C. Warren Wagner Returns to Insurance Business

C. Warren "Tiny" Wagner has announced his complete severance with Jackson and Church Company and his full time active return to his insurance business.

With the exception of several war years and the interim during which he set up and managed the Timco Corporation plant in Tawas City, his offices were maintained in Bay City, Saginaw and Flint.

His experience in the insurance field dates back to 1937, when he joined the Equitable Life while still in college. Subsequently, he served as manager of Equitable's district office in Flint until 1946 when he joined the Prudential Insurance Company staff as manager of its Northeastern Michigan district with offices in Saginaw.

While his late father, F. O. Wagner, was manager of the Equitable office in Saginaw, he became interested in this area and its development. In turn, he purchased lake frontage from his friends in the Prescott family and developed the Wagner Subdivision north of Whistestone Point. For more than 20 years since then the family has been located there.

Even though his business interests will require his time in the Saginaw Valley area several days per week, the fact that his office and headquarters will be located just 12 miles south of Tawas City, will allow him to devote more of his time to civic affairs of this area.

'Mother's' March' Spearheads Polio Fund Drive in Tawas Friday Night

Tomorrow night (Friday) the women of East Tawas and Tawas City will start the "Mother's March on Polio." This will conclude the March of Dimes Campaign in Isosco County, and it is hoped that everyone in the community will do his part in making this event a success.

Sirens in both cities will announce the commencement of the Mother's March, so that those who wish to help can then turn on porch lights. Two young Isosco County polio victims will throw electric switches to signal the start of the drive.

The two polio victims are Nathan Bickel, four-year-old son of the Rev. and Mrs. Elmer Bickel of Tawas City and James Roti, eight-year-old son of Cpl. and Mrs. Frank Roti.

The need for a successful campaign is borne out by the fact that to date, 3,725 cards have been sent out by the committee for contributions and only 542 cards have been returned. If the goal is to be met or exceeded, a much better percentage must be received.

The committee feels that the goal can be met within an hour if the citizens of Tawas realize the urgency of the situation, and within their means give heartfelt support on Friday night.

Spearheading the march is the Tawas Women's League, along with other women's organizations in the Tawas. Heading a special committee for the Tawas are Mayor George W. Myles, Russell Rollin and Corporal Roti from Tawas City, and Mayor Elmer Werth, Lou Gorham and Richard Harwood from East Tawas.

The following women have been assigned districts for the campaign Friday night in Tawas City: Ruth Cabbie, Avis Myles, Muriel Dodson, Helen Tuttle, Ruth Albertson, Theda Kasischke, Ann Brugger, Esther Ledworn, Patricia Ezzo and Helen Schuhmacher.

In East Tawas the following women were assigned districts: Mrs. James Martin, Mrs. George Morat, Mrs. Norman Payea, Mrs. Robert Richter, Mrs. Edward Rima, Mrs. Mardis Turner, Mrs. Wayne White, Mrs. Joseph Allen, Mrs. Fred Toole, Mrs. Earl Hester, Mrs. Fred Toole, Mrs. Earl Hester, Mrs. Louis Gorham, Mrs. Milton Barkman, Mrs. Russell Church, Mrs. William Lyons, Mrs. Donald Phillips, Mrs. W. D. Nunn, Mrs. Richard Lee, Mrs. Claude Nash, Mrs. Fred Toole, Mrs. Earl Hester and Mrs. Nicholas Pappas.

The dreaded disease of polio strikes down thousands of youngsters each year. Now, in the hope that a new vaccine will be successful this year, the dimes and dollars of everyone are needed to carry on the fight.

Isosco Democrats Will Convene Next Thursday

Isosco County Democrats will hold their spring convention on Thursday, February 17, 8:00 p. m., at the Isosco County Building. It was announced this week by Chairman Wilbur C. Roach.

Delegates to the convention will be those who were elected at the primary election held last fall. All Democrats are cordially invited to attend.

Possible plans for having candidates in the spring election for townships and Tawas City will be discussed.

The Democratic state convention will be held at Grand Rapids on Saturday, February 26.

Queen contestants, guests and carnival officials visited the Silver Valley area on Saturday for an afternoon of fun in the snow—plenty of snow after a "baby blizzard" struck the region and forced officials to close down toboggan slides. Mild weather greeted winter sports fans on Sunday and facilities were in good conditions. 1955 Winter Sports Carnival Was 'Biggest and Best Ever'

"The biggest and best ever"—this seemed to be the consensus of opinion of nearly everyone who attended the annual Silver Valley Winter Sports Carnival in the Tawas last weekend.

An estimated 14,000 persons visited the winter sports area during the carnival week-end which began on Friday. The crowd on Sunday was estimated to be the largest in many years.

Even the weatherman cooperated to make the carnival a success with sunny skies and mild temperatures on the final day. However, a near blizzard curtailed activities on Saturday when officials shut down toboggan slides for fear the toboggans would jump out of the twin 2,200 foot steel slides due to the heavy snowfall.

Generally, conditions were perfect for skiing, tobogganing, saddle skiing and skating. Photographers had a field day at the valley on Sunday with perfect weather for action shots of winter sports enthusiasts.

Highlight of the three-day festivities was the crowning of Miss Barbara Young, 17-year-old daughter of Mr. and Mrs. Peter Young of Tawas City, as the 1955 winter sports queen.

Miss Young was crowned ruler of winter sports activities by Bob Reynolds of radio station WJR-Detroit in ceremonies held at the fairgrounds property at that time Mrs. Nan Gray of Bay City turned over the crown which she won last year as the 1954 queen.

The new queen won the crown by compiling a total of 181,975 votes in a personality-popularity contest which has been underway six weeks. Other winners were: Mrs. Victoria Eklund of East Tawas, second place with 178,025 votes, and Mrs. Martha Bolen of East Tawas, third place with 155,695 votes.

