

TAWAS CITY

Nineteen young people accompanied by the Rev. C. E. Mercer attended the sacred concert presented by the Moody Bible Institute chorale and orchestra at the Handy High School auditorium in Bay City on Monday evening.

Mrs. Fred Lothian has returned to her home in Bay City after visiting Mrs. Charles Quick for several days.

Word has been received of the death of Miss Mary Kehoe at Flint where she had lived for the past 35 years. Her family formerly lived on the Hamlock Road and also in East Tawas. She was 84 years of age. She is survived by a sister, Mrs. Thomas Oliver of East Tawas, and three brothers, Louis and Leo of Flint and John Kehoe of California.

Mr. and Mrs. Arthur Cowan left Saturday for Fort Lauderdale, Florida, to spend the winter. They were accompanied by their daughter, Mrs. Roy Applin, Mrs. Russell Church and Mr. and Mrs. Edward Cowan, who expect to remain on two weeks.

Mr. and Mrs. Ford Turrell and children of Saginaw were Sunday visitors of his mother, Mrs. Mary Turrell.

Mr. and Mrs. Jacob Miller spent Sunday in Flint with the former's sister, Mrs. Farrand Vincent, and helped her celebrate her birthday anniversary.

Mrs. Edward Lossing of Grand Blanc and Mrs. Melvin Groff of Flint were called here by the illness of their mother, Mrs. Ora Berube, who has suffered a heart attack.

Mrs. Frank Metcalf returned home last week from Elmhurst, Illinois, where she visited her daughter, Mrs. Anne McClurg, and family for two weeks. An enjoyable afternoon was spent when Mrs. Lydia Bing and daughter, Mrs. Clayton Wells, and children of LaGrange, Illinois, called on them. Mrs. Bing had read in her Tawas Herald that Mrs. Metcalf was visiting in Elmhurst.

At a special meeting on Monday evening, January 24, Iosco Chapter No. 83, R.A.M., will confer the Mark degree.

Mr. and Mrs. J. Atlee Mark and daughter, Margaret, of Saginaw spent the week-end at their home here. Carl Diener accompanied them.

Mrs. Minnie Phaneux of Traverse City is visiting her sister, Mrs. Ida Ferguson, for a couple of weeks.

Mr. and Mrs. Fred Landon and Charles spent the week-end in Lansing with Mr. and Mrs. Dale Landon.

Mr. and Mrs. John Lansky left Saturday for a two-week vacation in Bradenton, Florida, and other points.

Mr. and Mrs. James Boomer and daughters, Shirley and Sharon, attended the Boomer family reunion at Midland on Sunday at the Alfred Boomer home.

(See Tawas City, Back Page)

EAST TAWAS

Olin Davis of New Haven, Michigan, visited last Wednesday and Thursday with his sister, Mrs. Russell McKenzie.

Mrs. Roy Applin has been in Florida the past week with her brother, Edward Cowan. She accompanied her parents, Mr. and Mrs. Arthur Cowan, to Florida where they will spend the winter.

Mr. and Mrs. H. R. Barker of Flint and Mrs. Florence Torok of Detroit visited over the week-end with Mrs. Orville McDonald at Tawas Hospital and with relatives in East Tawas. Mrs. Barker is a sister and Mrs. Torok, a daughter of Mrs. McDonald.

Joseph Hamell attended a fisherman's convention at Traverse City recently. Mr. and Mrs. Melvin Brown of Tawas City were also in attendance.

Mr. and Mrs. Robert Harmon attended the 10th District meeting of the American Legion, Posts and Auxiliaries at Big Rapids last Sunday.

Irene Rebekah Lodge will hold its regular meeting next Wednesday, January 26, at 8 o'clock. The new officers for 1955 will be in charge.

Joseph Hamell has purchased the Durant cottages and they will now be known as the Hamell Haven Cottages. Mr. and Mrs. Orvel Mayo, parents of Mrs. Hamell, who recently moved to East Tawas from Flint will be in charge of the cottages.

Dinner was served for the Methodist Men's Club Wednesday evening of this week by the Hope Circle of the W.S.C.S.

Mr. and Mrs. Henry Greenwood have been visiting with relatives at Harbor Beach and Detroit.

Holy Communion will be celebrated at Grace Lutheran Church next Sunday morning at 11 o'clock.

Dr. Lawrence A. LaPorte has been in Saginaw on business during the past week.

Mrs. S. G. Siglin was in Detroit for medical attention.

Mrs. Richard Harwood was the honor guest at a party at the home of Mrs. C. C. Harwood last Friday evening given by Mrs. Betty Cross. Fifteen women were present. Some lovely gifts were opened and the hostess served refreshments. The color decorations were in pink and blue.

Grace Luther League will enjoy an outing at Silver Valley next Sunday afternoon.

Mr. and Mrs. Elmer Freeland are spending two weeks with friends in Jackson.

TAWAS CITY, MICHIGAN, THURSDAY, JANUARY 20, 1955

Two Dollars Per Year

NUMBER 3

This aerial view of the Western States will bring back many happy memories to honeymooners who cruised aboard the 352-foot ship before her retirement from the Detroit and Cleveland's fleet. The ship will be anchored at the Tawas City Park Dock under a new name next spring, the SS Overniter.

S. S. 'Overniter' Will be Brought Here in Spring Say Owners; Deal Closed

Pleasure craft owners who cruise on Tawas Bay will no doubt learn the jargon of the "old salt" in this spring and "land lubbers" in this area will greet each other with "Ahoy, mate" or "Well, shiver my timbers," when the SS Overniter, Michigan's and possibly the nation's first flotel, drops anchor and makes the Tawas City Park dock her new home . . . or port.

Final agreements to lease the park dock were completed yesterday afternoon (Wednesday) between the City of Tawas City and SS Overniter, Incorporated.

A spokesman for the new flotel said that the ship would be moved here in April and that it would be in operation before May. The ship will be towed to Tawas City from its dry dock in Detroit by tug.

A group of Detroit businessmen met with the Tawas City park board and city council in November of last year and preliminary plans for docking the ship were formulated at that time.

Tentative plans for the flotel include a dining hall, social hall and recreation center. There will be no bar.

The three-decked SS Overniter will cater to conventions and will fill a need that has long been lacking in this area north of Bay City.

The ship, as far as sanitation is concerned, will come under control of the Michigan Health Department and Tawas City ordinances. It will not affect the bathing beach or the use of the dock by the public for fishing, boating, etc.

The fate of the ship was unknown until a few months ago, having been retired from Great Lakes service. The Western States will live again and, under her new name, has great prospects of becoming one of the greatest tourist attractions in Michigan and the Great Lakes region.

Mr. Fleming is a Methodist missionary serving as superintendent of the new United Medical Mission in Nepal, near Mt. Everest. The mission was opened a year ago with permission of the Nepal government, which has in the past been very reluctant to allow foreigners to visit that country. The doctor, pioneering this service is Mrs. Bethel Fleming, M. D., wife of the missionary.

He is an expert in ornithology and has made an intensive study of bird life of Nepal, discovering some rare specimens not before known to science. He plans to do research at the Chicago Museum of Natural History while on furlough.

He is the author of the book, "India, Past and Present," published in 1948.

Color slides will be shown and any questions about present day India answered following his lecture.

Those interested are invited to see him and discuss their problems. Vocational rehabilitation is a government provided service for disabled men and women.

The service includes medical help, physical aids, advice, training, job finding, tools for work, licenses and help on the job.

Due to the recent change in publication day of the Herald, from Friday to Thursday morning, the secretaries of various civic organizations, correspondents of this newspaper and others who file news reports are requested by the publishers to mail or telephone such news one day earlier in the week. This action would facilitate the handling of other last minute news happenings to a great extent by the editorial staff and will assure such organizations that reports will be printed while they are still newsworthy.

THE PUBLISHERS

Iosco Area Has Had Good Year Say Bank Officials

That 1954 had been a good year in the Iosco County area and that the area's business activities were in a healthy condition was pointed out by the officers of the Peoples State Bank at the annual stockholders' meeting held Tuesday. This condition had been reflected in the business of the bank during the past year.

At the stockholders' meeting no changes were made in the board of directors. The members are: Fred Adams, L. G. McKay, John Mielock, L. G. McKay Jr., R. G. Schreck, J. H. Scriber and G. N. Shattuck.

The officers of the bank are: L. G. McKay, president; G. N. Shattuck, executive vice president and cashier; John E. Hoshbach, Miss Esther Look and Richard L. Harwood, assistant cashiers.

Each officer and employee of the bank received a substantial increase in salary.

Missionary From India to Speak Here

The Rev. Robert L. Fleming, missionary, will speak at the East Tawas Methodist Church on Friday evening. The meeting begins at 8:00 and the public is invited.

Mr. Fleming is a Methodist missionary serving as superintendent of the new United Medical Mission in Nepal, near Mt. Everest. The mission was opened a year ago with permission of the Nepal government, which has in the past been very reluctant to allow foreigners to visit that country. The doctor, pioneering this service is Mrs. Bethel Fleming, M. D., wife of the missionary.

Awarded Merit Bar

Stanley R. Lane Jr., son of Mr. and Mrs. Stanley Lane, 1250 South US-23, was awarded a merit bar this week by the commandant of the Kentucky Military Institute. This award was made to cadets who had maintained a high standard of personal conduct during the fall quarter of the school year.

The Kentucky Military Institute is now in its 42nd winter session at Venice, Florida.

AuSable Lodge Guest Here

AuSable Lodge No. 243, F. and A. M., of Oscoda will be the guest of Tawas City Lodge No. 302 at a special meeting on Tuesday evening, January 25, at which time the Entered Apprentice degree will be conferred in the Tawas City Masonic Temple.

AuSable Lodge has gained an enviable reputation for its work and every Mason in the vicinity is invited to attend the exemplification. The meeting will be opened at 8:00 p. m.

Season's Largest Crowd Enjoy Week-End Activities

The expectant thrill of going down a toboggan slide at speeds surpassing a mile-a-minute was written on the faces of these winter sports fans last Sunday as they prepared to make the long descent at Silver Valley. Slide operators are shown inspecting the toboggans before leaving the top of the hill.—Herald Photo.

