ARCHITECTS PREPARING SCHOOL PLANS FOR BIDS

Preliminary space allotments for the new Tawas Area Junior and Senior High School were adopted by the board of education Tuesday night. The space allotments adopted contains all the facilities originally considered in the building plans.

Board President Randall M. Fox said this was achieved by making better use of space and converting two large classrooms into dual purpose rooms.

Present at the meeting were Robert Rowison and Claire Hering of H. E. Beyster and Associates, architects of the new school.

The architects will prepare a brochure of the detailed plans of the building and submit this information to the board for approval. Upon approval of the brochure, stated President Fox, the bid plans will be prepared.

Contracts for tree cutting and stump removal on the new site went to A. Don Anderson. Purchase of the wood on the site was awarded to Delano Myles.

It was found necessary by the board to purchase an additional bus to transport pupils for the 1955-56 school year.

A new related training program for commercial students will be inaugurated in the school this year. Robert Deloria, commercial instructor, will have one period a day designated as a time to make arrangements for the program.

In this program, students will be placed in business offices in the area for one to two hours daily, with the full responsibility for coordinating this activity for the maximum benefit of students under Mr. Deloria's direction.

Tawas Area Has Busy Year in Building Activities

BRICK LAYERS BUSY ON NEW CHURCH

Construction of All Types in Progress

This area is now engaged in one of its busiest years in building construction. At present there are some nine public, industrial and commercial buildings under way and in the fall work will start on the new \$835,000 Tawas Area Junior and Senior High School.

Construction of homes is also making rapid progress in the area and by fall construction in this field presumably will break all previous records.

Aiding the construction work throughout the summer has been perfect building weather.

Both Tawas City and East Tawas are now constructing sewer extensions which, in many cases, will provide facilities for the new buildings.

Of the nine buildings now under construction, two are public buildings and one is a church.

The new \$165,000 Iosco County Jail is rapidly nearing the completion date. Constructed of blocks and masonry, the building is faced with Briar Hill rubble. When completed it will be one of the most modern jails in Northern Michigan. Davison-Rose Builders, Incorporated, of Tawas City is the general contractor.

Work is now under way on the new public bath house in the Tawas City Park. George Green is the contractor. The Tawas City Park dock was completed earlier this year and level of the park raised considerably. The SS Overniter, Michigan's first hotel, is berthed at the park dock.

Construction of the new Grace Lutheran Church in East Tawas is now under way. The structure will be faced with brick and completion is set for November 1. General contractor is Milton Frosh of West Branch.

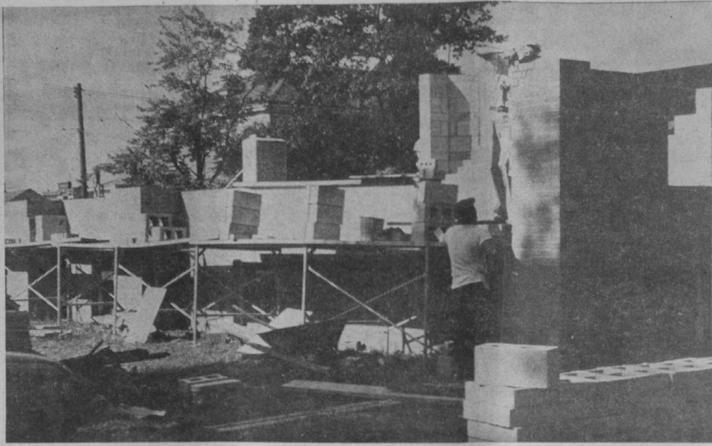

The new Barnes Hotel in Tawas City, under construction since the fire in April, is nearing completion. Workmen are at present doing finish work in the interior. When completed, the hotel will be one of Northern Michigan's finest. Anthony DeFilippi, owner, is in charge of construction. Big picture windows in the front afford a beautiful view of Tawas Bay. The building is faced with Briar Hill rubble.

A new addition to the Feather-Lite plant at the old Detroit and Mackinac round house is under way. The new addition will provide much needed space for expansion of the plant.

Tavas Plating Company is now constructing a 40 x 70 concrete block building on Industrial Street in Tawas City. The plant has outgrown its present location and additional equipment was recently installed.

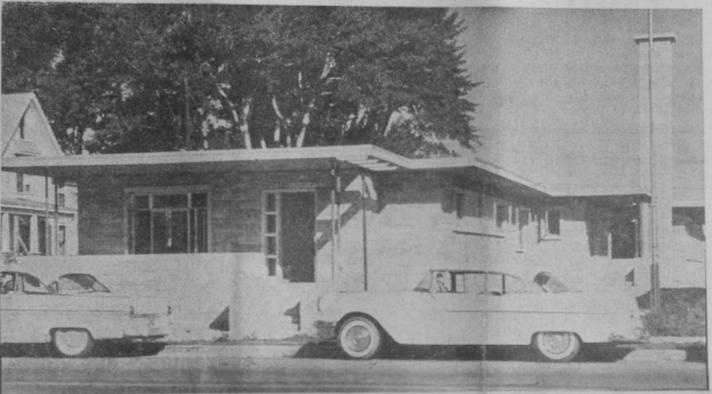

Work on the new building for Fuelgas Company, Incorporated, started several weeks ago. Located on US-23 in Tawas City, Henry Oates of Alabaster is contractor. The building will feature a glass front which extends back about 15 feet.

Beckett's Trailer Court on M-55 in Tawas City is progressing rapidly, it was announced this week by Peter Beckett. This court, which is state approved, will fill a much-needed addition to the summer business in this area. (See Construction, Back Page.)

Cornerstone laying ceremonies for the new Grace Lutheran Church at East Tawas will be held Sunday afternoon at 4 o'clock. Photo above shows progress of work.—Tawas Herald Photo.

11th District VFW Rally Held at Tawas City Last Sunday

Don M. Draher of Royal Oak, department commander of the Veterans of Foreign Wars, was the principal speaker at the 11th District rally held here last Sunday. Delegates from 19 posts were in attendance.