The annual selection out of a field of 12 other Michigan contestants, was announced by Ray Stoeker of Detroit prior to the annual queen's coronation and ball. Other contestants included Lucy Toska of East Tawas, Luane McCormick of Flint, Shirley Trudell of Pinconning, Rose Marie Piper of Detroit, June Bula of Saginaw, Sharon Grant of Bay City, Marilyn Schwartzberg of Oscoda, Virginia Bielby of East Tawas and Doris Eno of Hale.

In winning the contest, Miss Young will have a choice of an all-expense paid trip to either Acapulco, Mexico, or the Mardi Gras at New Orleans or to Miami Beach, Florida, or the equivalent in cash.

Prior to the queen's coronation the annual winter sports banquet was held at the Holland Hotel with Vic Wertz, popular star of the Cleveland Indians and a former member of the Detroit Tigers, acting as master of ceremonies.

Among the guests at the banquet were Bob Reynolds of WJR, Virgil O'Dell and Ken Lawrence of WJEN-TV, Bay City, Burt VanGeisen and Keith Kinney, mobile studio engineers of WJR, and Robert Powell, a Detroit advertising executive.

Sunday's capacity crowd of winter sports enthusiasts was augmented by more than 1,400 persons from the East Detroit Lutheran caravan. Forty-five (See CARNIVAL, Back Page)

In colorful ceremonies at the East Tawas Community Building Saturday night, Miss Barbara Young of Tawas City is shown being crowned Silver Valley Winter Sports queen by Bob Reynolds of radio station WJR-Detroit. Several members of Miss Young's court flank the two. More than 700 persons jammed the building to witness the event.—Tawas Herald Photo.

Former Isosco Attorney Dies at Owosso

Howard Bowman, former Detroit newspaperman and one-time Isosco County attorney, died last week Tuesday at the Veterans Hospital, Ann Arbor. Services were held Friday at Owosso.

During his younger years, Mr. Bowman was a Detroit News reporter. Interested in law, he studied at the Detroit College of Law and was admitted to the State Bar of Michigan in 1924. When Harry S. Roy was elected attorney general, he appointed Mr. Bowman his assistant.

He later came to Isosco County where he practiced law for a number of years.

Returning to Owosso, his birthplace, he wrote on the staff of the Owosso Argus Press. At the time of death he was city assessor.

Mr. Bowman was a veteran of World War I and ended his military service as provost marshal at Norfolk, Virginia.

Byron Brooks, William Leslie, Sidney Brooks, J. F. Mark and A. Don Anderson attended the William Parker funeral in Otisville on Saturday. They represented Tawas City Lodge, F. and A. M.

Will Hold Special Committee Meeting

At its regular meeting Tuesday night at the Tawas Chamber of Commerce office, the Tawas Area Board of Education voted to hold a special committee meeting next week. The meeting will be called if additional information on the fairgrounds property is available by that time for presentation to the board for evaluation.

If the information is available next week, it will be the second special meeting called by the board during recent weeks in an effort to evaluate and clarify data on the fairgrounds property as a possible site for the proposed new junior and senior high school.

It was expected by the board that new data would be presented at its regular meeting Tuesday night. An informal discussion was held among the board members on the issue. The board voted to change the place of its regular meeting from the chamber office to one of the class rooms in the East Tawas unit.

Trustee Stuart White suggested that the board invite Conrad Carlson, district forest supervisor, to attend the special committee meeting next week to present any new information.

At the same time, White moved that Herbert Hertzler be invited to the meeting to present any additional data which he has gathered on the availability and cost of property which adjoins the fairgrounds site. Both of these measures were received favorably by the board.

M-55 Roadside Park To Be Established

A roadside parking place will be established at the new East Branch bridge on M-55, according to an announcement received here this week from Senator Charles T. Prescott.

Charles M. Ziegler, state highway commissioner, has authorized the purchase of property for the site. In a communication to Chief Forester E. C. Eckert, Ziegler said, "You may proceed with plans and construction as rapidly as we can place the necessary funds for development at your disposal."

It was anticipated by the highway department that development of the improvement would be underway during the next two years.

Thanks to Tawas City's early rising postmaster, Martin Kasischke, the plates showing winter sports activities last week-end arrived in time for this week's issue. Due to a delay in shipment, the plastic plates did not arrive at the Tawas City postoffice until 4:30 a. m. today (Thursday). Postmaster Kasischke opened his office at that time enabling the publishers to stick the plates on walking forms in time for the press run.

Tawas State Police Apprehend Escapes

Four youthful escapees from Ypsilanti State Hospital were apprehended here by officers from the Michigan State Police Post at East Tawas last Sunday.

The four were driving a stolen vehicle and were turned over to hospital authorities on Sunday. The officers picked up the youths while they were stuck in the snow along US-23.

Black Appointed to Road Commission City Authorizes Installation of Street Signs

Harold F. Black of Reno Township was appointed member of the Isosco County Road Commission at a special meeting of the board of supervisors held last Friday at the county building.

Black succeeded James P. Mielock, who resigned as commissioner because of his duties as member of the state legislature.

Black was named without opposition and he received the unanimous vote of the board.

He is experienced in public affairs having served 21 years as member of the board of supervisors, several years of which he was chairman. He resigned last year.

His many friends throughout the county are pleased that he received the appointment.

Mielock, who had been a capable member of the road commission, has served four years.

Fred White of the Michigan State Tax Commission, at this meeting, discussed equalization of assessment rolls and other taxation problems. He gave instructions on the use of state tax commission's new report form to be used by assessing officers.

Services were held at the Laing Funeral Home and interment was in the Otisville Cemetery. Last rites at the grave were given by officers of the Michigan Masonic Grand Lodge of which Mr. Parker was a past grand master.

He had gone to Florida with Mrs. Parker to spend the winter. Taken ill two weeks ago, he flew from Winter Haven to Saginaw where he entered St. Luke's hospital for treatment.