160 Here From Detroit School

Once again "King Winter" reigned over his many loyal subjects in a full week-end of winter sports activities in the Tawas.

The year's largest crowd of winter sports fans was on hand for what members of the Silver Valley committee termed, "Near perfect weather for tobogganing, skiing and skating."

The largest single group of winter sports fans visiting the Tawas area came from Detroit's Mackenzie High School. Chartered Greyhound buses transported 160 young people here for the week-end.

The winter sports committee estimated that approximately 1,000 persons entered the Silver Valley area on Sunday and slightly less on Saturday. Of that number more than 3,000 tickets were sold for rides on the toboggan slides.

Other facilities which attracted great numbers at the valley were the ski slopes and the skating rink. A new power driven tow was installed at the recently opened ski area, adding much to the convenience of the skier.

The new skating rink in the Tawas City Park again proved to be an attraction to the downtown visitors. Unusual numbers of youngsters utilized the facilities in the park over the week-end. Included was a capacity crowd from Mackenzie High School on Saturday night.

Silver Valley committee chairman, John Pinter, said this week that the committee expects that next week-end will see even greater crowds at the winter sports area.

Would Annul Townline Drain Tax Levy

A suit against Iosco County is being brought into circuit court this morning (Thursday) by George Lapere and others to annul the Townline drain tax levy. The case will be brought before Circuit Judge Philip J. Glennis of Alpena, who will preside in place Circuit Judge Herman Dehne.

The drain involved in the suit consisted of the cleaning out and deepening of an existing open ditch along the Townline Road and the construction of a culvert under US-23 at the city limits. When building US-23 the construction of a culvert to replace a previous culvert at that point had been overlooked. The culvert, with the ditch improvement, was to relieve the accumulation of water west of US-23 and drain property in Alabaster Township, Tawas Township and Tawas City adjacent to the Townline Road. It was constructed at a cost of approximately \$18,000.00.

A hearing to determine the necessity of the improvement was held May 24, 1950. Many of those effected by the drain were in attendance.

Lapere and the other plaintiffs in the suit, among other things, allege that the construction of the drain was illegal in that there was a defect in the proceedings. That a petition for the construction of the drain, signed by the landowners effected, had not been filed.

Beal Nursery Site Under Study by Area School Board

Additional facts on the government-owned fairgrounds or Beal Nursery property, one of three sites which has figured in the two controversial years of school site selection, were heard and discussed at a special meeting of the Tawas Area Board of Education on Tuesday night.

No official action could be taken by the board on any of the matters discussed during the meeting, held at the Tawas Chamber of Commerce offices due to the absence of Stuart White, trustee. White was unable to attend the meeting due to business matters in Lansing.

However, an open meeting type discussion was held with board members and before any present discussing the data presented by representatives of the United States Forestry Service, H. E. Beyster and Associates, Consumers Power Company and the school superintendent.

Among the matters which were discussed during the three-hour meeting was a report by Conrad Carlson, district forest ranger of East Tawas.

On the basis of a letter from the board of education following last week's meeting, Carlson said that he had gone ahead with preliminary proceedings to acquire the land for the district on an exchange basis. He stated he would need a formal resolution from the board asking for the exchange of property before any official action could be taken by his department.

It was the opinion of Carlson that the Beal Nursery site could be obtained on such an exchange within six months at best. He said that such an action would take a year or even longer, but added that the only record he had is approximately six months.

The forestry supervisor stated that all of the nursery property is closed except the government buildings. He stated that the department was under certain amount of pressure to get rid of the land and stated that it was surplus.

He said the first step to acquire the land would be to option land within government forest property which would equal the appraisal of the nursery site in an exchange. The nursery property was appraised at \$15,000 several years ago. He said that he was not at liberty to say whether or not the appraisal would be the same today. It was indefinite as to the cost of acceptable land which the board would have to purchase for the exchange.

Carlson said that a parcel of land owned by a private citizen in the Mackenzie Forest Reserve was available for such an exchange six months ago, but did not know if it was still available.

Reporting on the costs of lands adjoining the nursery property along the Tawas River, Herbert Hertzler told the board he presumed that the property could be purchased, with proper negotiations, for approximately \$12,000. He said, "I would want the architect to see the present needs of the district and what will be needed in the future; if that isn't enough we would have to see what property could be purchased along the river."

Last week the board authorized Hertzler to work with Superintendent Reynold Mick to investigate the availability and cost of the adjoining properties.

Kinnane Warns That Nursery Site Must be Selected

Recently the Tawas Area Board of Education sent a letter to A. J. Kinnane, who represents the Citizens Committee for Better Schools in an attempt at breaking up the school district. His reply follows:

January 7, 1955
Board of Education of Tawas Rural Agricultural District No. 1 Fractional, of Iosco and Arenac Counties, Michigan
c/o Mr. Walter Niles, Secretary
Tawas City, Michigan
Gentlemen:

In answer to your letter addressed to me by Mr. Walter Niles under date of January 3, 1955, I can tell you the following:

1. The quo warranto has not yet been started but preparation for it has been made. I am instructed to withhold the filing of this action until it becomes known whether or not your Board of Education will designate the fairgrounds or Beal Nursery site as the proposed location for the new school buildings.

2. I have prepared and have ready for circulation an appeal to the Superintendent of Public Instruction from your previous designation of the Tawas City site. This appeal also is being withheld for the time being awaiting your next move. However, this appeal will have to be filed within 90 days from the date of your selection of the Tawas City site unless you take further action designating the nursery site.

3. I am not at liberty to disclose to you at this time all of the grounds upon which we question the legality of the school district, except that those grounds include insufficiency of a number of originating petitions.

4. As to the fact that a controversy over the legality of the district will adversely affect the sale of your bonds, I can say this: Should your Board select the nursery site and tie an additional bond issue vote to that site, my group will probably authorize me to withhold legal action pending the outcome of that vote. Should the vote be successful and no legal action started to question the legality of the district or the validity of the bond issue prior to the actual sale and issuance of the bonds, it is my opinion that it will then be too late for anyone in the district to prevail in any legal action aimed at questioning the validity either of the school district or of the bond issue. In other words, should the district actually be authorized before any legal action of such a nature is started, and should bond buyers be assured that there is no longer any controversy in the district, I think your bonds will be readily saleable and all defects in the organization will be cured.

5. It is the desire of the group which I represent to have a new school located on the proposed site, rather than to break up the district and it is my understanding that my group will not instruct me to take legal action except as a last resort.

(See Kinnane, Back Page)

Happy With Results of Popularity Contest

"We are very happy with the results thus far in our Popularity and Personality Contest," commented John C. Elliott, chairman of ticket sales, at a meeting of the Silver Valley Winter Sports Committee Monday night.

Total sales of tickets, which will determine the selection of the Silver Valley queen, amounted to \$1,502.43 to date, it was reported by Elliott.

Contestants will have until midnight Friday, January 21, to turn in tickets and receive triple credit. Originally the triple credit was to end January 21, but committee members voted to extend the time for five additional days.

The winning contestant will be crowned queen of winter sports activities in the Tawas for 1955 and will reign during all of the Silver Valley activities. In addition, the winner will be given the choice of a free, all-expense paid, two-week vacation trip to Mexico, the New Orleans Mardi Gras or to Miami Beach, Florida, or the equivalent in cash.

It was voted by the members to again prepare plans for the annual Silver Valley banquet, which will be held at the Holland Hotel starting at 7:00 p. m. Saturday, February 5.

The Silver Valley committee is arranging reservations at local hotels and motels for many guests who will visit Tawas during the winter sports carnival. Guests include Virgil O'Dell, Frank Benesh, Ken Lawrence and Harry Traverse of WNEM-TV, Bay City, and Ron Gamble and Bob Reynolds from radio station WJL-Detroit.

In comparing financial returns with those of last year, L. G. McKay Jr., treasurer of the committee, reported that expenses and income at the valley remain approximately the same as last year.

New signs directing people to the Silver Valley area will be set up this week by Dale Butterfield and his crew.

The committee authorized the printing of season tickets for use of ski tow facilities at the area. The Silver Valley committee designated Wednesdays as "School Day" at the winter sports area. Letters were sent to all area schools last week advising of this latest action. The area will be operated each Wednesday as long as there is a demand of \$50 will be charged the school or 25 cents per student. At least eight days notice must be given to the committee if the school wishes to have the area open.

Happy With Results of Popularity Contest

Fishing through the ice, long a popular sport in the Tawas area, has proved to be a great boon to the tourist business during the winter months. Shown above is Chester Parker, custodian of Perchville, who is entering the "city hall" in the Tawas ice fishing village on Tawas Bay with a can of fuel oil for heating purposes.—Herald Photo.

P. N. THORNTON and SONS, PUBLISHERS

School Problems Same as in October 1953

The presentation at last week's meeting of the Tawas Area Board of Education of a request to gather additional facts on the availability and suitability of the fairgrounds property as a site for the construction of the proposed Tawas Area Junior and Senior High School puts the school problem back in the same spot it was in October of 1953 when the board of education announced the selection of the Neumann-Reinke site in Tawas Township as the most suitable site available. Immediately following the announcement came the objections of a group which favored the fairgrounds property as the school construction site. These objections were answered with authoritative facts verifying the board's choice, which had the approval of citizens committees, architects, engineers and representatives of the Michigan Department of Public Instruction, as the better site.

Ignoring the needs of the school district and the welfare of the children, this group set out to defeat the \$775,000 bond proposal for construction of the school on the Neumann-Reinke site. Its effort was successful.

The board of education provided information, substantiated by fact, to clarify the site question for the electors of the district. This is a brief summary printed in the January 29, 1954, issue of the Herald.

Neumann-Reinke Site:	Fairgrounds Site:
Size65 acres	Size 32.5 Acres
Cost \$16,500	Cost 15,900
Sewer and Water 17,500	Sewer and Water 8,250
Clear and Level 3,600	Added cost of foundation
Added cost of foundation 00	35,000
Fill 00	Fill 11,000

The proposal was re-submitted and again defeated in a close election.

The school's lack of facilities remained, and the outlook for the future, based on potential enrollment figures, made a need for action greater than ever.