In his talk Draher placed special emphasis on membership, community service and welfare service programs for the year. Plans were made to attend the 56th annual encampment of Veterans of Foreign Wars which will be held at Boston later in the month.

The 11th District delegates unanimously adopted a resolution endorsing Russell Hughes of Harrisville for department judge advocate.

Represented were posts of Bay City, Harrison, Mt. Pleasant, Farwell, Midland, Gladwin, Pinconning, Mio, Roscommon,

Clare, Houghton Lake, Lake City, Harrisville, Rose City, Spruce, Beaverton, Shepherd and Au Gres.

Maynard Johnson of Mt. Pleasant, district commander, presided over the meeting. Iosco Post No. 5678 was the host and the meeting was held at the post headquarters in the Ransom Building.

Honor Student—

Among the students whose scholastic grades placed them on the spring roll of honor at Michigan State University was Miss Nancy A. Rollin, according to an announcement made by the university Friday. Miss Rollin is the daughter of Mr. and Mrs. Russell Rollin of this city.

Retired Grant Farmer Dies After Short Illness

Lorenzo Dow Watts, retired Grant Township farmer, died at Samaritan Hospital, Bay City, after an illness of four days. He had been a resident of this city for the past nine years.

Born April 3, 1877, at Providence, Ontario, he was the son of Mr. and Mrs. Henry A. Watts. Members of the Watts family were pioneers of Grant Township.

On April 26, 1924, he married Ella May Daugherty, who survives him. Funeral services were held at the Jacques Funeral Home. Marshall Smith officiated. Interment was in the Tawas City Cemetery.

Mr. and Mrs. Charles Martin of Detroit came last week-end for a visit with Mr. and Mrs. Victor Floyt. The ladies are sisters.

\$1,497,000 in Contracts—

Davison-Rose Has Phenomenal Growth in Construction Field

Davison-Rose Builders, Incorporated, of Tawas City announced this week that the firm had been awarded a \$368,000 general trades contract for the construction of the new Armada Rural Agricultural High School, Armada, Michigan. Total bids on this project amounted to \$540,000.

Edward Davison, president and treasurer of the local building firm, said, "Although our bid was \$25,100 over the low bid submitted at the bid opening on July 12, we feel our reputation for good construction, attention to detail and 100 percent cooperation with the various school boards and architects has paid off in this instance."

Constructed of block, brick and steel, the building will have complete high school facilities for approximately 450 pupils and covers an area of 42,500 square feet.

During the past five months, Davison-Rose has been awarded \$1,100,000 worth of contracts. The firm currently has \$1,497,000 in contracts on its books and ex-

Cornerstone Ceremony This Sunday

Cornerstone laying ceremonies will be held at the new Grace Evangelical Lutheran Church in East Tawas at 4 o'clock Sunday afternoon, August 14.

The Rev. Reuben E. Norling, pastor of the Augustana Lutheran Church in Detroit, and president of the Eastern Michigan District of the Augustana Lutheran Church will officiate.

Pastor Norling will be the principal speaker, speaking on the subject, "On This Rock I Will Build." He will be assisted in the laying of the cornerstone by pastors from the Eastern Michigan District.

The public is cordially invited to attend this ceremony.

Construction of the building is to be of waylite blocks on the interior and a light tan brick on the exterior. Laminated wooden arches are being shipped from the west coast. Stained glass memorial windows and the bell from the old church will be worked into the design.

The present church basement, where services have been held during the past four years, is valued at \$20,000 including all equipment and furnishings. The total cost of the building will be approximately \$50,000, not including furnishings.

Tawas School Vandalized

The Tawas City unit of Tawas Area Schools was vandalized sometime Monday night or Tuesday morning of this week, it was reported by school authorities. Twenty-five windows were broken in the main building and adjacent elementary building.

No damage to the interior of the buildings was reported by Chief George Ruth of the Tawas City Police Department. However, the elementary building showed evidence of entry. Police report that several suspects are being questioned.

Randall M. Fox, board of education president, reported Wednesday morning that an additional 14 windows were broken at the school Tuesday night. It is estimated that more than \$200 worth of glass has been broken during the two nights.

The vandalism was discovered by Goyle Killey, building custodian, when he returned to the school building Tuesday morning. Windows in the school study had been broken and stones and pieces of concrete were found on the floor.

On further investigation, Killey and Principal Ronald Butterfield discovered a large number of windows had been broken in the elementary building.

The two men notified Chief Ruth and Michigan State Police officers at East Tawas. Both departments are cooperating in the investigation.

Police theorized that at least two persons were involved in the vandalism and evidence found indicates that their age is 14 years or less.

Mr. Butterfield stated this was the first case of vandalism occurring in the schools for several years. He said on a number of occasions windows had been broken, but never this serious.

Two Flint People Drown Saturday at Long Lake

Two persons were drowned in Long Lake, Plainfield Township, Saturday morning when an eight-year-old girl fell into the water from a boat and her would-be rescuer could not swim.

Dead are Caroline Louise Whiting, daughter of Mr. and Mrs. Wayne Whiting of Flint, and Albert Benz, 42, also of Flint.

Witnesses of the double tragedy told investigating officers from the Iosco County Sheriff's Department that Benz had taken the girl for a boat ride shortly before noon in his 16-foot all-metal boat.

Mrs. Jenny Sulkowski of Howell, Michigan, a vacationer at the lake, told officers that the girl was riding in the bow of the boat. She said that the girl fell into the water and Benz jumped in after her. He grabbed the girl and both went down in about 10 feet of water.

On arrival of police officers the two bodies had been recovered by members of the Hale Fire Department and neighbors. The victims had been in the water for approximately 30 minutes.

The Whiting and Benz families, neighbors in Flint, were vacationing at the latter's cottage.

Coroner E. D. Jacques was called to the scene of the tragedy. The bodies were taken to the Forshes Funeral Home at Hale and later were taken to the Algeo-Gundry Funeral Home at Flint.