Surviving are the wife, Catherine, one son, John Parker of Saginaw; a brother, John Parker of Otisville, and two grandsons, William and Philip of Saginaw.

Born February 23, 1884, at Otisville, he had resided in Genesee County for 40 years. Mrs. Parker is the former Catherine Smith of Otisville. Mr. and Mrs. Parker came to East Tawas about 10 years ago.

A representative of the United States Steel Corporation, at the time of his retirement in 1949, Mr. Parker had been an employee of the American Steel and Wire Company, a subsidiary of the steel corporation, for 43 years.

He was one of Michigan's most prominent Masons. In addition to having served as grand master of the Michigan Grand Lodge, he had received the 33rd Degree two years ago at Boston, and held life membership in several Masonic organizations.

He was a member of the Bay City Consistory; Genesee Valley Commandery, Knights Templar, at Flint; Royal Arch Chapter at Lapeer; Kishina Grotto at Flint; Elf Khurefeh Shrine at Saginaw; Red Cross of Constantine, St. Martin Conclave, at Flint; Baldwin Lodge No. 274 at East Tawas; Center Lodge No. 273 at Midland, and Otisville Lodge No. 401.

Mr. Parker was also a member of the Bay City Eagles, a charter member and past president of the Tawas Kiwanis Club, a member of Tawas Consistory Club, the East Tawas Men's Club and the Elks Lodge.

Plans Made to Establish Tawas Short Wave Club

Many of our readers will be glad to learn that plans are under way now to form the Tawas Short Wave Club. The plans have been formulated under C. Warren Wagner, better known as "Tiny," and Albert H. Buch of Tawas City. Many of the business and professional men of the Tawas as well as civilian defense officers and educational and clerical leaders are lending their enthusiastic support to this community project.

The plans of formation and purpose as reviewed by Mr. Wagner are as follows: A committee composed of a representative from each Tawas City and East Tawas businessmen as well as a clergyman from each town and an educational leader from each town will be chosen. They will work with civilian defense, coast guard and other interested groups. Their names will be announced later.

In turn all those from ages eight to 80 who are interested in obtaining a license to operate a shortwave station such as the club station, or their own, will have an opportunity to do so at no expense. They may contact the member of the committee they know to obtain a copy of the procedure.

In a move to bring the names of streets in Tawas City up to date, the common council authorized the change in names of 17 streets at its regular meeting Monday night. At the same time, the council authorized the purchase of 87 new two-way street marking signs in a continuation of its modernization program.

Mayor George W. Myles said Tuesday that the move by the council this week was made to avoid duplication in names of streets and to extend the streets through to US-23, the main thoroughfare.

Several of the new streets were named in honor of Tawas City founders and former civic officials. Included was Hamilton Avenue, named in honor of James Hamilton, the first village president, and Murphy Street in honor of Michael Murphy, the first mayor of Tawas City.

Several years ago the council changed the name of the Plank Road in Tawas City to Harris Avenue, in honor of one of the three original dedicators of the plat of Tawas City.

A break down of the changes is as follows: The street commencing at intersection of US-23 at Michigan Avenue (near the Sanford Le-Clair cabin court) and running to the Townline Road has been changed to Bay Drive; US-23 from south city limits to Michigan Avenue has been named Lake Street; River Street in J. W. King's Second Addition changed to Hale Street; Pine Street in the original plat of Tawas City changed to Hamilton Avenue;

Beech Street in Wheeler's Addition changed to North Avenue; Pine Street in Wheeler's Addition changed to River Street; Lynn Street in Wheeler's Addition changed to Hemlock Street; Elm Street in Scheffler's Addition changed to Beech Street;

In Hazen's Addition, Main Street has been changed to Oak Street; Washington Street changed to Beech Street, and Water Street changed to Maple (See STREET SIGNS, Back Page)

Have Your Porch Light On Tomorrow Night

An all-out effort to put Isosco County over the top in the current county-wide March of Dimes Campaign will be staged in the Tawasites Friday night, February 11. A "Mother's March on Polio" has been planned to wind up the drive to raise the \$3,750 county quota.

Civic-minded members of the Tawas Women's League and members of other women's organizations will begin their march at 7:30 p. m., following the sounding of the fire siren signal. The switches, signalling the beginning of the march, will be thrown by two 1954 polio victims, four-year-old Nathan Bickel and eight-year-old James Roti.

Let your porch light signify your willingness to aid in this great cause—a campaign to wipe out this dreaded disease which cripples thousands of American citizens, young and old, each year. Although gratifying strides have been made in the fight against polio and now a vaccine appears to be almost ready for use in immunizing children against polio, much money is still needed to carry on this fine work. Give as generously as possible with the knowledge that your contribution will help finance the production and distribution of a polio preventative.

George Says

An unusually pleasant surprise awaited us on our last visit to Omer kindergarten. Boys and girls in this room were prepared to entertain us with dramatization of the story, "Little Black Sambo."

William a Selle and Beverly Stewart first gave a charming enactment of the story with the aid of flannelgraph. Wilma served as narrator with Beverly taking the part of "Sambo." Flannelgraph cut-outs were used to depict the hungry tiger and Black Sambo being forced to surrender his beautiful new clothes.

Next, Kenny Wallerstein acted as narrator using entirely different "props." This time, the hungry tigers were constructed with paper bag bodies, cardboard heads, tails and legs. Bulletin board wax was used to portray the tiger's confiscation of little Sambo's clothes.

Adult Education to Include English Class

The adult education division of Tawas Area Schools is attempting to form an English class for interested persons in this area. Several requests have been received but not enough have signed to take the class.

The purpose of a course in business English is to present the essentials of English, grammar, capitalization, punctuation and correct word usage, with emphasis on material suited to business.