Realizing a solution must be found to provide school facilities, 1,396 petitioners presented the board of education with a resolution to construct a junior and senior high school on the site owned by the school district in Tawas City and land, now available, which would be given FREE OF CHARGE by the City of Tawas City to the school district for school use. By using this site, the gymnasium and other facilities already on the premises, the proposed school could be constructed for \$575,000, a \$200,000 saving.

Once again the group supporting the fairgrounds site swung into action. This time, its cry was that the district was not legally sound, that there was a technical flaw in its formation, and the services of an attorney were engaged to break up the district if the board continued its plan to submit the \$575,000 Tawas City site bond proposal to the electorate.

This group's charge expressed by its attorney in a letter published in the December 17, 1954, issue of the Herald was de-bunked by the board's attorney, Fred Thrun. Even so, this group continued its campaign to oppose school construction on any site other than the fairgrounds. The \$575,000 proposal was defeated by less than 100 votes.

The school's status has not been improved and valuable time is being lost.

Because of the seriousness of the charge brought by this group against the school district, Walter Niles board secretary, wrote to the group's attorney, A. J. Kinnane, for information as to the group's action in view of the fact that the proposal was submitted. In a reply to Niles' letter, Kinnane stated that the group has not started action but will IF the board does not adhere to its demands. This letter appears on another page of this week's Herald.

When you, the electors of the Tawas Area School District, elected your school trustees you did so because of respect for their judgement. Why then should this compulsion be tolerated? Why not register your disapproval of the completely un-American, unethical course this group has taken to achieve its goal?

If the charge had grounds, the action would have been instituted before the December 22 election. How could the defeat of the \$575,000 Tawas City site bond proposal right the legal flaw in the formation of the district?

It all boils down to the fact that the group's purpose, the defeat of the proposal, was reached.

It has been said that there must be "give and take" to effect a solution; however, since the same individuals, the supporters of the proposals, have been doing just that, consider for a moment some "ifs" in the group's "if the school is built on the fairground site."

1. The site is owned by the United States government. Attempts have been made to secure it through the efforts of Congressman Cederberg and the United States Forestry Service. No definite time for its release can be given on a "free" basis. In order to secure it on a trade basis, land of equal, government appraised valuation must be secured in exchange for the fairgrounds property. The cost of such land is unknown.

2. This site is located in an industrial section bordered by the Detroit and Mackinac Railway and the Iosco County Garage.

3. The location of a school on this site might do much to hinder the industrial development of the area. This development is of the utmost importance in stabilizing the economic welfare of the community. Industry would also aid as a

Hot Under the Collar!

LOOKING BACKWARD

40 Years Ago—January 21, 1915. Ferdinand Market of Napoleon, Ohio, was a business visitor in Reno Township a few days this past week.

Miss Tillie Ebert left Tuesday for Bay City.

Mr. and Mrs. James Nisbet of Arenac County were visitors here this week.

Mrs. Leo Kehoe of Traverse City was a guest of relatives in the Tawas last week.

Mrs. George Flintoff and daughter, Dorcas, spent a few days this week in Bay City.

Oren Carpenter of Au Gres is visiting relatives at East Tawas.

Henry Steinhurst of Detroit is spending a few days at the home of his parents.

Mrs. Frank E. Dease is a guest of relatives at Hubbard Lake.

F. F. French served as chairman at the January meeting of the board of supervisors.

O. S. Nicholls of Ellake spent a few days in the city on business.

Sodney Adams of Hale, in full Indian regalia, was a pleasant visitor at the Herald office Monday afternoon.

William McFarlane of Oscoda transacted business in the city Monday.

Leo Cadore and Henry Kane were at Detroit a few days this week.

James Daugherty and family have moved to the Sibley place in Reno Township.

Miss Millie Alderton of South Branch is visiting friends in Saginaw.

Joseph Gay of Detroit is spending a few days with relatives at Whittemore.

J. M. Boomer and Son, contractor and builder, Tawas City.

At the request of Miss Edith F. Bard, normal critic, the board of supervisors appropriated \$50 for use in providing domestic science equipment for the County Normal School.

For Sale—One of the best built house in East Tawas and full block of land, \$1,000 cash. F. F. French.

L. A. Chichester of Whittemore was a business visitor here Wednesday.

C. H. Macomber of Midland spent a few days at Whittemore last week.

Among the visitors Sunday at the Cleveland Ranch were: Arthur White, Miss Bernice Robinson, Mr. and Mrs. Angus Dunham, Mr. and Mrs. Archie McDougald, Mr. and Mrs. Charles Brown, Mr. and Mrs. Thomas Frocks and Lloyd Murray.

Mrs. N. D. Murchinson and Miss Kathryn Sands were Bay City visitors yesterday.

Mrs. Mollie Netcher Bragno, 28, was made the sole heiress to a fortune of more than \$15,000 left by her grandmother, Mrs. Mollie Netcher Newbury, wealthy Chicago department store owner. Townsend Netcher, 51, son of the late Mrs. Newbury, who was to inherit half of the estate died last week. Under the terms of the will, Mrs. Bragno was to inherit Netcher's share of the estate.

Christian Science

God's readiness and willingness to heal sickness and sin today as He did in Christ Jesus' time, will be set forth at Christian Science services this Sunday.

Scriptural selections in the lesson-sermon entitled "Truth" will include the account of the successful healing missions of Jesus' disciples, as recorded in Luke's Gospel (Chapters 9, 10). The ever-availability of the Christ, "Truth will be brought out in readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including the following (142:31): "Truth is God's remedy for error of every kind, and Truth destroys only what is untrue. Hence the fact that, today as yesterday, Christ casts out evils and heals the sick." The Golden Text is from Psalms (57:3): "God shall send forth his mercy and his truth."

10 Years Ago—January 19, 1945. Current fatality figures based on information furnished by the Michigan Department of Health show that during November five more persons were killed in Michigan motor vehicle traffic accidents than during the same month last year, 111 compared with 96.

Ray Green of Detroit has purchased the Lloyd Wood property in East Tawas.

Mrs. Charles Curry left Friday for Savannah, Georgia, where she will visit with her son, Ronald, and family.

Pvt. Clark Tanner sent home some samples of money from India.

Mr. and Mrs. Levi Ulman have purchased the former Fred Wojahn home.

Mr. and Mrs. W. E. Laidlaw are leaving for San Diego, California, where they will visit their daughter, Mrs. Victor Beauchamp.

Mr. and Mrs. G. A. Pollard of Ossineke are visiting relatives at East Tawas.

Mr. and Mrs. Harry Haun have moved to their new home, the former Marontate property.

source of revenue in the financing and operation of the school.

4. Facts in the above comparison shows the fairgrounds to be more expensive than the 65-acre Neumann-Reinke site when considering the increased construction costs because the site is inferior. This would mean less school facilities for your tax dollar.

5. Since it takes more than a building to make a good school, would it not be wise to see that no group or individual be permitted to use duress in establishing a case. If this is permitted now, what is to prevent similar action in the future formulation of school policy and program?

The time between October 1953 and January 1955 was valuable time—time that cannot be regained. The need for more adequate school facilities is mounting and this obligation to the children of the district must be fulfilled. Wake up, Mr. Taxpayer, you have a job to do!

Custom Royal Lancer

Custom Royal Lancer V-8 in dramatic new three-tone exterior styling.

A car of noble proportions, gallant and gay, and born to rule the road in flashing style!

In every age, there are those who are not content with the humdrum, the commonplace.

If you are one of these, the Royal Lancer speaks directly to your heart.

For here is a car that fairly breathes adventure. You sense it in the bold forward thrust of its hood, the sweep of rear deck, the rakish slant of the New Horizon windshield.

Its beauty is not calm and placid, but eager and alive—the measure of performance that stems from the most advanced aircraft-type V-8 engine on the road.

And should you choose to make this car yours, you will have this assurance: In any company of automobiles, there is nothing to challenge the distinction of your Royal Lancer by Dodge.

With the Iosco 4-H Clubs

By DOROTHY SCOTT

CALENDAR
Saturday, January 22—Cherry pie contest and event at the Plainfield Township School.

Yes, indeed, January 22 will be a "Red Cherry" day in Iosco County. Contestants are being selected for the county contest at Hale in Whittemore, Hale, Laidlawville and Grant communities.

Both girls and boys are eligible and are taking part in the contest, and if a boy gets a "crack" at the county contest on January 22, there is a chance we shall crown a king as well as a queen at the evening event, also on January 22 at Hale.

Cooperating to stage these activities are the 4-H Club Leaders' Council and home-making teachers at Hale and Whittemore.

Everyone is invited to the

cherry pie crowning festivities which will take place in the gymnasium of the school at Hale on Saturday evening, January 22. JoAnn Dafeo, last year's queen, will be there to tell about her experiences at the state contest in Grand Rapids last year.

Square dancing will be featured as entertainment for everyone, 4-H Club members and their friends, mothers, fathers, leaders and the general public, everyone is welcome. Refreshments will be served by the 4-H Club Leader's Council.

This event is one of the ways through which the council earns funds for its 4-H Club overnight award trip to the State 4-H Club Show. Plan now to be there, have a good time, and help the 4-H'ers.

A lively 4-H Club Leaders' Council meeting was conducted by President Franklin Bischoff and secretary, Mrs. George Kindell, on January 10. Present were Gale Durant, Larry Frank, Mr. and Mrs. Harold Black, Mr. and Mrs. A. J. Aulich, John Kindell, Edward Parker, Mrs. Alton Durant, Mrs. George Belen, Mrs. Cora Coates, Mrs. Harold Goedecke, Mrs. Roy Atkinson, Mrs. Martin Siegrist, Mrs. Kindell and Franklin Bischoff.

4-H Club openhouse events get under way this week. Burching Wizards will have the first one on January 19 at the Grant Township Hall.

Families in the Whittemore area are extended a special invitation to come to the 4-H Club meeting that evening. You will see the work completed thus far in 1955, articles of knitting, electrical and 4-H Club Girl projects. The boys and girls are planning a program. You will hear about things they are doing as well as see them.

Certificates will be awarded for those projects which are complete and the reports on file. Special contest awards will be made to 4-H Club members whose work and activities were especially outstanding during the 1954 year.

Laidlawville 4-H Club will have openhouse on February 2, followed by Friendship 4-H Club on February 17.