45 HALE CHILDREN RECEIVE SECOND SHOTS

The second inoculations of the Salk vaccine program for Iosco County started Tuesday, August 9, at the Hale school. The second inoculation was given to 45 children, 14 children not present. Dr. Dorman of the Wurtsmith Air Force Base, Oscoda, administered the inoculations.

The Michigan Health Department urges parents to have their children take the second inoculation before the peak of polio season in September. If transportation is needed the schools should be contacted. Iosco County had 963 youngsters receive the first Salk vaccine inoculation.

The clinics are as follows: Tawas City—Iosco County Building, Health Department on Tuesday, August 16, and Friday, August 19, from 9:30 a. m. to 12:00 noon both days.

Whittemore—At the school on Tuesday, August 23, from 9:30 a. m. to 12:00 noon.

Oscoda—At Oscoda elementary school Thursday, August 25, 9:30 to 11:30.

Mrs. Cecil Cable of the Gray Ladies and Mrs. Nyda Bronson, clerk, are assisting Mrs. Grace Hanna, county nurse, at the clinics.

Any of the clinics are available to any child needing the vaccine. For further information call the health department.

Mrs. A. T. Johnson and sons, Ronald and Dean, left last week for their home in Kansas City, Kansas, after spending five weeks with her mother, Mrs. W. H. Pringle. Terry Johnson will stay for the remainder of the month with his grandmother and return home by plane.

Tawas City Loses 6-2 to Alabaster

Breaking loose with four big runs in the bottom half of the eighth inning Sunday, Alabaster won over Tawas City 6-2. The two teams had been locked in a 2-2 tie until that time.

Tawas City's Mern Warner and Clare Herriman hooked up in a real pitcher's battle for the first seven innings. Herriman was credited with the win.

Top hitter for the day was Alabaster's hard-hitting first baseman, Jerry Grack, who had a double and three singles in four times at bat, a perfect day at the plate. Don Westcott, Tawas City's first sacker, led his mates with two hits in four times at the plate.

Alabaster was first to score in the game when Tate doubled Grack home from second base in the fourth inning. Alabaster added a single run in the sixth inning on two consecutive singles by Grack and Herriman and a RBI single by Darwood Leppard.

Tawas City scored both of its runs in the top half of the sixth inning. Warner led off with a single. Humphrey was safe on an error. R. Anschutz grounded out and Warner scored. W. Herriman was safe on an error. Humphrey was out on a run-down between third base and home plate. Grady singled scoring Herriman. Westcott singled into right field, but Grady was thrown out at the plate.

Grack led off the eighth inning with a double. Herriman went down swinging. Tate singled. P. Erickson walked. Leppard doubled scoring Grack and Tate. J. Erickson grounded out. Mielock was safe on an error and Leppard scored. McMurray singled. At this point Grady went in to pitch for Warner and retired Ludwig on a fly ball to end the inning.

This Sunday's schedule will find Oscoda at Tawas City and Alabaster at the Wurtsmith Air Force Base.

HONORED FOR 25 YEAR SERVICE

Miss Esther Look, an employee of the Peoples State Bank or East Tawas for 25 years, was honored last week by bank personnel at a family style 6:30 dinner Thursday evening. The dinner was served at the Grace Lutheran Church.

She was presented with a United States Savings Bond by the bank and a beautiful gift by the bank employees. L. G. McKay Sr. and Grant Shattuck made the presentations with appropriate remarks.

SCOUTS GUESTS OF RAILROAD

Fifteen Cub Scouts from Pack No. 54, Prescott, had the time of their lives Monday when they were guests of the Detroit and Mackinac Railway Company. The boys experienced their first trip in the cab of a diesel locomotive and way car.

Local, from Tawas City to the United States Gypsum Company siding, the boys enthusiastically described the trip as "exciting." They are pictured above on the locomotive, Edward Moeller of East Tawas is the engineer.

The youngsters were accompanied by David Martin, cub master, Mrs. Martin and Mrs. C. T. Prescott Jr., den mothers. The trip was arranged by William and Marvin Mallon of the Detroit and Mackinac.

Christian Science---

God's inexhaustible goodness and abundance will be brought out in the lesson-sermon entitled "Soul" which will be read in Christian Science churches on Sunday.

Bible passages will include the admonition of Christ Jesus with regard to man's sustenance: "And seek not ye what ye shall eat, or what ye shall drink, neither be ye of doubtful mind. For all these things do the nations of the world seek after: and your Father knoweth that ye have need of these things. But rather seek ye the kingdom of God: and all these things shall be added unto you." (Luke 12:29-31).

Also emphasizing the importance of looking to Soul, God, rather than to mammon for happiness, a correlative passage to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (60:29-31): "Soul has infinite resources with which to bless mankind, and happiness would be more readily attained and would be more secure in our keeping, if sought in Soul."

The United States Navy is planning to fly six to eight planes non-stop from New Zealand to McMurdiando Sound in Antarctica. The December flight will be the first linking that continent directly with other lands.

Whittemore News

The annual Reno School reunion was held at High Roll-Ways Sunday, August 7, with over 50 former pupils and teachers enjoying a picnic dinner at 1:30.

William White, president of the reunion, presided over the business session. The minutes of the 1954 reunion were read by the secretary, Mrs. Alex Robinson. A letter was read from Mrs. Christina Sheppard Morrish of Dundee, Florida, a former pupil.

Election of officers was held with the following being elected for the coming year: President, Lester Robinson; vice president, Arthur White; secretary, Mrs. Alex Robinson; treasurer, Mrs. William Leslie. Program committee members are Mrs. Roy Charters and Mrs. Belle Earhart. An American flag was presented to the group by Mrs. Roy Charters in memory of her husband, Roy Charters, a former pupil and a past president who passed away three years ago. The presentation was made by Arthur White in a very impressive memorial.