It is taken for granted that the prospective student already has a working knowledge of English fundamentals but has forgotten much of what he studied earlier in school.

On deciding to enter business, many people have come to realize the necessity of meeting the exacting demands of the world of actual work, where mistakes are costly.

To furnish the adult student with the fundamental skills of good English, the adult education department will use a Gregg workbook in business English which will furnish the rules, study guides and application exercises to provide a basis for writing and for speaking correct English.

CHRISTIAN SCIENCE
Healing through spiritual means as practiced by Christ Jesus will be a topic dealt with at Christian Science services Sunday.

The lesson-sermon is entitled "Soul" a word which, when capitalized, is used in Christian Science as one of the synonyms for God. The Bible selections include: "And great multitudes came unto him, having with them those that were lame, blind, dumb, and many others, and cast them down at Jesus' feet; and he healed them" (Matthew 15:30).

Among the selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be the following (210:11-16): "Knowing that Soul and its attributes were forever manifested through man, the Master healed the sick, gave sight to the blind, hearing to the deaf, feet to the lame, thus bringing to light the scientific action of the divine Mind on human minds and bodies and giving a better understanding of Soul and salvation."

A poll seems accurate when its results are for your side.

Three Minor Collisions Handled by State Police

Three minor traffic collisions were reported by the Michigan State Police last week-end.

A Tawas City driver, Melvin A. McArdle, was ticketed for failure to stop at a stop intersection last Thursday. Police said that McArdle failed to stop at that intersection near the Tawas Hospital on M-55 and caused a car driven by Fred C. Weldon of Route 2, Tawas City, to crash into a railroad crossing signal.

A car driven by Casper Blumer of Harrisville crashed into a car stuck in a ditch on US-23 in Tawas City last Sunday. The parked car was owned by Morris Witus of Detroit. The car driven by Blumer skidded on the ice while following the Leslie Ford Sales wrecker which had just turned off the pavement to pull the other car out of the ditch.

A two-car collision resulted when a car driven by Chris Welch of Detroit stopped on a private drive entering US-23 near the north limits of East Tawas and was struck by a car driven by Joseph B. Smorowski of Dearborn. Smorowski was traveling north on US-23. Officers said that due to the condition of the roadway, Welch stopped to allow the other vehicle to pass but was on the traveling portion of the highway and Smorowski struck his car in the left rear.

Whittemore Runs Up Eleventh Win

The Whittemore Cardinal Varsity ran its victory string to 11 Tuesday night, shellacking Hale 67-37.

The Cards ran up a 15-1 lead midway in the first quarter and the visitors never threatened, being held to 15 goals by the top defensive Class D quintet in the state.

Cardinal reserves took over late in the third quarter with Coach Dudo's lads holding a 36 point edge. Hale then gained a few points but were too far behind to have a chance.

Graham Freer took over a forward position when W. Dunham fouled out and scored nine points in the remainder of the game.

With Francis Pagel effectively checked by Nelson Shellenbarger, the Hale center, Roger Hall and John Pavlik broke loose with 23 and 17 points. Shellenbarger carried the scoring lead for Hale with 16 points in a fine performance.

The Cards reserves squad also won its game 38-24, leading all the way.

Whittemore visits Oscoda Friday night and Tawas Area the following Tuesday.

Park-N-Shop Owners Celebrate First Anniversary in Tawas City

The Park-N-Shop Food Market, located at the corner of Mathews Street and US-23, will celebrate its first anniversary in Tawas City on February 10 through 19. The market is owned by Joseph O'Day and Jacob Miller, who purchased the business from Elmer Slaven of Tawas City last year. The market is offering many savings on food items during the big event and are advertised on another page of this newspaper.

Fire Inspectors Find 107 Fire Hazards

A little army moved over Tawas City and East Tawas on January 18 seeking fire hazards. There were 38 fire inspectors and special agents representing the capital stock insurance companies conducting the inspection and were assisted by 15 Boy Scouts.

A total of 149 risks were inspected of which 107 were found to be defective with 364 individual recommendations being made.

Nine school talks were given with 569 students in attendance. Prior to the inspection, there were approximately 700 pupils submitting essays on fire prevention with two prizes awarded to the winners in their respective classes.

George K. Simpson, state agent, spoke to 100 persons at a noon luncheon at the Holland Hotel in honor of the inspectors. Approximately 30 days following the inspection, postal cards will be mailed to the businessmen requesting the number of recommendations compiled with. Show your appreciation for the fine work conducted by the Michigan Fire Prevention Association and eliminate all potential fire hazards.

Blanks for Tree Seedlings Now Available in Area

District Forester Victor Horvath of Alpena advises that price lists and order blanks for tree seedlings from conservation department nurseries are now available from local department personnel. All applications for trees must be submitted to the Lansing office of the forestry division on the regular form provided for that purpose. Trees are not furnished for ornamental plantings or for resale with roots attached. Prices mentioned are F.O.B. Roscommon, Boyne Falls or Manistiquic, Michigan, depending on the nursery shipping the stock. Stock will be shipped from April 20 to May 20, depending on weather conditions.

There is a very limited amount of Scotch pine, two year old seedlings, available for distribution this spring, and Forester Horvath urges that applications for that species and others as well be sent in to Lansing as soon as possible before the stock is sold out.

For any information on tree planting contact District Forester Victor Horvath at the Alpena office of the conservation department.

Accidents on our highways will continue as long as automobiles operate, but they can be eliminated by careful driving.

Cherry Pie Queen Goes to Grand Rapids

Sharon Brindley, Iscoco County's 1955 Cherry Pie Baking champion goes to Grand Rapids February 10 and 11 to compete in the state contest being held at the Pantlind Hotel and Civic Auditorium there.