Members and leaders are re-

NO CUPID'S ARROW—Warrant Officer George M. Vinson, of San Francisco, Calif., inspects one of a "brood" of Nikes, deadly ground-to-air missiles, as they lie ready to be placed on elevator, far left, for ascent to launching sight at the Army Proving Grounds at Lorton, Va.

mind that project report blanks should be requested before the time of their last project meeting so they can be completed. The reports and leaders' evaluation sheet should reach our office at least one week before openhouse time so that certificates can be prepared.

The weather interfered with profits from lunches served by the 4-H Club Leaders' Council at the "Better Milking Clinic" event. However, the treasury has been swelled a bit due to the efforts of leaders who supplied pies and to Mrs. Alton Durant, Mrs. Harold Goedecke, Mrs. George Kindell, Mrs. Walter Laidlaw, Mrs. Mike Avram, Gale Durant, Franklin Bischoff and Larry Frank, who worked at Hale on meeting day.

Furnace meter troubles won't baffle electrical project members of the Alabaster-Whitney 4-H

Club for that was the subject of a project meeting at the leader's home on January 9, reports Ronald McCormick.

A sleigh ride was featured at the January meeting of the Alabaster-Whitney Community 4-H Club. The members met at the Singing Bridge Restaurant for a pot-luck, after which Mrs. Darwin Minard and Mrs. Albert Duquette accompanied them for the ride.—Reporter Lois Vane.

The White House recently announced that President Eisenhower would send two more special messages to congress, bringing the total of such messages for January to eight. One on health, re-insurance will be sent to Capitol Hill on January 24, while the other, dealing with the national highway program, will go up on January 27.

HDA NOTES

By DOROTHY SCOTT

Calendar—Saturday, January 22—Cherry Pie Event, Plainfield Township School, Hale. Wednesday, January 26—See TV, Channel 5, Bay City, 1:00 p. m.

Come along, bring your family, and learn who will be the 1955 Cherry Pie baking champion in Iosco County. There will be an evening program at 8:00 p. m. featuring contest winners and JoAnn Dafeo, last year's winner, will tell of her trip and experiences. Square dancing will follow for all, and refreshments when you get hungry.

Community 4-H Clubs will be having openhouse events to show you, yes, you, too (even if your children are not members), what our young people are accomplishing. Look in the 4-H Club news columns to find out the date for one nearest you. And come!

The January 26 television show mentioned in the calendar is to talk and show facts about costs and returns from farming. How much money is needed? What are sources of income? How much expenses are involved? Will there be profits? See the show and find out.

If you wonder why we mention Michigan State College produced television shows, let us explain one reason is a result of the home demonstration

survey completed in the fall. The summary shows that the number of families in Iosco County having sets is higher than we expected, and that more young families have sets than older families.

Laidlawville home demonstration members were first to attend a "do it yourself" sewing machine attachments lesson at the local Singer shop. Other groups coming in for similar lessons in January are Whittemore, Hale, Londo Lake and County-Line.

This is the home sewing season. If you are working with synthetic fibers, remember this, ripping is not advisable because the markings will show. Be careful to check seam lines before stitching to avoid errors. If one does happen and you must rip, cut the threads every inch, so only a small area is pulled at a time. This prevents distortion of yards in the fabrics, and minimizes needle markings.

For a larger foam on beaten egg whites, add a pinch of salt before beating.

Cake Decoration Demonstration Held

Icing design made into many colors went into the decorating of cakes by the Tawas Home Demonstration Group. From Clarice Davenport's interesting demonstration, each member was able to attractively decorate her own cake. The meeting was held at the home of Lillian Jennings on Monday evening, January 10.

Members present were: Lillian Jennings, Betty Hammond, Rhoda Wickert, Doris Kersul, Helen Payea, Jeanette Palumbo, Norma Gravlin, Mary Anschutz, Clara Spica, Doris Vogel and Lillian Glancy.

A council meeting report, read by Clarice Davenport, stated that reservations for the color clinic on May 12, 13 and 14 are to be made now; also the tentative date for cardiac classes is set for April.

The next meeting of the home demonstration group is to be held at the home of Mary Anschutz on Thursday, February 3, and is to be on Singer sewing machine attachments.

Will Present "Fire, More Dangerous than Dynamite"

The Hale Fire Department will present "More Dangerous than Dynamite" at the next meeting of Plainfield P.-T.A.

This will be held at the school gymnasium in Hale, Thursday evening, January 27, at 8 o'clock.

Everyone who attends is urged to bring one or more neighbors. The fire department enjoys presenting this program and deserves a large attendance.

United States bobsled star, Lloyd Johnson, ex-world champion, is placed on a sled for the trip to the hospital after his two-seater bobsled somersaulted and jumped the track during an event at the Olympic Course at Garmisch, Germany. His co-rider, Ted Bledsiadecki, who was not hurt in the crash, stands in the background (with helmet).

THE TAWAS HERALD

"Monthly Pains" stopped or amazingly relieved

In 3 out of 4 cases in doctors' tests! Chances are you're putting up — unnecessarily — with the functionally caused pains, cramps and weak, "no good" feelings of menstruation! For in actual tests by doctors, Lydia Pinkham's Compound brought complete or striking relief from such distress in 3 out of 4 of the cases!

Lydia Pinkham's is modern in its action! So get Lydia E. Pinkham's Vegetable Compound — or new, improved Tablets with added iron. See if — taken through the month — it doesn't give relief from those backaches, jitters — help you feel better before and during your period!

Or — if you suffer from functional "hot flashes" or "change of life" — find out how wonderful Pinkham's is for that, too!

It has a quieting effect on uterine contractions that often cause "period" pain!

Test Pilot Falls to Death

NAVY FLIER, GREEK TOT BACK HOME

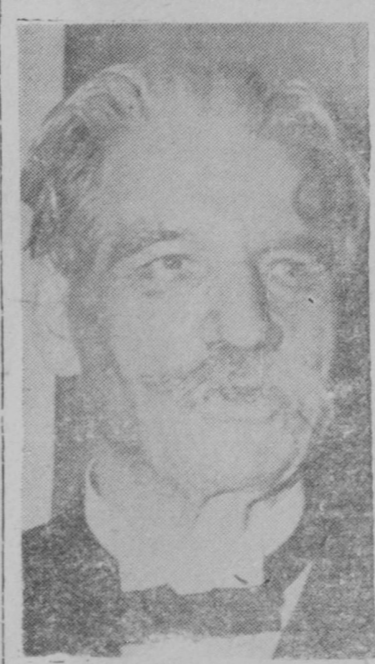

The body of test pilot James B. Verdin, who held the world's speed mark, was found in a barren desert area 15 miles northwest of Victorville, California. The 37-year old Navy combat hero was reported missing after his Navy A-4D Douglas Skyhawk, described as "the world's smallest atomic bomber," crashed and burned. The pilot had radioed he was bailing out, but his parachute had apparently failed to open.

Navy Lt. Norman Donahoe of Corpus Christi, Texas, arrived in Patuxent, Maryland, Naval Base with the brown-eyed 17-month old baby girl he adopted in Greece. Happy to be back in the United States after a 13,000-mile air hitch-hiking expedition, Lieutenant Donahoe playfully raises Roni Marie into the air as he prepares for the last lap of his journey to Brooklyn, New York, to deliver the child to his waiting wife.

Nobel Prize Winner Celebrates

Dr. Albert Schweitzer, winner of the Nobel Prize for Peace, celebrated his 80th birthday dodging the world's acclaim of his "humble" service to humanity. Deep in the steaming jungle he chose for a home, Schweitzer spent the day as he had spent half his life—taking care of lepers, and other ailing natives in the hospital he built.

ARRESTED IN NICARAGUA

Former Costa Rican President Teodoro Picado, 55, (right) whose son, Teodoro Jr. (left), is chief of the rebels attacking Costa Rica, has been placed under house arrest in Managua, Nicaragua. Picado Sr. has been living in exile, serving as Nicaraguan President Anasias Somoza's secretary. His son, who was graduated from the United States Military Academy at West Point, is reported to have left his home to lead the assault on Costa Rica.

Reports on Red China Visit

U. N. Secretary General Dag Hammarskjöld makes his public report of his talks with Communist Chinese Premier Chou En-lai on a mission he made to Peking to secure the release of 11 American airmen imprisoned by the Reds as "spies." Hammarskjöld said that no deals of any kind were suggested by either side in the talks.

Do You Scrub Floors?

Very few people like to scrub a floor. Yet many people do! This job is one of the maintenance problems in the home that interferes with the joy of living.

Now floor scrubbing as grandmothers knew it was an accepted, unavoidable part of life. Housewives did many jobs then that they don't have to contend with now. So why continue to scrub floors?

It isn't necessary to scour and bleach wood floors, nor to keep painting that old linoleum. Available to everyone today are the "miracle" plastics that take both the stain and the sting out of floor cleaning. They wipe clean "like a china dish." They are also the nicest looking and best-wearing floor coverings you have ever imagined!

You probably know of these things, so why not avail yourself of the opportunity to see them at Tawas Bay Floor Coverings, 402 W. Lake Street, Tawas City, (next to the Herald). You can also phone 747 for a free estimate at your own home. adv.

The Root of All Evil

A wealthy but elderly woman who had been a spinster most of her life had finally taken the plunge and married a man some years her junior. After she returned home from her honeymoon she was telling some friends about the trip.

"And do you know," she related, "that on the third day of our honeymoon George won some prize in the Irish 'sheepstakes'?"

"Good heavens," blurted out a girl who was listening. "Three days too late!"

Legal Notices

RECONVEYANCE NOTICE
To the Owner or Owners of any and all interests in or Liens upon the Lands therein described:
TAKE NOTICE: that sale has been lawfully made of the following described land for unpaid taxes thereon, and that the undersigned has title thereunder tax deed or deeds issued therefor and that you are entitled to a reconveyance thereof, at any time within six months after return of service of this notice, upon payment to the undersigned or to the Register in Chancery of the County in which the lands lie of all sums paid upon such purchase, together with fifty per centum additional thereto, and the fees of the Sheriff for the service or cost of publication of this notice, which fee shall be the same as provided by law for service of subpoenas or for orders of publication or the cost of such service by registered mail, and the further sum of five dollars for each description, without other additional cost or charges: Provided, That with respect to purchasers at the tax sale held in the years 1938, 1939 and 1940 the sum stated in such notice as a condition of reconveyance shall only be all sums paid as a condition of the tax title purchase, together with ten per centum additional thereto. If payment as aforesaid is not made, the undersigned will institute proceedings for possession of the land.