Gifts were presented as follows:

The oldest pupil present was Albert Syze of Flint; the youngest pupil present, Pattie Charters of Reno, and the pupil that came the farthest was Jessie Johnson of Bradenton, Florida. Former pupils reported ill were James Syze of Detroit, Eliza McDonald of Lansing, Sybil Sharlow of Flint and Hammie Hutchison of Reno. Cards were signed by the group to be sent to them.

Members were present from Bradenton, Florida, Flint, Clawson, Linden, Saginaw, West Branch, Tawas City, Prescott, Hale, Twining and Whittemore. Memorials were given for Allen Caverly and Alva Hutchison, both of Saginaw, who passed away since the last meeting. It was voted to hold the 1956 reunion at the same place on the first Sunday in August.

Mr. and Mrs. Arden Charters and family spent Sunday evening in West Branch where they attended a birthday supper for Henry Jackson.

Mrs. Archie Coggins of Brooklyn, New York, and her mother, Mrs. C. Ostrander of Detroit, spent the week-end here with relatives.

Mr. and Mrs. Loren Lindsay of Sterling spent Friday and Saturday with Mrs. Alma Pake. Mr. and Mrs. John Dickey and two daughters and Mr. and Mrs. Charles Fuerst and two daughters are spending a week's vacation at Vaughn Lake.

Mr. and Mrs. Edward Duengel Sr. of Detroit spent the week-end here at their son's cabin. Mr. and Mrs. Arden Charters and William Fuerst spent Monday in Grand Rapids on business.

Mr. and Mrs. Bert Fortune and daughter returned Sunday evening from Dallas, Texas, where they visited Mr. and Mrs. Gunnar Brevik. They report a fine trip and a wonderful time while there.

Mrs. Winifred Charters and Mrs. Belle Earhart attended the Reno School picnic at High Roll-Ways Sunday. Mr. and Mrs. Harrison Snyder and daughter, Joanna, and Mrs. Henry Snyder spent Wednesday in Flint.

Mr. and Mrs. Charles Dorsey and Mr. and Mrs. John Higgins returned Thursday from a trip through the Upper Peninsula. They also called on the VanPatens at Brimley.

Mr. and Mrs. R. Ecklund of Midland spent the week-end with Mr. and Mrs. George Freel and attended the Freel reunion on Sunday.

Mrs. Jennie St. James spent the week-end in Flint with her son and family. Mr. and Mrs. L. Armstead are spending a week's vacation in Pt. Austin, Bad Axe and other points in the Thumb.

Audrey Dillon has returned from a trip through the western states. Mr. and Mrs. Robert Bero entertained friends from Saginaw Sunday.

Charles Crites and daughter, Christine, of Waterford were in town Saturday. Mr. Graham has gone to Bay City to spend several days with his daughter, May, and son, Harry.

Mr. and Mrs. Thad Hall and Mr. and Mrs. J. D. Lehman spent a few days the past week in New York. Mrs. Erma Bellville spent the week-end at Mt. Pleasant with her daughter, Jeanette, and husband.

Mr. and Mrs. Herman Wesenick and Mrs. Alma Pake left this week to attend the Lindsey reunion at Simco, Ontario, and will visit relatives. Mr. and Mrs. William Lawe and family of West Branch spent Sunday with his parents, Mr. and Mrs. Laurel Lawe.

Mrs. Arthur Latham and Mrs. Ethel Neiderstadt spent Monday forenoon in West Branch.

FAIR LUNCH STAND NETS GRANGE \$251.67

The Whittemore Grange met Monday evening with Master Clarence Bellville in charge of business meeting.

The lecturer, Mrs. Joy Bellen, announced that the annual mystery ride will be held Thursday, August 11. Grangers are to meet at the Grange Hall at 7:15. Pot-luck lunch will be served.

Home Economics Chairman Charlotte Black announced that the complete proceeds at the Iosco County Fair lunch stand amounted to \$251.67. Mrs. Black also thanked all who helped make the project a success. The money will go toward the Grange building fund. The members sent a vote of thanks to the use of his refrigerator at the lunch stand.

Tentative plans were made to have a Grange picnic on Sunday, August 21. Plans will be completed at the August 15 meeting. County Deputy Marie Bellville announced the District Four Grange meeting at Glennie on August 14 at 1:30 p. m. All Grangers are invited to attend.

Two games completed the program for the evening. Pot-luck lunch was served.

Lower Hemlock

FARM EVENTS

By MARVIN DAVENPORT County Agricultural Agent

August 15-20—Farm Mechanization Parade of Progress on campus of Michigan State University. A little world's fair.

Tuesday, September 6—Lamb marketing tour during the day, meeting with sheep raisers at Reno Township Hall at 8:00 p. m.

Tuesday, October 4—Lamb truck and lamb marketing pool at West Branch. Order your lambs now.

Waldo J. Curry and I harvested the wheat fertilization plots on his farm in Tawas Township. These plots were on a field that had been wheat the year before. It was somewhat strawy after the harvesting of the 1954 crop.

The plots were set up with no fertilizer on one, 200 pounds of 5-20-20 on a second, 700 pounds of 5-20-20 on the third and 400 pounds on the fourth. This field was tested for lime, phosphorus and potash in 1954 and two-thirds ton of dolomite lime, applied per acre in the fall of 1954 to correct the acid condition that ranged from a pH of 5.3 to 6.2.

These are the results as harvested: No fertilizer—yield 26.4 bushel per acre. 200 pounds of a 5-20-20—yield, 31.0 bushel per acre. 400 pounds of a 5-20-20—yield, 41.7 bushel per acre. 700 pounds of a 5-20-20—yield, 43.5 bushel per acre.

These are not the only results to be expected. Let's take a look at the alfalfa brome seedlings come the spring of 1956. Applications of fertilizer at 400 pounds per acre cost little less than \$16 per acre while the increase in yield of 15.3 bushels over the no fertilizer plot returned better than \$27 at the quoted market price of wheat.

