennett also visited friends and relatives at Fenton.

Mr. and Mrs. Jack Shepler and daughter, Patricia, of Detroit spent the week-end here. Mr. and Mrs. William Lindley of East Leroy, aunt and uncle of Mrs. Earl Hester, spent a few days at the Hester home.

A school of instruction will be held at 9:30 a. m. next Sunday, May 1, for the VFW Auxiliary at Bay City. The school will be followed by a rally.

Enforcement Officers Attend School

Isoco County law enforcement officers attended a school of instruction conducted by the Federal Bureau of Investigation last Monday at Bay City. The course covered handling of bank hold-ups and robberies and methods of road blocks used in these crime categories. Attending from here were: Chief Deputy Charles C. Kurtzrock, Isoco County Sheriff's Department; Sgt. Joseph Chaput and Detective LeRoy McCleure, Michigan State Police Post, East Tawas; Chief George Ruth, Tawas City Police Department; Officers Howard Duff and Harry Pelton of the East Tawas Police Department.

It is a fact that the people of nation, as a whole, have lost much of their former admiration for the professions, as a whole.

Mrs. Mary Krumm

Mrs. Mary Krumm, age 79 years, passed away at Tawas Hospital on Tuesday morning where she had been a patient for the past two weeks. Mary Louise Caroline Schanbeck was born in Wyandotte on September 13, 1876, and came with her parents, the late Mr. and Mrs. Ernest Schanbeck, and family to East Tawas when a small child. On April 6, 1896, she married Albert N. Krumm, who died 21 years ago.

She is survived by eight children; three sons, Albert of Salem, New Jersey, Walter of Tawas City and Arnold of Saginaw; five daughters, Mrs. Edna Allman of Essexville, Mrs. Margaret Bertsch, Mrs. Clara Goupil, Mrs. Lucille Woyahn and Mrs. Mary Humphrey, all of Tawas City; 21 grandchildren and 14 great-grandchildren; two sisters, Mrs. Hannah Dormire of Fenton and Mrs. Louise Luedtke of Tawas City; one brother, Edward Schanbeck of East Tawas.

Mrs. Krumm was a member of the Emanuel Lutheran Church of the Emanuel Lutheran Church. Funeral services will be held Friday afternoon at the Jacques Funeral Home at 1:30 and from the Emanuel Lutheran Church at 2 o'clock. The Rev. L. W. Newman will officiate and burial will be in the Emanuel Cemetery.

Tawas Area to Present Musical Program

The public is cordially invited to the Tawas Area grade school's first "Melody of Song." The musical program will be presented at the Tawas Area High School gymnasium on Tuesday evening, May 3, at 8:00 p. m., under the direction of Mrs. Russell Klenow. "Melody of Song" will include numbers by all the children of the area from the first through the sixth grades. The primary grades will present stories in song. The upper grades will illustrate their songs in art under the direction of their room teachers. A choral reading will be presented by the sixth grades, supervised by Miss Myles and Mrs. Sims. Words to the opening song were written by the children of the Watts school, directed by Mrs. McGuire; the stage decorations by Miss Viola Groff. The accompanists will be Mrs. Waldo Leslie, Mrs. Irvin Erickson and Mrs. Clyde Evril.

Two Gas Service Stations Robbed

Two breaking and enterings of gasoline service stations during the past week in Isoco County were reported by the Michigan State Police Post at East Tawas. During the early morning hours last Friday, the Cities Service Station at Oscoda was burglarized and a desk type filing cabinet stolen. The cabinet contained a quantity of money and checks. The subjects gained entrance by breaking out a window at the rear of the building.

Deputy Sheriff Kenneth Kennedy of Oscoda and Detective LeRoy McCluer of the state police investigated the complaint. The second breaking and entering occurred late Saturday night or early Sunday morning at Hale. The Sunoco gasoline station owned by John Morrison and operated by Joseph Banister was entered and \$125 in cash was taken from the cash register. No merchandise was stolen.

Deputy Sheriff Dennis Chivria of Hale and Michigan State Police are investigating.

(Continued from Front Page) Mrs. Glen Schlaack of Tawas Hospital staff is attending the Institute of Hospital Dietary Administration in Boston, Massachusetts, this week. Dr. E. C. Silverthorn will attend the spring meeting of the American Academy of Optometry at Lansing on Thursday.

A mother-daughter banquet will be held on Tuesday, May 10, at the Tawas City Methodist Church. The banquet is sponsored by the W.S.C.S. Mrs. Wesley Dafeo of Whittemore will be the guest speaker and special music is planned. For reservations call Mrs. Donald Seymour, 899-R, or Mrs. Henry Darling, 401-J.

Richard Pfeiffer left Monday for Newport, Rhode Island, after a 20-day leave with his parents, Mr. and Mrs. Matthew Pfeiffer. He will resume his duties on the USS Salamone.

Mr. and Mrs. Norman McNeil have purchased the Mrs. Charles Goff home and cabins at 518 Lake Street. It is the former Henry Kane property.

W. Neil Thornton, a member of The Tawas Herald staff, attended the annual Michigan Press photographic conference and meeting of the National Press Photographers Association at Kellogg Center in East Lansing last Friday and Saturday. One of the speakers on the program was Bert Stoll of East Tawas, outdoor editor of Both Newspapers, Incorporated.

Hold Annual Tea

There was a fine attendance at the annual spring tea given by the Grace Lutheran Ladies Aid last Tuesday evening at the church. Tables were beautiful with bouquets of yellow daffodils. Mrs. Earl Hester announced the program numbers. The Tawas

Women's League Chorus gave several appropriate selections with Mrs. Rex Kochenderfer, director, and accompanist, Mrs. Benjamin Whaley.

Miss Barbara Hester entertained with piano selections. Several readings of poems of spring and of interest to women were given by Miss Helen Applin. Organ selections were played by Mrs. Kochenderfer.

To satisfy your taste is our earnest wish. And our fears are nil with this delicious dish. You'll really go for our Devil's Food cake. Because it's the same fine pastry you would make.

Devil's Food cake is the favorite of the nation and will be yours too when you taste our masterpiece with its tasty chocolate flavor and delicious fudge icing.
