Speedway 79 Service (shown above) set a fine example for other businessmen in the area last Friday when he contributed the day's profits to the March of Dimes campaign. Mr. Coyle is

to be congratulated for the unique manner in which he sup-ported such a worthwhile cause.—Tawas Herald Photo.

408 Lake Street

ESTABLISHED 1884 Tawas City, Michigan

Entered at the Tawas City Postoffice July 12, 1884, as Second Class Matter, under Act of March 1, 1879.

P. N. THORNTON and SONS, PUBLISHERS

Congratulations - - -

Congratulations to the losco County March of Dimes Committee, women of the Tawases who participated in the "Mother's March on Polio" last Friday night and to those who contributed money to make the fund raising drive to stamp out dreaded polio such a success. In this year of hope--hope that the new vaccine will prove to be an effective agent to combat the disease-citizens throughout the United States have made a great contribution to mankind.

Here in the Tawases, a special note of appreciation of efforts must be given to Cpl. Frank Roti of the Michigan State Polce Post at East Tawas. Through Corporal Roti's untiring efforts, the "Mother's March on Polio" last Friday night in the Tawases proved to be a success. It is hoped that such a campaign will be sponsored each year during future campaigns.

Although the yearly fund-raising campaign has ended, citizens must not forget that the fight against polio continues throughout the year-your help is needed in this fight. Make a generous contribution to the March of Dimes campaign throughout 1955.

Another Appeal - - -

Another appeal is being made to the American people to support a charitable organization which combats disease. This appeal comes from the American Heart Association, which seeks to fight a disease which is responsible for 800,-000 deaths in the United States each year, or more than half of all deaths in this country.

The Heart Fund Drive, which began February 1, will continue throughout February.

Thus, private donations to charitable organizations, as the Heart Fund, are a direct responsibility upon those citizens able to give, and it is one of the responsibilities all Americans face as we seek to give every individual in this country a chance to grow up and live in an atmosphere of medical enlightenment, and not be struck down, uncared for and neglected by society, when ravaged by one of the great killers.

Heart diseases, which kill more Americans than any other single type, are more and more reaching into the younger age brackets, and many types of heart disease are on the increase. Less progress has been made in the fight against heart disease, than in some other fields, and those who can are urged to support the Heart Fund in 1955.

we, the members of a Committee costs. For a School, are asking your Let Let us separate fact from help in securing and presenting facts on the fairgrounds site now under study by the Tawas Area Board of Education. telling Board of Education. Below are some questions we hope will be answered. Copies of this letter are being sent to the secretary of the school board, and to the editors of the Tawas Herald and Iosco County News. According to the Citizens Com-mittee for Better Schools, the cost of the fairgrounds property

mittee for Better Schools, the cost of the fairgrounds property two years ago was FREE—now it will cost from \$16,000.00 to \$45,000.00 depending on the op-tion obtainable on lands accept-able to the Forestry for ex-change. Not to mention the ad-ditional cost of adjoining prop-erty which must be purchased. Why sinduct the School to Sado,000 more, with no more educational ad-vantages than the two previously considered less-costly sites, just because of the insistence of the fairground supporters who do not represent a majority of the voters of the district? Herb Cholger, Secretary, Trustee William Look feel now fairground supporters who do not

being hushed and why does Trustee William Look feel now that the Dubovsky property is not necessary as he stated at a recent school board meeting? Is

it for sentiment as Look stated or is it the \$18,000.00 asked for or is it the \$18,000.00 asked for that property that has changed his mind? There are rumors that the other needed property ad-jacent to the fairgrounds is just as high as the Dubovsky proper-ty. What are the facts? What is the actual acreage of the fairgrounds property? This site has grown from 13 acres (quote school study committee report) to 23 acres. What portion of this acreage is usable and how m a n y acres require fills. God's infinitely wise and intel-ligent government of the uni-verse, including man, will be brought out at Christian Science services this Sunday. Keynoting the lesson-sermon entitled "Mind" is the Golden Text from James (1:5): "If any of God, that giveth to all men lib-erally, and upbraideth not; and it shall be given him." God's infinitely wise and intel-

report) to 23 acres. What portion of this acreage is usable and how m a n y acres require fill? Fill for this property has been previously estimated at \$11,000. In the state of the second In a release authorized by the Tawas Area Board of Education, this information on the fair-ground site was given: "The fairground site, due to the soil structure, would require eight feet depth walls to bear the building and 11 feet for the gym-auditorium. The tunnels for heating and plumbing would be

NO GHOST TOWNS

For hundreds of Michigan communities, motor vehicles are the sole means of transportation--autos and buses for passengers, trucks for freight. These communities are not served by any other transportation system!

Yes, wherever there are roads-and Michigan is known for its many miles of good highwaystrucks can and do perform a vital service for the people, bringing them everything they eat, wear or use-swiftly, economically.

There are no ghost towns in Michigan. Folks in small, out-of-way communities are as well fed, well housed and well clothed as the people of Michigan's largest metropolitan centersthanks to trucks.