A group of livestock owners spent 10 months reviewing the regulations in effect. After the extensive study, detailed recommendations were handed to the commission of agriculture. They were passed by the legislature at its last session.

In Iosco County than any other crop. Other rye varieties do not make as much growth. Balbo is especially useful on the lighter, better-drained soils. These soils permit animal traffic without cutting up the rye sod. Balbo rye is a good pasture crop. It has vigorous fall and early spring growth and does not cause off flavored milk.

Certified Balbo rye is available in Michigan. It can be ordered through local elevators or seed dealers, or write to the Michigan Crop Improvement Association, Agricultural Hall, Michigan State University, East Lansing, to obtain a source of certified seed.

Seed of Balbo is considerably smaller than that of Rosen and the color of the seed helps farmers to identify it. Balbo seed is more yellow and brown while Rosen is primarily green. August seedings are recommended and will provide more October pasture than September seedings. The recommended rate is four to five pecks per acre. Balbo rye responds very well to commercial fertilizer. Fertilize it the same as you would wheat on the same land.

A winter barley variety has been accepted for certification in Michigan for the first time. Two hundred fifty acres of the Hudson variety has been accepted by the Michigan Crop Improvement Association for certification.

Stuart C. Hilderbrand, secretary of the MCIA, indicated that Hudson had the least amount of winter injury of the varieties planted over the state for demonstration by Michigan State University crops specialists. Winter barley has been grown for many years in southwest Michigan.

Hudson is a bearded winter barley developed in New York. It produces high yields of grain and it has a stiff straw. Because certified seed is limited, farmers should contact the Michigan Crop Improvement Association at East Lansing immediately for a list of nearby seed producers. Most of the seed was produced in southwest Michigan.

A group of livestock owners spent 10 months reviewing the regulations in effect. After the extensive study, detailed recommendations were handed to the commission of agriculture. They were passed by the legislature at its last session.

Mr. and Mrs. Edward Putnam Observe 50th Anniversary

Mr. and Mrs. Edward O. Putnam of Hale celebrated their 50th wedding anniversary last Sunday. Their nine children and families were in attendance. Dinner was served at the Plainfield Township Hall by the Auxiliary of Glen Staley Post, American Legion.

Mrs. Putnam is the former Lotie May Webb, daughter of Mr. and Mrs. Frank Webb, early Plainfield Township settlers. Mr. Putnam, who developed one of Iosco County's good farms, has always taken a keen interest in the civic affairs of his township. For many years he served as a member of the board of super-

visors and member of the board of education. Mr. and Mrs. Putnam have retired from farming and as soon as their new home has been completed will reside at Hale.

Their children are: Mr. and Mrs. Bernard Webb of Sylvania, Ohio; Mr. and Mrs. Guy Alderton of South Branch; Mr. and Mrs. Harold Eymor of Prescott; Miss Gertrude Putnam, living at home; Mr. and Mrs. Charles Putnam of Sylvania, Ohio; Mr. and Mrs. Leon Putnam of Tawas City; Mr. and Mrs. John Putnam of Dayton, Ohio; Mr. and Mrs. Robert Timmer of Grand Rapids; Mr. and Mrs. J. D. Lehman of Whittemore.

James W. Glatis of Boston, a former FBI agent, testifying before the House Un-American Activities Committee which is investigating the National Committee to Seek Clemency for the Rosenbergs, said that the Communists "didn't give a hoot" about the Rosenbergs and only fought their execution to embarrass the United States and to help Russia.

6-Day Farm Home Show at Michigan State

Michigan State University's giant six-day farm and home mechanization show this month is beginning to take shape with the announcement of a tentative daily program schedule.

The Centennial of Farm Mechanization, with all the pageantry, demonstrations and exhibits that go with such an exposition, is set for August 15-20, on 100 acres of college farm and campus.

Hours for viewing the more than 600 exhibits and demonstrations will be from 9:00 a. m. to 6:00 p. m. each day.

A kick-off luncheon on Monday, August 15, with members of the chamber of commerce and other local service clubs participating will launch events for the week. The luncheon will be followed at 1:30 by a ribbon cutting ceremony which will officially open the exposition.

Among visitors from all over the world expected to attend the exposition will be 12 Russian farm leaders who are now touring five farm states. They are expected to stop here and look over the exposition on opening day.

An outstanding feature will be a pageant of progress depicting the changes in rural life during the past 100 years. It will be staged at 1:30 each day and at 8 o'clock each night, except Saturday, in a specially-designed arena seating 6,000.

As part of the pageant program, the accomplishments of outstanding farm, industry and education leaders will be recognized. The three centennial 1890 farmers who were chosen by Michigan State University and a national farm magazine will be honored at a special program at 1:30 p. m., Wednesday, August 17.

Demonstrations of the latest in farm machinery, home building, mechanical stone removal, deep tillage and tile drainage will be a daily attraction at 2:00 p. m.

Land drainage demonstrations at 10:00 a. m. daily will show how soil can be made more productive. Tile will be placed in the ground to show the placing, spacing and back filling necessary in the process.

"Threshers Round-Up" will bring together several 10 to 15-ton steam engines of the 1890's. The three will be placed in the ground to show the placing, spacing and back filling necessary in the process.

"Jughead," a dummy tractor driver, will "kill" himself each day at 9:00 a. m. and 4:00 p. m. each day. The old-fashioned threshers will demonstrate the method grandpa used to thresh grain.

Giant tractors will be pitted against one another in tug-of-war contests at 1:00 p. m. daily, except on opening day.

Youth Day has been designated as Wednesday, August 17. A 4-H Club talent act will highlight a special youth program at 1:30.

Band concerts will enliven the exposition area daily. Concerts are scheduled for 10:00 a. m. and 1:00 p. m. in the arena and 11:00 a. m. and 3:00 p. m. in the band shell. High school bands from all over Michigan and specialty groups, including comical German bands and a Scotch-Canadian bagpipe band, will perform.

"My, how careful you are of your toys, you've picked up every one. I suppose your mother promised you something for doing it," she said I'd get something if I didn't."