DESCRIPTION OF LAND
State of Michigan, County of Iosco; Lot 118 Eagle Park Subdivision, Grant Township, according to the plat thereof. Amount paid \$315. Tax for Year 1950.
Amount necessary to redeem: \$9.73 plus the fees of the Sheriff.

DESCRIPTION OF LAND
State of Michigan, County of Iosco; Lot 258, Eagle Park Subdivision, Grant Township, according to the plat thereof. Amount paid \$315. Tax for Year 1950.
Amount necessary to redeem: \$9.73 plus the fees of the Sheriff.

MORTGAGE SALE
Default having been made for more than thirty days in the terms and conditions of a certain mortgage made by Ami Althouse and Ruth C. Althouse, his wife, of Clarkston, Michigan, Mortgages, to Mrs. Edna Blight of Clarkston, Michigan. Mortgages, dated the 2nd day of April, A. D. 1953, and recorded in the office of the Register of Deeds for the County of Iosco and State of Michigan, on the 3rd day of April, A. D. 1953, in Liber 36 of Mortgages on pages 84-86, on which mortgage there is claimed to be due, at the date of this notice, for principal and interest the sum of three thousand four hundred ninety-nine and 60/100 (\$3,499.60) dollars, and attorney's fee of fifty dollars, as provided for in said mortgage. No suit or proceedings at law or in equity having been instituted to recover the moneys secured by said mortgage or any part thereof.

NOTICE IS HEREBY GIVEN, that by virtue of the power of sale contained in said mortgage, and the statute in such made and provided, on Monday, the 31st day of January, A. D. 1955, at 2 o'clock in the afternoon, Eastern Standard Time, the undersigned will sell at the front door of the Court House in the City of Tawas City, Iosco County, Michigan, (that being the place where the Circuit Court for the County of Iosco is held), sell at public auction to the highest bidder, the premises described in said mortgage, or so much thereof as may be necessary to pay the amount so as aforesaid due on said mortgage, with 7% interest, and all other legal costs, charges and expenses, including the said attorney's fee, also any sum or sums which may be paid by the undersigned, necessary to protect her interest in the premises. Which said premises are described as follows:

Land in the Township of Oscoda, Iosco County, Michigan, part of the NE 1/4 of Sec. 17, T24N, R9E, described as beginning at a post on the shore of Lake Van Ettan, 863.5 feet S'ly along said shore from the section line between Sections 8 and 17, thence North 62 degrees East 250 feet more or less to the W'ly line of the County Gravel Road, thence S'ly along said road 50 feet, thence South 62 degrees West 250 feet more or less to the shore of Lake Van Ettan, thence W'ly along said shore to the point of beginning, 50 feet.
Dated: Oct 28, 1954.
Mrs. Edna Blight, Mortgagee.

About Town

Golf Course School Site Under Fire
So says the head of a spirited news story about the acquisition of a new school site by the Stirling County School Council. There seems to be more than one opinion on where to build a school even among the Scots, for Stirling County is in Scotland and the news story appeared in the November 24 issue of the Falkirk Herald. The Herald is a weekly newspaper published at Falkirk, several issues of which are being enjoyed by the editor through the courtesy of the Rev. William MacFarlane.

Reading the Falkirk Herald is like reading the old home town paper. Change a few names and you are reading about your own community here in the States—overcrowded schools, school sites, apparent apathy in political matters by citizens, fishing, sailing and skiing, potato marketing schemes, old age pension discussions, home owners complain because of the disruption caused by the widening of streets, fined on a car

parking charge, complaint that TV is supplanting amateur music in the home.

George Prescott Says:
"If you buy your auto license plates now, you'll avoid waiting in that long line-up February 28."

Many Fish Shanties on Tawas Lake
Pike fishermen have about 100 fish shanties on Tawas Lake. Some good catches have been reported.

Appointed to Staff of Michigan Veteran's Facility
Robert Benson, who recently returned from a tour of duty with the United States Air Force in Europe, has been appointed to the staff of the Michigan Veteran's Facility at Grand Rapids as administrative officer. Mr. Benson will reside in Grand Rapids. He is the son of Mr. and Mrs. Arthur Benson of Alabaster.

20 Million Jobs
Twenty million new jobs must be found within the next 20 years if American industry is to keep pace with population increases, according to Business Week Magazine. There are 64 million job holders today.

New Fire Siren
A new fire siren has been installed on top of the fire tower at the East Tawas City Hall. The new siren has a 7½ horse-power motor instead of the two horse-power on the old siren.

Sen. J. William Fulbright (D-Ark.) (foreground), chairman of the Senate Banking Committee, announced that the committee had unanimously approved a "study" of the surging stock market, but pointedly shunned the term "investigation." Standing behind him is Robert A. Wallace, an aid to Sen. Paul Douglas (D-Ill.), who has been appointed staff director for the stock market "study."

Lower Hemlock
Mr. and Mrs. Gale Mohler and son Thomas, of Bay City were Sunday visitors of the Arthur Grabows and John McArdle.

Mrs. Wilford Youngs, Betty Youngs, Jerry and Dale spent Tuesday evening of last week with Mrs. Albert Ulman in Tawas City.

Mr. and Mrs. Merlin Look are the parents of a baby daughter born at Tawas Hospital.

Mr. and Mrs. Edward Nelkie were Wednesday evening visitors of the Arthur Wendts in Tawas City.

Mr. and Mrs. Keith Humbert and family of Pontiac were weekend visitors of her parents, Mr. and Mrs. Andrew Anschutz, and Allan Mr. and Mrs. Victor Bouchard spent Saturday evening with them.

Mrs. Louise McArdle was a Sunday visitor of Mr. and Mrs. John Katterman Sr.

Mr. and Mrs. Victor Bouchard were Tuesday visitors in Bay City with the Richard Reinkes.

Mrs. Alva Wood and Mrs. Connie were Monday visitors in Mio.

Mr. and Mrs. Austin Allen of Melvor were Monday evening visitors of Mr. and Mrs. John Katterman Sr.

Tawas Area P.-T. A. Discusses Extra-Curricular School Activities
Senior trips, attendance problems and practices and extra-curricular activities were the topics under discussion when the P.-T. A. met in the Tawas gymnasium on Monday evening, January 17.

Ronald Butterfield, the high school principal, was in charge of the program and under his direction the parents and students in attendance separated into three groups, according to their interests. Then after 45 minutes the groups came together to report their findings.

Mr. Stock was chairman of the group discussing senior trips. The cost of such trips was brought out, also the means by which the money is raised. The consensus of opinion was that these trips are very fine and should be carried on providing a few changes are made, including the finding of a better system for raising the money. One suggestion was to have a bookkeeping system set up whereby a record could be kept of the money each student makes or contributes, with the student being expected to earn his own share of the expense of the trip. Another suggestion was that the students set up a corporation for the purpose of manufacturing and selling articles at a profit.

Mrs. Herbert Hertzler reported for the group who talked about extra-curricular activities. It was pointed out that there are many activities in which students can participate, including band, chorus, homemaking, sports, debating, dramatics and other club work. With better school facilities, even more activities could be carried on.

Mrs. Linsky reported for the attendance problems group. She explained a system whereby the parents can be a great help in cooperating with the school by calling when it is necessary for a student to be away from school. Opportunity is given the student to make up his work except in the case of truancy.

Reynold Mick, school superintendent, pointed out earlier in the meeting that in the case of extremely bad weather and roads, it usually is not possible to say whether there will be school or not until 7:00 or 7:30 a.m.

Refreshments of sandwiches and coffee were provided by the room mothers of Miss Viola Groff's second grade. Mrs. Albert Conklin as chairman served, assisted by Mrs. George Rice and Mrs. June Dittenber.

Edward Morin
Edward Morin of Whittemore passed away last Wednesday at the Veterans Hospital in Saginaw after several months illness. He was a veteran of World War I serving in the 41st Field Artillery. He had been a patient at the hospital since last August.

Edward Morin was born October 10, 1890, in Whittemore and died January 12. He is survived by five brothers, Alfred and Robert Morin of Pontiac, George Morin of Flint, William Morin of New Boston and Joseph Morin of Whittemore.

Funeral services were held Saturday morning at the St. James Catholic Church in Whittemore with the Rev. Fr. Michael Maher officiating. Burial was in the St. James Cemetery.

Justice behind the Iron Curtain recalls the attitude of the tough colonel in the old army, sitting as president of a court martial. "If you aren't guilty, why were you arrested?"—Detroit News.

We went fishing the other day, and if we had just gone the day before, they were really . . .

son of the Rev. and Mrs. Richard Jennings.

Co-hostesses serving with Mrs. Shattuck were Mrs. Edward Cole and Mrs. George Rice. Refreshments consisted of assorted sandwiches, pickles, cookies, tea and coffee.

The next meeting of the guild will be held at the home of Mrs. Dwight Wood the evening of February 8.

Whittemore News

Chalk Up 7th Straight Win
The Whittemore varsity chalked up its seventh straight win on the AuGres floor Friday night. Jumping off to a 10-point lead in the first quarter the Big Red, apparently were off to another easy victory. AuGres came back strong at the start of the second half and cut the visitors 18-point lead down to 10. From then on it was a fairly even game but the big lead built up by the Cards in the first half was too much to overcome.

With Pagel, lanky center, controlling the backboards Coach Duod's lads kept their unbeaten record clean.

Pagel was tops in scoring with 32 points on 13 field goals and six charity tosses.

Roger Hall gave a fine exhibition from the free throw line making good on 11 out of 12 chances. These points added to his three field goals gave him 17 points for the night.

Dittenber played a fine game at center for AuGres, scoring 22 points against a Card team that is rated second defensively among the Class D teams in the state.

The Cardinal Reserves lost a 16-7 game to their hosts, scoring only twice from the floor and three times from the foul line. Kurtz had eight points for the winners and Warden three for the losers.