Sharon, 14-year-old daughter of Mr. and Mrs. Clarence Brindley of Reno Township, is a freshman at Plainfield Township Rural Agricultural High School at Hale. She will be accompanied by the Ogemaw County contest winner, Victoria Blum, 14-year-old daughter of Mr. and Mrs. Blum of Selkir, who is a freshman at West Branch High School, and Miss Virginia Webb, homemaking instructor at Plainfield Township High School at Hale.

After winning the Iscoco County contest from a field of eight contestants, Sharon was crowned queen at ceremonies held at Hale High School on January 22.

More recently Sharon appeared on a Cadillac television program along with the other county cherry pie baking queens. The contest was sponsored by the National Cherry Growers Association which also pays the expenses of the contestants to Grand Rapids and supplies cherries for local contests.

LADIES LITERARY CLUB

A fine program was given at a meeting of the Ladies Literary Club last Wednesday evening. The Camp Fire Girls were guests. About 60 people attended.

Mrs. Dan Coter and Mrs. Rex Kochenderfer were in charge of the program. Milton Barkman was the speaker of the evening and gave a fine address on the work and value of Camp Fire organizations.

Musical numbers were given by Mrs. Coter, Mrs. Reginald Barnett, Mrs. Kochenderfer and by the following girls, Sarah Prescott and Judy Nelkie with Judy Miller, accompanist.

Refreshments of punch and fancy cookies were served by the committee. Mrs. H. E. Hanson and Mrs. H. Moeckling, co-chairmen. Two valentine floral arrangements of red flowers and white tapers decorated the table.

A valentine box was opened and valentines distributed to the girls present. The valentines marked "lucky" were won by Loretta Rathbun and Nancy Allen, who were presented with the floral centerpieces.

Two New Members Elected to American Legion Auxiliary

Audie Johnson Unit, American Legion Auxiliary, met at the Legion Hall, Mrs. Evelyn Price, president, was in charge of the meeting. New members elected to membership were Irene Ludwig and Beatrice Corlett.

The auxiliary voted a donation of \$50.00 to local child welfare and a second donation to the March of Dimes. Reports on work planned in Americanism and national defense were given.

A community service program is planned for the March 7 meeting. Mrs. Price, assisted by other members, has been taking care of community service, youth activities.

Refreshments were served after the meeting by the following committee: Fern Scott, Carrie Swales, Mary Liky, Florence Merschel, Hazel Tait and Bernice Welch. Table decorations were tall red tapers and valentine suggestions.

Army Counselor, John G. Adams, is shown in his Washington office after he announced his resignation effective March 31.

Adams, a key figure in last year's Army-McCarthy fight, had until very recently denied reports that he would resign.

"Monthly Pains" stopped or amazingly relieved

In 3 out of 4 cases in doctors' tests!

Chances are you're putting up — unnecessarily — with the functionally caused pains, aches and "no good" feelings of menstruation!

For, in actual tests by doctors, Lydia Pinkham's Compound brought complete or striking relief in such distressing cases in 3 out of 4 of the cases!

So get Lydia E. Pinkham's Vegetable Compound — or new, improved Tablets with added iron. See if — taken through the month — it doesn't give relief from those backaches, jitters — help you feel better before and during your period.

Or — if you suffer from functional "hot flashes" or "change of life," find out how wonderful Pinkham's is for that, too!

It has a quieting effect on the nervous system which often causes "nervous" pain!

Whittemore News

The Burleigh P.T.A. met at the school Friday night for its regular meeting with an attendance of 75 members. Mrs. Lucille Drengberg, president, presided over the session. The program chairman, Mrs. William Fuerst, presented a very good program. Founder's day was celebrated with a group of young women presenting a pretty ceremony for the first founders of the congress of parents and teachers and each one lighted a candle for each past president of the P.T.A. A pretty birthday cake centered a table in keeping with the occasion.

There were eight past presidents present including Mrs. William Curtis, Mrs. Theodore Bellville, Mrs. Charles Dorsey, Mrs. Roy Charters, Mrs. Howard Collins, Mrs. Dornace Bellville, Mrs. Elton Smith and Mrs. Edward Curtis. An excellent musical program was given by a number of the band students. A very tasty lunch was served later in the hot lunch room.

The WSCS met at the parish house Wednesday for quiling with 12 ladies present. A potluck dinner was enjoyed at noon.

The Whittemore Women's Club met at the home of Mrs. A. Miller Wednesday evening with Mrs. Laurel Lawe and Mrs. Mahlon Earhart assisting hostesses. Due to the cold weather only 12 members were present. The program had a religious theme and opened by singing hymns, followed by a very inspiring talk by the Rev. Robert Nelson of East Tawas who spoke on religion in the home. A tasty lunch was served later.

William Fuerst, Arthur Johnson, Arden Charters and Earl Partlo attended the funeral of William Parker in Otisville Saturday afternoon.

Mr. and Mrs. Hersey Smith and Mr. and Mrs. Bud Smith attended the funeral of Hersey's brother-in-law, William Parker, in Otisville on Saturday.

LOWER HEMLOCK

Mrs. Elton Smith of Standish attended P.T.A. here Friday night. Word from Otto Fuerst, who underwent an operation at Samaritan Hospital a week ago, states he is gaining nicely and would be home soon.

Word was received Sunday of the death of Alva Hutchinson, age 60 years, in Saginaw. Funeral services were held in Saginaw Tuesday afternoon.

Mrs. Howard Collins of Flint spent the week-end here and attended the P.T.A. meeting on Friday evening.

Merlin McLean is home from the Veterans Hospital, Saginaw, where he underwent a major operation two weeks ago.

John Bellon attended the funeral of her aunt, Mrs. Johnson, in Flint on Friday.

Mr. and Mrs. Arden Charters and two little daughters spent Wednesday afternoon in Saginaw.

The Rev. and Mrs. Robert Nelson and son of East Tawas were dinner guests of Mr. and Mrs. A. Miller Wednesday night. Mrs. Edward Curtis and three sons of Alpena spent the week-end in town with relatives.