Pretty Pictures in the Sunset

Do you recall that wonderful song, *St. Louis Blues*—with its downbeat rhythm and its plaintive cry, "I hate to see that evening sun go down"? Well, a lot of picture-takers once felt pretty much the same way. But no longer—because a great many of them have learned how easy it is to take beautiful sunset pictures with full-color film.

In general, it's safe to say that color shots of sunsets produce more spontaneous sighs of pleasure than any other type of scenic shown on home screens or mounted in the family album.

still excellent. A bit of over-exposure will just seem as though the days were getting shorter a little ahead of schedule.

Now, think back for a moment to the sunsets you've most enjoyed. Probably there were trees or distant buildings or hills somewhere on the edge of the view. Be sure to include them—you know, foreground interest is almost an essential for any scenic view.

Why not try to have someone standing beside a tree—and when you shoot, remember that the overhanging boughs can nicely frame your whole picture. Naturally, anyone or anything between your camera and the setting sun will come in silhouette, because all the light is far, far beyond.

Mrs. Lily McDonagh, a 34-year-old British mother of seven, sits on the steps with 16-month-old Joyce, her youngest, upon their arrival at Idlewild Airport from London. Mrs. McDonagh is giving the child to an American couple, Sgt. and Mrs. George Dinanski in Holly Hill, South Carolina, who had taken the child into their home when they were stationed near the McDonagh family in England. The child thinks of the Dinanskis as parents.

Six Traffic Accidents Mar Past Week

Six traffic accidents were handled in Isosco County during the past week by the Michigan State Police Post at East Tawas. Five persons were injured in two of the accidents.

Two persons were injured last Wednesday evening when a car driven by Carl R. Fultz went out of control on M-55 in Grant Township. Injured was the driver and his wife, Edna. Both were taken to the Tawas Hospital by the Moffatt ambulance. Fultz told investigating officers that mud on the road caused the vehicle to start into a skid and he could not pull out of it.

A two-car collision resulted last Saturday afternoon when a car driven by Thomas H. Roughley of Tawas City crashed into the rear of a car driven by Walter Zaleski of Tawas City. Zaleski told officers that the other vehicle had signaled for what appeared to be a left turn so he started to pass on the right shoulder. Apparently the other driver saw that too much traffic was approaching and decided to pull on to the right shoulder and wait, resulting in the crash.

Three cars were involved in a collision near the Isosco-Arenac County line on US-23 last Saturday afternoon. No one was injured. The cars were driven by Donald F. Clark, Osceola; Ethel E. DePotty, Flint; and Joseph F. Benson, Route 2, Tawas City.

Attempting to make a U-turn on US-23 in Alabaster Township, a car driven by David G. Fluehr of Bay City was struck by Richard O. Martin of Saginaw. Martin, his wife, Shirley, and Delores Dillon of Flint were injured and taken to the Tawas Hospital by Howard White of the Tawas City Police Department. Fluehr received a summons for an improper left turn.

A Detroit driver, Nicholas Rallis, was issued a summons for making an improper turn and failure to yield the right of way as result of a two-car collision last Sunday evening at the traffic light in East Tawas.

A two-car collision occurred last Sunday morning when a car driven by Isaac M. Ray of Trenton struck the left front fender of a car driven by Bernice V. McMullen of Akron, Ohio. Both vehicles were headed north about five miles south of Tawas City when Ray attempted to pass the other vehicle, but was forced to cut in sharply to avoid hitting an oncoming vehicle.

COMMITTEE TO SEEK LIGHTED BALL PARK

At the regular meeting of the Tawas Community Council President Frank Wilkusi appointed a committee of five members, E. D. Durant, William Lyons, Gordon Huck, Reynold Mick and himself, to investigate the installation of lights on the new high school athletic field.

This followed an interesting discussion by the Rev. Charles Mercer, Mr. Durant and Mr. Lyons in regards to softball and the little league baseball success this year.

Community council members felt further encouragement of these worthwhile activities could be achieved by the installing of lights to allow for night games. The committee will report at the Monday, September 12, meeting at 7:30 p. m.

Other members present were: Mrs. Isabelle Leslie, Mr. and Mrs. Walter Schuhmacher, Mrs. Mike Blust, Mrs. Charles Nash, Mrs. T. O'Loughlin, Clara Bolen, Richard Allen, Harry Pelton, Joseph Chaput, George Ruth, the Rev. Robert Nelson, Mrs. Archie Ruckle and Mr. and Mrs. Marvin Davenport.

With the Iosco 4-H Clubs

By DOROTHY SCOTT

August 30-September 1—State 4-H Club Show, Michigan State University.

Friday at the fair was 4-H Club Day and the evening program presented by 4-H Club members included: Piano solo, "Deep Blue," James Laidlaw; vocal duet by Ruth Ann Proper and Sandra Lipka; accordion

solo, "Mexican Hat Dance," Gloria Siegrist; instrumental medley by Lorna Mott, Neva Daugharty and Debra Nichols; monologue by Faye Pagel.

A great many fair visitors commented about the stage decoration scene arranged by the decorations committee, featuring 4-H Club animals at work on their projects.

Grand champion dairyman is Robert Waters and grand champion beefwoman is Verna Kay Wehrman. Reserve champions are Paul Edie and Lloyd Watts. We are proud of the exhibits record made by 4-H Club members this year. You will be, too, when you look it over.

Alabaster-Whitney Rowers, 6 completed members, 20 projects exhibited; 20 projects exhibited; Laidlawville, 22 completed members, 69 projects complete, 59 projects exhibited; Reno, 17 completed members, 55 projects complete, 54 projects exhibited; Hale Happy Hustlers, 15 completed members, 36 projects complete, 34 projects exhibited; Burleigh Wizards, 15 completed members, 28 projects complete, 24 projects exhibited; Friendship, 19 completed members, 42 projects complete; 26 projects exhibited. Totals: 94 completed members, 240 projects complete and 218 projects exhibited.