Varsity score by quarters:

	1	2	3	4	Total
Whittemore	16	16	15	11	58

Memorial Dedicated at Hale Church
A new memorial pulpit and chancel pew were dedicated Sunday at the Hale Methodist Church. These new chancel appointments are memorials to Alfred N. Graves, made possible by gifts of his many friends at the time of his funeral last July.

Mr. Graves, a well known well driller, was a trustee of the Hale church. He was electrocuted last summer when the boom of his well machine came in contact with a high voltage cable while drilling at Orchard Park on the Monument Road between Hale and Okawan.

The memorials were built by the Kawkawlin Wood Products Company. They are of white oak, finished in natural wood lacquer, to match the new pews installed a year ago.

The Rev. Wesley Dafeo, pastor of the Hale church, led the congregation in the service of dedication.

Wesnick to Head Iosco Farmers Union
The regular monthly meeting of the Iosco County Farmers Union No. 463 was held at the Grant Township Hall on Thursday evening. Lionel Wesnick of Whittemore was elected to serve as president of the organization for 1955. Other officers elected were: Vice president, Dornace Bellville, and secretary-treasurer, Mrs. Marie Bellville.

Max Voss Sr. will serve as organization director for the group.

Recommendations from the dairy meeting held at Bannister, Michigan, recently were read and discussed. Important resolutions passed at the State Farmers Union convention were also discussed.

The new social security program for the farmer was discussed by members and guests. Plans were made to secure a speaker on this all important subject for the February 10 meeting which will be held at the Reno Township Hall. All farmers in the area are cordially invited to attend.

Lunch was served at the close of the meeting.

EAST TAWAS

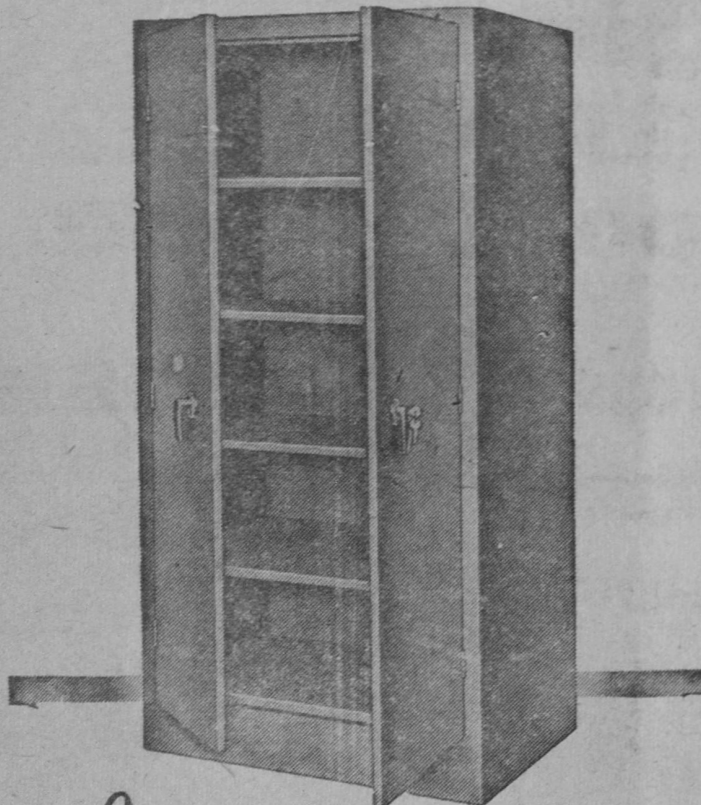

Marian Anderson, the first Negro to sing a lead role with the Metropolitan Opera, is congratulated by Rudolph Bing, company general manager, after making her debut as the sorceress, Ulrica, in a revival of Verdi's "Masked Ball." Miss Anderson won a wild ovation from a packed house for her performance.

Two of the army's top-ranking officials. Army counselor John C. Adams (left) and Lt. Gen. Walter W. Weible, deputy chief of staff, and 60 other army officers have been identified by a 10,000 word report submitted by Army Secretary Robert Stevens to Sen. Leverett Saltonstall as having ordered Peress' honorable discharge. The demerit's discharge took place over the objections of Sen. Joseph R. McCarthy, and the incident touched off the spectacular Army-McCarthy hearings in Washington in the spring of 1954.

Whittemore Demonstration Group Meet
The Whittemore Home Demonstration Group met Monday night at the home of Mrs. Dornace Bellville.

The sewing machine clinic, which will be held at the Singer Sewing Machine Store in East Tawas on Monday, January 24, was discussed. A dainty lunch was served at the close of the meeting.

With 3 adjustable shelves, a hot shelf and coat rod.
36" w., 76" h., 18 1/2" d. No. 74C \$74.50

The Tawas Herald

Horses Feature Farmers' Week Program

Never in the history of Farmers' Week have horsemen set up so attractive a program for horse day as will appear on this, the centennial year of the founding of the Michigan State College. Horse day has been moved ahead to Monday, February 7.

The Little International, staged by animal husbandry students, and featured horse events will draw horsemen from many states and Canada. A feature of the day will be the exhibit of the internationally famous six-horse draft hitch of Belgians owned by the Meadowbrook Farms, Rochester, Michigan. Included in the day's program will be a heavyweight and a lightweight horse pulling contest. Teams competing in these contests are so outstanding that they are known to every horse pulling fan.

The National Heavyweight Champions for the past two years, owned by the Fowler Brothers, Reading, Michigan, will be on the defensive as they meet three great heavy teams. Pitted against the champions will be a mammoth pair of chestnut geldings formerly owned by John Derry of Zanesville, Ohio, and now in the hands of Charles Roehl and Sons, Smiths Creek, Michigan. Both of these teams will weigh over 4,800 and each has defeated the other during the past season. Another will be a roan pair owned by John Huizenga of Grandville, Michigan. This 4,400 pound pair won more contests than any other heavy pair in the state during the 1954 season and in the major contests defeated the Fowler pair. They were second to the Fowler pair at the National A chestnut pair, weighing just over 4,100, owned by R. F. Oakleaf, Tiffin, Ohio, will complete the field of heavy teams. They showed more improvement than any other competing teams in later contests to qualify to meet this field of outstanding teams.

In the lightweight contest will be the National Light Champions for the past two years, which are owned by Charles Roehl and Sons. This pair is a roan gelding that was in their team that set the present world's lightweight record. Another pair will be the gray pair owned by John Huizenga of Grandville, Michigan. This pair, a roan second at the National and more than second in any contest in 1954, was formerly owned by Al Fee of Athens, Michigan. One horse in this team was in the Roehl pair, when driven to the present world's lightweight record. The other lightweight team to make up the field is a picture pair of matched gray geldings owned by Harold Gilbert, Shelbina, Missouri. This well-mannered pair was a close third at the National. These two fine fields of pulling teams are the best in the world, evenly matched and major upsets can be expected in both contests.

The Michigan Horse Breeders' Association will end the day's activities with a horseman's banquet to be held at 6:00 p. m. in the Union Building. Veteran horseman, Andrew Quirie, who retires July 1, will be honored at this banquet.

The horse day program, Monday, February 7, is as follows:

6:00 a. m.—Little International;
9:30 a. m.—Cold Development Project Show; 10:30 a. m.—Heavyweight contest; 1:00 p. m.—Little International Championships; 1:30 p. m.—Exhibition of Six-Horse Hitch; 1:40 p. m.—Parade of Champions; 1:45 p. m.—Lightweight contest; 6:00 p. m.—Horsemen's Banquet.

An individual's intelligence can be measured by his attitude toward reading.

State Inspected For Wholesomeness

Above is shown Dr. W. Hagenbuck, of Blissfield, inspecting a turkey for wholesomeness while Bernard Clement, owner of a turkey farm at Britton, watches. The veterinarian is employed by the Michigan Department of Agriculture to inspect the birds before and after slaughter. Sanitation of premises is closely checked under the new plan.

Hale Chapter, FFA Approves Safety Campaign

The Hale Chapter of Future Farmers of America held its weekly meeting Wednesday, January 12.

Motions to start on a safety campaign by building two signs and to build or rent a brooder house were put up to the chapter and both passed.

Wilbur Campbell took first place in the soil conservation essay contest winning \$25.

Jan Bissonette took second place with a \$15 prize. The con-

test was sponsored by the Iosco County Soil Conservation District.

Members of the chapter would like to thank Gordon Hatch and Arnold Loomis for getting them started in the contest.

Agricultural Output

The 1954 agricultural output of this country was the fifth largest in its history. It was only three percent below that of 1953, according to the final 1954 crop report of the United States Agriculture Department.

FARM EVENTS

By MARVIN DAVENPORT County Agricultural Agent CALENDAR—

Tuesday, January 25—Barnyard Economics, Everett Elwood, Michigan State College economist at Whittemore School, 8:00 p. m.

Wednesday, January 26—Soil Conservation District meeting at 1:00 p. m., Plainfield Township Hall at Hale.

Wednesday, February 2—Michigan Livestock Exchange regional meeting at Reno Township Hall at 2:00 p. m. (Note: This is a change from January 28.)

"More profit from farm machinery and home equipment" is the general theme of one of the most outstanding meetings to be held in Iosco County this winter. But, this is only part of what is in store for you. The income tax law has 14 new changes which apply to farm people and these will be reviewed. Social security for the first time is reaching into just about every farm home in the county and this will be discussed. Keeping farm earnings up during 1955 is also on the special menu.

This outstanding program of interest to every farmer and farm wife is scheduled for Tuesday, January 25, at 8:00 p. m. in the Whittemore high school according to home demonstration agent, Dorothy Scott, and county agent, Marvin Davenport. Farm management specialist, Everett Elwood, of Michigan State College is working with the county extension office on this event and will be present to participate in the program. Much local flavor will be added because two Iosco County farmers, Carl Look of Tawas Township and Wendell Scofield of Plainfield Township, will be participating. We shall have a successful homemaker on the program to round out the meeting.