Mrs. E. Smiley of Bay City is spending this week with her parents. Mr. and Mrs. Edward Graham.

Whittemore Chapter, Order of Eastern Star, held its regular meeting Thursday night. Guests were present from Rose City Chapter. Miss Anabelle Chambers of Rose City, a committee woman of the Grand Chapter, was present and gave a very instructive talk on OES work. She was presented a gift from the chapter. Luncheon served later with about 35 present.

Mr. and Mrs. Paul Spielvogel of Mio were callers in town Sunday afternoon.

Mr. and Mrs. Edward Ellsworth and son of Pontiac spent the week-end with their parents here.

Mr. and Mrs. Arthur Johnson and daughter, Glenda, spent Thursday in Bay City.

Mr. and Mrs. Dornace Bellville and daughter, Beverly, spent Saturday afternoon in Bay City.

Mr. and Mrs. Elmo Bellville and children, Lynn and David, of Detroit spent the week-end with their parents, Mr. and Mrs. Theodore Bellville, and other relatives.

Mrs. Evaloe Freel and daughter, Mrs. John Slosser, spent Thursday in Bay City.

ASC COUNTY COMMITTEE CONDUCTS MEETINGS

A series of educational and enrollment meetings covering the 1955 agricultural conservation program in Isosco County has been conducted throughout the county during January by the ASC County Committee, Extension Service and Soil Conservation Service, a combined agency effort. A small number of farmers in each community took advantage of these meetings to sign their intentions to participate in the 1955 ACP program.

Farmers who were not able to attend one of these meetings may still sign up at any time at the ASC county office in the Federal Building. However,

those who sign up on or before March 1, 1955, will have a much better chance of receiving assistance on practices carried out in 1955. This is the date for closing the initial enrollment period and at this time, money will be allocated for each practice signed up for to this date. Those signing after March 1 will not be assured of a definite amount to cover the practices signed up for.

The 1955 ACP program has a number of good soil and water conserving practices. For most of these practices the program will share the cost of 50 percent of the cost of seed and the minimum amounts of liming materials and fertilizer necessary. For full information regarding the 1955 ACP program, contact the ASC Office, Federal Building, East Tawas. Make March 1 your deadline date for enrolling under the 1955 ACP program.

New Wool Incentive Program Set by Committee

Wool sheared after January 1, and marketed beginning April 1, 1955, will be eligible for the new wool incentive payments. This announcement has been made from the office of the Isosco County ASC Committee.

Those wool producers who shear between January 1 and April 1, 1955, who want the wool to be eligible for the wool payments provided under the National Wool Act of 1954 must retain ownership of the wool until after April 1. Wool sheared during the January-March period may be stored in a commercial wool warehouse or consigned for future sale but the owner must retain title during the period if the wool is to be eligible.

Under the National Wool Act of 1954 the secretary of agriculture has announced an incentive price of 62 cents per pound for shorn wool, grease basis, for the 1955 marketing year. If the national average price received by all producers of wool falls below the incentive price, payments will be made to producers. Payments to producers will be based on the percentage needed to bring the national average price received by producers up to incentive level, and that percentage will be used in calculating the payment to be received by each grower for his wool. For example, if the incentive price is 20 percent above the national average price each producer's incentive payment would amount to 20 percent of the net sales proceeds he secured for his wool.

The method of determining any payment made means that each producer should sell his wool for the best possible price because his incentive payment will be a percentage of the net amount he obtains in selling his wool.

Payments cannot be made until after the marketing year when the national average price can be determined.

Michigan Bell Largest Primary Fund Contributor

The Michigan Bell Telephone Company's payment to the state primary school fund was the largest in the company's history and Michigan Bell remained the largest single contributor, in 1954.

The amount was \$7,235,000, in state property taxes. Michigan Bell, in common with railroads, Pullman, railway express, telegraph and other telephone companies, pays such a tax earmarked for the primary fund in lieu of other property taxes.

T. C. Maher, manager here for the company, reported that \$6,642 of the total tax payment was allocated to the public school system of the Tawas Area School District.

Schools throughout Isosco County, including the cities of East Tawas and Tawas City, received a total of \$15,003 from Michigan Bell's tax payment.

Maher said the payments were based on a school census of 1,527 in the Tawas area and 3,499 in Isosco County.

Divided by the state school census of 1,664,726, based on 1953 figures, the tax amounted to \$4.35 for each youngster in the state between the ages of five and 19.

It was my pleasure to discuss vegetable gardening with the Tawas City Garden Club last week. The 21 ladies present were an excellent audience, always ready to ask questions.

Donald Stark, agricultural economist from Michigan State College, told Isosco County farmers what they could expect for farm prices in 1955. He, along with John Harrington and R. H. Walton of the Michigan Livestock Exchange, explained how farmers could get the top dollar for their livestock.

Graydon Blank, extension sheep specialist at Michigan State College, warns that symptoms of the disease are already appearing in some flocks. The symptoms may not show until next spring in other flocks. The treatment or cure is not always effective.

In the early stages of the disease, the ewes are less active than the rest of the flock. Later, they become weaker and show stiffness. They often walk in a circle and stand with their head against an object. As the case worsens, the ewe can't get up and she lies with her head turned to the side.

The cause of the disease may not be enough feed, a poor quality of roughage or a failure to increase the quality and quantity of the ration as the gestation period progresses. The disease can be caused by not enough rack space for ewes.

In some cases, it is necessary to feed grain for a month to six weeks before lambing. And older, thinner or more timid ewes may have to be sorted out to make sure they get enough feed.

Ewes that show symptoms of the disease should be drenched with a cup of cane molasses or corn syrup twice daily. Diluting with warm water makes it easier to give. A veterinarian can inject sugar solutions into the blood stream to make recovery quicker.

The advisory board and councils of the Michigan Cooperative Extension Service will convene at East Lansing, February 8 to 11 for their annual meetings.