Counted as complete are members whose projects had been shown and approved at an open-house or tour and whose report on that project was filed in the Cooperative Extension Service Office before the fair opened. These members are the ones who will compete for special recognition in the way of trips, contests, medals, etc.

There are several 4-H Club members who will complete their projects for a Certificate of Achievement even though they were unable to exhibit at the fair.

GEORGE SAYS

Starting next week, the summer reading club program is coming to a close. Boys and girls have found the program very interesting and have enthusiastically gathered bits of information and stories about the points they visited.

Parties are being planned at each stop to celebrate the final 1955 club get-together.

The Bookmobile will be at the following stops:

Thursday, August 11—Alger 10:30, Sterling 1:00.
Friday, August 12—Hall's 10:00, Long Lake 11:15, Hale 1:00, Ausable Resort 4:15.
Monday, August 15—Moffatt 11:00, Hanna 2:00.
Tuesday, August 16—Pt. Lookout 10:00, Minard's 1:00, Alabaster 2:00.
Wednesday, August 17—Maple Ridge 12:00, Turner 2:00.
Thursday, August 18—Greenwood 10:30, Taft 1:00, Sand Lake 2:30.
Friday, August 19—Whittemore 11:00, Twining 2:00.

August is here. It is the month when 4-H Clubs and 4-H Club members think and plan for the year to come—the 1955-56 4-H Club year.

The months of September, October, November and December seem to be the very best months for accomplishing project activities. By that we mean there is less competition for the time of both young people and leaders.

So, let's not allow this "best" time for accomplishing 4-H Club work slide by. Let's get busy on planning for 1955-56. That means, enroll new members at your August meetings. Elect officers, select a reasonable number of projects to be done this next year and plot out the time when they shall be done so not too many things get going at once. Arrange for leadership, both adult and junior leaders. Have an installation of officers at your September community club meeting.

You're off to a head start. Be sure the secretary sends to the Cooperative Extension Service Office a list of the new officers, leaders (adult and junior) and projects planned.

Last year delays in getting new officer lists resulted in there being no training school for officers. It should be held in September to help officers most.

Calendar:

August 11-12—Homemakers' Camp at Hardwood Lake.

Four hundred eighty-

three, that is the number of women who braved the hot and humid weather on Monday and Tuesday to see and hear about the "Easy Does It Kitchen."

The big trailer was set up at the Community Building in East Tawas and featured a great many ideas for making work easier and faster in the kitchen and utility room. Very pretty it is, too, in its new pink and black decor.

"We enjoyed going to it," writes Mrs. Charles Atwell and Mrs. Orville Lyke. Other home demonstration members whom I happened to see there were Mrs. Ernest Ross, Mrs. Donald MacDonald and Mrs. Harold Hammond.

If any of you have questions as to sources of equipment such as you have seen in the trailer kitchen, won't you please visit us at the Cooperative Extension Service office? Chances are we can help you locate what you want and need.

Two bulletins for which we have been receiving requests at this season are these: "Freezing Foods for Michigan Homes," and "Home Canning of Fruits and Vegetables." Our supply is ample, so if you would like one or both of these bulletins, just make your wish known to us.

John A. Hannah, president of Michigan State University, says, "This farm mechanization exposition presents the story of the past, the miracle of current developments and inspiration for the future."

For homemakers the most important building will be the auditorium, for here there will be the entire household exhibit which includes full scale model kitchens of 1855, 1905 and 1955.

The dates are August 15 through 20. May we repeat the suggestion that this event is a good opportunity for a family vacation or outing of one or more days. If the family cannot go together, perhaps you would like to go for one day. Let us know and it may be possible to arrange for transportation.

Keep bread frozen in your refrigerator or frozen foods compartment. In this way you can purchase a week's supply of bread at a time and have every slice "fresh." Frozen sliced loaves are convenient because the slices separate readily without thawing and may be used frozen not only for sandwiches but also for toasting.

If your iron has been working overtime these hot summer days, and you have been trying to keep cottons crisp looking with starch, you may find that starch is sticking to the iron.

Removal is easy, just sprinkle table salt on waxed paper and slide the warm iron over the mixture. Starch can be removed from a cool iron by rubbing it with a soft cloth dipped in sudsy water, or cleaned with silver polish. Rinse off suds or polish and wipe it dry.

Never use harsh abrasives, razor blades or knives to clean your iron or ironer.

Looking for a mouth-watering treat for a picnic? Try roasting corn. A simple preparation method is to husk fresh corn, wrap the ears in foil, cook over hot coals, turning often. Check it for doneness after 10 minutes.

Or, seek a nut-like flavor by leaving the husks on, but removing the silks. Put the ears in a pan of water for a few minutes, remove them and shake off the excess water. Put the ears on hot coals or a rack over the coals. Cook about 20 minutes. It is done when the kernels are slightly brown. The flavor is altogether different, but most delicious.

Do you agree with this statement: "United States world trade is generally viewed as a responsibility of the national government, yet its roots are found in the local interests of farmers, industrialists, businessmen, miners, shopkeepers and consumers everywhere."

STATE POLICE MAKE REPORT FOR JUNE

Michigan State Police made 12,784 arrests in June, of which 11,852 were for motor vehicle violations. The figures do not include the arrests of 523 juveniles.

In addition, the troopers made 20,854 property and 3,382 liquor inspections. Total mileage traveled in all activities of the department was 1,082,714.

There were 9,070 sets of fingerprints received, 3,067 of them non-criminal. Investigations of 790 persons applying for licenses revealed that 59 had criminal records.

With the worst highway death toll on record for the month of June, previous estimates that Michigan is heading towards a fatality toll of more than 2,000 this year continue to be borne out, according to the state police monthly report. It would be the third time it has gone over that mark.

There were 184 persons killed in June, an increase of 52, or 39 percent, over the same month last year. Likewise, this was the fourth consecutive month in which more persons lost their lives than in the same month of 1954.