Farmers and farm wives who have attended this meeting in previous years have reported it to be one of the best. A completely new program is in store for you. It will be presented in a most interesting manner. Motion picture film will be shown. A display board showing farm facts illuminated with flood lights will be used. A panel discussion featuring farmers and a farm wife is to be a special treat. Questions from the audience will be welcomed. The entire program has been built around items of greatest interest to farmers and their wives today. Farm machinery is one of the largest expense items on many of our farms now so it is an especially worthy subject to discuss in view of what appears to be ahead for farmers. A similar situation occurs in the home where we have had a tremendous increase in all types of home equipment.

A must for everyone is this meeting. Bring the whole family, bring your neighbor and his wife.

If you want strong, healthy lambs, it is very important to feed ewes carefully during the winter months. The most important item in a good ration is high quality legume hay, according to Graydon Blank, extension sheep specialist at Michigan State College.

About one month to six weeks before lambing time, add a little grain to the hay ration. Blank says one-half to one pound of corn, oats or a mixture of the two per head daily, depending on the condition of the ewes. This will put them in good shape for bearing strong, healthy lambs.

Plenty of water, salt, and a moderate amount of exercise will do much to prevent pregnancy disease or lambing paralysis in ewes. Ewes carrying twin lambs often have a tendency to become paralyzed and die a week or 10 days before they are to lamb.

At the recent annual Artificial Breeders Association meeting vacancies on the board of directors were filled. Joseph Barnes will serve one year of the unexpired term of James Sturtevant. Warren Britt and George Waters were elected to three year terms each.

Byrona Carpenter, ABA fieldman, was the speaker for the meeting conducted by vice chairman, Howard Britt. Glenn McLeod read the minutes of the last annual meeting, while Thomas Nelkie and Rupert Bentley presented progress reports.

The need for expansion of the program and increase in number of cattle to be served was emphasized. If the services of ABA are to be continued, more cows and herds must be added in 1955.

Workmen of the Tulsa, Oklahoma street department tore up 313 feet of a street before they were notified they had made a mistake. The men had the right street but the wrong block.

Workmen of the Tulsa, Oklahoma street department tore up 313 feet of a street before they were notified they had made a mistake. The men had the right street but the wrong block.

Soil Conservation Meeting at Hale Next Wednesday

The third annual meeting of the Iosco County Soil Conservation District will be held at the Hale Community Building, Wednesday, January 26, was announced by James Mielock, district chairman. Reports from county chairmen and of the year's activities will be given. A movie on conservation will open the program at 1:00 p. m.

The election of one director to serve a term of three years will be an important part of the business. The term of Lyle Long is expiring. Long was one of the three directors elected at the time the referendum was conducted in 1951, and having received the largest number of votes, was declared elected for a term of three years.

A nominating committee consisting of Charles Timreck, chairman, Wendell Scofield, Milton Unkle and Lanson Beardslee will conduct the election.

The main speaker will be Harold J. Raphael, specialist in wood utilization from Michigan State College.

Refreshments of oyster stew will be served by wives of the directors.

Michigan Historical Marker

A standard marker for officially approved historic sites in Michigan has been adopted by the Michigan Historical Commission. Above is a sample marker. The crest shows the wolverine and the words "Michigan Registered Historic Site." The marker is of cast aluminum with gold lettering. By adopting a uniform design and authorizing its use the Historical Commission believes historical sites in Michigan will become as well known as those in Eastern states and the West.

The Lutheran Ladies' Aid met with Mrs. Bueschen recently. The meeting opened with the Pastor Clement reading from St. James, chapter three.

The pastor also told about the wonderful work being done by the Lutheran Institute for the Deaf at Detroit, which depends largely on donations.

Among some of the pupils who come from all over the United States are an infant from Montana and a four-year-old girl from Mexico. The aid was also asked to help the Old Folks Home at Monroe, Michigan which is celebrating its 60th anniversary.

Getting a dorsal curtain for the back of the altar is left up to the ladies aid.

Altar committee members for the rest of January and February are Mrs. Ray Vinnedge and Mrs. Charles Attwell.

A report was read by Mrs. Vinnedge about the baskets which she distributed to the needy at Christmas.

The treasurer, Mrs. David Bernard, read a thank you note from Gary Heinie stationed in Japan. He is one of the five boys

from the church who received gifts from the aid for Christmas. A note of thanks from Pastor and Mrs. Clement for their Christmas gift was read.

Plans were made for the Sunday family dinner after church in the community building, Sunday, January 16.

Mrs. Barnes told about a letter she had received from a former member of the church, Mrs. Hula, who moved to Chicago for her health.

A report was given by the health unit committee. Each member is asked to donate some fancy work for a bazaar the health unit is holding to build

a health center in Hale where there is a great need for it. Cake, jello and coffee were served by the hostess, Mrs. Bueschen.

The next meeting will be at Mrs. Charles Attwell's home the second Thursday in February. A warm welcome is extended to all women of the parish.

The Foreign Operations Administration has a recently launched a campaign to convince the American business men that three-fourth of all foreign aid finds its way back directly into the American economy.

George Says

After my second complete week as a member of the Iosco-Arenac Regional Library Staff, I am more enthused than ever.

Grown-ups and children alike are whole-hearted in their welcome.

Omer third and fourth grade students, under the direction of Mrs. Sylvia Bryan, constructed a huge paper model of "Big George" in their room. They then presented an unusually clever play to celebrate my first trip.

In this short play, each student represented a book and very dramatically depicted the crowded conditions of "Old George" and then their happy transfer to "Big George" where they found a much roomier, lighter and more comfortable home.

Sympathy was extended to Miss Doris Brugger, driver, who is absent at this time recuperating from a broken bone in her foot. A warm welcome and good wishes were offered David Fortune, who is driving in Miss Brugger's absence.

At each school, superintendents and teachers have been very cooperative in permitting every student to inspect this new equipment, and their verdict after inspection has been a unanimous "He's wonderful!"

This can make a Bookmobile feel mighty good.

At every stop, circulation of books has reached a new "high" so it has been a happy, busy week. Next week, we are just as happily looking forward to visiting at:

Thursday, January 20—Gibson School, Saganing School, Worth School, West Bradley School.

Friday, January 21—Sherman School, Arenac Eastern School, Twining downtown.

Monday, January 24—Vine School, Taft School, Watt School.

Tuesday, January 25—Omer School, Omer downtown.

Wednesday, January 26—Standish School.

Thursday, January 27—Sterling School, Sterling downtown.

Friday, January 29—Hale School, Hale downtown.

With Our SERVICEMEN

Cpl. Wayne C. Nelson, son of Mr. and Mrs. Walter C. Nelson, 615 Ninth Avenue, Tawas City, recently spent a week's leave from his unit in Korea at Kobe, one of the largest cities in Japan.

Corporal Nelson entered the army in March 1953 and has been overseas since March 1954. He is a laboratory technician and medical aidman in the I Corps Headquarters.

Clifford St. James was at West Branch Tuesday.

Mr. and Mrs. Glen Schneider of Bay City visited with relatives here and at Sherman the first part of the week.

Mr. and Mrs. Ray Haske of Lansing spent the week-end at the home of her parents, Mr. and Mrs. Victor St. James.

Orville Bellor visited relatives at National City Tuesday evening.

A. B. Schneider was at Port Huron for medical treatment last week.

A number from here attended the funeral of Edward Morin at the St. James Church Saturday, January 25, on the calendar and plan on being at the Whittemore high school farm shop building at 8 o'clock.

20 Counties Have Swine Entries at MSC Show

Wednesday, February 9, is swine day. The Swine Feeding Project Exhibit, show and sale will feature sixty-nine operators from 20 counties have 728 August farrowed pigs entered and weighed in this project.

This represents seven breeders plus crossbreeds. Over 50 co-operators should qualify an entry of four select pigs from each farm to feed. This will give an exhibit of over 200 market hogs weighing an average of approximately 210 pounds each.

Pigs when entered in early November averaged about 65 pounds each. Feed records and daily gains will be placed on all pens exhibited.

The judging of market hogs begins at 8:30 a. m. Wednesday morning, February 9. This will be the largest swine exhibit ever held at Farmers' Week show. It will be broken into three weight classes. The first classes shown are those individuals entered in a special treat. After being placed in their respective weight class on foot, all will be sent to slaughter. The carcasses they produce will then be judged and placed on exhibit the following day.

Following the show of carcass barrows, will be the individual barrows, then pens of three and championships.

All market hogs on exhibit will be sold at auction Thursday, February 10, beginning at 1:00 p. m.

Following the show of market hogs, will be the swine breeders' luncheon.

A special swine program is scheduled at this time. Hobart Jones, in charge of swine work at Purdue University, will be the speaker. His subject is "Breeding to Produce the Meat Type Hog."

As judge of morning market classes, he will also comment on the swine exhibit.

E. C. Miller, animal husbandry specialist, Michigan State College, formerly from Indiana and Dr. Frank Thorp Jr., M.S.C., will discuss "A Swine Disease Program" as practiced in Indiana.

The directors of the Michigan Swine Breeders' Association will hold their annual business meeting following the program.

How Social Security Effects Farmers

How does the new social security program affect farmers? What's new on income taxes? How can machinery and equipment maintain or increase farm profits?

These and many other questions will be discussed at an important meeting being held at Whittemore high school on Tuesday, January 25, 8:00 p. m. Everett Elwood, farm management specialist from Michigan State College will be on hand for the meeting.

There are many income tax changes this year, most of which will be good news to farmers. These changes and other income tax problems affecting farmers will be discussed at the meeting.

Farm operators will be paying their first social security taxes in 1955 and 1956. Here's an opportunity to obtain information and ask questions about an insurance program that will influence the future plans of every farm family.

Maintaining farm profits with declining farm prices is a major problem confronting anyone in the business of farming today. A substantial portion of the program will be devoted to a discussion of the adjustments an Iosco County farmer should consider to meet the problems ahead.

One of the highlights of the meeting will be a panel discussion in which Carl Look from Tawas Township and Wendell Scofield from Plainfield, as well as an Iosco County homemaker, will discuss changes they expect to make on the farm and in the home during the next five years.

Time will be arranged for those attending to ask questions and participate in the discussion. It is a meeting for the whole family, so let's mark the date, January 25, on the calendar and plan on being at the Whittemore high school farm shop building at 8 o'clock.