Ward Small of Curran will represent this area as a member of the agricultural council.

FARM EVENTS

By MARVIN DAVENPORT County Agricultural Agent

CALENDAR

Monday through Friday, February 7-11—Farmers' Week at Michigan State College.

Tuesday, February 15—Clare Gunn, Michigan State College tourist and resort specialist of Michigan State College, in Isosco County for visits with resort operators.

Tuesday, March 22—Dr. Buford Grigsby, in Isosco County to tell about weed and brush control.

Isosco County will host the Black and White Show sponsored by the Isosco-Arenac Holstein-Friesian Association.

The purpose of this Black and White Show is to acquaint all dairymen with the Holstein breed. It is felt that a better knowledge of those physical qualities that make up a high producing cow can help the dairyman in selecting profitable cattle for his herd replacement.

Anyone interested in knowing more about selecting a good dairy cow should plan to attend the Black and White Show scheduled for late July.

Director Varner and Dr. T. K. Cowden, dean of the school of agriculture, will be among those who will speak to the group.

The International Rule which is used to measure the number of board feet in a log is more accurate than the older Doyle Rule. But mill operators are slow to adopt its use.

How much difference is there between the two rules? Henry Stoehr of the Forestry Department at Michigan State College says the two rules differ quite a bit, especially in logs of smaller diameter. And this is where the timber grower is penalized.

A forester by the name of Doyle developed his rule during the days when white pine was king of the forest. As a matter of fact, at that time logs less than two feet through were left in the woods. So, Doyle's rule is designed for larger logs.

Stoehr asks the question, if we have a better measure than the Doyle Rule, why not use it? The International Rule gives true measures for the amount of one-inch lumber that logs will yield, regardless of size.

Legal Notices

TO WHOM IT MAY CONCERN:

Section 325 of Act Number 231 of the Public Acts of Michigan for the year 1945, as amended, prescribes regulations and requirements for pawnbrokers, second hand dealers and junk dealers, and provides for the taking of fingerprints and the making of reports to law enforcement officers and prescribes Act.

It has come to the attention of the law enforcement officers of Isocose County that some people with good intentions, but without knowing the law, are making loans to others on personal property and taking and holding the personal property as security without providing for the taking of fingerprints and making reports to the State Police Commissioner and without sending the Michigan State Police a statement in writing containing the name or title under which such business is operated, owners thereof, street address, city or village and county in which such business is located.

The Act provides that any person who shall violate any of its provisions shall be guilty of a misdemeanor.

Complaints have been made of the violation of this Act, but believing that same was unintentional notice is hereby given you to avoid if possible any prosecutions for future violations of the Act.

William R. Barber,
Prosecuting Attorney.

Pictures of the Week

Premier Pierre Mendes-France has resigned from his office after losing a vote of confidence on his North African policies. Shown above, in Paris, is Rene Mayer, deputy of the radical Socialist Party and chief rival for the leadership of the French National Assembly, during a debate on the premier's African policy. Behind Mayer sits the new president of the assembly, Pierre Schmeiter.

Communist Chinese Forces land on Yikiang Island under cover from the air during recent attacks on the island, according to the caption supplied with this official Red Chinese photo from Peiping. Yikiang is eight miles north of the Tachens. Three waves of Nationalist bombers pounded the island last week with excellent results.

Dr. Helen Keller, famous author and educator who conquered blindness, deafness and loss of speech, "converses" with Mrs. Franklin D. Roosevelt by reading her lips. Mrs. Roosevelt was principal speaker at a dinner given by the American Foundation for Overseas Blind who is financing a 40,000-mile Far Eastern goodwill tour by Dr. Keller in an effort to inspire expansion of facilities for education and rehabilitation of physically handicapped.

Harvey Matusow, former Communist party member who turned informer for the FBI, has admitted that he gave false testimony about Owen Lattimore at a senate committee hearing in 1952 that led to perjury charges against Lattimore. He said he became a professional witness because it was "a good racket" and "I was trying to find my identity."

Secretary of Defense Charles E. Wilson recently declared that trade with the Communist world in "carefully screened non-strategic items" might help promote basic understanding that would "ultimately contribute to peace in the world." This view, representing a reversal on the secretary's part was presented as he and three other cabinet members urged extension of reciprocal trade.

HDA NOTES

By DOROTHY SCOTT

Sewing machines provided interest in the Londo Lake Home Demonstration Group meeting recently. Their instructor was Mrs. Charles Attwell, Hale group member. Mrs. Attwell has learned a great deal about cleaning and adjusting sewing machines in the past three years. She attended several workshops as "general helper" after her first training session just because she enjoys working with the machinery. Always willing to share her skill with others, Mrs. Attwell has helped a number of women individually; this time she accepted the challenge of a workshop all on her own.

We learn that the women brought two treadle and two portable electric machines for the class, including a Royal, New Williams, Kingston and Singer. After Mrs. Brindley's machine was running again she wanted to know how to use her ruffler attachment. Having just attended a lesson on sewing machine attachments, Mrs. Attwell was able to show her that, too.

About mid-February the Hale Home Demonstration Group will arrange for an advanced lesson in textile painting for those women who have been practicing since the first lesson was taught a couple of years ago. They extend an invitation to members of neighboring groups to join them for this lesson which will be at the Plainfield Township Hall. Those who have done some practicing because there will not be time to start beginners.

Eggs are plentiful in supply and inexpensive for the budget; to say nothing about their excellent quality as a tasty food.

But, do you sometimes wonder, "What size eggs are the best buy today?" A really clever slide-rule gadget is available upon your request (at our office) that quickly figures out these answers for you. You can always figure out how much you are paying per pound for eggs. Maybe you want to compare the cost of a pound of eggs to another protein food, such as meat.