Injuries totaled 5,304, a gain of 561, or 12 percent, while there were 15,238 accidents, an increase of 830, or six percent.

Seven new "high-voltage" high-compression valve-in-head engines!

Here's hour-saving, dollar-saving power for your job . . . the biggest choice of engines in Chevrolet truck history! And they're the most modern engines in the industry!

You've got it good under the hood with a new Chevrolet Task-Force truck! With two new V8's and five new sixes to choose from, you can pick the power that's tailor-made to do your kind of hauling.

Shortest stroke V8's in any leading truck! Both of Chevrolet's new truck V8's have an ultra-short stroke—shortest of any V8 in any leading truck. They're of modern oversquare design, which means that the piston stroke is smaller than the bore. The result is less piston travel per mile . . . longer engine life. Also, Chevrolet's compact truck V8's deliver ex-

ceptionally high horsepower per pound of engine weight. More power is actually available for hauling your loads!

Modern 12-volt electrical system! You get this great development in all new Chevrolet truck engines—both V8's and sixes. The 12-volt electrical system delivers twice the punch for quicker cold-weather starting (up to 30% faster cranking speed). It also provides a hotter, fatter spark for better ignition.

Come in and command the most modern truck power for your job!

Year after year . . . America's best-selling truck! **CHEVROLET**

MILITARY POWER CUTS

In one of his first speeches, after assuming the post of Army Chief Staff, General Maxwell D. Taylor declared that military manpower cuts will require the reduction of United States ground forces in the Far East. The First Cavalry Division will be one of the units due to return soon from Japan without replacement, it is said.

Points on Lawn Seeding

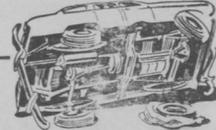

Time of seeding is very important in getting a good lawn turf started.
Carter Harrison, farm crops specialist at Michigan State University, lists some reasons why fall is better time than spring to seed the lawn: Seedings made from August 15-25 have little or no competition from weeds, fall rains generally begin in early September and early temperatures are going down about that time.
Grasses grow best during cool, moist weather and Michigan gets that type of weather more often in September and October than any other period.
Preparing the seed bed, leveling and seeding can better be done in the August dry period and before the fall rains begin.
Grass seedings may not get enough growth before winter if seeding is delayed until the rains start. Dry weather will not hurt the seed but the seedlings should be watered often after they begin to grow.
Kentucky bluegrass does best on soil that is high in both organic matter and fertility. Red fescues do better on red and brown clays, on sandy soils and in shady areas.
If you are in doubt as to the type of seed to use, try a 50-50 mixture of bluegrass and fescue. If the soil is high in fertility, the bluegrass will predominate and if the soil is low in fertility, the fescue will predominate.
For rates of seeding, we recommend one to two pounds of seed per 1,000 square feet. As a tip for even distribution, divide the seed into two equal portions, seeding one portion in one direction and the other portion in the opposite direction.
For fertilizer, use 10 to 20

Eugene W. Landy, 21, hugs his mother, Mrs. Deborah Landy, 54, following graduation ceremonies of the United States Merchant Marine Academy at Kings Point, New York. Landy, who was notified that he had been refused a commission in the United States Naval Reserve, said he had signed a sworn statement that he had never been associated with any subversive organization. He said that his mother had carried a Communist Party card in 1945 but that he thought she had ended her association with left wingers by 1947. The secretary of the navy has indicated that a full investigation of the case will be made.

pounds per 1,000 square feet of 12-6-4 or any other high nitrogen fertilizer. Put it on just before seeding and rake it in lightly. Also rake the soil slightly after the seed has been sown to assure sufficient coverage.

ABOUT TOWN

The following poem appeared in The Flint Journal under the heading "The McGorrows." It was clipped and sent to The Tawas Herald by Mrs. Lawrence Clements.

Now there are many folks like me Who love the ocean swells, The bouncing on a windy sea, The salty, bracing smells.

And there are those who like to dream Of travels far and long, But somehow never get up steam Or else their plans go wrong.

But Tawas has a place today Where they can compromise; Aboard a vessel they can stay, With gulls before their eyes.

And they will never need to fear The wind and wave and storm; This flotel stays beside her pier, All snug and safe and warm.

300 local church leaders joined 100 missionaries and nationals from five continents at the National Missions Conference at Green Lake, Wisconsin, from August 6-13. Among the delegates is Florence J. Latter, formerly of Reno Township, missionary to Spanish speaking people in Michigan, now stationed at Crosswell.

Consumers Power Company and Tawas City Department of Public Works crews cut down three large maple trees in front of the Barnes Hotel Wednesday morning. Permission for cutting the city-owned trees was granted recently by the common council.

The world looks black to the person who thinks nobody knows as much as he does.

Richard Tekilly's six weeks vacation with Mrs. E. Pierson and Floyd has ended by returning to Detroit with his parents. They also vacationed a week-end with the Piersons.

Mrs. Louise Klien of Chicago is a guest of her niece, Mrs. Iva Mallon, and is also visiting other relatives in East Tawas.

Hold Family Reunion at High-Roll-Ways Sunday
The Freeland family reunion was held at the High-Roll-Way picnic grounds last Sunday with 130 members attending. After a pot-luck dinner, a short business meeting was held with Howard Freeland of Tawas City as chairman, Mr. Evalde Freeland of Whitmore as secretary-treasurer.

The new officers elected are William Freeland of Millersburg, chairman; Miss Faith Fitzpatrick, also of Millersburg, secretary-treasurer.

Joseph Freeland, 80 years, of Tawas City Route 1, received the prize for the oldest member present and the four-month-old daughter of Mr. and Mrs. George Blust of National City, the youngest member. Families were present from Flint, Lapeer, Millersburg, Owosso, Detroit, Swartz Creek, Hillman, Hazel Park, East Tawas and Tawas City.

Plans were made to hold the reunion next year at Millersburg. The reunion was closed with a prayer by the Rev. Carroll Symons of Owosso.