Hale Wins From Tawas Area Braves

A 21-point third quarter explosion by Hale proved to be the deciding factor in the Tawas Area Braves' 44-35 loss on the west-county team's home court last Tuesday night. The Braves held a slim one-point, 15-14 edge over the winners at halftime.

Led by the sharpshooting of Shellenbarger, who garnered 19 points for high scoring honors of the night, Hale jumped to a 7-2 lead in the first quarter. A 13-point spree by the Braves turned the tables in the second quarter, but the lead was short lived after Hale's 21-point effort in the third quarter.

Mesing only four markers in the third quarter, Tawas staged a late stand in the final quarter with a 16-point effort but dropped the decision as Hale added nine points to take the game.

Aiding Shellenbarger in the Hale scoring column were Gertz and Baker, who scored 10 and nine points respectively. Top scorer on the Tawas squad proved to be Featheringill, who counted nine points.

The Tawas Reserves saved the night from becoming a complete rout by taking a 54-14 decision over Hale. Led by Ray Guyette with 14 points, 14 out of the 16 Tawas players figured in the scoring.

This Friday night's schedule finds the Braves playing at Alpena Catholic Central. Three games are scheduled against Bay City St. Stanislaus next Tuesday night at the local gymnasium. The junior high teams of the two schools will tangle at the gymnasium in Tawas City at 6:30 in the preliminary. Doors will open at 6:00.

Pontiac Safari, New Custom Station Wagon

Pontiac's Safari, the sensational new Star Chief Custom station wagon, combines the luxury of a fine passenger car with the utility of a station wagon. The two-door car, whose unique styling innovations and ultra-modern streamlining are featured in this rear view, is only 59 inches high. The Safari was introduced at the General Motors Motorama in New York. Its customized interior is finished in hand-buffed leather which matches the exterior body colors. Pontiac is putting the car into production immediately.

Attend Boat Meet At Lansing

Representatives of the Tawas Bay lightning fleet attended the mid-winter meeting of the Michigan Lightning District at the Hotel Roosevelt, Lansing, last Sunday. They were: Commodore Clarence Everett, L. G. McKay, Jr., Gordon Everett, Herbert Cox and Charles Schreck.

An invitation to approximately 65 sailors was extended by the local fleet for the annual Fourth of July regatta held on Tawas Bay.

The Michigan District Lightning Regatta will be held at St. Joseph next-summer. The regatta was held on Tawas Bay last August.

Wives of the local sailors traveled as far as Saginaw where they spent the day with Mrs. Herbert Cox.

Mr. and Mrs. Fred W. Rempert Celebrate Silver Anniversary

Mr. and Mrs. Fred W. Rempert celebrated their silver wedding anniversary on Saturday, January 8, at a surprise party at the home of their daughter, Mrs. Jerold McEwen.

Out of town relatives present for the party were Mr. and Mrs. Harry Spinney, Mr. and Mrs. John Amie and two children, John and Richard, all of Flint; Mr. and Mrs. Floyd McEwen, Mr. and Mrs. Blaine Trombley of Saginaw; also the Misses Martha and Olga Rempert of this city.

The evening was spent in visiting and a buffet lunch was served. The guests of honor received many lovely gifts.

Extension Classes Start March 8

A University of Michigan extension service course, Philosophy of Education, A125, begins Tuesday, March 8, 6:30 p. m. and runs for 10 weeks in the East Tawas Unit of Tawas Area Schools. This is a two hour course nightly for two hours credit. Graduate fee is \$20, and under-graduate fee, \$18.

This field course is focused in the significance of chief philosophical viewpoints in the solution of present problems in American education. Since it is important for every teacher to examine repeatedly the basic values upon which he builds his work, especially in periods when there is much controversy over school content, methods and aims, each student is offered an opportunity to develop an educational theory of his own.

Instructors are Eggertson and staff.

Magistrate—"Witness says you neither slowed down nor tried to avoid the pedestrian."

Motorist—"I took all precautions, I blew my horn and cursed him."

While government is designed to serve the people, it cannot support them.

Tawas City

(Continued from First Page)

Mr. and Mrs. Roy Bergeron and daughter, Karen, visited relatives in Bay City on Sunday.

Mr. and Mrs. Harold Watts of Hazel Park spent Sunday with his mother, Mrs. Rose Watts, and other relatives.

Mr. and Mrs. Harold St. Martin, Mrs. Chelsea Beard, Mrs. Gordon Carey and children, Harold and LaYonne, of Detroit spent the week-end with Mr. and Mrs. Walter Schuhmacher and other relatives.

Nursery

(Continued from First Page)

A spokesman for the Consumers Power Company, Gordon Huck, told the board that a parcel of land of approximately two acres adjoining the property was already in the process of being prepared to offer for sale. He stated that it was his opinion that the cost of moving the Consumers Power Company's substation in that area would be prohibitive due to the cost.

Because of the short time in which detailed information regarding the fairgrounds property could be prepared, Robert C. Rowison Jr., representing H. E. Beyster and Associates, the architectural firm which prepared plans for the proposed new school, presented a scale map of the property and proceeded to interject the basic requirements for an educational program. This consisted of cut outs of educational buildings, football field, and other necessary physical educational requirements placed within an outline of the fairgrounds property.

Mr. Rowison said that the map was not necessarily accurate because he had not verified exact boundary lines of the property. The school plant was the same proposition which the board of education offered on earlier bonding elections at the Neumann-Reinke property.

Mrs. Rowison said the proposed building cut outs on the map so the group could visualize how this land would accommodate the school program as requested by supporters of the fairgrounds property.

Due to the soil conditions in the low area, Mr. Rowison said that fill would be required at the building area. He said the program probably would cost approximately \$30,000 more than the Neumann-Reinke site.

He said it would be advisable to get further information on how the land could be utilized. The chief problem at this time, he said, was to see if the project would fit in the space.

The parking situation on the proposed layout of the school buildings came up for consideration. Rowison said that he had no immediate answer on this matter but would prepare a drawing of parking facilities and a more detailed layout of the proposed project.

Additional information in regard to the fairgrounds property as a site for the proposed new Tawas Area junior and senior high school will be gathered and presented at future meetings.

Presents Korean Pictures at Club

A color motion picture film taken during a recent trip to Japan and Korea, presented by Bert Stoll of East Tawas, highlighted the Wednesday night meeting of the Ladies Literary Club of East Tawas.

The 20-minute film was accompanied by a commentary by Mr. Stoll of his trip to the Far East with a Michigan USO show last fall.

Mrs. C. S. Everett, chairman, was in charge of the program. Mrs. Russell McKenzie was chairman of the refreshments committee, assisted by Mrs. J. S. Harrington, Mrs. Cecil Cabbie, Mrs. R. G. Schreck and Mrs. George Gifford. Mrs. Ben Wilson was in charge of the business session.

Table decorations for the meeting consisted of a Japanese setting, in keeping with the program presented by Mr. Stoll.

Auxiliary Pays Hospital Pledge

On January 4, the annual meeting of the Tawas Hospital Auxiliary was held at the Tawas Hospital. Reports for the past year were read by the secretary, and the chairman of the standing committees. It was disclosed that the 1954 pledge of \$1,500 has been paid in full to the hospital association.

The retiring chairman, Mrs. John L. Coyle, thanked the members for their cooperation and pledged, in their name, full support of the new officers. She then vacated the chair in favor of Mrs. Nalbert Gerber, who brought the meeting to a close after a short discussion of the aims for 1955.

Refreshments were served by the hostess, Mrs. Coyle.

Mrs. Gerber will have the able assistance of Mrs. George Baldwin as vice president, replacing Mrs. George Tuttle. Mrs. Charles Lemon is taking over the duties of recording secretary from Mrs. Baldwin; Mrs. Gordon Huck, corresponding secretary in place of Mrs. Joseph O'Connor, and Mrs. Arthur Wendt as treasurer, the position she has held the past two years.

The vacation resorts in sunnier climes are now engaged in their annual devility—featuring pictures of pretty girls in pretty little on the beaches.

60 Persons Attend OES Meeting

Tawas City Chapter, Order of Eastern Star, held initiation ceremonies last Friday evening at the Masonic Temple with more than 60 persons attending. Mrs. Shirley Stock was initiated into the order. Dues were present from the Whittemore and East Tawas chapters.

In a very impressive ceremony, Mrs. Georgena Leslie was presented her life membership in the order. Mrs. Leslie was presented with gifts in honor of the occasion.

Buffet lunch was served with Mrs. A. W. Colby as chairman of the refreshment committee, assisted by Mrs. Marvin Davenport and Mrs. P. N. Thornton.

Mrs. Mallon Hostess to Dorcas Society

Mrs. William Mallon was hostess to the Dorcas Society of the Baptist Church last Tuesday evening. She was assisted by Mrs. Steven Ezo.

Devotions were given by Mrs. Charles Mercer, and Mrs. James Carpenter conducted the games. Refreshments were served by the hostesses.

Crowd

sports area. Two large groups of young people are expected at the valley on Saturday and Sunday. Approximately 150 boys from the District 19 Explorer Scouts of Detroit will camp at the valley over the week-end. The day Side zone of the Waltham League will spend Sunday at the winter sports area.

Along with winter sports activities in the Tawas area, many persons utilized the ice fishing facilities offered by the chamber of commerce at Perchville on Tawas Bay.

Although perch fishing was a disappointment with a very light catch reported, Del Collier of Jerry's Fishing Resort on Tawas Point said Sunday night that pike fishing again proved to hold its own Saturday and Sunday. He said that several fishermen were successful in landing the big fish by using spears.

Nearly every one of the fish shanties was occupied by a fisherman and several local persons ventured out on the new ice which formed directly in front of the village. Larger catches were reported to be taken on the new ice.

Kinnane

6. I have conferred with Congressman Cederberg and I am satisfied from my conversation with him that a concerted effort to obtain the nursery site either on a purchase or exchange basis should be successful within a reasonable time. Congressman Cederberg has promised me to exert every effort to accomplish this transfer, but I think he would like to have further assurance from your board that you mean business in regard to acquiring this site. Should your board see fit to designate the so-called nursery site and make it irrevocable by tying the bond issue to that site, I am sure that Congressman Cederberg and Senator Potter will show us some quick action.

I trust that the information contained in this letter will encourage your board to take action in the right direction.

A. J. Kinnane