When to choose which grade will depend, also, upon the purpose for which they will be used. Use grades AA and A for table eggs, especially for cooking in the shell, poaching or frying. Grade B eggs are the choice for baking or other cooking and for table eggs not mentioned above. Grade C eggs will do for baking and cooking.

All of the newer synthetic fibers are similar to nylon in that they are strong and not easily worn by rubbing. They are warm, yet light; are non-absorbent, need little pressing and are moth and mildew resistant.

Valentine season is coming along and you may be planning a special cake to decorate for that occasion, one baked in a heart-shaped tin. Heed this caution for well-shaped layers, do not fill the pans more than half full. This is true, also, for other shapes, such as rings and stars.

A pint or more of milk in your diet every day. Why? Well, the calcium in milk helps form bones against breakage. Many persons of 50 or older, especially women, show an alarming lack of minerals in their bones. Some investigators have suggested that many an old-age break, supposedly resulting from a fall, actually is the cause of the fall. By that it is meant that the weakened bone breaks and causes the person to fall. Calcium, of which a good supply is found in milk, is important for stable nerves, a good heart action and efficient muscle action.

Some of the milk could be in creamed foods, puddings, baked products or milk sauces. It need not all be drunk as a beverage to get three glasses in your diet every day. Besides cheddar cheese and cottage cheese lend themselves to many delicious dishes, adding the calcium in a different form.

LITTLE AMERICA

When the U.S. Atka arrived at Little America, they found much damage at the main camp established by Admiral Richard E. Byrd. A large section of the continental icecap had cracked loose and floated north. The Bay of Whales had completely disappeared.

Celebrates 80th Birthday Last Sunday at Home

Joseph Freel celebrated his 80th birthday Sunday, February 6, and was pleasantly surprised by relatives who gathered at his home. Present were Mr. and Mrs. George Freel of Whittetowne, August Freel of National City, Mr. and Mrs. Judson Freel and Mr. and Mrs. Arthur Freel of Tawas City, James H. Freel of California.

Dinner was served by Mrs. Carroll Symons, Mrs. Arthur Freel and Mrs. Kenneth Thibault. Other callers later in the day were Mrs. Evalue Freel and family of Whittetowne; Mr. and Mrs. Burton Freel and family, Kenneth Thibault of Tawas City; the Rev. Carroll Symons of Owosso.

Mr. Freel received some nice gifts and a number of lovely birthday cards. A very pleasant day was spent by all.

Homemakers Meet at Glancy Home Recently

Reeds, reeds and more reeds decorated the home of Lillian Glancy where the recent meeting of the Tawas Homemakers was held. Rhoda Wickert and Thelma Wickham demonstrated basket weaving to the group and some very attractive baskets were made by the members.

The business meeting was conducted by the chairman, Betty Hammond. The name Tawas Homemakers was chosen for the group and further projects were discussed.

Members present were: Mary Anshuetz, Rhoda Wickert, Betty Hammond, Janet Palumbo, Doris Vogel, Doris Kerschul, Helen Payea, Nancy Hackborn, Lillian Glancy, Thelma Wickham, Clara Spica and Norma Gravin. Two guests, Donna Wood and Dorothy Masick, were also present.

The next meeting will be held on March 3 with Clara Spica. The theme will be "Quick Meals." Cake and coffee were served by the hostess to end an enjoyable evening for everyone.

Giving money to a worthy cause is one way in which a person extends his helpfulness.

Hale News..

Mrs. Douglass Clayton received word the past week of the death of Mrs. Clayton Jennings of Lansing. Mr. Jennings is a cousin of Mrs. Clayton and lived in Hale a number of years ago. Mr. and Mrs. Clayton and Donald Nunn of Port Huron visited their mother, Mrs. Eliza Nunn, Sunday. Mrs. Nunn's health is very poor at this time.

HALE GRANGE MEETS

The Hale Grange met at Grange Hall on Tuesday evening, January 18. Mr. and Mrs. Arlon VanHouten, Gladys Webb and Mr. and Mrs. E. O. Putman were reported to be ill. With the aid of the lecturer, Mabel Helmbold, a very good discussion on a tax equalization followed.

Rumors of a new post office to be built in Hale are going the rounds these days.

Herbert Townsend underwent a serious operation at AuGres hospital last week. He is recovering nicely.

Cecil Ewings and Mr. and Mrs. Harper Ewings and daughters spent the week-end with their parents, Mr. and Mrs. Leon Ewings.

Mr. and Mrs. William Werelley are moving into their new home west of town this week.

Mr. and Mrs. Clayton Ewing, who moved here from West Branch to open an International Harvester dealership, will occupy the house vacated by the William Werelleys.

Mrs. Muriel Greve is vacationing in Florida. Anna Kelly has been suffering from a throat infection for several weeks. Her condition has shown some improvement.

Mrs. Dale Johnson spent Thursday with her sister, Mrs. John White, and family of Turner.

Several carloads of young people were visitors at Silver Valley Saturday.

The junior class enjoyed a dance at the gymnasium after the basketball game Friday night.

An oil stove explosion in the basement of the Mobil Oil Garage blew several of the windows out, Harold Adams put the fire out with a fire extinguisher.

The fire department was called to the Katterman home Wednesday night when the chimney burned out. No damage was caused.

BIRDS ON A BINGE

Robins by the hundreds have been on a binge in Anna Maria, Florida, recently. The birds teeter back and forth on telephone lines, fall off, flutter feebly to the ground and remain there. Local residents think the birds got hopped up on some kind of fallen fermented berry.

For food demonstration work a pastry frame was presented Ruth Ann Proper

GEESE EAT RICE
The efforts of an American-British-Australian company to make a barren tract of Northern Australia bloom with rice fields are being defeated by massive clouds of geese, measuring as much as three miles across. The geese eat the rice as fast as it is sown, and guns by day and lanterns, flares and explosions by night so far have failed to control the birds.
